China refutes report on Xi asking Pak to relocate Hafiz Saeed

PRESS TRUST OF INDIA Beijing, May 24

CHINA ON THURSDAY dismissed as "shocking" and "baseless" a media report that President Xi Jinping has asked Pakistan to relocate the Mumbai terror attack mastermind and

judicial chief Hafiz Saeed to a West Asian country, amid mounting international pressure on Islamabad to act against him.

According to the report, a close aide of the prime minister of Pakistan said that Xi made the suggestion to Shahid Khaqan Abbasi during their meeting on the sidelines of the Boao Forum in China last month.

"At a 35-minute meeting, at least 10 minutes of the discussion dealt with Saeed. The Chinese President was keen on pressing the Prime Minister to find an early solution to keep Saeed away from the limelight," an unnamed close aide of Abbasi was quoted as saying.

Reacting to it, Chinese foreign ministry spokesperson's office said on Thursday the report was "shocking and baseless."

"It is shocking and baseless that all we can say," the official from the spokesperson's office told PTI here, declining to comment further on the report.

Considering the close relations enjoyed between China and Pakistan, there is sense of disquiet here over the report in the backdrop of the current tussle between the Pakistan government headed by Pakistan Muslim League-N (PML-N) and the powerful military.

Earlier this month, Pakistan's ousted prime minister Nawaz Sharif, who has been disqualified to hold public office for life by the Supreme Court in the Panama Papers case, admitted Pakistan's involvement in 26/11 Mumbai terror attack.

Without naming Saeed and Jaish-e-Mohammed, Masood Azhar's militant organisations operating in the country with impunity, Sharif said "Militant organisations are active in Pakistan."

"Call them non-state actors, should we allow them to cross the border and kill over 150 people in Mumbai? Explain it to me. Why can't we complete the trial," he said in an interview to Dawn newspaper, which created furore in Pakistan.

Saeed carries a \$10 million American bounty for his role in terror activities. He is the mastermind behind the 2008 Mumbai terror attack in which 166 people, including six US nationals, were killed.

While Saeed has been declared a global terrorist by the United Nations after the Mumbai terrorist attacks, China has put repeated technical heads on India, US, UK and France's efforts in the UN to list Azhar as a terrorist for his involvement in the Pathankot terrorist attack.

The judge is believed to be the front organisation for the Lashkar-e-Taiba (LET) which is responsible for carrying out the Mumbai attack. It has been declared as a foreign terrorist organisation by the US in June 2014.

Trump: No immigration deal unless 'real wall'

THE ASSOCIATED PRESS Washington, May 24

PRESIDENT DONALD TRUMP says he opposes any immigration legislation that doesn't include "a real wall" along the Mexican border and "very strong border security."

Moderates House Republicans are pushing a deal that could lead to citizenship for young "Dreamer" immigrants brought to the US illegally.

But Trump tells Fox & Friends that unless any bill "includes a wall, and I mean a wall, a real wall, and unless it includes very strong border security, there'll be no approvals from me."

Trump's also taking issue with the immigration court system, saying other countries have "security people" who "stand there and say you can't come in" rather than judges who decide immigration claims.

"Whoever hears of a system where you put people through trials? ... We're going to change the system."
