Subject: Resignation Letter

Dear Srini,

I am writing to resign as Global Leader for Wipro Engineering Edge business and member for Executive Board, as I have decided to take on a new opportunity for personal growth and my last date will be 4th October 2024.

It has truly been an honor and privilege to be a Wipro-ite over the years and I am humbled on the journey of leading transformation of the Engineering services , truly enabling innovation at scale for our clients, our engineers solving complex engineering challenges which led to profitable growth contributions to Wipro over the years as a Global leader in ER&D services market.

Always wishing you and Wipro the best of success in the future.

Harmeet Chauhan

Profile of Srikumar Rao

Srikumar Rao will be the new Global Head of Wipro Engineering Edge Business Line. In this role, he would be responsible to define the vision for Wipro's ER&D Services business, its growth strategy and execute the same, while providing world class, new-age and AI-First products, solutions and experiences to our global clients across industries and help them innovate at scale with efficiency.

Srikumar has had a stellar career of 26 years in Wipro, where he joined from campus and grew to his last role as COO of Wipro Engineering Edge and Global Practice Head for Embedded Systems. Through this journey, he has played multiple roles across delivery, solutions and sales for Wipro's ER&D business – selling and delivering specialized ER&D services largely to the Software & Internet, Semiconductor, Automotive, Manufacturing and Communications clients.

Having mostly worked for US markets followed by APMEA and then Global, Srikumar is credited with turning around business situations, be it growth, profitability, and client impressions. He is a member of NASSCOM's ER&D Executive Council.

Srikumar holds a Bachelor's degree in Electronics and Telecommunication Engineering from College of Engineering Pune and has completed his Post Graduate Program in Software Enterprise Management from IIM Bangalore. He will be based in Bangalore.
