Notes:

1. A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE INSTEAD OF HIMSELF AND THE PROXY NEED NOT BE A MEMBER. Proxies, in order to be effective, must be deposited at the Registered Office of the company not less than 48 hours before the commencement of the meeting. A blank proxy form is enclosed herewith. Members are requested to note that a person can act as a proxy on behalf of Members not exceeding 50 (fifty) and holding in the aggregate not more than 10 % (ten percent) of the total share capital of the Company carrying voting rights. In case a proxy is proposed to be appointed by a member holding more than 10 % (ten percent) of the total share capital of the Company carrying voting rights, then such proxy shall not act as a proxy for any other person or Members.
2. Corporate Members intending to send their Authorized Representatives to attend the meeting are requested to send a Certified True Copy of the Board Resolution authorizing their Representative to attend and vote on their behalf at the Meeting.
3. Members, Proxies and Authorized Representatives are requested to bring the duly completed Attendance Slip enclosed herewith, to attend the AGM
4. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed Companies can be transferred only in dematerialized form with effect from April 1, 2022. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrars and Transfer Agents for assistance in this regard.
5. Members who still hold share certificates in physical form are advised to dematerialize their shareholding to avail the benefits of dematerialization, which include easy liquidity, since trading is permitted in dematerialized form only, electronic transfer, savings in stamp duty and elimination of any possibility of loss of documents and bad deliveries.
6. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. Members are requested to submit the said form to their DP in case the shares are held in electronic form and to RTA in case the shares are held in physical form.
7. The notice of AGM is being sent to those members/beneficial owners whose name will appear in the register of members/list of beneficiaries received from the depositories as on Friday, August 30, 2024.
8. The copy of Annual Report, Notice of 18th Annual General Meeting, notice of e-Voting etc. are being sent to the members through e-mail who have registered their e-mail ids with the Company/ Depository Participant (DPs)/ Company's Registrar and Transfer Agent (RTA). Members are requested to update their preferred e-mail ids with the Company/ Depository Participant (DPs)/ Company's Registrar and Transfer Agent (RTA), which will be used for the purpose of future communications.
9. Members whose e-mail ids are registered with the Company and who wish to receive printed copy of the Annual Report may send their request to the Company for the same at its registered office before the Annual General Meeting.

10. All the documents referred to in the Notice, Annual Report and Register of Director's Shareholding are open for inspection, during the business hours, at the Registered Office of the Company up to and including the date of Annual General Meeting.
11. The Register of Members and Share Transfer books of the Company shall remain closed during the Book Closure period i.e. Saturday, September 21, 2024, to Monday, September 30, 2024, both days inclusive.
12. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company.
13. The Members holding shares in the same name of same order of names under different folios are requested to send the share certificates for consolidation of such shares to the Company
14. Shareholder seeking any information with regard to the accounts is requested to write to the Company at an early date but not later than 10 days before the scheduled date of holding of Annual General Meeting.
15. In case of joint holders attending the meeting, only such joint holder who is higher in the order of names will be entitled to vote.
16. To support the 'Green Initiative', Members who have not yet registered their email addresses are requested to register the same with their Depository Participants ("DPs") in case the shares are held by them in electronic form and with RTA in case the shares are held by them in physical form. With a view to serving the Members better and for administrative convenience, an attempt would be made to consolidate multiple folios. Members who hold shares in identical names and in the same order of names in more than one folio are requested to write to the Company to consolidate their holdings in one folio.
17. The notice of the 18th Annual General Meeting and Annual Report for the Financial Year 2023-24 of the Company is also been uploaded on the website of the Company i.e., www.kridhan.com.
18. E-voting :
In compliance with the provisions of section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as substituted by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI (LODR) Regulations, 2015), the Company is pleased to provide its members the facility to exercise their right to vote on resolutions proposed to be considered at the 18th Annual General Meeting (AGM) by electronic means and the business may be transacted through e-voting services. The facility of casting the votes by the members using an electronic voting system from a place other than venue of the AGM ("remote e-voting") will be provided by Central Depository Services Limited (CDSL). The Members may cast their votes using an electronic voting system from a place other than the venue of the Meeting ("remote e-Voting").

The Company has appointed Mr. Rinkesh Gala, proprietor of M/s. Rinkesh Gala & Associates, Company Secretaries as Scrutinizer for conducting the e-voting process in a fair and transparent manner.

19. In terms of provisions of Section 107 of the Companies Act, 2013, since the Company is providing the facility of remote e-Voting to the shareholders, there shall be no voting by show of hands at the AGM. The facility for ballot / polling paper shall be made available at the Meeting and the Members attending the Meeting who have not cast their vote by remote e-Voting shall be able to vote at the Meeting through ballot / polling paper.
20. The Shareholders can opt for only one mode of voting i.e. remote e-Voting or physical polling at the meeting. In case of voting by both the modes, vote casted through remote e-Voting will be considered final and voting through physical ballot will not be considered. The members who have cast their vote by remote e-Voting may also attend the Meeting.
21. Route Map showing directions to reach to Venue of Meeting is provided in this Report.

VOTING THROUGH ELECTRONIC MEANS AND ATTENDING THE AGM

In compliance with the provisions of Section 108 of the Act read with Rules made there under and Regulation 44 of the Listing Regulations, the Company is offering evoting facility to all Members of the Company. A person, whose name is recorded in the Register of Members or in the Register of Beneficial Owners (in case of electronic shareholding) maintained by the Depositories as on the cut-off date i.e. Friday, September 20, 2024, only shall be entitled to avail the facility of remote e voting/ evoting at the AGM. CDSL will be facilitating remote evoting to enable the Members to cast their votes electronically. Members can cast their vote online from 9.00 A.M. (IST) on Friday, September 27, 2024 to 5.00 P.M. (IST) on Sunday, September 29, 2024. At the end of remote e-voting period, the facility shall forthwith be blocked.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- I. The voting period begins on 9.00 A.M. (IST) on Wednesday, September 27, 2024 to 5.00 P.M. (IST) on Sunday, September 29, 2024. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Friday, September 20, 2024, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- II. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- III. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants.** Demat account holders would be able to cast their vote without having to register again with the

ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- IV. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Management Discussion and Analysis
INDUSTRY STRUCTURE AND DEVELOPMENTS

OVERVIEW

The objective of this report is to convey the Management’s perspective on the external environment and infrastructure industry, as well as strategy, operating and financial performance, risks and opportunities and internal control systems and their adequacy in the Company during FY 2023-24. This should be read in conjunction with the Company’s financial statements, the schedules and notes thereto and other information included elsewhere in this Annual Accounts 2023-24. The Company’s financial statements have been prepared in accordance with Indian Accounting Standards (‘Ind AS’) complying with the requirements of the Companies Act, 2013, as amended and regulations issued by the Securities and Exchange Board of India (‘SEBI’) from time to time.

The Company has been facing some hurdles over the last few years due to liquidity mis-match. Despite of the uncertainties and challenges faced by the company, the management is optimistic of a resolution with its financial creditors and regain its position going forward due to strong fundamentals like product development, technology, manpower, quality, relationship etc.,

GLOBAL ECONOMIC OVERVIEW:

Global GDP growth is anticipated to improve slightly to 3.0% in 2025, following a stabilization at 2.9% in 2024. The ongoing geopolitical tensions, particularly the Russia-Ukraine conflict, alongside persistent inflationary pressures, continue to challenge the global economic environment. However, the easing of monetary policies by central banks, as inflation begins to moderate, is expected to provide some support to global growth.

In 2025, the United States is projected to experience a modest growth rate of 2.0%, benefiting from a more stable monetary environment. The Eurozone is forecasted to see a slight recovery with a growth rate of 1.2%, as energy markets stabilize and fiscal policies support recovery efforts. China's economy is expected to maintain a growth rate of 5.1%, driven by continued domestic demand and industrial expansion.

Global inflation is expected to decline further to 5.8% in 2025, as commodity prices stabilize and supply chain disruptions continue to resolve. Inflationary pressures in major economies like the US, Eurozone, China, and India are expected to ease, contributing to a more favorable global economic outlook.

DOMESTIC ECONOMIC OVERVIEW:

India's economic growth is expected to remain strong, with GDP projected to grow by 6.7% in FY 2024-25. The government's continued emphasis on infrastructure development through initiatives like the Gati Shakti plan and the Production Linked Incentive (PLI) scheme will be key drivers of industrial growth and competitiveness. As global businesses continue to diversify supply chains, India's position as a global manufacturing hub is expected to strengthen further.

India's ongoing digital transformation, supported by robust digital infrastructure, will continue to drive e-commerce growth and attract international investments in the technology sector. The widespread adoption of digital platforms is reshaping various sectors, including retail and services, further solidifying India's position in the global digital economy.

The long-term growth prospects of the Indian economy remain positive, with a growing middle class fueling consumer demand. India's large domestic market, coupled with a dynamic industrial sector, continues to attract multinational investments across various sectors. Additionally, India's burgeoning startup ecosystem is expected to remain a significant driver of economic growth, supported by foreign investments and a tech-savvy population.

INDIAN ECONOMY:

Capital investment is projected to remain at approximately 3.5% of GDP, bolstering private sector investments, job creation, and overall economic growth. Significant investments in the energy sector, particularly in energy transition projects such as the Green Hydrogen Mission, will play a crucial role in driving growth. Key steel-consuming sectors are expected to perform well in FY 2024-25, with government-led infrastructure projects and an improving global semiconductor supply chain providing support.

The government's focus on CAPEX-led growth is evident in the FY 2024-25 budget, with an allocation of INR 14 lakh crore for infrastructure development, marking a 35% increase over the previous year. This expenditure is expected to significantly contribute to GDP growth, particularly in sectors like railways, national highways, and housing, which are essential for driving steel demand.

HOUSING AND INFRASTRUCTURE PUSH:

The cement industry is set to benefit from ongoing infrastructure projects and robust demand in the housing, commercial, and industrial segments. Government policies, including increased budget allocations for highway and road infrastructure, are expected to sustain growth in this sector. The PM Awas Yojana, with its extended Credit-linked Subsidy Scheme (CLSS) until 2027, will continue to support growth in the real estate sector, especially in affordable housing.

DEMAND FROM GROWING URBANIZATION:

Urbanization will remain a key driver of demand for cement and steel, with construction activities in metropolitan, semi-urban, and urban areas continuing to grow. Large-scale residential projects under the PMAY program are expected to boost the residential real estate sector, leading to increased consumption and spending in these markets.

OUTLOOK:

The outlook for India's economy in FY 2024-25 remains positive, with strong urban consumption and infrastructure spending expected to drive growth. Demand is projected to grow at 7.6% in 2025, supported by robust consumer spending and government-led infrastructure projects. The steel and cement sectors are likely to see favorable growth opportunities, with continued investments in housing and infrastructure. The Union Budget 2024-25's allocation of \$13 billion for safe housing, sanitation, and road connectivity reflects the government's commitment to sustained infrastructure development.

OPPORTUNITIES:

With inflation well-managed and economic growth on a healthy trajectory, India is well-positioned for continued expansion. The anticipated pre-election spending, coupled with a busy construction

season, is expected to drive volume growth in the steel industry, with production likely reaching 430-440 million tonnes.

THREATS:

However, the economic environment remains complex, with risks stemming from geopolitical tensions, particularly in neighbouring regions, and persistent inflationary pressures. High interest rates could also pose challenges to sustained growth. In the US, economic growth may be constrained by ongoing fiscal and monetary policies. Europe continues to face recession risks, exacerbated by high natural gas prices, which are dampening consumer spending and wage growth. The ongoing energy crisis resulting from the Russia-Ukraine war, along with tight monetary policies by the ECB and the Bank of England, will continue to impact Europe's growth potential.

ENVIRONMENT & SAFETY

We are conscious of the need for an environmentally clean and safe operations. Our policy requires all operations to be conducted in way so as to ensure safety of all concerned, compliance of statutory and industrial requirement for environment protection and conservation of natural resources.

RISK AND CONCERNS:

The Company had a well-defined risk management mechanism covering risk analysis, exposure, potential impact, and risk mitigation processes. We assess the overall risk exposure from both top-

down and bottom-up perspectives, which are then consolidated to provide a bird's eye view of our risk profile.

The subsidiary Company at Singapore, viz Readymade Steel Singapore Pte Ltd., is under liquidation process. The Company has already impaired its investments and loan outstanding in the said subsidiary. The accumulated losses in the previous years have resulted in erosion of Company's net worth. The Company has submitted its plan for settlements to its lenders, for long term viable solution, which is under active consideration.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Management monitors and evaluates the efficacy and adequacy of internal control systems in the Company, its compliance with operating systems, accounting procedures and policies at all locations of the Company. Based on the report of management, process owners undertake corrective action(s) in their respective area(s) and thereby strengthen the controls.

The Audit Committee reviews the reports submitted by the management. Also, the Audit Committee has independent sessions with the external auditor and the Management to discuss the adequacy and effectiveness of internal financial controls over financial reporting and internal financial controls respectively.

CAUTIONARY STATEMENT

Statement in this Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions may be "forward-looking statements" within the meaning of applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include raw material availability and prices, cyclical demand and pricing in the Company's principal markets, changes in Government regulations, tax regimes, economic developments within India and the countries in which the Company conducts business and other incidental factors.

REPORT ON CORPORATE GOVERNANCE

The Directors present the Company's Report on Corporate Governance for the year ended March 31, 2024, in terms of Regulation 34(3) read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (The "Listing Regulations").

1. COMPANY'S PHILOSOPHY ON CODE OF CORPORATE GOVERNANCE:

The ethical values are the foundation of Company's governance philosophy which has become a part of its culture. We feel proud to belong to a Company whose visionary founders laid the foundation stone for good governance long back and made it an integral principle of the business. We strongly believe that in business, there is something more important than just top line and bottom line and hence, each of us needs to strive towards producing our very best in all we do, so that, we not only fulfill the needs of each and every consumer, but also far exceed their expectations. This is what has set us apart and this may be the very reason that we have been able to enjoy a very special relationship with our consumers. After all, when you strive, with every sinew to be the best you can be, it will show.

Corporate Governance is about commitment to values and ethical business conduct. Our actions are governed by our values and principles, which are reinforced at all levels within the Company. Commodity Price Risk/Foreign Exchange Risk And Hedging Activities

Price risk

Price risk is the risk that the profits and cashflows will fluctuate because of changes in the market prices. The Company is exposed in the ordinary course of its business to risks related to commodity prices.

Foreign currency risk management

The Company's functional currency is Indian Rupees (Rs.). The Company undertakes transactions denominated in foreign currencies; consequently, exposure to exchange rate fluctuations arise. Volatility in exchange rates affects the Company's revenue from export markets and the costs of imports, primarily in relation to raw materials.

The Company seeks to minimise the effects of these risks by continuous monitoring and using derivative financial instruments to hedge risk exposures, wherever permissible and cost effective. The Company does not enter into or trade financial instruments, including derivatives for speculative purposes.

Compliance Certificate on Corporate Governance

To,
The Members of
KRIDHAN INFRA LIMITED
203, Joshi Chambers, Ahmedabad Street,
Carnac Bunder, Masjid (East),
Mumbai 400009

We have examined the compliance of the conditions of Corporate Governance by Kridhan Infra Limited ('the Company') for the year ended on March 31, 2024, as stipulated under Regulations 17 to 27, clauses (b) to (i) and (t) of sub-regulation (2) of Regulation 46 and para C, D & E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ("SEBI Listing Regulations").

The compliance of the conditions of Corporate Governance is the responsibility of the Company's management. Our examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the representations and explanations given to us, the disclosures made by the management in the Corporate Governance Report and to the stock exchanges and considering the relaxations granted by the Ministry of Corporate Affairs and, Securities and Exchange Board of India, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the year ended on March 31, 2024.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Independent Auditor's Report

**To The Members of
Kridhan Infra Limited**

Report on the Audit of Standalone Financial Statements

Qualified Opinion

We have audited the accompanying standalone financial statements of Kridhan Infra Limited ("the Company"), which comprises of Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects/possible effects, if any, of the matters described in the "Basis for Qualified Opinion" paragraph of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, its loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

As explained in Note 56 to the Standalone Statement, the Company has not provided for any further interest liability on its outstanding Bank borrowings since they have continued to remain under NPA classification.

In absence of any further detailed information and management's estimates of reliefs and concessions to be obtained from Settlement proposals being pursued, we are unable to comment upon the resultant impact, if any, on the standalone financial statements for the year ended March 31, 2024, which may arise on account of non-provision of interest, reliefs & concessions on borrowings as referred above.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Standalone financial statements.

Material Uncertainty Related to Going Concern:

We draw attention to Note No. 57 to the standalone financial statements which explains that the loss incurred in the current year and past years have resulted in erosion of Company’s Net worth. These condition along with the fact that the Company has continued to remain NPA with its lenders indicate the existence

of a material uncertainty that may cast significant doubt about the Company’s ability to continue as a going concern. However, the standalone financial statements of the Company have been prepared on a going concern basis for the reasons stated in Note No. 57 to the Standalone Financial Statements.

Emphasis of Matter

We draw attention to Note No. 39 of the standalone financial statements, wherein the Company has made an assessment of the realisability of its Trade receivables, Investments and Loans and Advances and based on such assessment, has reversed provisions on account of realization of Receivable of Rs. 893.74 lakhs towards its outstanding trade receivables, Impairment Provision of Rs. 3,471.48 Lakhs towards its Investments and Loans and Advances.

These amounts have been disclosed under Exceptional Items.

Our opinion is not modified in respect of the above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Standalone Financial Statements and auditor’s report thereon

The Company’s Board of Directors is responsible for the preparation of other information. The Other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to the Board report, Business responsibility Report, Corporate Governance report and Shareholder’s information, but does not include the standalone financial statement and our auditor’s report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Financial Statements

The Company’s Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial control system with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative

factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the Standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
 - (a) Except for the matters stated in "Basis for Qualified Opinion" paragraph above, we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) Except for the matters stated in "Basis for Qualified Opinion" paragraphs above, in our opinion, proper books of account as required by law have been kept by the company so far as it appears from our examination of those books and records.
 - (c) The Standalone Balance sheet, the Standalone Statement of Profit & Loss (including other comprehensive income), Standalone Statement of Changes in Equity and the Standalone Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) Except for the effects / possible effects of matters described in the "Basis for Qualified Opinion" paragraphs above, in our opinion, the aforesaid Standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015.
 - (e) On the basis of the written representation received from the directors as on March 31, 2024 taken on records by the Board of Directors, none of the directors are disqualified as on March 31, 2024 from being appointed as a Directors in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, No remuneration has been paid to the directors by the Company. Hence, provisions of Section 197 of the Act does not apply.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The standalone financial statements have disclosed the impact of the pending litigations on its financial position of the company and its associates. (Refer Note No. 42 to the standalone financial statements)
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representation under sub clause (i) and (ii) of Rule 11(e) of The Companies (Audit and Auditors) Rules, 2014, as provided under (a) and (b) above, contains any material misstatement.

Annexure “A” referred to in “Report on Other Legal and Regulatory Requirements” section of our report to the members of Kridhan Infra Limited of even date:

i. (a) In respect of Company’s Property, Plant and Equipment (PPE) and Intangible Assets:

The Company has maintained proper records, showing full including quantitative details and situation of Property, Plant and Equipment (PPE) and Intangible Assets.

(b) As explained to us, the Company has a phased program for physical verification of the PPE. In our opinion, the frequency of verification is reasonable, considering the size of the Company and nature of its PPE. A major portion of fixed assets have been physically verified by the management in accordance with the program of verification. According to the information and explanations given to us, the discrepancies noticed on such verification were properly dealt with in the books of account.

(c) According to the information and explanations given to us and on the basis of our examination and records of the Company, the title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favors of the lessee) are held in the name of the Company.

(d) The Company has not revalued its Property, Plant and Equipment (including right of use assets) or intangible assets or both during the year and hence reporting under clause 3(i)(d) of the Order is not applicable to the Company.

(e) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records, neither any proceedings have been initiated during the year nor are pending as at March 31, 2024 for any benami property under the Benami Transactions (Prohibition) Act, 1988, as amended, and rules made thereunder and hence reporting under clause 3(i)(e) of the Order is not applicable to the Company.

ii. (a) The Company does not carry any inventory as at March 31st, 2024 and therefore, clause 3(ii)(a) is not applicable to the Company.

(b) According to the information and explanations given to us, Company has not filed the quarterly statements with the bank and accordingly we are unable to comment upon the clause 3(ii)(b) of the order.

iii. According to the information and explanations given to us, during the year, the Company has not made investments or granted loans and advances secured or unsecured or provided any guarantee or security to companies, firms, limited liability partnership or any other parties during the year and hence sub-clauses

iii (a) to (f), under clause (iii) of the Order are not applicable.

iv. In our opinion and according to the information and explanations given to us and on the basis of our examination of the records, the Company has complied with the provisions of section 185 and 186 of the Act, to the extent applicable with respect to the guarantee provided during the year. The Company has not granted any loans to parties covered under Section 185 of the Act.

v. In our opinion and according to the information and explanations given to us, no deposits or amounts which are deemed to be deposits within the meaning of Section 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 2014 have been accepted by the Company and hence reporting under clause 3(v) of the Order is not applicable to the Company.

vi. As per the information and explanations provided to us, we are of the opinion that the maintenance of cost records has not been specified by the Central Government under subsection (1) of section 148 of the Act for the company.

vii. (a) According to the information and explanations given to us and on the basis of our examination of the records, the Company is generally regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues to the appropriate authorities.

(b) According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, service tax, sales-tax, duty of custom, duty of excise, value added tax, goods and service tax, cess and other material statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable, except for Tax Deducted at Source of Rs 3.14 lakhs pertaining to FY 2023-24 & Rs 2 lakhs pertaining to FY 2022-23.

(c) According to the information and explanations given to us, there are certain cases of applicable statutory dues which have not been deposited on account of any dispute, which are detailed hereunder:

Nature of statute and Nature of Dues	Forum where dispute is pending	FY to which the amount relates	Amount involved (Rs in Lacs)
Sales Tax	Deputy Commissioner of Sales Tax	2009-10, 2010-11, 2016-17, 2017-18	1330
Income Tax under Income Tax Act,1961	Commissioner of Income Tax (Appeals)	2011-12	637
	Commissioner of Income Tax (Appeals)	2017-18	2

viii. According to the information and explanations given to us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) and hence reporting under clause 3(viii) of the Order is not applicable to the Company.

ix. (a) Based on our audit procedures and on the basis of information and explanations given to us, the Company has defaulted in repayment of borrowings from Union Bank of India for a period of 1155 days. The amount of default as at the balance sheet date is Rs. 2005 Lakhs.

(b) The Company has not been declared as willful defaulter by any bank or financial institution or other lender.

(c) In our opinion and according to the information and explanations given to us, the Company has not taken any term loan during the year and hence, reporting under clause (ix)(c) of the Order is not applicable.

(d) In our opinion and according to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, funds raised by the Company on short term basis have not been utilized for long term purposes.

(e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries and hence reporting under clause 3(ix)(e) of the Order is not applicable to the Company.

(f) Based on our audit procedures and on the basis of information and explanations given to us, during the year the Company has not raised any funds on the pledge of securities held in its subsidiaries and hence reporting under clause 3(ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause (x)(a) of the Order is not applicable.

(b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment, private placement of shares or fully or partly convertible debentures during the year or in the recent past and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of fraud by or on the Company, noticed or reported during the year, nor have we been informed of such case by the management.

(b) During the year, no report under sub section 12 of Section 143 of the Act has been filed by us in Form ADT-4 as prescribed in rule 13 of Companies (Audit and Auditors) rules, 2014 with the Central Government.

(c) Based on our audit procedures performed and according to the information and explanations given to us, no whistle blower complaints received during the year by the Company and hence reporting under clause 3 (xi) (c) of the Order is not applicable to the Company.

xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable to the Company.

xiii. According to the information and explanations given to us and based on our examination of the records of the Company, all the transactions with related parties are in compliance with section 177 and 188 of the Act and all the details have been disclosed in the standalone financial statements as required by the applicable Accounting Standard (Refer Note 37 to the standalone financial statements).

xiv. (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and nature of its business.

(b) We have considered the internal audit reports for the year under audit issued to the Company during the year and till date, in determining nature, timing and extent of our audit procedure.

xv. According to the information and explanations given to us, the Company has not entered into any non-cash transactions prescribed under Section 192 of the Act with directors or persons connected with them during the year.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and hence reporting under clause 3(xvi) (a), (b) and (c) of the Order is not applicable to the Company.

(b) In our opinion, there is no core investment company within the “Companies in the Group” as defined in the Core Investment Companies (Reserve Bank) Directions, 2016 and hence reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.

xvii. The Company has not incurred cash losses during the financial year covered by our audit and has incurred cash loss of Rs 225 lakhs in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors of the Company during the year. Hence reporting under Clause 3(xviii) of the Order is not applicable to the Company.

xix. As referred to in ‘Material uncertainty related to Going concern’ paragraph in our audit report and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other

information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, there exists a material uncertainty that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. In our opinion and according to the information and explanations given to us and the records examined by us, no amount was required to be spent by the Company on the activities of CSR, as per provisions of Companies Act, 2013.

Accordingly, reporting under paragraph 3(xx) of the Order are not applicable to the Company.

xxi. The reporting under clause 3(xxi) is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

Report on the Internal Financial Controls with reference to standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls with reference to standalone financial statements of the **Kridhan Infra Limited** (“the Company”) as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential component of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s Internal Financial Controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness.

Our audit of Internal Financial Controls with reference to financial statements included obtaining an understanding of Internal Financial Controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the entity are being made only in accordance with authorizations of management; (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the entity's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of Internal Financial Controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the best of our information and according to the explanations given to us, the Company has, broadly in all material respects, an adequate internal financial controls system with reference to financial statements and such Internal Financial Controls with reference to financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential Component of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting issued by the Institute of Chartered Accountants of India.

Significant accounting policies and explanatory notes to Standalone Financial Statements

1	Corporate Information Kridhan Infra Limited ('Kridhan' or 'the Company') is a public limited company domiciled and incorporated in India having its registered office at 203, Joshi Chambers, Ahmedabad Street, Carnac Bunder, Masjid. Mumbai- 400 009. The Company's shares are listed and traded on Stock Exchanges in India. The Company is engaged in the business of trading in iron and steel and allied materials.
2.	Application of new Indian Accounting Standards
2.1	All the Indian Accounting Standards issued under section 133 of the Companies Act, 2013 and notified by the Ministry of Corporate Affairs (MCA) under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) till the financial statements are authorized have been considered in preparation of these Financial Statements.
2.2	Recent Accounting Pronouncements Standards issued but not yet effective: In March 2023, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) Amendment Rules, 2023 which amended certain Ind AS as explained below: i. Ind AS 1 – Presentation of Financial Statements The amendment prescribes disclosure of material accounting policies instead of significant accounting policies. The impact of the amendment on the Financial Statements is expected to be insignificant basis the preliminary evaluation. ii. Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors – The amendment added definition of accounting estimate and clarifies what is accounting estimate and treatment of change in the accounting estimate and accounting policy. There is no impact of the amendment on the Financial Statements basis the preliminary evaluation. ii. Ind AS 12 – Income taxes – The definition of deferred tax asset and deferred tax liability is amended to apply initial recognition exception on assets and liabilities that does not give rise to equal taxable and deductible temporary differences. There is no impact of the amendment on the Financial Statements basis the preliminary evaluation. The above amendments are effective from annual periods beginning on or after 1st April, 2023.
3.	Significant accounting policies
3.1	Statement of compliance In accordance with the notification dated 16 th February, 2015, issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) with effect from April 1, 2017. The Financial Statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended).
3.2	Basis of preparation The Financial Statements have been prepared on the historical cost convention on accrual basis

	<p>except for certain assets that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.</p> <p>Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.</p> <p>As the operating cycle cannot be identified in normal course, the same has been assumed to have duration of 12 months. Accordingly, all assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Ind AS-1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013.</p> <p>The Standalone Financial Statements are presented in Indian Rupees and all values are rounded off to the nearest lakhs except otherwise stated.</p>
	<p>Fair value measurement</p> <p>Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.</p> <p>The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:</p> <ul style="list-style-type: none"> (a) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities. (b) Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1 for the asset or liability. (c) Level 3 inputs are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants.
3.3	Investments in subsidiaries and associates
	<p>The Company records the investments in subsidiaries and associates at cost less impairment loss, if any.</p> <p>On disposal of investment in subsidiary and associate, the difference between net disposal proceeds and the carrying amounts (including corresponding value of dilution in deemed investment) are recognized in the Statement of Profit and Loss.</p> <p>Interest free loans provided to subsidiary are recognized at amount paid on the date of disbursement.</p>
3.4	Property, Plant and Equipment
	<p>The Company had elected to continue with the carrying value of all of its Property, Plant and Equipment recognized as of April 1, 2016 (transition date) measured as per the Previous GAAP and used that carrying value as its deemed cost as of the transition date except in respect of its Land which has been measured at Fair Value as on the transition date.</p> <p>Freehold land is not depreciated.</p> <p>Property, Plant and Equipment (PPE) used for business purposes are carried at cost, less any accumulated depreciation and recognized impairment loss. The cost of an asset comprises its purchase price or its construction cost (net of applicable tax credits), any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the Management. It includes professional fees and, for qualifying assets, borrowing costs capitalized in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of PPE when completed and ready for intended use. Parts of an item of PPE having different useful lives and significant value and subsequent expenditure on Property, Plant and Equipment arising on account of capital improvement or other factors are accounted for as separate components.</p> <p>Depreciation of PPE commences when the assets are ready for their intended use.</p>

	<p>Depreciation is provided over the useful life of PPE as stated in the Schedule II to the Companies Act, 2013 or based on technical assessment by the Company.</p> <p>The estimated useful lives, residual values and depreciation method are reviewed periodically and if necessary, changes in estimates are accounted for prospectively.</p> <p>Depreciation on additions / deletions to PPE during the year is provided for on a pro-rata basis with reference to the date of additions/deletions except low value items not exceeding Rs. 5,000/- which are fully depreciated at the time of addition.</p> <p>An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the net sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.</p>
3.5	Intangible Assets
	<p>Intangible assets acquired separately</p> <p>Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Amortization is recognized on a straight-line basis over their estimated useful lives not exceeding five years from the date of capitalization. The estimated useful life is reviewed at the end of each reporting period and the effect of any changes in estimate being accounted for prospectively.</p> <p>Intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset, and recognized in the Statement of Profit and Loss when the asset is derecognized.</p>
3.6	Impairment of tangible and intangible assets
	<p>The Company reviews the carrying amount of its tangible and intangible assets at the end of each reporting period to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).</p> <p>An assessment is made at the end of each reporting period to see if there are any indications that impairment losses recognized earlier may no longer exist or may have come down. The impairment loss is reversed, if there has been a change in the estimates used to determine the asset's recoverable amount since the previous impairment loss was recognized. If it is so, the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. After a reversal, the depreciation charge is adjusted in future periods to allocate the asset's revised carrying amount, less any residual value, on a systematic basis over its remaining useful life. Reversals of Impairment loss are recognized in the Statement of Profit and Loss.</p>
3.7	Inventories comprising of saleable stock are valued at cost or Net Realizable Value, whichever is lower.
	Consumable stock are valued at Cost.
3.8	Revenue recognition
(i)	Revenue from sale of goods is recognized when control of the products being sold is transferred to our customer and when there are no longer any unfulfilled obligations. The Performance Obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on terms with customers

	<p>Revenue from services is recognized when the outcome of services can be estimated reliably and it is probable that the economic benefits associated with rendering of services will flow to the Company, and the amount of revenue can be measured reliably.</p> <p>Revenue is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, volume rebates and any taxes or duties collected on behalf of the Government such as Goods and Services Tax, etc. Any retrospective revision in prices is accounted for in the year of such revision.</p>
(ii)	Interest on Fixed Deposits is recognized on accrual basis.
(iii)	Income from sale of Scrap is accounted on cash basis.
(iv)	Dividend income from investments is recognized when the shareholder's right to receive payment is established.
3.9	Foreign Exchange Transactions
	<p>The functional currency of the Company is Indian Rupees which represents the currency of the primary economic environment in which it operates.</p> <p>Transactions in currencies other than the Company's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated using mean exchange rate prevailing on the last day of the reporting period.</p> <p>Exchange differences on monetary items are recognized in the Statement of Profit and Loss in the period in which they arise.</p>
3.10	Borrowing Cost
	<p>Interest/Finance Cost on loans specifically borrowed for and expansion of projects, up to the point when the project is ready for start of commercial production is charged to the capital cost of the projects concerned.</p> <p>All other borrowing costs are charged to revenue.</p>
3.11	Employee Benefits
	<p>Employee benefits include salaries, wages, provident fund, gratuity, and other terminal benefits.</p> <p>All short term employee benefits are recognized at their undiscounted amount in the accounting period in which they are incurred.</p> <p>Defined contribution plans</p> <p>Employee Benefit under defined contribution plans comprising provident fund is recognized based on the undiscounted amount of obligations of the Company to contribute to the plan. The same is paid to the EPFO and charged to the statement of profit and loss.</p> <p>Defined benefit plans</p> <p>Defined retirement benefit plans comprising of gratuity and other terminal benefits, are recognized based on the present value of defined benefit obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted.</p> <p>The retirement benefit obligation recognized in the Financial Statements represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of</p>

	reductions in future contributions to the plans.
3.12	Income Taxes
	<p>Income tax expense represents the sum of the current tax and deferred tax.</p> <p>Current tax The tax currently payable is based on taxable profit for the year. Taxable profit differs from ‘profit before tax’ as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company’s current tax is calculated using tax rates and laws that have been enacted or substantively enacted by the end of the reporting period.</p> <p>Deferred tax Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.</p>
3.13	Provisions, Contingent Liabilities and Contingent Assets
	<p>Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable. Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.</p>
3.14	Financial instruments
	<p>Financial assets and financial liabilities are recognized when Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities,</p>

	as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in the Statement of Profit and Loss.
3.15	Equity instruments
	Equity instruments issued by the Company are recorded at the proceeds received.
3.16	Financial assets
	<p>(i) Cash and cash equivalents The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.</p> <p>(ii) Financial assets at amortised cost Financial assets are subsequently measured at amortized cost using the effective interest method if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.</p> <p>(iii) Financial assets at fair value through other comprehensive income Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.</p> <p>The Company has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of equity investments not held for trading.</p> <p>(iv) Financial assets at fair value through profit or loss Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition.</p> <p>(v) Impairment of financial assets The Company assesses at each balance sheet date whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to 12 month expected credit losses or at an amount equal to lifetime expected losses, if the credit risk on the financial asset has increased significantly since initial recognition.</p> <p>(vi) Derecognition of financial assets The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially</p>

	<p>all the risks and rewards of ownership of the asset to another party.</p> <p>On derecognition of a financial asset in its entirety (except for equity instruments designated as FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognized in the Statement of Profit and Loss.</p>
3.17	Financial liabilities
	<p>a) Financial liabilities Financial liabilities are measured at amortized cost using the effective interest method.</p> <p>b) Derecognition of financial liabilities The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in the Statement of Profit and Loss.</p>
3.18	Earnings per share
	<p>Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.</p>
3.19	Cash Flow Statement
	<p>Cash flows are reported using the indirect method, whereby profit after tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.</p>
3.20	Segment reporting
	<p>Operating segments are identified and reported taking into account the different risks and returns, the organization structure and the internal reporting systems.</p>
4.	Critical Accounting Judgments, Assumptions and Key Sources of Estimation Uncertainty
	<p>Inherent in the application of many of the accounting policies used in preparing the Financial Statements is the need for Management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of revenues and expenses. Actual outcomes could differ from the estimates and assumptions used.</p> <p>Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.</p> <p>Key source of judgments, assumptions and estimation uncertainty in the preparation of the Financial Statements which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are in respect of impairment, useful lives of Property, Plant and Equipment, employee benefit obligations, impairment, provision for income tax, measurement of deferred tax assets and contingent assets and liabilities.</p>

4.1	Critical judgments in applying accounting policies
	The following are the critical judgements, apart from those involving estimations (Note 4.2), that the Management have made in the process of applying the Company's accounting policies and that have the significant effect on the amounts recognized in the Financial Statements.
	<p>(a) Determination of functional currency Currency of the primary economic environment in which the Company operates (“the functional currency”) is Indian Rupee (Rs.) in which the Company primarily generates and expends cash. Accordingly, the Management has assessed its functional currency to be Indian Rupee (Rs.).</p>
	<p>(b) Classification of investment Judgement is required in assessing the level of control obtained in a transaction to acquire an interest in another entity; depending upon the facts and circumstances in each case, the Company may obtain control, joint control or significant influence over the entity or arrangement. Transactions which give the Company control of a business are business combinations. If the Company obtains joint control of an arrangement, judgement is also required to assess whether the arrangement is a joint operation or a joint venture. If the Company has neither control nor joint control, it may be in a position to exercise significant influence over the entity, which is then classified as an associate.</p>
4.2	Assumptions and key sources of estimation uncertainty
	Information about estimates and assumptions that have the significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may differ from these estimates.
	<p>(a) Impairment of assets Determination as to whether, and by how much, asset is impaired involves Management estimates on uncertain matters such as future prices, the effects of inflation on operating expenses, discount rate etc.</p> <p>(b) Litigations From time to time, the Company is subject to legal proceedings and the ultimate outcome of each being always subject to many uncertainties inherent in litigation. A provision for litigation is made when it is considered probable that a payment will be made and the amount of the loss can be reasonably estimated. Significant judgment is made when evaluating, among other factors, the probability of unfavourable outcome and the liability to make a reasonable estimate of the amount of potential loss. Provision for litigations are reviewed at the end of each accounting period and revisions made for the changes in facts and circumstances.</p>

KRIDHAN INFRA LIMITED
Notes to the Standalone Financial Statements (Contd.)
33 Financial instruments

The details of significant accounting policies, including criteria for recognition, the basis of measurement and the basis on which income and expenditure are recognised, in respect of each class of financial asset, financial liability and equity instrument are disclosed below and Note 3.

A Calculation of fair values

The fair values of the financial assets and liabilities are defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The following methods and assumptions were used to estimate the fair values of financial instruments:

- i The fair value of the long-term borrowings carrying floating-rate of interest is not impacted due to interest rate changes and will not be significantly different from their carrying amounts as there is no significant change in the under-lying credit risk of the Company (since the date of inception of the loans).
- ii Cash and cash equivalents, trade receivables, investments in term deposits, other financial assets, trade payables, and other financial liabilities have fair values that approximate to their carrying amounts due to their short-term nature.

Financial Assets and Liabilities

The accounting classification of each category of financial instruments, and their carrying amounts are set out as below:

a. Financial Assets

c. Fair value hierarchy

The Company uses the following hierarchy for determining and/or disclosing the fair value of financial instruments by valuation techniques:

The categories used are as follows:

- Level 1: It includes financial instruments measured using quoted prices and the mutual funds are measured using the closing Net Asset Value (NAV).
- Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The below table summarises the categories of financial assets and liabilities as at March 31, 2024 and March 31, 2023 measured at fair value:

36 Financial risk management objectives and policies

(All amounts in Rupees Lakh, unless otherwise stated)

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

In performing its operating, investing and financing activities, the Company is exposed to the

- Credit risk;
- Market Risk;
- Interest Rate;
- Liquidity risk

A) Credit Risk

Credit risk arises from the possibility that the value of receivables or other financial assets of the Company may be impaired because counterparties cannot meet their payment or other performance obligations.

To manage credit risks from trade receivables other than Related Party, the credit managers from Order to Cash department of the Company regularly analyse customer's receivables, overdue and payment behaviours. Some of these receivables are collateralised and the same is used according to conditions. These could include advance payments, security deposits, post-dated cheques etc. Credit limits for this trade receivables are evaluated and set in line with Company's internal guidelines. There is no significant concentration of default risk.

Credit risks from financial transactions are managed independently by Finance department. For banks and financial institutions, the Company has policies and operating guidelines in place to ensure that financial instrument transactions are only entered into with high quality banks and financial institutions. The Company had no other financial instrument that represents a significant concentration of credit risk.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through out each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty,
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
- iv) Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectations of recovery. Where loans or receivables have been written off, the Company continues engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized in statement of profit & loss.

For other financial assets, the Company assesses and manages credit risk based on internal control and credit management system. The finance function consists of a separate team who assess and maintain an internal credit management system. Internal credit control and management is performed on a Company basis for each class of financial instruments with different characteristics.

The Company considers whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. It considers available reasonable and supportive forward-looking information.

Macroeconomic information (such as regulatory changes, market interest rate or growth rates) are also considered as part of the internal credit management system.

A default on a financial asset is when the counterparty fails to make payments as per contract. This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors.

The Company measures the expected credit loss of trade receivables from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, no additional provision has been considered necessary in respect of trade receivables since the management has taken suitable measures to recover the said dues and is hopeful of recovery in due course of time. However, inresult of the best efforts made by management, some receivables which were continuing since earlier years realised due to which an amount of 712 lakhs (Previous Year -284 lakhs) has been reversed during the year and provision for bad debts for an amount of Rs. 712 lakhs (Previous Year Rs. -200 lakhs) has been reversed.

The Company maintains exposure in cash and cash equivalents, deposits with banks, investments, and other financial assets. Individual risk limits are set for each counter-party based on financial position, credit rating and past experience. Credit limits and concentration of exposures are actively monitored by the Management of the Company. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. Additionally, considering the COVID 19 situation, the Company has also assessed the performance and recoverability of trade receivables. The Company believes that the current value of trade receivables reflects the fair value/ recoverable values.

Credit risk on Financial Assets

The company is primarily engaged in the business of trading in Iron and Steel. Payments by it are typically not secured by any form of credit support such as letters of credit, performance guarantees or escrow arrangements. Credit risk is the risk that counterparty will not meet its obligations under a financial instrument, leading to a financial loss. The Company is exposed to credit risk from its operating activities and from its financing activities, including deposits with banks, foreign exchange transactions and other financial instruments.

Financial assets that are potentially subject to concentrations of credit risk and failures by counter-parties to discharge their obligations in full or in a timely manner consist principally of Trade Receivables, Loans and Advances and other assets. Credit risk on cash balances with Bank are limited because the counterparties are entities with acceptable credit ratings. The exposure to credit risk for trade receivable is low as it mainly consists of customers who are assessed by the management and the collection is received on timely basis within the credit period which is about 60 to 90 days.

The Company's maximum exposure to credit risk for the components of the Balance Sheet at March 31, 2024 and March 31, 2023 is the carrying amounts.

The average credit period taken to settle trade payables is about 30 to 90 days. The other payables are with short-term durations. The carrying amounts are assumed to be a reasonable approximation of fair value.

B)Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, FVTOCI investments and derivative financial instruments.

The following table summaries the carrying amount of financial assets and liabilities recorded at the end of the period by categories:

'Carrying amount of Financial Assets and Liabilities:

Financial assets (carried at amortised cost) :

Particular	March 31, 2024	March 31, 2023
Loans	-	2.50
Trade receivable	49.39	395.59
Cash and cash equivalents	64.35	45.38

Lease Liabilities	-	-
Other financial liabilities	35,663.25	36,674.32
At end of the period	38,552.79	38,886.72

The sensitivity analysis in the following sections relate to the position as at March 31, 2024 and March 31, 2023.

The sensitivity analysis have been prepared on the basis that the amount of net debt, the ratio of fixed to floating interest rates of the debt and derivatives and the proportion of financial instruments in foreign currencies are all constant and in place at March 31, 2024.

The following assumptions have been made in calculating the sensitivity analyses:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2024 and March 31, 2023.

C)Interest Rate Risk

The company does not operate in an industry that requires intense capital and hence the exposure to interest rate risk is reasonably moderate. The major component of the interest charge for the company is denominated in variable risk instruments which are basically in the form of loan from banks and FI's. The details of the borrowings of the company is given in the respective notes on borrowings.

The interest rate risk exposure is mainly from changes in fixed and floating interest rates. The interest rate are disclosed in the respective notes to the financial statement of the Company. The following table analyse the breakdown of the financial assets and liabilities by type of interest rate:

Particulars	Amount in ₹ Lakhs

D)'Liquidity risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate sources of financing including debt and overdraft from banks at an optimised cost. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Due to the dynamic nature of underlying businesses, the Company maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecast of Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows. In addition, the company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Maturities of financial liabilities

The tables below analyse the company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

All non-derivative financial liabilities, and the amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Independent Auditor's Report

**To The Members of
Kridhan Infra Limited**

Report on the Audit of Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying consolidated financial statements of Kridhan Infra Limited ("the Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group") and associates which comprises of consolidated Balance Sheet as at March 31, 2024, the consolidated statement of Profit & Loss (including other comprehensive income), the consolidated Statement of changes in equity and the consolidated Statement of cash flow for the year than ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects/possible effects, if any, of the matters described in the "Basis for Qualified Opinion" paragraph of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Group as at 31st March 2024, its loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

- a. We draw attention to Note 50 to the Consolidated Statement, the Holding Company has not provided for any further interest liability on its outstanding Bank borrowings since they have continued to remain under NPA classification.
In absence of any further detailed information and Holding Company management's estimates of reliefs and concessions to be obtained from Settlement proposals being pursued, we are unable to comment upon the resultant impact, if any, on the consolidated financial statements for the year ended March 31, 2024, which may arise on account of non-provision of interest, reliefs & concessions on borrowings as referred above.
- b. We draw attention to Note No. 51 of the consolidated financial statements the management has disclosed that the consolidated financial statements also include the Group's share of loss (net) of Rs. 18,401.58 Lakhs for the twelve months ended 31st March, 2024, as considered in the consolidated financial statements, in respect of its associate, whose financial statements / financial information have not been audited by us and the financial information of the said associate is available till 31st March, 2024 which has been considered for the purpose of consolidated financial statements
- c. These financial statements/financial information of the associate are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the associate, and our report in so far as it relates to the aforesaid associate, is based solely on such unaudited financial statements/financial information. Accordingly, the same are subject to changes, if any, arising on audit of the same. In our opinion and according to the information and explanations given to us by the Management, these financial statements and other financial information are material to the Group.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Material Uncertainty Related to Going Concern:

We draw attention to Note No. 52 to the consolidated financial statements which indicates that the loss incurred in the current year and past years have resulted in erosion of Group's Net worth. These conditions along with the fact that the Holding Company continues to be under NPA classification by its lenders indicate the existence of a material uncertainty that may cast significant doubt about the Group's ability to continue as a going concern. However, the Consolidated financial statements of the Group have been prepared on a going concern basis for the reasons stated in Note No. 53 to the Consolidated Financial Statements.

Emphasis of Matter

We draw attention to

- a) Note No. 15 of the consolidated financial statements, wherein the Holding Company management has disclosed that the Singapore subsidiary of the company is under the process of liquidation and its material step-down subsidiary at Singapore is under Judicial Management. Hence, due to non-availability of the figures for the year ended 31st March 2024 and 31st March 2024, the same have not been considered for the purpose of consolidated financial statements.
- b) Note No. 30 of the consolidated financial statements, wherein the Holding Company has made an assessment of the realisability of its Trade receivables, Investments and Loans and Advances and based on such assessment, has reversed on account of realization of Receivable of Rs. 897.74 lakhs towards its outstanding trade receivables, Impairment Provision of Rs. 3,471.48 Lakhs towards its Investments and Loans and Advances.
These amounts have been disclosed under Exceptional Items.

Our opinion on the consolidated financial statements is not modified in respect of the above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr. No	Key Audit Matters	Auditor's response
Litigation and Claims		
1.	Litigation and claims are pending with multiple tax and regulatory authorities which have not been acknowledged as debt by the Holding company.	Our audit procedures included the following: a) Understood Management's process

<p>In the normal course of business, financial exposures may arise from pending legal / regulatory proceedings and from above referred claims not acknowledged as debt by the company. Whether a claim needs to be recognized as liability, disclosed as contingent liability or considered as remote in the consolidated financial statements is dependent on a number of significant assumptions and judgments. The amounts involved are potentially significant and determining the amount, if any, to be recognized or disclosed in the financial statements, is inherently subjective.</p> <p>We have considered Litigations and claims as Key Audit Matter as it requires significant management judgment, including accounting estimates that involves high estimation uncertainty.</p>	<p>and control for determining tax litigations and other litigations and claims and its appropriate;</p> <p>b) Tested key controls surrounding such litigations. Discussed pending matters with the Company's legal department Assessed management's conclusions through understanding precedents set in similar cases;</p> <p>c) We have assessed the appropriateness of presentation of the most significant contingent liabilities in the consolidated financial statements.</p>

Information Other than the Consolidated Financial Statements and auditor's report thereon

The Holding Company's Board of Directors is responsible for the preparation of other information. The Other information comprises the information included in the Board's Report including Annexures to the Board report but does not include the consolidated financial statement and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group including its Associates in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud

or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the Companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and its subsidiaries has adequate internal financial control system with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial

statements. We are responsible for the direction, supervision and performance of the audit of the consolidated financial statements of such entities included in the consolidated financial statements of which we are independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
 - (a) Except for the matters stated in "Basis for Qualified Opinion" paragraph above, we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) Except for the matters stated in "Basis for Qualified Opinion" paragraphs above, in our opinion, proper books of account as required by law have been kept by the Group so far as it appears from our examination of those books and records.
 - (c) The Consolidated Balance sheet, the Consolidated Statement of Profit & Loss (including other comprehensive income), Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) Except for the effects / possible effects of matters described in the "Basis for Qualified Opinion" paragraphs above, in our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015.
 - (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2024 taken on record by the Board of Directors of the Holding Company and its subsidiaries incorporated in India, none of the directors of the Group

Annexure “A” referred to in “Report on Other Legal and Regulatory Requirements” section of our report to the members of Kridhan Infra Limited of even date:

i. (a) In respect of Holding Company’s Property, Plant and Equipment (PPE) and Intangible Assets: The holding company has maintained proper records, showing full including quantitative details and situation of Property, Plant and Equipment (PPE) and Intangible Assets.

(b) As explained to us, the Holding Company has a phased program for physical verification of the PPE. In our opinion, the frequency of verification is reasonable, considering the size of the Holding Company and nature of its PPE. A major portion of fixed assets have been physically verified by the management in accordance with the program of verification. According to the information and explanations given to us, the discrepancies noticed on such verification were properly dealt with in the books of account.

(c) According to the information and explanations given to us and on the basis of our examination and records of the Holding Company, the title deeds of immovable properties (other than properties where the Holding Company is the lessee and the lease agreements are duly executed in favors of the lessee) are held in the name of the Holding Company.

(d) The Holding Company has not revalued its Property, Plant and Equipment (including right of use assets) or intangible assets or both during the year and hence reporting under clause 3(i)(d) of the Order is not applicable to the Holding Company.

(e) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records, neither any proceedings have been initiated during the year nor are pending as at March 31, 2024 for any benami property under the Benami Transactions (Prohibition) Act, 1988, as amended, and rules made thereunder and hence reporting under clause 3(i)(e) of the Order is not applicable to the Holding Company.

ii. (a) The Holding Company does not carry any inventory as at March 31st, 2024 and therefore, clause 3(ii)(a) is not applicable to the Holding Company.

(b) According to the information and explanations given to us, the Holding Company has not filed the quarterly statements with the bank and accordingly we are unable to comment upon the clause 3(ii)(b) of the order.

iii. According to the information and explanations given to us, during the year, the Holding Company has not made investments or granted loans and advances secured or unsecured or provided any guarantee or security to companies, firms, limited liability partnership or any other parties during the year and hence sub-clauses

iii (a) to (f), under clause (iii) of the Order are not applicable.

iv. In our opinion and according to the information and explanations given to us and on the basis of our examination of the records, the Holding Company has complied with the provisions of section 185 and 186 of the Act, to the extent applicable with respect to the guarantee provided during the year. The Holding Company has not granted any loans to parties covered under Section 185 of the Act.

v. In our opinion and according to the information and explanations given to us, no deposits or amounts which are deemed to be deposits within the meaning of Section 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 2014 have been accepted by the Holding Company and hence reporting under clause 3(v) of the Order is not applicable to the Holding Company.

vi. As per the information and explanations provided to us, we are of the opinion that the maintenance of cost records has not been specified by the Central Government under subsection (1) of section 148 of the Act for the Holding Company.

vii. (a) According to the information and explanations given to us and on the basis of our examination of the records, the Holding Company is generally regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues to the appropriate authorities.

(b) According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, service tax, sales-tax, duty of custom, duty of excise, value added tax, goods and service tax, cess and other material statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable, except for Tax Deducted at Source of Rs 3.14 lakhs pertaining to FY 2023-24 & Rs 2 lakhs pertaining to FY 2022-23.

(c) According to the information and explanations given to us, there are certain cases of applicable statutory dues which have not been deposited on account of any dispute, which are detailed hereunder:

Nature of statute and Nature of Dues	Forum where dispute is pending	FY to which the amount relates	Amount involved (Rs in Lacs)
Sales Tax	Deputy Commissioner of Sales Tax	2009-10, 2010-11, 2016-17, 2017-18	1330
Income Tax under Income Tax Act,1961	Commissioner of Income Tax (Appeals)	2011-12	637
	Commissioner of Income Tax (Appeals)	2017-18	2

viii. According to the information and explanations given to us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) and hence reporting under clause 3(viii) of the Order is not applicable to the Holding Company.

ix. (a) Based on our audit procedures and on the basis of information and explanations given to us, the Holding Company has defaulted in repayment of borrowings from Union Bank of India for a period of 1155 days. The amount of default as at the balance sheet date is Rs. 2005 Lakhs.

(b) The Holding Company has not been declared as willful defaulter by any bank or financial institution or other lender.

(c) In our opinion and according to the information and explanations given to us, the Holding Company has not taken any term loan during the year and hence, reporting under clause (ix)(c) of the Order is not applicable.

(d) In our opinion and according to the information and explanations given to us and on an overall examination of the standalone financial statements of the Holding Company, funds raised by the Holding Company on short term basis have not been utilized for long term purposes.

(e) According to the information and explanations given to us and on an overall examination of the financial statements of the Holding Company, the Holding Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries and hence reporting under clause 3(ix)(e) of the Order is not applicable to the Holding Company.

(f) Based on our audit procedures and on the basis of information and explanations given to us, during the year the Holding Company has not raised any funds on the pledge of securities held in its subsidiaries and hence reporting under clause 3(ix)(f) of the Order is not applicable to the Holding Company.

x. (a) The Holding Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause (x)(a) of the Order is not applicable.

(b) According to the information and explanations given to us and based on our examination of the records of the Holding Company, the Holding Company has not made any preferential allotment, private placement of shares or fully or partly convertible debentures during the year or in the recent past and hence reporting under clause 3(x)(b) of the Order is not applicable to the Holding Company.

xi. (a) During our examination of the books and records of the Holding Company carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of fraud by or on the Holding Company, noticed or reported during the year, nor have we been informed of such case by the management.

(b) During the year, no report under sub section 12 of Section 143 of the Act has been filed by us in Form ADT-4 as prescribed in rule 13 of Companies (Audit and Auditors) rules, 2014 with the Central Government.

(c) Based on our audit procedures performed and according to the information and explanations given to us, no whistle blower complaints received during the year by the Holding Company and hence reporting under clause 3 (xi) (c) of the Order is not applicable to the Holding Company.

xii. In our opinion and according to the information and explanations given to us, the Holding Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable to the Holding Company.

xiii. According to the information and explanations given to us and based on our examination of the records of the Holding Company, all the transactions with related parties are in compliance with section 177 and 188 of the Act and all the details have been disclosed in the standalone financial statements as required by the applicable Accounting Standard (Refer Note 37 to the standalone financial statements).

xiv. (a) In our opinion, the Holding Company has an adequate internal audit system commensurate with the size and nature of its business.

(b) We have considered the internal audit reports for the year under audit issued to the Holding Company during the year and till date, in determining nature, timing and extent of our audit procedure.

xv. According to the information and explanations given to us, the Holding Company has not entered into any non-cash transactions prescribed under Section 192 of the Act with directors or persons connected with them during the year.

xvi. (a) the Holding Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and hence reporting under clause 3(xvi) (a), (b) and (c) of the Order is not applicable to the Holding Company.

(b) In our opinion, there is no core investment company within the "Companies in the Group" as defined in the Core Investment Companies (Reserve Bank) Directions, 2016 and hence reporting under clause 3(xvi)(d) of the Order is not applicable to the Holding Company.

xvii. The Holding Company has not incurred cash losses during the financial year covered by our audit and has incurred cash loss of Rs 225 lakhs in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors of the Holding Company during the year. Hence reporting under Clause 3(xviii) of the Order is not applicable to the Holding Company.

xix. As referred to in 'Material uncertainty related to Going concern' paragraph in our audit report and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, there exists a material uncertainty that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Holding Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Holding Company as and when they fall due.

xx. In our opinion and according to the information and explanations given to us and the records examined by us, no amount was required to be spent by the Holding Company on the activities of CSR, as per provisions of Companies Act, 2013. Accordingly, reporting under paragraph 3(xx) of the Order are not applicable to the Holding Company.

xxi. The reporting under clause 3(xxi) is not applicable in respect of audit of standalone financial statements of the Holding Company. Accordingly, no comment has been included in respect of said clause under this report.

Report on the Internal Financial Controls with reference to consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls with reference to consolidated financial statements of the **Kridhan Infra Limited** (“the Holding Company”) as of March 31, 2024 in conjunction with our audit of the consolidated financial statements of the Holding Company and its subsidiaries which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiaries and associates which are companies incorporated in India, responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential component of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to holding company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Holding Company's Internal Financial Controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of Internal Financial Controls with reference to financial statements included obtaining an understanding of Internal Financial Controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements of the Holding Company, its subsidiaries and its associates, which are companies incorporated in India.

Meaning of Internal Financial Controls with reference to Financial Statements

A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the entity are being made only in accordance with authorizations of management; (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the entity's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of Internal Financial Controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the best of our information and according to the explanations given to us, the Holding Company has, broadly in all material respects, an adequate internal financial controls system with reference to financial statements and such Internal Financial Controls with reference to financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential Component of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under Section 143(3) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements in so far as it relates to a subsidiary which is a company incorporated in India, is based on the corresponding standalone reports of the auditors, as applicable, of such companies incorporated in India. Our aforesaid report under Section 143(3) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements does not include in respect of one associate, which is a company incorporated in India whose audit reports are not made available to us.

2.2	<p>Recent Accounting Pronouncements</p> <p>Standards issued but not yet effective:</p> <p>In March 2023, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) Amendment Rules, 2023 which amended certain Ind AS as explained below:</p> <p>i. Ind AS 1 – Presentation of Financial Statements – The amendment prescribes disclosure of material accounting policies instead of significant accounting policies. The impact of the amendment on the Financial Statements is expected to be insignificant basis the preliminary evaluation.</p> <p>ii. Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors – The amendment added definition of accounting estimate and clarifies what is accounting estimate and treatment of change in the accounting estimate and accounting policy. There is no impact of the amendment on the Financial Statements basis the preliminary evaluation.</p> <p>ii. Ind AS 12 – Income taxes – The definition of deferred tax asset and deferred tax liability is amended to apply initial recognition exception on assets and liabilities that does not give rise to equal taxable and deductible temporary differences. There is no impact of the amendment on the Financial Statements basis the preliminary evaluation. The above amendments are effective from annual periods beginning on or after 1st April, 2023.</p>
2.3	<p>Basis of Preparation</p> <p>The financial statements of the Group for the year ended 31 March 2023 have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended thereafter.</p>
	<p>The consolidated financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities (refer accounting policy regarding financial instruments) which have been measured at fair value. The consolidated financial statements are presented in Indian Rupee ('INR') which is also the Group's functional currency and all values are rounded to the nearest lakhs, except when otherwise indicated.</p>
3.	<p>Significant accounting policies</p>
3.1	<p>Statement of compliance</p> <p>In accordance with the notification dated 16th February, 2015, issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to</p>

	<p>as “Ind AS”) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) with effect from April 1, 2017.</p> <p>The Financial Statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended).</p> <p>Previous period figures in the Financial Statements have been restated in compliance to Ind AS.</p>
3.2	<p>Basis of consolidation</p> <p>The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at 31 March 2022. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Subsidiaries are entities controlled by the Group. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed off during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.</p> <p>Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances.</p> <p>The financial statements of each of the subsidiaries used for the purpose of consolidation are drawn up to same reporting date as that of the Company, i.e., year ended on 31 March except in respect of Singapore subsidiary Readymade Steel Singapore Pte Ltd. which is under liquidation process. For the said reason the financials of the Singapore Subsidiary have not been consolidated with that of the holding company due to non-availability of the figures of the same for the year ended 31st March 2022.</p>
3.2.1	<p>Process for consolidation</p> <p>Consolidation procedure:</p> <ol style="list-style-type: none"> i. Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiary(ies). For this purpose, income and expenses of the subsidiary(ies) are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date. The exchange rate used for conversion in case of items of profit and loss is the average rate for the year and for the balance sheet items is the closing rate for the year / period. ii. Offset (eliminate) the carrying amount of the parent’s investment in each subsidiary and the parent’s portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill. iii. Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full, except as stated. iv. Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions. v. Non-controlling interests, if any, in the net assets of consolidated subsidiaries consists of: <ol style="list-style-type: none"> a) The amount of equity attributed to non-controlling interests at the date on which investment in a subsidiary relationship came into existence;

	<p>b) The non-controlling interest share of movement in equity since the date parent subsidiary relationship came into existence;</p> <p>c) Non-controlling interest share of net profit/(loss) of consolidated subsidiaries for the year is identified and adjusted against the profit after tax of the Group.</p> <p>vi. The following components have been considered for the purpose of the consolidated financial statements:</p> <p>Direct Subsidiaries:</p> <ul style="list-style-type: none"> - Kridhan Infrasonolutions Pvt. Ltd. (100% holding as on 31 Mar 22 & 31 Mar 21) <p>vii. The following components have been ignored for the purpose of the consolidated financial statements:</p> <p>Direct Subsidiaries:</p> <ul style="list-style-type: none"> - Readymade Steel Singapore Pte. Ltd. (100% holding as on 31 Mar 22 & 31 Mar 21) as the same is under liquidation process. <p>Step Down Subsidiaries (being subsidiaries of Readymade Steel Singapore Pte. Ltd.)</p>
3.2.2	Business combinations and goodwill & Impairment thereof
	<p>The Group has exercised exemption and elected not to apply Ind AS accounting for business combinations retrospectively.</p> <p>The excess of cost to the group of its investments in subsidiary companies over its share of the equity of the subsidiary companies at the dates on which the investments in the subsidiary companies are made, is recognised as ‘Goodwill’ being an asset in the Consolidated Financial Statements. This Goodwill is tested for impairment at the close of each financial year. Alternatively, where the share of equity in the subsidiary companies as on the date of investment is in excess of cost of investment of the group, it is recognised as ‘Capital Reserve’ and shown under the head ‘Reserves and Surplus’, in the consolidated financial statements.</p> <p>Goodwill is accordingly de-recognised when there are indications of impairment of the investments or the group cedes control of the subsidiary by disposal, sale or otherwise.</p>
	<p>Fair value measurement</p> <p>Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.</p> <p>The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:</p> <ul style="list-style-type: none"> (a) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities. (b) Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1 for the asset or liability. (c) Level 3 inputs are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company’s assumptions about pricing by market participants.
3.3	Investments in associates
	<p>The Company records the investments in subsidiaries and associates at cost less impairment loss, if any.</p> <p>On disposal of investment in subsidiary and associate, the difference between net disposal proceeds and the carrying amounts (including corresponding value of dilution</p>

	<p>in deemed investment) are recognized in the Statement of Profit and Loss.</p> <p>Interest free loans provided to subsidiary are recognized at amount paid on the date of disbursement.</p>
3.4	<p>Property, Plant and Equipment</p> <p>The Group had elected to continue with the carrying value of all of its Property, Plant and Equipment recognised as of April 1, 2016 (transition date) measured as per the Previous GAAP and used that carrying value as its deemed cost as of the transition date except in respect of its Land which has been measured at Fair Value as on the transition date.</p> <p>Freehold land is not depreciated.</p> <p>Property, Plant and Equipment (PPE) used for business purposes are carried at cost, less any accumulated depreciation and recognised impairment loss. The cost of an asset comprises its purchase price or its construction cost (net of applicable tax credits), any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the Management. It includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of PPE when completed and ready for intended use. Parts of an item of PPE having different useful lives and significant value and subsequent expenditure on Property, Plant and Equipment arising on account of capital improvement or other factors are accounted for as separate components.</p> <p>Depreciation of PPE commences when the assets are ready for their intended use.</p> <p>Depreciation is provided over the useful life of PPE as stated in the Schedule II to the Companies Act, 2013 or based on technical assessment by the Company.</p> <p>The estimated useful lives, residual values and depreciation method are reviewed periodically and if necessary, changes in estimates are accounted for prospectively.</p> <p>Depreciation on additions / deletions to PPE during the year is provided for on a pro-rata basis with reference to the date of additions/deletions except low value items which are fully depreciated at the time of addition.</p> <p>An item of PPE is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the net sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.</p>
3.5	<p>Intangible Assets</p> <p>Intangible assets acquired separately</p> <p>Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives not exceeding five years from the date of capitalisation. The estimated useful life is reviewed at the end of each reporting period and the effect of any changes in estimate being accounted for prospectively.</p> <p>Intangible assets are derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset, and recognised in the Statement of Profit and Loss when the asset is derecognised.</p>
3.6	<p>Impairment of tangible and intangible assets</p> <p>The Group reviews the carrying amount of its tangible and intangible assets at the end of each reporting period to determine whether there is any indication that those assets</p>

	<p>have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).</p> <p>An assessment is made at the end of each reporting period to see if there are any indications that impairment losses recognized earlier may no longer exist or may have come down. The impairment loss is reversed, if there has been a change in the estimates used to determine the asset's recoverable amount since the previous impairment loss was recognized. If it is so, the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. After a reversal, the depreciation charge is adjusted in future periods to allocate the asset's revised carrying amount, less any residual value, on a systematic basis over its remaining useful life. Reversals of Impairment loss are recognized in the Statement of Profit and Loss.</p>
3.7	Inventories comprising of saleable stock are valued at cost or Net Realisable Value, whichever is lower.
	Consumable stock are valued at Cost.
3.8	Revenue recognition
(i)	<p>Revenue from sale of goods is recognised when control of the products being sold is transferred to our customer and when there are no longer any unfulfilled obligations. The Performance Obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on terms with customers</p> <p>Revenue from services is recognized when the outcome of services can be estimated reliably and it is probable that the economic benefits associated with rendering of services will flow to the Company, and the amount of revenue can be measured reliably.</p> <p>Revenue is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, volume rebates and any taxes or duties collected on behalf of the Government such as Goods and Services Tax, etc. Any retrospective revision in prices is accounted for in the year of such revision.</p>
(ii)	Interest on Fixed Deposits is recognised on accrual basis.
(iii)	Income from sale of scrap is accounted on cash basis.
(iv)	Dividend income from investments is recognised when the shareholder's right to receive payment is established.
3.9	Foreign Exchange Transactions
	<p>The functional currency of the Group is Indian Rupees which represents the currency of the primary economic environment in which it operates.</p> <p>Transactions in currencies other than the Company's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated using mean exchange rate prevailing on the last day of the reporting period.</p> <p>Exchange differences on monetary items are recognised in the Statement of Profit and Loss in the period in which they arise.</p>
3.10	Borrowing Cost
	Interest/Finance Cost on loans specifically borrowed for and expansion of projects, upto the point when the project is ready for start of commercial production is charged to the

	<p>capital cost of the projects concerned.</p> <p>All other borrowing costs are charged to revenue.</p>
3.11	<p>Employee Benefits</p> <p>Employee benefits include salaries, wages, provident fund, gratuity, and other terminal benefits.</p> <p>All short term employee benefits are recognized at their undiscounted amount in the accounting period in which they are incurred.</p> <p>Defined contribution plans</p> <p>Employee Benefit under defined contribution plans comprising provident fund is recognized based on the undiscounted amount of obligations of the Group to contribute to the plan. The same is paid to the EPFO and charged to the statement of profit and loss.</p> <p>Defined benefit plans</p> <p>Defined retirement benefit plans comprising of gratuity and other terminal benefits, are recognized based on the present value of defined benefit obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted.</p> <p>The retirement benefit obligation recognised in the Financial Statements represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.</p>
3.12	<p>Income Taxes</p> <p>Income tax expense represents the sum of the current tax and deferred tax.</p> <p>Current tax</p> <p>The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates and laws that have been enacted or substantively enacted by the end of the reporting period.</p> <p>Deferred tax</p> <p>Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.</p> <p>The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.</p> <p>Deferred tax liabilities and assets are measured at the tax rates that are expected to</p>

	<p>apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.</p> <p>The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.</p>
3.13	<p>Provisions, Contingent Liabilities and Contingent Assets</p> <p>Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.</p> <p>The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).</p> <p>Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.</p> <p>Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.</p>
3.14	<p>Financial Instruments</p> <p>Financial assets and financial liabilities are recognised when Group becomes a party to the contractual provisions of the instruments.</p> <p>Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.</p>
3.15	<p>Equity instruments</p> <p>Equity instruments issued by the Group are recorded at the proceeds received.</p>
3.16	<p>Financial assets</p> <p>(i) Cash and cash equivalents The Group considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.</p> <p>(ii) Financial assets at amortised cost Financial assets are subsequently measured at amortised cost using the</p>

	<p>effective interest method if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.</p> <p>(iii) Financial assets at fair value through other comprehensive income Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.</p> <p>The Group has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of equity investments not held for trading.</p> <p>(iv) Financial assets at fair value through profit or loss Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition.</p> <p>(v) Impairment of financial assets The Group assesses at each balance sheet date whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Group recognises lifetime expected losses for trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to 12 month expected credit losses or at an amount equal to lifetime expected losses, if the credit risk on the financial asset has increased significantly since initial recognition.</p> <p>(vi) Derecognition of financial assets The Group derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.</p> <p>On derecognition of a financial asset in its entirety (except for equity instruments designated as FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of Profit and Loss.</p>
3.17	Financial liabilities
	<p>a) Financial liabilities Financial liabilities are measured at amortised cost using the effective interest method.</p> <p>b) Derecognition of financial liabilities The Group derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability</p>

	derecognised and the consideration paid and payable is recognised in the Statement of Profit and Loss.
3.18	Earnings per share
	Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.
3.19	Cash Flow Statement
	Cash flows are reported using the indirect method, whereby profit after tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.
3.20	Segment reporting
	Operating segments are identified and reported taking into account the different risks and returns, the organization structure and the internal reporting systems.
3.21	Current versus non-current classification
	<p>The Group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:</p> <ul style="list-style-type: none"> - Expected to be realized or intended to be sold or consumed in normal operating cycle - Held primarily for the purpose of trading - Expected to be realised within twelve months after the reporting period, or - Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. <p>All other assets are classified as non-current.</p> <p>A liability is current when:</p> <ul style="list-style-type: none"> - It is expected to be settled in normal operating cycle - It is held primarily for the purpose of trading - It is due to be settled within twelve months after the reporting period, or - There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period <p>The Group classifies all other liabilities as non-current.</p> <p>Deferred tax assets and liabilities are classified as non-current assets and liabilities.</p> <p>The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its operating cycle.</p>
4.	Critical Accounting Judgments, Assumptions and Key Sources of Estimation Uncertainty
	Inherent in the application of many of the accounting policies used in preparing the Financial Statements is the need for Management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of revenues and expenses. Actual outcomes could differ from the estimates and assumptions used.

	<p>Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.</p> <p>Key source of judgments, assumptions and estimation uncertainty in the preparation of the Financial Statements which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are in respect of impairment, useful lives of Property, Plant and Equipment, employee benefit obligations, impairment, provision for income tax, measurement of deferred tax assets and contingent assets and liabilities.</p>
4.1	<p>Critical judgments in applying accounting policies</p> <p>The following are the critical judgements, apart from those involving estimations (Note 4.2), that the Management have made in the process of applying the Company's accounting policies and that have the significant effect on the amounts recognized in the Financial Statements.</p>
	<p>(a) Determination of functional currency Currency of the primary economic environment in which the Group operates (“the functional currency”) is Indian Rupee (₹) in which the Group primarily generates and expends cash. Accordingly, the Management has assessed its functional currency to be Indian Rupee (₹).</p>
	<p>(b) Classification of investment Judgement is required in assessing the level of control obtained in a transaction to acquire an interest in another entity; depending upon the facts and circumstances in each case, the Group may obtain control, joint control or significant influence over the entity or arrangement. Transactions which give the Group control of a business are business combinations. If the Group obtains joint control of an arrangement, judgement is also required to assess whether the arrangement is a joint operation or a joint venture. If the Group has neither control nor joint control, it may be in a position to exercise significant influence over the entity, which is then classified as an associate.</p>
4.2	<p>Assumptions and key sources of estimation uncertainty</p> <p>Information about estimates and assumptions that have the significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may differ from these estimates.</p>
	<p>(a) Impairment of assets Determination as to whether, and by how much, asset is impaired involves Management estimates on uncertain matters such as future prices, the effects of inflation on operating expenses, discount rate etc.</p> <p>(b) Litigations From time to time, the Group is subject to legal proceedings and the ultimate outcome of each being always subject to many uncertainties inherent in litigation. A provision for litigation is made when it is considered probable that a payment will be made and the amount of the loss can be reasonably estimated. Significant judgment is made when evaluating, among other factors, the probability of unfavourable outcome and the liability to make a reasonable estimate of the amount of potential loss. Provision for litigations are reviewed at the end of each accounting period and revisions made for the changes in facts and circumstances.</p>

31 Financial instruments

The details of significant accounting policies, including criteria for recognition, the basis of measurement and the basis on which income and expenditure are recognised, in respect of each class of financial asset, financial liability and equity instrument are disclosed below and Note 3.

A Calculation of fair values

The fair values of the financial assets and liabilities are defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The following methods and assumptions were used to estimate the fair values of financial

- The fair value of the long-term borrowings carrying floating-rate of interest is not impacted due to interest rate changes and will not be significantly different from their carrying amounts as there is no significant change in the under-lying credit risk of the Group (since the date of inception of the loans).
- Cash and cash equivalents, trade receivables, investments in term deposits, other financial assets, trade payables, and other financial liabilities have fair values that approximate to their carrying amounts due to their short-term nature.

Financial Assets and Liabilities

The accounting classification of each category of financial instruments, and their carrying amounts are set out as below:

a. Financial Assets

*The carrying value and fair value approximation, if any.

c. Fair value hierarchy

The Group uses the following hierarchy for determining and/or disclosing the fair value of financial instruments by valuation techniques:

The categories used are as follows:

- Level 1: It includes financial instruments measured using quoted prices and the mutual funds are measured using the closing Net Asset Value (NAV).
- Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The below table summarises the categories of financial assets and liabilities as at March 31, 2024 and March 31, 2023 measured at fair value:

As at 31st March, 2024	Level 1	Level 2	Level 3	Total

- Liquidity risk

A) Credit Risk

Credit risk arises from the possibility that the value of receivables or other financial assets of the Group may be impaired because counterparties cannot meet their payment or other performance obligations.

To manage credit risks from trade receivables other than Related Party, the credit managers from Order to Cash department of the Group regularly analyse customer's receivables, overdue and payment behaviours. Some of these receivables are collateralised and the same is used according to conditions. These could include advance payments, security deposits, post-dated cheques etc. Credit limits for this trade receivables are evaluated and set in line with Group's internal guidelines.

There is no significant concentration of default risk.

Credit risks from financial transactions are managed independently by Finance department. For banks and financial institutions, the Group has policies and operating guidelines in place to ensure that financial instrument transactions are only entered into with high quality banks and financial institutions. The Group had no other financial instrument that represents a significant concentration of credit risk.

The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through out each reporting period. To assess whether there is a significant increase in credit risk the Group compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty,
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
- iv) Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectations of recovery. Where loans or receivables have been written off, the Group continues engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized in statement of profit & loss.

For other financial assets, the Group assesses and manages credit risk based on internal control and credit management system.

The finance function consists of a separate team who assess and maintain an internal credit management system. Internal credit control and management is performed on a Group basis for each class of financial instruments with different characteristics.

The Group considers whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. It considers available reasonable and supportive forward-looking information.

Macroeconomic information (such as regulatory changes, market interest rate or growth rates) are also considered as part of the internal credit management system.

A default on a financial asset is when the counterparty fails to make payments as per contract. This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors.

The Group measures the expected credit loss of trade receivables from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, no additional provision has been considered necessary in respect of trade receivables since the management has taken suitable measures to recover the said dues and is hopeful of recovery in due course of time.

The Group maintains exposure in cash and cash equivalents, deposits with banks, investments, and other financial assets. Individual risk limits are set for each counter-party based on financial position, credit rating and past experience. Credit limits and concentration of exposures are actively monitored by the Management of the Group. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. Additionally, considering the COVID 19 situation, the Group has also assessed the performance and recoverability of trade receivables. The Group believes that the current value of trade receivables reflects the fair value/ recoverable values.

Credit risk on Financial Assets

The Group is primarily engaged in the business of trading in Iron and Steel. Payments by it are typically not secured by any form of credit support such as letters of credit, performance guarantees or escrow arrangements. Credit risk is the risk that counterparty will not meet its obligations under a financial instrument, leading to a financial loss. The Group is exposed to credit risk from its operating activities and from its financing activities, including deposits with banks, foreign exchange transactions and other financial instruments.

Financial assets that are potentially subject to concentrations of credit risk and failures by counter-parties to discharge their obligations in full or in a timely manner consist principally of Trade Receivables, Loans and Advances and other assets. Credit risk on cash balances with Bank are limited because the counterparties are entities with acceptable credit ratings. The exposure to credit risk for trade receivable is low as it mainly consists of customers who are assessed by the management and the collection is received on timely basis within the credit period which is about 60 to 90 days.

The Group's maximum exposure to credit risk for the components of the Balance Sheet at March 31, 2024 and March 31, 2023 is the carrying amounts.

The average credit period taken to settle trade payables is about 30 to 90 days. The other payables are with short-term durations. The carrying amounts are assumed to be a reasonable approximation of fair value.

B)Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, FVTOCI investments and derivative financial instruments.

The following table summaries the carrying amount of financial assets and liabilities recorded at the end of the period by categories:

'Carrying amount of Financial Assets and Liabilities:

Financial assets (carried at amortised cost) :

Particular	March 31, 2024	March 31, 2023
Loans	0.63	91.40
Trade receivable	49.39	579.38
Cash and cash equivalents	137.79	87.67
Other Balances with Banks	3.31	3.31
Other Financial Assets	47.49	68.24
At end of the period	238.62	830.00
Financial liabilities carried at amortised cost		
Borrowings	2,744.91	2,044.13
Trade payables	334.06	375.02
Lease Liabilities	-	-
Other financial liabilities	35,701.69	36,752.77
At end of the period	38,780.66	39,171.92

The sensitivity analysis in the following sections relate to the position as at March 31, 2024 and March 31, 2023.

The sensitivity analysis have been prepared on the basis that the amount of net debt, the ratio of fixed to floating interest rates of the debt and derivatives and the proportion of financial instruments in foreign currencies are all constant and in place at March 31, 2024

The following assumptions have been made in calculating the sensitivity analyses:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31,2024 and March 31, 2023.

C)Interest Rate Risk

The Group does not operate in an industry that requires intense capital and hence the exposure to interest rate risk is reasonably moderate. The major component of the interest charge for the group is denominated in variable risk instruments which are basically in the form of loan from banks and FI's. The details of the borrowings of the group is given in the respective notes on borrowings.

The interest rate risk exposure is mainly from changes in fixed and floating interest rates. The interest rate are disclosed in the respective notes to the financial statement of the group. The following table analyse the breakdown of the financial assets and liabilities by type of interest rate:

Amount in ₹ Lakhs		
	March 31, 2024	March 31, 2023

Trade and other payables	334.06	375.02
Other financial liabilities	35,623.48	36,674.55

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected, after excluding the credit exposure for which interest rate swap has been taken and hence the interest rate is fixed. With all other variables are held constant, the Group's profit before tax is affected through the impact on floating rate borrowings, as follows:

	March 31, 2024	March 31, 2023
Increase in basis points		
¹ - Basis points	50.0	50.0
Effect on profit before tax		
¹ - INR in Lakhs	-10.0	-10.0

D)'Liquidity risk

Liquidity risk is the risk that the Group may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Group's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Group closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate sources of financing including debt and overdraft from banks at an optimised cost.

The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

Due to the dynamic nature of underlying businesses, the Group maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecast of Group's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows. In addition, the company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing

Maturities of financial liabilities

The tables below analyse the Group's financial liabilities into relevant maturity groupings based on their contractual maturities for:

All non-derivative financial liabilities, and the amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.
