6. During the quarter ended June 2018, NSEL discharged its liability towards invocation Corporate Guarantee provided by the Company to a bank the extent of Principal amount of ₹ 3,143.25 lakhs, out of partial recovery of dues from NAFED for which corporate guarantee was provided. Since the amount was written off in the Company's book earlier, it was written back in quarter ended June 2018. Subsequently some parties have filed Notice of Motion and Contempt Petition before the Hon'ble Bombay High Court, wherein the Plaintiffs have wrongly alleged that NSEL and the Company are in contempt of court by having willfully and deliberately breached the Orders of the Court. By way of abundant caution and without prejudice to its rights, remedies and defenses in the said Notice of Motion and Contempt Petition or otherwise, the Company has, after due deliberations and consideration, returned the said amount of ₹ 3143.25 lakhs to NSEL in January 2019. The Company is monitoring developments and has filed application with NCLAT for seeking impleadment in matter of ILFS as financial creditor. In view of above, the Company is unable to estimate any allowance for expected credit loss for these investments. Further, ITNL has defaulted on half yearly interest payment which was due in January 2019 and hence on conservative basis, the Company

has estimated credit loss to the extent of 100% interest due till March 31, 2019 amounting to ₹ 1,618.27 lakhs and derecognised.

8. Hon'ble Bombay High Court passed an ad interim order inter alia restraining the Company from distributing any dividend or depositing the same in the dividend distribution account in accordance with the provisions of the Companies Act, 1956 (to be read as Companies Act, 2013) pending the final hearing and disposal of the Notice of Motion. 24. The Statutory Auditors vide their Independent Auditors Report dated May 27, 2019 issued the qualified opinion on the Consolidated Audited Financial results for the year ended March 31, 2019 and basis for qualified opinion thereto are as disclosed:-

- I. Basis for Qualifications pertaining to the Company and management response thereto, Refer Note no 18 above.
- II. Basis for qualified opinion by the independent auditors of NSEL vide their audit report on the consolidated financial statements (CFS) of NSEL, are given as under, stating that as stated in the notes of consolidated financial statements of NSEL:

- a) NSEL has been served with notices/letters/summons from various statutory authorities/regulators/government departments and some purported aggrieved parties, pertaining to the period prior to suspension of the exchange related operations from 31st July 2013. There are some writ petitions, public interest litigations, civil suits including in representative capacity filed by and against the Company. Such matters against the Company are sub-judice before different forums. The Group may be exposed to civil/criminal liabilities in case of any adverse outcome of these investigations/enquiries or legal cases or any other investigations as referred above enquires or suits which may arise at a later date.

In the light of the above, the outcome of which is not presently known and is uncertain at this stage, hence we are not able to comment on the current or consequential impact if any, in respect of the same on these Consolidated IndAS Financial Statements. Also, the matters stated above could also have a consequential impact on the measurement and disclosure of information provided, but not limited to, Balance Sheet, Statement of profit/(loss) account, cash flow, statement statement of change in equity (SOCIE) and earnings per share (EPS) for the year ended and as at 31 March, 2019 in these Consolidated Ind AS Financial Statements."

NSEL Management Response:

Investigating agencies are investigating genuineness of the warehouse receipts issued by the Exchange as well as the frauds perpetrated by the erstwhile senior officials of the Exchange. The Government by Gazette Notification SO 2529(E) dated September 19, 2014 has withdrawn the Gazette Notification SO 906(E) dated June 05, 2007 (by which the Company was granted exemption under Section 27 of the FCR Act, 1952 for trading of forward contracts of one day duration) with immediate effect and consequently the notification SO 228(E) dated February 06, 2012 and notification SO 2406(E) dated August 06, 2013 ceased to be in force w.e.f. September 19, 2014, as informed to the Company by the FMC vide letter dated November 05, 2014. As the reply to the said SCN has been given and actions, if any, required due to SCN has been taken, including withdrawal of the exemption itself, the Company do not foresee any further consequences on the SCN. FMC /Ministry of Consumer Affairs has not adjudicated the SCN issued to NSEL for violation of the conditions of the exemption notification dated June 05, 2007, which was the subject matter of the SCN. All contracts traded on the Exchange platform were proper and in consonance with applicable laws, exemption notifications and there were no violations in this regard. The Company had obtained a legal opinion on the legality of the contracts traded by the members on the exchange

platform. The Company is taking all steps to defend its position, however since all matters are sub-judice, the Company is unable to quantify the impact, if any, of such legal proceedings on the financial statements of the Company.

In case of provision for impairment of Financial assets relating to amounts to be recovered from defaulting members, NSEL has secured decrees/ Arbitration Award worth ₹ 3,365 Crores and has initiated execution proceedings against the Defaulting members to recover Decretal amounts. Further, the High Court Committee has crystalized the liability to the tune of ₹ 868.25 crores of defaulting members. The said reports will be converted into the decree once the same are accepted by the High Court.

- b) The trade receivables, other receivables, loans and advances and deposits are subject to confirmation and reconciliation. The management, however, does not expect any material changes on account of such reconciliation/ confirmation from parties. In many cases legal notices have been sent to the parties in earlier years; however we are unable to form any opinion on the recoverability of the outstanding balances of such parties.

NSEL Management Response:

The Majority in value of the trade and other receivables, loans and advances etc. are under litigation/subject to court orders. Company has already made provision for the majority of the value or disclosed the reason for non-provisioning. Company is making full efforts for recovery of the amount.

25. Previous year/period figures have been regrouped/reclassified, wherever necessary, to conform to current period's presentation.
