NOTES:

1. The Ministry of Corporate Affairs ("MCA") has vide its circular dated April 8, 2020, April 13, 2020, May 5, 2020, January 13, 2021, December 8, 2021 December 14, 2021, May 5, 2022 and December 28, 2022, (collectively referred to as "MCA Circulars") permitted convening the Annual General Meeting ("AGM" or "e-AGM") through video conferencing ('VC') or other Audio Visual Means ('OAVM') without the physical presence of the Members of the Company at a common venue. In accordance with MCA Circulars, provisions of the Companies Act, 2013 ('Act') and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the AGM of the Company is being held through VC/ OAVM. The deemed venue for the AGM shall be the Registered Office of the Company.
2. Generally, a member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself and the proxy need not be a member of the Company. Since this AGM is being held through VC/ OAVM pursuant to the MCA Circulars, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed thereto.

3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014, and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force), the Company is pleased to provide its members the facility to exercise their right to vote on resolutions proposed to be considered at the 50th AGM by electronic means and the business may be transacted through e-voting Services ("Remote e-Voting").
The members who have cast their votes by Remote e-Voting prior to the AGM may also participate in the AGM through VC/ OAVM via link provided in their login ids but shall not be entitled to cast their vote again.
6. AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 08, 2020 and MCA Circular No. 17/2020 dated April 13, 2020, MCA Circular No. 20/2020 dated May 05, 2020 and MCA Circular No. 2/2021 dated January 13, 2021.
7. The Explanatory Statement pursuant to Section 102(1) of the Act, setting out material facts concerning the Special Business to be transacted at the AGM, is annexed hereto and forms part of this Notice.
8. Pursuant to requirements of SEBI Listing Regulations in relation to corporate governance and the applicable Secretarial Standards, the information required to be provided in case of retiring by rotation/ seeking appointment, is set out at the Annexure 1 to this Notice.
9. Since the AGM will be held through VC/ OAVM, the Route Map of the venue of the meeting is not annexed hereto.
10. The Company has engaged the services of National Securities Depository Limited (NSDL) as the Authorised Agency for providing remote e-voting facility/ e-voting/ Insta poll facility for casting the votes by the members using an electronic voting system and to provide VC facility for conducting the AGM.
11. In compliance with the aforesaid MCA Circulars and SEBI Circular no. SEBI/HO/CFD/POD-2/P/CIR/2023/4 dated January 5, 2023, Notice of the AGM along with the Integrated Annual Report 2023-24 (IAR or Annual Report) is being sent through NSDL via electronic mode to those members whose email addresses are registered with the RTA/ Depositories. Members may note that the Notice and Annual Report will also be available on the Company's website www.tcifl.in, websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively, and on the website of NSDL www.evoting.nsdl.com.
12. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote at the Meeting
13. Members seeking any information or clarification on the accounts are requested to send their queries on investors@tcifl.in, in writing, by 19th September, 2024. Replies will be provided in respect of such written queries at the meeting.

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE AS UNDER:-

AUDITORS

a) Statutory Auditors

M/s G.D. Upadhyay & Co., Chartered Accountant, Hyderabad (FRN: 005834S) were appointed as the Statutory Auditors at the 48th AGM for a period of 5 years upto the conclusion of the 53rd AGM of the Company.

The Statutory Audit Report for the year 2023-24 contains the following remarks and the explanation of the management in response of the same.

- i. Auditor raised a concerned regarding claims on the Company by the lenders of Amrit Jal Ventures Private Limited and Gati Infrastructure Bhasmey Power Private Limited aggregating to Rs. 25619.80 Lakhs due to invocation of corporate guarantee given by the Company. Against the said liability, the Company during the financial year 2019-20, considering the disputed nature of claim and unlawful invocation of corporate guarantee made a provision of Rs. 7798.91 Lakhs. As at March 31, 2024, the Company has disclosed the balance amount of liability Rs. 17820.89 Lakhs as contingent liability in its Financial Statements. In the absence of adequate basis for recognition of partial liability, in our opinion the Company ought to have recognised the liability in its books. Had the liability been recognised, the loss for the year and accordingly the other equity will be higher by Rs. 17820.89 Lakhs.

Board Comment:

Response of the management is however given in note no. 29 of the financial statements.

- ii. Further, regarding the invocation of Company's investment in equity shares of Gati Limited pledged as security for the credit facilities availed from Godavari Commercial Services Private Limited (Godavari), one of the lenders to the Company. However, the Company continued to present the said equity shares as investment at fair value as at March 31, 2022 despite invocation for the reasons stated in the said note. Fair value of the invoked shares considered as an asset aggregates to Rs. 930.25 Lakhs. Considering that investments have been sold, the auditors have given a remark in their Audit report that they were unable to comment on the appropriateness of presentation of fair value of said equity shares as investments in the financial statements. Further in view of the uncertainty relating to recoverability of the said investment, auditors unable to comment on the impact, if any, on the loss for the year and other equity as at March 31, 2024.

Board Comment:

Response of the management is given in note no. 28(i) of the financial statement.

- iii. The investments in equity shares of the Company held in Gati Limited pledged for the facilities availed by Amrit Jal Ventures Private Limited (AJVPL). The lenders of AJVPL invoked the pledge and realized their dues. However, the Company continued to treat the said equity shares as investment at fair value as at March 31, 2024 despite

invocation for the reasons stated in the said note. Fair value of the invoked shares considered as an asset which aggregates to Rs.774.41 Lakhs Considering that investments have been sold, we are unable to comment on the appropriateness of presentation of fair value of said equity shares as investments in the financial statements. Further in view of the uncertainty relating to recoverability of the said investment, we are unable to comment on the impact, if any, on the loss for the year and other equity as at March 31, 2024.

Board Comment:

Response of the management is given in note no. 28(iii) of financial statement.

- iv. The preparation of financial statements by the management on a going concern basis for the reason stated therein. In the absence of sufficient and appropriate evidence and the liabilities devolved on the Company upon invocation of guarantees by the lenders of other entities, in our opinion, preparation of financial statements on a going concern is not appropriate. Hence, we are unable to comment on the effect on carrying value of assets and liabilities had the financial statements been prepared not as a going concern.

In view of the matters reported at para (a) to (d) above and considering cumulative effect of these matters on the carrying values of assets and liabilities as at end of the year, we are unable to comment on the effect on the loss for the year ended and the retained earnings, had these matters been given effect in the financial results and financial information for the current year.

Board Comment:

Response of the management given in the note no. 33 of the financial statement.

- v. Note no 31 regarding non recognition of interest expense of Rs.62.44 Lakhs for the year ended March 31, 2024 for the reasons stated in the said note. The interest expense not recognised, up to March 31, 2024 aggregates to Rs.398.31 Lakhs. Consequently, loss for the year is lower by Rs.62.44 Lakhs and Other Equity (negative balance) and borrowings are lower by Rs.398.31 Lakhs.
- vi. The Company has received communication from RBI regarding non-reporting of matters reported at para (b), (c) and (d) above and a direction to account the same in the financial statements of March 31, 2020. As the Company received the complaint, post the audit of March 31, 2021, the Company has submitted the revised financial position [i.e. special purpose reporting] by adjusting the above-said qualifications. The financial statements for the current year do not include any adjustments contained in the directions of the RBI. We are unable to comment on effect on presentation and disclosures in the financial Statements the Company followed the directions of the RBI.

Board Comment:

Further, Notes to Accounts and Auditors remarks in their report are self-explanatory and do not call for any further comments. Further details are also disclosed at various places in this Boards Report.

b) Secretarial Auditors

Board Comment: The Company has appointed Manager under sec 196 of the Companies Act, 2013. Section 196 contemplates appointment of either MD, WTD or Manager, Besides Manager, the Company also has CFO and CS as KMP.

3. (i) The tenure of Mr. Dhanpat Ram Agarwal (DIN: 00322861), Independent Director and Chairman of the Company concluded on 08.05.2023
- (ii) On account of conclusion of tenure of Mr. Dhanpat Ram Agarwal (DIN: 00322861), Independent Director, the Board did not have 6 directors during the year.
- (iii) The composition/ constitution of Audit Committee (Regulation 18), NRC, and SRC was improper on account of conclusion of term of Dr. Dhanpat Ram Agarwal.

Board Comment: The Company is taking necessary steps for reappointing the Director w.e.f 09.05.2023 in the ensuing AGM

4. The Policy on Related party transactions has not been reviewed/ updated in the last 3 years

Board Comment: The Company placed the policy for review of board members in the meeting held on 6th August, 2024.

5. The Company has not submitted prior intimation to BSE of Board Meeting held on 11.05.2023

Board Comment: The Company inadvertently missed submitting the said disclosures to BSE.

6. Non-submission of prior intimation in XBRL mode for the Board Meeting held on 11.05.2023 to BSE and NSE;

Board Comment: The Company inadvertently missed submitting the said disclosures in XBRL mode and would be careful going forward

7. Requisite prior intimation as required under the said regulation for consideration of financial results not given

Board Comment: The Company gave 1 day less intimation due to inadvertence and would be careful going forward.

for the financial year ended March 31, 2024

(pursuant to Section 204 (1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014)

To

The Members,

TCI Finance Limited

We have conducted the Secretarial Audit of the compliances of applicable statutory provisions and the adherence to good corporate practices by **TCI Finance Limited** bearing CIN: L65910TG1973PLC031293 (hereinafter called the "**Company**"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit and as per the explanations given to us and the representations made by the Management, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2024 generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records made available to us and maintained by the Company for the financial year ended on March 31, 2024 according to the applicable provisions of:

- i. The Companies Act, 1956 and the Companies Act, 2013 ("**the Act**") and the rules made there under;
- ii. The Securities Contract (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings - Not Applicable during the audit period;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - a) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
 - b) Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 - Not Applicable during the audit period;
 - c) Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - d) Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 - Not Applicable during the audit period;
 - e) Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 - Not Applicable during the audit period;
 - f) Securities and Exchange Board of India (Issue and Listing of Non- Convertible Securities) Regulations, 2021 - Not Applicable during the audit period;
 - g) Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

- h) Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 - Not Applicable during the audit period;
 - i) Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993.
- vi. Other Laws specifically applicable to the Company:

The Company is a "loan company" engaged in the business of non - banking financial institution as defined 451(a) of the Reserve Bank of India Act, 1934. As confirmed and certified by the management, Non-Banking Financial (Non - Deposit Accepting or Holding) Companies prudential norms is the only industry specific Act applicable to the Company.

We have also examined compliance with the Secretarial Standards issued by the Institute of Company Secretaries of India and the Listing Regulations as applicable to the Company.

The compliance of the above laws is based on the Management Representation letter issued by the Manager, CFO and the Company Secretary of the Company.

During the Audit Period under review and as per the explanation and clarifications given to us and the representations made by the Management, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, etc. mentioned above *except that*:

REPORT ON CORPORATE GOVERNANCE

Corporate Governance is the application of best management practices, compliances of laws, rules, regulations and adherence to standards to achieve the objects of the Company, enhancing shareholder/ investor value and discharging of social responsibility. The Company does not view Corporate Governance principles as set of binding obligations, but believes in using it as a framework to be followed in spirit.

Your Company's Corporate Governance philosophy is based on transparency, accountability, values and ethics, which forms an integral part of the Management's initiative in its ongoing pursuit towards achieving excellence, growth and value creation. Your Company is committed to highest standards of Corporate Governance and disclosure practices to ensure that its affairs are managed in the best interest of all stakeholders.

Your Company has an active, experienced and a well-informed Board. Through the governance mechanism in the Company, the Board along with its Committees undertakes its fiduciary responsibilities towards all its stakeholders by encompassing best practices to support effective and ethical leadership, sustainability and good corporate citizenship.

The Companies Act, 2013 ("**Act**") and SEBI Listing Regulations have strengthened the governance regime in the country.

1. COMPANY'S PHILOSOPHY

TCI Finance Limited ("**TCIF**" or the "**Company**") believes that timely disclosures, transparent accounting policies and a strong and independent Board go a long way in maintaining good corporate governance, preserving shareholders' trust and maximizing long-term corporate value.

The Company's philosophy on Corporate Governance focuses on the attainment of the highest standards of transparency, accountability, ethics and equity with management flexibility, empowerment and responsiveness in the interest of shareholders, customers, employees, business associates and the society at large.

2. BOARD OF DIRECTORS AND GOVERNANCE FRAMEWORK

In keeping with the commitment of the Management to the principle of integrity and transparency in business operations for good corporate governance, the Company's policy is to have an appropriate blend of executive and independent Directors to maintain the independence of the Board and to separate the Board functions of governance and management.

i. Composition

The Board has an optimum combination of Executive and Non-Executive Directors including a Woman Director. As on March 31, 2024, the Company has 6 (six) directors, of which 2 (two) are Independent Directors and 4 (four) are Non-Executive (Non Independent) Directors. The Board's actions and decisions are aligned with the Company's best interests. The Board of Directors along with its Committees provides leadership and guidance to the Management and directs and supervises the performance of the Company, thereby enhancing stakeholder value. It is committed to the goal of sustainably elevating the Company's value creation. The Board critically evaluates the Company's strategic direction, management policies and their effectiveness. The Composition of the Board is in conformity with Regulation 17 of the SEBI Listing Regulations read with section 149 of the Act.

All the Directors possess requisite qualifications and experience in general corporate management, banking, finance, economics, marketing, digitisation, analytics and other allied fields that allow them to contribute effectively by actively participating in the Board and Committee Meetings, providing valuable guidance and expert advice to the Board and the Management and enhancing the quality of Board's decision making process.

The Chairman being Non-Executive Independent Director, one third of the strength of the Board comprises of the Independent Directors.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

Industry Structure and Developments

Business Environment

TCI Finance Limited ('TCIFL' or 'the Company'), is a non-deposit taking Non-Banking Financial Company (NBFC) registered with RBI and classified as an NBFC-non deposit taking Company. TCIFL engaged in the business of financial services.

NBFC Sector is passing through a critical phase at this juncture. Recent failures of certain large Non-Banking Financial Companies (NBFCs), severe liquidity strain confronting the sector and the consequent financial stability concerns have brought NBFC regulations back into focus.

INDUSTRY AND ECONOMIC SCENARIO

The Indian economy has been consistently outperforming all other leading economies over the last few years with respect to both GDP growth as well as other macro-economic factors. This is primarily backed by the government's strong infrastructure push and slow-but-steady revival in private consumption as reflected in the uptick in several high frequency indicators such as Index of Industrial Production ('IIP'), GST collections, sales of consumer durables, two-wheelers and passenger cars, and system credit and deposit growth. The economy has also shown significant resilience to external factors such as supply chain disruptions, growing geopolitical tensions, inflationary pressures, and weakness in global demand, further underscoring the strength of its underlying fundamentals.

In FY 2023-24, India continued to surpass all market estimates quarter on quarter and closed the financial year with 8.2% Year on Year ("YoY") growth. We have also demonstrated strong fiscal consolidation in recent years with fiscal deficit for FY 2023-24 declining to 5.6% (vs originally budgeted at 5.9%). Our Monetary Policy Committee ("MPC") has been successful in navigating the high interest rate environment and maintaining the retail inflation within its target range of 4-6% in recent months (4.85% in March 2024). India's external position also remains healthy with forex reserves touching an all-time high of \$651.5 Billion providing it with a comfortable import cover. Despite geopolitical uncertainties, Indian markets have also continued to attract healthy foreign portfolio investment of Rs. 3.4 lakh crore in FY 2023-24. India's growing importance in international markets is further underscored by JPMorgan's announcement regarding India's inclusion in its emerging market debt index in FY 2024-25.

All of these are reflected in S&P Global Ratings' upgrade of India's sovereign rating outlook to 'positive' from 'stable' while retaining the rating at 'BBB-' in May 2024. As per the agency, the rating draws support from India's sound economic fundamentals underpinning the growth momentum in the coming years and the expectation of broad continuity in economic reform and fiscal policies by the government even after the 2024 elections.

The financial services segment, and in particular NBFCs & HFCs, has been a key facilitator of this economic growth. Credit growth has remained robust in FY 2023-24 backed by strong demand from consumers, the Government of India's ("Gol's") push on financial inclusion, and ever-improving access to credit by way of increasing focus on digitalisation across the industry. We believe that we have also reached the peak of this rate-hike cycle and may see some cuts towards the later half of FY 2024-25. These factors, coupled with decade-low Non-Performing Assets ("NPAs") and an actively evolving regulatory framework, pave way for healthy double-digit credit growth in the coming years as well. The growth is likely to be broad-based across segments with some moderation expected in the unsecured products. While margins may see some pressure due to elevated interest rates in the short term, overall the sector is expected to report healthy operating performance in over a longer term.

Opportunities

The biggest opportunity for financial services sector in India currently lies in the sheer size of the economy. India is now the 5th largest economy worldwide and well on its way to become the 3rd largest within this decade. The Gol's infrastructure push, revival in private capex, growth of the SME ecosystem, increasing consumer demand, and potential of demographic dividend are all expected to drive this growth. Further, the current credit penetration in India - Credit to GDP ratio - remains low at ~70% compared to other larger economies; this is expected to sharply increase over the next decade

backed by rapidly developing digital public infrastructure and a notable improvement in the credit appetite seen across segments. All of this indicates a significant market opportunity of INR 500 lakh crore+ for all lenders in the country.

With increasing financial inclusion, a large part of this opportunity shall arise from the deeper markets, where both banks and non-banks have started making significant inroads. This has led to both larger and smaller players alike to increasingly adopt a 'phygital' strategy allowing them to cater to this largely new-to-credit base in a cost-effective manner, leveraging both physical presence alongwith superior digital capabilities. Further, the sector is also witnessing a collaboration between incumbents and new age FinTechs for both capability building as well as distribution that has helped the former to provide their customers with a seamless experience, creating win-win propositions for all stakeholders involved in the lending lifecycle.

Threats

While there's every reason to be optimistic about India's growth story, the sector may face some headwinds in the coming year - elevated cost of funds, margins under pressure, availability of funds for smaller non-banks, and some moderation in asset quality. While the current macroeconomic environment has been stable with overall inflation well within the target range since the start of the year, the rate cuts are not expected to kick-in at least till later part of the year. As a result, margins are expected to remain under pressure. In addition, the lower-than-expected deposit mobilization for the banks may impact their borrowing costs as well as their ability to extend credit to various sectors including NBFCs. This may further impact the non-banks. Furthermore, with recent increase in the unsecured portfolio for several players, the sector may see some moderation in the asset quality.

Segment-wise or product-wise performance of the Company

The Company is a NBFC. It is engaged in the business of financing which is the only segment in the Company. Hence, the results for the year under review pertain to only financing activity.

The Company's total Revenue from Operations during the year were Rs. 135.34 Lakhs and the net loss is Rs. (47.97) Lakhs as against Rs. (251.03) lakhs respectively in the previous year.

Outlook

The Company being an investment company seeks opportunity in the capital market. The Volatility in stock indices represents both an opportunity and challenge for the company. We continue to see significant opportunities in the market for long term.

The company carry shares and securities in its books. The effect of mark to market thereon have been taken into account for the year. The Company will continue to monitor for any material changes to future economic conditions.

Risks and concerns

The Company recognizes that risk is an integral and unavoidable component of business and is committed to managing the risk in a proactive and effective manner. The Company is an NBFC Company registered under RBI and categorized as a Loan Company. In today's challenging and competitive environment, strategies for mitigating inherent risks in accomplishing the growth plans of the Company are imperative. The common risks for the Company are financial risks, credit risk, liquidity risk, market risk, etc.

Risk mitigation is also an exercise aiming to reduce the loss or injury arising out of various risk exposures. The Company adopts a systematic approach to mitigate risks associated with accomplishment of objectives, operations, revenues and regulations. The Company believes that this would ensure mitigating risks proactively and help to achieve stated objectives.

The NBFC industry in general faces the risk of re-entry and new entry of players and existence of several unorganized regional players increasing the competition which mainly affects the asset quality. This is further characterized by captive NBFCs floated by other business houses. The ever existing systemic and delinquency risks and fluctuations in interest rates and risk weight make the companies more vulnerable. Deployment of funds in sensitive and volatile sectors increases the risk exposure while concentration risk increases dependency.

Internal Control Systems and their adequacy

Internal Control measures and systems are established to ensure the correctness of the transactions and safe guarding of the assets. The Management ensures adherence to all internal control policies and procedures as well as compliance with regulatory guidelines. The audit committee of the Board of Directors reviews the adequacy of internal controls. This has improved the management of the affairs of the Company and strengthened transparency and accountability.

The Company's Internal Financial Control System is commensurate with the size, scale and complexity of its operations. The Company has in place policies and procedures required to properly and efficiently conduct its business, safeguard its assets, detect frauds and errors, maintain accuracy and completeness of accounting records and prepare financial records in a timely and reliable manner. Further, your Company's Internal Financial Controls (IFC) has been reviewed and actions have been taken to strengthen financial reporting and overall risk management procedures. Detailed procedural manuals are in place to ensure that all the assets are safeguarded, protected against loss, proper prevention & detection of frauds & error, the accuracy and completeness of the accounting records, and all transactions are authorized, recorded and reported correctly.

The Internal Auditors monitor and evaluate the efficiency and adequacy of Internal Financial control system in the Company, its compliance with operating systems, accounting procedures and policies. To maintain its objectivity and independence, the Internal Auditors report directly to the Chairman of the Audit Committee of the Board, all the significant audit observations and follow up actions thereon. Both Statutory Auditor on quarterly basis and Internal auditor on annually basis have sessions with the Audit committee. The Internal audit reports are placed before the Audit committee on annual basis and all findings and observation, if any are recorded thereon. The said observation and comments, if any of the Audit Committee are placed before the board. The Internal Auditor is a permanent invitee to the Audit Committee Meetings. The Audit Committee advises on various risk mitigation exercises on a regular basis.

The audit committee also reviews reports submitted by the management and audit reports submitted by internal auditors and statutory auditors on periodic basis. Suggestions for improvement are considered and the audit committee follows up on corrective action. The audit committee also meets company's statutory Auditor to ascertain, inter alia their views on the adequacy of internal control systems and keeps the board of directors informed of its major observations, if any, periodically.

Your Board is of the opinion that the Internal Financial Controls, affecting the Financial Statements of your Company are adequate and are operating effectively.

Discussion on Financial Performance with respect to operational performance

TCI Finance Limited follows accrual basis of accounting under the historical cost convention. It has adopted Indian Accounting Standards ("Ind AS") notified under section 133 of the Companies Act 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 from April 1, 2019 and the effective date of such transition is April 1, 2018. Your company is a small sized, BSE and NSE listed, Non Banking Financial Company (NBFC).

The Company's total Revenue from Operations during the year were Rs. 135.34 Lakhs and the net loss is Rs. (47.97) Lakhs as against Rs. (251.03) lakhs respectively in the previous year.

The loss in the current year is mainly on account of provision for impairment of its investment in and loans granted to Mahendra Investment and Advisors Private Limited.

The Company is in the process of identifying various alternatives/ new areas to venture into for reviving the Company.

Material Developments in Human Resources/Industrial Relations

The Company always considers its human resources as a valuable asset and is committed towards their development for continuous growth. Focus on training to enhance the skill-sets of employees in line with the business and market requirements continued throughout the year and it confers rewards and recognition based on merit.

The employee relations have continued to be harmonious throughout the year. The Company has 4 permanent employees as on 31st March 2024.

Explanation

- Debtor turnover:** The reduction in the current year has been mainly on account of non recognition of interest on loans to Amrit Jal Ventures Private Limited for which provision for impairment loss has been created.
- Interest Coverage Ratio:** The reduction in Profit has been mainly on account of provision for impairment of loans and advances to Amrit Jal Ventures Private Limited.
- Debt Equity ratio:** There has been a reduction in debt equity ratio in the current year on account of provision for impairment of loans and advances to Amrit Jal Ventures Private Limited.
- Operating Profit Margin:** There has been a reduction in the operating margin on account of non- recognition of income on loans and advances to Amrit Jal Ventures Private Limited.
- Net Profit Margin:** There has been a negative Net profit margin on account of non-recognition of income and provision of impairment loss on loans and advances to Amrit Jal Ventures Private Limited.

Return on Net Worth

The Company recorded a loss of Rs. 47.97 Lakhs for FY 2023-24 as compared to the loss of Rs. 251.03 lakhs for FY 2022-23. The Net Worth of the Company Rs. (6335.98 Lakhs) as of 31st March 2024 as compared to Rs. (6285.30 Lakhs) as of 31st March 2023. Due to adverse developments in the entities to whom the company has advanced loans / given guarantees / investments made, the Company had incurred these losses and adversely affect the future income from operations. These factors substantially affected the operations of the Company.

Cautionary Statement

Statements in the Management Discussion and Analysis Report describing the Company's objectives, projections, estimates, expectations or predictions may be "forward looking statements" within the meaning of the applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could influence the Company's operations include economic and political conditions in which the Company operates, interest rate fluctuations, changes in Government/ RBI regulations, Tax laws, other statutes and incidental factors.

INDEPENDENT AUDITORS' REPORT

on the Audited Financial Results of the Company Pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015, as amended

To

The Members of TCI Finance Limited

Qualified Opinion

1. We have audited the accompanying statement of Audited financial results of TCI Finance Limited ("the Company") for the Quarter and year ended 31st March, 2024 ("the statement") attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").
2. In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects in the respect of the matters described in paragraph 3 under basis for qualified opinion below, the Statement:
 - i) is presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
 - ii) give a true and fair view in conformity with the recognition and measurement principles laid down in the Indian Accounting Standards("IND-AS") and other accounting principles generally accepted in India, of the net loss and other comprehensive loss and other financial information of the company for the Quarter and year ended March 31, 2024.

Basis for Qualified Opinion:

3. We draw attention to following notes to financial results:
 - a. Note no 3 regarding claims on the Company by the lenders of Amrit Jal Ventures Private Limited and Gati Infrastructure Bhasmey Power Private Limited aggregating to Rs. 25,619.80 Lakhs due to the invocation of corporate guarantee given by the Company. Against the said liability, the company during the year 2019-20, considering the disputed nature of the claim and unlawful invocation of the corporate guarantee made a provision of Rs. 7,798.91 Lakhs. As at March 31, 2024 The Company has disclosed the balance amount of liability Rs.17,820.89 Lakhs as contingent liability in its financial statements. In the absence of adequate basis for recognition of partial liability, in our opinion the Company ought to have recognized the liability in its books. Had the liability been recognized, the loss for the year and accordingly the other equity (negative balance) will be higher by Rs.17,820.89 Lakhs.
 - b. Note no 5 (a) regarding the invocation of Company's investment in equity shares of Gati Limited pledged as security for the credit facilities availed by Godavari Commercial Services Private Limited (Godavari), one of the lenders to the Company. However, the Company continued to present the said equity shares as investment at fair value as at March 31, 2024 despite invocation for the reasons stated in the said note. Fair value of the invoked shares considered as an asset which aggregates to Rs. 930.25 Lakhs. Considering that the investments have been sold, we are unable to comment on the appropriateness of presentation of fair value of said equity shares as investments in the Financial Statements. Further in view of the uncertainty relating to recoverability the said investment, we are unable to comment on the impact, if any, on the loss for the year and other equity as at March 31, 2024.
 - c. Note no 5 (c) regarding the investments in equity shares of the Company held in Gati Limited pledged for the facilities availed by Amrit Jal Ventures Private Limited (AJVPL). The lenders of AJVPL invoked the pledge and realized their dues. However, the Company continued to treat the said equity shares as investment at fair value as at March 31, 2024 despite invocation for the reasons stated in the said note. Fair value of the invoked shares considered as an asset which aggregates to Rs.774.41 Lakhs Considering that investments have been sold, we are unable to comment on the appropriateness of presentation of fair value of said equity shares as investments in the financial statements. Further in view of the uncertainty relating to recoverability of the said investment, we are unable to comment on the impact, if any, on the loss for the year and other equity as at March 31, 2024.

- d. Note no 7 regarding preparation of the financial statements by the management on a going concern basis for the reasons stated therein. In the absence of sufficient and appropriate evidence and the liabilities devolved on the Company upon invocation of guarantees by the lenders of other entities, in our opinion, preparation of financial statements on a going concern is not appropriate. Hence, we are unable to comment on the effect on carrying value of assets and liabilities had the financial statements been prepared not as a going concern.

In view of the matters reported at para (a) to (d) above and considering cumulative effect of these matters on the carrying values of assets and liabilities as at end of the year, we are unable to comment on the effect on the loss for the year ended and the retained earnings, had these matters been given effect in the financial results and financial information for the current year.

Qualified Conclusion:

Based on our audit conducted and procedures performed, except for the matter, mentioned in the Basis for Qualified Conclusion section of this report, nothing has come to our attention that causes us to believe that the accompanying statement of audited financial results prepared by the management of the Company, in accordance with the applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

4. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the "**Auditor's Responsibilities for the Audit of the Financial Results**" section of our report

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results for the quarter ended and year ended March 31, 2024 under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter:

5. We draw attention to following notes to the financial results:
- Note no 8 regarding the receipt of communication from Reserve Bank of India regarding the non-compliance with the maintenance of minimum Net Owned Funds as required under RBI Act 1934 advising the Company for surrender of Certificate of Registration.
 - Note no 9 regarding non recognition of interest expense of Rs.62.44 Lakhs for the year ended March 31, 2024 for the reasons stated in the said note. The interest expense not recognised, upto March 31, 2024 aggregates to Rs.398.31 Lakhs. Consequently, loss for the year is lower by Rs.62.44 Lakhs and Other Equity (negative balance) and borrowings are lower by Rs.398.31 Lakhs.
 - Our opinion is not modified in respect of matters at para 5 above.

Management's Responsibilities for the annual Financial Results

6. The statements which includes the financial results is the responsibility of the Company's Board of Directors, and has been approved for the issuance. The Company's Board of Directors are responsible for the preparation and presentation of these annual financial results that give a true and fair view of the net loss and other comprehensive loss of the Company and other financial information in accordance with the applicable Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of

appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the annual financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the annual Financial Results

7. Our objectives are to obtain reasonable assurance about whether the annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ◆ Identify and assess the risks of material misstatement of the annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ◆ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements in place and the operating effectiveness of such controls.
- ◆ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- ◆ Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ◆ Evaluate the overall presentation, structure and content of the annual financial results, including the disclosures, and whether the annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- ◆ Obtain sufficient appropriate audit evidence regarding the financial results of the company to express as opinion on the financial results.

Materiality is the magnitude of misstatement in the Financial results that, individually or in the aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial results may be influenced.

We consider quantitative materiality and qualitative factors in (i) Planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the Financial results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The annual financial results include the results for the quarter ended March 31, 2024 and March 31, 2023 being the balancing figures between the audited figures in respect of the financial year ended March 31, 2024 and March 31, 2023 and the published unaudited year-to-date figures up to December 31, 2023 and December 31, 2022, which were subjected to a limited review by us, as required under the Listing Regulation.

INDEPENDENT AUDITORS' REPORT

To

The Members of TCI Finance Limited

Report on the Audit of the Financial Statements

Qualified Opinion

1. We have audited the accompanying Financial Statements of TCI Finance Limited ("the Company"), for the quarter and year ended March 31, 2024 ("the Statement"), attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the listing Regulations").
2. In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matters described in Basis for Qualified Opinion section and Material Uncertainty Related to Going Concern section of this report, the aforesaid financial statements give the information required by the Companies Act 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects in the respect of the matters described in paragraph 3 under basis for qualified opinion below, the Statement:

- (i) is presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- (ii) give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standard and other accounting principles generally accepted in India, of the net loss and other comprehensive loss and other financial information for the year ended March 31, 2024

Basis for qualified Opinion

We draw attention to following notes to the financial statements:

- a. Note 29 regarding claims on the Company by the lenders of Amrit Jal Ventures Private Limited and its subsidiary Gati Infrastructure Bhasmey Power Private Limited aggregating to Rs. 25,619.80 Lakhs due to invocation of corporate guarantee given by the Company. Against the said liability, the Company during the year 2019-20, considering the disputed nature of claim and unlawful invocation of Corporate Guarantee made a provision of Rs. 7,798.91 Lakhs. As at March 31, 2024, the Company has disclosed the balance amount of liability Rs. 17,820.89 Lakhs as contingent liability in its financial statements. In the absence of adequate basis for recognition of partial liability, in our opinion the company ought to have recognised the liability in its books. Had the liability been recognised, the loss for the year and accordingly the other equity (negative balance) will be higher by Rs. 17,820.89 Lakhs.
- b. Note no 28 (i) regarding the invocation of Company's investment in equity shares of Gati Limited pledged as security for the credit facilities availed from Godavari Commercial Services Private Limited (Godavari), one of the lenders to the Company. However, the Company continued to present the said equity shares as investment at fair value as at March 31, 2024 despite invocation for the reasons stated in the said note. Fair value of the invoked shares considered as an asset aggregates to Rs. 930.25 Lakhs. Considering that investments have been sold, we are unable to comment on the appropriateness of presentation of fair value of said equity shares as investments in the financial statements. Further in view of the uncertainty relating to recoverability of the said investment, we are unable to comment on the impact, if any, on the loss for the year and other equity as at March 31, 2024.
- c. Note no 28(iii) regarding the investments in equity shares of the Company held in Gati Limited pledged for the facilities availed by Amrit Jal Ventures Private Limited (AJVPL). The lenders of AJVPL have invoked the pledge and realized their dues. However, the company continued to present the said equity shares as investment at fair value as at March 31, 2024 despite invocation for the reasons stated in the said note. The fair value of the invoked shares considered as an asset aggregates to Rs. 774.41 Lakhs. Considering that investments have been sold, we are

unable to comment on the appropriateness of presentation of fair value of said equity shares as investments in financial statements. Further, in view of the uncertainty relating to recoverability of the said investment, we are unable to comment on the impact if any, on the loss for the year and other equity as at March 31, 2024.

- d. Regarding preparation of the financial statements by the management on a going concern basis for reasons stated therein. In the absence of sufficient and appropriate evidence and the liabilities devolved on the company upon invocation of guarantees by the lenders of other entities in opinion, preparation of financial statements on a going concern is not appropriate. Hence, we are unable to comment on the effect on carrying value of assets and liabilities had the financial statements been prepared not as a going concern.
- e. Note no 31 regarding non recognition of interest expense of Rs.62.44 Lakhs for the year ended March 31, 2024 for the reasons stated in the said note. The interest expense not recognised, upto March 31, 2024 aggregates to Rs.398.31 Lakhs. Consequently, loss for the year is lower by Rs.62.44 Lakhs and Other Equity (negative balance) and borrowings are lower by Rs.398.31 Lakhs.
- f. The Company has received communication from RBI regarding non-reporting of matters reported at para (b), (c) and (d) above and a direction to account the same in the financial statements of March 31, 2020. As the Company received the complaint, post the audit of March 31, 2021, the Company has submitted the revised financial position [i.e. special purpose reporting] by adjusting the above-said qualifications. The financial statements for the current year do not include any adjustments contained in the directions of the RBI. We are unable to comment on effect on presentation and disclosures in the financial Statements the Company followed the directions of the RBI.

In view of the matters reported at para (a) to (f) above and considering cumulative effect of these matters on the carrying values of assets and liabilities as at the year end, we are unable to comment on the effect on the loss for the year and the retained earnings, had these matters been given effect in the financial results and financial statements for the current year.

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI 's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the financial statements.

Material Uncertainty Related to Going Concern

We draw attention to Note 33 regarding preparation of the financial statements by the management on a going concern basis for the reasons stated therein. In the absence of sufficient and appropriate audit evidence and the liabilities devolved on the Company upon invocation of guarantees by the lenders of other entities, we are of the opinion that preparation of financial statements on a going concern is not appropriate. Hence, we are unable to comment on the effect on carrying value of assets and liabilities had the financial statements been prepared not as a going concern.

Our opinion is modified in respect of this matter.

Emphasis of Matter:

1. We draw attention to Note no 25 regarding the petition filed by the three shareholders on the Company and the management regarding operation and mismanagement of affairs of the Company and the statutory auditors of the Company regarding reporting requirements of the said transactions.
2. We draw attention to Note no 32 regarding the receipt of the communication from Reserve Bank of India regarding the non-compliance with the maintenance of minimum Net Owned Funds as required under RBI Act, 1934 advising the Company for surrender of Certificate of Registration.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S.No	Key Audit Matters	Auditors Response
1.	Existence, rights & obligations, completeness, and valuation of the investments given as guarantees to the lenders of the Company / lenders of the related parties - Refer Note 28 to the financial statements - "Investments Sale of Pledged Shares by Lenders".	We reviewed the matters involved in the litigations and also the representations furnished by the Company and also other undertakings by the counter parties. The same has been reported under "Basis for qualified Opinion" section of this report.
2	Recognition of the corporate guarantee as liability As at March 31, 2024 the Company has given corporate guarantees to lenders of Amrit Jal Ventures Private Limited and to the lenders of subsidiaries of AJVPL (collectively referred as AJVPL) aggregating to Rs.31,366.71 Lakhs - Refer Note 29 to the financial statements	Guarantee invocations by the lenders and ability of the entities on whose behalf the guarantees were given, prepared by the management and approved by the Board of Directors / Audit Committee. These estimates have been considered and in view of the uncertainties involved in the estimates, the same has been reported under "Basis for qualified Opinion " section of this report

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility and Sustainability Report, Corporate Governance and Shareholder information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If, based on the work we have performed we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors are responsible for the presentation of these annual financial results that give a true and fair view of the net loss and other comprehensive loss of the company and other financial information in accordance with the applicable Accounting Standards prescribed under section 133 of the Act read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgment and estimates that are responsible and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ◆ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ◆ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- ◆ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- ◆ Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ◆ Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or

when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the applicable.
2. As required by Section 143(3) of the Companies Act, 2013, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) the Balance Sheet, the Statement of Profit and Loss including Other Comprehensive income, statement of changes in equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of the account.
 - d) Except for the possible effect of the matters described in the Basis for Qualified Opinion paragraph above, in our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act
 - e) The matter relating to going concern described under Material Uncertainty Related to Going Concern paragraph above, and the matters stated at paragraphs "a" to "f" of Basis for Qualified Opinion paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
 - f) On the basis of written representations received from the directors as on March 31, 2024, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024, from being appointed as a director in terms of Section 164(2) of the Act.
 - g) The qualifications relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above.
 - h) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure B'. Our report expresses a modified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.
 - i) with respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - j) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note No. 24 and 25 to the financial statements.
 - ii. The company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses and
 - iii. There are no amounts which are required to be transferred, to the Investor Education and Protection Fund by the Company for the year ended March 31, 2024.
 - iv.(a)the Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or

share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) the Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the company from any person or entity, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement.
- v. The Company has not declared or paid any dividend during the year.
- vi. Based on our examination, which included test checks, the company has used accounting software’s for maintaining its books of accounts for the Financial year ended March 31, 2024 which has a feature of recording audit trail (edit Log) facility and the same has operated through out the year for all the relevant transactions recorded in the software’s. Further during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As provision to Rule 3(1) of the Companies (Accounts) Rules 2014 is applicable from April 1, 2023, reporting under rule 11(g) of the Companies (Audit and Auditors) Rules 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the Financial year ended March 31, 2024.

Re: TCI Finance Limited**Annexure A to the Independent Auditors' Report**

(Referred to in paragraph '1' under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of TCI Finance Limited of even date)

Based on the audit procedures performed for the purpose of reporting true and fair view on the financial statements of TCI Finance Limited ("the Company") and taking into consideration the information and explanation given to us and books of accounts and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- i. In respect of the Company's property, Plant and equipment, right of use assets and Intangible assets.
- (a) (A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, plant and Equipment.
- (B) The Company has maintained proper records showing full particulars of its intangible assets.
- (b) The Company's Property, Plant and Equipment have been physically verified by the management during the year in accordance with programme of verification, which in our opinion, is reasonable having regard to the size of the Company and the nature of the assets. There were no material discrepancies on such verification during the year.
- (c) The title deeds of the following immovable properties disclosed in the financial statements not held in the name of the Company:

Description of the property	Gross carrying value (Rs in Lakhs)	Held in the name of	Whether Promoter, director or their relative or employee	Period held- Indicate range, where appropriate	Reason for not being held in name of the company
Land at Rushikonda, Vishakapatnam	1.68	Neera Finance and Investment private limited	Property received as per Amalgamation	01/04/2001	Delay in mutation in the Revenue Department
Land at Kanithi village Gajuwaka - Vishakapatnam	6.00	Growell commercial and trading private limited		01/04/2001	

- (d) The Company has not revalued its Property, Plant and Equipment or intangible assets or both during the year.
- (e) We have not noticed nor have been informed of initiating any proceedings or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made there under.
- ii. (a) The Company does not have any inventory.
- (b) The Company has not been sanctioned working capital limits in excess of Rs.5 crores, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets.
- iii. (a) During the year, the Company has not made any investments, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or other parties during the year. Also, the Company being the Non-Banking Financial Institution - a Loan Company. Hence paragraph 3(iii)(a) to (e) of the Order is not applicable at present.
- (b) The Company has granted loans to promoters, related parties as defined in clause 76 of Section 2 of the Companies Act, 2013 in earlier years. However, the loans granted are not of repayable on demand or without specifying any terms or period of payment. Hence paragraph 3(iii) (f) of the Order is not applicable at present.

- iv. The provisions of Section 185 and Section 186 of the Companies Act 2013 are not applicable to the Company being a Non-Banking Financial Institution - a Loan Company. Hence, reporting under the provisions of paragraph 3(iv) of the Order does not arise. Re: TCI Finance Limited

Annexure B to the Independent Auditors' report

(Referred to in paragraph '2.h' under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of TCI Finance Limited of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of TCI Finance Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company;
- and

- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weakness have been identified in the operating effectiveness of the Company's internal financial controls over financial reporting as at March 31, 2024 in respect of financial statements closure and assessment of impairment loss or provision required in respect of investments or financial assets which could potentially result in misstatement in the financial statements.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, the Company has, in all material respects, maintained adequate internal financial controls over financial reporting as of March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India, and except for the possible effects of the material weakness described above on the achievement of the objectives of the control criteria, the Company's internal financial controls over financial reporting were operating effectively as of March 31, 2024.

Explanatory paragraph

We also have audited, in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act, the financial statements of the Company, which comprise the Balance Sheet as at March 31, 2024, and the related Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows Statement for the year then ended, and a summary of significant accounting policies and other explanatory information. These material weaknesses were considered in determining the nature, timing, and extent of audit tests applied in our audit of financial statements of the Company as at March 31, 2024 and this report affects our report dated May 08, 2024, on which we have expressed a qualified opinion on those financial statements.

Notes forming part of the Standalone IND AS Financial Statements for the year ended March 31, 2024*(All amounts in Rs Lakhs, except share data and where otherwise stated)*

1	<p>Corporate information</p> <p>TCI Finance Limited ("the Company") is a public company domiciled in India. Its shares are listed on Bombay Stock Exchange Limited and National Stock Exchange of India Limited. The Company is a "Loan company" engaged in the business of Non Banking Financial Institution as defined in section 45I(a) of the Reserve Bank of India Act, 1934.</p>
2	<p>Summary of Significant accounting policies</p>
2.1	<p>Preparation of financial statements</p>
2.1.1	<p>Basis for preparation</p> <p>The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time). The financial statements have been prepared under the historical cost convention, as modified by the application of fair value measurements required or allowed by relevant Accounting Standards. Accounting policies have been consistently applied to all periods presented, unless otherwise stated.</p> <p>The preparation of financial statements requires the use of certain critical accounting estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and the disclosed amount of contingent liabilities. Areas involving higher degree of judgement or complexity, or areas where assumptions are significant to the company are discussed in Note - Significant accounting judgements, estimates and assumptions.</p> <p>The financial statements are presented in Indian Rupees (INR) and all values are rounded to the nearest Lakhs, except when otherwise indicated.</p> <p>The standalone financial statements were authorised for issue by the Company's Board of Directors at its meeting held on May 8, 2024.</p>
2.1.2	<p>Presentation of financial statements</p> <p>The financial statements of the Company are presented as per Schedule III (Division III) of the Companies Act, 2013 applicable to NBFCs, as notified by the Ministry of Corporate Affairs (MCA). Financial assets and financial liabilities are generally reported on a gross basis except when, there is an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event and the parties intend to settle on a net basis in the following circumstances:</p> <ol style="list-style-type: none"> i. The normal course of business ii. The event of default iii. The event of insolvency or bankruptcy of the Company and/or its counterparties
2.1.3	<p>Statement of compliance</p> <p>These standalone or separate financial statements of the Company have been prepared in accordance with Indian Accounting Standards as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 and the other relevant provisions of the Act.</p>
2.1.4	<p>Functional and presentation currency</p> <p>These financial statements are presented in Indian Rupees ('INR' or 'Rs.') which is also the Company's functional currency. All amounts are rounded-off to the nearest lakhs, unless otherwise indicated.</p>
2.1.5	<p>Basis of measurement</p> <p>The financial statements have been prepared on the historical cost basis except for certain financial instruments which are measured at fair values.</p>
2.1.6	<p>Measurement of fair values</p> <p>A number of Company's accounting policies and disclosures require the measurement of fair values, for both</p>

financial and non-financial assets and liabilities. The Company has established policies and procedures with respect to the measurement of fair values. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets and liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)."

2.2 Use of estimates and judgements and Estimation uncertainty

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income, expenses and the disclosures of contingent assets and liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively. The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were issued. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Following are areas that involved a higher degree of estimate and judgement or complexity in determining the carrying amount of some assets and liabilities.

2.2.1 Effective Interest Rate (EIR) Method

The Company recognizes interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected life of the loans given / taken. This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments, as well as expected changes to other fee income/expense that are integral parts of the instrument.

2.2.2 Impairment of Financial Assets

The measurement of impairment losses on loan assets and commitments, requires judgement, in estimating the amount and timing of future cash flows and recoverability of collateral values while determining the impairment losses and assessing a significant increase in credit risk.

The Company's Expected Credit Loss (ECL) calculation is the output of a complex model with a number of underlying assumptions regarding the choice of variable inputs and their interdependencies. Elements of the ECL model that are considered accounting judgements and estimates include:

- The Company's criteria for assessing if there has been a significant increase in credit risk
- The segmentation of financial assets when their ECL is assessed on a collective basis
- Development of ECL model, including The various formulae and The choice of inputs
- Selection of forward-looking macroeconomic scenarios and their probability weightings, to derive The economic inputs into The ECL model It has been The Company's policy to regularly review its model in The context of actual loss experience and adjust when necessary

2.2.3 Provisions and other contingent liabilities

The reliable measure of the estimates and judgements pertaining to litigations and the regulatory proceedings in the ordinary course of the Company's business are disclosed as contingent liabilities.

	<p>Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.</p> <p>2.3 First-time adoption of Ind AS – mandatory exceptions and optional exemptions</p> <p>The Company has prepared the opening balance sheet as per Ind AS as of 1st April 2018 (“the transition date”) by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from Previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in measurement of recognised assets and liabilities. However, this principle is subject to certain exceptions and certain optional exemptions availed by the Company as mentioned below:</p> <p>Deemed cost for property, plant and equipment and intangible assets -</p> <p>The Company has elected to measure property, plant and equipment, and intangible assets at its Previous GAAP carrying amount and use that Previous GAAP carrying amount as its deemed cost at the date of transition to Ind AS.</p> <p>De-recognition of financial assets and financial liabilities related to securitisation transactions -</p> <p>The Company has not elected the exemption of applying the de-recognition requirements of financial assets and financial liabilities prospectively for transactions occurring on or after the transition date. The Company has applied de-recognition requirements of financial assets and financial liabilities retrospectively from 1 February 2013 as the information needed to apply Ind AS 109 to financial assets and financial liabilities derecognised as a result of past transactions were obtained at the time of initially accounting for those transactions.</p> <p>Share-based payments -</p> <p>The Company has availed the exemption of not applying Ind AS 102 Share-based Payment to options already vested as on the transition date.</p> <p>Leases -</p> <p>The Company has availed the exemption to assess whether an arrangement contains a lease based on facts and circumstances existing on date of transition to Ind AS.</p> <p>2.4 Revenue Recognition</p> <p>2.4.1 Interest Income</p> <p>Interest income is recognised in Statement of profit and loss using the effective interest method for all financial instruments measured at amortised cost, debt instruments measured at FVOCI and debt instruments designated at FVTPL. The ‘effective interest rate’ is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument.</p> <p>The calculation of the effective interest rate includes transaction costs and fees that are an integral part of the contract. Transaction costs include incremental costs that are directly attributable to the acquisition of financial asset.</p> <p>“If expectations regarding the cash flows on the financial asset are revised for reasons other than credit risk, the adjustment is recorded as a positive or negative adjustment to the carrying amount of the asset in the balance sheet with an increase or reduction in interest income. The “adjustment is subsequently amortised through Interest income in the Statement of profit and loss.”</p> <p>2.4.2 Rental Income :</p> <p>Income from operating leases is recognised in the Statement of profit and loss as per contractual rentals unless another systematic basis is more representative of the time pattern in which benefit derived from the leased asset is diminished.</p>

2.4.3	Fee and commission income : Fee based income are recognised when they become measurable and when it is probable to expect their ultimate collection. Commission and brokerage income earned for the services rendered are recognised as and when they are due.
2.4.4	Dividend and interest income on investments <ul style="list-style-type: none">- Dividends are recognised in Statement of profit and loss only when the right to receive payment is established, It is probable that the economic benefits associated with the dividend will flow to the Company and the amount of the dividend can be measured reliably.- Interest income from investments is recognised when It is certain that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective Interest rate applicable.
2.5	Property Plant and Equipment (PPE) :
2.5.1	Tangible Assets: PPE are carried at cost of acquisition or construction less accumulated depreciation and accumulated impairment loss. The cost includes non-refundable taxes, duties, freight and other incidental expenses related to the acquisition and installation of the respective assets. Assets held for sale or disposals are stated at the lower of their net book value and net realisable value. "Advances paid towards the acquisition of PPE outstanding at each balance sheet date are disclosed separately under other non-financial assets. Capital work in progress comprises the cost of PPE that are not ready for its intended use at the reporting date. PPE is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the net carrying amount of the asset) is recognised in other income / netted off from any loss on disposal in the Statement of profit and loss in the year the asset is derecognised.
2.5.2	Intangible Assets: Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. Intangible assets comprises of computer software which is amortized over the estimated useful life. The amortization period is lower of license period or 36 months which is based on management's estimates of useful life.
2.6	Depreciation and Amortisation Depreciable amount of assets is the cost of an asset, or other amount substituted for cost less its estimated residual value. Depreciation on PPE has been provided on the straight line method as per the useful lives prescribed in schedule II to the Companies Act, 2013 . Intangible assets are amortised, on the straight line method on the useful lives prescribed in schedule II to the Companies Act, 2013 .
2.7	Investments Investments are classified as Long term and Current. Long term Investments are carried at cost less provision for other than temporary diminution, if any, in value of such investments. Current investments are carried at lower of cost and fair value. Investments in subsidiaries and associate are measured at cost less accumulated impairment, if any.

provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in Statement of profit and loss.

2.8.2 Classification and Subsequent measurement of financial assets-

On initial recognition, a financial asset is classified as measured at

- Amortised cost;
- FVOCI - debt instruments;
- FVOCI - equity instruments;
- FVTPL

Amortised cost -

The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios being the level at which they are managed. The financial asset is held with the objective to hold financial asset in order to collect contractual cash flows as per the contractual terms that give rise on specified dates to cash flows that are solely payment of principal and interest (SPPI) on the principal amount outstanding. Accordingly, the Company measures Bank balances, Loans, Trade receivables and other financial instruments at amortised cost.

FVOCI - debt instruments -

The Company measures its debt instruments at FVOCI when the instrument is held within a business model, the objective of which is achieved by both collecting contractual cash flows and selling financial assets; and the contractual terms of the financial asset meet the SPPI test.

FVOCI - equity instruments -

The Company subsequently measures all equity investments at fair value through profit or loss, unless the Company's management has elected to classify irrevocably some of its equity instruments at FVOCI, when such instruments meet the definition of Equity under Ind AS 32 Financial Instruments and are not held for trading. "Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets." All financial assets not classified as measured at amortised cost or FVOCI are measured at FVTPL. This includes all derivative financial assets.

Subsequent measurement of financial assets

Financial assets at amortised cost are subsequently measured at amortised cost using effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in Statement of profit and loss. Any gain and loss on derecognition is recognised in Statement of profit and loss.

Debt investment at FVOCI are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment are recognised in Statement of profit and loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to Statement of profit and loss.

For equity investments, the Company makes an election on an instrument-by-instrument basis to designate equity investments as measured at FVOCI. These elected investments are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserves. The cumulative gain or loss is not reclassified to Statement of profit and loss on disposal of the investments. These investments in equity are not held for trading. Instead, they are held for strategic purpose. Dividend income received on such equity investments are recognised in Statement of profit and loss.

	<p>Equity investments that are not designated as measured at FVOCI are designated as measured at FVTPL and subsequent changes in fair value are recognised in Statement of profit and loss. Financial assets at FVTPL are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in Statement of profit and loss.</p>
2.8.3	<p>Financial liabilities and equity instruments:</p> <p>Classification as debt or equity -</p> <p>Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.</p> <p>Equity instruments -</p> <p>An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by Company are recognised at the proceeds received. Transaction costs of an equity transaction are recognised as a deduction from equity.</p> <p>Financial liabilities -</p> <p>Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for trading or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in Statement of profit and loss. Any gain or loss on derecognition is also recognised in Statement of profit and loss.</p> <p>Financial guarantee contracts:</p> <p>A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument. "Financial guarantee contracts issued by the Group are initially measured at their fair values and, if not designated as at FVTPL, are subsequently measured at the higher of: "- the amount of loss allowance determined in accordance with impairment requirements of Ind AS 109 - Financial Instruments; and "- the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 18 - Revenue.</p>
2.8.4	<p>Derecognition</p> <p>Financial assets</p> <p>The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.</p> <p>Financial liabilities</p> <p>A financial liability is derecognised when the obligation in respect of the liability is discharged, cancelled or expires. The difference between the carrying value of the financial liability and the consideration paid is recognised in Statement of profit and loss.</p>
2.8.5	<p>Offsetting</p> <p>Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.</p>

2.8.6	<p>Impairment of financial instruments</p> <p>Equity instruments are not subject to impairment under Ind AS 109. The Company recognises lifetime expected credit losses (ECL) when there has been a significant increase in credit risk since initial recognition and when the financial instrument is credit impaired. If the credit risk on the financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12 month ECL. The assessment of whether lifetime ECL should be recognised is based on significant increases in the likelihood or risk of a default occurring since initial recognition. 12 month ECL represents the portion of lifetime ECL that is expected to result from default events on a financial instrument that are possible within 12 months after the reporting date.</p> <p>The Company recognises lifetime ECL for other financial assets. The expected credit losses on these financial assets are estimated using a provision matrix based on the Company's historical credit loss experience, adjusted for factors that are specific to the debtors, general economic conditions and an assessment of both the current as well as the forecast direction of conditions at the reporting date, including time value of money where appropriate. Lifetime ECL represents the expected credit losses that will result from all possible default events over the expected life of a financial instrument. Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets. For debt securities at FVOCI, the loss allowance is recognised in OCI and carrying amount of the financial asset is not reduced in the balance sheet.</p>
2.8.7	<p>Collateral repossessed -</p> <p>Based on operational requirements, the Company's policy is to determine whether a repossessed asset can be best used for its internal operations or should be sold. Assets determined to be useful for the internal operations are transferred to their relevant asset category for capitalisation at their fair market value. In the normal course of business, the Company does not physically repossess assets/properties in its loan portfolio, but engages external agents to repossess and recover funds, generally by selling at auction, to settle outstanding debt. Any surplus funds are returned to the customers/ obligors. As a result of this practice, the assets / properties under legal repossession processes are not separately recorded on the balance sheet.</p>
2.8.8	<p>Write offs -</p> <p>The gross carrying amount of a financial asset is written off when there is no realistic prospect of further recovery. This is generally the case when the Company determines that the debtor/ borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in Statement of profit and loss.</p>
2.9	<p>Employee Benefits</p>
2.9.1	<p>Short-term employee benefits</p> <p>Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.</p>
2.9.2	<p>Gratuity -</p> <p>The Company's liability towards gratuity scheme is determined by independent actuaries, using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. Past services are recognised at the earlier of the plan amendment / curtailment and recognition of related restructuring costs/ termination benefits.</p>

	<p>The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of profit and loss.</p> <p>Remeasurement gains/losses -</p> <p>Remeasurement of defined benefit plans, comprising of actuarial gains / losses, return on plan assets excluding interest income are recognised immediately in the balance sheet with corresponding debit or credit to Other Comprehensive Income (OCI). Remeasurements are not reclassified to Statement of profit and loss in the subsequent period. Remeasurement gains or losses on long-term compensated absences that are classified as other long-term benefits are recognised in Statement of profit and loss.</p>
2.9.3	<p>Superannuation fund -</p> <p>The Company makes contribution to the Superannuation scheme, a defined contribution scheme, administered by Life Insurance Corporation of India, which are charged to the Statement of profit and loss. The Company has no obligation to the scheme beyond its contributions.</p>
2.9.4	<p>Leave encashment / compensated absences / sick leave -</p> <p>The Company provides for the encashment / availment of leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment / availment. The liability is provided based on the number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation.</p>
2.10	<p>Finance costs :</p> <p>Finance costs include interest expense computed by applying the effective interest rate on respective financial instruments measured at Amortised cost - bank term loans, non-convertible debentures, fixed deposits mobilised, commercial papers, subordinated debts and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Finance costs are charged to the Statement of profit and loss.</p>
2.11	<p>Reserve Bank of India Prudential Norms</p> <p>The Company follows the guidelines issued by the Reserve Bank of India, in respect of income recognition, asset classification and valuation of investments. Provision for standard assets is made in terms of the notification in Master Direction - DNBR (PD) 007/03.10.119/2016-17 - Updated as on 23.02.2018 issued by Reserve Bank of India.</p>
2.12	<p>Taxation:</p> <p>Income tax expense comprises of current tax and deferred tax. It is recognised in Statement of profit and loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.</p>
2.12.1	<p>Current Tax: Current tax comprises amount of tax payable in respect of the taxable income or loss for the year determined in accordance with Income Tax Act, 1961 and any adjustment to the tax payable or receivable in respect of previous years. The Group's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.</p>
2.12.2	<p>Deferred Taxes: Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases.</p> <p>Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequence that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.</p>

Notes forming part of the Standalone IND AS Financial Statements for the year ended March 31, 2024*(All amounts in Rs Lakhs, except share data and where otherwise stated)*

	<p>Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary difference could be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.</p>
<p>2.13</p>	<p>Impairment of assets other than financial assets :</p> <p>The Group reviews the carrying amounts of its tangible and intangible assets at the end of each reporting period, to determine whether there is any indication that those assets have impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Recoverable amount is determined for an individual asset, unless the asset does not generate cash flows that are largely independent of those from other assets or group of assets.</p> <p>Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pretax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. If the recoverable amount of an asset (or cashgenerating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount.</p> <p>When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount such that the increased carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had been recognised for the asset (or cashgenerating unit) in prior years. The reversal of an impairment loss is recognised in Statement of profit and loss.</p>
<p>2.14</p>	<p>Provisions :</p> <p>Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.</p> <p>The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.</p> <p>Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.</p>
<p>2.15</p>	<p>Earnings Per Share:</p> <p>Basic earnings per equity share is computed by dividing the net profit for the year attributable to the Equity Shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, sub-division of shares etc. that have changed the number of equity shares outstanding, without a corresponding change in resources. Diluted earnings per share is computed by dividing the net profit for the year, adjusted for the effects of dilutive potential equity shares, attributable to the Equity Shareholders by the weighted average number of the equity shares and dilutive potential equity shares outstanding during the year except where the results are anti-dilutive.</p>

Nature and Purpose of Reserves

16.1.1 Statutory reserve: Every year the Company transfers a of sum of not less than twenty per cent of net profit of that year as The conditions and restrictions for distribution attached to statutory reserves as specified in Section 45-IC(1) of The Reserve Bank of India Act, 1934:

- (1) Every non-banking financial company (NBFC) shall create a reserve fund and transfer therein a sum not less than twenty per cent of its net profit every year as disclosed in the profit and loss account and before any dividend is declared.
- (2) No appropriation of any sum from the reserve fund shall be made by the NBFC except for the purpose as may be specified by the RBI from time to time and every such appropriation shall be reported to the RBI within twenty-one days from the date of such withdrawal:
Provided that the RBI may, in any particular case and for sufficient cause being shown, extend the period of twenty one days by such further period as it thinks fit or condone any delay in making such report.
- (3) Notwithstanding anything contained in sub-section (1) the Central Government may, on the recommendation of the RBI and having regard to the adequacy of the paid-up capital and reserves of a NBFC in relation to its deposit liabilities, declare by order in writing that the provisions of sub-section (1) shall not be applicable to the NBFC for such period as may be specified in the order:
Provided that no such order shall be made unless the amount in the reserve fund under sub-section (1) together with the amount in the share premium account is not less than the paid-up capital of the NBFC.

16.2.1 Securities Premium Account: The amount received in excess of face value of the equity shares is recognised in Securities Premium Reserve. In case of equity-settled share based payment transactions, the difference between fair value on grant date and nominal value of share is accounted as securities premium reserve. The reserve can be utilised only for limited purposes such as issuance of bonus shares in accordance with the provisions of the Companies Act, 2013.

16.3.1 General Reserve: Under the erstwhile Companies Act 1956, general reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulations. Consequent to introduction of Companies Act 2013, the requirement to mandatorily transfer a specified percentage of the net profit to general reserve has been withdrawn. However, the amount previously transferred to the general reserve can be utilised only in accordance with the specific requirements of Companies Act, 2013

16.4.1 Retained earnings: Retained earnings are the profits that the Company has earned till date, less any transfers to statutory reserve, debenture redemption reserve, general reserve, dividends distributions paid to shareholders and transfer from debenture redemption reserve.

25 Claims against the Company not acknowledged as Debts**Petition before NCLT, Hyderabad:**

During the year 2019-20, three shareholders of the Company filed a petition before National Company Law Tribunal (NCLT), Hyderabad Bench, against the Company and the management alleging oppression of minority shareholders and mismanagement of affairs of the Company with regard to investments and loans and advances to certain related parties. In the said petition, the petitioners also included the statutory auditors of the Company regarding reporting requirements of said transactions. The Company and the respondents have taken necessary measures to contest the petition before the Honourable NCLT Bench and the hearings are in progress.

26 Disclosures as per Clause 32 of the Listing Agreement with the Stock Exchanges as the entire investments in "ITAG Business Solutions Limited" (subsidiary) has been disposed with effect from 05.03.2019

There are no outstanding amounts with the ITAG Business solutions Limited as at March 31, 2024 and March 31, 2023.

27 Inter-Company loans/deposits given by the Company are on the basis that one of the main objects of the Company is to lend and is categorised as Loan Company. Accordingly, the Company has been advised that Section 186 of the Companies Act, 2013 is not applicable to the Company.**28 Investments - Sale of pledged shares by lenders**

- (i) During the year 2015-2016, the Company took a loan of Rs.5 Crores from Godavari Commercial Services Private Limited (Godavari) on the security of 10,00,000 equity shares of Gati Limited held by the Company. These shares re-pledged by Godavari with a third party, with the consent of the Company. The said shares were invoked by the third party in the year 2016-2017 on default by Godavari without there being any default by the Company. The Company took necessary legal recourse for restoration of the pledged shares and in terms of the settlement arrived at, Godavari agreed to restore the said invoked shares. During the financial year 2019-20, Godavari restored 33,000 shares and balance 9,67,000 shares were yet to be restored. In view of the settlement agreement and further

litigation raised by the Company, the said 9,67,000 equity shares in Gati Limited have been continued to be disclosed as **"Investments"**

(ii) During the year 2015-2016, the Company has pledged 1,580,000 shares of Gati Limited held by the Company as Investments in favour of IDFC Bank Limited (IDFC) for facilities availed by M/s Gati Infrastructure Private Limited (GIPL) on receipt of Letter of Comfort from M/s Amrit Jal Ventures Private Limited (AJVPL) being the holding company of GIPL. The said shares were invoked by IDFC in the year 2016-2017 due to default made by GIPL. GIPL, AJVPL and the Company entered into a tripartite agreement for restoration of such invoked shares to the Company. The Company has accounted for the invoked shares and the value realised amounting to Rs 1875.03 lakhs has been shown as "Receivable". This amount was received on February 26, 2024.

(iii) During the year 2014-2015, the Company has pledged 805,000 equity shares of Gati Limited held by the Company as Investments in favour of IFCI Ventures Limited (IFCIV) for facilities availed by M/s Amrit Jal Ventures Private Limited (AJVPL). AJVPL had repaid the said loan, the Company had made request to IFCIV for release of pledged shares. However, during the year ended March 31, 2018, IFCIV invoked the said shares and transferred the same to Green India Ventures Fund (GIVF) for certain dues payable by AJVPL. The Company has taken necessary legal recourse for the restoration of the invoked shares. In view of the above, the invoked 805,000 equity shares in Gati Limited have been continued to be disclosed as "Investments".

29 The Company in the earlier years, has given Corporate Guarantees to the lenders of AJVPL and it's wholly owned subsidiary – Gati Bhasmey Limited – aggregating to Rs. 31,336.71 Lakhs. During 2019–2020, (i) certain lenders of these entities have invoked the Guarantees and raised claims on the Company aggregating to Rs. 25,619.80 Lakhs. (ii) The Company made a provision of Rs. 7,798.91 Lakhs on an estimated basis considering the disputed nature of the claim and unlawful invocation of the corporate guarantee.

30 During the earlier years, the Company availed borrowings from certain lenders and by way of an amendment loan agreement, arranged the certain shares held by Mahendra Kumar Agarwal & Sons HUF and Manish Agarwal Benefit Trust (Guarantors) as an additional security for the said borrowings. The said lenders, due to defaults by the Company have sold these shares and recovered their respective dues fully. As a result of this sale of shares given as an additional security, the Company has recognised the liability in favour of guarantors to the extent of Rs. 364.25 Lakhs, being amount of loan extinguished by the lenders out of the sale proceeds of shares. Out of the said amount, the Company has paid an amount of Rs. 206.37 Lakhs and the balance of Rs. 157.88 Lakhs is outstanding as at March 31, 2024.

During the year ended March 31, 2024, the above said lenders have invoked the shares given as guarantee by Mr. Mahendra kumar Agarwal and realised an amount of Rs. 38 Lakhs. The company has recognised liability of Rs. 38 Lakhs in favour of Mr. Mahendra Kumar Agarwal in place of original lenders.

31 The Company has not recognised interest expense of Rs. 62.44 Lakhs for the year ended March 31, 2024. Total interest expense not recognised, upto March 31, 2024, aggregates to Rs. 398.31 Lakhs. Consequently, loss for the year 2023-2024 is higher by Rs.62.44 Lakhs and as at March 31, 2024 and Other Equity (negative balance) and Borrowings were lower by Rs. 398.31 Lakhs.

32 Note on RBI Matters

1. The Company had received a letter from the Reserve Bank of India to surrender the Certificate of Registration (COR) for voluntary deregistration as NBFC on account of non maintenance of minimum Net owned Funds (NOF). The company had sought a further period of 12 months for augmenting the NOF.

33 **Going Concern:** The Company was having a negative networth of Rs. 6,285.31 Lakhs as at March 31, 2023. Due to adverse developments in the entities to whom the company has advanced loans / given guarantees / investments made, the Company had incurred these losses and adversely affect the future income from operations. These factors substantially affected the operations of the Company and indicated uncertainties relating to the going concern status of the Company. Management of the Company is in the process of identifying various alternatives /

38 Capital Management

The Company's objectives when managing capital are to :

Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

The Company monitors its capital using gearing ratio, which is net debt divided by total equity. Net debt includes long term borrowings, short term borrowings, current maturities of long term borrowings less cash and cash equivalents and other bank balances.

39 Fair value Measurement**(i) Valuation techniques and significant unobservable inputs**

The carrying amounts of financial assets and liabilities other than those valued at Level 1 and Level 2 are considered to be the same as their fair values due to the current and short term nature of such balances and no material differences in the values.

(ii) Levels 1, 2 and 3

Level 1 : It includes Investment in equity shares that has a quoted price and which are actively traded on the stock exchanges. It is been valued using the closing price as at the reporting period on the stock exchanges.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

Notes forming part of the Standalone IND AS Financial Statements for the year ended March 31, 2024*(All amounts in Rs Lakhs, except share data and where otherwise stated)***40 Financial risk management**

- i The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's management risk policy is set by the Managing Board. The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. A summary of the risks have been given below.

Risk	Exposure arising from	Measurement
Credit risk	Loans and Investments	Ageing analysis
Liquidity risk	Borrowings and other financial liabilities	Cash flow forecasts
Market risk - Interest risk	Borrowings and other financial liabilities	Sensitivity analysis

a. Credit risk

Credit risk is the risk that the Company will incur a loss because its customers or counter parties fail to discharge their contractual obligations. The Company manages and controls credit risk by setting limits on the amount of risk it is willing to accept for individual counterparties and by monitoring exposures in relation to such limits.

The credit quality review process aims to allow the company to assess the potential loss as a result of the risks to which it is exposed and take corrective actions.

b. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The table below provides details regarding the contractual maturities of financial liabilities including estimated interest payments as at March 31, 2024:

Particulars	Carrying amount	Upto 1 year	1-3 years	More than 3 years	Total contracted cash flows

Total	4.37	1,878.67

C. Market risk

Market Risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market variables such as interest rates, foreign exchange rates, etc. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while maximising the return.

(i) Pricing Risk

The Company's Investment in Financial instruments is exposed to pricing Risk

(ii) Interest Rate Risk

The company uses a mix of cash and borrowings to manage the liquidity & fund requirements of its day-to-day operations. Further, certain interest bearing liabilities carry variable interest rates.

The sensitivity analysis below have been determined based on exposure to interest rate for both derivative and non-derivative instruments at the end of reporting period. For floating rate liabilities, analysis is prepared assuming the amount of liability outstanding at the end of the reporting period was outstanding for the whole year.

The Company's exposure to interest rates on financial instruments is detailed below:+

Particulars	As at March 31, 2024	As at March 31, 2023
Financial assets		
Loans	-	-
Total interest rate dependent financial assets		
Financial liabilities		
Borrowings	742.10	1,149.01

(ii) Impairment of financial assets

The Company applies the simplified approach to providing for expected credit losses prescribed by Ind AS 109, which permits the use of the lifetime expected loss provision for trade advances. The Company has computed expected credit losses based on a provision matrix which uses historical credit loss experience of the Company. The ECL allowance is based on the credit losses expected to arise over the life of the asset (the lifetime expected credit loss), unless there has been no significant increase in credit risk since origination, in which case, the allowance is based on the 12 months' expected credit loss).

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is the portion of Lifetime ECL that represent the ECLs that result from default events on a financial instrument that are possible within the 12 months after the reporting date. "Both Lifetime ECLs and 12-month ECLs are calculated on either an individual basis or a collective basis, depending on the nature of the underlying portfolio of financial instruments. The Company has grouped its loan portfolio into Business Loans, Secured loans for new vehicles, Secured loans for used vehicles and Equipment Finance Loans and large borrowers with exposure over Rs. 1 crore.

The Company has established a policy to perform an assessment, at the end of each reporting period, of whether a financial instrument's credit risk has increased significantly since initial recognition, by considering the change in the risk of default occurring over the remaining life of the financial instrument. The Company does the assessment of significant increase in credit risk at a borrower level. If a borrower has various facilities having different past due status, then the highest days past due (DPD) is considered to be applicable for all the facilities of that borrower.

Based on the above, the Company categorises its loans into Stage 1, Stage 2 and Stage 3 as described below:

Stage 1

All exposures where there has not been a significant increase in credit risk since initial recognition or that has low credit risk at the reporting date and that are not credit impaired upon origination are classified under this stage. The company classifies all standard advances and advances upto 30 days default under this category. Stage 1 loans also include facilities where the credit risk has improved and the loan has been reclassified from Stage 2.

Stage 2 - All exposures where there has been a significant increase in credit risk since initial recognition but are not credit impaired are classified under this stage. 30 Days Past Due is considered as significant increase in credit risk.

Stage 3 - All exposures assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred are classified in this stage. For exposures that have become credit impaired, a lifetime ECL is recognised and interest revenue is calculated by applying the effective interest rate to the amortised cost (net of provision) rather than the gross carrying amount. 90 Days Past Due is considered as default for classifying a financial instrument as credit impaired. If an event (for eg. any natural calamity) warrants a provision higher than as mandated under ECL methodology, the Company may classify the financial asset in Stage 3 accordingly.
