Notes:

- 1 The audited financial statements for the quarter and year ended March 31, 2018 have been taken on record by the Board of Directors at its meeting held on July 5, 2018. The information presented above is extracted from the audited standalone financial statements. The financial statements are prepared in accordance with the Indian Accounting Standards (Ind-AS) as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.
- 2 The Company had opted for CDR of its Debt in November, 2013. The CDR package was approved by the competent authority in June, 2014 and implemented by lenders in September, 2014. The credit facilities envisaged & sanctioned under CDR package were not fully released by the lenders which resulted in sub-optimum utilization of manufacturing facilities and the company could not complete one of its spinning project where substantial amount was already incurred. All this has led to adverse financial performance and erosion in net worth of the Company. Also the company has been facing cash flow mismatch and is not servicing debt obligations as per the terms of CDR package sanctioned earlier. However, despite all this, the manufacturing capacities are operational and running. The Company has requested its lenders for a second/deep restructuring of its debts. Considering the state of art manufacturing facilities of the Company, most modernized technology, skilled labor force, professional management and inherent viability of the Company, the lenders had in-principle agreed for second/deep restructuring of the debts. Pending discussions with the lenders, State Bank of India in its capacity as financial creditor has filed a petition on 12th October, 2017 under "Insolvency and Bankruptcy Code, 2016" (IBC) with Hon'ble National Company Law Tribunal, Chandigarh Bench (NCLT). On 11th April, 2018, the NCLT vide its order of even date admitted the said petition and Corporate Insolvency Resolution Process (CIRP) has been initiated. Mr. Navneet Kumar Gupta having Registration No.IBB/IPA-001/IP-P00001/2016-17/10009 was appointed as Interim Resolution Professional (IRP) vide order dt. 25th April, 2018 and the affairs, business and assets are being managed by the Interim Resolution Professional (IRP). The Company has preferred an appeal against the admission of petition and appointment of IRP with National Company Law Appellate Tribunal (NCLAT). The Corporate Insolvency Resolution Process (CIRP) has since been kept in abeyance vide order dt. 22nd June, 2018 of Hon'ble High Court of Punjab & Haryana. Accordingly, the Company has prepared these financial statements on the basis of going concern assumption. Due to non disbursement of credit facilities the Company had suffered operational losses as well as capital losses. Therefore, the Company has presented before the Adjudicating Authority counter claim & claim of set off against the banks
- 3 Exceptional items consists of provision for diminution in value of investment in subsidiary.
- 4 The Company has only one Reportable Segment i.e. Textiles, hence Segment Reporting is not applicable.
- 5 The majority of secured lenders have stopped charging interest on borrowings, since the accounts of the Company have been categorized as Non Performing Asset. Further the Corporate Insolvency Resolution Process has been initiated under "Insolvency and Bankruptcy Code, 2016" (as referred in Note No. 2 above). In view of the above, the Company has stopped providing interest accrued and unpaid effective 1st April, 2016 in its books. The amount of such accrued and unpaid interest, calculated according to the CDR term, not provided for is estimated at Rs. 54,084 lakhs (Previous Year Rs. 35,901 lakhs) for the year ended 31st March, 2018 and the same has not been considered for preparation of the financial statements for the year ended 31st March 2018. Due to non provision of the interest expense, net loss for the year ended 31st March, 2018 is reduced by Rs. 54,084 lakhs. Further the Financial Liability is reduced by Rs. 89,985 lakhs and correspondingly the equity is increased by the same amount.
- 6 The company had given financial guarantee to the extent of Rs 201,324 lakhs to the bankers of its subsidiary namely SEL Textiles Limited, to secure the credit facilities availed by it. The said financial guarantee amounting Rs. 201,324 lakhs (consisting of principal outstanding and interest thereon upto 31st March 2018 calculated as per terms of MRA with CDR lenders of subsidiary company) and has been duly recognised in financial statements as required by Ind AS 109. The said guarantee has been invoked by the bankers before initiation of Corporate Insolvency Resolution Process.
- 7 In pursuance of the assessment of the search conducted u/s 132(1) of the Income Act, 1961 completed on 30.01.17, the Department had raised demands aggregating to Rs. 28344.39 lakhs (which includes interest upto 30.01.17 and are further subject to penalty proceedings) by making some frivolous additions to the total income of the Company. The Company had filed the appeals against these additions before appropriate authorities and the Company is hopeful that it will get relief in appeal. Considering the facts of the matters, no provision is considered necessary by management with no additional tax liability.
- 8 During the year the Company has made an allowance/impairment for trade receivables and loans & advances aggregating to Rs. 91677.20 lakhs in compliance of Ind AS 109 which is charged to Profit & Loss Statement as an exceptional item. Though the company strongly believes that these trade receivables and loans & advances are fully recoverable/adjustable.
- 9 Figures relating to the previous period have been regrouped/rearranged, wherever necessary to make them comparable with those of the current period.

INDEPENDENT AUDITOR'S REPORT

To
The Board of Directors,
SEL Manufacturing Company Ltd.,

Introduction

We have audited the accompanying statement of standalone financial results of SEL Manufacturing Company Limited (the company) for the year ended March 31, 2018 ("the Statement"), in which are incorporated, the returns for the year ended on that date audited by the branch auditors of the company's overseas branch at Sharjah, United Arab Emirates, being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 read with SEBI Circular no. CIR/CFD/FAC/62/2016 dated 5th July, 2016.

This statement is the responsibility of the Company's Management and approved by its Board of Directors, has been compiled from the related Standalone Ind AS Financial Statements which has been prepared in accordance with the Indian Accounting Standards prescribed under section 133 of the companies Act, 2013, read with relevant rules issued thereunder ("Ind AS") and other accounting principles generally accepted in India. Our responsibility is to express an opinion on the Statement based on our audit of such standalone financial statements.

We conducted our audit in accordance with the standards on auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirement and plan and perform the audit to obtain reasonable assurance about whether the Statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the Statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Qualified Opinion

1. Note No. 5 to the Standalone Ind AS financial results in respect of non provision of interest on borrowings from banks (classified as NPA) amounting Rs.54084 lakhs & Rs. 35901 lakhs (amount calculated after considering the rates and terms and conditions stipulated originally as per CDR package) for the year ended 31st March, 2018 & 31st March 2017 respectively. The same is not in compliance with the requirements of para 27 of the Ind AS 1-Presentation of Financial Statements w.r.t. preparation of financial statements on accrual basis. Consequently, borrowings are not reflected at fair value in financial statements as required by Ind AS 109, Financial Instruments.
2. The Standalone Ind AS financial results includes interest subsidy receivable amounting to Rs.26,621 Lakhs which consists of interest subsidy (i) under TUFs from ministry of textiles and (ii) Subsidy under Textile Policy of Government of Madhya Pradesh for the Financial years 2013-14 to 2016-17 for which no confirmation was available. The company has not provided for any allowance under ECL there against.
3. The company has not provided to us for our review any working regarding impairment testing being conducted to assess recoverable amount of Capital work in progress of Rs16986 lakhs outstanding as at 31st March 2018. We are unable to comment on whether the company needs to make a provision in respect of impairment losses on above as required under Ind AS 36.
4. The Company written down the inventories of Raw materials, Work in Progress & Finished Goods identified as non-moving, slow moving, obsolete and damaged inventory to net realizable value by Rs 40710 lakhs for which the company has not provided to us any technical market/commercial evaluation for the same to justify its reasonableness. Being a technical matter we are unable to comment on the loss recognized by the company due to write down of inventories to net realizable value
5. In Statement of Assets and Liabilities, Borrowings (NonCurrent), Short Term Borrowings and other Financial Liabilities (Current) contains secured loans from banks. There is shortfall in the carrying value of the security against the secured loans consequently the loans are not fully secured.

We further report that, had the impact of our observations made in paragraph 1 of Basis for qualified opinion paragraph been considered, the net loss for the year ended 31st March, 2018 would have been increased by Rs. 54084 lakhs and the borrowings for the year ended 31st March 2018 and 31st March 2017 would have been increased by Rs. 89985 lakhs & Rs. 35901 lakhs and Equity would have been reduced by the same amount for the years ended 31.3.2018 and 31.3.2017 respectively. The financial impact of matters stated in paragraphs 2,3,4&5 to the Basis for Qualified Opinion paragraph can't be measured reliably.

Qualified Opinion

Based on our audit conducted as above, nothing except the above observations has come to our attention that causes us to believe that the accompanying statement of standalone audited financial results read with notes thereon, prepared in accordance with Indian Accounting Standards as specified under section 133 of the Companies Act, 2013 read with Companies (Accounts) Rules, 2014 and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular no. CIR/CFD/FAC/62/2016 dated 5th July, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty Related to Going Concern

Note no.2 of the Standalone Ind AS financial results, stating thereto that the terms and conditions of the sanctioned CDR package w.r.t. interest and principal repayment were not complied with. Consequently, State Bank of India, in its capacity as financial creditor had filed a petition under Insolvency and Bankruptcy Code, 2016 (IBC) against the company with Hon'ble National Company Law Tribunal, Chandigarh Bench (NCLT) which was admitted on 11th April 2018 and Corporate Insolvency Resolution Process (CIRP) has been initiated in terms of IBC. The company has preferred an appeal against the admission of petition and appointment of IRP with NCLAT. The CIRP has since been kept in abeyance vide order dated 22.06.2018 of Hon'ble High Court of Punjab and Haryana. The company has incurred net loss of Rs.222,643 lakhs resulting into accumulated losses of Rs. 296,335 lakhs leading to erosion of entire net worth and current liabilities have exceeded the current assets of the company, Further concerning the company's ability to realize the value of inventories, trade receivables and other financial assets, meet its contractual/ financial obligations w.r.t. repayment of overdue principal and accrued interest on secured borrowings, arranging working capital for ensuring normal operations, further investments required towards ongoing projects under construction and the Corporate guarantee given on the behalf of its subsidiary namely SEL Textiles Limited. Moreover the company has derecognized Deferred Tax assets and MAT credit since availability of future taxable income is not certain. Due to financial constraints, the company has started job work operations in major spinning plants instead of pursuing its own manufacturing activities since November 2017. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the company's ability to continue as going concern and therefore company may be unable to realize its assets and discharge its liabilities in the normal course of business.

Emphasis of Matter

We draw attention to the following matters:

1. The Standalone Ind AS financial results in respect of Contingency related to 'compensation payable in lieu of bank sacrifice,' the outcome of which is materially uncertain and cannot be determined currently.
2. The Standalone Ind AS financial results in respect of contingency related to export incentives obligation refundable amounting Rs. 3855 lakhs in respect of Allowance for foreign trade receivables, which is further subject to interest and penalties, the amount of such obligation cannot be determined currently.
3. Note No. 7 of the Standalone In AS financial results in respect of contingency related to Income Tax demands raised by the Income Tax Authorities amounting Rs. 27854 Lakhs for various matters, which is further subject to interest and penalties, the amount of such obligation cannot be measured with sufficient reliability.
4. The Standalone Ind AS financial results regarding the balance confirmations of Trade Receivables, Capital/Trade Advances & Trade Payables. During the course of preparation of Standalone Ind AS financial statements, e-mails/letters have been sent to various parties by the company with a request to confirm their balances as on 31st March, 2018 out of which few parties have confirmed their balances direct to us or to the company.
5. In Note No.8 of Standalone Ind AS financial results, the company has provided for allowance of Rs.88093 lakhs in respect of Trade Receivables due to change in probability factor in estimating Expected credit losses (under ECL Model) as reported in para 3 to the financial statements.

Further, Note No.8 to the Standalone Ind AS financial results, the company has provided for impairment loss of Rs. 3584 Lakhs in respect of long outstanding Capital/Trade Advances given to suppliers.

6. In our opinion, the aforesaid standalone Ind AS financial results comply with the Indian Accounting Standards specified under section 133 of the Companies Act, 2013, read with relevant rules except non compliance of provisions of para 42(b) of Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors, which requires disclosure of restated opening balances of assets, liabilities and equity for the earliest prior period presented which had not been made by the company in the Standalone Ind AS Statements of assets and liabilities.

Our conclusion is not modified in respect of the matters reported in para (1) and (6) of Emphasis of matters.

Other matters

1. We did not audit the financial statements of Overseas branch included in the Standalone Ind AS financial results of the Company whose financial statements reflect NIL total assets as at 31st March, 2018 and NIL revenues for the year ended on that date, as considered in the Standalone Ind AS financial statements. The financial statements of the branch has been audited by the branch auditors whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of the branch, is based solely on the report of such branch auditors.

2. The Statement included the results for the quarter ended March 31,2018 being the balancing figure between the audited figures in respect of the financial year and the unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

Our opinion is not modified in respect of the above said matters.

d.	<p>For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:</p> <p>The Majority of Lenders have stopped charging interest on debts, since the dues from the Company have been categorized as Non Performing Asset. Further the Corporate Insolvency Resolution Process has been initiated under "Insolvency and Bankruptcy Code, 2016". In view of the above, the Company has stopped providing interest accrued and unpaid effective 1st April, 2016 in its books. The amount of such accrued and unpaid interest, calculated according to the CDR term, not provided for is estimated at Rs. 54,084 lakhs (Previous Year Rs. 35,901 lakhs) for the year ended 31st March, 2018 and the same has not been considered for preparation of the financial statements for the year ended 31st March 2018. Due to non provision of the interest expense, net loss for the year ended 31st March, 2018 is reduced by Rs. 54,084 lakhs. Further the Financial Liability is reduced by Rs. 89,985 lakhs and correspondingly the equity is increased by the same amount.</p>
