MANAGEMENT DISCUSSION & ANALYSIS

Indian Economic Overview

The Indian economy has been growing steadily and is now one of the fastest-growing economies in the world. Despite global challenges and tighter domestic monetary policies, the financial year 2022-23 saw India's continued strong growth momentum, underpinned by a key focus on infrastructure development and private sector consumption. According to the National Statistical Office, India's GDP grew 7.2% in 2022-23.

Despite maintaining a steady growth momentum, India has been grappling with inflationary pressures since the beginning of 2022-23. In response, the Reserve Bank of India implemented a series of rate hikes to ease inflationary pressures. The Reserve Bank of India raised the repo rate five times in a row, reaching 6.50% in 2022-23. In April, during its first bi-monthly monetary policy for 2023-24, the RBI chose to keep the repo rate steady, indicating that inflationary pressure on the economy is slowly decreasing.

Going forward, India's positive economic outlook might be impacted by global challenges, including high inflation numbers, monetary tightening by central banks, supply chain strains and geopolitical conflicts, all of which are affecting global economic prospects. However, India's economic growth is expected to continue on a solid footing with a projected growth rate of 6% in 2023-24, as per S&P Global Ratings. This will be driven by the Government's policy support, increased infrastructure spending and emphasis on self-reliance or Atmanirbhar Bharat. Thus, shaping its long-term economic outlook to be positive.

INDUSTRY OVERVIEW

Global Media & Entertainment (M&E) Industry The Media and Entertainment industry has undergone a significant transformation in the last decade due to the interactivity, digitization, multiple-platforms, multiple-devices and globalization of services. This industry includes multiple segments such as Movies/Cinema, Television, Music, Publishing, Radio, Internet, Advertising and Gaming. The trends and drivers for each of the segments vary across sub-segments, geographies and consumer segments, which make this vertical unique.

Global M&E industry revenue stood at US\$ 2.5 trillion in 2022 and is expected to expand at a CAGR of 3.9% reaching US\$ 2.9 trillion in 2025. The M&E industry is a creative industry and is extremely dependent on markets, cultures, languages and consumer segments. However, the critical change in the new era is that demand is completely consumer-driven. The new age consumer not only demands what they like, but also in the format they like and they want to customize the content to their preferences.

Indian Media & Entertainment Industry

All segments of the M&E sector in India experienced significant growth in 2022, leading to a total revenue increase of ₹ 348 Billion (19.9% YoY) to reach ₹ 2.1 trillion. The industry experienced growth momentum across both traditional media and digital, online gaming and VFX segments. This growth was driven by technology advancement with widespread adoption of smartphones and internet, globalization, content diversity, evolving generational behavior and supporting Government policies. With such strong momentum, the industry is well-positioned to achieve its projected growth rate of 11.5% in 2023, reaching ₹ 2.34 trillion and a CAGR of 10.5% to reach ₹ 2.83 trillion by 2025.

Traditional media which includes television, print, filmed entertainment, OOH, music, radio, contributed to 58% of M&E sector revenues in 2022, while digital media emerged as the second-strongest segment, contributing ₹132 Billion and increasing its share of the M&E sector from 16% in 2019 to 27% in 2022. Experiential segments outside the home, such as filmed entertainment and live events, recovered significantly. The film segment expanded by ₹ 79 Billion as theatrical releases doubled in 2022. The live events segment also grew during 2022, expanding to ₹ 41 Billion.

Indian Film Industry

The Indian film industry experienced significant growth in 2022 with domestic film releases doubling from 2021 levels. Gross box office revenues exceeded ₹ 100 Billion, marking only the second time in India's history. Additionally, 335 Indian films were released abroad. While broadcast rights remained subdued due to lower ratings of film channels, digital rights rationalized and shed their direct-to-OTT premiums as most larger films reverted to theatrical releases. It is expected that the film industry segment will continue to grow, reaching ₹ 228 Billion by 2025, driven by higher per capita income and offering segmented offerings for distinct audience sets across markets and price points. In terms of domestic theatricals, 1,623 movies were released this year across languages, which is 9% higher than 2019 levels. The highest number of films were released in Telugu, Kannada, followed by Tamil and Malayalam. Only 194 films were released in Hindi. The screen count was 9,382, around 2% lower than before the pandemic. However, Srinagar got its first multiplex cinema, as a move to bring entertainment to the youth of Jammu and Kashmir.

Gross box office revenues increased almost three times the revenues of 2021 to ₹ 105 Billion, with South Indian films now commanding over 50% of box office revenues. Footfalls increased to 994 Million in 2022 but were still significantly lower than the 1,460 Million footfalls recorded in 2019, which showcases the room for growth in the films industry. The average ticket prices saw an increase from ₹ 106 in 2019 to ₹ 119 in 2022.

Opportunities and Threats

Opportunities:

The Indian media and entertainment industry is expected to grow at a CAGR of over 10% and reach a market size of US\$ 52.68 Billion by 2025. The Indian film industry is experiencing a growth in demand for high-quality content, with an increasing number of domestic and international players investing in film production. The Indian regional content market is experiencing growth, with an increasing number of consumers seeking content in their native languages. This presents an opportunity for Encash Entertainment Limited to produce more regional content and cater to the growing demand.

Threats:

Rapidly evolving technology and changing consumer preferences can make it difficult to attract and retain customers. The rise of alternative entertainment channels, such as online streaming platforms, can increase competition as consumers have more choices to satisfy their entertainment needs. The increasing prevalence of piracy and illegal distribution of copyrighted material remains a major challenge as it undermines the value of the original content and hampers revenue streams.

Changes in government regulations and policies, such as censorship laws, taxation policies and licensing requirements, can affect the operations and profitability of the entertainment industry as a whole.

Risk and Mitigation

Effective risk management is essential for any business, regardless of industry or size. At Encash Entertainment Limited, the Company identifies and analyses potential risks to then implement controls that would help in mitigating those risks. Moreover, by regularly monitoring and reviewing the effectiveness of those controls, it strives to minimize the likelihood and impact of negative events that could otherwise harm its reputation, operations and financial performance. A well-designed and executed risk management program provides a competitive advantage by enhancing the Company's ability to navigate a rapidly changing business environment.

Cautionary Statement

Information in the Management Discussion and Analysis that describe the Company's aims, plans, or projections may be considered forward-looking under applicable securities laws and regulations. Actual outcomes may differ significantly from those stated in the statement. Strong competition, leading to price cuts, high volatility in prices of major inputs such as steel, cement, building materials and petroleum products, changes in Government regulations, tax laws, economic developments within the country and other factors such as litigation and labour relations are all important factors that could affect the Company's operations.

INDEPENDENT AUDITORS' REPORT

To
The Members of
Encash Entertainment Limited

Report on the Audit of the Standalone Financial Statements**Opinion**

We have audited the financial statements of **ENCASH ENTERTAINMENT LIMITED** ("the Company"), which comprise the balance sheet as at 31st March 2023, the statement of Profit and Loss and the cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its financial performance on that date

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibility of Management for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Encash Entertainment Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **ENCASH ENTERTAINMENT LIMITED** ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
