INDEPENDENT AUDITOR'S LIMITED REVIEW REPORT

To,
Board of Directors of
BIGBLOC CONSTRUCTION LIMITED

1. We have reviewed the unaudited financial results of **BIGBLOC CONSTRUCTION LIMITED** ('the Company') for the quarter and nine months ended December 31, 2018 which are included in the accompanying 'Unaudited Standalone Financial Results for the Quarter and Nine Months Ended December 31, 2018' (the "Statement"). The Statement has been prepared by the Company pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations, 2015"), which has been initialed by us for identification purposes.
2. The Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review in accordance with the Standards on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement.
4. A review of interim financial information is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

5. *Based on information provided to us by the management, the company has not provided for Post Employment Benefits and other long term employee benefits under Defined Benefit Plans on accrual basis but provides the same as and when they become due for payment. This method of accounting of Post Employment Benefits and other long term employee benefits under Defined Benefit Plans is in deviation with Ind AS – 19 on Employee Benefits. As there is no actuarial report or basis of calculation available with the management of such Post Employment Benefits and other long term employee benefits, the quantum of deviation cannot be ascertained. If the company had followed the method accounting as per Ind AS – 19, then employee benefit expense would have increased and correspondingly Profit for the period would have reduced.*
6. Based on our review of the Statement conducted as above, *with the exception of the matter described in the preceding paragraph no. 4*, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with the applicable Accounting Standards prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies, and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
