Notes:

- 1 The Company is engaged in the business relating to products, projects and systems for electricity transmission and related activities only. Accordingly, the Company has only one operating segment.
- 2 Post the applicability of Goods and Service Tax (GST) w.e.f. July 2017, Revenue from Operations are required to be disclosed net of GST in accordance with the requirements of Ind AS. Accordingly, the Revenue from Operations for the nine months ended 31 December 2018 is not comparable with the corresponding nine months ended 31 December 2017 presented in the financial results which is reported inclusive of Excise Duty amounting to Rs. 541.1 million for the quarter ended 30 June 2017.
- 3 Revenue recognition - Effective 1 April 2018, the Company adopted Ind AS 115, "Revenue from Contracts with Customers" using the cumulative effect approach, as the transitional provision option available to the Company. The Company also reassessed the revenue recognition method in respect of measuring percentage of completion for applicable products/ services projects. The key changes in accounting policies included non-discounting of retention money as it is considered to ensure Company's obligation rather than provision of finance to the customer and change in method of measuring percentage of completion measured by segmented portions of the contract, i.e. Contract Milestones achieved to actual costs incurred. As a result, the cumulative effect of Rs.817.1 million (net of tax impact Rs.424.1 million) has been recognized as addition to retained earnings as at 1 April 2018.
It is impracticable to determine the adjustments/ impact of the above changes on the comparatives and current period/ quarter results. Accordingly, the comparatives have not been retrospectively adjusted, i.e it is presented, as previously reported, under earlier revenue recognition standards.
- 4 The above unaudited financial results were reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 11 February 2019. The unaudited results for the quarter and nine months ended 31 December 2018 have been subjected to limited review by the Statutory Auditor of the Company.
- 5 The review report of the Statutory Auditor is being filed with BSE Limited, National Stock Exchange of India Limited and Calcutta Stock Exchange Limited.
