INDEPENDENT AUDITORS' REVIEW REPORT

TO THE BOARD OF DIRECTORS OF MAHANAGAR TELEPHONE NIGAM LIMITED

1. We have reviewed the accompanying Statement of unaudited standalone financial results ("the Statement") of **MAHANAGAR TELEPHONE NIGAM LIMITED** ("the Company") for the quarter ended December 31, 2018 and year to date from April 1, 2018 to December 31, 2018, attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016 ("the Circular").
2. The preparation of the statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind-AS) – 34 on "Interim Financial Reporting" prescribed under section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Circular, is the responsibility of the Company's management and has been approved by the Board of Directors of the Company. Our responsibility is to express a conclusion on the statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India (ICAI). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Basis for Qualified Conclusion

Based on the information provided to us by the Management of Mahanagar Telephone Nigam Limited, we have given in the **Annexure – I** to this report the basis for qualified conclusions.

5. Qualified Conclusion

Based on our review conducted as stated above, except for the observations / matters mentioned in the preceding paragraph, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results read with notes thereon, prepared in accordance with the applicable Indian Accounting Standards (Ind-AS) prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. Emphasis of Matter

- a) Classification of trade receivables as unsecured without considering the security deposit which the Company has received from the subscribers.
- b) Amount receivable from BSNL & other operators have been reflected as loans and other financial assets instead of bifurcating the same into trade receivables and other financial assets.
- c) The Amounts recoverable from Department of Telecommunication (DOT) in respect of settlement of General Provident Fund (GPF) of Combined Service Optee absorbed employees in MTNL; wherein DOT has not accepted/sanctioned the full amount of GPF including interest thereon, claimed of the Company in respect of which correspondence in going on between the Company and DOT are continued to be shown as recoverable from DOT and payable to GPF in the unaudited standalone financial results of the Company.
- d) The payables towards license fees and spectrum usage charges have been adjusted with excess pension payouts to Combined Pensioners Optees recoverable from DOT in respect of which matter is under consideration and correspondence in going on between the Company and DOT.

e) The license agreement between the Company and Department of Telecommunication (DOT) does not have any guidance on change in method of calculation of Adjusted Gross Revenue (AGR) due to migration to Ind-AS from I-GAAP. Provisioning and payment of liability in respect of license fees and spectrum usage charges payable to DOT has been done on the basis of Ind-AS based financial statements. The amount of difference in computation of Adjusted Gross Revenue (AGR) is under consideration of DOT.

Our conclusion is not modified in respect of these matters.

- 5) Up to financial year 2011-12 License Fee payable to the DOT on IUC charges to BSNL was worked out on accrual basis as against the terms of License agreements requiring deduction for expenditure from the gross revenue to be allowed on actual payment basis. From financial year 2012-13, the license fee payable to DOT on IUC charges to BSNL has been worked out strictly as per the terms of License Agreement. However shortfall of Rs. 140.36 Crores on this account for the period up to financial year 2011-12 shown as contingent liability in 2014-15 has not been provided for till December 31, 2018 resulting into understatement of current liabilities and understatement of losses to that extent.

- 6) Except for the impairment loss of assets of CDMA units provided in earlier years, No adjustment has been considered on account of impairment loss, if any, with reference to Indian Accounting Standard – 36 “Impairment of Assets” prescribed under section 133 of the Act as at December 31, 2018. In view of recurring losses incurred by the Company and uncertainty in the achievement of projections made by the Company, we are unable to comment on the provisions, if any, required in respect of impairment of carrying value of the cash generating units and its consequential impact on the losses of the Company for the quarter and nine month ended on December 31, 2018, accumulated balance of reserve and surplus and also the carrying value of the cash generating units.
- 7) Property, Plant and Equipment are generally capitalized on the basis of completion certificates issued by the engineering department or bills received by finance department in respect of bought out capital items or inventory issued from the Stores. Due to delays in issuance of the completion certificates or receipt of the bills or receipt of inventory issue slips, there are cases where capitalization of the Property, Plant and Equipment gets deferred to next year/quarter. The resultant impact of the same on the attached unaudited standalone financial results of the Company for the quarter and nine month ended on December 31, 2018 by way of depreciation and amount of property, plant and equipments capitalized in the balance sheet can't be ascertained and quantified.
- 8) Certain Land and Buildings transferred to MTNL from DOT in earlier years have been reflected as leasehold. In the absence of relevant records, we are not in a position to comment on the classification, capitalization and amortization of the same as leasehold and also the consequential impacts, if any, of such classification, capitalization and amortization not backed by relevant records. In the absence of relevant records, impact of such classification on the attached unaudited standalone financial results of the Company for the quarter and nine month ended on December 31, 2018 can't be ascertained and quantified.
- 9) Department of Telecommunication (DOT) had raised a demand of Rs. 3,313.15 Crores on account of one time charges for 2G spectrum held by the Company for GSM and CDMA for the period of license already elapsed and also for the remaining valid period of license including spectrum given on trial basis.

As explained the demand for spectrum usage for CDMA has been revised by Rs. 107.44 Crores on account of rectification of actual usage.

Also as explained, pending finality of the issue by the Company regarding surrender of a part of the spectrum, crystallization of issue by the DOT in view of the claim being contested by the Company and because of the matter being sub judice in the Apex Court on account of dispute by other private operators on the similar demands, the amount payable, if any, is indeterminate. Accordingly, no liability was created for the demand made by DOT on this account and Rs. 3,205.71 Crores had been disclosed as contingent liability.

In view of the above, we are not in a position to comment on the correctness of the stand taken by the Company and the ultimate implications of the same on the attached unaudited standalone financial results of the Company for the quarter and nine month ended on December 31, 2018.

- 10) In Mumbai Unit, the Company had been awarded a long duration contract from Larsen & Turbo (L&T) for design, development, implementation & Maintenance of CCTV based surveillance system for Mumbai City. In the absence of any such working/detail, we are not in a position to comment on the impact thereof on the attached unaudited standalone financial results of the Company for the quarter and nine month ended on December 31, 2018.
