*Dear Sir/Madam,*

This is with reference to your mail dated August 28, 2024 seeking clarification on the current price movement in the share price of the Company. The mail was sent to us yesterday, i.e. on August 28, 2024 and the reply was required to be furnished by 3:00 PM yesterday only which we could not do due to the Bandh called by one of the political party in the State yesterday due to which the office was not fully functional yesterday and we deeply apologize for the same.

We wish to inform you that all the material information/announcement that may have bearing on the operations/performance of the Company and which include all the necessary disclosures in accordance with Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and under SEBI (Prohibition of Insider Trading) Regulations, 2015, have always been disclosed by the Company and filed with the stock exchanges within the stipulated time.

There is no pending information or announcements which have a bearing on price movement in the shares of the Company at our end. Further, we have also enquired from our RTA and Promoters/ Promoters group and have been informed that they have not purchased/sold any shares in last so many years.

Hence, the movement in the share price of the company or spurt in volume in shares of the Company is purely based on market sentiments and we have no inputs/comments in this regard as the Company is in no way connected with any such movement in price.

You are requested to take the same on record.

Thanking you,

Yours truly

For Square Four Projects India Limited
