The positive momentum has been achieved across all our product segments from uber luxury, ultra luxury, premium luxury and aspiration luxury homes. Strong execution across all our projects has further strengthened our collections and cash flows. We will continue to see strong cash flows given the pre-sales and execution momentum.

Overall, the real estate industry has continued to consolidate towards a healthy systemic transformation. The lending crisis that emerged in the last few months has only added positive velocity to this consolidation and opened up many opportunities for us to make larger impact in the MMR region. With our proven balance sheet strength and prudent cash flow management, we are now geared up to create more landmarks like we have done in Bandra Kurla Complex (BKC), Oshiwara District Centre (ODC) and Naigaon.”
