RESOLVED FURTHER THAT the consent of the shareholders of the Company be and is hereby also accorded that in the event of no profits or inadequate profits in any financial year, Mr. Suresh Chand Jain shall be entitled to receive remuneration including perquisites and re-imburements etc. upto the limit as approved by the members hereinabove, as minimum remuneration, subject to the limits and conditions prescribed under Schedule V of the Companies Act, 2013, as may be amended from time to time.

RESOLVED FURTHER THAT the Board of Directors of the Company or any committee thereof be and is hereby authorized to do all such acts, deeds and things as in its absolute discretion it may think necessary, expedient or desirable, to settle any question or doubt that may arise in relation thereto and to seek approval of statutory authority, if any, as may be required in this regard.

RESOLVED FURTHER THAT based on the recommendation of the Nomination and Remuneration Committee and subject to the Company's Policy on Annual Increments or otherwise, the Board of Directors of the Company or any committee thereof be and is hereby also authorized to amend, alter, modify or otherwise vary the terms of appointment, including the components of the above mentioned remuneration payable to Mr. Suresh Chand Jain, subject to the overall cap of Rs. 35.00 Lacs per annum.

RESOLVED FURTHER THAT any Director of the Company and / or Company Secretary be and are hereby severally / individually authorised to do all acts, deeds and things, to enter into such agreements(s), deed(s) of amendment(s) or any such document(s), as the Board may, in its absolute discretion, consider necessary, expedient or desirable to give effect to the aforesaid resolution.

4. To appoint Ms. Gurpreet Kaur as Independent Women Director and in this regard, to consider and if thought fit, to pass the following resolution as **Special Resolution**:

"RESOLVED THAT pursuant to the provisions of Section 149, 152 and all other applicable provisions, if any, of the Companies Act, 2013 (the Act) and the Rules made thereunder, as amended from time to time read with schedule IV of the Act and regulation 17 of the Listing Regulations, **Mrs. Gurpreet Kaur (DIN 10277591)**, who was appointed as an Additional Director by the Board of Directors on the recommendations of Nomination & Remuneration Committee w.e.f. 28th August 2023 and who has given a declaration that she meets the criteria of independence as provided in sub-section (6) of Section 149 of the Act and qualifies for being appointed as an Independent Director and in respect of whom the Company has received a notice in writing from a member, under Section 160 of the Companies Act, 2013, proposing her candidature for the office of Director, be and is hereby appointed as an Independent Director of the Company, not liable to retire by rotation, for a first term of 5 (five) consecutive years with effect from the 28th August 2023 upto 27th August 2028.

RESOLVED FURTHER THAT the Board of Directors of the Company be and is hereby authorised to do all acts and take all such steps as may be necessary, proper and expedient to give effect to the aforesaid resolution."

Place: New Delhi
Dated: 28.08.2023

By Order of the Board of Directors
Bhupinder Kumar
Company Secretary
M. No. A-15871

Notes:

1. The Explanatory Statement as required under section 102 of the Companies Act, 2013 is annexed hereto. Further, Additional information, pursuant to Regulation 36 of the Listing Regulations, in respect of the directors seeking appointment / reappointment at the AGM, forms part of this Notice.
2. **A Member entitled to attend and vote at the Meeting is entitled to appoint another person as a Proxy to attend and vote on a Poll on his/ her behalf. A Proxy need not be a Member of the Company. However, proxies in order to be effective must be received at the Registered Office of the Company not less than 48 hours before the Annual General Meeting.** A person can act as a proxy on behalf of members holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights. A member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or shareholder.
3. The Instrument of Proxy in Form MGT 11 (Proxy Form) prescribed under Companies (Management and Administration) Rules, 2014 pursuant to Section 105(6) of the Companies Act, 2013, is given separately in the Annual Report.
4. Corporate members intending to send their authorized representatives to attend the Meeting are requested to send to the Company a certified copy of the Board Resolution authorizing their representative to attend and vote on their behalf at the Meeting.
5. Notice of AGM is also available on the Company's website www.istindia.com and websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com.
6. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
7. Members are requested to bring the Attendance Slip duly filled in along with their copy of Annual Report to the Meeting.
8. The Register of Members and Share Transfer Books of the Company will remain closed from 23.09.2023 to 29.09.2023 (both days inclusive) for the purpose of the Annual General Meeting.
9. As per Regulation 40 of the SEBI Listing Regulations, except in case of transmission or transposition of securities, requests for effecting transfer of securities shall not be processed unless the securities are held in the dematerialized form with a depository. Members of the Company who hold securities in physical form and intend to transfer their securities after 1st April 2019, can do so only in dematerialized form. Therefore, Members holding shares in physical form are requested to consider converting their holding to dematerialized form to eliminate all risks associated with physical shares for ease of portfolio management as well as for ease of transfer, if required. In view of the same and to avail the in-built advantages of NECS payment, nomination facility and other advantages, the shareholders are requested to dematerialize their shares. Members can contact the Company or RTA for assistance in this regard.
10. SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their Demat accounts. Further, in accordance with SEBI Circular No. SEBI/HO/MIRSD/DOP1/CIR/P/2018/73 dated 20th April 2018, all Members holding shares in physical form are requested to register their PAN and bank account details by submitting their self-attested copy PAN Card (including that of the joint holders also) and an original cancelled cheque or submit copy of bank passbook / statement of the holder attested by the bank to the Registrar and Share Transfer Agent (RTA) of the Company.
11. The Members are requested to contact the Company's Registrars and Share Transfer Agents, MAS Services Limited for all their queries, transmission and transposition requests etc. and / or for any other matter relating to their shareholding in the Company as per their following contact details:
Mas Services Limited,
T-34, 2nd Floor, Okhla Industrial Area,
Phase-II, New Delhi – 110020;
Phone: 011-26387281-83;
Fax : 011-26387384; email: info@masserv.com
12. As per the provisions of Section 72 of the Act, the facility of making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. Members are requested to submit the said details to their respective DP in case the shares are held by them in electronic form and to the Company / RTA, in case the shares are held in physical form.

13. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company / RTA, the details of such folios together with the share certificates for consolidating their holdings in one folio. A consolidated share certificate will be issued to such members after making requisite changes. In case of joint holders, the Members whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
 14. Members are requested to (i) quote their Registered Folio Numbers / DP ID & Client ID Nos. in all correspondences with the Company / with the Registrars and Share Transfer Agents; and (ii) promptly notify any change in their address to the Registrars and Share Transfer Agents, in case they still hold the Equity Shares in physical form.
 15. Members, who have not registered their e-mail addresses so far, are requested to register their e-mail id for receiving all communication including Annual Report, Notices, Circulars etc. from the Company electronically, with the Company's Registrars and Share Transfer Agents.
 16. Electronic copy of the Annual Report for financial year 2022-23 along with the Notice of the 47th Annual General Meeting of the Company (including Attendance Slip and Proxy Form) is being sent to all the members whose email IDs are registered with the Registrar/Depository Participants(s) with their consent for communication purposes unless any member has requested for a hard copy of the same.
 17. For members who have not registered their email address, physical copies of the Annual Report for the financial year 2022-23 along with Notice of the 47th Annual General Meeting of the Company *inter alia* indicating the process and manner of e-voting along with Attendance Slip and Proxy Form is being sent by other permissible modes.
 18. Members may also note that the Notice of the 47th Annual General Meeting and the Annual Report for 2022-23 will also be available on the Company's website: www.istindia.com for their download. The physical copies of the aforesaid documents will also be available at the Company's Registered Office for inspection during 11:00 A.M. to 5:00 P.M on any working day, excluding Saturday, Sunday and Public Holiday. Even after registering for e-communication, members are entitled to receive such communication in physical form, upon making a request for the same.
 19. For any communication, the shareholders may also send requests to the Company's investor email id: cs@istindia.com.
 20. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their Demat Account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
- #### VOTING THROUGH ELECTRONIC MEANS
21. Voting through electronic means: Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies Management and Administration) Rules, 2014, as amended by the Companies (Management and Administration) Amendment Rules, 2015 and the Regulation 44 of SEBI (LODR) Regulations, 2015, the Company is providing remote e-voting facility to enable the members to cast their votes electronically on all the resolutions set forth in the Notice convening the 47th Annual General Meeting. The Company has engaged the services of National Securities Depository Limited (NSDL) to provide the remote e-voting facilities. The Instructions for remote e-voting are provided in the Attendance Slip, which is sent along with the Annual Report. Members are advised to read the instructions carefully before exercising their vote.
 22. The company has appointed Mr. Vinod Kumar Aneja, Company Secretary in practice (Membership No. 5740 / C.P. No. 5740) as scrutinizer for conducting the e-voting process in fair and transparent manner.
 23. The Results of voting will be declared within 48 hours from the conclusion of the AGM and the Resolutions will be deemed to be passed on the date of the AGM, subject to receipt of requisite number of votes. The declared Results, along with the Scrutinizer's Report, will be available forthwith on the Company's corporate website www.istindia.com and will also be forwarded to BSE Limited, where the Company's shares are listed.

**STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013
(THE ACT), THE FOLLOWING EXPLANATORY STATEMENT SETS OUT
ALL MATERIAL FACTS RELATING TO BUSINESS MENTIONED
UNDER ITEM NO. 3 AND 4 OF THE ACCOMPANYING NOTICE**

Attached to the Notice convening the 47th Annual General Meeting of IST Limited to be held on Friday the 29th day of September, 2023

Item No. 3

Mr. Suresh Chand Jain (DIN: 00092079) is currently a Whole Time Director, Designated as Executive Director of the Company. He is also a member of Stakeholders Relationship Committee and Risk Management Committee.

Mr. Suresh Chand Jain was appointed as the Whole Time Director designated as Executive Director by the shareholders of the Company at their Annual General Meeting held on 29th September, 2016 for a term of 3 years, Subsequently, he was re-appointed to the position of Executive Directors, by the shareholders, from time to time. His present term expired on 13th August, 2023 and on the recommendation of the Nomination and Remuneration Committee, the Board of Directors at its meeting held on 10th August, 2023, re-appointed him for a further term of 3 years from 14th August, 2023 to 13th August, 2026, subject to the approval of the shareholders.

Mr. Suresh Chand Jain is a post graduate in nuclear physics from Delhi University and is associated with the Company for over 30 years. He has held distinguished positions in the Company during such association and over the past 17 years, as the Executive Director of the Company, he has been the Chief Operating Officer (CEO) and is heading the complete operations of the Company. Be it strategic planning, overseeing and directing all the sales and marketing plans, development and growth, product planning, financial management and overseeing day to day affairs of the Company.

The Board of Directors, keeping in view smooth and efficient running of administrative affairs of the Company by Mr. S.C. Jain and also keeping in view the good health possessed by him, recommends his re-appointment as Whole Time Director, designated as Executive Director of the Company for a further period of 3 years with effect from 14th August, 2023 on remuneration and terms and conditions as given in the proposed resolution.

Mr. S.C. Jain is 78 years of age and as per the relevant provisions of section 196 of the Companies Act, 2013, a person who has attained the age of 70 years, may be appointed as Whole Time Director, by passing a Special Resolution at the General Meeting. Further the explanatory statement annexed to the notice for such motion shall indicate the justification for such appointment.

The Board of Directors, while re-appointing Mr. S.C. Jain as an Executive Director of the Company, considered his skills, expertise, background and contributions during his tenure with the Company.

The terms and conditions of appointment of the Mr. S.C. Jain are open for inspection by the members at the Registered Office of the Company from 11.00 a.m. to 5.00 p.m. during working business days (except Saturday, Sunday and Public Holiday) till the date of Annual General Meeting.

The brief resume of Mr. S.C. Jain is given in the Annexure to the notice under the head 'Brief profile of the Director(s) seeking appointment / re-appointment'.

Save and except appointee director, none of the Director(s), Key Managerial Person(s) of the Company including their relatives are, in any way, concerned or deemed to be interested, except to the extent of their shareholding, if any in the Company, in the proposed Special Resolution(s) at item no. 3.

The Board of Directors recommends the Special Resolution set out at item no. 3 of the accompanying Notice for the approval of the Members.

Item No. 4

Mrs. Gurpreet Kaur (DIN: 10277591) has been appointed as an Additional Director in the capacity of Independent Director of the Company with effect from 28th August, 2023 pursuant to the provisions of Section 161 of the Companies Act, 2013, and the Articles of Association of the Company. As such Mrs. Gurpreet Kaur holds office up to the date of the forthcoming Annual General Meeting and is eligible for appointment as a Director. The Company has received a notice under Section 160(1) of the Act proposing her candidature for the office of Director of the Company.

As per the provisions of Section 149 of the Act, an Independent Director shall hold office for a term upto five consecutive years on the Board of the Company and is not liable to retire by rotation. Mrs. Gurpreet Kaur has consented to act as

IST LIMITED

Director of the Company and has given declaration to the Board that she meets the criteria of independence as provided under Section 149 of the Companies Act, 2013 and Regulation 16 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Mrs. Gurpreet Kaur holds a bachelor's degree in Arts and is into the business of interior designing, architecture and real estate consultancy. She is also financially literate.

In the opinion of the Board, Mrs. Gurpreet Kaur fulfils the conditions specified in the Companies Act, 2013 and Rules made thereunder read with Listing Regulations (LODR) for appointment as an Independent Director of the Company. While appointing as Independent Director, the Board take into consideration the skills, expertise and competencies required in context of the business segment(s) of the Company and its future business plans. Considering the rich experience of Mrs. Gurpreet Kaur of over 20 years, she meets the skills and capabilities required for the role of Independent Director of the Company. The Board is of the opinion that Mrs. Gurpreet Kaur possess the core skills, expertise and competencies fundamental for effective functioning of her role as an Independent Director and her association would be of immense benefit to the Company. The brief resume of Mrs. Gurpreet Kaur is given in the Annexure to the notice under the head 'Brief profile of the Director(s) seeking appointment / re-appointment'.

Accordingly, the Board, based on the recommendation of the Nomination and Remuneration Committee, recommends her appointment as an Independent Director for a period of five years commencing from 28th August, 2023 till 27th August, 2028, subject to the approval of the Shareholder through Special Resolution.

Consent of the Members is required for appointment of Mrs. Gurpreet Kaur, in terms of Section 149 of the Act read with Schedule IV of the Act. The terms and conditions of appointment of Mrs. Gurpreet Kaur, pursuant to Schedule IV of the Act, shall be open for inspection at the registered office of the Company by any Member during business hours on any working day of the Company.

None of the Directors or Key Managerial Personnel and their respective relatives, except Mrs. Gurpreet Kaur, is concerned or interested (financially or otherwise) in this Resolution. The Board recommends the resolution set out at Item No. 4 of the Notice for approval of the Members.

BRIEF PROFILE OF DIRECTORS SEEKING APPOINTMENT / RE-APPOINTMENT
Details as required pursuant to Regulation 36(3) of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 and Secretarial Standards on General Meetings issued by ICSI with respect to appointment / re-appointment of Director

**SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2023**

(Pursuant to Section 204 (1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014)
CIN :- L33301HR1976PLC008316
NOMINAL CAPITAL :- RS. 100000000

To,
The Members,
IST LIMITED
Dharuhera Industrial Complex
Delhi-Jaipur Highway, Dharuhera , District Rewari,
REWARI HR 123106

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by IST LIMITED (CIN L33301HR1976PLC008316) (**hereinafter called the Company**). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the company, its officers, agents and authorized representatives during the conduct of secretarial audit and the representations made by the Company, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2023 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records made available to us and maintained by company for the financial year ended on 31st March, 2023 according to the provisions of:

- I. The Companies Act, 2013 (the Act) and the rules made there under;
- II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder; (**Not Applicable**)
- III. The Depositories Act, 1996 and the regulations and bye-laws framed thereunder;
- IV. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') :-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of insider Trading) Regulation, 2015
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; (**Not Applicable as the Company has not issued any further share capital during the period under review**);
 - d. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (**Not Applicable**);
 - e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (**Not Applicable as the company has not issued and listed any debt securities during the financial year under review**);
 - f. The Securities and Exchange Board of India (Registrar to an issue and share transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; (**Not Applicable as the company is not registered as registrar to issue and Share Transfer Agent during the financial year under review**);

- g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **(Not Applicable as the company has not delisted/ proposed to delist its equity shares from any Stock Exchange during the financial year under review);**
 - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; **(Not Applicable as the Company has not bought back/Proposed to buy- back any of its securities during the financial year under review)**
 - i. The Securities and Exchange Board of India (Listing Obligations and disclosure Requirements) Regulations, 2015.
- VI. The Management has identified and confirmed the following other law as applicable to the Company :
- i. Payment of Wages Act, 1936
 - ii. Minimum Wages Act, 1948
 - iii. Employee's State Insurance Act, 1948
 - iv. Payment of Gratuity Act, 1972
 - v. Factories Act, 1948
 - vi. Employees Provident Fund and Miscellaneous Provisions Act, 1952
 - viii. Payment of Bonus Act, 1965
 - ix. Air (Prevention And Control of Pollution)Act, 1981
 - xi. Water (Prevention And Control of Pollution)Act, 1974
 - xii. Equal Remuneration Act, 1976
 - xiii. The Contract Labour(Regulation And Abolition) Act, 1970

We have also examined compliance with the applicable clauses of the following:-

- (i) Secretarial Standards with regard to meeting of the Board of Directors (SS-1) and General Meeting (SS-2) issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreement entered into by the Company with BSE Limited and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standard, etc. mentioned above except to the extent as mentioned below :-

1. **The Annual Filing forms (AOC-4 XBRL and MGT-7) required to be filed under Companies Act, 2013 were filed after the period prescribed ; this should be reported as compliance by reference of payment of additional fees.**
2. **Company has not filed Form CSR-2 (Web Based Form) during the period prescribed.**
3. **The Company has delayed submitted the disclosure related to Related Party Transaction with the Stock Exchange as per the Regulation 23(9) of Securities and Exchange Board of India (Listing Obligations and disclosure Requirements) Regulations, 2015 and deposited fine by adjustment of advance amount lying with the stock exchange .**
4. **The Company has delayed submitted the Certificate of Practicing Company Secretary with the stock Exchange as per the Regulation 40(9) of Securities and Exchange Board of India (Listing Obligations and disclosure Requirements) Regulations, 2015.**
5. **The Company has delayed submitted the outcome of Meetings of the Board of Directors in two instance with the stock Exchange as per the Regulation 30 of Securities and Exchange Board of India (Listing Obligations and disclosure Requirements) Regulations, 2015**

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non- Executive Directors and independent Directors.

IST LIMITED

Bhupinder Kumar	Company Secretary	9.19	54.72

*Resigned w.e.f. 12-09-2022

§Not comparable as he joined during the year 2021-22

- The percentage increase in median remuneration of employees in the financial year: 8.73%
- The number of permanent employees on the roll of the Company as on March 31, 2023: 180
- Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration:**

The salary and wages of the employees other than the managerial personnel has increased by approximately 3.31%. The marginal increase is due to annual increments of employees during the year and decrease in number of employees. The managerial remuneration increased by 26.18% due to annual increments 2022-23 and also due to the fact that the position of Director (Technical) was vacant for almost 5 months during the year 2021-22. Further, no other additional benefits as per the terms of appointment were due and paid.

CORPORATE GOVERNANCE REPORT

1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

The report states the compliance with the principles of Corporate Governance as prescribed under SEBI (Listing Obligations and Disclosure Requirements) 2015, hereinafter collectively referred to as the 'Listing Regulations'.

Good corporate governance is essential for achieving sustainable growth and enhance long term value of the enterprise and its stakeholders. The Company always endeavors to maintain a valuable relationship and trust with all stakeholders. We at IST consider stakeholders as partners and always remain committed in enhancing value to stakeholders, be it shareholders, employees, suppliers, customers, investors, communities or policy makers.

The Company also consider it imperative to abide by the laws and regulations of the land in letter and spirit and is committed to the highest standards of corporate behaviors. In this pursuit, your Company's philosophy of Corporate Governance is aimed at assisting the management of the Company in the efficient conduct of its business and to continuously strive to attain efficient levels of business practices, ensure accountability, transparency, responsibility and fairness in all aspects of its operations. Your Company continues to lay great emphasis on broad principles of Corporate Governance and ethical standards.

Your Company, with a view to achieve these objectives, has adopted practices as mandated in SEBI (Listing obligations and disclosure requirements) Regulations, 2015 and had established corporate strategies and prudent business plans, which are monitored by the management on an ongoing basis.

2. BOARD OF DIRECTORS

The Board of Directors is responsible for the management, direction and performance of the Company and plays an important role in overseeing how the management serves the objectives and interests of the stakeholders, while achieving the corporate goals. Being in the fiduciary relationship the Board ensures that the rights of all stakeholders are protected. The Board consists of optimum combination of executive, non-executive and independent directors to maintain the independence of the Board and integrity in the affairs of the Company. Board diversity is necessary for achieving sustainable and balanced development as well as ensuring good Corporate Governance.

Further, Independent Directors also plays important role in Board decision processes by imparting their independent views on the matters placed before the Board. All the Independent Directors have confirmed that they meet the criteria of independence, as mentioned under Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure requirements), Regulations 2015, read with Section 149(6) of the Act and have been appointed as per the provisions of the Companies Act, 2013.

The dates for meetings of the Board of Directors and its Committees are scheduled well in advance and is communicated to Directors to enable them to make it convenient to attend the meeting and to ensure their effective participation. Additional meetings are convened wherever necessary. In case of urgent matters, resolutions are passed through circulation and the Board take note of the same in the subsequent Board meeting.

All relevant material information(s) are circulated to the directors before the meeting, including minimum information required to be made available to the Board as prescribed under Part A of Schedule II of Regulation 17(7) of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015. The information of the nature of unpublished price sensitive information is circulated to the Board before the commencement of the Board meeting. The Executive Director and the Chief Financial Officer of the Company make presentation to the Board on the matters including but not limited to the Company's performance, operations, plans, budgets etc. The Board is also kept informed of major events / items and approvals are taken wherever necessary. Follow-up action taken report(s) are submitted to the Board, wherever advised.

During the year under review seven (7) Board meetings were held on 24-5-2022, 25-07-2022, 13-08-2022, 27-08-2022, 14-11-2022, 13-02-2023 and 14-03-2023.

In addition, a meeting of Independent Directors was held on 14.03.2023 without the attendance of non-independent directors and members of the management. The meeting was conducted to enable the Independent Directors to discuss matters pertaining to the Company's affairs and putforth their view.

Composition of the Board

The composition of the Board is in conformity with the requirement of Regulation 17 of the Listing Regulations, Section 149 and other applicable provisions of Companies Act, 2013. The strength of the Board as on March 31, 2023 was

7 Directors, which is in conformity with the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015, having required combination of Executive and Non-Executive Directors with at least one (Independent) Women Director and not less than one-third of the Board comprising of Non-Executive Independent Directors for a Board chaired by Non-Executive Director. The composition of the Board is as under which is headed by Non-Executive Independent Director as the Chairman:

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. INDUSTRY STRUCTURE & DEVELOPMENT

1.1 Overview on Economic and Business Environment:

Global Economy and Outlook

Prospects for a robust recovery of global economic situation remain dim amid stubborn inflation, rising interest rates, financial sector turmoil, high inflation, and heightened uncertainties. The world economy faces the risk of a prolonged period of low growth as the lingering effects of the COVID-19 pandemic, the ever-worsening impact of climate change and macroeconomic structural challenges remain unaddressed. The major forces that shaped the world economy in 2022, seem set to continue into this year, however with lower intensities. Debt levels remain high, limiting the ability of fiscal policymakers to respond to new challenges. Commodity prices that rose sharply following Russia-Ukraine war have moderated, but the war continues, and geopolitical tensions are high. In light of this, IMF in its latest report has forecasted that Global growth is projected to fall from an estimated 3.5 percent in 2022 to 3.0 percent in both 2023 and 2024, which will be below the historical average of 3.8 percent.

According to IMF, the global economy is poised for a gradual recovery from the powerful blows of the pandemic, Russia – Ukraine crisis, slowdown in China and other geopolitical disorders. China is rebounding strongly following the reopening of its economy. Supply-chain disruptions are unwinding, while the dislocations to energy and food markets caused by the war are receding. Simultaneously, the massive and synchronous tightening of monetary policy by most central banks should start to bear fruit, with inflation moving back toward its targets.

Global GDP Growth and Forecasts

Particulars	2021	2022	2023	2024
			Projections	
World Output	6.1	3.5	3.0	3.0
Advanced Economies	5.2	2.7	1.5	1.4
United States	5.7	2.1	1.8	1.0
Euro Area	5.4	3.5	0.9	1.5
Emerging Market and Developing Economies	6.8	4.0	4.0	4.1
China	8.1	3.0	5.2	4.5
India	8.7	7.2	6.1	6.3
Japan	1.7	1.1	1.4	1.0
United Kingdom	7.4	4.1	0.4	1.0
Brazil	4.6	2.9	2.1	1.2

Source: IMF World Economic Outlook July 2023

Indian Economy

India continue to be rated as a fastest growing major economy by most of the agencies worldwide. Backed by strong measures, higher capital spending and increasing private demand due to large consumer base, the economy has shown greater resilience to global shocks. Staging a broad based recovery across sectors post pandemic, the Indian economy is poised to grow at 6.1 percent for the year 2023, which will be followed by growth of 6.3 percent in FY 2024. (Source: IMF World Economic Outlook – July 2023 edition)

Going forward, Indian economy is expected to significant rebound propelled by multiple factors including revived business scenario, improved trade activity, structural reforms across industry and increasing Domestic Consumption. The fundamentals of the Indian economy seems sound in the near future. With the current encouraging economic recovery and positive signs of revival it may be construed that **there is light at the end of the tunnel.**

Industry Review

Company Overview

Your Company is engaged in the business of manufacturing of high precision engineering components / assemblies for industrial consumption, primarily for Auto Industry. The Company operates in a single reportable segment i.e. Manufacturing of Components for Auto Industry.

Further, its wholly owned subsidiary namely 'Gurgaon Infospace Limited' is engaged in the business of developing and operating Special Economic Zone (SEZ), primarily IT/ITES SEZ.

Automobile components Industry

India's auto component industry is an important sector driving macroeconomic growth and employment. The industry can be broadly classified into organised (OEM) and unorganised sectors. The organised sector caters to original equipment manufacturers (OEMs) and consist of high-value precision instruments while the unorganised sector comprises low-valued products and caters mostly to the aftermarket category.

The industry includes players of all sizes, from large corporations to micro entities, spread across clusters throughout the country. The auto components industry accounted for 2.3% of India's GDP and provided direct employment to 1.5 million people. The automobile component sector will contribute 5-7% of India's GDP by 2026. The industry is expected to stand at US\$ 200 billion by FY26. According to a report by ICRA, Auto ancillaries' revenue is estimated to increase by 8-10% in FY23.

Due to competitive advantage and cost effectiveness, India is emerging as a global hub for auto component sourcing and exports. The Indian auto component industry is set to become the 3rd largest globally by 2025. Strong international demand and resurgence in the local original equipment and aftermarket segments are predicted to help the Indian auto component industry grow by 20-23% in near future.

Development and Operation of IT/ITES SEZ

IT/ITES Sector has been one of the major growth catalysts for the Indian economy, contributing significantly to the overall growth. India continue to remains the world's largest sourcing destination with largest qualified talent pool of technical graduates in the world. Having proven capabilities in delivering both on-shore and off-shore services to global clients, the Indian IT / ITES sector provides a range of end-to-end customized software development, digital services, IT business solutions, research and development services, technology infrastructure services, business process services, consulting and ancillary support functions at a low cost as compared to other major contributing economies across the world.

The Industry has led the economic transformation of the Country and altered the perception of India globally. Due to high potential and growth prospect the, IT sector in India is attracting huge investments indigenously as well as by global player. The IT industry accounted for 7.4% of India's GDP in FY22, and it is expected to contribute 10% to India's GDP by 2025. According to NASSCOM, the Indian IT industry's revenue touched US\$ 227 billion in FY22, a 15.5% YoY growth. The IT industry added 2.9 lakh new jobs taking the industry's workforce tally to 5.4 million people in FY23.

(Source: IBEF.org)

Opportunities and Threat and Future Outlook

Auto Component Industry

The core business of your company is the manufacturing of High Precision Components for Auto Industry. Over the last few years, the Auto Component Industry has seen a rapid growth driven by strong growth in the domestic market and increasing exports. Despite geopolitical disorder and other challenges, the Automobile sector remained stable backed by demand, both domestic and international, Government initiatives and policies, infrastructure development initiatives, upgradation of technology etc. With government's Make in India campaign and ease of doing business initiative, India has become favorable destination for various Global players.

With the rapidly globalising world is opening up newer avenues for the industry, especially while it makes a shift towards alternate source of fuel like Compressed Natural Gas (CNG), electric, electronic and hybrid vehicles. Over the next decade, this will lead to newer verticals and opportunities for auto-component manufacturers and the industry would need to adapt to the change via systematic research and development, continual technology upgradation etc. The Indian auto-components industry is set to become the third largest in the world by 2025. This brings in tremendous opportunities to the industry both in the domestic as well as Overseas Markets.

The rapid growth in the Industry also brings in stiff competition both from the domestic and International manufacturers who have the potential for the large scale production and give price competition. New technology coming-in through the global players and large domestic companies, makes the environment challenging for smaller size companies. Further, tightening money supply, volatility in the price of raw materials and other inputs, currency fluctuations, stringent emission norms are other major threats faced by the Industry.

Disturbance in Europe due to ongoing Russia-Ukraine war, slowdown in China and other challenges has added supply chain problem to auto sector at large. Despite all odds the auto component sector in India set to grow at a faster pace in the coming years. Although the uncertainty prevails in the short term, the sector is optimistic in the medium and long term and the prospects are encouraging for the Indian Automobile Component Segment.

Development and Operation of IT/ITES SEZ

With the aim to Infrastructural Development, promoting export and creating employment, the Government is promoting the development of SEZs specifically for IT / ITES sector. The sector enjoys tax holidays and exemptions which attracts IT / ITES companies to operate in SEZs. Over the past decade the IT/ITES sector has witness a tremendous growth in India and is expected to its growth at higher pace.

As a result of increased economic activities across the world, companies in US, Europe and other developed economies are opening up opportunities for the IT related service providers in India. As US is one the major market for Indian IT Industry, any policy change with respect to out-sourcing of work by the US government may adversely affect the IT industry in India. Current adverse situation in Europe due to ongoing Ukraine crisis may impact the IT sector in India. In the recent past, the IT sector has adopted to work from home culture, which may also bring threat.

However, despite these threats the Indian IT / ITES Industry has outperformed the expectations y-o-y. The growth in IT / ITES Industry will give new opportunities to your Company and the management is optimistic about the good performance of the SEZ business of your Company.

Operational Performance

The operating revenue of your company marginally decreased to Rs. 2,604.96 Lacs against Rs. 2,758.97 Lacs achieved in the previous year. The Earnings before interest, depreciation, tax & amortizations (EBIDTA) stood at Rs. 1,251.99 Lacs as against Rs. 1,546.66 Lacs in the previous year. The net profit after tax (PAT) for the year also increased to Rs. 921.48 Lacs as compared to Rs. 1,202.04 Lacs in the previous year. The Earnings Per Share (EPS) for the year was Rs. 6.67 per share as against Rs. 8.00 per share recorded in the previous year.

The Operational income of wholly owned subsidiary of the Company, namely Gurgaon Infospace Limited during the year 2022-23 was Rs. 9,502.09 Lacs as against Rs. 9,764.22 Lacs during the previous year and the Net Profit after tax was Rs. 7,352.92 Lacs as against Rs. 8,664.28 lacs during the previous year.

Risk and Concerns and its Management

Stiff competition both from domestic and overseas auto component manufactures, uncertainty arising from currency volatility, rise in input cost, low-priced imports and counterfeit auto parts available at cheap price are some of the external risks associated with the business. Operational risks like shortage of power which leads to increase in cost of production. Continues upgradation of technology due to existence major international players, rapid technological advancement are few major concern for the business. In addition, the growth of the Company dependent on the automobile sector which makes the market uncertain at times. General economic conditions also effect the performance of the Company. Change in regulatory environment always and government policy may also impact the Industry.

The industry efforts to mitigate the above risks along with policy measures of the government would determine the impact of the above risks on the industry going forward.

Risk Management is a process of identifying the risks, analysis of its effect on the business operations of the Company, measures to be taken to mitigate such risks. As a business enterprise the Company is exposed to various risk some of which are identifiable and can be mitigated through defined Internal Control Mechanism. However, there are certain risks which cannot be predicated and are unascertainable at a given point of time. These can be mitigated through the experience inherited by the Company and its management over the period. The Company has inherent system for identifying and mitigating the Risk associated. The senior management meets periodically to discuss various operational matters and risks involved therein.

Internal Control and their Adequacy

Internal Control Systems inherent in the Company are adequate and commensurate with the size and nature of the business. The inherent systems ensure that the resources of the Company are used efficiently and effectively, all assets are safeguarded and protected against loss from unauthorized use or disposition and the transactions are authorised, recorded and reported correctly, financial and other data are reliable for preparing financial information and other data and for maintaining accountability of assets. The ever improving Internal Control Systems are well complemented with the internal audit system,

documented policies, guidelines and procedures and are reviewed by the management on regular basis. This ensures timely detection of any irregularities and early remedial steps being taken by the Company.

Human Resource

The Company believes that the Human Resources are one of its biggest assets and strives to achieve maximum employee satisfaction. It is believed that the health, safety and security of everyone who works for the Company is critical to the success of the business operations. Constant Human Resource training and development is important for the growth of the Company. Employees relations continue to be harmonious and positive.

Cautionary Statement

Certain representations and statements made under the 'Management Discussion and Analysis' are based on the Company's views about the industry, present market conditions, expectations/predictions, objectives, etc. and may be forward looking statement within the meaning of applicable laws and regulations. Actual results may differ from those expressed or implied in these statements. Your Company's operations may, inter-alia, be affected by the supply and demand situations, input prices and availability, changes in government regulations, tax laws, government or court decisions and other factors such as industry relations and economic developments etc. in the Country. The Investors should bear the above in mind.

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **IST LIMITED** ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2023, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its profit including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
Investments as on March 31, 2023 <i>(Refer to Note no.8 and 13 to the notes to the standalone financial statements)</i>	
<p>Investment forms significant portion of the total assets of the Company. The Company has investments in various Government Bonds, quoted and unquoted Securities and Mutual Fund. Investments also includes investment in wholly owned subsidiary and associate company.</p> <p>The valuation of investments is based on a range of inputs. Many of the inputs required can be obtained from readily available liquid market prices and rates. Where observable market data is not available, estimates must be developed based on the most appropriate source data and are subject to a higher level of judgement.</p> <p>Accordingly, investment was determined to be a key audit matter in our audit of standalone financial statements.</p>	<p>Our audit procedure included the following:</p> <ul style="list-style-type: none"> • Obtain an understanding from the management, assessing and testing whether controls in respect of the valuation process are operating properly and assessing whether the valuation process is appropriately designed and captures relevant valuation inputs for the material investments. • Evaluate the Company's process regarding impairment assessment and fair valuation by involving independent assessment for assessing the appropriateness of the valuation • Assessed the carrying value / fair value calculation of all individual material investments, to determine whether the valuation performed by the Company were within an acceptable range determined by us. • Assessing the availability of quoted prices in liquid markets. • We also assessed whether the Company's disclosures in relation to the valuation of investments are compliant with the relevant accounting requirements. <p>Based on the above procedure performed, we did not identify any significant exceptions in the management's assessment in relation to the carrying value of investments</p>

Information Other than the Standalone Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditors' report thereon. The Annual Report is expected to be made available to us after the date of this auditors' report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated. When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant

doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss including Other Comprehensive Income, the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to the standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report.
 - g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts, which were required to be transferred, to the Investor Education and Protection Fund by the Company.

IST LIMITED

- iv.
 - (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.
 - v. The Company has neither declared nor paid any dividend during the year, hence compliance to Section 123 of the Act is not applicable.
 - vi. As per proviso to rule 3(1) of the companies (Accounts) Rules, 2014 is applicable for the company only w.e.f., April 1, 2023, reporting under this clause is not applicable.
- 3) With respect to the other matters to be included in the Auditors' Report under section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

ANNEXURE A TO THE AUDITORS' REPORT

In our opinion, and in so far as we have been able to ascertain from the records March 31, 2023, we report that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
- (B) The Company has maintained the proper records showing full particulars of intangible assets.
- (b) According to the explanations given to us, Company has a plan to verify the fixed assets in phased manner, some of the fixed assets have been physically verified by the management at reasonable intervals having regard to the size of the Company and the nature of its assets. No material discrepancy was noticed on such verification as compared to book records.
- (c) According to the information & explanation given to us, the title deeds of all the immovable properties disclosed in the financial statements are held in the name of the company and title deeds in respect of sub lease of commercial property at Noida gross carrying value of Rs.4694.79 Lacs is pending for Registration.
- (d) According to the information and explanation given to us, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets during the year. Accordingly, paragraph 3(i)(d) of the Order is not applicable to the Company.
- (e) According to the information and explanation given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibitions) Act, 1988 (45 of 1988) and rules made thereunder and accordingly, paragraph 3(i)(e) of the Order is not applicable to the Company.
- (ii) (a) According to information and explanation given to us inventories have been physically verified by the management during the year . In our opinion, the coverage and procedures of such verification is appropriate. No discrepancies of 10% or more in aggregate for each class of inventory were noticed.
- (b) In our opinion and according to the information and explanation given to us, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. Accordingly, paragraph 3(ii)(b) of the Order is not applicable to the Company.
- (iii) (a) The Company has not provided loan or given advance in the nature of loan, or stood guarantee, or provided security to any other entity. Accordingly, paragraph 3(iii)(a) of the Order is not applicable to the Company.
- (b) According to the information & explanation given to us, the company has not provided any guarantee , security given, and loan and advances in the nature of loan. Investments made are not prejudicial to the company interest.
- (c) The Company has not provided loan or given advance in the nature of loan to any other entity. Accordingly, paragraph 3(iii)(c) to paragraph 3(iii)(f) of the Order is not applicable to the Company.
- (iv) In our opinion and according to the information and explanation given to us, the Company has not either directly or indirectly, granted any loan to any of its directors or to any other person in whom the director is interested in accordance with the provision of section 185 of the Act. The Company has complied with the provisions of section 186 of the Act, with respect to the investments made, as applicable.
- (v) Based on our audit procedures & according to the information and explanation given to us, the Company has not accepted any deposits or amount which are deemed to be deposits within the meaning of the Act and the directives issue by the Reserve Bank of India and the provision of 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.
- (vi) The Central Government has not prescribed the maintenance of cost records by the Company under section 148(1) of the Act. Accordingly, paragraph 3(vi) of the Order is not applicable to the Company.
- (vii) (a) According to the information and explanations given to us and the records of the Company examined by us, the Company is regular in depositing undisputed statutory dues including goods and service tax, provident fund, employees' state insurance, income tax, duty of customs, cess and other applicable statutory dues with the appropriate authorities.

There were no undisputed amounts payable in respect of goods and services tax, provident fund, employees' state insurance, income tax,

duty of customs, cess and other applicable statutory dues in arrears as at March 31, 2023 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income tax, sales tax, value added tax, service tax, goods and services tax, duty of customs and duty of excise, which have not been deposited with the appropriate authorities on account of any dispute.
- (viii) According to the information and explanations given to us, the Company has not surrendered or disclosed any Income during the year in its tax assessments under the Income Tax Act, 1961 (43 of 1961), which has not been recorded in the books of accounts. Accordingly, paragraph 3(viii) of the order is not applicable to the company.
- (ix) (a) Based on our audit procedures and as per the information and explanations given by the management, the Company has not defaulted in repayment of loans or other borrowings or in payment of interest thereon to any lender.
(b) According to the information and explanations given to us, the company is not a declared wilful defaulter by any bank or financial institution or other lender.
(c) According to the information and explanations given to us and the records of the Company examined by us, there were no term loans taken by the Company and hence the question of the amount of loan so diverted and the purpose for which it is used does not arise. Accordingly, paragraph 3(ix)(c) of the Order is not applicable to the Company.
(d) According to the information and explanations given to us and the records of the Company examined by us, we report that no funds raised on short term basis have been used for long-term purposes by the Company.
(e) According to the information and explanations given to us and the records of the Company examined by us, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary and associate. The Company does not have any joint venture.
(f) According to the information and explanations given to us and the records of the Company examined by us, the Company has not raised loans during the year on the pledge of securities held in its subsidiaries or associate companies. Accordingly, paragraph 3(ix)(f) of the Order is not applicable to the Company.
- (x) (a) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, paragraph 3(x)(a) of the Order is not applicable to the Company.
(b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, paragraph 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) In our opinion and according to the information and explanations given to us, we report that no fraud by the Company or on the Company has been noticed or reported during the year.
(b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
(c) To the best of our knowledge and belief and according to the information and explanations given to us, we report that no whistle blower complaints were received during the year by the Company.
- (xii) The Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with section 177 and 188 of the Act, where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Accounting Standards.
- (xiv) (a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system commensurate with the size and nature of its business.
(b) We have considered the reports of the Internal Auditors for the period under audit.
- (xv) According to the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the order is not applicable to the company.

- (xvi) (a) The Company is not required to be registered under Section 45-IA of Reserve Bank of India Act, 1934 (2 of 1934). Accordingly, paragraph 3(xvi)(a) of the Order is not applicable to the Company.
- (b) In our opinion and according to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities. Accordingly, paragraph 3(xvi)(b) of the Order is not applicable to the Company.
- (c) According to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, paragraph 3(xvi)(c) of the Order is not applicable to the Company.
- (d) In our opinion and according to the information and explanations given to us, the Company does not have any Core Investment Companies (CICs) as a part of its Group. Accordingly, paragraph 3(xvi)(d) of the Order is not applicable to the Company.
- (xvii) In our opinion and according to the information and explanations given to us, the Company has not incurred cash losses in the current financial year and in the immediately preceding financial year. Accordingly, paragraph 3(xvii) of the Order is not applicable to the Company.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, paragraph 3(xviii) of the Order is not applicable to the Company.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- (xx) According to the information and explanations given to us, the Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there is no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, paragraph 3(xx)(a) and (b) of the Order is not applicable to the Company.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the Members of IST Limited)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to financial statements of IST Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued

by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition

IST LIMITED

of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management

override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

STANDALONE STATEMENT OF PROFIT AND LOSS FOR THE YEAR ENDED 31ST MARCH, 2023

(All amounts in rupees lakhs unless otherwise stated)

	Note	For the year ended 31 March, 2023	For the year ended 31 March, 2022
Revenue			
Revenue from operations	31	2,604.96	2,758.97
Other income	32	1,320.62	1,629.55
Total income		3,925.58	4,388.52
Expenses			
Cost of materials consumed	33	471.45	436.84
Purchases of stock in trade	34	325.76	405.30
Changes in inventories of work-in-progress and finished goods	35	20.21	99.40
Employee benefits expense	36	899.15	859.26
Finance costs	37	36.04	27.30
Depreciation and amortisation expense	38	294.47	317.32
Other expenses	39	957.02	1,041.06
Total expenses		3,004.10	3,186.48
Profit before tax		921.48	1,202.04
Tax expense			
Current tax	40	223.59	166.25
Deferred tax charged/(credit)	10	(73.21)	102.81
Income tax for earlier years		(6.40)	0.19
Total tax expense		143.98	269.25
Profit after tax		777.50	932.79
Other comprehensive income/(loss)			
Items that will not be reclassified to profit and loss			
- Remeasurement income/(loss) on defined benefit plans		2.51	5.52
- Income tax relating to above items		(0.63)	(1.39)
Other comprehensive income, net of tax		1.88	4.13
Total comprehensive income for the year		779.38	936.92
Earnings per equity share (in Rs.)			
Equity shares of par value Rs.5/- each	41		
Basic		6.67	8.00
Diluted		6.67	8.00

Summary of significant accounting policies and accompanying notes form an integral part of these standalone financial statements.

Summary of significant accounting policies and other explanatory information for the year ended 31st March 2023

1. Corporate information and statement of compliance with Indian Accounting Standards (Ind AS)

IST Limited ("the Company") a public limited company domiciled in India and having its registered office at Dharuhera Industrial Complex, Delhi-Jaipur Highway no. 8, Kapriwas, Dharuhera, Rewari 123106, was incorporated under the provisions of Companies Act, 1956. The Company is primarily engaged in the business of manufacturing of high precision engineering components / assemblies including auto components.

The financial statements of the Company have been prepared to comply in all material respects with accounting principles generally accepted in India, including Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 under Section 133 of the Companies Act, 2013 (the "Act") and other relevant provisions of the Act.

2. Basis of preparation and significant accounting policies

a. Basis of preparation

The financial statements have been prepared on accrual and going concern basis under historical cost convention except for certain financial instruments which are measured at fair values.

The significant accounting policies and measurement bases have been summarised below.

Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and as per terms of agreements wherever applicable. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

b. Revenue recognition

Revenue arises mainly from the sale of manufactured and traded goods.

To determine whether to recognise revenue, the Company follows a 5-step process:

1. Identifying the contract with a customer
2. Identifying the performance obligations
3. Determining the transaction price
4. Allocating the transaction price to the performance obligations
5. Recognising revenue when/as performance obligation(s) are satisfied.

Revenue from contracts with customers is recognized on transfer of control of promised good or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services.

Revenue towards satisfactions of a performance obligation is measured at the amount of transaction price (net or variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. This variable consideration is estimated based on the expected value of outflow. Revenue (net of variable consideration) is recognized only to the extent that it is highly probable that the amount will be subject to significant reversal when uncertainty relating to its recognition is resolved.

The following specific recognition criteria must also be met before revenue is recognised :

Sale of goods

Revenue from sale of goods is recognised when the control of goods is transferred to the buyer as per the terms of the contract, in an amount that reflects the consideration the Company expects to be entitled to in exchange for those goods. Control of goods refers to the ability to direct the use of and obtain substantially all of the remaining benefits from goods.

Rendering of services

Revenue from services is recognised as and when the services are rendered and on the basis of contractual terms with the parties.

Interest

Interest income is recorded on accrual basis using the effective interest rate (EIR) method.

Dividend income

Dividend are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

Rental income

Rental income is recognized on a straight-line basis over the terms of the lease, except for contingent rental income which is recognized when it arises and where scheduled increase in rent compensates the lessor for expected inflationary costs. In all the leases escalation is less than inflation and hence no Straight lining has been done.

c. Inventories

Finished goods, work in progress, raw material, stores, spares and components are valued at lower of cost and net realisable value. Cost of inventory has been arrived at by using the weighted average cost formula. Cost of inventory comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) & all other costs incurred to bring the inventories to their present condition and location. Tools and instruments are valued at cost less depletion in value. Stock of scrap is valued at estimated realizable value. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

d. Income taxes

Tax expense recognised in the statement of profit and loss comprises the sum of deferred tax and current tax not recognised in Other Comprehensive Income (OCI) or directly in equity.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961. Current tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (i.e. in OCI or equity depending upon the treatment of underlying item).

Deferred tax liabilities are generally recognised in full for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss, unused tax credits or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside statement of profit and loss (in OCI or equity depending upon the treatment of underlying item).

e. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

f. Foreign currency transactions

The financial statements are presented in Indian Rupee ('INR' or 'Rs.') which is also the functional currency of the Company.

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other income/expenses, as the case maybe.

g. Financial instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit or loss which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities is described below:

Non-derivative financial assets

Subsequent measurement

i. **Financial assets carried at amortised cost** – A financial asset is measured at the amortised cost, if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

ii. **Fair value through OCI**-A financial asset is measured at FVTOCI if both of the following conditions are met:

- The Company's business model objective for managing the financial asset is achieved both by collecting contractual cash flows and selling the financial assets, and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii. **Fair value through profit or loss** – Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. ECL is the weighted-average of difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the Company is required to consider:

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade receivables: In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

Other financial assets: In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

De-recognition of financial assets

A financial asset is primarily de-recognised when the contractual rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

Non-derivative financial liabilities

Subsequent measurement

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

h. Fair value of financial instruments

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized. For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximate fair value due to the short maturity of these instruments.

i. Property, plant and equipment ('PPE')

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, taxes(non recoverable) borrowing cost if capitalisation criteria are met and other expenses directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are

deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and definition of asset is met. All other repair and maintenance costs are recognised in the statement of profit or loss as incurred.

In case an item of property, plant and equipment is acquired on deferred payment basis, interest expenses included in deferred payment is recognised as interest expense and not included in cost of asset.

Subsequent measurement (depreciation and useful lives)

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

j. Investment properties

Recognition and initial measurement

Investment properties are properties held to earn rentals or for capital appreciation, or both. Investment properties are measured initially at their cost of acquisition. The cost comprises purchase price, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognized in statement of profit or loss as incurred.

Subsequent measurement (depreciation and useful lives)

Investment properties are subsequently measured at cost less accumulated depreciation and impairment losses. Depreciation on investment properties is provided on the straight-line method, computed on the basis of useful lives (as set-out below) prescribed in Schedule II to the Act:

Asset Category Useful Life (in years) Buildings and related equipments 60

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

De-recognition

Investment properties are de-recognized either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in profit or loss in the period of de-recognition.

k. Intangible assets

Recognition and initial measurement

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Subsequent measurement (depreciation and useful lives)

Amortisation on intangible assets has been provided on the straight-line method on useful life of 6 years. The estimated useful life of the intangible assets and the amortization period are reviewed at the end of each financial year and the amortization period is revised to reflect the changed pattern, if any.

De-recognition

An item of intangible assets and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

l. Capital work-in progress

Cost of material consumed and erection charges thereon along with other direct cost incurred by the Company for the projects are shown as capital work-in-progress until capitalisation. Claims for price variation / exchange rate variation in case of contracts are accounted for on acceptance / receipt of claim.

m. Impairment of non-financial assets

At each reporting date, the Company assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount is higher of an asset's fair value less costs of disposal and value in use. For this purpose, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash generating units). If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost and the same is accordingly reversed in the statement of profit and loss.

n. Borrowing costs

Borrowing costs directly attributable to the acquisitions, construction or production of a qualifying asset are capitalised during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred and reported in finance costs.

A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. Capitalisation of borrowing costs is suspended in the period during which the active development is delayed due to, other than temporary, interruption.

o. Provisions, contingent liabilities and contingent assets

Provisions are recognised when present obligations as a result of a past event will probably lead to an outflow of economic resources and amounts can be estimated reliably. Timing or amount of the outflow may still be uncertain. A present obligation arises when there is a presence of a legal or constructive commitment that has resulted from past events, for example, legal disputes or onerous contracts. Provisions are not recognised for future operating losses.

Provisions are measured at the estimated expenditure required to settle the present obligation, based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation. Provisions are discounted to their present values, where the time value of money is material.

Any reimbursement that the Company can be virtually certain to collect from a third party with respect to the obligation is recognised as a separate asset. However, this asset may not exceed the amount of the related provision.

All provisions are reviewed at each reporting date and adjusted to reflect the current best estimate.

In those cases where the outflow of economic resources as a result of present obligations is considered improbable or remote, no liability is recognised.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognised. However, when inflow of economic benefits is probable, related asset is disclosed.

p. Employee benefits

Expenses and liabilities in respect of employee benefits are recorded in accordance with Indian Accounting Standard 19- Employee Benefits.

Defined benefit plans

Gratuity

The Company operates one defined benefit plan for its employees, viz. gratuity. The cost of providing benefits under this plan is determined on the basis of actuarial valuation at each year-end using the projected unit credit method. Actuarial gain and loss for the defined benefit plan is recognized in full in the period in which they occur in other comprehensive income.

Other long term benefits

Accumulated leave expected to be carried forward beyond twelve months, is treated as long term employee benefit. Such long term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year end. Accumulated leave, which is expected to be utilised within the next 12 months, is treated as short term employee benefit.

Liability under continuity linked key resource and deferred salary schemes is provided for on actuarial valuation basis, which is done as per the projected unit credit method at the end of each financial period.

Defined contribution plans

Provident Fund

The Company makes contribution to statutory provident fund in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952. The plan is a defined contribution plan and contribution paid or payable is recognised as an expense in the period in which services are rendered by the employee.

Short-term employee benefits

Expense in respect of other short term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

q. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

r. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting done to the chief operating decision maker. The Company operates in a single operating segment and geographical segment.

s. Investment in Subsidiary and Associate Companies

The Company has elected to recognize its investments in subsidiary and associate companies at cost in accordance with the option available in Ind AS 27, 'Separate Financial Statements'.

t. Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

a) Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

b) Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset.

Recent accounting pronouncement

Ministry of Corporate Affairs (MCA), on March 31, 2023, through the Companies (Indian Accounting Standards (Ind AS) Amendment Rules, 2023. Following are few key amendments relevant to the Company :

1. Ind AS 16 - Presentation of Financial Statements & Ind AS 34 - Interim Financial Reporting: - Material accounting policy information (including focus on how an entity applied the requirements of Ind AS) shall be disclosed instead of significant accounting policies as part of financial statements.
2. Ind As 107 - Financial Instruments : Disclosures :- Information about the measurement basic for financial instruments shall be disclosed as part of material accounting policy information.

3. Ind AS 8 - Accounting Policies, changes in accounting estimate and errors:- Clarification on what constitutes an accounting estimate provided.
- 4- Ind AS 12 - Income Taxes:- In case of a transaction which give rise to equal taxable and deductible temporary differences, the initial recognition exception from deferred tax is no longer applicable and deferred tax liability and deferred tax asset shall be recognized on gross basis for such cases.

c) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

3. Significant accounting judgements, estimates and assumptions

When preparing the financial statements management undertakes a number of judgments, estimates and assumptions about recognition and measurement of assets, liabilities, income and expenses.

The actual results are likely to differ from the judgments, estimates and assumptions made by management, and will seldom equal the estimated results.

Information about significant judgments, estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses are discussed below:

Significant judgements:

(i) Evaluation of indicators for impairment of non-financial assets

The evaluation of applicability of indicators of impairment of non-financial assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

(ii) Recognition of deferred tax assets

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilised. The recognition of deferred tax assets and reversal thereof is also dependent upon management decision relating to timing of availment of tax holiday benefits available under the Income Tax Act, 1961 which in turn is based on estimates of future taxable profits.

Sources of estimation uncertainty:

(i) Provisions

At each balance sheet date, basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding warranties and guarantees. However, the actual future outcome may be different from management's estimates.

(ii) Fair valuation of financial instruments

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

* Building includes commercial property at Noida, Uttar Pradesh amounting of Rs 4694.79 lakhs (31 March 2022: 4694.79 lakhs), whose registration is pending.

(i) Amount recognised in profit and loss for investment properties

Particulars	31 March, 2023	31 March, 2022
Rental income	655.18	332.40
Less: Direct operating expenses that did not generate rental income	27.22	103.73
Profit from leasing of investment properties	627.96	228.67
Less: Depreciation for the year	94.61	94.06
Profit after depreciation	533.35	134.61

(ii) Fair value of investment properties

Particulars	31 March, 2023	31 March, 2022
Fair value	6,303.87	6,293.87

The Company has obtained valuations from a registered valuer as defined under rule 2 of companies (Registered valuer and valuation) Rules, 2017, for its investment properties at least annually. The best evidence of fair value is current prices in an active market for similar properties. Where such information is not available, the valuer considers information from a variety of sources including current prices in an active market for investment properties of different nature or recent price of similar investment properties in less active market, adjusted to reflect those differences.

All resulting fair value estimates for investment properties are included in level 3.

(iii) Leasing arrangements

The aforementioned investment property is leased to a tenant under long term operating lease agreement with rentals payable monthly. Minimum payments expected to be received under non-cancellable subleases at the balance sheet date:

Particulars	31 March, 2023	31 March, 2022
Not later than one year	589.16	446.32
Later than one year but not later than five years	2,535.77	750.15
Later than five years	1,006.93	—

Notes to the Standalone Financial Statements for the year ended 31 March, 2023

(All amounts in rupees lakhs unless otherwise stated)

43 Lease related disclosures

The Company has taken factory building , guest house and office building on leases. With the exception of short-term leases and leases of low-value underlying assets, each lease is reflected on the balance sheet as a right-of-use asset and a lease liability as a borrowings. Variable lease payments which do not depend on an index or a rate are excluded from the initial measurement of the lease liability and right of use assets.

Each lease generally imposes a restriction that, unless there is a contractual right for the Company to sublease the asset to another party, the right-of-use asset can only be used by the Company. Some leases contain an option to extend the lease for a further term. The Company is prohibited from selling or pledging the underlying leased assets as security. For leases over office buildings and other premises the Company must keep those properties in a good state of repair and return the properties in their original condition at the end of the lease.

A Total cash outflow for leases for the year ended 31 March, 2023 was Rs. 114.00 lakhs (31 March, 2022 Rs. 114.00 lakhs)

B The Company has Nil commitment for short-term leases as at 31 March, 2023 (31 March, 2022: Nil)

C Maturity of lease liabilities

The lease liabilities are secured by the related underlying assets. Future minimum lease payments were as follows:

31 March, 2023	Minimum lease payments due						Total
	Within 1 year	1-2 years	2-3 years	3-4 years	4-5 years	More than 5 years	
Lease payments	114.00	72.00	72.00	72.00	54.00	—	384.00
Interest expense	23.80	17.49	12.80	7.71	2.18	—	63.98
Net present values	90.20	54.51	59.20	64.29	51.82	—	320.02

31 March, 2022	Minimum lease payments due						Total
	Within 1 year	1-2 years	2-3 years	3-4 years	4-5 years	More than 5 years	
Lease payments	96.39	42.00	—	—	—	—	138.39
Interest expense	7.32	1.94	—	—	—	—	9.26
Net present values	89.07	40.06	—	—	—	—	129.13

D Variable lease payments are expensed in the period they are incurred. Expected future cash outflow as at 31 March, 2023 is Nil (31 March, 2022:Nil).

E Information about extension and termination options

Right of use assets	Number of leases	Range of remaining term	Average remaining lease term	Number of leases with extension option	Number of leases with purchase option	Number of leases with termination option
Factory building	1	5 years	5 years	2 terms with 5 year each.	0	0
Office building	1	1 year	1 year	1 terms with 3 years.	0	0
Guest house	1	1 year	1 year	1 terms with 3 years.	0	0

Notes to the Standalone Financial Statements for the year ended 31 March, 2023

(All amounts in rupees lakhs unless otherwise stated)

44 Fair value disclosures

(i) Fair values hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are classified into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

(ii) Financial assets measured at fair value - recurring fair value measurements

	31 March 2023	31 March 2022	Level	Valuation techniques and key inputs
Investment in equity instruments	1,147.69	1,288.12	Level 1	Fair value of equity instruments have been determined using the quoted market price.
Investment in mutual funds	2,799.93	3,143.39	Level 1	Net asset value (NAV) obtained from an active market.
Investment in preference shares	2,682.10	2,702.55	Level 3	Fair value of non-cumulative, non-convertible redeemable preference shares have been determined using discounted cash flow analysis. This method involves the projection of a series of cash flows from the project. To this projected cash flow series, a market- derived discount rate is applied to establish the present value of the income stream associated with the project.
Total	6,629.72	7,134.06		

(iii) The following table summarises the quantitative information about the significant unobservable inputs used in level 3 fair value measurements and sensitivity analysis if a change to such inputs was made keeping other variables constant:

Particulars	Discount rate	31 March 2023	31 March 2022
Investment in preference shares			
IST Steel & Power Ltd	Increase by	0.50%	(47.34)
	Decrease by	0.50%	49.94
Subham Infra developers Pvt Ltd	Increase by	0.50%	(34.77)
	Decrease by	0.50%	39.23

(iv) The following table presents the changes in level 3 items for the year ended 31 March, 2023 and 31 March, 2022:

Particulars	Preference shares
As at 1 April, 2021	2,776.35
Acquisition	—
Gain/ (loss) recognised in statement of profit and loss	(73.80)
As at 31 March, 2022	2,702.55
Acquisition	—
Gain/ (loss) recognised in statement of profit and loss	(20.45)
As at 31 March, 2023	2,682.10

IST LIMITED

Notes to the Standalone Financial Statements for the year ended 31 March, 2023

(All amounts in rupees lakhs unless otherwise stated)

(v) Fair value of instruments measured at amortised cost

Fair value of instruments measured at amortised cost for which fair value is disclosed is as follows:

Particulars	Level	31 March 2023		31 March 2022	
		Carrying value	Fair value	Carrying Value	Fair value
Financial assets					
Investments	Level 3	4,495.45	4,661.03	4,495.33	4,728.23
Trade receivable	Level 3	486.52	486.52	517.08	517.08
Other financial assets	Level 3	72.99	72.99	59.30	59.30
Cash and cash equivalents	Level 3	72.67	72.67	135.08	135.08
Financial assets		5,127.63	5,293.21	5,206.79	5,439.69
Trade payables	Level 3	46.06	46.06	65.52	65.52
Lease liabilities	Level 3	320.03	320.03	129.12	129.12
Other financial liabilities	Level 3	294.67	294.67	318.41	318.41
Financial liabilities		660.76	660.76	513.05	513.05

The management assessed that cash and cash equivalents, trade receivables, other receivables, trade payables and other current financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments. Other non-current financial assets and non-current borrowings bear a market interest rate and hence their carrying amounts are also considered a reasonable approximation of their fair values.

45 Financial risk management

i) Financial instruments by category

Particulars	31 March 2023			31 March 2022

*Investment in equity instrument of subsidiary and associate have been accounted at cost in accordance with Ind AS 27, not presented here.

ii) Risk Management

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

A) Credit risk

Credit risk is the risk that a counterparty fails to discharge an obligation to the company. The company is exposed to this risk for various financial instruments, for example by granting loans and receivables to customers, placing

Notes to the Standalone Financial Statements for the year ended 31 March, 2023

(All amounts in rupees lakhs unless otherwise stated)

deposits, etc. The company's maximum exposure to credit risk is limited to the carrying amount of following types of financial assets. - cash and cash equivalents, - trade receivables, - loans & receivables carried at amortised cost, and- deposits with banks

a) Credit risk management

The Company assesses and manages credit risk based on internal credit rating system, continuously monitoring defaults of customers and other counterparties, identified either individually or by the company, and incorporates this information into its credit risk controls. Internal credit rating is performed for each class of financial instruments with different characteristics. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

A: Low

B: Medium

C: High

Assets under credit risk –

Credit rating	Particulars	31 March 2023	31 March 2022
A: Low	Investments*	14,034.93	12,815.40
	Other financial assets	72.99	59.30
	Cash and cash equivalents	72.67	135.08
	Trade receivables	486.52	517.08

Cash & cash equivalents and bank deposits

*Investment in equity instrument of subsidiary and associate have been accounted at cost in accordance with Ind AS 27, not presented here.

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks.

Trade receivables

Company's trade receivables are considered of high quality and accordingly no life time expected credit losses are recognised on such receivables.

Other financial assets measured at amortised cost

Other financial assets measured at amortized cost includes advances to employees. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates. In addition, the Company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Maturities of financial liabilities

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

51 Employee benefit obligations

Particulars	As at 31 March 2023		As at 31 March 2022	
	Current	Non-current	Current	Non-current
Gratuity	103.03	61.19	86.58	61.95
Compensated absences	46.10	30.97	37.51	32.18
Total	149.13	92.16	124.09	94.13

A Gratuity

Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service.

The following tables summarize the components of net benefit expense recognised in the Statement of Profit and Loss and amounts recognised in the balance sheet for the respective plans.

(i) Amount recognised in the statement of profit and loss is as under:

Description	For the year ended 31 March 2023	For the year ended 31 March 2022
Current service cost	9.99	9.54
Net interest cost	10.63	9.38
Actuarial loss/(gain) recognised during the year	(2.51)	(5.52)
Return on plan assets	—	—
Amount recognised in the statement of profit and loss	18.11	13.40

(ii) Movement in the present value of defined benefit obligation recognised in the balance sheet is as under:

Description	As at 31 March 2023	As at 31 March 2022
Present value of defined benefit obligation as at the start of the year	148.52	139.96
Current service cost	9.99	9.54
Interest cost	10.63	9.38
Actuarial loss/(gain) on obligation	(2.51)	(5.52)
Benefits paid	(2.41)	(4.84)
Present value of defined benefit obligation as at the end of the year	164.22	148.52

(iii) Breakup of actuarial (gain)/loss:

Description	For the year ended 31 March 2023	For the year ended 31 March 2022
Actuarial (gain)/loss from change in demographic assumption	—	—
Actuarial (gain)/loss from change in financial assumption	(0.95)	(2.10)
Actuarial (gain)/loss from experience adjustment	(1.56)	(3.42)
Total actuarial (gain)/loss	(2.51)	(5.52)

Notes to the Standalone Financial Statements for the year ended 31 March, 2023

(All amounts in rupees lakhs unless otherwise stated)

(iv) Actuarial assumptions

Description	As at 31 March 2023	As at 31 March 2022
Discount rate	7.38%	7.16%
Future Basic salary increase	6.00%	6.00%
Employee turnover		
- Upto 30 years	3.00%	3.00%
- From 31 to 44 years	2.00%	2.00%
- Above 44 years	1.00%	1.00%
Retirement age	58.00	58.00

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

(v) Sensitivity analysis for gratuity liability

Description	For the year ended 31 March 2023	For the year ended 31 March 2022
Impact of the change in discount rate		
Present value of obligation at the end of the year	164.22	148.52
- Impact due to increase of 0.50 %	(2.09)	(2.17)
- Impact due to decrease of 0.50 %	2.24	2.33
Impact of the change in salary increase		
Present value of obligation at the end of the year	164.22	148.52
- Impact due to increase of 0.50 %	2.26	2.35
- Impact due to decrease of 0.50 %	(2.13)	(2.21)

The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied which was applied while calculating the defined benefit obligation liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to prior period.

(vi) Maturity profile of defined benefit obligation

Description	As at 31 March 2023	As at 31 March 2022
Within next 12 months	103.03	86.58
Between 1-5 years	35.15	38.88
More than 5 years	26.04	23.05

B Compensated absences

The earned leave liability arises on retirement, withdrawal, resignation and death-in-service of an employee. The actuary has used projected unit cost (PUC) actuarial method to assess the plan's liabilities of employees.

IST LIMITED

Notes to the Standalone Financial Statements for the year ended 31 March, 2023

(All amounts in rupees lakhs unless otherwise stated)

(i) Amount recognised in the statement of profit and loss is as under:

Description	Earned Leave	
	For the year ended 31 March 2023	For the year ended 31 March 2022
Current service cost	11.30	11.85
Net interest cost	4.99	4.51
Actuarial loss/(gain) recognised during the year	2.29	(3.63)
Amount recognised in the statement of profit and loss	18.58	12.73

(ii) Movement in net liability

Description	Earned Leave	
	As at 31 March 2023	As at 31 March 2022
Opening net liability	69.69	67.37
Expenses as above	18.58	12.73
Benefits paid	(11.20)	(10.41)
Closing net liability	77.07	69.69

(iii) Actuarial assumptions

Description	As at 31 March 2023	As at 31 March 2022
Discount rate	7.38%	7.16%
Future Basic salary increase	6.00%	6.00%

Notes:

- The discount rate is based on the prevailing market yields of Indian Government securities as at the balance sheet date for the estimated term of obligations.
- The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors on long term basis.

C Provident fund

The Company makes Provident Fund and Employee State Insurance Scheme contributions which are defined contribution plans, for qualifying employees. Under the Schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The Company has recognised Rs.28.44 lakhs, (31 March 2022: Rs.26.80 lakhs) for Provident Fund contributions and Rs.8.37 lakhs, (31 March 2022 Rs.8.31 lakhs) for Employee State Insurance Scheme contributions in the Statement of Profit and Loss.

INDEPENDENT AUDITORS' REPORT

Opinion

We have audited the accompanying consolidated financial statements of IST Limited (hereinafter referred to as the "Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as the "Group") and its associate company, which comprise the consolidated Balance Sheet as at March 31, 2023, and the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associate company as at March 31, 2023, and its consolidated profit including other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditors' Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group and its associate company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
<p>Investments as on March 31, 2023 <i>(Refer to Note no.8 and 14 to the notes to the consolidated financial statements)</i></p>	
<p>Investment forms significant portion of the total assets of the Company. The Company has investments in various Government Bonds, quoted and unquoted Securities and Mutual Fund. Investments also includes investment in wholly owned subsidiary and associate company.</p> <p>The valuation of investments is based on a range of inputs. Many of the inputs required can be obtained from readily available liquid market prices and rates. Where observable market data is not available, estimates must be developed based on the most appropriate source data and are subject to a higher level of judgement.</p> <p>Accordingly, investment was determined to be a key audit matter in our audit of standalone financial statements.</p>	<p>Our audit procedure included the following:</p> <ul style="list-style-type: none"> • Obtain an understanding from the management, assessing and testing whether controls in respect of the valuation process are operating properly and assessing whether the valuation process is appropriately designed and captures relevant valuation inputs for the material investments. • Evaluate the Company's process regarding impairment assessment and fair valuation by involving independent assessment for assessing the appropriateness of the valuation • Assessed the carrying value / fair value calculation of all individual material investments, to determine whether the valuation performed by the Company were within an acceptable range determined by us. • Assessing the availability of quoted prices in liquid markets. • We also assessed whether the Company's disclosures in relation to the valuation of investments are compliant with the relevant accounting requirements. <p>Based on the above procedure performed, we did not identify any significant exceptions in the management's assessment in relation to the carrying value of investments</p>

Information Other than the Consolidated Financial Statements and Auditors' Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the consolidated financial statements and our auditors' report thereon. The Holding Company's Annual Report is expected to be made available to us after the date of this auditors' report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated. When we read the Holding Company's Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management Responsibilities for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group and its associate company in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and of its associate company are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the each entity and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associate company are responsible for assessing the ability of the Group and of its associate company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate company are responsible for overseeing the financial reporting process of the Group and of its associate company.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on

whether the holding company, its subsidiary company and its associate company, which are companies incorporated in India, have adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group and its associate company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate company to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We have audit the financial statements/financial information of the subsidiary company, whose financial statements/financial information reflect total assets of Rs.95,334.78 lakhs as at March 31, 2023, total revenues of Rs.12,431.81 lakhs, total net profit after tax of Rs.7352.92 lakhs and total comprehensive income of Rs.6,906.29 lakhs and net cash Inflows amounting to Rs.1,393.35 lakhs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit after tax of Rs.42.10 lakhs and total comprehensive income of Rs.1.79 lakhs for the year ended March 31, 2023, as considered in the consolidated financial statements, in respect of an associate company, whose financial statements/financial information have not been audited by us. These financial statements/financial information have been audited by the other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiary company and associate company and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary company and associate company, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements above, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiary company and associate company, as noted in the 'other matters' paragraph we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2023 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company and associate company, which are companies incorporated in India, none of the directors of the Group and its associate company is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of internal financial controls with reference to the financial statements of the Holding Company, its subsidiary company and associate company incorporated in India and the operating effectiveness of such controls, refer to our separate report in "Annexure A".
 - g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors') Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. There were no pending litigations which would impact the consolidated financial position of the Group and its associate.
 - ii. The Group and its associate company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts, which were required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary company and associate company incorporated in India.
 - iv.
 - (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Group to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Group from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Group shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on such audit procedures that the we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.

- v. The Company has not declared any dividend during the previous year and during the current year and hence compliance to Section 123 of the Act is not applicable.
 - vi. As per proviso to rule 3(1) of the companies (Accounts) Rules, 2014 is applicable for the company only w.e.f., April 1, 2023, reporting under this clause is not applicable.
 - vii. No qualified/adverse comment under CARO, 2020 has been given by the Other Auditors of the Subsidiary Company and Associate Company.
2. As required by Section 197(16) of the Act, based on our audit and on the consideration of the reports of the other auditors on separate financial statements of the subsidiary company and associate company, we report that the Holding Company, subsidiary company and associate company covered under the Act paid remuneration to their respective directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act.

ANNEXURE 'A' TO THE INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENT OF IST LIMITED

(Referred to in paragraph 1(f) under "Report on Other Legal and Regulatory Requirements section of our report of even date to the Members of IST Limited)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2023, we have audited the internal financial controls over financial reporting of IST Limited (hereinafter referred to as "the Company" or the "Holding Company") and its subsidiary company and its associate company, which are companies incorporated in India, as of that date.

In our opinion, the Holding Company, its subsidiary company and its associate company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to the financial statements and such internal financial controls were operating effectively as at March 31, 2023, based on "the internal controls with reference to the financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary company and its associate company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to the financial statements based on the criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to the financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the financial statements included obtaining an understanding of internal financial controls with reference to the financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary company and associate company, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to the financial statements.

Meaning of Internal Financial Controls with reference to the Financial Statements

A Company's internal financial control with reference to the financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted

accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to the Financial Statements

Because of the inherent limitations of internal financial controls with reference to the financial statements, including

the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the financial statements to future periods are subject to the risk that the internal financial controls with reference to the financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to the financial statements in so far as it relates to subsidiary company and associate company, which are companies incorporated in India, is based solely on the corresponding reports of the other auditors. Our opinion is not modified in respect of this matter.

Notes to the Consolidated Financial Statements as at 31st March, 2023

Summary of significant accounting policies and other explanatory information for the year ended 31 March, 2023

1. Group information and statement of compliance with Indian Accounting Standards (Ind AS)

The consolidated financial statements comprise financial statements of IST Limited (“the Company” or “the Holding Company”) and its subsidiary (collectively referred to as the ‘the Group’) for the year ended 31 March 2023.

IST Limited is a public limited company, domiciled in India and having its registered office at at Dharuhera Industrial Complex, Delhi-Jaipur Highway no. 8, Kapriwas, Dharuhera, Rewari 123106, was incorporated under the provisions of Companies Act, 1956. The Group and its associate company are engaged in the manufacturing of precision engineering components/ assemblies, SEZ Developers and trading activities. Further, details about the business operations are provided in Note No.44- Segment Information.

The consolidated financial statements of the Group have been prepared to comply in all material respects with accounting principles generally accepted in India, including Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 under Section 133 of the Companies Act, 2013 (the “Act”) and other relevant provisions of the Act.

2. Basis of preparation and significant accounting policies

a. Basis of preparation

The consolidated financial statements have been prepared on accrual and going concern basis under historical cost convention except for certain financial instruments and plan assets, which are measured at fair values. The accounting policies are applied consistently to all the periods presented in the consolidated financial statements.

The significant accounting policies and measurement bases have been summarised below.

Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Group’s normal operating cycle and as per terms of agreements wherever applicable. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

Basis of consolidation

Subsidiary company is an entity over which the holding company has control. The holding company controls subsidiary when the holding company is exposed to, or has rights to, variable returns from its involvement with its subsidiary and has the ability to affect those returns through its power to direct the relevant activities of the subsidiary. Subsidiary is fully consolidated from the date on which control is transferred to the holding company and it is deconsolidated from the date when control ceases. Profit/(loss) and OCI (‘OCI’) of subsidiary acquired or disposed of during the period are recognised from the effective date of acquisition, or up to the effective date of disposal, as applicable. The consolidated subsidiary has a consistent reporting date of 31 March 2022.

The Group combines the financial statements of the holding company and its subsidiary line by line adding together like items of assets, liabilities, other equity, income and expenses. Inter-company transactions, balances and unrealized gains on transactions between Group companies are eliminated. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiary company has been changed where necessary to ensure consistency with the policies adopted by the Group.

Non-controlling interests, presented as part of equity, represent the portion of a subsidiary’s statement of profit and loss and net assets that is not held by the Group. Profit/(loss) and each component of OCI are attributed to the equity holders of the holding company and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. The Group attributes total comprehensive income or loss of the subsidiary between the owners of the holding company and the non-controlling interests, if any, based on their respective ownership interests.

Notes to the Consolidated Financial Statements as at 31st March, 2023

The Group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the Group. Such a change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity.

Investment in associate has been accounted under the Equity Method as per Ind AS 28- Investment in Associates.

b. Revenue recognition

Revenue arises mainly from the sale of manufactured and traded goods.

To determine whether to recognise revenue, the Group follows a 5-step process:

1. Identifying the contract with a customer
2. Identifying the performance obligations
3. Determining the transaction price
4. Allocating the transaction price to the performance obligations
5. Recognising revenue when/as performance obligation(s) are satisfied.

Revenue from contracts with customers is recognized on transfer of control of promised good or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services.

Revenue towards satisfactions of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. This variable consideration is estimated based on the expected value of outflow. Revenue (net of variable consideration) is recognized only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved. The following specific recognition criteria must also be met before revenue is recognised:

Sale of goods

Revenue from sale of goods is recognised when the control of goods is transferred to the buyer as per the terms of the contract, in an amount that reflects the consideration the Company expects to be entitled to in exchange for those goods. Control of goods refers to the ability to direct the use of and obtain substantially all of the remaining benefits from goods.

Rendering of services

Revenue from services is recognised as and when the services are rendered and on the basis of contractual terms with the parties.

Interest

Interest income is recorded on accrual basis using the effective interest rate (EIR) method.

Dividend

Dividend are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group, and the amount of the dividend can be measured reliably.

Rental Income

Rental income is recognized on a straight-line basis over the terms of the lease, except for contingent rental income which is recognized when it arises and where scheduled increase in rent compensates the lessor for expected inflationary costs.

In all the leases escalation is less than inflation and hence no Straight lining has been done.

Notes to the Consolidated Financial Statements as at 31st March, 2023

Unbilled receivables

Unbilled receivables represent:

- Balance on account of straight lining of rental income over the rent-free period.

c. Inventories

Finished goods, works-in-process, raw material, stores, spares and components are valued at lower of cost and net realisable value. Cost of inventory has been arrived at by using the weighted average cost formula. Cost of inventory comprises all costs of purchase duties, taxes (other than those subsequent recoverable from tax authorities) & all other cost incurred to bring the inventories to their present condition & location. Tools and instruments are valued at cost less depletion in value. Stock of scrap is valued at estimated realizable value. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

d. Income taxes

Tax expense recognised in the statement of profit and loss comprises the sum of deferred tax and current tax not recognised in Other Comprehensive Income (OCI) or directly in equity.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961. Current tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (i.e. in OCI or equity depending upon the treatment of underlying item).

Deferred tax liabilities are generally recognised in full for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss, unused tax credits or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Group's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside statement of profit and loss (in OCI or equity depending upon the treatment of underlying item).

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the respective Group company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the company will pay normal income tax during the specified period.

e. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

f. Foreign currency transactions

The financial statements are presented in Indian Rupee ('INR' or 'Rs.')

 which is also the functional currency of the Group.

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

**Notes to the Consolidated Financial Statements as at 31st March, 2023**

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other income/expenses, as the case may be.

g. Financial instruments*Initial recognition and measurement*

Financial assets and financial liabilities are recognized when the Group becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit or loss which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities is described below:

Non-derivative financial assets*Subsequent measurement*

i. Financial assets carried at amortised cost – a financial asset is measured at the amortised cost, if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

ii. Fair value through OCI- A financial assets measured at FVOCI if both of the following conditions are met:

- The Group's business model objectives for managing the financial assets is achieved both by collecting contractual cash flows and selling the financial assets, and
- The contractual terms of the financial assets given raise in specified dates to cash flows that are solely payments.

iii. Fair value through profit or loss – Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Further, the Group, through an irrevocable election at initial recognition, has measured certain investments in equity instruments at FVTOCI. The Group has made such election on an instrument by instrument basis. These equity instruments are neither held for trading nor are contingent consideration recognized under a business combination. Pursuant to such irrevocable election, subsequent changes in the fair value of such equity instruments are recognized in OCI. However, the Group recognizes dividend income from such instruments in the Consolidated Statement of Profit and Loss.

Impairment of financial assets

In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. ECL is the weighted-average of difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the Group is required to consider:

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.

Notes to the Consolidated Financial Statements as at 31st March, 2023

- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade receivables: In respect of trade receivables, the Group applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

Other financial assets: In respect of its other financial assets, the Group assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Group measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Group uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Group compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Group assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

De-recognition of financial assets

A financial asset is primarily de-recognised when the contractual rights to receive cash flows from the asset have expired or the Group has transferred its rights to receive cash flows from the asset.

Non-derivative financial liabilities

Subsequent measurement

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

h. Fair value of financial instruments

In determining the fair value of its financial instruments, the Group uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized. For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximate fair value due to the short maturity of these instruments.

**Notes to the Consolidated Financial Statements as at 31st March, 2023****i. Property, plant and equipment ('PPE')***Recognition and initial measurement*

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, taxes (non-recoverable) borrowing cost if capitalisation criteria are met and other expenses, directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and definition of asset is met. All other repair and maintenance costs are recognised in the statement of profit or loss as incurred.

In case an item of property, plant and equipment is acquired on deferred payment basis, interest expenses included in deferred payment is recognised as interest expense and not included in cost of asset.

Subsequent measurement (depreciation and useful lives)

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

De-recognition of PPE

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

j. Investment properties*Recognition and initial measurement*

Investment properties are properties held to earn rentals or for capital appreciation, or both. Investment properties are measured initially at their cost of acquisition. The cost comprises purchase price, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognized in statement of profit or loss as incurred.

Subsequent measurement (depreciation and useful lives)

Investment properties are subsequently measured at cost less accumulated depreciation and impairment losses. Depreciation on investment properties is provided on the straight-line method, computed on the basis of useful lives (as set-out below) prescribed in Schedule II to the Companies Act:

Assets category	Useful life (in years)
Building and related equipment	60

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

De-recognition of Investment properties

Investment properties are de-recognized either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in profit or loss in the period of de-recognition.

k. Intangible assets*Recognition and initial measurement*

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Notes to the Consolidated Financial Statements as at 31st March, 2023

Subsequent measurement (amortised and useful lives)

Depreciation on intangible assets has been provided on the straight-line method on useful life of 6 years. The estimated useful life of the intangible assets and the amortization period are reviewed at the end of each financial year and the amortization period is revised to reflect the changed pattern, if any.

De-recognition

An item of intangible assets and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

l. Capital work-in progress

Cost of material consumed and erection charges thereon along with other direct cost incurred by the Group for the projects are shown as capital work-in-progress until capitalisation. Claims for price variation / exchange rate variation in case of contracts are accounted for on acceptance / receipt of claim.

m. Impairment of non-financial assets

At each reporting date, the Group assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the Group estimates the recoverable amount of the asset. The recoverable amount is higher of an asset's fair value less costs of disposal and value in use. For this purpose, assets are Grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or Group of assets (cash generating units). If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost and the same is accordingly reversed in the statement of profit and loss.

n. Assets Held for Sale

Non-current assets or disposal groups comprising of assets and liabilities are classified as 'held for sale' when all of the following criteria's are met: (i) decision has been made to sell. (ii) the assets are available for immediate sale in its present condition. (iii) the assets are being actively marketed and (iv) sale has been agreed or is expected to be concluded within 12 months of the Balance Sheet date. Subsequently, such non-current assets and disposal groups classified as held for sale are measured at the lower of its carrying value and fair value less costs to sell. Non-current assets held for sale are not depreciated or amortised.

o. Borrowing costs

Borrowing costs directly attributable to the acquisitions, construction or production of a qualifying asset are capitalised during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred and reported in finance costs.

A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. Capitalisation of borrowing costs is suspended in the period during which the active development is delayed due to, other than temporary, interruption.

p. Provisions, contingent liabilities and contingent assets

Provisions are recognised when present obligations as a result of a past event will probably lead to an outflow of economic resources and amounts can be estimated reliably. Timing or amount of the outflow may still be uncertain. A present obligation arises when there is a presence of a legal or constructive commitment

Notes to the Consolidated Financial Statements as at 31st March, 2023

that has resulted from past events, for example, legal disputes or onerous contracts. Provisions are not recognised for future operating losses.

Provisions are measured at the estimated expenditure required to settle the present obligation, based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation. Provisions are discounted to their present values, where the time value of money is material.

Any reimbursement that the Group can be virtually certain to collect from a third party with respect to the obligation is recognised as a separate asset. However, this asset may not exceed the amount of the related provision.

All provisions are reviewed at each reporting date and adjusted to reflect the current best estimate.

In those cases where the outflow of economic resources as a result of present obligations is considered improbable or remote, no liability is recognised.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Group or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognised. However, when inflow of economic benefits is probable, related asset is disclosed.

q. Employee benefits

Expenses and liabilities in respect of employee benefits are recorded in accordance with Indian Accounting Standard 19- Employee Benefits.

Defined benefit plans

Gratuity

The Group operates one defined benefit plan for its employees, viz. gratuity. The cost of providing benefits under this plan is determined on the basis of actuarial valuation at each year-end using the projected unit credit method. Actuarial gain and loss for the defined benefit plan is recognized in full in the period in which they occur in other comprehensive income.

Other long-term benefits

Accumulated leave expected to be carried forward beyond twelve months, is treated as long term employee benefit. Such long term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year end. Accumulated leave, which is expected to be utilised within the next 12 months, is treated as short term employee benefit.

Liability under continuity linked key resource and deferred salary schemes is provided for on actuarial valuation basis, which is done as per the projected unit credit method at the end of each financial period.

Defined contribution plans

Provident Fund

The Group makes contribution to statutory provident fund in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952. The plan is a defined contribution plan and contribution paid or payable is recognised as an expense in the period in which services are rendered by the employee.

Short-term employee benefits

Expense in respect of other short-term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

Notes to the Consolidated Financial Statements as at 31st March, 2023

r. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

s. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting done to the chief operating decision maker. The chief operating decision maker is responsible for allocating resources and assessing performance of the operating segments of the Group.

t. Leases

The Group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

a) Right-of-use assets

The Group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

b) Lease liabilities

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the lease term reflects the Group exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset.

c) Short-term leases and leases of low-value assets

The Group applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption that are

**Notes to the Consolidated Financial Statements as at 31st March, 2023**

considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Recent accounting pronouncement

Ministry of Corporate Affairs (MCA), on March 31, 2023, through the Companies (Indian Accounting Standards (Ind AS)) Amendment Rules, 2023 amended certain existing Ind ASs on miscellaneous issues with effect from 1st April 2023. Following are few key amendments relevant to the Company:

1. Ind AS 16- Presentation of Financial Statements & Ind AS 34 – Interim Financial Reporting

–

Material accounting policy information (including focus on how an entity applied the requirements of Ind AS) shall be disclosed instead of significant accounting policies as part of financial statements.

- 2. Ind As 107- Financial Instruments: Disclosures-** Information about the measurement basic for financial instruments shall be disclosed as part of material accounting policy information.
- 3. Ind AS 8 – Accounting policies, changes in accounting estimate and errors-** Clarification on what constitutes an accounting estimate provided.
- 4. Ind AS 12 – Income Taxes –** In case of a transaction which give rise to equal taxable and deductible temporary differences, the initial recognition exemption from deferred tax is no longer applicable and deferred tax liability & deferred tax asset shall be recognized on gross basis for such cases.

3. Significant accounting judgments, estimates and assumptions

When preparing the consolidated financial statements, management undertakes a number of judgments, estimates and assumptions about recognition and measurement of assets, liabilities, income and expenses.

The actual results are likely to differ from the judgments, estimates and assumptions made by management, and will seldom equal the estimated results.

Information about significant judgments, estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses are discussed below:

*Significant judgments:***(i) Evaluation of indicators for impairment of non-financial assets**

The evaluation of applicability of indicators of impairment of non-financial assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

(ii) Recognition of deferred tax assets

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilised. The recognition of deferred tax assets and reversal thereof is also dependent upon management decision relating to timing of Availment of tax holiday benefits available under the Income Tax Act, 1961 which in turn is based on estimates of future taxable profits.

*Sources of estimation uncertainty:***(i) Provisions**

At each balance sheet date, basis the management judgment, changes in facts and legal aspects, the Group assesses the requirement of provisions against the outstanding warranties and guarantees. However, the actual future outcome may be different from management's estimates.

(ii) Fair valuation of financial instruments

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

(ii) Fair value of investment properties

Particulars	31 March, 2023	31 March, 2022
Fair Value	23,490.27	24,884.13

(iii) Leasing arrangements

The aforementioned investment property is leased to a tenant under long term operating lease agreement with rentals payable monthly. Minimum payments expected to be received under non-cancellable subleases at the balance sheet date:

Particulars	31 March, 2023	31 March, 2022
Not later than one year	9,277.55	9,477.73
Later than one year but not later than five years	39,563.08	41,717.59
Later than five years	1,006.93	—

Fair value hierarchy and valuation technique

The Group has obtained valuations from a registered valuer as defined under rule 2 of companies (Registered valuer and valuation) Rules, 2017, for its investment properties at least annually. The best evidence of fair value is current prices in an active market for similar properties. Where such information is not available, the valuer considers information from a variety of sources including current prices in an active market for investment properties of different nature or recent price of similar investment properties in less active market, adjusted to reflect those differences.

All resulting fair value estimates for investment properties are included in level 3.

7 Other intangible assets

Other intangible assets consist computer softwares

Segment profit/(loss)	992.54	8,664.28	9,656.82	—	—	9,656.82
Segment Assets	22,218.66	87,345.23	109,563.89	—	—	109,563.89
Segment Liabilities	999.88	5308.47	6,308.34	—	—	6,308.34

Notes:

- Inter-segment eliminations upon consolidation are reflected in the "adjustments and eliminations" column.
- The Group has two reportable segments as per the requirements of Ind AS 108 – "Operating Segments". One is manufacturing segment and other is SEZ segment. Majority of the revenue from external customers of Rs. 7310.45 lakhs (31 March 2022: Rs. 6770.73 lakhs) of SEZ segment is derived from three external customers.

Notes to the Consolidated Financial Statements as at 31st March, 2023

(All amounts in rupees lakhs unless otherwise stated)

49 Lease related disclosures

The Group has leases for factory building, guest house, office space and office building. With the exception of short-term leases and leases of low-value underlying assets, each lease is reflected on the balance sheet as a right-of-use asset and a lease liability as a borrowings. Variable lease payments which do not depend on an index or a rate are excluded from the initial measurement of the lease liability and right of use assets. The Group classifies its right-of-use assets in a consistent manner to its property, plant and equipment.

For leases previously classified as finance leases the entity recognised the carrying amount of the lease asset and lease liability immediately before transition as the carrying amount of the right of use asset and the lease liability at the date of initial application. The measurement principles of Ind-AS 116 are only applied after that date.

Each lease generally imposes a restriction that, unless there is a contractual right for the Group to sublease the asset to another party, the right-of-use asset can only be used by the Group. Some leases contain an option to extend the lease for a further term. The Group is prohibited from selling or pledging the underlying leased assets as security. For leases over office buildings and other premises the Group must keep those properties in a good state of repair and return the properties in their original condition at the end of the lease.

A Total cash outflow for leases for the year ended 31 March 2023 was Rs.199.20 lakhs (31 March, 2022 : Rs. 192.00 lakhs).

B The Group has Nil commitment for short-term leases as at 31 March 2023 (31 March, 2022 Nil).

C Maturity of lease liabilities

The lease liabilities are secured by the related underlying assets. Future minimum lease payments were as follows:

31 March, 2023	Minimum lease payments due						Total
	Within 1 year	1-2 years	2-3 years	3-4 years	4-5 years	More than 5 years	
Lease payments	199.20	139.20	147.26	147.26	129.26	—	762.18
Interest expense	46.66	35.60	26.28	15.87	4.58	—	128.99
Net present values	152.54	103.60	120.98	131.39	124.68	—	633.19

31 March, 2022	Minimum lease payments due						Total
	Within 1 year	1-2 years	2-3 years	3-4 years	4-5 years	More than 5 years	
Lease payments	158.45	109.35	54.52	66.78	66.33	—	455.43
Interest expense	30.46	19.79	12.68	7.62	8.07	—	78.62
Net present values	127.99	89.56	41.84	59.16	58.26	—	376.81

D Variable lease payments are expensed in the period they are incurred. Expected future cash outflow as at 31 March 2023 Nil (31 March 2022 Nil)

E Information about extension and termination options

Right of use assets	Number of leases	Range of remaining term	Average remaining lease term	Number of leases with extension option	Number of leases with purchase option	Number of leases with termination option
Factory building	1	5 years	5 years	2 terms with 5 years each.	0	0
Office premises	1	1 year	1 year	1 terms with 3 years each.	0	0

Notes to the Consolidated Financial Statements as at 31st March, 2023

(All amounts in rupees lakhs unless otherwise stated)

Right of use assets	Number of leases	Range of remaining term	Average remaining lease term	Number of leases with extension option	Number of leases with purchase option	Number of leases with termination option
Guest house	1	1 year	1 year	1 terms with 3 years each.	0	0
Guest house (Gurgaon Infospace limited)	1	1 year	1 year	2 terms with 2 years each.	0	At the option of lessee by giving 3 months notice
Office space (Gurgaon Infospace limited)	1	1 year	1 year	1 terms with 3 years each.	0	At the option of lessee by giving 3 months notice

50 Fair value disclosures

(i) Fair values hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are classified into three Levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

(ii) Financial assets measured at fair value - recurring fair value measurements

Particulars	31 March 2023	31 March 2022	Level	Valuation techniques and key inputs
Financial assets:				
Investment in equity instruments	17,045.69	14,798.63	Level 1	Fair value of equity instruments have been determined using the quoted market price & NAV from active market.
Investment in mutual funds	25,691.21	13,597.94	Level 1	Net asset value (NAV) obtained from an active market.
Investment in preference shares	2,732.80	2,753.74	Level 3	Fair value of non-cumulative, non -convertible redeemable preference share have been determined using, discounted cash flow analysis. This method involves the projection of a series of cash flow from the project. To this projected cash flow series, a market- derived discounted rate is applied to establish the present value of the income stream associated with the project.
Total	45,469.70	31,150.31		

IST LIMITED

Notes to the Consolidated Financial Statements as at 31st March, 2023

(All amounts in rupees lakhs unless otherwise stated)

(iii) The following table summarises the quantitative information about the significant unobservable inputs used in level 3 fair value measurements and sensitivity analysis if a change to such inputs was made keeping other variables constant:

Particulars		Discount rate	31 March 2023	31 March 2022
Investment in preference shares				
IST Steel & Power Ltd.	Increase by	0.50%	(47.34)	(47.81)
	Decrease by	0.50%	49.45	49.94
Subham Infra developers Pvt. Ltd.	Increase by	0.50%	(34.77)	(37.51)
	Decrease by	0.50%	36.24	39.23
IST Softech Pvt. Ltd.	Increase by	0.50%	(1.89)	(1.96)
	Decrease by	0.50%	1.89	2.07

(iv) The following table presents the changes in level 3 items for the year ended 31 March, 2022 and 31 March, 2023:

Particulars	Preference shares
As at 1 April, 2021	2,829.17
Less: Investment sold during the year	—
Gain/(loss) recognized in statement of profit and loss	(75.43)
As at 31 March, 2022	2,753.74
Less: Investment sold during the year	—
Gain/(loss) recognized in statement of profit and loss	(20.94)
As at 31 March, 2023	2,732.80

(v) Fair value of instruments measured at amortized cost

Fair value of instruments measured at amortized cost for which fair value is disclosed is as follows:

Particulars	Level	31 March 2023		31 March 2022	
		Carrying value	Fair value	Carrying value	Fair value
Financial assets					
Investments	Level 3	26,797.46	26,963.03	28,381.17	28,614.08
Loans	Level 3	300.00	300.00	590.14	590.14
Trade receivable	Level 3	2,089.18	2,089.18	2,331.89	2,331.90
Other financial assets	Level 3	101.05	101.05	86.40	86.40
Other Balances with bank	Level 3	1.09	1.09	1.03	1.03
Cash and cash equivalents	Level 3	2,969.37	2,969.37	1,638.43	1,638.43
Total financial assets		32,258.15	32,423.72	33,029.05	33,261.98
Financial liabilities					
Borrowings	Level 3	1,000.00	1,000.00	1,000.25	1,000.25
Trade payables	Level 3	46.06	46.06	65.52	65.52
Lease liabilities	Level 3	633.21	633.21	446.17	446.17
Other financial liabilities	Level 3	3,246.68	3,246.68	2,579.90	2,579.90
Total financial liabilities		4,925.95	4,925.95	4,091.84	4,091.84

The management assessed that cash and cash equivalents, trade receivables, other receivables, trade payables and other current financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments. Other non-current financial assets and non-current borrowings bear a market interest rate and hence their carrying amounts are also considered a reasonable approximation of their fair values.

Notes to the Consolidated Financial Statements as at 31st March, 2023

(All amounts in rupees lakhs unless otherwise stated)

Total	—	—	4,925.95	—	—	4,091.84

ii) Risk Management

Activities expose it to market risk, liquidity risk and credit risk. Board of directors of respective entities has overall responsibility for the establishment and oversight of risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

A) Credit risk

Credit risk is the risk that a counterparty fails to discharge an obligation to the group. The group is exposed to this risk for various financial instruments, for example by granting loans and receivables to customers, placing deposits, etc. The group's maximum exposure to credit risk is limited to the carrying amount of following types of financial assets. - cash and cash equivalents, - trade receivables, - loans & receivables carried at amortized cost, and deposits with banks

a) Credit risk management

The Group assesses and manages credit risk based on internal credit rating system, continuously monitoring defaults of customers and other counterparties, identified either individually or by the group, and incorporates this information into its credit risk controls. Internal credit rating is performed for each class of financial instruments with different characteristics. The Group assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

- A: Low
- B: Medium
- C: High

Assets under credit risk –

Credit rating	Particulars	31 March 2023	31 March 2022
A: Low	Loans	300.00	590.14
	Investments	81,687.88	68,586.02
	Other financial assets	101.05	86.40
	Cash and cash equivalents	2,969.37	1,638.43
	Other Balances with bank	1.09	1.03
	Trade receivables	2,089.18	2,331.89

**Notes to the Consolidated Financial Statements as at 31st March, 2023***(All amounts in rupees lakhs unless otherwise stated)**Cash & cash equivalents and bank deposits*

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks.

Trade receivables

Group's trade receivables are considered of high quality and accordingly no life time expected credit losses are recognized on such receivables.

Other financial assets measured at amortized cost

Other financial assets measured at amortized cost includes advances to employees. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Group maintains flexibility in funding by maintaining availability under committed facilities. Management monitors rolling forecasts of the Group's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Group takes into account the liquidity of the market in which the entity operates. In addition, the Group's liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Maturities of financial liabilities

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

31 March 2023	Less than 1 year	1-5 year	More than 5 years	Total
Borrowings including interest	1,000.00	—	—	1,000.00
Trade payable	44.68	1.38	—	46.06
Security Deposit	87.64	1,613.74	3,529.79	5,231.17
Other financial liabilities	657.06	—	—	657.06
Total	1,789.38	1,615.12	3,529.79	6,934.29
31 March 2022	Less than 1 year	1-5 year	More than 5 years	Total
Borrowings including interest	1,000.25	—	—	1,000.25
Trade payable	65.52	—	—	65.52
Other financial liabilities	942.44	1,219.02	2,191.37	4,352.83
Total	2,008.21	1,219.02	2,191.37	5,418.60

C) Market risk**a) Interest rate risk**

The Group is not exposed to changes in market interest rates as all of the borrowings are at fixed rate of interest. Also the Group's fixed deposits are carried at amortized cost and are fixed rate deposits. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Notes to the Consolidated Financial Statements as at 31st March, 2023

(All amounts in rupees lakhs unless otherwise stated)

b) Price risk

Exposure

The Group's exposure to price risk arises from investments held and classified as FVTPL. To manage the price risk arising from investments in mutual funds and equity investment, the Group diversifies its portfolio of assets.

Sensitivity

Below is the sensitivity of profit or loss and equity to changes in fair value of investments, assuming no change in other variables:

Particulars	31 March, 2023	31 March, 2022
Price sensitivity		
Price increase by 5%	1,881.32	1,261.59
Price decrease by 5%	(1,881.32)	(1,261.59)

52 Capital management

The Group's capital management objectives are

- to ensure the Group's ability to continue as a going concern
- to provide an adequate return to shareholders

Management assesses the Group's capital requirements in order to maintain an efficient overall financing structure. This takes into account the subordination levels of the Group's various classes of debt. The Group manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

Particulars	31 March, 2023	31 March, 2022
Total debt*	1,633.21	1,446.42

(All amounts in rupees lakhs unless otherwise stated)

55 Employee benefit obligations

Particulars	As at 31 March 2023		As at 31 March 2022	
	Current	Non-current	Current	Non-current
Gratuity	123.49	75.58	106.98	77.18
Compensated absences	64.70	38.81	56.09	39.72
Total	188.19	114.39	163.07	116.90

A Gratuity

Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The following tables summarize the components of net benefit expense recognized in the consolidated statement of profit and loss and amounts recognized in the consolidated balance sheet for the respective plans.

(i) Amount recognized in the consolidated statement of profit and loss is as under:

Description	For the year ended 31 March 2023	For the year ended 31 March 2022
Current service cost	11.53	12.61
Net interest cost	13.21	11.72
Actuarial loss/(gain) recognized during the year	(7.42)	(10.25)
Return on plan assets	—	—
Amount recognized in the consolidated statement of profit and loss	17.32	14.08

(ii) Movement in the present value of defined benefit obligation recognized in the consolidated balance sheet is as under:

Description	As at 31 March 2023	As at 31 March 2022
Present value of defined benefit obligation as at the start of the year	184.16	174.92
Current service cost	11.53	12.61
Interest cost	13.21	11.72
Actuarial loss/(gain) on obligation	(7.41)	(10.25)
Benefits paid	(2.42)	(4.84)
Present value of defined benefit obligation as at the end of the year	199.07	184.16

(iii) Breakup of actuarial (gain)/loss:

Description	As at 31 March 2023	As at 31 March 2022
Actuarial (gain)/loss from change in demographic assumption	—	—
Actuarial (gain)/loss from change in financial assumption	(5.86)	(6.83)
Actuarial (gain)/loss from experience adjustment	(1.55)	(3.42)
Total actuarial (gain)/loss	(7.41)	(10.25)

IST LIMITED

Notes to the Consolidated Financial Statements as at 31st March, 2023

(All amounts in rupees lakhs unless otherwise stated)

(iv) Actuarial assumptions

Description	As at 31 March 2023	As at 31 March 2022
Discount rate	7.38%-7.32%	7.16%-7.23%
Future Basic salary increase	6.00%	6.00%
Employee turnover		
- Upto 30 years	3.00%	3.00%
- From 31 to 44 years	2.00%	2.00%
- Above 44 years	1.00%	1.00%
Retirement age	58	58

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

(v) Sensitivity analysis for gratuity liability

Description	For the year ended 31 March 2023	For the year ended 31 March 2022
Impact of the change in discount rate		
- Impact due to increase of 0.50 %	(3.04)	(3.25)
- Impact due to decrease of 0.50 %	3.27	3.51
Impact of the change in salary increase		
- Impact due to increase of 0.50 %	2.49	3.54
- Impact due to decrease of 0.50 %	(2.35)	(3.31)

The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied which was applied while calculating the defined benefit obligation liability recognized in the consolidated balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to prior period.

(vi) Maturity profile of defined benefit obligation

Description	As at 31 March 2023	As at 31 March 2022
Within next 12 months	123.49	106.98
Between 1-5 years	36.46	40.06
More than 5 years	39.13	37.11

B Compensated absences

The earned leave liability arises on retirement, withdrawal, resignation and death-in-service of an employee. The actuary has used projected unit cost (PUC) actuarial method to assess the plan's liabilities of employees.

Notes to the Consolidated Financial Statements as at 31st March, 2023

(All amounts in rupees lakhs unless otherwise stated)

(i) Amount recognized in the consolidated statement of profit and loss is as under:

Description	Earned leave	
	For the year ended 31 March 2023	For the year ended 31 March 2022
Current service cost	13.26	13.95
Net interest cost	6.88	5.58
Actuarial loss/(gain) recognized during the year	(0.28)	3.89
Amount recognized in the consolidated statement of profit and loss	19.86	23.42

(ii) Change in present value of the defined benefit obligation is as follows:

Description	Earned leave	
	As at 31 March 2023	As at 31 March 2022
Present value of obligation as at the start of the year	95.79	83.27
Current service cost	13.26	13.95
Net interest cost	6.88	5.58
Actuarial loss/(gain) recognized during the year	(0.28)	3.89
Benefits paid	(12.14)	(10.89)
Present value of obligation at the year end	103.51	95.79

(iii) Actuarial assumptions

Description	As at 31 March 2023	As at 31 March 2022
Discount rate	7.38% - 7.32%	7.23% - 7.16%
Future basic salary increase	6.00%	6.00%

Notes:

- The discount rate is based on the prevailing market yields of Indian Government securities as at the balance sheet date for the estimated term of obligations.
- The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors on long term basis.

C Provident fund

The Group makes Provident Fund and Employee State Insurance Scheme contributions which are defined contribution plans, for qualifying employees. Under the Schemes, the Group is required to contribute a specified percentage of the payroll costs to fund the benefits. The Group recognized Rs.28.44 lakhs, (31 March 2022: Rs.26.80 lakhs) for Provident Fund contributions and Rs.8.37 lakhs, (31 March 2022 Rs.8.31 lakhs) for Employee State Insurance Scheme contributions in the Consolidated Statement of Profit and Loss.

56 Contingent liabilities and commitments

Description	As at 31 March 2023	As at 31 March 2022
a) Contingent Liabilities		
Claim against the company not acknowledged as debt	—	—
b) Commitments		
- Guarantee given by the bank	52.76	104.12
- Capital contracts to be executed	4,998.53	7,598.53

Notes to the Consolidated Financial Statements as at 31st March, 2023

(All amounts in rupees lakhs unless otherwise stated)

57 Financial ratios

Ratio/Measure	Methodology	Times/ Percentage	For the year ended		Variation (in %)	Remarks(if variation more than 25%)
			31 March 2023	31 March 2022		
(a) Current Ratio	Current assets over current liabilities	Times	3.88	4.39	-8.84	—
