MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE AND DEVELOPMENTS

Though the printing and packaging industry is one of the biggest employers in the country, the nature of the industry is not organized and it has not been termed as an “Unorganized Industry” by the Government of India. The number of players in our industry is close to 1,30,000 units ranging widely from the highly organized sector to a very small proprietary units. Due to this diversified structure of the industry, growth and profitability are affected by unhealthy competition.

The packaging industry enjoys continuous growth in demand year after year, necessitating large investments for technology up-gradation and automation of manual operations. However fragmented nature of the industry, consequent unhealthy competition put pressures on margins, increasing payback periods for investments. As demand from the larger customers is consistently increasing, it is expected the organized segment will secure larger market share and better margins.

FUTURE PROSPECTS / OUTLOOK

The present scenario of the printing industry is fragmented and is dominated by a few big players. The printing and packaging industry has lately improved after receiving initial shock of financial crisis in the year 2008-09. There is strong belief that this business improvement will sustain in the future too. The printing and packaging industry is a service provider and it is co-related with the GDP growth of the country as well as the growth of country’s educational sector. Since the GDP growth of the country is pegged at 7.8%, it provides a lot of encouragement for growth of printing and packaging industry. In the present business scenario and with robust GDP growth, the Company is expecting 10% to 15% growth in its business, at least, for next three years. Besides, India’s printing and packaging industry has upgraded to international standard in the last five years and thus provides a lot of export business opportunities for the sector. India is gradually establishing itself as a business sourcing hub for developed countries in printing and packaging materials. Initially, it was China and now India is competing with that country in this sector.

Today, the printing and packaging industry export grow this significant compared to last five years. The potential of growth for the industry lies in development of the economy, rising literacy rates, consumerism and standard of living. All these factors are in a positive move in India at present, which gives a good picture to the scenario of paper industry. N.A

OPPORTUNITIES AND THREATS

a) Opportunities

Scenario for future opportunities is bright. In the case of printing segment, the enactment of RIGHT TO EDUCATION, by the Parliament, much larger and increasing allocation of budgetary resources by the Central and State

Governments, demand for text books and note books is robust. With government change at center, activities in financial sector have increased and in turn this should help to revive IPO market. Government is determined to introduce new legislation to curb food adulteration and enforce higher standards of safe and hygienic packaging. This will result in greater opportunities for the entire packaging industry.

Your Company is geared up to meet this challenge and is planning to expand its production capacity in the packaging field to capitalize on this new business opportunity.

b) Threats

Uncertainty regarding new policies or rules to be enforced for use of plastics in packaging and their impact on the pattern of demand for various types of packaging. The prices of raw materials are becoming unstable, and it may result in increase in the cost of production, thereby compelling the Company to re-align the prices in order to manage the risk.

RISKS AND CONCERN

Adverse or sudden changes in policies of environmental protection affecting use of plastics in packaging, international market conditions for petrochemicals affecting raw material prices and unstable demand scenario affecting export volumes and realizations are risk factors which can impact growth and profitability of the industry and your Company.

HUMAN RESOURCES RELATIONS

Human resource is the best resource of all the resources because it is the one which can properly take advantage of the other resources .It is the company 'belief that Human Resources is the driving force towards progress and success of the company. The Company seeks to motivate and retain its professionals by offering reasonable compensation and opportunity to grow in the organization. The total permanent employee's strength of the company was 123 on 31st March 2020. Industrial relations remain cordial during the year.

FORWARD LOOKING STATEMENT-CAUTIONARY STATEMENT

Statements in the management discussion and analysis describing the Companies objectives, projections, estimates, expectations may be forward looking statements within the meaning of applicable securities laws and regulations.

Actual results may differ from those expressed and implied. Important matters that effects the company's performance is the economic conditions of demand and supply and price conditions in the domestic and overseas market in which the Company operates, changes in the government regulations, tax laws and other statutes and other incidental factors.

INTERNAL AUDIT ADEQUACY

The Company's Internal Audit Section operates under the guidance of a qualified Chartered Accountant on consultancy basis, to ensure internal checks and balances in finance and accounting aspects.

INDEPENDENT AUDITOR'S REPORT

To the members of "SHAKTI PRESS LIMITED"

Report on the Audit of the Standalone Financial Statements of Shakti Press Limited

Opinion

We have audited the accompanying standalone financial statements of **SHAKTI PRESS LIMITED** ("the Company"), which comprise the Balance Sheet as at **31/03/2021**, the Statement of Profit and Loss, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and do not give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and profit, and its cash flows for the year ended on that date.

Basis for Adverse Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. We have also filed a report (dated 30/09/2020) under sub-section (12) of section 143 of the Companies Act, 2013 on suspected offence involving fraud being committed or having been committed. Responsibility of management for the standalone financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate **internal financial controls**, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists,

we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- a) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- b) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- c) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, except as mentioned in the Key Audit Matters paragraph of the report.

- d) Based on the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- e) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us by the management:
- i) The Company does not have any pending litigations which would impact its financial position.
- ii) The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.
- iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company {or, following are the instances of delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company or there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company}.

“Annexure B” to the Independent Auditor’s Report of even date on the Standalone Financial Statements of “Shakti Press Limited” for year ended on March 31, 2021

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of SHAKTI PRESS LIMITED (“The Company”) as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence amount the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and operating effectiveness of internal control based on the assessed risk. The procedures selected depend upon on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting

principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company does not have, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were not operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issues by the Institute of Chartered Accountants of India.

Shakti Press Limited

Notes to the financial statements

1.1 Company overview

The Shakti Press Limited (The holding Company) has been in the Books, Corrugated Boxes, Paper Plates and Printed Labels manufacturing business since over a century and has widened its business interest in the same area almost 2 decade ago. The company is domiciled in india and its registered office is Shakti House, Wardha Road, Nagpur 440012.

1.2 Authorization of Financial Statements

1.3 Significant Accounting Policies

i) Basis of preparation of financial statements.

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) as per Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act 2013, (the 'Act') and other relevant provisions of the Act.

ii) Property, plant and equipment

Property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are recognized in profit or loss during the reporting period, in which they are incurred.

iii) Impairment of non-financial assets

Assessment is done at each balance sheet date as to whether there is any indication that an asset may be impaired. If any such indication exists or when annual impairment testing for an asset is required, an estimate of the recoverable amount of the asset/cash generating unit is made. Recoverable amount is higher of an asset's or cash generating unit's fair value less costs of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. For the purpose of assessing impairment, the recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. The smallest identifiable group of assets that generates cash inflows from continuing use that

are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit (CGU). An asset or CGU whose carrying value exceeds its recoverable amount is considered impaired and is written down to its recoverable amount. Assessment is also done at each balance sheet for possible reversal of an impairment loss recognized for an asset, in prior accounting periods.

iv) Valuation of Inventories

Raw Materials and work in progress have been valued at cost and Finished Goods has been valued at Cost or Net Realizable Value, whichever is lower. Valuation is done and certified by the Management

v) Investments

Fair Value of Investments in shares of various company is non-determinable by management being unlisted companies. Hence, investments have been stated at cost.

vi) Revenue Recognition

Revenue is measured at the fair value of consideration received or receivable, (net of service tax/goods and services tax/value added tax). Revenue is recognized when the amount of revenue can be reliably measured, and it is probable that future economic benefits will flow to the entity.

vii) Security Deposit

Security deposit doesn't have a determinable fixed period hence the same has not been discounted.

viii) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash on hand, amount at banks and other short-term deposits with an original maturity of three months or less that are readily convertible to known amount of cash and, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the company's cash management.
