## NOTES:

1. Pursuant to General Circulars Nos. 14/2020 dated April 08, 2020, 17/2020 dated April 13, 2020, 20/2020 dated May 05, 2020, and subsequent circulars issued in this regard, the latest being 9/2023 dated September 25, 2023 issued by the Ministry of Corporate Affairs (hereinafter collectively referred to as “MCA Circulars”) and circulars issued by SEBI vide, ‘SEBI’ Circular No. SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 05, 2023 the latest being the SEBI/HO/CFD/CFD-PoD-2/P/CIR/2023/167 dated October 07, 2023 (hereinafter referred to as “SEBI Circular”), and in compliance with the provisions of the Companies Act, 2013 (“the Act”) and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”), the Annual General Meeting (“AGM” or “Meeting”) of the Company is being conducted through Video Conferencing (“VC”) or Other Audio Visual Means (“OAVM”), without the physical presence of the members at a common venue. The AGM of the Company is being convened through VC/OAVM in compliance with the applicable provisions of the Act read with all the applicable MCA Circulars and SEBI Circulars. The deemed venue for the AGM shall be the Registered Office of the Company.
2. Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a member of the Company. Since this AGM is being held through VC/OAVM, physical attendance of members has been dispensed with in accordance with the MCA Circulars/ SEBI Circulars. Accordingly, the facility for appointment of proxies by the members will not be available for this AGM, and hence the proxy form and attendance slip are not annexed to the Notice of AGM (“the Notice”).
3. The explanatory statement, pursuant to Section 102(1) of the Act and Secretarial Standard-2 (“SS-2”) issued by the Institute of Company Secretaries of India (“the ICSI”) as approved by the Central Government on General Meetings (SS-2), setting out material facts relating to the special business mentioned in this Notice is annexed herewith and the same should be taken as part of the Notice.
4. Since the AGM is being held through VC/OAVM, the route map of the venue of the AGM is not annexed hereto.
5. The Register of Members and Share Transfer Books of the Company will remain closed from **21st September, 2024 to 27th September, 2024** (both days inclusive) in connection with the Annual General Meeting.
6. In case of joint holders, the member whose name appears as the first holder in the order of names as per the register of members of the Company will be entitled to vote at the AGM.

7. Members, seeking any information with regard to any matter to be placed at this AGM, are requested to write to the Company Secretary of the Company at an early date so as to enable the management to keep the information ready at the AGM.
8. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/mobile numbers, permanent account number (PAN), nominations, power of attorney, bank details (such as name of the bank and branch details, bank account number, MICR code, IFSC code), etc., to their DPs, in case the shares are held in electronic form, and to the Company's Registrar and Share Transfer Agent (i.e. M/s. Alankit Assignments Limited, New Delhi) ("RTA"), through Form ISR-1/ISR-2, as applicable, along with necessary supporting documents, in case the shares are held in physical form. Further, members may note that SEBI has mandated the submission of PAN by every participant in the securities market.
9. Non-resident Indian shareholders are requested to immediately inform their depository participant (in case shares are held in demat/electronic form) or the Company's RTA (in case shares are held in physical form), as the case may be, about:
  - i) the change in the residential status on return to India for permanent settlement.
  - ii) the particulars of the NRE account with a bank in India, if not furnished earlier.
10. As per the provisions of Section 72 of the Act, the facility for making nominations is available for the members in respect of the shares held by them. Members, who have not yet registered their nomination, are requested to register the same by submitting **Form No. SH-13**. If a member desires to cancel the earlier nomination and record a fresh nomination, he/she may submit the same in **Form No. SH-14**. If a member desires to opt out from the nomination facility, then he/she may submit the same in **Form No. ISR-3**. The said forms can be downloaded from the Company's website at '[www.genusprime.com](http://www.genusprime.com)'. Members are requested to submit these details to their DP, in case the shares are held by them in electronic form, and to the Company's RTA, in case the shares are held in physical form.
11. SEBI vide its Circular dated June 10, 2024, in supersession of its earlier circulars in this regard, has reiterated that the security holders holding securities in physical form whose folio(s) do not have PAN, Choice of Nomination, Contact Details, Bank Account Details and Specimen Signature updated, shall be eligible:
  - a) to lodge grievances or avail any service request from the RTA only after furnishing PAN, KYC details and Nomination.
  - b) for any payment including dividend, interest or redemption payment in respect of such folios, only through electronic mode with effect from April 01, 2024.

12. As per Regulation 40 of the SEBI Listing Regulations, securities of listed companies can be transferred, transmitted and transposed only in dematerialised form. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialised form. Members can contact the Company or Company's RTA for assistance in this regard. Members may also visit the Company's website at '[www.genusprime.com](http://www.genusprime.com)'.
13. The SEBI through its Circular No. SEBI/HO/MIRSD/MIRSD\_RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated that all listed entities shall issue the securities in dematerialised form only while processing service requests relating to issue of duplicate securities certificate, claim from unclaimed suspense account, renewal/exchange of securities certificate, endorsement, sub-division/splitting of securities certificate, consolidation of securities certificates/folios, and transmission.

Members will have to submit duly filled up Form ISR-4 for the above-mentioned requests and surrender their original securities certificate(s) for processing of service requests to the Company's RTA. The Company's RTA shall thereafter issue a 'Letter of Confirmation' / 'Entitlement Letter' in lieu of physical securities certificate(s), to the securities holder/claimant within 30 days of its receipt of such request after removing objections, if any. The 'Letter of Confirmation' / 'Entitlement Letter' shall be valid for a period of 120 days from the date of its issuance, within which the securities holder/claimant shall make a request to the DP for dematerialising the said securities. Form ISR-4 is available on the website of the Company and its RTA.

14. The Company has designated a separate email ID of the grievance redressal division/compliance officer i.e. '[investor.redressal.gcl@gmail.com](mailto:investor.redressal.gcl@gmail.com)', exclusively for the purpose of registering complaints by investors.

21. Instructions for e-voting and joining the AGM through VC/OAVM are as follows:
- Voting through electronic means (e-voting):**
- (i) Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of the SEBI Listing Regulations, and MCA/SEBI Circulars, the

Company is providing facility of remote e-voting to its members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

- (ii) The members can join the AGM in the VC/OAVM mode 30 minutes before, and after the scheduled time of the commencement of the AGM by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on a first come first served basis. This will not include large members (members holding 2% or more shareholding), promoters, institutional investors, directors, key managerial personnel, the chairpersons of the audit committee, nomination and remuneration committee and stakeholders' relationship committee, auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- (iii) The attendance of the members, attending the AGM through VC/OAVM, will be counted for the purpose of ascertaining the quorum under Section 103 of the Act.
- (iv) Pursuant to the MCA/SEBI Circulars, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Act, and rules made thereunder, representatives of the members such as the President of India or the Governor of a State or body corporate are entitled to appoint their authorised representatives to attend the AGM through VC/OAVM and participate and cast their votes through remote e-voting and e-voting during the AGM of the Company.
- (v) In accordance with the MCA/SEBI Circulars, the Notice calling this AGM has been uploaded on the website of the Company at **www.genusprime.com**. The Notice can also be accessed from the website of the stock exchange i.e. BSE Limited at **www.bseindia.com**. The AGM Notice is also disseminated on the website of CDSL (agency for providing the remote e-voting facility and e-voting system during the AGM) at **www.evotingindia.com**.
- (vi) The Company has appointed **Ms. Komal, Practicing Company Secretary (Membership No. FCS 11636, CP No. 17597), proprietor of M/s. Komal & Associates, Delhi** as the Scrutinizer to scrutinize the voting at the AGM and remote e-voting process, in a fair and transparent manner.

- (vii) Recorded transcript of the Meeting shall be uploaded on the website of the Company and the same shall also be maintained in safe custody of the Company.

The instructions for Members for e-voting and joining virtual meeting are as under:

- (I) The voting period begins on **Tuesday, September 24, 2024 at 9:00 am (IST)** and ends on **Thursday, September 26, 2024 at 5:00 pm (IST)**. During this period, members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **Friday, September 20, 2024** may cast their vote electronically. The voting rights of members shall be in proportion to their share in the paid-up equity share capital of the Company as on the said cut-off date. The remote e- voting module shall be disabled by CDSL for voting thereafter.
- (II) Members who have already voted prior to the AGM date would not be entitled to vote at the AGM venue.

## **MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

**(Forming part of Director's Report)**

### **Global Economy At Glance**

The global economy is continuously growing at a modest pace, according to the OECD's the latest Economic Outlook. The impact of tight monetary conditions continues being felt, particularly in housing and credit markets, but global activity is proving relatively resilient, the decline in inflation continues, and private sector confidence is improving.

The Global economy has proved resilient, inflation has declined within sight of central bank targets, and risks to the outlook are becoming more balanced. Monetary policy should remain prudent, with scope to lower policy interest rates as inflation declines, fiscal policy needs to address rising pressures to debt sustainability, and policy reforms should boost innovation, investment and opportunities in the labour market particularly for women, young people and older worker.

Monetary policy needs to remain prudent, to ensure that inflationary pressures are durably contained. Scope exists to lower policy interest rates as inflation declines, but the policy stance should remain restrictive in most major economies for some time to come.

Governments face rising fiscal challenges given high debt levels and sizeable additional spending pressures from population ageing, and climate adaptation and mitigation. Future debt burdens are likely to rise significantly if no action is taken, highlighting the need for stronger near-term efforts to contain spending growth, improve public spending efficiency, reallocate spending to areas that better support opportunities and growth, and optimise tax revenues.

Despite an improvement in near-term prospects, the global outlook remains subdued by historical standards. In 2024-25, growth is set to underperform its 2010s average in nearly 60 percent of economies, comprising over 80 percent of the global population. Downside risks predominate, including geopolitical tensions, trade fragmentation, higher-for-longer interest rates and climate-related disasters. Global cooperation is needed to safeguard trade, support green and digital transitions, deliver debt relief and improve food security.

The global economy is still going through a slow down on account of multiple aspects. It has lost momentum on account of Russia-Ukraine war and other factors, which is slowing down growth and broadening inflationary pressures. The course of war in Ukraine, slowing down economy in US and Europe are the further possibilities which shall affect to different degrees via impacts on global trade and output.

### **Indian Economic Outlook**

India's growth continues to be resilient despite some signs of moderation in growth, although significant challenges remain in the global environment. India was one of the fastest growing economies in the world.

The Indian economy is projected to grow at 7.5 per cent in 2024, the World Bank has said, revising its earlier projections for the same period by 1.2 per cent. Overall, growth in South Asia is expected to be strong at 6.0 per cent in 2024, driven mainly by robust growth in India.

In India, the World Bank said, economic activity surprised on the upside in Q4 FY 2023, with growth of 8.4 per cent from a year ago. "The expansion was supported by rapid increases in investment and government consumption. More recent survey data point to continued strong performance," it said.

The Indian economy will likely to grow 7% in FY 2025, despite a slowdown to 6.7% in Q1 FY 2025, which marked the lowest growth rate in five quarters. This optimistic forecast is driven by strong underlying growth momentum and the narrowing of key economic data gaps.

### **Financial Performance**

The Company continues to focus on controllable factors such as resetting cost base through diverse cost optimisation initiatives, disciplined capital investments, working capital initiatives, marketing initiatives & volume with strong control measures to ensure safe operations across businesses within framed government and corporate guidelines.

The following are relevant financial performance details with respect to the operational performance of the Company. Salient features relating to the Profit & Loss Account:

### **Green Initiative in the Corporate Governance**

As a part of green initiative, the Company has taken initiative by sending all the relevant documents like Notice of Annual General Meeting, Corporate Governance Report, Directors Report, Audited Financial Statements, Auditors Report etc., by email. It has been requested from the Shareholders to get their E-mail registered with the Share Transfer Agent / concerned depository to enable the Company to send the documents in electronic form or inform the Company in case they wish to receive the above documents in paper mode.

### **Declaration signed by the Chief Executive Officer stating that the members of Board of Directors and Senior Management Personnel have affirmed compliance with the code of conduct of Board of Directors and Senior Management**

The Company is committed to conduct its business in accordance with the applicable laws, rules and regulations and with the highest standards of business ethics. Code of Ethics is intended to provide guidance and help in recognizing and dealing with ethical issues, mechanisms to report unethical conduct, and to help foster a culture of honesty and accountability.

The Board has adopted a Code of Ethics for Directors, Senior Management and other Employees of the Company. The Code is available on the website of the Company.

## **Compliance Certificate from either the Auditors or the Practicing Company Secretaries regarding the compliance of conditions of corporate governance**

Certificate from the Practicing Company Secretary regarding compliance of conditions of the corporate governance is annexed with the Directors' Report and forms an integral part of the Annual Report.

## **OTHER USEFUL INFORMATION FOR SHAREHOLDERS**

### **Update E-mails for receiving notice/ documents in e-mode:**

The Ministry of Corporate Affairs (MCA) has through its circulars issued in 2011, allowed service of documents by companies including Notice calling General Meeting(s), Annual Report etc. to their shareholders through electronic mode. This green initiative was taken up by MCA to reduce the paper consumption and contribute towards a green environment. As a responsible corporate citizen, your Company fully supports the MCA's endeavor.

In accordance of the same, your Company had proposed to send the Notice calling General Meetings, Annual Report and other documents in electronic mode in future to all the shareholders on their e-mail addresses. It was also requested to inform the Company in case the shareholders wish to receive the above documents in physical form. Accordingly, the Annual Report along with the Notice will be sent to the shareholders in electronic mode at their e-mail addresses. The shareholders who have not registered their e-mail addresses with the Company are requested to kindly register their e-mail addresses with the Company in the Form annexed with the Notice of Annual General Meeting enabling the Company to better service shareholder correspondence through e-mode. The shareholders have also an option to register their email addresses with their Depository through Depository Participant.

### **Dematerialization of Shares:**

Equity Shares of the Company are under compulsory demat trading segment. Considering the advantages of scrip less trading, members are advised to consider dematerialization of their shareholding so as to avoid inconvenience involved in the physical shares such as mutilation, possibility of loss/misplacement, delay in transit, etc. and also to ensure safe and speedy transactions in the securities.

A separate communication in this regard was also sent during the financial year to all those Shareholders of the Company who have not yet dematerialized their physical share certificates, outlining the procedure for dematerialization and benefits thereof.

The SEBI through its Circular No. SEBI/HO/MIRSD/MIRSD\_RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated that all listed entities shall issue the securities in dematerialised form only while processing service requests relating to issue of duplicate securities certificate, claim from unclaimed suspense account, renewal/exchange of securities certificate, endorsement, sub-division/splitting of securities certificate, consolidation of securities certificates/folios, and transmission.

**Consolidation of Multiple Folios:**

Shareholder(s) of the Company who have multiple accounts in identical name(s) or holding more than one Share Certificate in the same name under different Ledger Folio(s) are requested to apply for consolidation of such Folio(s) and send the relevant Share Certificates to the Company.

**Nomination Facility:**

Provisions of Section 72 of the Companies Act, 2013 read with Rule 19(1) of the rules made thereunder extends nomination facility to the individuals holding shares in the physical form. To help the legal heirs/successors get the shares transmitted in their favour, shareholder(s) are requested to furnish the particulars of their nomination in the prescribed Nomination Form. Shareholder(s) holding shares in Dematerialized form are requested to register their nominations directly with their respective DPs.

**Quote Folio No. / DP ID No.:**

Shareholders/Beneficial Owners are requested to quote their Folio Nos./DP ID Nos., as the case may be, in all correspondence with the Company. Shareholders are also requested to quote their E-mail IDs, Contact/Fax numbers for prompt reply to their correspondence.

## Independent Auditor's Report

**To the Members of  
Genus Prime Infra Limited**

### Report on the Audit of the Standalone Financial Statements

#### Opinion

We have audited the standalone financial statements of Genus Prime Infra Limited ("the Company"), which comprise the balance sheet as at 31st March 2024, and the standalone statement of Profit and Loss including standalone statement of Other Comprehensive Income, standalone Cash Flow Statement and the standalone Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its standalone Loss including other comprehensive income, its standalone cash flows and standalone changes in Equity for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statement.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended March 31, 2024. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone financial statements.

Key audit matters	How our audit addressed the key audit matter
Assessment of the carrying value of unquoted equity instruments	

<p>The impairment review of unquoted equity instruments in three subsidiaries, with a carrying value of Rs. 3214.07 Lakhs, is considered to be a risk area due to the size of the balances as well as the judgmental nature of key assumptions, which may be subject to management override.</p> <p>The carrying value of such unquoted equity instruments is at risk of recoverability. The estimated recoverable amount is subjective due to the inherent uncertainty involved in forecasting and discounting future cash flows. Refer to Note Number 1(h) of the Standalone Financial Statements.</p>	<p>Besides obtaining an understanding of Management's processes and controls with regard to testing the impairment of the unquoted equity instruments in subsidiaries</p> <p>Our procedures included the following:</p> <ul style="list-style-type: none"> <li>• Relied on external fair valuation experts to challenge management's underlying assumptions and appropriateness of the valuation model used;</li> <li>• Compared the Company's assumptions with comparable benchmarks in relation to key inputs such as long-term growth rates and discount rates;</li> <li>• Assessed the appropriateness of the forecast cash flows within the budgeted period based on their understanding of the business and sector experience; and</li> <li>• Considered historical forecasting accuracy, by comparing previously forecasted cash flows to actual results achieved.</li> </ul>

### **Other Information other than the Standalone Financial Statements and Auditor's Report thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Director's Report and other company related information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using

the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate Internal Financial Controls with reference to Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year ended March 31, 2024 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a

matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in "**Annexure 1**" a statement on the matters specified in paragraphs 3 and 4 of the said Order.
2. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph (i) below on reporting under Rule 11(g);
  - c) The standalone Balance Sheet, the standalone Statement of Profit and Loss including the standalone statement of Other Comprehensive Income, the Cash Flow Statement and statement of changes in equity dealt with by this Report are in agreement with the books of account;
  - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
  - e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2024 from being appointed as a director in terms of Section 164(2) of the Act;
  - f) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph (i) below on reporting under Rule 11(g);
  - g) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in '**Annexure - 2**' to this report.
  - h) With respect to the other matter to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/provided by the Company to its directors during the year is in accordance with the provisions of section 197 read with schedule V of the Act, and
  - i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company does not have any pending litigations on its financial position in its Financial Statements. Refer note no. 19 to the standalone financial statement.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv.
  - (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v.
  - (a) The company has not proposed any Final dividend during the year.
  - (b) The company has not proposed any interim dividend during the year.
  - (c) The Board of Director of the company has not proposed any final dividend which require approval of members at the ensuing Annual General Meeting.
- vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with in respect of the accounting software.

## **Annexure 2 to the Independent Auditor's Report**

**Referred to in Paragraph 2 under “Report on Other Legal and Regulatory Requirements” section of our report on even date to the members of Genus Prime Infra Limited on the Financial Statements for the year ended 31<sup>st</sup> March, 2024.**

**Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Act.**

We have audited the internal financial controls with reference to Financial Statements of Genus Prime Infra Limited (“the Company”) as of 31<sup>st</sup> March, 2024 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls with reference to Financial Statements based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to Financial Statements and their operating effectiveness. Our audit of internal financial control with reference to Financial Statements included obtaining an understanding of internal financial control with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Financial Statements.

## **Meaning of Internal Financial Controls over Financial Reporting with reference to Financial Statements**

A Company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

## **Inherent Limitations of Internal Financial Controls over Financial Reporting with reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Financial Statements in place and such internal financial controls with respect to Financial Statements were operating effectively as at 31 March 2024, based on the internal controls over financial reporting criteria established by the Company considering the components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

**1. Material Accounting Policies**

**1.1 Statement of compliance and basis of preparation**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the financial statements.

The Standalone financial statement has been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value:

- Certain financial assets and liabilities measured at fair value (refer accounting policies regarding financial instruments)

The standalone financial statements are presented in Indian Rupees (INR) and all values are rounded to the nearest lacs (INR 00,000), except when otherwise indicated.

**1.2 Summary of Material Accounting Policies**

**a. Current versus non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

**b. Currencies**

The standalone financial statements are presented in Indian rupees, which is the functional currency of the Company.

**c. Fair Value Measurement**

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure the fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

External valuers are involved for valuation of certain unquoted financial assets. Involvement of external valuers is decided upon annually by the Board after discussion with and approval by the Company's Audit

Committee. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. The Management decides, after discussions with the Company's external valuers, which valuation techniques and inputs to use for each case.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

**d. Revenue from contract with customers**

Revenue from contracts with customer is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The company has concluded that it is the principal in its revenue arrangements because it typically controls the goods or services before transferring them to the customers.

Ind AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

Ind AS 115 requires entities to exercise Judgement, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The standard also specifies the accounting for the incremental costs of obtaining a contract and the cost directly related to fulfilling a contract. In addition, the standard requires extensive disclosures.

The Goods and service Tax (GST) is not received by the Company on its own account. It is a tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it has been excluded from revenue.

The specific recognition criteria described below must also be met before revenue is recognised.

***Sale of goods***

Revenue from sale of goods is recognised when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances.

***Rendering of services***

Revenue from service contracts is recognised as and when services are rendered.

***Commission Income***

Revenue of commission is recognised as and when services are rendered.

***Interest income***

For all financial instrument measured at amortised cost, interest income is recorded using effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying

**Notes to the standalone financial statement for the year ended March 31, 2024**  
**(All amounts are in Indian Rupees except share data and unless otherwise stated)**

---

amount of the financial asset. Interest income is included under the head “other income” in the statement of profit and loss.

**Dividends**

Revenue is recognised when the Company’s right to receive the payment is established, which is generally when shareholders approve the dividend.

**Other Operating Income**

The Company presents incentives received related to refund of indirect taxes as other operating income in the statement of profit and loss. Interest on the contract assets/ financial assets arising from the Company’s principal or ancillary revenue generating activities are classified as ‘Other operating revenue’ in Statement of Profit and Loss.

**Other Income**

Other Income is accounted for on accrual basis except, where the receipt of income is uncertain.

**e. Government Grants**

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

**f. Taxes**

**Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in India.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in OCI or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provision where appropriate.

**Deferred tax**

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are

**Notes to the standalone financial statement for the year ended March 31, 2024**  
**(All amounts are in Indian Rupees except share data and unless otherwise stated)**

---

recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period/year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in OCI or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Company offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity which intends either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as deferred tax asset only to the extent it is probable that sufficient taxable profit will be available to allow all or part of MAT credit to be utilised during the specified period, i.e., the period for which such credit is allowed to be utilised.

**g. Borrowing Costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

**h. Impairment of Assets**

As at the end of each financial year, the company reviews the carrying amount of its investment property and investment in subsidiary companies to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists investment property are tested for impairment so as to determine the impairment loss, if any.

**i. Impairment of Non- Financial Assets**

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU

**Notes to the standalone financial statement for the year ended March 31, 2024**  
**(All amounts are in Indian Rupees except share data and unless otherwise stated)**

---

exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated.

Impairment losses, including impairment on inventories, are recognised in the statement of profit and loss. An assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior periods/years. Such reversal is recognised in the statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

**j. Provision**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

*Provisions are reviewed at each Balance Sheet date.*

**k. Other Litigation claims**

Provision for litigation related obligation represents liabilities that are expected to materialise in respect of matters in appeal.

I. **Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**Financial assets**

**Initial recognition and measurement**

*Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.*

*The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Company's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient, the Company initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient are measured at the transaction price determined under Ind AS 115. Refer to the accounting policies in section (d) Revenue from contracts with customers.*

*In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. The Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.*

*The Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both. Financial assets classified and measured at amortised cost are held within a business model with the objective to hold financial assets in order to collect contractual cash flows while financial assets classified and measured at fair value through OCI are held within a business model with the objective of both holding to collect contractual cash flows and selling.*

**Subsequent measurement**

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

**Debt instrument at amortised cost**

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

**Notes to the standalone financial statement for the year ended March 31, 2024**  
**(All amounts are in Indian Rupees except share data and unless otherwise stated)**

---

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss. This category generally applies to trade and other receivables.

***Debt instrument at FVTOCI***

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the OCI. However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the statement of profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to statement of profit and loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method

***Debt instrument at FVTPL***

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

***Equity investments:***

All equity investments are measured at fair value except for equity investment in Associates which have been measured at cost. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in OCI subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If an equity instrument is classified as FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to statement of profit and loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity. Equity instruments classified as FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

***Impairment of financial assets***

In accordance with Ind AS 109, the Company recognises an allowance for expected credit losses (ECLs) for all debt instruments not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

**Notes to the standalone financial statement for the year ended March 31, 2024**  
**(All amounts are in Indian Rupees except share data and unless otherwise stated)**

---

For trade receivables and contract assets, the company applies a simplified approach in calculating ECLs. Therefore, the company does not track changes in credit risk, but instead recognises a loss allowance based on life time ECLs at each reporting date. The company has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

***Derecognition***

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- a) the rights to receive cash flows from the asset have expired, or
- b) The Company has transferred its rights to receive cash flows from the asset, and
  - (i) the Company has transferred substantially all the risks and rewards of the asset, or
  - (ii) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a passthrough arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

**Financial liabilities**

***Initial recognition and measurement***

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

**Subsequent measurement**

The measurement of financial liabilities depends on their classification, as described below:

***Loans and borrowings***

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in statement of profit and loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

**Notes to the standalone financial statement for the year ended March 31, 2024**  
**(All amounts are in Indian Rupees except share data and unless otherwise stated)**

---

**Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss

**Reclassification of financial assets**

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

**Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

**m. Derivative financial instruments**

**Initial recognition and subsequent measurement**

The Company uses derivative financial instruments, such as foreign currency denominated borrowings and foreign exchange forward contracts to manage some of its transaction exposures. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gain or losses arising from changes in the fair value of derivatives are taken directly to profit or loss. The foreign exchange forward are not designated as cash flow hedges and are entered into for periods consistent with foreign currency exposures of the underlying transactions.

**n. Cash and Cash Equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

**o. Earnings Per Share**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period.

**Notes to the standalone financial statement for the year ended March 31, 2024**  
**(All amounts are in Indian Rupees except share data and unless otherwise stated)**

---

The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted EPS amounts are calculated by dividing the profit attributable to equity shareholders by the weighted average number of Equity shares outstanding during the year plus the weighted average number of equity shares outstanding, for the effects of all dilutive potential shares.

**p. Contingent Liability and contingent assets**

A contingent liability is possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise the contingent liability but discloses its existence in the financial statements.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. The Company does not recognise the contingent assets but discloses its existence in the financial statements. Where an inflow of economic benefits are probable, the Company disclose a brief description of the nature of contingent assets at the end of the reporting period. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and the Company recognize such assets.

Contingent liabilities and Contingent assets are reviewed at each Balance Sheet date.

**q. CSR expenditure**

The Company has opted to charge its CSR expenditure incurred during the year to the statement of profit and loss.

**1.3 Change in accounting policies and disclosures**

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standards) Amendment Rules, 2023 dated 31 March 2023 to amend the following Ind AS which are effective for annual periods beginning on or after 01 April 2023. The Company applied for the first-time these amendments.

**Disclosure of Accounting Policies - Amendments to Ind AS 1**

The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures. The amendments have had an impact

**Notes to the standalone financial statement for the year ended March 31, 2024**  
**(All amounts are in Indian Rupees except share data and unless otherwise stated)**

---

on the Company's disclosures of accounting policies, but not on the measurement, recognition or presentation of any items in the Company's financial statements.

**Definition of Accounting Estimates - Amendments to Ind AS 8**

The amendments clarify the distinction between changes in accounting estimates and changes in accounting policies and the correction of errors. It has also been clarified how entities use measurement techniques and inputs to develop accounting estimates. The amendments had no impact on the Company's financial statements.

**Deferred Tax related to Assets and Liabilities arising from a Single Transaction - Amendments to Ind AS 12**

The amendments narrow the scope of the initial recognition exception under Ind AS 12, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences such as leases. Since the Company didn't have any lease contracts. The amendments had no impact on the Company's financial statements.

**1.4 Recent Accounting Developments – Standards Notified but not yet effective**

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from 01 April 2024.

## INDEPENDENT AUDITOR'S REPORT

**To the Members of  
Genus Prime Infra Limited  
Report on the Audit of the Consolidated Financial Statements**

### **Opinion**

We have audited the accompanying consolidated financial statements of Genus Prime Infra Limited (hereinafter referred to as “the Holding Company”) and its wholly owned subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”) comprising of the consolidated Balance Sheet as at March 31, 2024, the consolidated Statement of Profit and Loss, including other comprehensive income, the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of another auditor on separate financial statements and financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2024, their consolidated loss including other comprehensive income, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

### **Basis for Opinion**

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the ‘Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements’ section of our report. We are independent of the Group in accordance with the ‘Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year ended March 31, 2024. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor’s responsibilities for the audit of the consolidated financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

Key audit matters	How our audit addressed the key audit matter
<b>Assessment of the carrying value of unquoted equity instruments in the books of subsidiaries</b>	
<p>The impairment review of investment in the books of subsidiary companies, with a carrying value of Rs. 5225.39 Lakhs, is considered to be a risk area due to the size of the balances as well as the judgmental nature of key assumptions, which may be subject to management override.</p>	<p>Besides obtaining an understanding of Management's processes and controls with regard to testing the impairment of the unquoted equity instruments in subsidiary.</p> <p>Our procedures included the following:</p> <ul style="list-style-type: none"> <li>• Relied on the work of auditor of subsidiary companies.</li> <li>• Engaged external fair valuation experts to challenge management's underlying assumptions and appropriateness of the valuation model used;</li> <li>• Compared the Company's assumptions with comparable benchmarks in relation to key inputs such as long-term growth rates and discount rates;</li> <li>• Assessed the appropriateness of the forecast cash flows within the budgeted period based on their understanding of the business and sector experience; and</li> <li>• Considered historical forecasting accuracy, by comparing previously forecasted cash flows to actual results achieved.</li> </ul>

We have determined that there are no other key audit matters to communicate in our report.

### Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the management report and chairman's statement, but does not include the consolidated financial statements and our auditor's report thereon. The management report and chairman's statement is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian

Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2024 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Other Matter**

- (a) The consolidated financial statements also include the total assets of Rs. 5789.41 Lakhs and Rs. 6165.36 Lakhs, Total Income of Rs. 3.34 Lakhs and Rs. 3.07 Lakhs and share of net profit after tax of Rs. (199.06) and Rs. 0.08 Lakhs, Other Comprehensive Income of Rs. (130.94) and Rs. (247.24) for the year ended March 31, 2024 and March 31, 2023 respectively, as considered in the consolidated financial statements, in respect of Subsidiaries, whose financial statements and other financial information have been audited by other auditors and whose reports have been furnished to us by the Management. Our opinion, in so far as it relates to the affairs of Subsidiaries, is based solely on the report of other auditors and not modified.

Our opinion above on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

## **Annexure – 2 to the Independent Auditor’s Report of even date on the consolidated financial statements of Genus Prime Infra Limited**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

In conjunction with our audit of the consolidated financial statements of Genus Prime Infra Limited as of and for the year ended March 31, 2024, we have audited the internal financial controls over financial reporting of Genus Prime Infra Limited (hereinafter referred to as the “Holding Company”) and its Subsidiary companies which is incorporated in India, as of that date.

#### **Management’s Responsibility for Internal Financial Controls**

The respective Board of Directors of the Holding Company, and its subsidiary companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting with reference to these consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting with reference to these consolidated financial statements.

#### **Meaning of Internal Financial Controls Over Financial Reporting with Reference to these Consolidated Financial Statements**

A company's internal financial control over financial reporting with reference to these consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting with Reference to these Consolidated Financial Statements**

Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these consolidated financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Holding Company and its subsidiary companies which is incorporated in India, have maintained in all material respects, an adequate internal financial controls system over financial reporting with reference to these consolidated financial statements and such internal financial controls over financial reporting with reference to these consolidated financial statements were operating effectively as at March 31<sup>st</sup>, 2024, based on the internal-

control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### **Other Matters**

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated financial statements of the Holding Company, insofar as it relates to subsidiary companies which is incorporated in India, is based on the corresponding reports of the auditors of such subsidiary companies.

**(All amounts are in Indian Rupees except share data and unless otherwise stated)**

---

**1. Corporate Information**

The consolidated financial statements comprises of Genus Prime Infra Limited (the “Parent Company” or “Holding Company”) and its wholly owned subsidiary (collectively, “the Group”) for the year ended March 31, 2024. The Holding Company is a public company domiciled in India. The equity shares of the Holding Company are listed BSE Limited. The registered office of the Holding Company is located at Near Moradabad Dharam Kanta, Kanth Road, Harthala, Moradabad - 244001.

The Consolidated Financial statement were authorised for issue in accordance with a resolution of the directors on May 27<sup>th</sup>, 2024.

**2. Material Accounting Policies for the year ended March 31<sup>st</sup>, 2024**

**2.1 Statement of compliance and basis of preparation**

The consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards (“Ind AS”) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the consolidated financial statements. The consolidated financial statement has been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value:

- Derivative financial instruments
- Certain financial assets and liabilities measured at fair value (refer accounting policies regarding financial instruments)

The consolidated financial statements are presented in Indian Rupees (INR) and all values are rounded to the nearest lacs (INR 00,000), except when otherwise indicated.

**2.2 Basis of Consolidation**

- a. The consolidated financial statements comprise the financial statements of the Group as at March 31, 2024; and for the year ended March 31, 2023.

Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

**Genus Prime Infra Limited**

**Notes to the consolidated financial statement for the year ended March 31, 2024**  
**(All amounts are in Indian Rupees except share data and unless otherwise stated)**

---

- The contractual arrangement with the other vote holders of the investee
- Rights arising from other contractual arrangements
- The Group's voting rights and potential voting rights
- The size of the group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders

Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the beginning date the Group gains control until the date the Group ceases to control the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

The Group owns 100% voting rights in its all three subsidiary.

**b. Consolidation procedure:**

1. Combine like items of assets, liabilities, equity, income, expenses and cash flows of the Holding Company with those of its subsidiary. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.
2. Eliminate the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.
3. Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. IND AS12 "Income Taxes" applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.
4. Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent company of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

---

A change in the ownership interest of a subsidiary, without a loss of control, accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- Derecognises the assets (including goodwill) and liabilities of the subsidiary
- Derecognises the carrying amount of any non-controlling interests
- Derecognises the cumulative translation differences recorded in equity
- Recognises the fair value of the consideration received
- Recognises the fair value of any investment retained
- Recognises any surplus or deficit in profit or loss
- Reclassifies the parent's share of components previously recognised in OCI to profit or loss or retained earnings, as appropriate, as would be required if the Group had directly disposed of the related assets or liabilities.

**c. Investment in Subsidiary**

The Group's investments in its subsidiary are accounted for using the equity method. Under the equity method, the investment in a subsidiary is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the subsidiary since the acquisition date. Goodwill/Capital reserve relating to the subsidiary is recognised separately in the books of accounts.

The statement of profit and loss reflects the Group's share of the results of operations of the subsidiary. Any change in OCI of those investees is presented as part of the Group's OCI. In addition, when there has been a change recognised directly in the equity of the subsidiary, the Group recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Group and the associate are eliminated to the extent of the interest in the associate.

The Consolidated Financial Statements for the year ended March 31, 2024 have been prepared on the basis of the following entities:

<b>Name of the Entity</b>	<b>Relationship</b>	<b>Percentage of Holding as at March 31, 2024</b>	<b>Percentage of Holding as at March 31, 2023</b>
Sansar Infrastructure Private Limited	Wholly Owned Subsidiary	100%	100%

Sunima Trading Private Limited	Wholly Owned Subsidiary	100%	100%

**2.3 Summary of Material Accounting Policies**

**a. Current versus non-current classification**

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle,

**Genus Prime Infra Limited**  
**CIN: L24117UP2000PLC032010**

---

- Held primarily for the purpose of trading,
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Group classifies all other liabilities as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its operating cycle.

**b. Foreign currencies**

The Consolidated financial statements are presented in Indian rupees, which is the functional currency of the Group.

**Transactions and balances**

Transactions in foreign currencies are initially recorded by the Group in INR at spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at INR spot rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognised in the statement of profit and loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of nonmonetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

**c. Fair Value Measurement**

The Group measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value

**Genus Prime Infra Limited**

**Notes to the consolidated financial statement for the year ended March 31, 2024**

---

measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure the fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Group determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

External valuers are involved for valuation of certain unquoted financial assets. Involvement of external valuers is decided upon annually by the Board after discussion with and approval by the Company's Audit Committee. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. The Management decides, after discussions with the Group's external valuers, which valuation techniques and inputs to use for each case.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

**d. Revenue from contracts with customer**

Revenue from contracts with customer is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Ind AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

Ind AS 115 requires entities to exercise Judgement, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The standard also specifies the accounting for the incremental costs of obtaining a contract and the cost directly related to fulfilling a contract. In addition, the standard requires extensive disclosures.

The Goods and service Tax (GST) is not received by the Company on its own account. It is a tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it has been excluded from revenue.

The specific recognition criteria described below must also be met before revenue is recognised.

***Sale of goods and services***

Revenue from sale of goods is recognised when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances.

***Rendering of services***

Revenue from service contracts are recognised as and when services are rendered.

***Interest income***

For all financial instrument measured at amortised cost, interest income is recorded using effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset. Interest income is included under the head "other income" in the statement of profit and loss.

***Dividends***

Revenue is recognised when the Group's right to receive the payment is established, which is generally when shareholders approve the dividend.

***Other Operating Income***

The Group presents incentives received related to refund of indirect taxes as other operating income in the statement of profit and loss. Interest on the contract assets/ financial assets arising from the Group's principal or ancillary revenue generating activities are classified as 'Other operating revenue' in Statement of Profit and Loss.

**e. Government Grants**

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for

**Notes to the consolidated financial statement for the year ended March 31, 2024**  
**(All amounts are in Indian Rupees except share data and unless otherwise stated)**

---

which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

**f. Taxes**

**Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in India.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in OCI or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provision where appropriate.

**Deferred tax**

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period/year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in OCI or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Group offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity which intends either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Group recognizes MAT credit available as deferred tax asset only to the extent it is probable that sufficient taxable profit will be available to allow all or part of MAT credit to be utilised during the specified period, i.e., the period for which such credit is allowed to be utilised.

**g. Borrowing Costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

**h. Impairment of Non- Financial Assets**

The Group assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Group bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Group's CGUs to which the individual assets are allocated.

Impairment losses, including impairment on inventories, are recognised in the statement of profit and loss. An assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Group estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior periods/ years. Such reversal is recognised in the statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

**i. Provision**

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be

**Notes to the consolidated financial statement for the year ended March 31, 2024**  
**(All amounts are in Indian Rupees except share data and unless otherwise stated)**

---

required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Group expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Provisions are reviewed at each Balance Sheet date.

**j. Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

***Financial assets***

***Initial recognition and measurement***

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Company's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient, the Company initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs.

Trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient are measured at the transaction price determined under Ind AS 115. Refer to the accounting policies in section (d) Revenue from contracts with customers.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model.

The Group's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both. Financial assets classified and measured at amortised cost are held within a business model with the objective to hold financial assets in order to collect contractual cash flows while financial assets classified and measured at fair value through OCI are held within a business model with the objective of both holding to collect contractual cash flows and selling.

***Subsequent measurement***

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)

**Notes to the consolidated financial statement for the year ended March 31, 2024**  
**(All amounts are in Indian Rupees except share data and unless otherwise stated)**

---

- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

***Debt instrument at amortised cost***

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss. This category generally applies to trade and other receivables.

***Debt instrument at FVTOCI***

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the OCI. However, the Group recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the statement of profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to statement of profit and loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

***Debt instrument at FVTPL***

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

***Equity investments:***

All equity investments in scope of IND AS109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Group may make an irrevocable election to present in OCI subsequent changes in the fair value. The Group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to statement of profit and loss, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity.

**Notes to the consolidated financial statement for the year ended March 31, 2024**  
**(All amounts are in Indian Rupees except share data and unless otherwise stated)**

---

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

**Impairment of financial assets**

In accordance with Ind AS 109, the Group recognises an allowance for expected credit losses (ECLs) for all debt instruments not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Group expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

For trade receivables and contract assets, the company applies a simplified approach in calculating ECLs. Therefore, the company does not track changes in credit risk, but instead recognises a loss allowance based on life time ECLs at each reporting date. The company has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

**Derecognition**

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Group's balance sheet) when:

- a) The rights to receive cash flows from the asset have expired, or
- b) The Group has transferred its rights to receive cash flows from the asset, and
  - (i) the Group has transferred substantially all the risks and rewards of the asset, or
  - (ii) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a passthrough arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Group could be required to repay.

**Financial liabilities**

**Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

**Subsequent measurement**

The measurement of financial liabilities depends on their classification, as described below:

**Notes to the consolidated financial statement for the year ended March 31, 2024**  
**(All amounts are in Indian Rupees except share data and unless otherwise stated)**

---

***Loans and borrowings***

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in statement of profit and loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

**Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

**Reclassification of financial assets**

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Group does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

**Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

**k. Derivative financial instruments**

**Initial recognition and subsequent measurement**

The Company uses derivative financial instruments, such as foreign currency denominated borrowings and foreign exchange forward contracts to manage some of its transaction exposures. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gain or losses arising from changes in the fair value of derivatives are taken directly to profit or loss. The foreign exchange forward are not designated as cash flow hedges and are entered into for periods consistent with foreign currency exposures of the underlying transactions.

**i. Cash and Cash Equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Group's cash management.

**m. Earnings Per Share**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares is adjusted for treasury shares.

Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period.

The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted EPS amounts are calculated by dividing the profit attributable to equity shareholders by the weighted average number of Equity shares outstanding during the year plus the weighted average number of equity shares outstanding, for the effects of all dilutive potential shares.

**n. Segment reporting**

The Group's operations predominately relate to only one segment and accordingly segment reporting not applicable.

**o. Contingent Liability and contingent assets**

A contingent liability is possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of Group or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Group does not recognise the contingent liability but discloses its existence in the financial statements.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. The Group does not recognise the contingent assets since this may result in the recognition of income that may never be realised but discloses its existence in the financial statements. Where an inflow of economic benefits are probable, the Group disclose a brief description of the nature of contingent assets at the end of the reporting period. However,

when the realisation of income is virtually certain, then the related asset is not a contingent asset and the Group recognize such assets.

Contingent liabilities and Contingent assets are reviewed at each Balance Sheet date.

**p. CSR expenditure**

The Group has opted to charge its CSR expenditure if any, incurred during the year to the statement of profit and loss.

**2.4 Change in accounting policies and disclosures**

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standards) Amendment Rules, 2023 dated 31 March 2023 to amend the following Ind AS which are effective for annual periods beginning on or after 01 April 2023. The Group applied for the first-time these amendments.

**Disclosure of Accounting Policies - Amendments to Ind AS 1**

The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures. The amendments have had an impact on the Group's disclosures of accounting policies, but not on the measurement, recognition or presentation of any items in the Group's financial statements.

**Definition of Accounting Estimates - Amendments to Ind AS 8**

The amendments clarify the distinction between changes in accounting estimates and changes in accounting policies and the correction of errors. It has also been clarified how entities use measurement techniques and inputs to develop accounting estimates. The amendments had no impact on the Group's financial statements.

**Deferred Tax related to Assets and Liabilities arising from a Single Transaction - Amendments to Ind AS 12**

The amendments narrow the scope of the initial recognition exception under Ind AS 12, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences such as leases. Since the Group didn't have any lease contracts. The amendments had no impact on the Group's financial statements.
