**Limited Review Report on the Unaudited Financial Results for the quarter ended on December 31<sup>st</sup> , 2018 pursuant to the Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

To the Board of Directors of **SHAH ALLOYS LIMITED**

We have reviewed the accompanying statement of unaudited financial results ("the statement") of **SHAH ALLOYS LIMITED** "the company" for the Quarter ended on 31<sup>st</sup> December ,2018. being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing obligations & Disclosure Requirements) Regulation,2015,read with SEBI circular No.CIR/CFD/FAC/62/2016 dated 05<sup>TH</sup> July,2016. This Statement which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" as prescribed under Section 133 of Companies Act, 2013 ("the Act") read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial information performed by the Independent Auditor" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

### Basis for Qualified Opinion

1. ***The Company has not provided for foreign exchange loss in the financial results on the Principal amount of 1,00,00,000 USD and on the Premium amount of 48,25,500 USD of the Foreign Currency Convertible Bonds (FCCB) which had become due for payment on September 22, 2011 and remain unpaid as at December 31, 2018, which constitutes a departure from the Indian Accounting Standard- 21. "The Effects of Changes in Foreign Exchange Rates which requires that each foreign currency monetary items should be reported using the closing rate as at the balance sheet date. Non provision of the foreign exchange loss on the aforesaid Foreign Currency Convertible Bonds (FCCB) and the Premium amount relates to the period from September 23, 2011 to December 31, 2018. Had the company followed the Accounting Standard and made the provision for foreign exchange gain on the above FCCB for the quarter ending on 31.12.2018, then the loss of the company for the quarter ending on 31.12.2018 would have been lower by Rs. 4,36,61,098 and to that extent the liability would have been lower. However, the company has not provided for foreign exchange fluctuation on the above FCCB since September 2011 and accordingly the total loss on foreign exchange works out to Rs. 30,76,21,712 which has not been provided by the company. Thus, balance of Reserve and surplus and the current liabilities have been understated by Rs. 30,76,21,712/- as on 31.12.2018.***
  
2. **The Company has not assessed the impact of Effective Interest Method to the finance cost as per the requirement of Ind AS 109 "Financial Instruments" and hence, the effect of the same, if any, on the financial results is not identifiable therefore, we are unable to comment upon its impact on the Quarterly results for the Quarter ended on December 31, 2018.**
  
3. **The Company has not evaluated the provisioning requirement of a loss allowance on its financial assets so as to give impact of impairment, if any, as per the expected credit loss method required by Ind AS 109 "Financial Instruments" and thus, the effect of the same, if any, on the Financial Results is not identifiable . We are unable to comment upon its impact on the Quarterly results for the period ended on December 31, 2018**

4. ***During the Quarter ending on 31st December,2018, the company has not made the provision of interest on loans from banks and financial institutions (excluding on the settlement entered with ARCs for specific loans which are assigned to them). Had the company continued the said practice of making provision of interest on loans from banks and financial institutions for the quarter ended on 31<sup>st</sup> December 2018 the Loss of the quarter would have been higher by Rs 329.09 lacs and current liabilities would have been higher to that extent.***

#### **Qualified Conclusion**

Based on our review conducted as above, *except as mentioned in qualified opinion* nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with aforesaid accounting standard and other recognized accounting practices and policies have not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

#### **EMPHASIS OF MATTER**

- 1) **The Company's current liabilities exceeded its current assets as at the previous year balance sheet date. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. However, considering the management view, the financial results of the Company have been prepared on a going concern basis.**

***Our report is not modified in respect of this matter of Emphasis***

**OTHER MATTERS**

- I) Balance of Trade receivables, Loans & Advances & Trade payables are subject to confirmation from respective parties.
  
- II) The closing stock as at 31.12.2018 is as taken, valued and certified by the Management.

Our Conclusion is not modified in respect of other matters.
