## Mumbai Indians welcome The Hundred's London-based franchise 'Oval Invincibles' to the #OneFamily

*~Taking its tally to seven cricket teams spanning four continents and five countries,  
across both men's and women's cricket ~*

**Mumbai, 10th February 2025:** Reliance Industries Limited (RIL), owners of Mumbai Indians (MI), through its subsidiary, RISE Worldwide, today announced its successful bid to partner with the London-based Oval Invincibles, a franchise in England and Wales Cricket Board's (ECB) The Hundred. Fresh off lifting yet another league title in South Africa over the weekend, MI are proud to welcome the men's team — reigning champions of The Hundred in 2023 and 2024 — and the formidable women's squad, winners of the inaugural 100-ball league in 2021 and champions again in 2022, to the #OneFamily.

This milestone further cements MI's position as a global cricketing powerhouse, with seven cricket teams spanning four continents and five countries across both men's and women's cricket once the deal is closed. The completion of the transaction, including the acquisition of a 49% shareholding in Oval Invincibles, is subject to customary diligence and documentation.

**Mrs. Nita M. Ambani** commented, "Cricket is more than just a sport, it's a passion that unites people across geographies and cultures. Welcoming Oval Invincibles into our Mumbai Indians family is a proud and special moment. With this partnership, we expand our MI fan base across India, New York, the UAE, South Africa, and now England – ushering in a new chapter of our global cricketing journey. At Mumbai Indians, we remain deeply committed to nurturing young talent, building champion teams, and bringing fans closer to the game."

**Mr. Akash M. Ambani** added, "We are glad to be part of Oval Invincibles—the most successful team in The Hundred—and welcome them into the Mumbai Indians family. England, with its rich cricketing culture, has always been special to the game. To have the iconic Oval, which has witnessed some of cricket's greatest moments, as our home venue is truly special. We look forward to collaborating with like-minded partners, Surrey CCC, who share our passion and ethos for the sport. By leveraging our global cricket expertise, we aim to further elevate the teams, engage with fans, and expand our footprint in the sport we love."

**Mr. Oli Slipper, Chair of Surrey CCC**, said, "We said at the outset that we wanted the best partner to ensure that Surrey continue to lead the way in English cricket and in Mumbai Indians that is what we have got. They share our passion for cricket, they own the biggest and most successful team in the IPL, the Mumbai Indians, and we believe this partnership will bring continued success to both Surrey CCC and our Hundred team. Beyond cricket, the huge success of RIL's global business will help Surrey to thrive off the field too. I couldn't be more excited to welcome Mrs. Nita Ambani, Akash and his team as our new partners."

Mumbai Indians brings a wealth of experience in building world-class cricket teams, with a strong commitment to nurturing players and engaging fans globally. It currently has five T20 cricket teams across three continents in four countries, now taking the tally to seven teams across four continents and five countries.
