Auditor's Report on Quarterly and Annual Consolidated Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To Board of Directors of
Global Offshore Services Limited

1. We have audited the accompanying statement of consolidated financial results of Global Offshore Services Limited ('the Company') comprising its subsidiaries (together 'the Group') for the year ended 31st March 2018, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with circular no. CIR/CFD/FAC/62/2016 dated 5th July 2016. These financial results are the responsibility of the Company's management and have been approved by the Board of Directors. Our responsibility is to express an opinion on these financial results, which have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standards for Interim Financial Reporting (Ind AS 34) specified under Section 133 of the Companies Act, 2013 read with relevant rules issued there under; or by the Institute of Chartered Accountants of India, as applicable and other accounting principles generally accepted in India.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed in financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.
3. We did not audit the financial results/statements and other information of one foreign subsidiary namely Garware Offshore International PTE Limited included in the consolidated year to date results, whose financial statements reflect total assets of Rs. 1,086.96 lakhs as at 31st March 2018 and total revenue of Rs. 1,153.20 lakhs for the year ended on that date respectively. These financial results/statements and other financial information have been audited by other auditors whose report have been furnished to us by the management. Our opinion, in so far as it relates to the affairs of such subsidiary is based solely on the report of other auditors in which they have reported the following qualified opinion: -
 - we are unable to attend physical inventory count at the year end to determine the actual quantity of the consumable inventory amounting to Rs. 82.71 lakhs included in the financial statement due to the impracticability to attend the physical inventory count at the end of the financial year.
 - the company's loan payables include an amount of Rs. 324.75 lakhs from third party, the directors are of the opinion that this loan interest with 30% been overprovided in prior year and should not be accrued during the financial year. However sufficient appropriate audit evidence to ascertain the same could not be obtained. Since the loan bear an interest rate of 30% p.a., the effect of which would increase accrual by Rs. 99.06 lakhs. Accordingly, the effect of which would increase the loss before taxation by Rs. 99.06 lakhs.
 - we draw attention that the networth in the financial statements of Garware Offshore International PTE Limited has been eroded and is negative Rs. 2,351.09 lakhs, that may cast significant doubt on the company's ability to continue as a going concern.

4. We have reviewed the financial results/statements and other information of one foreign subsidiary namely Global Offshore Services B.V., fit for consolidation purpose which is included in the consolidated year to date results, whose financial statements reflect total assets of Rs. 91,130.74 lakhs as at 31st March 2018 and total revenue of Rs. 4,948.60 lakhs for the year ended on that date respectively, which are certified by the management. This should not be construed as audit of the subsidiary.
5. We draw attention to the following points:
- a) Out of the Foreign Currency Term Loans (FCTL) for Acquisition / Modification of vessels, an amount of Rs. 34,232.40 lakhs are due to State Bank of India (SBI). On account of the default in repayment of installment due and interest, SBI has treated the same as an Non Performing Assets. Subsequently, the bank has converted FCTL into rupee loans and propose to charge higher interest rate. The Company has not accepted the switchover of the loans into rupees and is continuing to provide interest as per the original terms, the amount of interest on rupee loan is not quantifiable.
- Our report is not modified in respect of the above matter.
6. In our opinion except above and to the best of our information and according to the explanations given to us the statement:
- (i) include the year to date financial results of the entities as given above.
- (ii) is presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with circular no. CIR/CFD/TAC/62/2016 dated 5th July 2016, in this regard; and
- (iii) gives a true and fair view in conformity with the Ind AS and other accounting policies generally accepted in India of the net profit and other comprehensive income and other financial information for the year ended 31st March 2018.

	<p>b. Type of Audit Qualification Qualified Opinion.</p>
	<p>c. Frequency of qualification. Repetitive.</p>
	<p>d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views. Nil.</p>
	<p>e. For Audit Qualification(s) where the impact is not quantified by the auditor:</p>
	<p>(i) Management's estimation on the impact of audit qualification: Nil.</p>
	<p>(ii) If Management is unable to estimate the impact, reasons for the same: With respect to the qualification made by the Auditor of the Company's subsidiary on the Stores and Spares / Inventories on - board the Vessel, the same pertains to the inability of the Auditor to physically inspect the same since the said Vessel is on term contract in Libya where the visit of the Auditors' would not have been possible. Additionally a visit by the Auditor to the Vessel would lead to a substantial loss of revenue as the Vessel would have had to be "off hired". In any case the said inventory list has been certified by the Master of the Vessel and confirmed by the Technical Managers. On this basis, the Management has provided Masters Certificate confirming existence of these inventories to the Auditors. Therefore there is no estimation of impact on this qualification.</p>
	<p>(iii) Auditors' Comments on (i) or (ii) above: Auditor qualification are self-explanatory</p>

	<p>c. Frequency of qualification. First time.</p>
	<p>d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views.</p> <p>With respect to the qualification regarding non provision of interest on loan charged by the owners the Management has had several discussions with the owners who have been categorically informed that such high rate of interest is infeasible under given circumstances and cannot be borne by the subsidiary. Owners had expressed their understanding of the same and have agreed that the same will be taken up during the restructuring of the terms of the BBC. Discussions on this issue are ongoing and interest would be provided when a final rate is agreed upon. The impact of the same can be determined once the interest rate is agreed upon. If there is no change then the impact of additional interest would be Rs.99.06 Lakhs.</p>
	<p>e. For Audit Qualification(s) where the impact is not quantified by the auditor:</p>
	<p>(i) Managements estimation on the impact of audit qualification: Nil.</p>

	<p>e. For Audit Qualification(s) where the impact is not quantified by the auditor: With regard to the doubt cast on the Company's subsidiary to continue as an ongoing concern, since the subsidiary is in discussion with the owners of the Vessel for a restructuring to be executed and since the Vessel continues on contract. Management does not believe that the continuity of a Company is significantly hampered. As a matter of prudence, in view of the carry forward losses of the subsidiary, the Company has provided for impairment of investment made in the said subsidiary.</p>
	<p>i) Managements estimation on the impact of audit qualification: Nil.</p>
	<p>ii) If management is unable to estimate the impact, reasons for the same: As explained above, there is no qualification involved, and the Company has already provided for the improvement of investment made in the said subsidiary.</p>
