Subject: Clarification on Earlier Press Release Regarding the Investigation by Directorate of Enforcement (ED)

Dear Sir/Madam,

We wish to provide further clarification regarding the previous press release issued on 23.01.2025 in relation to the Directorate of Enforcement's (ED) search operations and subsequent investigations. In light of recent developments, we would like to reiterate and clarify some important points concerning the companies involved.

Clarification Regarding Company Names:

Vuenow Infratech Limited (VIL) is an entirely separate and independent entity from both M/s Vuenow Marketing Services Limited (VMSL) and M/s Vuenow Infotech Private Limited (VIPL). To prevent any further misunderstandings, we would like to inform all stakeholders that we have already applied for a name change with the Ministry of Corporate Affairs (MCA). This step has been taken to ensure that any possible confusion is resolved and to maintain the distinct identity of VIL.

Commitment to Cooperation:

VIL continues to fully cooperate with the relevant authorities as necessary and remains confident that these external matters will not adversely affect the company's performance or prospects.

We request all shareholders to take note of this clarification, and we assure you that the company's growth trajectory remains on course.

Thank you for your continued trust and support.

Thanking you,

For & on behalf of Vuenow Infratech Limited
