Chairman's Message

Dear Stakeholders,

I am immensely pleased to present the Annual Report of R & B Denims Limited for FY 2023-24. Since our establishment, we have embraced a forward-thinking approach, constantly seeking innovation in both our business strategies and product offerings. We deeply comprehend the importance of intertwining the strands of innovation, responsibility, and collaboration to forge a brighter future in the present moment.

Our commitment to innovation, quality, and sustainability has continued to drive our success in the denim industry. Over the past year, we have strengthened our position as a leader by embracing new technologies, expanding our product offerings, and reinforcing our dedication to environmentally friendly practices.

During the year under review, R & B Denims Limited recorded an outstanding financial performance. Our total revenue stood at Rs. 26,501.29 Lakhs in 2023-24 compared to 27,862.40 Lakhs in 2022-23. Our profit after tax grew from Rs. 1,872.75 Lakhs in 2023-24 compared to Rs. 1,490.95 Lakhs in 2022-23.

I am grateful to the distinguished Directors on the Board who are guiding the Management with their experience and wisdom. I appreciate your trust, it puts even more onus on the Management to perform and make our Company grow.

At the heart of our operations lies a simple yet powerful principle – customer delight. Our unwavering commitment to understanding and meeting the evolving needs of our diverse customer base has been the driving force behind our success. In a rapidly changing business environment, we have remained steadfast in our dedication to delivering supreme quality products in full and on time, thereby ensuring that R & B Denims Limited consistently stays ahead of the fashion curve.

Sustainability continues to be a cornerstone of our strategy. We have made substantial progress in our environmental initiatives, including reducing water usage and energy consumption in our production processes. Our investments in sustainable practices are not only reducing our carbon footprint but also positioning us as a responsible leader in the industry. Our commitment to ethical sourcing and transparency remains steadfast, and we are continuously seeking ways to enhance our sustainability efforts.

As we look to the future, our vision remains clear and our ambitions high. We will continue to push the boundaries of innovation, further enhance our sustainability practices, and explore new market opportunities. Our focus is on driving growth while staying true to our values and maintaining the highest standards of corporate governance.

I would like to express my deepest gratitude to our dedicated employees, whose hard work and commitment are the backbone of our success. To our valued members, your support and trust are crucial as we embark on this journey of continued growth and excellence. Thank you for your ongoing commitment to R & B Denims Limited. Together, we will navigate the challenges and embrace the opportunities ahead, ensuring our company's continued success and leadership in the denim industry.

Corporate Social Responsibility

We at R & B Denims Limited believe that giving back to the society is a prime responsibility. We recognize our role in shaping a sustainable future, and therefore, continue to engage in socially productive endeavours. Our CSR initiatives aim to ensure an inclusive well-being for all, especially the underserved fragments of our society. I am optimistic that R & B Denims will continue to lead the way in Indian textiles and continue to create value for our stakeholders.

As we enter into a new fiscal year, we aim to continue our operations with agility, progressing towards excellence with ultimate passion and a renewed sense of purpose. We are committed to cater to the needs of our stakeholders with innovative solutions and go a step beyond our operations to contribute significantly to the well-being of our environment and community.

Hereby, on behalf of the company, I would like to assure that your company does not foresee any impact in respect of its existing contracts and agreements and its long-term sustainability is expected to remain unharmed.

We would not have achieved what we have without the dedicated service of our employees. I express my sincere gratitude to them and to our shareholders, bankers, customers and Board of Directors for supporting us throughout our journey. I believe in our capabilities, and look forward to sharing more good news about our accomplishments with you as we move forward.

Best Regards,

Sd/-

THE ROUTE MAP OF VENUE OF THE 14TH ANNUAL GENERAL MEETING OF THE COMPANY.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013:

Item No. 3

Since the previous auditors M/s Pradeep K. Singhi & Associates, Chartered Accountants have resigned as Statutory Auditors of the Company, it has caused a vacancy. To fill such casual vacancy, the Board of Directors of the Company in their meeting held on 27th June, 2024, based on recommendation of Audit Committee, recommended for approval members appointment of M/s R P R & Co., Chartered Accountants, Surat (Firm Registration No. 131964W) as the Statutory Auditors of the Company upto the 14th Annual general Meeting of the Company and thereafter for 5 (five) consecutive Years from the conclusion of this AGM till the conclusion of the 19th AGM.

On the recommendation of the Audit Committee, the Board of directors recommends, the fees of Rs. 5,50,000/- p.a for the financial year 2024-25 in comparison to Rs. 3,00,000/-p.a. given to the outgoing auditors. A long time has been passed since the last fees were decided with the auditors, since then, the work profile as well the compliances of the company have changed to a significant extent. Hence, the proposed fees have been decided by the Board of Directors on recommendation with the Audit Committee. Other various parameters like capability to serve a diverse and complex business of the Company, for appointment of Statutory Auditor have also been considered.

M/s. R P R & Co. (FRN 131964W), Chartered Accountants firm, is a renowned CA firm based in Surat. The firm is primarily engaged in providing audit and assurance service to its clients. M/s. R P R & Co. have given their consent to act as the Auditors of the Company and have confirmed that the said appointment, if made, will be in accordance with the conditions prescribed under Sections 139 and 141 of the Act. The Board recommends the Resolution set out at Item No.3 of the Notice for approval by the members by way of an Ordinary Resolution.

None of the Directors and Key Managerial Personnel of the Company, or their relatives, are interested in this Resolution.

Item No. 4

As per the provisions of Section 148 of the Companies Act, 2013 ('the Act') read with the Companies (Cost Records and Audit) Rules, 2014, as amended from time to time, the Company is required to have an audit of its cost records conducted by a cost accountant in practice for products covered under the Companies (Cost Records and Audit) Rules, 2014.

The Board, based on the recommendation of the Audit Committee, has approved the appointment of M/s V.M. Patel & Associates, Practising Cost Accountants (Firm Registration No. 101519) as the Cost Auditors to conduct the audit of the cost records of the Company, for the financial year 2024-25, at a remuneration of Rs. 35,000/- (Rupees Thirty Five Thousand only) plus applicable taxes. Mr. Amit Dalmia and Mr. Deepak Dalmia, Whole-time Directors of the company and his relatives are concerned or interested, financial or otherwise, in the resolution set out at Item No. 7. The Board recommends the Special Resolution set out at item no. 7 for approval of the Member.

Item No. 8

The existing Memorandum of Association (MOA) of the Company is based on the erstwhile Companies Act, 1956. The Alteration of MOA is necessary to bring the existing MOA in line with the new Companies Act, 2013 (the "new Act").

The object clause and the liability clause of the existing MOA need to be re-aligned as per Table A of Schedule I of the new Act. MOA is being amended and replaced to bring the same in line with the new Act. Also, the members are requested to note that there is a change in main objects of the company.

The Board of directors has proposed the adoption of new set of Memorandum of Association of the Company along with amendment in the main objects of the company. The company has identified new ancillary business opportunities that complement and enhance its existing business and operations, so the board of directors has recommended amendment in the main objects of the company. Such amendment will

enable the company to continue its growth and further expand its presence in the industry by setting up an in house garmenting establishment. In terms of Section 4 and 13 of the Act, the consent of the Members by way of a Special Resolution is required for adoption of new set of Memorandum of Association of the Company. A copy of the proposed set of new MOA of the Company would be available for public inspection during the time between 11:00 AM to 5:00 PM, on all days, except, Saturday, Sunday and Public holidays at the registered office of the Company and on the Company's website www.rnbdenims.com for electronic inspection up to the date of Annual General Meeting ("AGM").

The Board of Directors accordingly recommends passing of the above resolution as set out as Item No. 8 of the Notice of AGM, as a Special Resolution, for adoption of New MOA.

None of the Directors and Key Managerial Personnel of the Company and their respective relatives is concerned or interested, financially or otherwise, in the resolution set out at Item No. 8 of the accompanying Notice, except to the extent of their shareholding

Item No. 9

The existing Articles of Association ("AOA") of the Company are based on the provisions of the Companies Act, 1956 (the "erstwhile Act") and several regulations in the existing AOA contained reference to specific sections of the erstwhile Act and some regulations in the existing AOA are no longer in conformity with the Companies Act, 2013 (the "new Act").

In order to bring the existing AOA of the Company in line with the provisions of the new Act, the Company will have to make numerous changes in the existing AOA. It is therefore considered desirable to adopt a comprehensive new set of Articles of Association of the Company (new Articles) in substitution of and to the exclusion of the existing AOA.

The Board of directors has proposed the adoption of new set of Articles of Association of the Company. In terms of Section 14 of the Act, the consent of the Members by way of a Special Resolution is required for adoption of new set of Articles of Association of the Company. A copy of the proposed set of new AOA of the Company would be available for public inspection during the time between 11:00 AM to 5:00 PM, on all days, except Saturday, Sunday and public holidays at the registered office of the Company and on the Company's website www.rnbdenims.com for electronic inspection up to the date of this Annual General Meeting ("AGM").

The Board of Directors accordingly recommends passing of the above resolution as set out as Item No. 9 of the Notice of AGM, as a Special Resolution, for adoption of New AOA.

None of the Directors and Key Managerial Personnel of the Company and their respective relatives is concerned or interested, financially or otherwise, in the resolution set out at Item No. 9 of the accompanying Notice, except to the extent of their shareholding.

Item No. 10

Regulation 31A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, ('SEBI (LODR) Regulations') has provided a regulatory mechanism for seeking re-classification from status of 'Promoters and Promoter Group' to 'Public' category may on request to the Company and subsequent approval from the shareholders and Stock Exchanges.

In this regard, the Company has received request from Mrs. Shashi Anand Dalmia, and M/s Rawatkhedia Processors Private Limited, persons belonging to the 'promoter group' of the company ("Outgoing promoters"), vide respective letter dated August 13, 2024 for reclassification from the 'promoter group' category to 'public' category shareholder of the company ("request letters"). The company intimated the aforesaid request(s) for re-classification to BSE Limited on August 13, 2024 within 24 hours of receipt of request letters.

The Board analysed the request letters received from the Outgoing Promoters vis-à-vis the requirements under Regulation 31A of the Listing Regulations and noted the following:

- Mr. Amit Dalmia and Mr. Deepak Dalmia have been promoters of the company since its inception. Mrs. Shashi Dalmia and her concern, M/s Rawatkhedha Processors Private Limited, has never controlled or managed the affairs of the company, but is a part of promoter group because of her relation with her step sons.
- Mrs. Shashi Dalmia has severed her ties / relations with her step sons and now has no concern with them and their company, because of a family dispute. Pursuant to the dispute their family entered into a settlement agreement, vide which, Mrs. Shashi Anand Dalmia have gifted all her shares of the company to Mr. Amit Dalmia and M/s Rawatkhedha Processors Private Limited have transferred all its shares of the company to M/s Mayfair Vinimay Private Limited (a company managed by the aforesaid step-sons).
- As on today, Mrs. Shashi Dalmia and M/s Rawatkhedha Processors Private Limited do not hold any shares of the company.

In view of the rationale provided by Mrs. Shashi Dalmia and her concern, M/s Rawatkhedha Processors Private Limited, the Board of Directors in their meeting held on Wednesday, 14th August, 2024 accepted and approved the requests made by the Outgoing Promoters for reclassification of their shareholding for the betterment of the company, subject to approval of the members and stock exchange/ other regulatory authorities, if any. As required, intimation has been sent to Stock Exchanges based on declaration received from the aforesaid persons.

Further, board confirms that company post reclassification will be compliant with the requirement for minimum public shareholding as required under regulation 38 of SEBI (LODR) Regulations, and trading in the shares of the Company has not been suspended by the stock exchanges, nor are there any outstanding dues to the SEBI Board, the stock exchanges or the depositories.

Except Mr. Amit Dalmia and Mr. Deepak Dalmia and their relatives, to the extent of their shareholding, none of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financial or otherwise, in the resolution set out at Item No. 10.

The board recommends above resolution as set out in Item no. 10 as an Ordinary Resolution.

Item No. 11

Pursuant to the provisions of Section 185 of the Companies Act, 2013 read with the Companies (Meeting of Board and its Powers) Rules, 2014 (the "Rules") (as amended from time to time), no company shall, directly or indirectly, advance any loan, including any loan represented by a book debt to, or give any guarantee or provide any security in connection with any loan taken by (a) any director of company, or of a company which is its holding company or any partner or relative of any such director; or (b) any firm in which any such director or relative is a partner.

However, a company may advance any loan including any loan represented by a book debt, or give any guarantee or provide any security in connection with any loan taken by any person in whom any of the director of the company is interested, subject to the condition that (a) a special resolution is passed by the company in general meeting and the loans are utilized by the borrowing company for its principal business activities.

In order to augment the long term resources of the Company and to render support for the business requirements of the entities in which director of the Company is interested or deemed to be interested from time to time, the Board of Directors in its meeting held on 3rd September, 2024 has, subject to the approval of shareholders of the Company, proposed and approved for seeking the shareholder approval for advancing any loan, giving any guarantee or providing any security to all such person specified under Section 185 of the Companies Act, 2013 and more specifically such other entity/person as the Board of the Directors in its absolute discretion deems fit and beneficial and in the best interest of the Company (hereinafter commonly known as the Entities); all together with in whom or in which any of the Director of the Company from time to time is interested or deemed to be interested and upto an aggregate limit of Rs. 250 Crores. Further, the aforementioned loan(s) and/or guarantee(s) and/or security(ies) shall only be utilized by the borrower for the

purpose of its principal business activities and that keeping the best interest of the Company. The members may note that Board of Directors would carefully evaluate the proposals and provide such loan, guarantee or security through deployment of funds out of internal resources/accruals and/or any other appropriate sources, from time to time, and the proposed loan shall be at such rate of interest as agreed by the parties in the best interest of the Company and shall be used by the borrowing company for its principal business activities only.

None of the Directors or Key Managerial Personnel or their relative(s) is / are in any way concerned or interested, in passing of the above-mentioned resolution except to the extent of their directorships and shareholding in the Company (if any).

Accordingly, consent of the members is sought for passing a Special Resolution as set out at Item No. 11 of this Notice, in relation to the details as stated above and thus the Board of Directors recommends the said Resolution for the approval of the shareholders of the Company as a Special Resolution.

Item No. 12

Pursuant to the provisions of Section 186(2) of the Companies Act, 2013 the Board of Directors of a Company is authorized to give loan, guarantee or provide any security to any person or body corporate or acquire by way of subscription, purchase or otherwise, the securities of any body corporate, upto an amount of which shall not exceed the prescribed ceiling of sixty percent of the aggregate of the paid up capital, free reserves and securities premium account or hundred percent of its free reserves and securities premium account, whichever is more.

As per Section 186 (3) of the Act, the Company can give loans and make investments exceeding the aforesaid limits, after taking prior approval of members by means of a Special Resolution passed at a General Meeting of the Company.

The Company has in the course of its business formed various subsidiaries, joint venture companies, wherein, the Company is holding investment, either directly or through its subsidiaries. The Company is undertaking various business activities through its subsidiaries/joint ventures and is also making strategic investments from time to time in subsidiaries/joint ventures and other bodies corporate. It would therefore, be required to provide financial assistance /support from time to time in the form of infusion of capital or by way of giving of loans/guarantee into their business for the expansion activities as well as for optimum utilization of funds.

It is therefore, necessary to authorize the Board to make any loan(s) to and/or to give any guarantee(s)/provide any security, in connection with loan(s) taken by, subsidiaries/bodies corporate and/or to acquire by way of subscription, purchase or otherwise, the securities of subsidiaries/bodies corporate in India or outside upto the limits provided in the proposed Special Resolution.

Accordingly the Board of Directors may be authorized to give loans, guarantees, provide securities or make investments as mentioned above upto an aggregate amount outstanding which shall not exceed Rs 250 Crores which shall be over and above the limits as specified in Section 186(2) of the Companies Act, 2013 and the aggregate outstanding amount of investment made in wholly owned and other subsidiaries and/or joint venture / associate companies and the amount of loans/guarantees/securities given /provided to wholly owned and other subsidiaries and/or joint venture / associate companies.

The proposed Special Resolution as set out in Notice is enabling in nature for any further loan/investment/guarantee/security, to be made or given to subsidiaries/bodies corporate/to any banks, financial institutions or any other person as per the provisions of the Companies Act, 2013. Hence, the approval of the Members of the Company is sought for exercising these powers by the Board by way of Special Resolution.

None of the Directors of the Company, except to the extent of their shareholding are concerned or interested in the aforesaid resolution, financially or otherwise.

Form No. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31.03.2024

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
R & B DENIMS LIMITED
CIN: L17120GJ2010PLC062949
Block No. 467 Sachin Palsana Road,
Palsana, Surat 394315

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. R & B Denims Limited**, (hereinafter called the "company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification on test check basis of the **M/s. R & B Denims Limited**, books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on **31st March, 2024** complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by **M/s. R & B Denims Limited**, for the financial year ended on **31st March, 2024** according to the provisions of:

- The Companies Act, 2013 (the Act) and the rules made there under;
- The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable during the year: -
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

 - f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; **the regulation is not applicable during the Financial Year 2023-2024**and;
 - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; **the regulation is not applicable during the Financial Year 2023-2024**

- Other Laws Specifically Applicable to Company:
 - a. Income Tax Act, 1961
 - b. Goods and Service Tax Act, 2017 and other indirect taxes
 - c. Labour Laws
 - d. Air (Prevention and Control of Pollution) Act, 1981

I have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards with regard to the Meeting of Board of Directors (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India.
- ii. The Listing Agreements entered into by the Company with BSE Limited Stock Exchange of India and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the year under review, the company has generally complied with the provisions of the act, rules, regulations and guidelines mentioned above subject to the following observations:

- In MGT-14 filed vide SRN: AA5769056 date of Resolution has been mentioned as 30.09.2023 while date of passing Members Resolution is 29.09.2023. The Resolution has been passed in Annual General Meeting
- Initially Company has filed intimation of the Listing Approval received from BSE for listing of 2,00,00,000 Equity Shares on 28/03/2024 by mentioning Premium of Rs 32 instead of Rs 30 and again filed a revised intimation of the Listing Approval by mentioning correct premium of Rs 30 on 28/03/2024.
- Due to a Typographical error one of the board meeting dated 12th March, 2024 was missed out to be mentioned in the Corporate Governance report for the Quarter and Year ended on 31.03.2024 and Revised Corporate Governance Report for the Quarter and Year ended on 31.03.2024 filed on 27.04.2024.
- Company has filed Annual Report for the Financial Year 2022-2023 in XBRL Mode on 28/05/2024.
- There is a Mis-Match in Profit before tax (PBT) in Standalone and Consolidated Financial and Segment Reporting for the Quarter and Nine Months ended on 31/12/2023 in PDF file and in XBRL File allegedly due to rounding off figures.
- The company filed disclosure in XBRL Mode for Issuance of Equity Shares pursuant to conversion of Warrants after 24 hours of uploading PDF File i.e. on 14.03.2024. The PDF File was uploaded on 12.03.2024
- In News Paper Advertisement of Audited Financial for Period ended on 31st March 2023 heading contains word "Unaudited" instead of "Audited" due to typographical error.
- Due to technical glitch in the SDD software Data related to resignation of Company Secretary was shared on 01/11/2023 in SDD software, but entered on 27/11/2023.
- Below mentioned forms has been filed with ROC after due date with additional fees.

Sr. No.	Forms	Purpose of form	SRN	Due Date	Date of filing
1.	AOC-4 XBRL	Filing XBRL in respect of financial statement	F76071174	28/10/2023	30/10/2023
2.	DIR-12	Appointment of Additional Independent Directors	AA5677429	30/09/2023	07/10/2023

I further report that, based on the information provided by the company, its officers and authorised representative during the conduct of the audit, and also on the review of reports by CS/CFO and Statutory Auditor of the company, in my opinion, adequate systems and processes and control mechanism exist in the company to monitor and ensure compliance with applicable general laws.

I further report, that the compliance by the company of applicable financial laws, like direct, indirect tax laws, Pollution control, CRZ laws and Labour laws has not been reviewed in this audit since the same have been subject to review by statutory financial auditor and other designated professionals. I have relied on the Statutory Auditor's report for the same. No adverse remark have been provided by Statutory Auditor or other related consultants, about non-compliances of the Company.

I further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. The Board meetings have been conducted with shorter notice than seven days, after taking consent of all directors and with the presence of all Independent directors.

As per the minutes of the meetings duly recorded and signed by the chairman, the decisions of the board were unanimous and no dissenting views have been recorded.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I report further that, during the audit period, there were no specific events/actions in pursuance of the aforesaid laws, rules, regulations, etc. having a major bearing on the company's affairs.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

MANAGEMENT DISCUSSION AND ANALYSIS: R & B DENIMS LIMITED

1. DISCLAIMER

Statements in the Directors' Report & Management Discussion and Analysis describing the company's objectives, projections, estimates, expectations or predictions may be "forward looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make difference to the company's operations include raw material availability and its prices, cyclical demand and pricing in the company's principle markets, changes in government regulations, tax regimes, economic developments within India and the countries in which the company conducts business and other ancillary factors.

2. GLOBLE ECONOMY:

In 2023, the global economy faced a complex scenario characterized by persistent inflation, geopolitical tensions, tightening monetary policies, and ongoing pandemic repercussions, all contributing to a decline in growth. According to the World Economic Output (WEO) update, global growth slowed from 3.5% in CY 2022 to 3.0% in CY 2023. Central Banks raised interest rates in CY 2023 to counter inflationary pressures. Despite challenges such as supply chain disruptions and elevated inflation, major economies received support from fiscal stimulus, monetary policies, trade agreements, international aid, green initiatives, and technological investments.

The International Monetary Fund (IMF) projects moderate and stable growth for CY 2024 & CY 2025 at 3.2%, albeit lower than the historical average of 3.1%. This expectation reflects sluggish economic activity, primarily attributed to a slowdown in advanced economies. The growth rate of these economies, which stood at 1.6% in CY 2023, is anticipated to remain sluggish at 1.7% to 1.8% over the next two years due to policy tightening, financial sector turmoil, high inflation, the ongoing conflict between Israel and Gaza, and the lingering effects of four years of the COVID pandemic.

The slow growth rate persists amidst a cost-of-living crisis triggered by disruptions in energy and food markets due to Russia's conflict in Ukraine, coupled with global monetary tightening to address inflationary pressures and reduced fiscal support. However, the resilience seen in the United States and several significant emerging market economies, along with continued fiscal support in China, will bolster global growth.

Inflation rates are declining more rapidly than anticipated across most regions, supported by tight monetary policies. Combined with a modest uptick in economic activity, this sets the stage for a softer-than-expected economic slowdown. In advanced economies, growth rates are forecasted to reach 1.7% in CY 2024, improving to 1.8% in CY 2025. The US demonstrates resilient consumption and investment, while Euro area activity is expected to remain sluggish. Among emerging markets and developing economies, growth is estimated at 4.2% in CY 2025. China faces challenges from its real estate crisis, tax hikes, spending cuts, and weakening confidence, yet it is anticipated to grow at 4.6% in CY 2024 due to increased government spending. India is set to maintain its position as the fastest-growing large economy, driven by robust domestic demand.

Global inflation is projected to decrease from an estimated 6.8% in CY 2023 to 5.9% in CY 2024 and further to 4.5% in 2025, primarily due to accelerated disinflation in advanced economies. Declining inflationary pressures vary by country but generally stem from reduced core inflation, influenced by ongoing tight monetary policies, softened labour markets, and impacts from lower energy prices. The IMF forecasts a 2.3% decline in oil prices in CY 2024, while non-fuel commodity prices are expected to drop by 0.9%. Heightened tensions in the Gaza-Israel region, which accounts for approximately 35% of global oil exports, could lead to supply shocks if the conflict escalates. Continued trade distortions and geopolitical fragmentation are anticipated to persist, exerting pressure on global trade levels.

The risks to global economic growth are balanced, with potential upside from quicker disinflation, slower withdrawal of fiscal support measures, robust economic expansion in China, and advancements in supply-side reforms. Conversely, downside risks include spikes in commodity prices due to geopolitical or weather-related

disruptions, ongoing core inflation necessitating tighter monetary policies, potential slowdowns in Chinese growth, and potential disruptions from abrupt fiscal consolidations.

Denim jeans, a staple of modern fashion, have witnessed remarkable growth in the global market in the recent years. According to a latest report by Expert Market Research, the global denim jeans market size reached a value of **USD 72.90 billion in 2023**. Fueled by evolving fashion trends, changing consumer preferences, and innovations in denim manufacturing, the market is poised to grow at a compound annual growth rate (CAGR) of **4.7%** from 2024 to 2032, reaching an estimated value of **USD 111.40 billion** by 2032.

3. INDIAN ECONOMY

India's economy carried forward the momentum it built in FY23 into FY24 despite a gamut of global and external challenges. The focus on maintaining macroeconomic stability ensured that these challenges had minimal impact on India's economy. As a result, India's real GDP grew by 8.2 per cent in FY24, posting growth of over 7 per cent for a third consecutive year, driven by stable consumption demand and steadily improving investment demand. On the supply side, gross value added (GVA) at 2011-12 prices grew by 7.2 per cent in FY24, with growth remaining broad-based. Net taxes at constant (2011-12) prices grew by 19.1 per cent in FY24, aided by reasonably strong tax growth, both at the centre and state levels and rationalisation of subsidy expenditure. This led to the difference between GDP and GVA growth in FY24.

Within the industrial sector, manufacturing GVA shrugged off a disappointing FY23 and grew by 9.9 per cent in FY24. Manufacturing activities benefitted from reduced input prices while catering to stable domestic demand. The input price advantage was reflected in the subdued growth in the Wholesale Price Index (WPI) inflation, which led to a deflator of (-)1.7 per cent for the manufacturing sector during FY24. Manufacturers also passed on the reduction in input prices to consumers, reflected in the sustained decline in the core consumer price inflation. The strength of manufacturing is further corroborated by the strong performance of the HSBC India PMI for manufacturing, which consistently remained well above the threshold value of 50, indicating sustained expansion and stability in India's manufacturing sector. Construction activities displayed increased momentum and registered a growth of 9.9 per cent in FY24 due to the infrastructure build out and buoyant commercial and residential real estate demand.

On the demand side, private consumption has been a crucial and steadfast cog in the GDP growth. Private final consumption expenditure (PFCE) grew by 4.0 per cent in real terms in FY24. Urban demand conditions remain strong, as reflected in various urban consumption indicators such as domestic passenger vehicle sales 20 and air passenger traffic. It is also reported that rural consumption growth has gradually picked up pace during the quarter ending March 2024.

On the logistics front, we believe that the fear of significant increase in cost is behind us and shipping rates are cooling off from the highs in February 2024. The disruption expected in terms of availability of containers, delay in routes is adjusted as part of the trade. De-escalation in the Middle East conflict will further help normalise the situation.

4. INDIAN TEXTILE MARKET

1. The market for Indian textiles and apparel is projected to grow at a 10% CAGR to reach US\$ 350 billion by 2030. Moreover, India is the world's 3rd largest exporter of Textiles and Apparel. India ranks among the top five global exporters in several textile categories, with exports expected to reach US\$ 100 billion.
2. The textiles and apparel industry contributes 2.3% to the country's GDP, 13% to industrial production and 12% to exports. The textile industry in India is predicted to double its contribution to the GDP, rising from 2.3% to approximately 5% by the end of this decade.
3. The Manufacturing of Textiles Index for the month of December 2023 is 112.4.
4. Global apparel market is expected to grow at a CAGR of around 8% to reach US\$ 2.37 trillion by 2030 and the Global Textile & Apparel trade is expected to grow at a CAGR of 4% to reach US\$ 1.2 trillion by 2030.
5. The Indian Technical Textile market has a huge potential of a 10% growth rate, increased penetration level of 9-10% and is the 5th largest technical textiles market in the world.
6. The Indian Medical Textiles market for drapes and gowns is around US\$ 9.71 million in 2022 and is expected to grow at 15% to reach US\$ 22.45 million by 2027.
7. The Indian composites market is expected to reach an estimated value of US\$ 1.9 billion by 2026 with a CAGR of 16.3% from 2021 to 2026 and the Indian consumption of composite materials will touch 7,68,200 tonnes in 2027.

8. India is the world's largest producer of cotton. In the first advances, the agriculture ministry projected cotton output for 2023-24 at 31.6 million bales. According to the Cotton Association of India (CAI), the total availability of cotton in the 2023-24 season has been pegged at 34.6 million bales, against 31.1 million bales of domestic demand, including 28 million bales for mills, 1.5 million for small-scale industries, and 1.6 million bales for non-mills. Cotton production in India is projected to reach 7.2 million tonnes (~43 million bales of 170 kg each) by 2030, driven by increasing demand from consumers. It is expected to surpass US\$ 30 billion by 2027, with an estimated 4.6-4.9% share globally.
9. In 2022-23, the production of fibre in India stood at 2.15 million tonnes. While for yarn, the production stood at 5,185 million kgs during the same period. Natural fibres are regarded as the backbone of the Indian textile industry, which is expected to grow from US\$ 138 billion to US\$ 195 billion by 2025.
10. India's textile and apparel exports stood at US\$ 28.72 billion in FY24 (April-January). Exports of textiles (RMG of all textiles, cotton yarns/fabs/made-ups/handloom products, man-made yarns/fabs/made-ups, handicrafts excl. handmade carpets, carpets and jute mfg. including floor coverings) stood at US\$ 23.79 billion in FY24 (April-December).
11. Exports for 247 technical textile items stood at Rs. 5,946 crore (US\$ 715.48 million) between April-June (2023-24).
12. India's textiles industry has around 4.5 crore employed workers including 35.22 lakh handloom workers across the country.

The technical textiles market for automotive textiles is projected to increase to US\$ 3.7 billion by 2027, from US\$ 2.4 billion in 2020. Similarly, the industrial textiles market is likely to increase at an 8% CAGR from US\$ 2 billion in 2020 to US\$ 3.3 billion in 2027. The overall Indian textiles market is expected to be worth more than US\$ 209 billion by 2029.

5. INDIAN DENIM MARKET

The growing denim market, both internationally and nationally, is the main reason why leading mills are optimistically believing that denim will continue to tap growth in the years to come.

Market Size

- **Market Value:** The Indian denim market was valued at approximately USD 5.5 billion to USD 6 billion in 2023.
- **Projection:** It is expected to reach around USD 8-9 billion by 2026, growing at a compound annual growth rate (CAGR) of about 12% to 14%.

Demographics

- **Consumer Base:** The majority of denim consumers are young adults aged 15-35, who are driving trends in fashion and casual wear.
- **Urban vs. Rural:** A significant portion of denim consumption occurs in urban areas due to higher disposable incomes and fashion consciousness. However, rural markets are also growing as they become more exposed to urban trends.

Production Capacity

- **Current Capacity:** India's denim production capacity is estimated to be around 2 billion meters per year. This figure includes both domestic production for the local market and export-oriented production.

6. ROAD AHEAD

India is working on major initiatives, to boost its technical textile industry. Government is supporting the sector through funding and machinery sponsoring. Top players in the sector are attaining sustainability in their products by manufacturing textiles that use natural recyclable materials. The future for the Indian textiles industry looks promising, buoyed by strong domestic consumption as well as export demand. With consumerism and disposable income on the rise, the retail sector has experienced a rapid growth in the past decade with the entry of several international players like Marks & Spencer, Guess and Next into the Indian market. High economic growth has resulted in higher disposable income. This has led to rise in demand for products creating a huge domestic market.

Major Trends in Textile & Apparel Industry:

1. **Emergence of new garmenting hubs:** Increase in labour and raw material cost has brought a shift in global textile industry, forcing companies to shift their base from developed countries to developing countries like

India, Ethiopia, Myanmar, Vietnam and Cambodia. These developing countries offer cheap labour and good quality raw material at lower prices.

2. **Increasing importance of Industry 4.0:** Textile 4.0 is a fourth industrial revolution focusing on automation of industry. This automation can be achieved by data exchange, robotics, the internet of things, cloud computing and through various other measures. This automation will result in lower operating cost with customary processes and improved quality standards.
3. **Development of new trade Alliances:** Trade alliances and Free Trade Agreement (FTA) are some measures by various governments to connect markets. Through this the exchange of technologies will become easier. These alliances will ultimately lead to increase in flow of FDI, improved infrastructure and more job opportunities helping economies to grow.
4. **Shift towards Sustainable Fashion:** With rising awareness about climate change, consumers prefer brands that adopt sustainable business practices. As a result, the textile industry has been witnessing a shift towards sustainable processes right from manufacturing of products to selling them. This shift will not only enable them to reduce their footprints on the environment but also offer sustainable fashion solutions.

7. INDUSTRY OUTLOOK

Indian Denim Industry is showing a notable increase in recent years. Indian denim brands and manufacturers are focusing on increasing their export globally. Considering the significant proportion that India commands inside the international trade of textile and garb, and the industry is ready to add more exceptional manufacturing capabilities. Along with a boom in potential, encouraging fabric guidelines and favorable exchange fee moves could help India achieve a large export boom. The Indian government is taking many initiatives to enhance the country's textile area. The benefits offered by government authorities are in all likelihood to percolate to the Indian denim industry in the coming years. This will also ensure its steady growth, and fuel the growth of the denim industry in India.

8. TRENDS IN DENIM INDUSTRY

The denim industry is experiencing several notable trends that reflect broader shifts in fashion, technology, and consumer behaviour.

1. Sustainability and Eco-Friendly Practices

a. Sustainable Materials

- **Organic Cotton:** Increased use of organic cotton, which is grown without synthetic pesticides or fertilizers.
- **Recycled Fibers:** Growing incorporation of recycled materials, including post-consumer and post-industrial denim, to reduce waste.

b. Eco-Friendly Production

- **Water Reduction:** Adoption of technologies and processes that significantly reduce water usage, such as waterless dyeing techniques.
- **Chemical Management:** Use of less harmful chemicals and dyes in production to minimize environmental impact.

c. Circular Fashion

- **Recycling and Upcycling:** Emphasis on recycling old denim garments and upcycling to create new products, contributing to a circular economy.
- **Take-Back Programs:** Brands offering take-back or trade-in programs to encourage consumers to return old denim for recycling or repurposing.

2. Technological Advancements

a. Smart Denim

- **Wearable Technology:** Integration of technology into denim, such as conductive fibers for smart fabrics that can monitor health metrics or interact with electronic devices.

b. 3D Printing

- **Customization:** Use of 3D printing for custom fittings, prototypes, and unique denim designs, allowing for greater personalization.

c. Digital Innovation

- **Virtual Fitting Rooms:** Adoption of augmented reality (AR) and virtual reality (VR) for virtual try-ons, enhancing the online shopping experience.
- **Digital Design Tools:** Use of advanced software and digital tools for designing and visualizing denim products.

3. Design and Aesthetic Trends

a. Vintage and Retro Styles

- **Heritage Trends:** Revival of vintage and retro denim styles, including high-waisted jeans, wide-leg cuts, and distressed finishes.
- **Faded and Stone-Wash:** Continued popularity of faded, stone-wash, and other washed effects that evoke a vintage look.

b. Customization and Personalization

- **Personalized Denim:** Growing demand for personalized denim products with custom embroidery, patches, and hand-painted designs.
- **DIY Culture:** Increasing interest in DIY fashion, with consumers customizing their own denim through techniques like distressing or adding embellishments.

4. Consumer Behaviour

a. Ethical Consumerism

- **Conscious Buying:** Growing consumer preference for ethically produced and sustainably sourced denim, driven by increased awareness of environmental and social issues.
- **Transparency:** Demand for transparency in supply chains, with consumers wanting to know more about the origins and production practices of their denim.

b. Online Shopping Growth

- **E-Commerce Expansion:** Significant growth in online denim sales, accelerated by the COVID-19 pandemic and changing shopping habits.
- **Omni channel Experience:** Integration of online and offline shopping experiences, with features like click-and-collect and seamless returns.

5. Market Dynamics

a. Premium and Luxury Segments

- **High-End Denim:** Increased demand for premium and luxury denim brands that offer superior quality, craftsmanship, and exclusivity.
- **Limited Editions:** Popularity of limited-edition releases and collaborations between denim brands and designers or celebrities.

b. Fast Fashion vs. Slow Fashion

- **Fast Fashion:** Continued growth in fast fashion segments with rapid production cycles and frequent collection updates.
- **Slow Fashion:** Rise of slow fashion, emphasizing quality, durability, and timelessness over seasonal trends.

6. Global and Local Influences

a. Regional Variations

- **Cultural Influences:** Denim styles and preferences vary by region, with local cultures and trends influencing design and production.
- **Global Trends:** Globalization of fashion trends, with international influences shaping local denim markets and vice versa.

b. Supply Chain Resilience

- **Diversification:** Efforts to diversify and strengthen supply chains in response to global disruptions and geopolitical uncertainties.

9. SWOT ANALYSIS OF DENIM INDUSTRY

STRENGTHS

1. Jeans are a wardrobe staple that everyone owns.
2. The denim market is segmented into smaller and niche sections, making it easier to target different consumers. The demand is increasing in both domestic as well as international markets.
3. Competitors are not competing on exactly the same product. Difference styles, prices and materials are available.
4. Easy diversification into other product lines like footwear, innerwear, accessories to make it a complete lifestyle brand.
5. Automation of production processes and proper infrastructure
6. Availability of raw materials
7. R & B Denims Limited makes constant efforts to include the diversity in people around the globe by creating products that would meet every customer's wishes.

WEAKNESS

1. The high impact the cotton industry has on the environment as a result of denim manufacturing.
2. The denim market is already dominated by several big brands.
3. Increase in mid-market / value retailers results in a negative impact for the higher end retailers and increase an opportunity to introduce lower market brands.
4. Fluctuation in prices to cope up with changing demands and trends.
5. Short time for optimization of products.
6. Increase in unit cost, high tariff barriers and export duties.

OPPORTUNITY

1. Favourable government initiatives such as the National Technical Textiles Mission (NTTM), 100% FDI in the sector, SAMARTH- Scheme for Capacity Building in the Textile Sector, etc. for the development of the textile industry.
2. Extension of the scheme for Rebate of State and Central Taxes and Levies (RoSCTL) till March 31, 2026, for the export of apparel, garments and made-ups with the same rates would benefit textile companies.
3. The 'China plus one' diversification policy will benefit Indian manufacturers. As global retailers are looking for an alternate supply base, India has emerged as an attractive option for manufacturing and exports of textiles and apparels.
4. The growing popularity of 'fast fashion' products will contribute to the growth of the textile and apparel industry.
5. Better consumer knowledge and power driving the demand for more ethical and sustainable denim.
6. Innovative ways of manufacturing denim and more ways to differentiate from competitors.
7. People are willing to buy quality products and long lasting investment pieces at a competitive prices.
8. Establishment of E-commerce allows more consumers to enter the chain of market.
9. Apart from manufacturing jeans the fabric is used in manufacturing of other products like shirts, trousers, handbags etc.
10. Introduction of sustainable development practices.

THREATS

1. Competition in the global market, especially from the textile and garment industries in Bangladesh and China.
2. Subdued demand for textile and apparel exports as consumer confidence is lower in the key markets.
3. Compliance issues with the environmental norms and regulations.
4. The market is saturated with existing brands.
5. Quick obsolescence of technology.
6. The market is continuously growing with brands coming up with innovative ways to compete and stay relevant in the market.
7. The ethical denim market already has a number of early entrants which have gained significant market share.
8. Unstable economy results in reduced consumer confidence and spending.

9. The entry of several international players in the retail industry after opening up of FDI would also pose as a threat for the brand.
10. It is difficult to make balance between price and quality when competitors have lower price.

10. OUTLOOK:

The Indian textile industry at large, as well as the denim industry in specific, is expected to grow further in the coming years. The global industry also has a promising future. This implies growth opportunities for R & B Denims Limited, in the domestic as well as global market. Owing to the growth in demand of apparels, especially from developing countries, as well as rise in income, the demand for denim has significantly increased and will continue to grow. Over the last 4-5 years, denim demand has increased steadily and several Indian denim players, including our company, have increased their capacity under the prevailing government incentive scheme. The industry has become more competitive in these terms. The Company's values that focus on constant evolution and product innovation will help it in maintaining its strong standing in the industry and will eventually help in growing further in the future.

12. RISK AND CONCERNS

The company is exposed to specific risks that are particular to its business and environment within which it operates, including Foreign Exchange Risk, Interest Rate Risk, Commodity Price Risk, Risk of Product Concentration and other Business Risk. While risk is an inherent aspect of any business, the company is conscious of the need to have an effective monitoring mechanism and has put in place appropriate measure for its mitigation including business portfolio risk, financial risk and legal risk and internal process risk.

The list of the potential risks the industry is exposed to domestically/internationally is given below:

- i. **Business Operational Risk:** The business operational risk is defined as the risk of loss resulting from inadequate or failed internal processes, people and systems, or from external events like economic and market conditions, cut throat competitions at local as well as at international level, introduction of new players in textile markets, even events which are not directly connected with the organization like natural disasters, political and military turmoil etc.

It can be minimized by decreasing labour turnover, power cost, logistics, balancing demand & supply risks, implementing latest technologies to create new and innovative designs of textile products, techniques required to upgrade plants, boiler house, machines, equipment, uninterrupted availability of raw material at competitive prices so as to avoid production loss, maintenance of quality and harmonizing production for completing the orders in time as well. Fluctuations in yarn prices in international market which can impact the price / cost of a particular product(s) and its blend(s) is also a part of business operational risk.

- ii. **Environmental Risk:** The safety of environment is important because of its ecological, economic or social significance to an ecosystem. If environment get impact/suffer more due to highly polluting nature or due to violation of any environmental law/norms by the industry/business, then it may get adverse remarks from the Regulator/Statutory Authority or may have to face penal provisions as well as implications. An effort should be made to recycle the waste, make reusable products, use natural resources instead of hazardous chemicals to protect the environment.
- iii. **Raw material risk:** There is always a risk of inadequate or non-availability of raw materials in the market due to volatility in the prices of cotton, transportation cost etc. which could impede business profits and prospects.
- iv. **Quality risk:** Easy entry of various competitors in the market could affect the quality of products in order to match the competitive prices. Also inability to match the stringent quality standards of leading retails brands consistently could impact product off take.

- v. **Working capital risk:** To expand the business operations requires increased working capital and its proper management.
- vi. **Purchasing power risk:** It means loss of purchasing power due to the effect of inflation. This risk is also known as inflation risk. When there is inflation in the economy, the currency loses its value due to the rising price level in the economy. The higher the inflation rate, the faster the money loses its value.
- vii. **Foreign Exchange / Currency risk:** It is the uncertainty associated with changes in the relative value of currencies. Currency risk arises from the change in price of one currency against another. The Company while doing foreign transactions deals with the currencies of other countries and therefore any fluctuations in foreign currency may impact margins of Company. The fluctuations in the exchange rate are caused basically by the supply of and the demand for the currencies being exchanged. The depreciation in exchange rate increases the risk of foreign banks, which leads to large foreign currency exposures in the emerging markets. The adverse exchange rate movement increases the repayment obligations of the banks' borrowers in terms of domestic currency. The investors or companies, in order to avoid currency risks should properly hedge their positions with the foreign banks.
- viii. **Financial Risk:** It is the uncertainty associated with how firms finance its business like by issue of shares, debentures, taking loans from government / financial institutions etc. Such financial transactions also include risk of default in payment of interest, dividend or repayment of capital due to various internal or external factors like increase in credit days of debtors, inflation, interest rate fluctuations, change in government policies etc. It may lead to loss of liquidity, falling assets value, significant change in cash inflow and outflow etc.
- ix. **Liquidity Risk:** Liquidity Risk reflects the possibility/position that a party may have insufficient funds to settle an obligation for full value when due because of insufficient capital or difficulty in selling an asset or an investment to generate capital, but will have funds to cover settlement obligations on some unspecified date thereafter. In non-bankruptcy situations, the allowable methods to cover short positions are generally driven by local market conventions. As a result, liquidity could be adversely affected by prohibitions on transactions such as Repos, Reverse Repos, Securities Lending and other allied components.
- x. **Global Risk:** Global risk refers to an uncertain event or condition that can cause significant negative impact to several countries or industries for a long period of time. India is still emerging in the market of textile industries. There is a tremendous competition around the world. Indian manufacturers will have to face a tough fight to sustain in the competition. Due to poor infrastructure facilities, the production and transaction cost remain high in India. Also India's logistic disadvantage due to its geographical location can give it a major thumbs-down in global trade. As a result, high cost of shipments and longer lead time coupled with lack of infrastructure facility may prove to be a major hindrance. To overcome this problem, India needs to increase the size of its industrial infrastructure to capture the efficiencies of the economies of scale and it must cluster the textile production.
- xi. **Political Risk:** Political risk may be defined as the probability that a political event will impact adversely on a firm's profit. It represents the financial risk that a country's government will suddenly change its policies. A new law or a change in an existing could have a significant impact on an investment. Whatever laws the government passes today may be extinct tomorrow. This risk covers restriction on remittances in the buyer's country or any government action which may block or delay payment to the exporter, war, revolution or civil commotion in the buyer's country, cancellation or imposition of new export / import licensing restrictions in the buyer's country, any other kind of loss occurring either in India or outside India which is not within the control of the exporter or the buyer.
- xii. **Technological risk:** Technology can reshape corporate culture and facilitate innovative procedures. In a garment manufacturing industry, the firm is constantly required to make changes and transformations in the production process over time, upgrade their machinery besides creating new facilities and additional capacities in order to survive in the highly competitive market.

13. FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

In FY 2023-24, the company's profit after tax grew to Rs. 1872.75 lakhs, an increase by 25.61%. To conserve resources for the Company's future growth plans, no dividend is being recommended by the Directors for the year ended 31st March, 2024.

STATEMENT ON RISK MANAGEMENT

We at R & B DENIMS LIMITED seek to minimize the adverse impacts of all kinds of risks, thus enabling the company to leverage market opportunities effectively and enhance long term competitive advantage. Our Risk Management Framework involves identification, analyses, evaluation, treatment, mitigation and monitoring all kinds of risks like strategic, external and operational risks.

Strategic risk is the risk associated with our long-term business strategies and the risks associated with the execution of these strategies. The success of our business depends substantially on our ability to implement our business strategies effectively. Even though we have successfully executed our business strategies in the past, there is no guarantee that we can implement the same on time and within the estimated budget going forward, or that we will be able to meet the expectations of our targeted clients. Changes in regulations applicable to us may also make it difficult to implement our business strategies. Failure to implement our business strategies would have a material adverse effect on our business and results of operations

External Risk arises out of uncontrollable factors from outside the organization like downturn in the economy, adverse policies or regulatory framework or even natural disasters.

Operational Risk arises out of inefficiencies or negligence in the operations or system of internal controls. These are risk associated with non-compliance with statutory requirements or policies, not following the safety regulations, engaging in unlawful or fraudulent behaviour or breaches of contractual agreement. As a company we have checks and balances in places ensure such things don't happen. Proper Personal Protective Equipments are provided to all employees working on the shop floor to ensure safety. Internal and statutory audits on regular interval put the relevant checks in place.

The Statement has been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial Information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other Irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, Implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of

the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to Issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material If, individually or in the aggregate, they could reasonably be expected to Influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3Xi) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial results or, If such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the Standalone Financial Results of the Company to express an opinion on the Standalone Financial Results.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report), Order, 2020 as amended, issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act and on basis of such checks of books and records of the company as we considered appropriate and according the information and explanations given to us, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order.

(iv) (i) As per management's representation, no funds other than disclosed by way of notes to accounts have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall,

whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever 63 by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(ii) As per management's representation, There were no funds which have been received by the company from any person(s) or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(iii) The representation received from the company under sub-clause (i) and (ii) above does not contain any material mis-statement.

(iv) The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.

(v) Based on our examination carried out in accordance with the Implementation Guidance on Reporting on Audit Trail under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (Revised 2024 Edition) issued by the Institute of Chartered Accountants of India, which included test checks, we report that:

The company has modified the existing software to configurator the audit trail. However, it was observed that company runs three models in software i.e. Finance, Sales and Material management and audit trailed was found configured in Finance Model only. The audit trail feature was enabled in one module through-out the audit period.

All transactions recorded are covered in the audit trail feature. However it was observed that few transactions are still left out from this trail. The same was communicated to management, and they are working on the same to rectify.

By implementing proper authorization controls, organizations can mitigate the risk of unauthorized access, data breaches, and potential misuse of information. It was observed that, any member of account team can pass, edit or alter any entry in books and same was communicated to the management. As informed by the management, proper authorization configuration into the software is under process.

The audit trail has been preserved as per statutory requirements for record retention. The backup of all data is found taken on daily basis to the server and on cloud.

Materiality is the magnitude of misstatements in the Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in Internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all

relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguard.

Other Matters

The Statement includes the results for the quarter ended March 31, 2024 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2024 and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under the listing Regulations.

Annexure 'B' to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of R & B Denims Limited ("the Company") as of 31 March, 2024 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

**Notes to the financial statements
For the year ended March 31, 2024**

(Rs in Lakhs, except share and per share data, unless otherwise stated)

(1) THE COMPANY OVERVIEW:

R & B Denims Ltd. is a Listed Public Limited Company incorporated and domiciled in India, having its registered office at Block No. 467, Palsana - Sachin Highway, Gujarat, India. The Company is engaged in the business of manufacturing and sale of quality Denim Textile products. The company caters both domestic and international markets.

(2) BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

Statement of compliance and basis of preparation

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time, the provisions of the Companies Act, 2013 ("the Companies Act") as applicable and guidelines issued by the Securities and Exchange Board of India ("SEBI").

Accounting policies have been applied consistently to all periods presented in these financial statements.

All amounts included in the financial statements are reported in lakhs of Indian rupees except share and per share data, unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

Basis of measurement

These financial statements have been prepared on the going concern basis and on a historical cost convention and on an accrual basis, except for the following material items which have been measured at fair value as required by relevant Ind AS;

- The defined benefit asset(liability) is as the present value of defined benefit obligation less fair value of plan assets and
- Financial instruments classified as fair value through profit or loss (FVTPL).

Use of estimates and judgment

The preparation of the financial statements in accordance with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from those estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of

estimation, uncertainty and critical judgment in applying accounting policies that have the most significant effect on the amounts recognized in financial statements are included in the following notes:

- Useful lives of Property, plant and equipment [Note L]
- Measurement of defined benefit obligations [Note D]
- Provision for inventories [Note J]
- Measurement and likelihood of occurrence of provisions and contingencies [Note P]
- Deferred taxes [Note E]

(3) MATERIAL ACCOUNTING POLICIES

The accounting policies, as set out in the following paragraphs of this note, have been consistently applied, to all the periods presented in these standalone financial statements except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy. The Company adopted Disclosure of Accounting Policies (Amendments to Ind AS 1) from 1 April 2023. Although the amendments did not result in any changes in the accounting policies themselves, they impacted the accounting policy information disclosed in the standalone financial statements. The amendments require the disclosure of 'material' rather than 'significant' accounting policies. The amendments also provide guidance on the application of materiality to disclosure of accounting policies, assisting entities to provide useful, entity-specific accounting policy information that users need to understand other information in the financial statements.

(A) Current and non-current classification

The assets and liabilities reported in the balance sheet are classified on a "current/non-current basis".

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

(B) Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) prices in active market for identical assets or liabilities.
- Level 2 (if level 1 feed is not available/appropriate) - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 (if level 1 and 2 feed is not available/appropriate) - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amount approximates fair value due to the short maturity of these instruments.

(C) Revenue recognition:

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

For allocating the transaction price, the Company has measured the revenue in respect of each performance obligation of a contract at its relative standalone selling price. The price that is regularly charged for an item when sold separately is the best evidence of its standalone selling price. In cases where the company is unable to determine the standalone selling price, the company uses the expected cost plus margin approach in estimating the standalone selling price.

The company accounts for volume discounts and pricing incentives to customers as a reduction of revenue based on the ratable allocation of the discounts/ incentives to each of the underlying performance obligation that corresponds to the progress by the customer towards earning the discount/ incentive. If it is probable that the criteria for the discount will not be met, or if the amount thereof cannot be estimated reliably, then discount is not recognized until the payment is probable and the amount can be estimated reliably. The company recognizes changes in the estimated amount of obligations for discounts in the period in which the change occurs.

Interest Income

Interest income is accrued on a time proportion basis, by reference to the principal outstanding and effective interest rate applicable.

Dividend income

Dividends are recognized in Statement of Profit and Loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

Trade receivables and Contract Balances

The company classifies the right to consideration in exchange for deliverables as either a receivable or as unbilled revenue.

A receivable is a right to consideration that is unconditional upon passage of time. Revenues in excess of billings is recorded as unbilled revenue and is classified as a financial liability for these cases as right to consideration is unconditional upon passage of time.

(D) Employee Benefits:**Short-term obligations**

All employee benefits payable wholly within twelve months of rendering services are classified as short term employee benefits. Benefit such as salaries, wages etc. are recognized in period in which the employee renders the related services. A liability is recognized for the amount expected to be paid when there is a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Defined contribution plans

Contributions to defined contribution schemes such as employees' state insurance, provident fund, labour welfare fund etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The Company is a member of recognized Provident Fund scheme established under The Provident Fund & Miscellaneous Act, 1952 by the Government of India. The Company is contributing 12% of Salary & Wages of eligible employees under the scheme every month. The amount of contribution is being deposited each and every month. The contribution paid or payable under the scheme is recognized during the period under which the employee renders the related services. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

Defined Benefit Plans

In accordance with the Payment of Gratuity Act, 1972, applicable for Indian companies, the Company provides for a lump sum payment to eligible employees, at retirement or termination of employment based on the last drawn salary and years of employment with the Company. The Company's obligation in respect of the gratuity plan, which is a defined benefit plan, is provided for based on actuarial valuation using the projected unit credit method. The Company recognizes actuarial gains and losses in other comprehensive income, net of taxes.

(E) Taxes:**Income Tax & Deferred Tax**

Tax expense for the period comprises current and deferred tax. Income tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized in other comprehensive income in which case the tax also recognized in other comprehensive income and except to the extent that it relates to items recognized directly in equity. The tax currently payable is based on taxable profit for the period. Taxable profit differs from net profit as reported in the statement of profit and loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or

substantively enacted by the end of the reporting period. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized.

Current tax and deferred tax shall be recognised outside profit or loss if the tax relates to items that are recognised, in the same or a different period, outside profit or loss. Therefore, current tax and deferred tax that relates to items that are recognised, in the same or a different period:

- a) in other comprehensive income, shall be recognised in other comprehensive income.
- b) directly in equity, shall be recognised directly in equity.

Appendix C to Ind AS 12, Uncertainty over Income Tax Treatments:

Appendix C to Ind AS 12 clarifies the accounting for uncertainties in income taxes. The interpretation is to be applied to the determination of taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. The adoption of Appendix C to Ind AS 12 did not have any material impact on the standalone financial statements of the Company.

Sales/ value added taxes/ Service tax/ Goods and service tax (GST) paid on acquisition of assets or on incurring expenses

Expenses and assets are recognised net of the amount of sales/ value added taxes/ GST paid, except:

- When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable
- When receivables and payables are stated with the amount of tax included the net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

(F) Leases:

The Company determines that a contract is or contains a lease, if the contract conveys right to control the use of an identified asset for a period of time in exchange for a consideration. At the inception of a contract which is or contains a lease, the Company recognises lease liability at the present value of the future lease

payments for non-cancellable period of a lease which is not short term in nature except for lease of low value items. The future lease payments for such non-cancellable period is discounted using the Company's incremental borrowing rate.

No disclosure is required considering immaterial effect on the financial statement as whole.

(G) Foreign Currency:

Functional and presentation currency

The financial statements are presented in Indian Rupees (INR), which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

Foreign currency transactions

- Foreign-currency denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.
- Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled. Revenue, expense and cash-flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

(H) Cash & cash equivalents:

For the purpose of presentation in the Statement of Cash Flows, Cash and Cash Equivalents includes cash in hand, balances with the banks that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

(I) Earnings Per Share:

Basic and Diluted earnings/ (loss) per share are calculated by dividing the net profit / (loss) for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the period and also after the balance sheet date but before the date the financial statements are approved by the board of directors.

(J) Inventories:

Inventories consist of raw materials, stores & spares, work-in-progress, stock-in-trade and finished goods. Inventories are valued at lower of cost and net realizable value (NRV) except for raw materials which is valued at cost.

Cost of raw materials and stores & spares includes cost of purchases and other costs incurred in bringing the inventories to their present location and condition.

Cost of work-in-progress and finished goods includes direct materials, labor and proportion of manufacturing overheads based on the normal operating capacity, wherever applicable.

Cost of stock-in-trade includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be used are expected to be sold at or above cost, except in case of samples, fants & cut pieces.

(K) Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument.

Financial assets:

Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- Those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Initial recognition and measurement

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets are recognized initially at fair value plus or minus, in the case of financial assets not recorded at fair value through Profit and Loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through Profit and Loss are expensed in the Statement of Profit and Loss.

Subsequent measurement

After initial recognition, financial assets are measured at:

- fair value (either through other comprehensive income or through Profit and Loss), or
- amortized cost.

Debt instruments

Debt instruments are subsequently measured at amortized cost, fair value through other comprehensive income ('FVOCI') or fair value through Profit and Loss ('FVTPL')

till de-recognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

Amortised cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost is recognized in the Statement of Profit and Loss when the asset is derecognized or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair Value Through Other Comprehensive Income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in the Statement of Profit and Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to Statement of Profit and Loss and recognized in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair Value Through Profit and Loss (FVTPL):

Assets that do not meet the criteria for amortized cost or FVOCI are measured at FVTPL. A gain or loss on a debt investment that is subsequently measured at FVTPL is recognised in Statement of Profit and Loss in the period in which it arises. Interest income from these financial assets is recognised in the Statement of Profit and Loss.

Equity instruments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVTOCI or FVTPL.

The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in Other Comprehensive Income (OCI). There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of such investments.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Financial liabilities:

Initial recognition and measurement

Financial liabilities are initially measured at its fair value plus or minus, in the case of a financial liability not at FVTPL, transaction costs that are directly attributable to the issue/origination of the financial liability.

Subsequent measurement

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in statement of profit and loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in Statement of profit and loss. Any gain or loss on de-recognition is also recognized in statement of Profit and Loss.

De-recognition

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

(L) Property, Plant and Equipment (PPE)

Items of Property, plant and equipment are acquired or constructed are initially recognized at historical cost net of recoverable taxes, duties, trade discounts and rebates, less accumulated depreciation, amortisation and impairment loss, if any. The historical cost of Property, plant and equipment comprises of its purchase price, borrowing costs and adjustment arising for exchange rate variations attributable to the assets, including any cost directly attributable to bringing the assets to their working condition for their intended use. The estimated useful lives and amortisation period is reviewed at the end of each reporting period. Properties held are used for business purpose only and whenever it will be probable we will recognise as an investment property.

Capital Work-in-Progress represents Property, plant and equipment that are not ready for their intended use as at the reporting date.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

The Company identifies and determines cost of each component/part of the plant and equipment separately, if the component/part has a cost which is significant to the total cost of the plant and equipment and has useful lives that is materially different from that of the remaining plant and equipment.

The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the year in which they are incurred.

Gains and losses arising from de-recognition of PPE are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognized.

Depreciation methods, estimated useful lives and residual values

Depreciation is provided on written down value basis using the rates arrived at based on the useful lives prescribed under Schedule II to Companies Act, 2013.

Estimated useful lives, residual values and depreciation methods are reviewed annually, taking into account commercial and technological obsolescence as well as normal wear and tear and adjusted prospectively, if appropriate.

Advances paid towards the acquisition of PPE outstanding at each Balance Sheet date is classified as capital advances under 'Other non-current assets' and cost of assets not put to use before such date are disclosed under 'Capital work-in progress'.

The estimated useful lives of assets are as follows:

Category	Estimated Useful life
Buildings	60 years
Plant and machinery	5 to 15 years
Computer equipment and software	3 to 6 years
Office Equipment	5 to 15 years
Vehicle	3 to 5 years
Electrification	10 Years

(M) Intangible assets

Intangible assets purchased including acquired in a business combination are measured at cost of acquisition as at the date of acquisition. Following initial recognition, intangible assets are carried at cost less accumulated amortization and impairment losses, if any.

(N) Government Grants

Government grants are initially measured at amount receivable from the Government and are recognized on an accrual basis only if there is reasonable assurance that they will be received and the company will comply with the

conditions associated with the grant and for those grants which are uncertain are not recognized unless there is reasonable assurance of the same.

- In case of capital grants, they are then recognized in Statement of Profit and Loss on a systematic basis over the useful life of the asset.

- In case of grants that compensate the Company for expenses incurred are recognized in Statement of Profit and Loss on a systematic basis in the periods in which the expenses are recognized.

Export benefits available under prevalent schemes are accrued in the year in which the goods are exported and there is no uncertainty in receiving the same.

(O) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. The chief operating decision-maker, is responsible for allocating resources and assessing performance of the operating segments and makes strategic decisions. Refer Note 28 for segment information presented.

(P) Provisions and Contingent Liabilities

A provision is recognised when the company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimates required to settle the obligation at the balance sheet date.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably.

(Q) Borrowing Costs

Borrowing costs that are directly attributable to the acquisition or construction of a qualifying asset are capitalised as part of the cost of that asset till such time the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use.

Other borrowing costs are recognized as an expense in the period in which they are accrued / incurred.

(R) Cash flow statement

Cash flows are reported using the Indirect Method, as set out in Ind AS 7 'Statement of Cash Flow', whereby profit for the year is adjusted for the effects of transaction of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or

financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

(S) Investments in Subsidiaries:

Company's investment includes investment in RB Industries which is a partnership firm and having its registered office at Plot No. B-11/2 & B-11/3, Hojiwala Industrial Estate Road No.11, SUSML, Surat and company have control over the firm at the year-end 31st March 2024. Investments are carried at cost and at the end of each reporting period any addition made and share of profit of the partnership firm is added to the cost and any withdrawal of investment by the company and share of loss of the partnership firm is deducted.

The Company has invested in a partnership firm, "Ricon Industries" on 1st September, 2023. The Company is holding 20% share of profit in partnership firm. As per the provision of Ind AS, Ricon Industries is considered as subsidiary Partnership Firm of the company. Company have control over the firm at the year-end 31st March 2024. Investments are carried at cost and at the end of each reporting period any addition made and share of profit of the partnership firm is added to the cost and any withdrawal of investment by the company and share of loss of the partnership firm is deducted.

(T) Adoption of new accounting principles

Deferred tax related to assets and liabilities arising from a single transaction (amendments to Ind AS 12 -Income Taxes). The amendments clarify that lease transactions give rise to equal and offsetting temporary differences and financial statements should reflect the future tax impacts for the year ended 31 March 2024, of these transactions through recognizing deferred tax. T

The Company has adopted this amendment effective 1 April 2023. The Company previously accounted for deferred tax on leases on a net basis. Following the amendments, the Company has recognized a separate deferred tax asset in relation to its lease liabilities and a deferred tax liability in relation to its right-of-use assets. The adoption did not have any impact on the current and comparative periods presented in the standalone financial statements.

(U) Recent Indian Accounting Standards (Ind AS)

As on 31 March 2024, there are no new standards or amendments to the existing standards applicable to the Company which has been notified by Ministry of Corporate Affairs ("MCA") under Companies (Indian Accounting Standards) Rules.

Net gratuity cost/(benefit)	9.30	9.77

Gratuity is applicable only to employees drawing a salary in Indian rupees and there are no other foreign defined benefit gratuity plans.

The principal assumptions used for the purpose of actuarial valuation are as follows:

	March 31,2024	March 31,2023
Discount rate	7.19	7.35
Expected return on plan assets	N.A.	N.A.
Expected rate of salary increase	5%	5%

The discount rate is based on the prevailing market yields of Indian government securities for the estimated term of the obligations. The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors. Salary escalation and attrition rate are considered as advised by the the company; they appear to be line with the industry practice considering promotion and demand & supply of the employees.

Change in present value of defined benefit obligation is summarized below:

	March 31,2024	March 31,2023
Defined benefit obligation at the beginning of the year	13.17	13.68
Current service cost	8.34	8.85
Past service cost	-	-
Interest on obligation	0.97	0.92
Benefits paid	-	-
Remeasurement loss/(gains)	-	-
Actuarial loss/(gain) arising from financial assumptions	0.51	(1.46)
Actuarial loss/(gain) arising from demographic assumptions	-	-
Actuarial loss/(gain) arising from experience assumptions	(1.68)	(8.81)
Total	21.29	13.17

(f) Sensitivity Analysis

	March 31, 2023 (Amt in Rs)	March 31, 2023 (Amt in Rs)
Projected Benefit Obligation on Current Assumptions	21.29	13.17
Delta Effect of +1% Change in Rate of Discounting	(2.90)	(1.88)
Delta Effect of -1% Change in Rate of Discounting	3.58	2.34
Delta Effect of +1% Change in Rate of Salary Increase	3.63	2.37
Delta Effect of -1% Change in Rate of Salary Increase	(2.98)	(1.94)
Delta Effect of +1% Change in Rate of Employee Turnover	0.12	0.06
Delta Effect of -1% Change in Rate of Employee Turnover	(0.27)	(0.17)

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Risks associated with defined benefit plan

Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Interest rate risk: A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision.

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Company has to manage pay- out based on pay as you go basis from own funds.

Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

(v) **Financial Instruments**

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) prices in active market for identical assets or liabilities.
- Level 2 (if level 1 feed is not available/appropriate) - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 (if level 1 and 2 feed is not available/appropriate) - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amount approximates fair value due to the short maturity of these instruments. "

The fair value of cash and cash equivalents, trade receivables, borrowings, trade payables, other current financial assets and liabilities approximate their carrying amount largely due to the short-term nature of these instruments. The Company's long term debt and investment in fixed deposit have been contracted at market rates of interest. Accordingly, the carrying value of such instruments approximates their fair value.

The fair value of investment in shares of The Cosmos Co-operative Bank Ltd. and TJSB Sahkari bank Ltd. has been valued using cost approach and fair value of investment in shares of Shanti Spintex Ltd has been valued using Fair Market Value approach.

B. Financial Risk Management

The Company's activities expose it to variety of financial risks: market risk, credit risk, interest rate risk and liquidity risk. Within the boundaries of approved Risk Management Policy framework The Company uses derivative instruments to manage the volatility of financial markets and minimize the adverse impact on its financial performance.

i) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three

types of risk: interest rate risk, currency risk and other price risk, such as equity price risk.

a) Foreign Currency Risk

Foreign currency risk is the risk that the Fair Value or Future Cash Flows of an exposure will fluctuate because of changes in foreign currency rates. Exposures can arise on account of the various assets and liabilities which are denominated in currencies other than Indian Rupee.

The Company mainly deals in USD and hedge its risk with Futures contract.

b) Interest Rate Risk

The Company is also exposed to interest rate risk, changes in interest rates will affect future cash flows or the fair values of its financial instruments, principally debt. The Company issues debt in a variety of currencies based on market opportunities and it uses derivatives to hedge interest rate exposures.

c) Credit Risk

Credit risk is the risk that a customer or counterparty to a financial instrument fails to perform or pay the amounts due causing financial loss to the Company. Credit risk arises from company's activities in investments, dealing in derivatives and receivables from customers. The Company ensure that sales of products are made to customers with appropriate creditworthiness. Investment and other market exposures are managed against counterparty exposure limits. Credit information is regularly shared between businesses and finance function, with a framework in place to quickly identify and respond to cases of credit deterioration.

d) Liquidity Risk

Liquidity risk arises from the Company's inability to meet its cash flow commitments on the due date. The Company maintains sufficient stock of cash, marketable securities and committed credit facilities. The Company accesses global and local financial markets to meet its liquidity requirements. It uses a range of products and a mix of currencies to ensure efficient funding from across well-diversified markets and investor pools. Treasury monitors rolling forecasts of the Company's cash flow position and ensures that the Company is able to meet its financial obligation at all times including contingencies.

(ix) Operating Segment :

Ind AS 108, Operating segments, establishes standards for the way that public business enterprises report information about operating segments and related disclosures about products and services, geographic areas, and major customers. The Chief Operating Decision Maker evaluates the Group's performance and allocates resources based on analysis of various performance indicators by business segments. Accordingly, information has been presented along business segments. The accounting principles used in the preparation of the financial statements are consistently applied to record revenue and expenditure in individual segments, and are as set out in the accounting policies.

Revenue and identifiable operating expenses in relation to segments are categorized based on items that are individually identifiable to that segment.

The Management believes that it is not practical to provide segment disclosures relating to few costs and expenses, and accordingly these expenses are separately disclosed as "unallocated" and adjusted against the total income of the Group.

The Company has three segments. Denims manufacturing, Solar and Windmill. Operating segments are defined as components of a company for which discrete financial information is available that is evaluated regularly by Chief Operating Decision Maker ("CODM"), in deciding how to allocate resources and assessing performance.

Geographical revenues is allocated based on the location of the customer. Information regarding geographical revenue is as follows:

**To
The Board of Directors of
R & B Denims Limited**

Opinion

We have audited the accompanying consolidated Financial statements of **R & B Denims Limited** which comprise the Consolidated Balance Sheet as at 31st March, 2024, the Consolidated Statement of Profit and Loss, including the Statement of Other Comprehensive Income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the Consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at 31st March, 2024, its consolidated profits including other comprehensive income, its consolidated cash flows and the consolidated changes in equity for the year then ended on that date.

In our opinion and to the best of our information and according to the explanations given to us, the statement includes the results of the following subsidiary;

- a. RB Industries, Partnership Firm
- b. Ricon Industries, Partnership Firm

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Results" section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility for the Consolidated Financial Statements

The statement has been prepared on the basis of the consolidated annual financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of the Statement that give a true and fair view of the net loss and other comprehensive income and other financial information of the Group in accordance with the applicable accounting standards prescribed under section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the listing Regulations. The respective Board of Directors of the companies Included in the Group are responsible for maintenance of adequate accounting records In accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, Implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Statement by the Directors of the Holding Company, as aforesaid.

In preparing the Statement, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors/management of the company included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to Issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material If, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Director.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to, continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results / financial information of the entities within the Group of which we are the independent auditors and whose financial information we have audited, to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included In the Statement of which we are the Independent auditors.

Report on Other Legal and Regulatory Requirements

1 As required by Section 143(3) of the Act, we report that:

1.1) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

1.2) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

1.3) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

1.4) In our opinion, the aforesaid consolidated financial statements comply with the 120 Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the

Companies (Accounts) Rules, 2014 subject to the possible effects of the matters described in the Basis for Qualified Opinion paragraphs.

1.5) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act. vi) With respect to the adequacy of internal financial controls with reference to consolidated financial statements of the Group and its joint ventures incorporated in India and the operating effectiveness of such controls, refer to our separate report in "Annexure B".

1.6) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

a. The Company does not have any pending litigations which would impact its financial position.

b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

d. i) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries;

ii) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and 121

iii) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material misstatement.

e. The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.

viii) With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act, in our opinion and according to the information and explanations given to us, the limit prescribed by section 197 for maximum permissible managerial remuneration is not applicable to a private limited company.

ix) With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiary included in the consolidated financial statements of the

Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in the CARO report.

Materiality is the magnitude of misstatements in the Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Results.

We communicate with those charged with governance of the Holding Company and such other entities included In the Statement of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them a" relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 Issued by the Securities Exchange Board of India under Regulation 33(8) of the listing Regulations, to the extent applicable.

Other Matters

The Statement includes the results for the quarter ended March 31, 2024 being the balancing figures between the audited figures in respect of the full financial year ended March 31, 2024 and the published unaudited year-to-date figures up to the end of the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

Annexure 'A' to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of R & B Denims Limited ("the Company") as of 31 March, 2024 in conjunction with our audit of the consolidated Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of

consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

Notes to the consolidated financial statements

For the year ended March 31, 2024

(Rs in Lakhs, except share and per share data, unless otherwise stated)

1) THE COMPANY OVERVIEW:

R & B Denims Ltd. is a Public Limited Listed Company incorporated and domiciled in India. The address of its registered office is R & B Denims Limited, Block No. 467, Palsana - Sachin Highway, Gujarat, India. The Company is engaged in the business of manufacturing and sale of quality Denim Textile products. The company caters both domestic and international markets.

2) BASIS OF PREPARATION OF CONSOLIDATED FINANCIAL STATEMENTS:

Statement of compliance and basis of preparation

These consolidated financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time, the provisions of the Companies Act, 2013 ("the Companies Act") as applicable and guidelines issued by the Securities and Exchange Board of India ("SEBI").

Accounting policies have been applied consistently to all periods presented in these financial statements.

All amounts included in the consolidated financial statements are reported in lakhs of Indian rupees except share and per share data, unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

Basis of measurement

These consolidated financial statements have been prepared on going concern basis and a historical cost convention and on an accrual basis, except for the following material items which have been measured at fair value as required by relevant Ind AS;

- The defined benefit asset(liability) is as the present value of defined benefit obligation less fair value of plan assets and
- Financial instruments classified as fair value through profit or loss.

Use of estimates and judgment

The preparation of the consolidated financial statements in accordance with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from those estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgment in applying accounting policies that have the most significant effect on the amounts recognized in consolidated financial statements are included in the following notes:

- Useful lives of Property, plant and equipment [Note L*]
- Measurement of defined benefit obligations [Note D*]
- Provision for inventories [Note J*]
- Measurement and likelihood of occurrence of provisions and contingencies [Note P*]
- Deferred taxes [Note E*]

**As given in Company's Significant Accounting Policies in Standalone Financial Statements.*

3) MATERIAL ACCOUNTING POLICIES

The accounting policies, as set out in the following paragraphs of this note, have been consistently applied, to all the periods presented in these consolidated financial statements except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy. The Company adopted Disclosure of Accounting Policies (Amendments to Ind AS 1) from 1 April 2023. Although the amendments did not result in any changes in the accounting policies themselves, they impacted the accounting policy information disclosed in the consolidated financial statements. The amendments require the disclosure of 'material' rather than 'significant' accounting policies. The amendments also provide guidance on the application of materiality to disclosure of accounting policies, assisting entities to provide useful, entity-specific accounting policy information that users need to understand other information in the financial statements.

(A) Income Taxes:

Tax expense for the period comprises current and deferred tax. Income tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized in other comprehensive income in which case the tax also recognized in other comprehensive income and except to the extent that it relates to items recognized directly in equity. The tax currently payable is based on taxable profit for the period. Taxable profit differs from net profit as reported in the statement of profit and loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Reconciliation of Effective Tax Rate

The reconciliation between the income before income taxes and the income tax provision to the amount computed by applying the statutory income tax rate is summarized below.

Net interest on net defined benefit liability/(asset)	1.78	1.08
Net gratuity cost/(benefit)	17.19	12.01

Gratuity is applicable only to employees drawing a salary in Indian rupees and there are no other foreign defined benefit gratuity plans. The principal assumptions used for the purpose of actuarial valuation are as follows:

Discount rate	7.19%/7.21%/7.19%	7.35%/7.39%
Expected return on plan assets	N.A.	N.A.
Expected rate of salary increase	5%	0.05

The discount rate is based on the prevailing market yields of Indian government securities for the estimated term of the obligations. The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors. Salary escalation and attrition rate are considered as advised by the the company; they appear to be line with the industry practice considering promotion and

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Risks associated with defined benefit plan

Gratuity is a defined benefit plan and company is exposed to the

Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Interest rate risk: A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision.

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Company has to manage pay- out based on pay as you go basis from own funds.

Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.
