OTHER INSTRUCTIONS: (KYC)

16. As per the provisions of Section 72 of the Companies Act and SEBI Circular, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a Member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/ she may submit the same in Form ISR-3 or SH-14 as the case may be. The said forms can be downloaded from the Company's website www.orientceratech.com. Members are requested to submit the said details to their DP in case the shares are held by them in dematerialized form and to the Company/RTA in case the shares are held in physical form.

Further, the Members please be informed that the SEBI vide Circular Dated June 10, 2024 has decided that non-submission of 'choice of nomination' shall not result in freezing of Demat Accounts. The Securityholders holding securities in physical form shall be eligible for receipt of any payment including dividend, interest or redemption payment as well as to lodge grievance or avail any service request from the RTA even if 'choice of nomination' is not submitted by these securityholders. The payments including dividend withheld presently by the Companies/RTAs, only for want of 'choice of nomination' shall be processed accordingly.

Further, Members are requested to update their details viz. PAN, KYC, Nomination Details etc. by filling the KYC Forms available on the Company's Website viz. www.orientceratech.com.

17. SEBI vide its notification dated January 24, 2022 has mandated that all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialization, the members are advised to dematerialise the shares held by them in physical form. Members can contact the Company or RTA, for assistance in this regard.
18. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote during the AGM.
19. Members seeking any information with regard to the accounts or any matter to be placed at the AGM, are requested to write to the Company at least five days prior to the date of AGM at investor@oalmail.co.in. The same will be replied by the Company suitably.
20. The Ministry of Corporate Affairs (MCA) has adopted/implemented "Green Initiative in Corporate Governance" allowing paperless compliances by Companies through electronic mode. The Companies are now permitted to send various notices/documents to its shareholders through electronic mode to the registered email addresses of the shareholders.

To support the 'Green Initiative', the Members who have not registered their e-mail addresses are requested to register the same with their DPs in case the shares are held by them in electronic form and with Company's RTA –M/s Skyline Financial Services Private Limited in case the shares are held by them in physical form.

21. The Securities and Exchange Board of India (SEBI) vide its Circular No. SEBI/HO/MIRSD/ DOP1/CIR/P/2018/73 dated 20th April, 2018 has mandated the registration of Permanent Account Number (PAN) and Bank Account Details of all their shareholders holding shares in physical mode through their RTA.

Members holding shares in physical form are, therefore, requested to submit their PAN and Bank Account Details to the Company's RTA, viz. M/s Skyline Financial Services Private Limited, by sending self-attested copy of PAN Card along with self-attested legible copy of Aadhar/passport/utility bill (not older than 3 months) and Original cancelled cheque leaf containing the Bank A/c No., Bank Name, type of account, IFSC Code, MICR Code and the name of the shareholder printed on the cheque leaf.

In cases wherein the cancelled cheque leaf does NOT contain the shareholder's name printed on it, Members are requested to submit the Original cancelled cheque leaf along with legible copy of the bank passbook / bank statement specifying the KYC details of the registered shareholder such as the name, address, bank account number etc. duly attested by the Officer of the same Bank with his signature, name, employee code, designation, bank seal & address stamp, phone no. and date of attestation.

22. SEBI introduced Online Dispute Resolution Mechanism (“ODR Mechanism”) through various circulars including its updated Master Circular no. SEBI/HO/OIAE/OIAE_IAD-3/P/CIR/2023/195 dated December 28, 2023 i.e. “Master Circular for Online Dispute Resolution”. The said Master Circular and the process note are available on the website of the Company at <https://www.orientceratech.com/>. As per the said circulars, investors shall first take up their grievance with the listed entity by lodging a complaint directly with the concerned listed entity and if the grievance is not redressed satisfactorily, the investor may, in accordance with the SCORES guidelines, escalate the same through the SCORES Portal at www.scores.gov.in, in accordance with the process laid out therein. After exhausting all available options for resolution of the grievance, if the investor is still not satisfied with the outcome, he/she can initiate dispute resolution through the ODR Portal at <https://smartodr.in/login>. Alternatively, the investor/client can initiate dispute resolution through the ODR Portal if the grievance lodged with the Company was not satisfactorily resolved in accordance with and subject to the relevant SEBI circulars. It must be noted that the dispute resolution through the ODR portal can be initiated only if such complaint / dispute is not pending before any arbitral process, court, tribunal or consumer forum or if the same is non-arbitrable under Indian Law. There shall be no fees for registration of a complaint/dispute on the ODR portal, and the fees for conciliation or arbitration process including applicable GST, stamp duty etc. shall be borne by the Investor / Company/other market participant as the case may be.

23. Since the AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice.

24. GENERAL INSTRUCTIONS AND PROCEDURE FOR JOINING THE AGM THROUGH VC / OAVM

1. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020, May 05, 2020, January 13, 2021, December 08, 2021, December 14, 2021, May 05, 2022, 28th December, 2022 and 25th September, 2023, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
2. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
3. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
4. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
5. In line with the aforementioned Ministry of Corporate Affairs (MCA) Circulars, the Notice calling the AGM has been uploaded on the website of the Company at www.orientceratech.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- Step 2:** Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
- (i) The voting period begins on 25th September, 2024 (Wednesday) at 9.00 a.m. and ends on 29th September, 2024 (Sunday) at 5.00 p.m. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 23rd September, 2024 (Monday) may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to aforesaid SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode is given below:

Explanatory Statement Pursuant to Section 102 of the Companies Act, 2013:

Item No. 4 & 5 - To approve Existing as well as New Material Related Party Transaction(s):

Pursuant to the provisions of Regulation 23 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”), the threshold limit for determination of material Related Party Transactions is the lower of Rs.1,000 crores (Rupees One thousand crores) or 10% (ten percent) of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity and such material related party transactions exceeding the limits, would require prior approval of Members by means of an ordinary resolution.

The related party transactions as mentioned below, in the aggregate, are expected to cross the applicable materiality thresholds as mentioned above. Accordingly, prior approval of the Members is being sought for all such arrangements / transactions to be undertaken by the Company. All the transactions to be entered into would be in the ordinary course of business of the Company and on an arm’s length basis.

The Company, along with its wholly owned subsidiary viz. Orient Advanced Materials Private Limited, proposes to enter into transactions with its related party mentioned in Resolutions set out in Item nos. 4 & 5 of the Notice, as per the terms and conditions as mutually agreed upon between the parties. The Audit Committee of the Company has granted omnibus approval for the said related party transactions at its meeting held on 13th February, 2024 and has noted that although the proposed related party transactions are in the ordinary course of business of the Company and shall be entered into at an arm’s length basis, they may, in aggregate, cross the applicable materiality thresholds as mentioned above.

Accordingly, as per the SEBI (LODR) Regulations, prior approval of the Members is being sought for entering into and/or carrying out and/or continuing with existing contracts/arrangements/ transactions or material modification(s) of earlier arrangements/transactions or as fresh and independent transaction(s) or otherwise (whether individually or series of transaction(s) taken together or otherwise) undertaken or to be undertaken by the Company along with its subsidiary and that shall be valid for one year i.e. from the date of this Annual General Meeting till the conclusion of the 54th Annual General Meeting of the Company to be held in the year 2025.

Your Board of Directors considered the same and recommend passing of the resolutions contained in Item Nos. 4 & 5 of the accompanying Notice.

The said transaction(s)/contract(s)/arrangement(s) have been recommended by the Audit Committee and Board of Directors of the Company for consideration and approval by the Members.

It is pertinent to note that no related party shall vote to approve this Resolution whether the entity is a related party to the particular transaction or not.

Save and except the above, none of the Directors or Key Managerial Personnel of the Company or its respective relatives, other than as mentioned above, is concerned or interested, in the aforementioned resolutions.

The Board accordingly recommends the Resolutions as set out in Item Nos. 4 & 5 of the accompanying Notice for the approval of Shareholders of the Company as an Ordinary Resolutions.

Item No. 6: Ratification of Cost Auditor's Remuneration:

Pursuant to Section 148 of the Companies Act, 2013 and Rule 14 of the Companies (Audit and Auditors) Rules, 2014, as amended from time to time, the Company is required to appoint a Cost Auditor to audit the cost records for applicable products of the Company.

The Board, on the recommendation of the Audit Committee, has approved the appointment of M/s. Priyank Vyas & Associates, Cost Accountants as Cost Auditors, of the Company for the Financial Year ending on 31st March, 2025, to conduct audit of cost accounting records of the Company as may be required for cost audit under the Companies Act, 2013, and Rules made thereunder, at a remuneration of Rs. 1,70,000 (Rupees One Lakh Seventy Thousand Only) per annum plus Goods & Service Tax (GST).

None of the Directors, Key Managerial Personnel of the Company, or their relatives are, in any way, concerned with or interested in, financially or otherwise, in the said resolution.

The Board accordingly recommends the Resolution as set out in Item No. 6 of the accompanying Notice for the approval of Shareholders of the Company as an Ordinary Resolution.

Item No. 7: Revision in Remuneration of Mr. Manan Shah (DIN: 06378095), Managing Director of the Company:

In compliance with the relevant provisions of applicable sections and schedule V of the Companies Act, 2013, the Members of the Company vide special resolution dated 17th May 2023 conducted through postal ballot, had approved the appointment of Mr. Manan Shah (DIN: **06378095**) as the Managing Director of the Company for a tenure of three years effective from 12th April 2023 upto 11th April, 2026 along with the remuneration payable to him.

Mr. Manan Shah is actively involved in the Company's strategic affairs and plays an important role in the Company's strategy planning and development and streamlining its operations. Considering the financial performance of the Company during the FY 2023-2024, sustainable profitability and the significant contribution made by Mr. Manan Shah on a regular basis towards the efficient functioning of the Company, the Board Members, on the recommendation of Audit Committee and Nomination and Remuneration Committee (NRC) in its meeting held on 14th August 2024, proposed a revision in the remuneration for the remaining period of his present term as Managing Director.

Mr. Manan Shah has extensive experience in the field of minerals processing, refractory and abrasives industries, and the oil and gas industry. 2) COMPANY'S PERFORMANCE AND OPERATIONS:

The Company's performance improved during the year under review. The standalone revenue for the year ended 31st March, 2024 stood at Rs. 31,698.41 Lakhs as against Rs. 28,384.93 Lakhs in the previous year. The rise in revenue is mostly attributable to increase in the sales as well as change in product mix. The total income from operation (including other income) grew by 9.94% and stood at Rs. 32,248.45 Lakhs as against Rs. 29,331.64 Lakhs in FY 2022-2023. Consequently, Net Profit after Tax increased by 35.47% and stood at Rs. 1,710.57 Lakhs as against Rs. 1,262.65 Lakhs in the previous year ended 31st March, 2023.

The Company reported an increase in export sales which stood at Rs. 8,848.54 Lakhs as against Rs. 6,096.23 Lakhs in the previous year ended 31st March, 2023. This growth is attributed to several factors viz. increase in repeat orders from key accounts, expansion into new markets, and a decrease in global inflationary pressures boosting demand.

On consolidated basis, total income from operation (including other income) grew by 2.04% and stood at Rs. 31,639.17 Lakhs as against Rs. 31,008.44 Lakhs in FY 2022-2023. Consequently, Net Profit after Tax increased by 33.80% and stood at Rs. 1,901.77 Lakhs as against Rs. 1,421.35 Lakhs in the previous year ended 31st March, 2023.

Your Company also runs wind power plants of 11.1 Mega Watt (M.W.) in Rajasthan and Karnataka, which are operating satisfactorily. During the year under review, the gross revenue from the sale of power stood at Rs. 733.69 Lakhs as compared

to Rs. 690.71 Lakhs in the previous year ended 31st March, 2023. The Company is also deliberating on measures required to be taken for further improvement.

Your Company has a power plant capacity of 18 M.W. out of which 9 M.W. is coal based whereas 9 M.W. is based on furnace oil. Due to high fuel costs and high per unit cost of power due to partial operations at the Porbandar plant, the power plant is operated on need basis.

The Company also deals in the business of Chamotte product, which is mainly used as raw material in the refractory industry. The Company had signed a Memorandum of Understanding (MOU) with Ashapura Minechem Limited, Associate Company of the Company for manufacturing of Chamotte on job-work basis. Since the Company had a sizable customer base for Refractory products, the Company received and processed the customer orders for Chamotte. Therefore, during the year under review, in order to eliminate the job work process and its associated costs, the Company purchased the Chamotte Plant / Unit located at Baraya, Gujarat, along with its associated Land & Building from Ashapura Minechem Limited enabling the Company to manufacture directly and to drive the entire value chain of Chamotte products through the Company.

During the year under review, there was no change in the nature of business of the Company.

3) CHANGE OF NAME OF THE COMPANY

The Company manufactures and distributes specialty value-added ceramic goods like ceramic proppants for the oil and gas industry as well as ceramic solutions for the abrasives and refractory industries. The Company also caters to several industries beyond the Abrasives Segment. Further, the Company also has plans to consolidate its position in the field of advanced technology-based ceramics.

Accordingly, during the year under review, the Company changed its name from 'Orient Abrasives Limited' to 'Orient Ceratech Limited' to better reflect its business activities. The word "Ceratech" accurately reflects the business of the Company and conveys the essence of the Company's operations and future vision and aspirations.

The said change in the name was duly approved by the Shareholders of the Company through the Postal Ballot resolution dated 17th May, 2023 and subsequently, the approval of Registrar of Companies (ROC), Maharashtra, Mumbai, was also received for the said change of the name w.e.f. 26th May, 2023. To reflect the change of name in the regulatory authorities' records, the essential steps have been taken.

4) DIVIDEND:

Considering the business performance and the dividend history of the Company, your Board of Directors is pleased to recommend a dividend of Re. 0.25 (25%) per Equity Share of Re. 1/- each, fully paid on 11,96,39,200 equity shares of the Company, subject to approval of the shareholders at the ensuing Annual General Meeting of the Company. The Dividend will be paid out of the profits for the year.

The Dividend if declared will involve a total outflow of Rs. 299.10 Lakhs which will be subject to deduction of tax at source as applicable and shall be paid to the members on or after 30th September, 2024, whose name appears in the Register of Members, as on the Record date i.e. 23rd September, 2024.

5) TRANSFER TO RESERVES:

The Company has not proposed to transfer any amount to General Reserve.

6) SHARE CAPITAL:

During the Financial Year 2023-2024, there was no change in the authorized, issued, subscribed and paid-up share capital of the Company. As on 31st March, 2024, the Company is having authorized share capital of Rs. 18,00,00,000/- (Rupees Eighteen Crores only) consisting of 14,00,00,000 (Fourteen Crores) Equity Shares of Re. 1/- each and 4,00,000 (Four Lakhs) 6% Redeemable Cumulative Preference Shares of Rs. 100/- each.

The issued, subscribed and paid-up equity share capital of the Company remains unchanged. The break-up of issued, subscribed and paid-up equity share capital is provided in Note No 14 of Financial Statements.

The Company, during the year under review, has not issued shares with differential rights as to dividend, voting or otherwise or bought back any of its securities. The Company has not issued any sweat equity/bonus shares/employee stock option plan, under any scheme.

7) TRANSFER TO THE INVESTOR EDUCATION AND PROTECTION FUND (IEPF):

Pursuant to the provisions of Section 124(5) of the Companies Act, 2013 (“the Act”), your Company has transferred Rs. 10,11,428 /- during the year to the Investor Education and Protection Fund (IEPF). This amount was lying as unclaimed/unpaid dividend with the Company for a period of 7 (Seven) years after the declaration of Final Dividend for the Financial Year ended 2015-16.

Further, as required under Section 124 of the Act, 47,700 equity shares, in respect of which dividend has not been paid or claimed by the shareholders for seven consecutive years or more, have been transferred by the Company to IEPF during the Financial Year under review. Details of said shares have been uploaded on the website of IEPF as well as the Company at www.orientceratech.com. As on 31st March, 2024, a total of 36,94,598 Equity Shares of the Company were lying in the Demat A/c of the IEPF Authority.

The shareholders have an option to claim their shares and / or amount of dividend transferred to IEPF, in the prescribed form available on www.iepf.gov.in. No claim shall be entertained against the Company for the amounts and shares so transferred.

The Company has initiated necessary action for transfer of shares in respect of which dividend has not been paid or claimed by the members consecutively since FY 2016-17.

The voting rights on shares transferred to the IEPF Authority shall remain frozen until the rightful owner claims the shares. Any further dividend received on such shares shall be credited to the IEPF Fund.

8) DEPOSITS:

During the year under review, your Company has not accepted any deposits within the meaning of provisions of Chapter V – Acceptance of Deposits by Companies of the Companies Act, 2013 read with the Companies (Acceptance of Deposits) Rules, 2014.

9) SUBSIDIARIES/JOINT VENTURES/ASSOCIATE COMPANY:

As on date, the Company has two wholly owned subsidiaries (i) Orient Advanced Materials Private Limited (OAMPL) (ii) Orient Advanced Materials FZE (OAMFZE).

During the financial year under review, OAMPL performed significantly and increased its revenue by 149.95% which stood at Rs. 6520.23 Lakhs as compared to the previous year and reported a net profit after tax of Rs. 197.97 Lakhs as against the net profit of Rs. 170.83 Lakhs in the previous year. OAMPL has become material subsidiary of the Company from FY 2023-24.

In order to meet the financial requirement of OAMPL, the Company, during the year under review, invested further capital of Rs. 5,00,00,000/- (Rupees Five Crores Only) on 26th May, 2023. OAMPL issued and allotted 50,000 Equity Shares of Rs. 10 each at a premium of Rs. 990/-each to the Company.

Further, Orient Advanced Materials FZE is yet to commence its business.

10) MATERIAL CHANGES AND COMMITMENTS AFFECTING THE FINANCIAL POSITION OF THE COMPANY WHICH HAVE OCCURRED BETWEEN 31st MARCH, 2024 AND 14th AUGUST, 2024:

Except as mentioned herein above, there have been no reportable material changes and commitments affecting the financial position of the Company which have occurred between the end of the Financial Year of the Company to which the financial statements relate and the date of this Report.

f) Familiarization Programme of Independent Directors:

Please refer Point No 2(F)(c) on Familiarisation Programme in Report on Corporate Governance.

16) PERFORMANCE EVALUATION:

The Board of Directors adopted the performance evaluation policy with an objective of evaluating the performance of each and every Director on the Board, its various Committees, and the performance of the Board as a whole, which would contribute significantly to performance improvements at all the three levels i.e. the organizational, the Board and the individual director level, which in turn would help in increasing accountability, better decision making, enhanced communication and more efficient Board operations.

Accordingly, pursuant to the provisions of Companies Act, 2013, Listing Regulations and Performance Evaluation Policy of the Company, the Board of Directors, in consultation with the Nomination & Remuneration Committee and Independent Directors, carried out & analysed the annual performance evaluation of all the Directors, the Board as a whole and its Committees.

The annual performance evaluation was carried out based on detailed questionnaires drafted in accordance with the guidance note issued by SEBI. The performance of the individual Directors was evaluated after seeking inputs from all the Directors other than the one who is being evaluated. The evaluation was based on the criteria such as Director’s knowledge and understanding of their role, Company’s vision and mission, Director’s Commitment, qualification, skill and experience, assertiveness in communication, etc.

The performance of the Board was evaluated on the basis of various criteria such as composition of the Board, information flow to the board, matters addressed in the meeting, strategic issues, roles and functions of the Board, relationship with the management, engagement with the Board and external stakeholders and other development areas.

The performance of the Committee Members was evaluated after seeking the inputs of committee members on the criteria such as understanding the terms of reference, committee composition, independence, contributions to Board decisions etc.

Further, the performance of Executive Directors were evaluated on certain additional parameters depending upon their roles and responsibilities such as leadership, relationship with stakeholders, execution of business plans, risk management, development of plans and policies in alignment with the vision and mission of the Company, etc.

Similarly, criteria for evaluation of Independent Directors include effective deployment of knowledge and expertise, willingness to devote time and efforts towards his/her role, high ethical standards, adherence to applicable codes and policies, effective participation, etc.

During the year, the Independent Directors met separately and discussed, *inter-alia*, the performance of Non-Executive Chairman, Executive Directors of the Company and the Board as a whole. The Nomination and Remuneration Committee has also carried out evaluation of every Director's performance.

The Board's evaluation report on performance of each individual Director and the Board as a whole was placed before the Board for appropriate analysis and confirmation.

Based on the annual performance evaluation, the Board expressed its satisfaction with the performance evaluation process.

17) COMMITTEES:

The composition of committees constituted by the Board along with changes, if any, forms part of the Corporate Governance Report, which is a part of Annual Report.

18) NOMINATION & REMUNERATION POLICY:

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED MARCH 31, 2024

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
ORIENT ADVANCED MATERIALS PRIVATE LIMITED
CIN - U26100GJ2006PTC047900
Dwarka Highway, Opp. Ashok Petrol Pump,
Khambhalia – 381305, Gujarat.

I have conducted the Secretarial Audit of compliance of applicable Statutory Provisions and the adherence to good corporate practices by **ORIENT ADVANCED MATERIALS PRIVATE LIMITED [CIN – U26100GJ2006PTC047900]** (hereinafter called “the Company” OR “OAMPL”). The Company is a Wholly Owned Material Subsidiary of Orient Ceratech Limited, a listed entity. Secretarial Audit was conducted in a manner that provides me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on verification of the Company’s books, papers, minutes, statutory registers, Records, forms and returns filed with the Registrar of Companies (‘the ROC’) and other records maintained by the Company (on physical and online basis) and also the information provided by the Company, its Officers, Agents and Authorized Representatives during the conduct of Secretarial Audit, the explanations and clarifications given and the representations made by the Management, I hereby report that in my opinion, the Company during the audit period covering the financial year 1st April, 2023 to 31st March, 2024, (“audit period”) has prima facie complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent , in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minutes, statutory registers, Records, forms and returns filed and other records maintained by the Company (on physical and online basis) for the financial year ended on 31st March, 2024 according to the applicable provisions of :

- (i) The Companies Act, 2013 (the Act) and the Rules made thereunder; as also Secretarial Standards 1 & 2 Issued by the Institute of Company Secretaries of India.
- (ii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iii) The Securities and Exchange Board of India (Listing Obligations & Disclosure Requirements) Regulations, 2015 {limited to the provisions pertaining to a Wholly Owned Material Subsidiary}
- (iv) Though the following laws are prescribed in the format of Secretarial Audit Report by the Government, and also the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’), the same were NOT applicable to the Company for the financial year ended March 31, 2024:-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital & Disclosure Requirements) Regulations, 2009
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021
 - (e) The Securities and Exchange Board of India (Issue & Listing of Debt Securities) Regulations, 2008;
 - (f) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;
 - (i) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client.
 - (j) Foreign Exchange Management Act, 1999 & the Rules & Regulations made thereunder

(iv) I further report that, based on the discussion had with the Management and the Management Representation Letter furnished, the Company has inter-alia complied with the following laws:

- (a) Industrial Disputes Act, 1947
- (b) Factories Act, 1948
- (c) The Payment of Wages Act, 1936
- (d) The Minimum Wages Act, 1948
- (e) The Employees Provident Fund & Miscellaneous Provisions Act, 1952
- (f) The Payment of Bonus Act, 1965
- (g) The Payment of Gratuity Act, 1972
- (h) The Contract Labour (Regulations & Abolition) Act, 1970
- (i) The Maternity Benefit Act, 1961
- (j) The Child Labour (Prohibition and Regulation) Act, 1986
- (k) The Industrial Employment (Standing Orders) Act, 1946
- (l) The Employees' Compensation Act, 1923
- (m) The Apprentices Act, 1961
- (n) Equal Remuneration Act, 1976
- (o) The Employment Exchange (Compulsory Notification of Vacancies) Act, 1959
- (p) Environment Protection Rules, 1986
- (q) Water (Prevention & Control) of Pollution Act, 1974
- (r) Air (Prevention & Control) of Pollution Act, 1981
- (s) Hazardous Wastes (M&H) Rules

I further report that I have relied on the Statutory Auditor's Reports in relation to the financial statements and accuracy of financial figures for Sales Tax, Wealth Tax, Value Added Tax, Related Party Transactions, Provident Fund, ESIC, etc. as disclosed under financial statements, Indian Accounting Standard 24 & note on foreign currency transactions during the audit period and I have not verified the correctness and appropriateness of the books of accounts of the Company.

I further report that:-

1. The Board of Directors of the Company is duly constituted as on 31st March, 2024. There was no change in the Board of Directors during the year under review.

The Company w.e.f. 05/07/2024 has appointed Mr. Ketan Shrimankar (DIN 00452468) as an Additional Director on its Board of Directors, and the said appointment shall be put forward for regularization at the ensuing AGM of the Company.

[This appointment is in pursuance of Regulation 24(1) of the SEBI (LODR) 2015, which requires an Independent Director on the Board of Holding Company to be appointed on the Board of Directors of the Wholly Owned Material Subsidiary]

2. the Directors have complied with the requirements as to disclosure of interests and concerns in contracts and arrangements, shareholdings and directorships in other Companies and interest in other entities;
3. As per the information provided, the Company has prima facie given adequate notice in respect of the Board Meetings, agenda & detailed notes on agenda were sent in advance. Further as per the information provided and observed, majority decisions are carried unanimously while the dissenting members' views, if any, are captured & recorded as part of the minutes.
4. the Company has obtained all necessary approvals under various provisions of the Act where necessary;
5. there was no prosecution initiated against or show cause notice received by the Company during the year under review under the Companies Act and rules, regulations and guidelines under these Acts.

6. the Company's Management and Board of Directors are also responsible for establishing and maintaining adequate systems and process, commensurate with the size and operations of the Company to identify, monitor and ensure compliances with the applicable laws, rules, regulations and guidelines, subject to observations and qualifications, if any made by the Statutory Auditors in their report.
7. the Management is responsible for compliances of all business laws. This responsibility includes maintenance of statutory registers/records required by the concerned authorities and internal control of the concerned department.

I further report that during the audit period the Company has :

- (a) made preferential allotment of fully paid up 50,000 equity shares of Rs.10/- each at a premium of Rs.990/- per share to its Holding Company viz. Orient Ceratech Limited. The requirements of Section 42 and section 62 of the Companies Act, 2013 have been complied with and the funds raised have been used for the purposes for which they were raised.
- (b) raised funds on short-term basis, which prima-facie, appear to have been used for long-term purposes by the Company. (as observed by the Auditors in their Report dated 16th May, 2024).

I further report that:-

1. Maintenance of Secretarial record is the responsibility of the Management of the Company. My responsibility is to express an opinion on these Secretarial Records based on the audit.
2. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in the Secretarial records. I believe that the processes and practices I followed provide a reasonable basis for my opinion.
3. I have not verified the correctness and appropriateness of the financial records and Books of Accounts of the Company.
4. Where ever required, I have obtained the Management Representation Letter about the compliance of Laws, Rules and Regulations and happening of events etc.
5. The compliance with the provisions of Corporate and other applicable Laws, Rules, Regulations, Standards is the responsibility of the Management. My examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor the efficacy or effectiveness with which the Management has conducted the affairs of the Company.
7. Due to the inherent limitations of an audit including internal, financial and operating controls, there is an unavoidable risk that some Misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with the Standards.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Overview:

This report is an integral part of the Board's Report and covers management perspective on economic environment, industrial scenario, business performance, opportunities, threats, risks & concern, internal control etc. during the Financial Year 2023-2024. This should be read in conjunction with the Company's Financial Statements, the schedules, and notes thereto and other information included elsewhere in the Annual Report.

Economic Overview:

Despite global geopolitical uncertainties, the Indian economy achieved a robust 8.2% GDP growth in real terms for FY24. This growth occurred amid increased global economic volatility due to disruptions in the Red Sea, the ongoing Russia-Ukraine conflict, and tensions in the Middle East. Economic performance varied significantly worldwide during the year. European economies experienced a sharp slowdown primarily due to the energy crisis. Conversely, the US saw growth driven by a strong labor market and increased household spending, although this growth is expected to moderate to around 2% by 2025. China faced economic challenges from high debt levels, weak consumer demand, and a sluggish property market. In contrast, emerging markets demonstrated high growth rates, buoyed by substantial infrastructure investments and improved macroeconomic policies.

Inflationary pressures, which were significant in the previous fiscal year, have eased somewhat due to the tight monetary policies implemented by various central banks. In India, retail inflation decreased to 5.4% in FY24 from 6.7% in FY23. However, food inflation remains a concern. The Red Sea disruptions have led to increased shipping costs and longer delivery times, impacting exports, particularly to European and Western markets. The Economic Survey of FY24, highlights a decrease in India's fiscal deficit to 5.6% and Current Account Deficit to 0.7% of GDP. On the production front, gross value added (GVA) grew by 6.5% year-on-year, driven by strong performances in construction and manufacturing, alongside steady growth in the service sector.

Industry Scenario:

Below table details our key product segments with industries and customers they cater to:

Product Segment	Industries / End Customers
Ceramic Raw Materials	Metals & other related industries, Refractories, Abrasives
Refractories	Steel, Metals & other related industries, Cement, Power
Speciality Ceramics	Oil & Gas

The Indian steel industry is poised for continued growth, driven by several key factors including favorable government policies, increased sector investments, and rising demand from industries such as construction, automobiles, capital goods, and consumer durables. In FY24, India's production of crude steel and finished steel reached 144 million tonnes (MnT) and 139 MnT, respectively, marking a 14% year-on-year increase. Notably, in July 2023, India surpassed China for the first time as the leading developer of coal-based steel capacity, according to a report from Global Energy Monitor.

Global steel demand and production remained stable in 2023, with India emerging as a significant demand driver. The domestic steel market is robust, supported by the government's Production-Linked Incentive (PLI) schemes, capital expenditure announcements from major steel manufacturers, and anticipated infrastructure investments by the Government of India (GOI). Overall, these developments underscore a positive trajectory for India's steel industry, underpinned by supportive policies and growing sectoral demand.

The growth of the refractory industry is closely tied to the expansion of sectors such as steel, glass, cement, non-ferrous metals, and petrochemicals, where refractories are essential for high-temperature applications, providing resistance to heat and chemical corrosion. The Indian government's emphasis on infrastructure development—encompassing roads, ports, and airports—is expected to further drive demand for refractories. The Indian refractory industry, valued at approximately \$1.8 billion, is projected to grow at a compound annual growth rate (CAGR) of over 5.5% over the next three years. In comparison, the global refractory market, valued at around \$30 billion, is anticipated to grow at a CAGR of more than 4%

over the next five years. In response to the rising demand, major refractory manufacturers are expanding their capacities globally. However, the industry faces several challenges, including competition from China, volatile raw material prices, and stringent environmental regulations. To stay competitive, Indian refractory manufacturers are investing in advanced technologies and processes aimed at improving efficiency, reducing costs, and minimizing their carbon footprint.

The oil and gas industry is navigating a complex landscape influenced by evolving regulations, macroeconomic factors like high interest rates and rising costs, geopolitical issues, and the drive toward net zero emissions. Despite these challenges, global oil demand is at record highs and is expected to peak around 2030. The sector is on track for a 5% annual growth rate through 2027, with increased capital expenditures and a shift towards green energy. Major companies are scaling back on new exploration and focusing on optimizing existing wells, leading to a heightened demand for specialty products such as proppants used in hydraulic fracturing.

Opportunity and Threats:

Your company faces significant challenges and opportunities in a competitive landscape. As a challenger against major domestic players and Chinese competitors, your company is navigating a sector projected to reach 300 million tons of steel and 3 million tons of refractory capacity in India by the end of the decade. This requires substantial investment in R&D to keep pace with technological advancements that reduce steel consumption.

The ceramics raw materials division is grappling with quality consistency and rising costs, compounded by high fuel prices. To address these issues, there are calls for beneficiation of ores like magnesite to lessen dependence on single-source raw materials.

In the Specialty Ceramics division, your company stands out as the sole major producer of ceramic proppants in the country. This standing, combined with a strategic location for serving Middle Eastern markets, offers a distinct advantage to cater the demands of this region. Opportunities exist for growth in both domestic and export markets, including new regions in Oceania, Europe and Americas. Long-term success will hinge on ongoing R&D investments to lower production costs and expand market reach.

Risks and Concerns:

Indian refractory industry continues to face stiff challenge from China as more than 25-30% of the raw materials are still being imported. Non-availability of high purity raw materials, low ferric bauxite, materials such as microsilica, etc., is a major risk. Competitive pricing offered by China, dampens domestic refractory profitability growth. Dependence on Steel Industry is also a major risk for refractories as still more than 70% consumption is driven by Steel and related industries. Capacity utilizations in India remains low at just about 55-60% levels.

Global oil demand is expected to peak by 2030, which is a long-term risk for your Company. Increased shift towards cleaner energy, particularly, the use of oil for transport fuels is set to decline after 2026 as the expansion of electric vehicles, the growth of biofuels and improving fuel economy reduce consumption. Price volatility remains a major concern in this segment.

Outlook:

Global GDP is forecasted to grow at about 2.4% in 2024, on account of expected slowdowns in US, China and Eurozone. Consumer spending is expected to weaken in the US, unless further rate cuts are announced. US is all set for fresh elections at the year end, which can add to volatility in expected growth. China is expected to witness sluggish growth due to weak domestic demand. Europe and Japan also face significant economic headwinds, with growth rates forecasted at 1.2% for both regions in 2024. Developing countries present a different picture, with Africa's growth projected to increase from 3.5% in 2024. The least developed countries (LDCs) are projected to grow by 5.0% in 2024, yet this falls short of the 7.0% growth target set in the Sustainable Development Goals (SDGs). High debt and limited fiscal space remain pressing concerns for these nations. India's GDP growth forecast has been slated to grow well above 6% by various world bodies such as World Bank, IMF, amongst others. However, concerns remain due to global financial uncertainty – including higher interest rates, slower recovery in China, debt distress in emerging economies and threats to trade due to geo-economic fragmentation and rising freight costs. The Refractory industry is projected to grow in tandem with growth in cement, steel,

and related industries, providing an opportunity for your Company's refractory and ceramic raw materials divisions. The Oil & Gas industry is slated to continue growing, with expected peak in global oil demand by 2030. Healthy balance sheets of the Upstream Oil companies will drive further capital investments and opportunities. Shift in the trend towards cleaner energy remains a risk in the long term. Being a comparatively smaller player and a challenger in most of its divisions, your Company is expected to outperform industry growth rates and gain market share from competitors.

Internal Controls systems and their adequacy:

Your Company has proper and adequate internal control procedures and vigilance system in place that are commensurate with its size and nature of operations to provide reasonable assurance that all assets are safeguarded, transactions are authorised, recorded and reported properly. These controls have been developed and designed in a manner to properly maintain accounting records for ensuring reliability of financial reporting, monitoring of operations, protecting assets from unauthorized use or losses and compliance with regulations.

On the recommendation of the Audit Committee, the Company appointed M/s Atul HVM & Associates LLP as the Internal Auditors of the Company for the financial year 2023-2024. The internal auditors of the Company conduct audit of various departments and areas. Observations made in internal audit reports on business processes, systems, procedures and internal controls and implementation status of recommended remedial measures by the Internal Auditors, are presented quarterly to the Audit Committee. The statutory auditors also provide assurance on the adequacy of the internal control systems in the Company.

Segment-wise performance

Please refer Note No. 39 of the Financial Statements.

Segment:

Segment performance is evaluated and monitored based on profit or loss and is measured consistently with the statement of profit or loss. Operating segment have been identified on the basis of nature of products and other quantitative criteria specified in the Ind AS 108. The chief operational decision maker monitors the operating results of its business segment separately for the purpose of making decision about resource allocation and performance assessment.

The Board of Directors of the Company has authorised its KMPs to assess the financial performance and position of the Company, and make decisions in normal course of business operations. For key strategic decisions, the Board of Directors take decisions after evaluating the possible options and recommendations given by the management.

Segment revenue and results:

Unallocable expenditure which are not directly attributable to any business segment are shown net of allocable income.

Segment assets and Liabilities:

Segment assets include all operating assets used by the operating segment and mainly consist of property, plant and equipment, trade receivables, inventories and other operating assets. Segment liabilities primarily includes trade payable and other liabilities. Common assets and liabilities which cannot be allocated to any of the business segment are shown as unallocable assets / liabilities.

Inter segment transfer:

There is no change in the nature of business of the Company during the year under review. The Company has two major business segments in terms of the nature of output (i) Fused Aluminium Oxide Grains including Calcined Products and Refractories Monolithic and (ii) Electricity (Power Division). Inter segment revenues are recognised at sales price. The same is based on market price and business risks. Profit or loss on inter segment transfer are eliminated at the group level.

Financial Highlights & Accounting Treatment:

The Financial Statements for the year ended 31st March, 2024, have been prepared in accordance with the Companies (Indian Accounting Standards) Rule, 2015 (Ind AS) prescribed under section 133 of the Companies Act, 2013 and other recognised accounting practices and policies to the extent applicable.

During the year under review the revenue from operations of the Company stood at Rs. 31,698.41 Lakhs and gross profit & net profit stood at Rs. 2,220.75 Lakhs & Rs. 1710.57 Lakhs respectively. Revenue and profit before tax increased vis-a-vis compared to previous financial year is mostly attributable to increase in the sales as well as change in product mix. In Porbandar plant, the Company continued to produce and trade in other fused products, where specialised grade raw bauxite is not required. Through technical expertise, the Company continues to focus more on the manufacturing activities and value-added products compared to mining and related activities. During the year under review, gross revenue from sale of power (wind energy) stood at Rs. 733.69 Lakhs.

Dividend:

The Board has recommended dividend of Re.0.25/- (25%) per equity share for the Financial Year ended 31st March, 2024, payable subject to approval of the Members at the ensuing Annual General Meeting. This will result in a total outflow of Rs. 299.10 Lakhs.

The Company believes in maintaining a fair balance between dividend distribution and cash retention. The cash retention is required for future growth, probable acquisitions and to meet any unforeseen contingencies.

Key Financial Ratios:

The key financial ratios for FY 2023-2024 and FY 2022-2023, are as follows:

Sr. No.	Particulars	2023-24	2022-23	% of Change	Reasons for change in the ratio by more than 25%

Human Resource/Industrial Relation Development:

As on March 31, 2024, the Company had a total head count of 242 as against 109 in the previous year.

The Company continues to maintain healthy and harmonious relations across its plant and all its offices. The Human Resources function has been enabling business transformation by striking a balance between business needs and individual aspirations. Senior management is easily accessible for counselling and redressal of grievances.

The Company recognizes that its human asset is critical to the Company's success and therefore, is committed to training, skilling and up skilling its human asset on an ongoing basis which ensures that its employees are able to adopt to evolving technologies, processes and techniques.

Statutory Compliance:

The Managing Director makes a declaration at each Board Meeting on quarterly basis, regarding the compliance with provisions of various statutes after obtaining confirmation from all the unit heads of the Company. The Company Secretary also ensures compliance, *inter-alia*, with the provisions of Companies Act, 2013 and SEBI Regulations.

Cautionary Statement:

Statements made in this report describing the Company's objective, projections, estimates and expectations may be "forward-looking statements" within the meaning of applicable securities laws and regulations. Important factors that could make a difference to the Company operations include, among others, economic conditions affecting demand/supply and price conditions in the domestic and overseas markets in which the Company operates, changes in government regulations, tax laws and other statutes and incidental factors.

Although the expectations are based on reasonable assumptions, the actual results might differ.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
ORIENT CERATECH LIMITED
(formerly known as "Orient Abrasives Limited")

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Orient Ceratech Limited** (formerly known as "Orient Abrasives Limited") ("the Company") which comprise the balance sheet as at 31st March 2024, the statement of profit and loss including other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and the other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, its profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters which, in our professional judgment were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in our forming our opinion thereon, and we do not provide a separate opinion on these matters. We have the matters described below to be the key audit matters to be communicated in our report:

Key audit matters	How our audit addressed the key audit matter
<p><u>1. Overdue statutory payables – Royalty, contribution to District Mineral Fund (DMF) and Contribution to National Mineral Exploration Trust (NMET)</u></p> <p>The Company is liable to pay royalty liability on dispatch of extracted material from its mines. The Company is also required to make contribution to District Mineral Fund (DMF) and National Mineral Exploration Trust (NMET) as per various government notification in this regard.</p> <p>The Company has received demand letter dated August 16, 2018 from the Office of DMF and the Geology and Mining Department (District Mineral Foundation (Cell)) against the unpaid contribution and interest thereof with respect to the dispatch of bauxite ores from mines. The Company has filed petition against such demand which is pending in the Honorable Gujarat High Court and the management believes that the decision will come in favor of the Company.</p> <p>The Company has also received orders from department of Udyog and Khan, Gandhinagar up to March, 2018 with respect to LME based royalty refund (net of payable) of Rs. 129 lacs. The refund is not yet received by the Company.</p> <p>As at year end, the Company is carrying liability in its books of Rs. 220.33 lacs in respect of royalty and other contributions against which there is an advance payment of Rs. 127.03 lacs as at March 31, 2024. The liability amount includes contribution payable for past 1-6 years as per the books.</p>	<ul style="list-style-type: none"> • We have verified the relevant records of the Company's obligation with respect of Royalty, NMET and DMF; • We have discussed the Company's policy regarding deposit of Royalty, NMET and DMF dues and as per management representation, the royalty is deposited in advance at the rate prescribed by Commissioner of Geology and Mining (CGM), whereas the royalty payable in the books of accounts is on account of difference between the rates prescribed by CGM and Indian Bureau of Mines (IBM). • The management informed that the Company has also filed petition with honorable High Court of Gujarat against the demand letter from the Office of District Mineral Foundation and the Geology and Mining Department (District Mineral Foundation (Cell)) as the Company is of the view that the contribution is on production of bauxite ores after applicability of law w.e.f. September 16, 2015 instead of dispatch of bauxite ores from mines which were extracted before September 16, 2015. • With respect to net refund orders received from department of Udyog and Khan, Gandhinagar, the Company will account for the same on receipt of such amount on the principles of prudence. • We have ensured completeness of liabilities and relied on management representation as regards compliance of the Acts/notifications.

<u>2. Advance given to mining contractors pending adjustment</u>	
<p>The Company extracts raw bauxite from its mines which are taken on lease. The company get the raw bauxite extracted through various sub-contractors which includes extraction, sizing, sorting, truck loading activities, etc. at various mines.</p> <p>The Company accounts for the inventories of raw bauxite in the books when all the activities of the sub-contractors get completed and material is readily usable.</p> <p>As at March 31, 2024, the extracted stock of raw bauxite which remain to be sorted and weighment thereof is not recorded in the books.</p> <p>Against the contracted activities which are currently in progress, the Company has outstanding advance of Rs. 855.24 lacs as at reporting date paid to sub-contractors towards various activities at mines.</p> <p>Treatment of amount paid to sub-contractor as an advance pending adjustment, was determined to be key matter in our audit of the standalone financial statements.</p>	<ul style="list-style-type: none"> • We have reviewed the Company's internal control as regards accounting of advance to sub-contractors and accounting of purchase of material. • As per contractors' confirmation and management representation, at the reporting year end, as mining activities are in progress and hence, the amount paid to the contractors are treated as advances since the mining services obligations are not yet completed. • We have also verified the amount of advance settled during the year based on receipt of raw bauxite and details of additional advance paid during the year.
<u>3. Manufacturing plant at Porbandar</u>	
<p>The Company's operations have been affected by non-availability of core raw material – specialized grade raw bauxite.</p> <p>The Company has partially suspended the plant operations in respect of products manufactured from specialized grade raw bauxite at its Porbandar manufacturing plant.</p> <p>The management is taking care of plant equipment health through periodic maintenance activities to keep the plant in working condition.</p> <p>The net block of the property, plant and equipment at Porbandar plant is Rs. 6,108.57 lacs as at March 31, 2024.</p>	<p>Our audit procedures in relation to evaluation of impairment testing of the manufacturing plant at Porbandar included the following:</p> <ul style="list-style-type: none"> • Performing test of controls over key financial controls related to accounting, valuation and recoverability of assets through inspection of evidence. • Performing substantive audit procedures including: <ul style="list-style-type: none"> - Obtaining the management's impairment assessment; - Evaluating the key assumptions including projected revenue, weighted average cost of capital by comparing them with external data, where available; - Obtaining and evaluating the sensitivity analysis.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Corporate Governance Report, Shareholder's Information, but does not include the standalone financial statements and auditor's report thereon. The Board's Report and other information are expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the aforesaid reports and information, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concerns and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of the internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosure, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India terms of sub-section (11) of section 143 of the Act, we give in the Annexure – A, a statement on the matters specified in clause 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The balance sheet, the statement of profit and loss including other comprehensive income, statement of changes in equity and the cash flow statement dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015;
 - e) On the basis of written representations received from the directors as on 31st March 2024, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2024, from being appointed as a director in terms section 164(2) of the Act;
 - f) With respect to the adequacy of internal financial controls over financial reporting of the Company and operating effectiveness of such controls, our separate report in annexure – B may be referred;
 - g) In our opinion and to the best of our information and according to the explanations given to us, remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act read with Schedule V of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements;
- ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;
- iii. There has been no delay in transferring the amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv.
 - a. The Management has represented that, to the best of its knowledge and belief, as disclosed in the note no, 41(h) to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b. The Management has represented, that, to the best of its knowledge and belief, as disclosed in the note no. 41(i) to the accounts, no funds have been received by the Company from any person or entity, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - c. Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) above, contain any material misstatement.
- v. The dividend declared or paid during the year by the Company is in compliance with section 123 of the Act.
- vi. Based on our examination which included compliance test and test checks, the Company has used the accounting software for maintaining books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with.

ANNEXURE – B TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

We have audited the internal financial controls over financial reporting of **Orient Ceratech Limited** (formerly known as “Orient Abrasives Limited”) (“the Company”) as of 31st March, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (“the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that -

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

COMPANY INFORMATION

Orient Ceratech Limited (formerly known as “Orient Abrasives Limited”) (“the Company”) is a public limited company domiciled in India and incorporated on 12th November, 1971 under the provisions of the Companies Act vide CIN: L24299MH1971PLC366531 applicable in India. The Company is principally engaged in the business of production and trading of aluminum refractories and monolithics products, mining of bauxite ores and generation of power (including windmill facilities). The Company’s manufacturing facilities are located at Porbandar (Gujarat) along with thermal power generation, bauxite mines located at various sites in Gujarat and windmill facilities in the state of Rajasthan and Karnataka. The registered office of the Company is located at Lawrence & Mayo House, 3rd Floor, 276, D.N Road, Fort, Mumbai - 400001. The equity shares of the Company are listed on Bombay Stock Exchange (BSE) as well as National Stock Exchange (NSE).

The standalone financial statements (“the financial statements”) were authorized for issue in accordance with the resolution of the Board of Directors on 16th May, 2024.

1 BASIS OF PREPARATION, MEASUREMENT AND MATERIAL ACCOUNTING POLICIES

1.1 Basis of preparation and measurement:

These financial statements are the separate financial statements of the Company (also called standalone financial statements) prepared in accordance with the Indian Accounting Standards (“Ind AS”) notified under section 133 of the Companies Act, 2013 (“the Act”), read together with the Companies (Indian Accounting Standards) Rules, 2015, as applicable.

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

All assets and liabilities have been classified as current or non current as per the Company’s normal operating cycle and other criteria as set out in the Division II of Schedule III to the Act. The Company considers 12 months as normal operating cycle.

The Company’s financial statements are reported in Indian Rupees, which is also the Company’s functional currency, and all values are rounded to the nearest lacs except otherwise indicated.

1.2 Material accounting policies:

a. System of accounting

The financial statements of the Company are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis as per the provisions of Companies Act, 2013 (“Act”), except in case of significant uncertainties.

b. Key accounting estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income, expenses and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management’s best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Estimates and judgements are regularly revisited. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the Company.

c. Property, plant and equipment

- (i) Property, plant and equipment are stated at historical cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/installation of the assets less accumulated depreciation and accumulated impairment losses, if any.
- (ii) Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the statement of profit and loss as incurred.
- (iii) The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the statement of profit and loss.
- (iv) Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.
- (v) The Company depreciates property, plant and equipment on straight line method over the estimated useful life prescribed in Schedule II of the Act from the date the assets are ready for intended use after considering the residual value.
- (vi) Intangible assets mainly represent implementation cost for software and other application software acquired/developed for in-house use. These assets are stated at cost. Cost includes related acquisition expenses, related borrowing costs, if any, and other direct expenditure. Intangible assets are amortized over the estimated useful life.
- (vii) Items of stores and spares that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life. Otherwise, such items are classified as inventories.
- (viii) Losses arising from the retirement of and gains or losses arising from disposal of property, plant and equipment which are carried at cost are recognised in the Statement of Profit and Loss.
- (ix) Property, plant and equipment and intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

d. Investments and financial assets**(i) Investments in subsidiaries**

Investments in subsidiaries are recognised at cost and not adjusted to fair value at the end of each reporting period. Cost represents amount paid for acquisition of the said investments.

The Company assesses at the end of each reporting period, if there is any indication that the said investments may be impaired. If so, the Company estimates the recoverable value of the investments and provides for impairment, if any, i.e. the deficit in the recoverable value over cost.

(ii) Financial assets

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value, in case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction costs are recognised in the statement of profit or loss. In other cases, the transaction costs are attributed to the acquisition value of financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Financial assets are subsequently classified measured at –

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI).

Financial assets are not reclassified subsequent to their recognition except if and in the period the Company changes its business model for managing financial assets.

Financial asset is derecognised only when the Company has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred the asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, financial asset is derecognised.

In accordance with Ind AS 109, the Company applies the expected credit loss (“ECL”) model for measurement and recognition of impairment loss on financial assets and credit risk exposures. The Company follows ‘simplified approach’ for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition.

e. Inventories

- (i) Raw materials and stores and spares are valued at weighted average cost including all charges in bringing the materials to the present location.
- (ii) Finished and semi-finished goods are valued at the cost plus direct expenses and appropriate value of overheads or net realizable value, whichever is lower.
- (iii) Obsolete, slow moving and defective inventories are written off/valued at net realisable value during the year as per policy consistently followed by the Company.

f. Cash and bank balances

Cash and equivalents:

Cash and cash equivalents in the balance sheet comprises of balance with banks and cash on hand and short term deposits with an original maturity of three month or less, which are subject to insignificant risks of changes in value.

Other bank balances:

Other bank balances include deposits with maturity less than twelve months but greater than three months and balances and deposits with banks that are restricted for withdrawal and usage.

g. Trade receivables

A receivable is classified as a trade receivable if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at their transaction price and subsequently measured net of any expected credit losses.

h. Financial liabilities

- (i) Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.
- (ii) Financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Financial liabilities carried at fair value through profit and loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.
- (iii) Financial liabilities are derecognised when the obligation specified in the contract is discharged, cancelled or expires.

i. Trade payables

A payable is classified as a trade payable if it is in respect of the amount due on account of goods purchased in the normal course of business. These amounts represent liabilities for goods provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

j. Revenue recognition

- (i) Revenue shall be recognised to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods and services.
- (ii) Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, return and goods & service tax. Transaction price is recognised based on the price specified in the contract, net of the estimated sales incentives/discounts.
- (iii) Accumulated experience is used to estimate and provide for the discounts/rights of return, using the expected value method.
- (iv) A return liability is recognised to expected return in relation to sales made corresponding assets are recognised for the products expected to be returned.

- (v) The Company recognises as an asset, the incremental costs of obtaining a contract with a customer, if the Company expects to recover those costs. The said asset is amortised on a systematic basis consistent with the transfer of goods or services to the customers.
- (vi) Export incentives are accounted for on export of goods if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are reasonably expected to be fulfilled.
- (vii) Revenue in respect of other income is recognised on accrual basis. However, where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to the extent of uncertainty.

k. Mining expenses

Expenses incurred on mining including removal of overburden of mines are charged to the statement of profit & loss as mining cost on the basis of quantity of minerals mined during the year, overburden of removal and mining being carried out concurrently and relatively within a short period of time. Mining restoration expenses are annually reviewed and provided for.

l. Foreign currency transactions

- (i) Items included in the financial statements are measured using the currency of primary economic environment in which the company operates (“the functional currency”). The financial statements are presented in Indian Rupee (INR), which is the company’s functional and presentation currency.
- (ii) Foreign currency transactions are initially recorded in the reporting currency at foreign exchange rate on the date of the transaction.
- (iii) Monetary items of current assets and current liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.
- (iv) The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates are recognised in the statement of profit or loss.

m. Employee benefit expenses

- (i) Contributions to defined contribution schemes such as provident fund, employees’ state insurance, labour welfare fund etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. These benefits are classified as defined contribution schemes as the Company has no further obligations beyond the monthly contributions.
- (ii) The Company provides for gratuity which is a defined benefit plan, the liabilities of which are determined based on valuations, as at the reporting date, made by an independent actuary using the projected unit credit method. Re-measurement comprising of actuarial gains and losses, in respect of gratuity are recognised in the other comprehensive income in the period in which they occur. The classification of the Company’s obligation into current and non-current is as per the actuarial valuation report.
- (iii) The employees are entitled to accumulate leave subject to certain limits, for future encashment and availment, as per the policy of the Company. The liability towards such unutilised leave as at the end of each balance sheet date is determined based on independent actuarial valuation and recognised in the statement of profit and loss.

n. Leases

Company as lessee

The Company applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Company as lessor

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

o. Borrowing costs

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the effective interest rate amortisation is included in finance costs. Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the statement of profit and loss in the period in which they occur.

p. Impairment of non financial assets

As at each reporting date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the statement of profit and loss.

q. Taxes on income

Income tax expense comprises current tax expense and the deferred tax during the year. Current and deferred taxes are recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. In case of uncertainty of reversal of the deferred tax assets or when it is no longer probable that sufficient taxable profits will be available in the foreseeable future, deferred tax assets, as a matter of prudence, are not recognised.

The carrying amount of deferred tax is reviewed at each reporting date and measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

r. Provisions and contingent liabilities

The Company creates a provision when there is present obligation, legal or constructive, as a result of past events that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events. Contingent assets are neither recognised nor disclosed in the financial statements.

s. Earnings per share

(i) Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

(ii) For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

t. Segment reporting

Business Segment

The chief operational decision maker (CODM) monitors the operating results of its business segment separately for the purpose of making decision about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements, Operating segment have been identified on the basis of nature of products and other quantitative criteria specified in the Ind AS 108. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

Intersegment Transfers

The Company generally accounts for intersegment sales and transfers as if the sales or transfers were to third parties at current market prices.

Allocation of common costs

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Segment Policies

The Company prepares segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

Note 32
Financial risk management

The Company's activities expose it to credit risk, liquidity risk and market risk.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Cash and cash equivalents, financial assets and trade receivables	Credit ratings/ Aging analysis, credit evaluation	Diversification of counter parties, investment limits, check on counter parties basis credit rating and number of overdue days
Liquidity Risk	Other liabilities	Maturity analysis	Maintaining sufficient cash/cash equivalents and marketable securities
Market Risk	Financial assets and liabilities not denominated in INR	Sensitivity analysis	Constant evaluation and proper risk management policies

The Board provides guiding principles for overall risk management as well as policies covering specific areas such as foreign exchange risk, credit risk and investment of surplus liquidity.

A. Credit risk

Credit risk refers to the risk of a counter party default on its contractual obligation resulting into a financial loss to the Company. The maximum exposure of the financial assets represents trade receivables, work in progress and receivables from group companies and others.

Customer credit risk is managed by the Company through established policy and procedures and control relating to customer credit risk management. Trade receivables are non-interest bearing and are generally carrying upto 90 days credit terms. The Company has a detailed review mechanism of overdue customer receivables at various levels within organisation to ensure proper attention and focus for realisation. Trade receivables are consisting of a large number of customers. Export receivables are backed by forward contract. In respect of trade receivables, the Company uses a provision matrix to compute the expected credit loss allowances for trade receivables in accordance with the expected credit loss (ECL) policy of the Company.

B. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet its commitments associated with financial instruments. Liquidity risk may result from an inability to sell a financial assets quickly at close to its fair value.

The Company manages liquidity risk by maintaining adequate reserves and banking facilities by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

Contractual maturities of significant financial liabilities are as follows:

(Indian ₹ in lacs)

Other financial liabilities	59.04	-	59.04
Total financial liabilities	3,602.86	554.40	4,157.26

C. Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in foreign currency exchange rates, interest rates, credit, liquidity and other market changes.

The Company has several balances in foreign currency and consequently, the Company is exposed to foreign exchange risk. The Company evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates. The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

b) Interest rate sensitivity:

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

(Indian ₹ in lacs)

Particulars	Increase/decrease in basis points	Effect of profit before tax
March 31, 2024	+100	57.62
	-100	(57.62)
March 31, 2023	+100	54.50
	-100	(54.50)

c) Exposure in foreign currency:

The Company deals with foreign currency loan given, trade payables, trade receivables etc. and is therefore exposed to foreign exchange risk associated with exchange rate movement.

The Company operates internationally and portion of the business is transacted in several currencies and consequently the Company is exposed to foreign exchange risk through its sales in overseas and purchases from overseas suppliers in various foreign currencies.

Exposure in foreign currency -Hedged The Company has no hedged foreign currency exposure at the end of the relevant period.

Unhedged:

EURO	1.78	-

d) Foreign currency sensitivity

The Company is mainly exposed to changes in USD and EURO. The below table demonstrates the sensitivity to a 5% increase or decrease in the USD and EURO against INR, with all other variables held constant. The sensitivity analysis is prepared on the net unhedged exposure of the Company as at reporting date. 5% represents management's assessment of reasonably possible change in foreign exchange rate.

Note 33

Capital management

The Company's capital management objective is to maximise the total shareholders' returns by optimising cost of capital through flexible capital structure that supports growth. Further, the Company ensures optimal credit risk profile to maintain/enhance credit rating.

The Company determines the amount of capital required on the basis of annual operating plan and long-term strategic plans. The funding requirements are met through internal accruals and long-term/short-term borrowings. The Company monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt portfolio of the company.

The following table summarises the capital of the Company:

7	Cases pending with Labour Courts*****	Amount to be determined	
*	In view of decision already in favour of Parent Company by the District Court (Civil Court, Senior Division, Porbandar) and based on discussion with the solicitors, the management believes that the Parent Company has a strong chance and hence no provision there against is considered necessary.		
**	Demand raised by Income tax authorities (during the assessment process for A.Y.2009-10, 2011-12, 2012-13, 2014-15, 2015-16 and 2017-18) substantially pertains to dispute on determination of inter segment price for claiming tax holiday benefits on sale of power which are disallowed/disputed by such authorities. Further, dispute on account of allowance of 80-IA benefit due to late filing of return of income pertaining to A.Y.2015-16. The Management believes that its position is likely to be upheld in the appellate process.		
***	Demand of differential custom duty is raised by the Office of Joint Commissioner Customs against few import shipment of coal. In some cases many parties are involved. Few matters are pending with larger bench of Supreme Court and few matters are pending with CESTAT.		
****	Demand raised by the Office of District Mineral Foundation and the Geology and Mining Department (District Mineral Foundation (Cell)) against DMF, NMET and interest on unpaid DMF and NMET. The petition is filed by the Company against such demand which is pending in the Honorable Gujarat High Court and the management believes that the decision will come in favor of the Company.		
*****	In view of large number of cases, it is not practicable to disclose individual details of all the cases. On the basis of current status of individual case and as per legal advice obtained by the Company, wherever applicable, the Parent Company is of view that no provision is required in respect of these cases.

Segment reporting

For management purposes, the Company is organised into business units based on its products and services and has two reportable segments, as follows:

a) Alumina Refractories & Monolithics products & bauxite ores: Alumina Refractories & Monolithics products manufactures calcined bauxite, fused aluminium oxide abrasive grains and low cement castables which are mainly consumed in steel plants. Plant grade bauxite ores are captively consumed at the plant and Non plant grade bauxite ores are sold in the market.

b) Power generation: The Company has a thermal power plant, furnace oil based power plant and windmills. Power generated from thermal power plant and furnace oil based power plant is captively consumed at the plant and power generated from windmills is sold to the respective state power distribution companies.

No operating segments have been aggregated to form the above reportable operating segments.

The Executive Management Committee monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. The Company's financing (including finance costs and finance income) and income taxes are managed on a Company basis and are not allocated to operating segments.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
ORIENT CERATECH LIMITED
(formerly known as "Orient Abrasives Limited")

Report on the Consolidated Financial Statements**Opinion**

We have audited the accompanying consolidated financial statements of **Orient Ceratech Limited** ("the Parent Company") (formerly known as "Orient Abrasives Limited") and its wholly-owned subsidiaries (the Parent Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March 2024, the consolidated statement of profit and loss including other comprehensive income, the consolidated statement of changes in equity and the consolidated cash flow statement for the year then ended and notes to the consolidated financial statements, a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and the other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March 2024, of its consolidated profit including other comprehensive income, consolidated changes in equity and consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key audit matters

Key audit matters are those matters which, in our professional judgment were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in our forming our opinion thereon, and we do not provide a separate opinion on these matters. We have the matters described below to be the key audit matters to be communicated in our report:

Key audit matters	How our audit addressed the key audit matter
1. <u>Overdue statutory payables – Royalty, contribution to District Mineral Fund (DMF) and Contribution to National Mineral Exploration Trust (NMET)</u>	
<p>The Parent Company is liable to pay royalty liability on dispatch of extracted material from its mines. The Parent Company is also required to make contribution to District Mineral Fund (DMF) and National Mineral Exploration Trust (NMET) as per various government notification in this regard.</p> <p>The Parent Company has received demand letter dated August 16, 2018 from the Office of DMF and the Geology and Mining Department (District Mineral Foundation (Cell)) against the unpaid contribution and interest thereof with respect to the dispatch of bauxite ores from mines. The Parent Company has filed petition against such demand which is pending in the Honorable Gujarat High Court and the management believes that the decision will come in favor of the Parent Company.</p> <p>The Parent Company has also received orders from department of Udyog and Khan, Gandhinagar up to March, 2018 with respect to LME based royalty refund (net of payable) of Rs. 129.00 lacs. The refund is not yet received by the Parent Company.</p> <p>As at year end, the Parent Company is carrying liability in its books of Rs. 220.33 lacs in respect of royalty and other contributions against which there is an advance payment of Rs. 127.03 lacs as at March 31, 2024. The liability amount includes contribution payable for past 1-6 years as per the books.</p>	<ul style="list-style-type: none"> We have verified the relevant records of the Parent Company's obligation with respect of Royalty, NMET and DMF; We have discussed the Parent Company's policy regarding deposit of Royalty, NMET and DMF dues and as per management representation, the royalty is deposited in advance at the rate prescribed by Commissioner of Geology and Mining (CGM), whereas the royalty payable in the books of accounts is on account of difference between the rates prescribed by CGM and Indian Bureau of Mines (IBM). The management informed that the Parent Company has also filed petition with honorable High Court of Gujarat against the demand letter from the Office of District Mineral Foundation and the Geology and Mining Department (District Mineral Foundation (Cell)) as the Parent Company is of the view that the contribution is on production of bauxite ores after applicability of law w.e.f. September 16, 2015 instead of dispatch of bauxite ores from mines which were extracted before September 16, 2015. With respect to net refund orders received from department of Udyog and Khan, Gandhinagar, the Parent Company will account for the same on receipt of such amount on the principles of prudence. We have ensured completeness of liabilities and relied on management representation as regards compliance of the Acts/notifications.
2. <u>Advance given to mining contractors pending adjustment</u>	
<p>The Parent Company extracts raw bauxite from its mines which are taken on lease. The Parent Company get the raw bauxite extracted through various sub-contractors which includes extraction, sizing, sorting, truck loading activities, etc. at various mines.</p> <p>The Parent Company accounts for the inventories of raw bauxite in the books when all the activities of the sub-contractors get completed and material is readily usable.</p> <p>As at March 31, 2024, the extracted stock of raw bauxite which remain to be sorted and weighment thereof is not recorded in the books.</p> <p>Against the contracted activities which are currently in progress, the parent Company has outstanding advance of Rs. 855.24 lacs as at reporting date paid to sub-contractors towards various activities at mines.</p> <p>Treatment of amount paid to sub-contractor as an advance pending adjustment, was determined to be key matter in our audit of the consolidated financial statements.</p>	<ul style="list-style-type: none"> We have reviewed the Parent Company's internal control as regards accounting of advance to sub-contractors and accounting of purchase of material. As per contractors' confirmation and management representation, at the reporting year end, as mining activities are in progress and hence, the amount paid to the contractors are treated as advances since the mining services obligations are not yet completed. We have also verified the amount of advance settled during the year based on receipt of raw bauxite and details of additional advance paid during the year

Key audit matters	How our audit addressed the key audit matter
3. <u>Manufacturing plant at Porbandar</u>	
<p>The Parent Company's operations have been affected by non-availability of core raw material – specialized grade raw bauxite.</p> <p>The Parent Company has partially suspended the plant operations in respect of products manufactured from specialized grade raw bauxite at its Porbandar manufacturing plant.</p> <p>The management is taking care of plant equipment health through periodic maintenance activities to keep the plant in working condition.</p> <p>The net block of the property, plant and equipment at Porbandar plant is Rs. 6,108.57 lacs as at March 31, 2024.</p>	<p>Our audit procedures in relation to evaluation of impairment testing of the manufacturing plant at Porbandar included the following:</p> <ul style="list-style-type: none"> • Performing test of controls over key financial controls related to accounting, valuation and recoverability of assets through inspection of evidence. • Performing substantive audit procedures including: <ul style="list-style-type: none"> - Obtaining the management's impairment assessment; - Evaluating the key assumptions including projected revenue, weighted average cost of capital by comparing them with external data, where available; • Obtaining and evaluating the sensitivity analysis.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Parent Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Shareholder's Information, but does not include the consolidated financial statements and auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the aforesaid reports and information, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Consolidated Financial Statements

The Parent Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of the internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosure, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the consolidated financial statements of which we are the independent auditors.

We communicate with those charged with governance of the Parent Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of one subsidiary company whose financial statements reflect total assets of Rs. 47.45 lacs as at 31st March 2024 and gross total revenues of Nil and net loss after tax (including other comprehensive income) Rs. 6.76 lacs for the year then ended as considered in the consolidated financial statements. These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us by the management, and our opinion on consolidated financial results, in so far as it relates to the amounts and disclosures included in respect of this subsidiary company is based solely on the report of such other auditors.

Our opinion on the consolidated financial statements above and our report on other Legal and Regulatory Requirements below is not modified in respect of these matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor's Report) Order, 2020 ("CARO"/"the Order") issued by the Central Government in terms of Section 143(11) of the Act, according to the information and explanations given to us, and based on the CARO reports issued by us included in the consolidated financial statements to which reporting under CARO is applicable, as provided to us by the Management of the Parent Company, we report that there are no qualifications or adverse remarks by the respective auditors in the CARO reports of the said respective companies included in the consolidated financial statements except following:

- e) On the basis of the written representations received from the directors as on 31st March 2024 and taken on record by the Board of Directors of the Parent Company and the subsidiary company incorporated in India, none of the directors of the Group is disqualified as on 31st March 2023, from being appointed as a director in terms section 164(2) of the Act;
- f) With respect to the adequacy of internal financial controls over financial reporting of the Parent Company and its subsidiary incorporated in India and operating effectiveness of such controls, our separate report in annexure – A may be referred.
- g) In our opinion and to the best of our information and according to the explanations given to us and according to the reports of the statutory auditors of the subsidiary company incorporated in India, remuneration paid by the Parent Company and its subsidiary company incorporated in India, to its directors during the year is in accordance with the provisions of section 197 of the Act;
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us:
- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group;
 - ii. The Group did not have any material foreseeable losses on long-term contracts including derivatives contracts;
 - iii. There has been no delay in transferring the amounts, required to be transferred to the Investor Education and Protection Fund by the Parent company or its subsidiary incorporated in India.
 - iv.
 - a. The respective managements of the Parent Company and its subsidiary incorporated in India, whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries, to the best of their knowledge and belief as disclosed in note 39(h) to the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Parent Company or subsidiaries or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Parent Company or subsidiaries ("Ultimate beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - b. The respective managements of the Parent Company, its subsidiary incorporated in India, whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries, to the best of their knowledge and belief as disclosed in note 39(i) to the consolidated financial statements, no funds have been received by the Parent Company or subsidiaries from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Parent Company or subsidiaries shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- c. Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) above, contain any material misstatement.
- v. The dividend declared or paid during the year by the Parent Company is in compliance with section 123 of the Act. No dividend is declared or paid during the year by the subsidiary company incorporated in India.
- vi. Based on our examination which included compliance test and test checks and those performed by the respective auditors of the subsidiary company which is incorporated in India whose financial statements have been audited under the Act, the Parent Company and its subsidiary company have used the accounting software for maintaining books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with.

ANNEXURE – A TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

We have audited the internal financial controls over financial reporting of **Orient Ceratech Limited** (“the Parent Company”) (formerly known as “Orient Abrasives Limited”) and its subsidiary, Orient Advanced Materials Private Limited (the Parent Company and its subsidiaries together referred to as “the Group”) which are companies incorporated in India as of 31st March, 2024 in conjunction with our audit of the consolidated financial statements of the Group for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Parent Company and its subsidiary which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Parent Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (“the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Group’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Parent Company and its subsidiary company, which is company incorporated in India.

Meaning of Internal Financial Controls Over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that -

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Parent Company and its subsidiary company which is company incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal controls over financial reporting in so far as it relates to a subsidiary incorporated in India, is based solely on the report of the auditors of that subsidiary company. Our opinion is not modified in respect of this matter.

GROUP INFORMATION

Orient Ceratech Limited (“the Group”) (“formerly known as “Orient Abrasives Limited”) is a public limited company domiciled in India and incorporated on 12 th November, 1971 under the provisions of the Companies Act vide CIN: L24299MH1971PLC366531 applicable in India. The Group is principally engaged in the business of production and trading of aluminium refractories and other mineral products, mining of bauxite ores and generation of power (including windmill facilities). The Parent Company’s manufacturing facilities are located at Porbandar (Gujarat) along with thermal power generation, manufacturing plant at Baraya (Kutch, Gujarat) , bauxite mines located at various sites in Gujarat and windmill facilities in the state of Rajasthan and Karnataka. The registered office of the Parent Company is located at Lawrence & Mayo House, 3rd Floor, 276, D.N Road, Fort, Mumbai - 400001. The equity shares of the Company are listed on Bombay Stock Exchange (BSE) as well as National Stock Exchange (NSE).

The consolidated financial statements (“the financial statements”) were authorized for issue in accordance with the resolution of the Board of Directors on 16 th May, 2024.

1 BASIS OF PREPARATION, MEASUREMENT AND MATERIAL ACCOUNTING POLICIES

1.1 Basis of preparation and measurement:

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the ‘Ind AS’) as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 (“the Act”) read together with Companies (Indian Accounting Standards) Rules, 2015, as applicable.

The consolidated financial statements have been prepared and presented under historical cost convention, on accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair value at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these consolidated financial statements.

All assets and liabilities have been classified as current or non current as per the Group’s normal operating cycle and other criteria as set out in the Division II of Schedule III to the Act. The Group considers 12 months as normal operating cycle.

Consolidated Financial Statements are presented in Indian Rupees (INR) which is the Group’s functional currency, and all the values are rounded to the nearest lacs except otherwise indicated.

1.2 Basis for consolidation

- a. The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements, appropriate adjustments are made to that group member’s financial statements in preparing the consolidated financial statements to ensure conformity with the group’s accounting policies.
- b. The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the Parent Company.
- c. The consolidated financial statements present the consolidated accounts of Orient Ceratech Limited with its following subsidiaries:

No.	Subsidiary Company	Country of Incorporation	% voting power held as at 31st March 2024
1	Orient Advanced Materials Private Limited	India	100.00
2	Orient Advanced Materials FZE	UAE	100.00

d. Subsidiaries

- a) A subsidiary is an entity over which the Parent Company has control. The Parent Company controls an entity when the Parent Company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Parent Company.
- b) The Parent Company combines the financial statements of the Parent Company and its subsidiary companies on a line by line basis, adding together like items of assets, liabilities, equity, income and expenses. Inter-Group transactions, balances and unrealized gains on transactions among the Group are eliminated. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries are consistent with the policies adopted by the Parent Company.
- c) A change in the ownership interest of subsidiaries, without loss of control, is accounted for as an equity transaction. If the Parent Company loses control over a subsidiaries, it derecognizes the assets, liabilities, carrying amount of any non-controlling interests and the cumulative translation differences recorded in equity.

1.3 Material accounting policies:**a. System of accounting**

The Group follows mercantile system of accounting and recognises income and expenditure on an accrual basis except in case of significant uncertainties. These financial statements are prepared under the historical cost convention unless otherwise indicated.

b. Key accounting estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income, expenses and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

c. Property, plant and equipment

- (i) Property, plant and equipment are stated at historical cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/installation of the assets less accumulated depreciation and accumulated impairment losses, if any.
- (ii) Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the statement of profit and loss as incurred.

- (iii) The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the statement of profit and loss.
- (iv) Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.
- (v) The Group depreciates property, plant and equipment on written down value method except for building, plant & machinery, laboratory equipment and excavators where depreciation is provided on straight line method over the estimated useful life prescribed in Schedule II of the Act from the date the assets are ready for intended use after considering the residual value.
- (vi) Intangible assets mainly represent implementation cost for software and other application software acquired/developed for in-house use. These assets are stated at cost. Cost includes related acquisition expenses, related borrowing costs, if any, and other direct expenditure. Intangible assets are amortized over the estimated useful life.
- (vii) Items of stores and spares that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life. Otherwise, such items are classified as inventories.
- (viii) Losses arising from the retirement of and gains or losses arising from disposal of property, plant and equipment which are carried at cost are recognised in the Statement of Profit and Loss.
- (ix) Property, plant and equipment and intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

d. Financial assets

Financial assets are recognised when the Group becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value, in case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction costs are recognised in the statement of profit or loss. In other cases, the transaction costs are attributed to the acquisition value of financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Financial assets are subsequently classified measured at –

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI).

Financial assets are not reclassified subsequent to their recognition except if and in the period the Group changes its business model for managing financial assets.

Financial asset is derecognised only when the Group has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred the asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, financial asset is derecognised.

In accordance with Ind AS 109, the Group applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures. The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition.

e. Inventories

- (i) Raw materials and stores and spares are valued at weighted average cost including all charges in bringing the materials to the present location.
- (ii) Finished and semi-finished goods are valued at the cost plus direct expenses and appropriate value of overheads or net realizable value, whichever is lower.
- (iii) Obsolete, slow moving and defective inventories are written off/valued at net realisable value during the year as per policy consistently followed by the Group.

f. Cash and bank balances

Cash and equivalents:

Cash and cash equivalents in the balance sheet comprises of balance with banks and cash on hand and short term deposits with an original maturity of three month or less, which are subject to insignificant risks of changes in value.

Other bank balances:

Other bank balances include deposits with maturity less than twelve months but greater than three months and balances and deposits with banks that are restricted for withdrawal and usage.

g. Trade receivables

A receivable is classified as a trade receivable if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at their transaction price and subsequently measured net of any expected credit losses.

h. Financial liabilities

- (i) Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.
- (ii) Financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Financial liabilities carried at fair value through profit and loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.
- (iii) Financial liabilities are derecognised when the obligation specified in the contract is discharged, cancelled or expires.

i. Trade payables

A payable is classified as a trade payable if it is in respect of the amount due on account of goods purchased in the normal course of business. These amounts represent liabilities for goods provided to the Group prior to

the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

j. Revenue recognition

- (i) Revenue shall be recognised to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods and services.
- (ii) Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, return and goods & service tax. Transaction price is recognised based on the price specified in the contract, net of the estimated sales incentives/discounts.
- (iii) Accumulated experience is used to estimate and provide for the discounts/rights of return, using the expected value method.
- (iv) A return liability is recognised to expected return in relation to sales made corresponding assets are recognised for the products expected to be returned.
- (v) The Group recognises as an asset, the incremental costs of obtaining a contract with a customer, if the Group expects to recover those costs. The said asset is amortised on a systematic basis consistent with the transfer of goods or services to the customers.
- (vi) Export incentives are accounted for on export of goods if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are reasonably expected to be fulfilled.
- (vii) Revenue in respect of other income is recognised on accrual basis. However, where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to the extent of uncertainty.

k. Mining expenses

Expenses incurred on mining including removal of overburden of mines are charged to the statement of profit & loss as mining cost on the basis of quantity of minerals mined during the year, overburden of removal and mining being carried out concurrently and relatively within a short period of time. Mining restoration expenses are annually reviewed and provided for.

l. Foreign currency transactions

- (i) Items included in the financial statements are measured using the currency of primary economic environment in which the Group operates (“the functional currency”). The financial statements are presented in Indian Rupee (INR), which is the Group’s functional and presentation currency.
- (ii) Foreign currency transactions are initially recorded in the reporting currency at foreign exchange rate on the date of the transaction.
- (iii) Monetary items of current assets and current liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.
- (iv) The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates are recognised in the statement of profit or loss.

m. Employee benefit expenses

- (i) Contributions to defined contribution schemes such as provident fund, employees' state insurance, labour welfare fund etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. These benefits are classified as defined contribution schemes as the Group has no further obligations beyond the monthly contributions.
- (ii) The Group provides for gratuity which is a defined benefit plan, the liabilities of which are determined based on valuations, as at the reporting date, made by an independent actuary using the projected unit credit method. Re-measurement comprising of actuarial gains and losses, in respect of gratuity are recognised in the other comprehensive income in the period in which they occur. The classification of the Group's obligation into current and non-current is as per the actuarial valuation report.
- (iii) The employees are entitled to accumulate leave subject to certain limits, for future encashment and availment, as per the policy of the Group. The liability towards such unutilised leave as at the end of each balance sheet date is determined based on independent actuarial valuation and recognised in the statement of profit and loss.

n. Leases

Group as lessee

The Group applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Group as lessor

Leases in which the Group does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

o. Borrowing costs

Borrowing costs consist of interest and other costs that the Group incurs in connection with the borrowing of funds. Also, the effective interest rate amortisation is included in finance costs. Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the statement of profit and loss in the period in which they occur.

p. Impairment of non financial assets

As at each reporting date, the Group assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Group determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the statement of profit and loss.

q. Taxes on income

Income tax expense comprises current tax expense and the deferred tax during the year. Current and deferred taxes are recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. In case of uncertainty of reversal of the deferred tax assets or when it is no longer probable that sufficient taxable profits will be available in the foreseeable future, deferred tax assets, as a matter of prudence, are not recognised.

The carrying amount of deferred tax is reviewed at each reporting date and measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

r. Provisions and contingent liabilities

The Group creates a provision when there is present obligation, legal or constructive, as a result of past events that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events. Contingent assets are neither recognised nor disclosed in the financial statements.

s. Earnings per share

- (i) Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Group by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.
- (ii) For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

t. Segment reporting

Business Segment

The chief operational decision maker (CODM) monitors the operating results of its business segment separately for the purpose of making decision about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in

the financial statements, Operating segment have been identified on the basis of nature of products and other quantitative criteria specified in the Ind AS 108. The analysis of geographical segments is based on the areas in which major operating divisions of the Group operate.

Intersegment Transfers

The Group generally accounts for intersegment sales and transfers as if the sales or transfers were to third parties at current market prices.

Allocation of common costs

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Segment Policies

The Group prepares segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Group as a whole.

Note 30
Financial risk management

The Group's activities expose it to credit risk, liquidity risk and market risk.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Cash and cash equivalents, financial assets and trade receivables	Credit ratings/ Aging analysis, credit evaluation	Diversification of counter parties, investment limits, check on counter parties basis credit rating and number of overdue days
Liquidity Risk	Other liabilities	Maturity analysis	Maintaining sufficient cash/cash equivalents and marketable securities
Market Risk	Financial assets and liabilities not denominated in INR	Sensitivity analysis	Constant evaluation and proper risk management policies

The Board provides guiding principles for overall risk management as well as policies covering specific areas such as foreign exchange risk, credit risk and investment of surplus liquidity.

A. Credit risk

Credit risk refers to the risk of a counter party default on its contractual obligation resulting into a financial loss to the Group. The maximum exposure of the financial assets represents trade receivables, work in progress and receivables from group companies and others.

Customer credit risk is managed by the Group through established policy and procedures and control relating to customer credit risk management. Trade receivables are non-interest bearing and are generally carrying upto 90 days credit terms. The Group has a detailed review mechanism of overdue customer receivables at various levels within organisation to ensure proper attention and focus for realisation. Trade receivables are consisting of a large number of customers. Export receivables are backed by forward contract. In respect of trade receivables, the Group uses a provision matrix to compute the expected credit loss allowances for trade receivables in accordance with the expected credit loss (ECL) policy of the Group.

B. Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in raising funds to meet its commitments associated with financial instruments. Liquidity risk may result from an inability to sell a financial assets quickly at close to its fair value.

The Group manages liquidity risk by maintaining adequate reserves and banking facilities by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

Contractual maturities of significant financial liabilities are as follows: (Indian ₹ in lacs)

Particulars	Less than or equal to one year	more than one year	Total

Other financial liabilities	103.83	-	103.83
Total financial liabilities	3,870.22	554.40	4,424.62

C. Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in foreign currency exchange rates, interest rates, credit, liquidity and other market changes.

The Group has several balances in foreign currency and consequently, the Group is exposed to foreign exchange risk. The Group evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's long-term debt obligations with floating interest rates. The Group manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

b) Interest rate sensitivity:

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Group's profit before tax is affected through the impact on floating rate borrowings, as follows:

(Indian ₹ in lacs)

Particulars	Increase/decrease in basis points	Effect of profit before tax
March 31, 2024	+100	57.62
	-100	(57.62)
March 31, 2023	+100	14.67
	-100	(14.67)

c) Exposure in foreign currency:

The Group deals with foreign currency loan given, trade payables, trade receivables etc. and is therefore exposed to foreign exchange risk associated with exchange rate movement.

The Group operates internationally and portion of the business is transacted in several currencies and consequently the Group is exposed to foreign exchange risk through its sales in overseas and purchases from overseas suppliers in various foreign currencies.

Exposure in foreign currency -Hedged The Group has no hedged foreign currency exposure at the end of the relevant period.

Unhedged:

USD	27.54	19.84
EURO	1.63	10.76
Payables		
USD	3.99	0.37
EURO	1.78	-

d) Foreign currency sensitivity

The Group is mainly exposed to changes in USD and EURO. The below table demonstrates the sensitivity to a 5% increase or decrease in the USD and EURO against INR, with all other variables held constant. The sensitivity analysis is prepared on the net unhedged exposure of the Group as at reporting date. 5% represents management's assessment of reasonably possible change in foreign exchange rate.

Note 31
Capital management

The Group's capital management objective is to maximise the total shareholders' returns by optimising cost of capital through flexible capital structure that supports growth. Further, the Group ensures optimal credit risk profile to maintain/enhance credit rating.

The Group determines the amount of capital required on the basis of annual operating plan and long-term strategic plans. The funding requirements are met through internal accruals and long-term/short-term borrowings. The Group monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt portfolio of the Group.

The following table summarises the capital of the Group:

Note 37
Segment reporting

For management purposes, the Group is organised into business units based on its products and services and has two reportable segments, as follows:

a) Alumina Refractories & Monolithics products & bauxite ores: Alumina Refractories & Monolithics products manufactures calcined bauxite, fused aluminium oxide abrasive grains and low cement castables which are mainly consumed in steel plants. Plant grade bauxite ores are captively consumed at the plant and Non plant grade bauxite ores are sold in the market.

b) Power generation: The Group has a thermal power plant, furnace oil based power plant and windmills. Power generated from thermal power plant and furnace oil based power plant is captively consumed at the plant and power generated from windmills is sold to the respective state power distribution companies.

No operating segments have been aggregated to form the above reportable operating segments.

The Executive Management Committee monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. The Group's financing (including finance costs and finance income) and income taxes are managed on a Group basis and are not allocated to operating segments.

Transfer prices between operating segments are on an arm's length basis in a manner similar to transactions with third parties.
