EXPLANATORY STATEMENT UNDER SECTION 102(1) OF THE COMPANIES ACT, 2013

The following Explanatory Statement, as required under Section 102 of the Companies Act, 2013 ('Act') and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('SEBI Listing Regulations') sets out all material facts relating to the business(es) to be dealt at the 10th Annual General Meeting as mentioned under Item Nos. 1 to 11 of the accompanying Notice dated September 06, 2024:

Item No. 3

Increase in authorized share capital:

Presently, the Authorized Share Capital of the Company is Rs. 50,00,000/- (Rupees Fifty Lakh Only) divided into 5,00,000 (Five lacs) Equity Shares of Face Value of Re. 10/- (Rupee Ten Only) each.

In order to increase in capital of the company through preferential issue as mentioned in the resolution no. 4 of this notice or to facilitate the future requirements, if any, of the Company, it is proposed to increase the Authorized Share Capital From Rs.50,00,000/- (Rupees fifty lacs Only) divided into 5,00,000 (Five Lacs) Equity Shares of Face Value of Rs. 10/- (Rupee Ten Only) each to Rs. 3,00,00,00,000/- (Rupees Three Hundred Crore only) divided into 30,00,00,000 (Rupees Thirty Crore only) Equity shares of Face Value of Rs. 10/- (Rupee Ten Only) each by addition of Rs. 2,99,50,00,000 (Rupees Two Hundred Ninety-Nine Crore Fifty Lacs only) divided into 29,95,00,000 (Rupees Twenty-Nine Crore Ninety-Five Lakh only) Equity Shares of Face Value of Rs. 10/- (Rupee Ten Only) each. The increase in the Authorized Share Capital as aforesaid would entail consequential alteration of the existing Clause V of the Memorandum of Association of the Company.

The increase in the Authorized Share Capital and consequential alteration to Clause V of the Memorandum of Association of the Company require Members' approvals in terms of Sections 13, 61 and 64 of the Companies Act, 2013 and any other applicable statutory and regulatory requirements.

The set of Memorandum of Association is available for inspection at the Registered Office of the Company during business hours between 11.00 A.M. to 2.00 P.M. on all working days of the Company (Except Saturday, Sundays and Public holidays)

Accordingly, approval of the Members of the Company is hereby sought by way of ordinary resolution as set out in Item No.3 of this Notice

None of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 5 of this Notice except to the extent of their shareholding in the Company.

Item No.4

As per the provisions of Section 180 (1) (c) of the Companies Act, 2013, the Board of Directors of the Company cannot, except with the permission of the Shareholders in General Meeting by passing a Special Resolution, borrow monies in excess of the aggregate of the paid-up share capital, free reserves and securities premium of the Company.

Taking into consideration the growth in the business operations, foreseeable future plans and the existing credit facilities availed by the Company, it would be in the interest of the Company to enhance the borrowing limits for the Board and authorise the Board of Directors to borrow monies which may exceed at any time the aggregate of the paid-up share capital, free reserves and securities premium of the Company but that shall not to exceed Rs. 1,00,00,00,000/- (Rupees One Hundred Crore only).

The Directors therefore, recommend the Special Resolution for approval of the shareholders.

The Directors, Managers or other Key Managerial Personnel or their relatives are interested or concerned in the aforesaid resolution.

Item No. 5

In order to make optimum use of funds available with the Company and also to achieve long term strategic and business objectives, the Board of Directors of the Company proposes to make use of the same by advancing loans/ giving guarantees/ providing security in connection of thereof under Section 185 of the Companies Act, 2013.

Accordingly, the Board recommends passing of the resolution as set out in the accompanying notice as a Special Resolution.

The Directors, Managers or other Key Managerial Personnel or their relatives, are concerned/interested, financially or otherwise in respect of the proposed resolution.

Item No. 6

In order to make optimum use of funds available with the Company and also to achieve long term strategic and business objectives, the Board of Directors of the Company proposes to make use of the same by making investment in other bodies corporate or granting loans, giving guarantee or providing security to other persons or other body corporate or as and when required. Pursuant to the provisions of section 186(3) of the Companies Act, 2013 and rules made there under, the Company needs to obtain prior approval of shareholders / members by way of special resolution passed at the General Meeting in case the amount of investment, loan, guarantee or security proposed to be made is more than the higher of sixty percent of the paid up share capital, free reserves and securities premium account or one hundred percent of free reserves and securities premium account. Accordingly, the Board of Directors of the Company proposes to obtain approval of shareholders by way of special resolution as contained in the notice of the Extra-Ordinary General Meeting for an amount not exceeding **Rs. 1,00,00,00,000/- (Rupees One Hundred Crore only)** outstanding at any time notwithstanding that such investments, outstanding loans given or to be given and guarantees and security provided are in excess of the limits prescribed under Section 186 of the Companies Act, 2013.

The Directors therefore, recommend the Special Resolution for approval of the shareholders.

The Directors, Managers or other Key Managerial Personnel or their relatives are interested or concerned in the aforesaid resolution.

Item 7

Whenever the capital of the Company has been increased under the provisions of this Article, the Directors shall comply with the provisions of the Act.*
- iii. **New Capital same as Existing Capital:**
Except so far as otherwise provided by the conditions of issue or by these Articles, any capital raised by the creation of new Shares shall be considered as part of the existing capital, and shall be subject to the provisions herein contained, with reference to the payment of calls and instalments, forfeiture, lien, surrender, transfer and transmission, voting and otherwise.
- iv. **Increase in Subscribed Capital :**
The Board may at any time increase the subscribed capital of the Company by issue of new shares out of the unissued part of the Share Capital in the original or subsequently created capital, but subject to Section 62 of the Act, and subject to the following conditions namely:
 - I. a) *Such further shares shall be offered to the persons who, at the date of the offer, are holders of the equity shares of the Company in proportion, as nearly as circumstances admit, to the capital paid up on those shares at that date.*
 - b) *The offer aforesaid shall be made by notice specifying the number of shares offered and limiting a time not being less than fifteen days, from the date of the offer within which the offer, if not accepted, will be deemed to have been declined.*
 - c) *The offer aforesaid shall be deemed to include a right exercisable by the person concerned to renounce the shares offered to him or any of them in Favor of any other person and the notice referred to in clause (b) shall contain a statement of this right.*
 - d) *After the expiry of the time specified in the notice aforesaid, or in respect of earlier intimation from the person to whom such notice is given that he declines to accept the shares offered, the Board may dispose of them in such manner as it thinks most beneficial to the Company.*

II. The Directors may, with the sanction of the Company in General Meeting by means of a Special Resolution, offer and allot shares to any persons (as defined in Section 62 of the Act), either for cash or for a consideration other than cash, at their discretion by following the provisions of Section 62 of the Act and other applicable provisions, if any.

III. Nothing in this Article shall apply to the increase in the subscribed capital of the Company which has been approved by:

 - a) *A Special Resolution passed by the Company in General Meeting before the issue of the debentures or the raising of the loans, and*
 - b) *The Central Government before the issue of the debentures or raising of the loans or is in conformity with the Rules, if any, made by that Government in this behalf.*

The Company proposes to amend its Articles of Association to allow for the alteration of its issued, subscribed and paid-up share capital. This change aims to broaden the Company's capital base, meet its funding requirements, and support the diversification of its business. The proposed amendment/addition is submitted for the approval of the shareholders.

Consent of the Members by way of Special Resolution is required for such alteration of Articles of Association in terms of the provisions of Section 14 of the Act.

INDEPENDENT AUDITOR'S REPORT

TO MEMBERS OF
Wherrelz IT Solutions Limited

Report on the Indian Accounting Standards (Ind AS) Financial Statements

Opinion

We have audited the accompanying financial statements of **Wherrelz IT Solutions Limited**, which comprise the Balance Sheet as at **31st March, 2024**, and the Statement of Profit and Loss (Including Other Comprehensive Income) and Cash Flow Statement and the statement of Changes in Equity for the period ended, and a summary of significant accounting policies and other explanatory information. (Hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no Key Audit Matters Reportable as per SA 701 issued by ICAI.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon. These reports are expected to be made available to us after the date of our auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements, or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in "**Annexure A**", a statement on the matter specified in the paragraph 3 and 4 of the Order.
2. As required under provisions of section 143(3) of the Companies Act, 2013, we report that:

(i) represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company or
- provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

(ii) represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall:

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Party or
- provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and

(iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (d) (i) and (d) (ii) contain any material mis-statement.

- (e) The company has not neither declared nor paid any dividend during the year under Section 123 of the Act.
- (f) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable with effect from April 1, 2023 to the Company and its subsidiaries, which are companies incorporated in India, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2024.

**ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT ON THE
FINANCIAL STATEMENT OF WHERRELZ IT SOLUTIONS LIMITED FOR THE
YEAR ENDED 31ST MARCH 2024**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143
of the Companies Act, 2013 ('the Act')**

We have audited the internal financial controls over financial reporting of **WHERRELZ IT SOLUTIONS LIMITED** ('the Company') as of 31st March, 2024 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Opinion

We have audited the internal financial control with reference to financial statement of **WHERRELZ IT SOLUTIONS LIMITED** ("The Company") as of **31st March 2024** in conjunction with our audit of the financial statement of the company at and for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- a. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- c. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

WHERRELZ IT SOLUTIONS LIMITED

(Previously known as "Wherrelz IT Solutions Private Limited" before conversion to public limited company on 12th July 2021)

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES :

A. Company Information :

Wherrelz IT Solutions Limited (Previously known as "Wherrelz IT Solutions Private Limited" before conversion to public limited company on 12th July 2021) is a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 2013. The company is engaged in the business of providing services related to software development and technology consultancy services.

The registered office of the company is at Plot No. 15, Road 10, Sec -1 New Panvel East Navi Mumbai – 410206

These financial statements are authorized for issue by the Board of Directors on 30th May, 2024

B. Significant Accounting Policies :

1. Statement of Compliance :

The financial statements of the company are prepared in accordance with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

2. Basis of preparation :

The financial statements have been prepared under historical cost convention basis except for the following :

- certain financial assets and liabilities (including derivative instruments) and contingent consideration that are required to be measured at fair value through profit or loss, are measured at fair value.

3. Use of Estimates :

The preparation of financial statements is in conformity with GAAP which requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities on the date of financial statements and reported amount of revenues and expenses for the year. Actual results could differ from this estimate. Difference between the actual result and estimates are recognized in the period in which result are known / materialized.

4. Current and Non-current classification :

The Company presents assets and liabilities in the balance sheet based on current/ non current classification. An asset is treated as current when it is :

- (a) Expected to be realised or intended to be sold or consumed in normal operating cycle
- (b) Held primarily for the purpose of trading
- (c) Expected to be realised within twelve months after the reporting period, or
- (d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when :

- (e) It is expected to be settled in normal operating cycle
- (f) It is held primarily for the purpose of trading
- (g) It is due to be settled within twelve months after the reporting period, or
- (h) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

For this purpose, the Company has ascertained the operating cycle as the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

5. Property, Plant and Equipment :

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment losses. The cost comprises of the purchase price or construction cost (including non-creditable/non-refundable taxes), any costs directly attributable to bringing the property, plant and equipment into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any, and, for assets that necessarily take a substantial period of time to get ready for their intended use, finance costs. The purchase price or construction cost is the aggregate amount paid and the fair value of any other consideration given to acquire the asset.

Subsequent expenditures related to an item of property, plant and equipment are added to its gross book value or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with them will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit and loss during the reporting period in which they are incurred.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss in the year in which the asset is derecognised.

6. Depreciation method, estimated useful life and residual value :

Depreciation has been provided for on Property, Plant and Equipment over the useful life of the assets on written down value method, considering the useful life of assets as specified under Schedule II of the Companies Act 2013.

Property, plant and equipment which are added or disposed off during the year, depreciation is provided on pro-rata basis.

In line with the provisions of Schedule II of the Companies Act 2013, the Company depreciates significant components having different useful lives as compared to the main asset, based on the individual useful life of the components. Useful life for such components is assessed based on the historical experience and internal technical inputs.

The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss with other gains/losses.

7. Intangible assets :

Intangible asset comprise of computer software and is stated at acquisition cost, net of accumulated amortisation and accumulated impairment loss, if any.

Amortisation Intangible assets are amortised over the useful life of assets, not exceeding 10 years.

The estimated useful life and amortization method are reviewed at the end of each annual reporting period, with the effect of any changes in the estimate being accounted for on a prospective basis.

8. Impairment of assets :

All assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash generating units). Non-financial assets that suffered impairment earlier are reviewed for possible reversal of the impairment at the end of each reporting period

9. Foreign currency translation :

Functional and presentation currency

Items included in the financial statement of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian Rupees (INR) currency, which is the Company's functional and presentation currency.

Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss. Foreign currency denominated monetary assets and liabilities at the year-end are translated at the year-end exchange rates, and the resultant exchange difference is recognised in the Statement of Profit and Loss. Nonmonetary foreign currency items are carried at cost.

10. Investments :

Long-term Investments are carried at cost. However, provision for diminution in value is made to recognize a decline, other than temporary, in the value of the investments.

Current Investments are carried at lower of cost or market value. The cost of securities sold is determined on the first-in-first-out (FIFO) method.

11. Trade Receivables :

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost net of any expected credit losses, if any.

12. Cash and Cash Equivalents :

For the purpose of presentation in the Statement of cash flows, cash and cash equivalents include cash in hand, demand deposits with banks and financial institutions and other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

13. Assets held for sale :

Assets are classified as held for sale if their carrying amounts will be recovered principally through a sale transaction rather than through continuing use. A sale is considered highly probable and is expected to qualify for recognition as a completed sale within one year from the date of classification. They are measured at the lower of their carrying amount and fair value less costs to sell except for assets such as deferred tax assets, assets arising from employee benefits financial assets and contractual rights under insurance contracts, which are specifically exempt from this requirement. An impairment loss is recognised for any initial or subsequent write-down of the asset to fair value less costs to sell.

A gain is recognised for any subsequent increases in fair value less costs to sell of an asset, but not in excess of any cumulative impairment loss previously recognised. A gain or loss not previously recognised by the date of the sale of the non-current asset (or disposal group) is recognised at the date of derecognition.

Assets are not depreciated or amortised while they are classified as held for sale. Interest and other expenses attributable to the liabilities of assets held for sale continue to be recognized.

Assets classified as held for sale are presented separately from the other assets in the balance sheet under "Other Current Assets". The liabilities for assets held for sale are presented separately under other liabilities in the balance sheet.

14. Financial Assets :

Initial recognition and measurement

All financial assets are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset, except in the case of financial assets not recorded at fair value through profit or loss. Transaction costs of financial assets carried at fair value through profit or loss are expensed through the Statement of Profit and Loss.

Subsequent measurement

For purposes of subsequent measurement, the Company classifies its financial assets in the following measurement categories :

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost

Derecognition

A financial asset is derecognised only when:

- the rights to receive cash flows from the financial asset have expired, or
- the Company has transferred its rights to receive cash flows from the financial asset or has assumed an obligation to pay the received cash flows to one or more recipient

15. Financial Liabilities :

Classification as liability or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Initial recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit or loss.

Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

16. Trade and other payables :

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

17. Provisions :

Provisions for legal claims, warranties, discounts and returns are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

18. Contingent liability :

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

19. Revenue Recognition :

Revenue is measured at the fair value of the consideration received or receivable reduced for customer discounts, rebates granted, other similar allowances, goods and services tax (GST) and duties collected on behalf of third parties.

The Company recognises revenue when the Company has transferred the significant risks and rewards of ownership of the goods to the buyer which generally coincides when the goods are despatched in accordance with the terms of sale, the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold, the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the Company.

Revenue is recognised on satisfaction of performance obligation upon transfer of control of the promised goods or services to a customer in an amount being the transaction price that reflects the consideration which the company expects to receive in exchange for those goods or services. The performance obligation in case of sale of goods is satisfied at a point in time which is generally at the time of delivery.

Interest and dividend income

Interest income is recognised in statement of profit and loss using effective interest method. Dividend income is recognised when the Company's right to receive dividend is established.

20. Retirement and other employment benefits :

Short term employee benefits

Liabilities for salaries, wages and performance incentives including non- monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefits obligations in the Balance Sheet.

Long term employee benefits

Defined contribution plans :

The Company has Defined Contribution Plans for its employees such as Provident Fund, Employee's State Insurance, etc. and contribution to these plans are charged to the Statement of Profit and Loss as incurred, as the Company has no further obligation beyond making the contributions.

Defined benefit plans :

Gratuity: The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

21. Taxes of Income :

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with prevailing income tax law.

Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the time of reporting.

Current taxes are recognised in statement of profit or loss, except when they relate to items recognised in other comprehensive income or equity, in which case the tax is recognised in other comprehensive income or equity. Income tax assets and liabilities are presented separately in the Balance Sheet except where there is a right of set-off within fiscal jurisdictions and an intention to settle such balances on a net basis.

Deferred taxes

Deferred tax is provided using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Balance Sheet at the reporting date.

Deferred tax assets and liabilities are measured based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date and are expected to apply in the year when the related deferred tax asset is expected to realise or the deferred tax liability is expected to settle.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are set off if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxation authority.

22. Earnings per Share :

The earnings considered in ascertaining the Company's earnings per share comprise of the net profit / (loss) after tax for the period. The number of shares used in computing the basic earnings per share is the weighted average number of shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average share considered for deriving basic earnings per share, and also the weighted average number of shares, which would have been issued on the conversion of dilutive potential equity shares, if any.

23. Fair value measurement :

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole :

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

24. Segment reporting :

Since the Company is has only one business/ operating segment, no further disclosure is given.

25. Earnings per share :

The Company presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by weighted-average number of ordinary shares outstanding during the year, adjusted for own shares held. Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and weighted-average number of ordinary shares outstanding during the year, adjusted for own shares held, for the effects of all dilutive potential ordinary shares, which comprises convertible instruments and share options (if any) granted to employees.

26. Previous figures have been reclassified/regrouped wherever necessary.

Fair Value Hierarchy

To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instrument into three levels prescribed under the accounting standard.

Level 1 : hierarchy includes financial instrument measured using quoted prices

Level 2 : The fair value of financial instrument that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 : Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable .
