NOTES:

1. An explanatory statement pursuant to section 102 of the Companies Act, 2013 ("the Act") relating to the item no. 4 to be transacted at the Annual General Meeting ("AGM") is annexed hereto.
2. Ministry of Corporate Affairs (MCA) vide its general circulars nos. 14/2020, 17/2020, 20/2020, and 10/2022 dated April 8, 2020, April 13, 2020, May 5, 2020, and December 28, 2022 respectively, read with SEBI circular nos. SEBI/HO/CFD/CMD2/CIR/P/2022/62 and SEBI/HO/CFD/POD-2/P/ CIR/2023/4 dated May 13, 2022 and January 5, 2023 respectively (collectively, the "said Circulars"), allowed companies to hold shareholders meeting through video conferencing or other audio visual means ("VC/OAVM") dispensing requirement of physical presence of members at a common venue, and other related matters with respect to such meetings. Accordingly, the 41st Annual General Meeting of the members of the Company is held through VC in compliance with the provisions of the said Circulars, and consequently no attendance slip is enclosed with this notice.
3. Since this AGM is being held through VC/ OAVM pursuant to the MCA Circulars, physical attendance of members has been dispensed with, accordingly, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM and hence the Proxy Form and Attendance Slip are not annexed hereto. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/ OAVM and participate thereat and cast their votes through e-voting. Further, the route map is not annexed to this Notice.
4. The relevant details, pursuant to regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Directors seeking re-appointment at this AGM are also annexed to this Notice as **Annexure 1**.
5. The Members can join the AGM in the VC/ OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/ OAVM will be made available for 1000 members on first come first serve basis. However, this number does not include the large shareholders i.e. shareholders holding 2% or more shareholding, promoters, institutional investors, directors, key managerial personnel, the Chairperson of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first serve basis.
6. The attendance of the members attending AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under section 103 of the Companies Act, 2013.
7. Pursuant to the provisions of section 108 of the Companies Act, 2013 read with rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended from time to time) and regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended from time to time), and the MCA Circulars the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-voting system as well as e-voting on the day of the AGM will be provided by NSDL. The Members attending the AGM who have not already cast their vote by remote e-voting shall be able to exercise their right at the meeting. The Members who have cast their vote by remote e-voting prior to the meeting may also attend the AGM but shall not be entitled to cast their vote again. Members may write to Company at oswal@oswalgreens.com or to our registrar and share transfer agent at compliances@skylinerta.com, for any grievances connected with electronic means.
8. In compliance with the aforesaid circulars, electronic copies of the Notice of the AGM along with the Annual Report 2022-23 is being sent to all shareholders whose email addresses are registered with the Company/ Depository Participants as on the cut-off date of August 18, 2023. The notice calling the AGM has been uploaded on the website of the Company at <https://oswalgreens.com/Home/content/Annual-Report/Annual-Report-&-Return> under the Notice of General Meetings tab under the Investor Relations section. The complete Integrated Annual Report is also available in the annual report tab under the financial report section. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Ltd. At www.bseindia.com and www.nseindia.com respectively and the AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.

However, the Shareholders of the Company may request physical copy of the Notice and Annual Report 2022-23 from the Company by sending a request at oswal@oswalgreens.com.
9. The recorded transcript of the forthcoming AGM on Thursday, September 21, 2023 shall also be made available on the website of the Company <https://oswalgreens.com/Home/content/Transcript-data/Transcripts> as soon as possible after the meeting is over.
10. All documents referred to in the accompanying Notice and the explanatory statement can be obtained for inspection by writing to the Company at its email id oswal@oswalgreens.com till the date of AGM. Further, Shareholders may also write to the Company at its mailing id oswal@oswalgreens.com for inspection of any statutory register/ documents required to be placed at the time of AGM of the Company.
11. The Register of Members and Share Transfer Register will remain closed from Friday, September 15, 2023 to Thursday, September 21, 2023 (both days inclusive).
12. (i) SEBI vide its circular SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2021/655 dated November 3, 2021, has reiterated that it is mandatory for all holders of physical securities to furnish their PAN as well as KYC to the RTA (Registrar and Share Transfer Agent) of the Company in respect of all concerned folios and the folios wherein even any one of the PAN, Address with PIN Code, email address, Mobile Number, bank account details, specimen signature and nomination by holders of physical securities are not available on or after October 01, 2023,

26. INTERNAL FINANCIAL CONTROL SYSTEMS AND THEIR ADEQUACY

According to section 134(5)(e) of the Companies Act, 2013 the term Internal Financial Control (IFC) means the policies and procedures adopted by the company for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information.

The Company has a well-placed, proper and adequate IFC system which ensures that all assets are safeguarded and protected and that the transactions are authorized, recorded and reported correctly. The Internal Auditors independently evaluate the adequacy of internal controls and concurrently audit the majority of the transactions in value terms.

Independence of the audit and compliance is ensured by direct reporting of Internal Auditors to the Audit Committee of the Board. During the year the consultants were engaged for providing assistance in improvising IFC framework including preparation of Management Risk Control Matrix for various processes and deployment of Self-Assessment Tool.

Company has aligned its current systems of internal financial control with the requirement of Companies Act 2013, on lines of globally accepted risk-based framework as issued by the committee of sponsoring organizations (COSO) of the treadway commission. The Internal Control – Integrated Framework (the 2013 framework) is intended to increase transparency and accountability in an organization's process of designing and implementing a system of internal control. The framework requires a company to identify and analyse risks and manage appropriate responses. The Company has successfully laid down the framework and ensured its effectiveness.

Company's internal controls are commensurate with its size and the nature of its operations. These have been designed to provide reasonable assurance with regard to recording and providing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorized use, executing transactions with proper authorization and ensuring compliance of corporate policies. Company has a well- defined delegation of power with authority limits for approving revenue as well as expenditure.

Processes for formulating and reviewing annual and long-term business plans have been laid down. Our management assessed the effectiveness of the Company's internal control over financial reporting (as defined in regulation 17 of Listing Regulations) as of March 31, 2023. The assessment involved self-review, peer review and external audit.

M/s Oswal Sunil & Company, the statutory auditors of the Company has audited the financial statements included in this annual report for the financial year ended March 31, 2023 and has issued an separate report on our Internal Financial Control with reference to financial statements (as defined in section 143 of Companies Act 2013).

The company has appointed, M/s SVP and Associates, Chartered Accountants, New Delhi to oversee and carry out internal audit of its activities. The audit is based on an internal audit plan, which is reviewed each year in consultation with the statutory auditors (M/s Oswal Sunil & Company) and the audit committee. In line with international practice, the conduct of internal audit is oriented towards the review of internal controls and risks in its operations such as accounting and finance, procurement, employee engagement, travel, insurance, IT processes etc.

Suggestions for improvement are considered and the audit committee follows up on corrective action. The audit committee also meets statutory auditors to ascertain, inter alia, their views on the adequacy of internal control systems and keeps the board of directors informed of its major observations periodically.

Adequacy of internal financial control with reference to financial statements: The Companies Act, 2013 re-emphasizes the need for an effective Internal Financial Control System in the Company which should be adequate and shall operate effectively. Rule 8(5)(viii) of Companies (Accounts) Rules, 2014 requires the information regarding adequacy of Internal Financial Controls with reference to the financial statements to be disclosed in the Board's report.

The internal financial controls were in operation during the reporting period from April 1, 2022 to March 31, 2023. Our management assessed the effectiveness of the Company's internal control over financial reporting as of March 31, 2023.

M/s Oswal Sunil & Company, Chartered Accountants, assess the internal financial controls including the Entity Level Controls, Process Application and Transaction Controls and Information Technology General Controls.

The Audit Committee reviews reports submitted by the management and audit reports submitted by internal auditors and statutory auditors. Suggestions for improvement are considered and the Audit Committee follows up on corrective action. The Audit Committee also meets statutory auditors to ascertain, inter-alia, their views on the adequacy of internal control systems and keeps the Board of Directors informed of its major observations periodically.

The Company has a comprehensive risk management framework. The Company has in place a well-defined Whistle Blower Policy/Vigil Mechanism. Compliance of secretarial functions is ensured by way of secretarial audit.

Based on its evaluation as defined in Section 177 of the Companies Act 2013 and Regulation 18 of Listing Regulations, our Audit Committee has concluded that, as of March 31, 2023, our internal financial controls were adequate and operating effectively.

27. PARTICULARS OF LOANS GIVEN, INVESTMENTS MADE, GUARANTEES GIVEN AND SECURITIES PROVIDED UNDER SECTION 186 OF COMPANIES ACT, 2013

31. RISK MANAGEMENT

The Company has in place comprehensive risk assessment and minimization procedures, which are reviewed by the Board periodically.

Our risk management framework is designed to be simple, consistent and clear for managing and reporting risks from the Group's businesses to the Board. Our management systems, organizational structures, processes, standards and code of conduct together form the system of internal controls that govern how we conduct business and manage associated risks. We have a multi-layered risk management framework to effectively mitigate the various risks, which our businesses are exposed to in the course of their operations.

Major risks identified by businesses and functions are systematically addressed through mitigating actions. Risk officers have also been formally nominated at operating businesses, as well as at Group level, to develop the risk-management culture within the businesses.

Our Risk Management Framework is designed to help the organization to meet its objectives through alignment of operating controls with the Company's mission and vision. In the opinion of the Board there has been no identification of elements of risk that may threaten the existence of the Company.

The Board of the Company has formed a risk management committee in their meeting held on June 25, 2021 to frame, implement and monitor the risk management plan for the Company. This committee shall be responsible for monitoring and reviewing the risk management plan and to ensure its effectiveness.

The audit committee has additional oversight in the area of financial risks and controls. Major risks identified by the businesses and functions are systematically addressed through mitigating actions on a continuing basis. The risk management policy has been posted on website of the Company at https://oswalgreens.com/FAQ_REPORT_IMG_DIRannouncement_report_document_672360.pdf

**DIVIDEND DISTRIBUTION POLICY
OF
OSWAL GREENTECH LIMITED
(adopted by the Board of Directors on June 25, 2021)**

PREAMBLE

Dividend is the payment made by a Company to its shareholders, usually in the form of distribution of its profits. The profits earned by the Company can either be retained in business or used for acquisitions, expansion or diversification, or it can be distributed to the shareholders. The Company may choose to retain a part of its profits and distribute the balance among its shareholders as dividend. This Policy aims to reconcile between all these needs.

The objective of this Policy is to ensure the right balance between the quantum of Dividend paid and amount of profits retained in the business for various purposes. Towards this end, the Policy lays down parameters to be considered by the Board of Directors of the Company for declaration of Dividend from time to time..

REGULATORY FRAMEWORK

In pursuance of regulation 43A of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, the Company has adopted the dividend distribution policy. The Company currently has only one class of shares, viz. Equity, for which this policy is applicable. The policy is subject to review if and when the Company issues different classes of shares.

CATEGORY OF DIVIDENDS

The Companies Act provides for two forms of Dividend- Final and Interim. The Board shall have the absolute power to declare interim dividend during the financial year, as and when they consider it fit. Normally, the Board will endeavor to declare an interim dividend after finalization of quarterly financial accounts. The Board may declare interim dividend based on profits of the Company, one or more times in a financial year as and when considered appropriate, in line with this policy.

After the annual accounts are prepared, the Board may recommend final dividend to the shareholders for their approval in the General Meeting of the Company. In the event the Board declares more than one interim dividend in a financial year, the Board may recommend to the shareholder to treat the last interim dividend as a final Dividend.

PARAMETERS FOR DECLARATION OF DIVIDEND

In line with the objective of this Policy, the Board of Directors shall consider the following parameters for declaration of Dividend:

1. Financial parameters/ Internal Factors

The Board of Directors would consider the following financial parameters before declaring or recommending dividend to the shareholders:

- (a) Operating Profits;
- (b) Working capital requirements;
- (c) Capital expenditure requirements;
- (d) Business acquisition opportunities;
- (e) Cost of raising funds;
- (f) Providing for unforeseen events and contingencies with financial implications;
- (g) Cash flows required to meet contingencies;
- (h) Outstanding borrowings, if any;
- (i) Past dividend trend;
- (j) Any factor as may be deemed fit by the Board of Directors

2. External factors

The Board of Directors would consider the following external factors before declaring or recommending dividend to the shareholders:

- (a) Prevailing legal requirements, regulatory conditions or restrictions laid down under the Applicable Laws including tax laws;
- (b) Dividend payout ratios of the Companies in same industry.
- (c) In case of uncertain or recessionary economic and business conditions, the Board will endeavor to retain large part of profits to build up reserves to absorb future shocks.

3. Circumstances under which shareholders may or may not expect Dividend:

The shareholders of the Company may not expect Dividend under the following circumstances:

- (a) Whenever it undertakes or proposes to undertake a significant project requiring higher allocation of capital;
- (b) Significantly higher working capital requirements adversely impacting free cash flows;
- (c) Whenever it undertakes any acquisitions or joint ventures requiring significant allocation of capital;
- (d) Whenever the Company proposes to utilize the surplus cash flows for buy back of securities;
- (e) In the event of inadequacy of profits or whenever the Company has incurred losses

4. Utilization of retained earnings

The Company may declare dividend out of the profits of the Company for the year or out of the profits for any previous year or years or out of the free reserves available for distribution of dividend, after having due regard to the parameters laid down in this Policy.

5. Parameters adopted regarding various classes of shares:

- a) Presently, the authorised share capital of the Company is divided into equity share of Rs. 10 each and preference shares of Rs. 10 each. At present, the issued and paid-up share capital of the Company comprises only equity shares.
- b) The Company shall first declare dividend on outstanding preference shares, if any, at the rate of dividend fixed at the time of issue of preference shares and thereafter, the dividend would be declared on equity shares.
- c) As and when the Company issues other kind of shares, the Board of Directors may suitably amend this Policy.

PROCEDURE

- (a) The Chief Financial Officer in consultation with the MD & CEO of the Company shall recommend any amount to be declared/ recommended as Dividend to the Board of Directors of the Company.
- (b) The agenda of the Board of Directors where Dividend declaration or recommendation is proposed shall contain the rationale of the proposal.
- (c) The Company will give prior intimation of 2 working days to Stock Exchanges (excluding the date of intimation and the date of the Board meeting) of date of Board Meeting in which the declaration / recommendation of dividend will be considered.
- (d) The Company will inform about the decision taken by Board regarding dividend to Stock Exchange within 30 minutes of the closure of the Board Meeting.
- (e) The Company will fix Record date for the purpose of determination for list of shareholders eligible to receive dividend.
- (f) The Company shall recommend or declare dividend at least 5 working days (excluding the date of intimation and the record date) before the record date is fixed for the purpose.
- (g) The intimation for fixing Record date shall be given to exchange at least seven working days in advance (excluding the date of intimation and the record date).
- (h) Pursuant to the provisions of applicable laws and this Policy, interim dividend approved by the Board of Directors will be confirmed by the shareholders and final dividend, if any, recommended by the Board of Directors, will be subject to shareholders approval, at the ensuing Annual General Meeting of the Company.

In the event of any amendment in SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 or any other applicable law with respect to the process of recommendation/approval/payment of dividend, the same shall prevail and shall be deemed to form part of this policy.

Transfer of unpaid / unclaimed Dividend and Equity Shares to Investor Education and Protection Fund (IEPF)

As per section 124(5) of the Companies Act, the dividend which remains unpaid / unclaimed for a period of 7 years from the date of transfer to unpaid dividend account shall be transferred by the Company to IEPF.

DISCLOSURE

The Company shall make appropriate disclosures as required under applicable laws, rules or regulations.

GENERAL

This Policy would be subject to revision/amendment in accordance with the guidelines as may be issued by Ministry of Corporate Affairs, Securities Exchange Board of India or such other regulatory authority as may be authorized, from time to time, on the subject matter.

The Company reserves its right to alter, modify, add, delete or amend any of the provisions of this Policy.

In case of any amendment(s), clarification(s), circular(s) etc. issued by the relevant authorities, not being consistent with the provisions laid down under this Policy, then such amendment(s), clarification(s), circular(s) etc. shall prevail upon the provisions hereunder and this Policy shall stand amended accordingly from the effective date as laid down under such amendment(s), clarification(s), circular(s) etc.

DISCLAIMER

This document does not solicit investments in the Company's securities. Nor is it an assurance of guaranteed returns (in any form), for investments in the Company's equity shares.

Global Economic Overview

Despite witnessing major challenges in 2022—Omicron, conflict between Russia and Ukraine, and extraordinary global monetary tightening—the global economy witnessed a gradual recovery in the year 2022-23. The Euro area steered clear of deep economic contraction while the US economy remained more resilient than expected. Global trade volumes rebounded strongly as supply chains stabilized and international travel restrictions eased, supporting economic growth across various sectors.

Geopolitical tensions, trade disputes, and regional conflicts can have spill over effects on the global economy. Shifting alliances, trade policies, and geopolitical risks can impact investor confidence, supply chains, and cross-border investments.

Global inflation touched an all-time high of >8% with many developed economies witnessing double digit inflation figures for the first time in many decades. This led the central banks across the globe to simultaneously hike interest rates in a bid to tame inflation. The global inflation rate is expected to decrease from 8.8% in 2022 (average) to 6.6% in 2023 and 4.3% in 2024. The inflation forecast for 2023 is 4.6% for advanced economies and 8.1% for emerging market and developing economies.

Looking ahead, the global economy will remain fragile in the next fiscal. As per IMF's latest World Economic Outlook report (April 2023), global growth is expected to moderate to 2.8% in 2023 from an estimated 3.4% in 2022.

The pandemic has accelerated digital transformation and technology adoption across sectors. Technological advancements in areas such as artificial intelligence, automation, and digital platforms can drive productivity gains, reshape industries, and create new opportunities for growth and innovation.

Indian Economy Overview

India has emerged as the fastest growing major economy in the world and is expected to be one of the top three economic powers in the world over the next 10-15 years, backed by its robust democracy and strong partnerships. The policies and reforms implemented by the Indian government play a crucial role in shaping the economy. Measures related to taxation, investment regulations, labour laws, infrastructure development, and ease of doing business can impact business sentiment, investment flows, and economic growth.

Improving infrastructure is crucial for sustaining economic growth. Investments in transportation, power, telecommunications, and urban development can enhance productivity, attract investments, and promote regional development.

Controlling inflation is an important aspect of managing the Indian economy. The Reserve Bank of India (RBI), the country's central bank, formulates monetary policies to manage inflation and promote economic stability. Interest rates, liquidity measures, and credit availability are key tools used by the RBI to manage inflation and support growth. India's economy recovered quickly from the pandemic and further growth is expected to be supported by solid domestic demand and increase in capital investments. The International Monetary Fund (IMF) and Reserve Bank of India (RBI) estimate real GDP growth of 6.8% in 2022-23 and 6.1% in 2023-24.

Maintaining fiscal discipline and managing public debt are essential for economic stability. Sound fiscal policies, effective budgetary management, and revenue generation efforts play a critical role in ensuring macroeconomic stability and long-term growth prospects.

Industry Review

Real estate sector is one of the most recognized sectors globally. The growth of the corporate environment compliments the growth of the real estate sector. India's real estate sector is witnessing a healthy increase in demand in 2022 and this momentum is expected to hold for the rest of the year. From commercial spaces to the residential market, the overall market outlook is a bright one for the real estate industry.

The residential real estate segment experienced a surge in demand, primarily driven by favorable government policies such as reduced stamp duty rates, incentives for affordable housing, and low home loan interest rates. The increased demand was also supported by the changing preferences and aspirations of homebuyers.

The commercial real estate segment faced challenges due to the shift towards remote work and the impact of the pandemic on businesses. However, as economic activities picked up, there was a gradual recovery in demand for office spaces and retail properties.

Developers focused on integrating technology and sustainability in their projects. The adoption of green building practices, energy-efficient designs, and smart home features gained prominence, catering to the growing demand for environmentally conscious properties. The implementation of the Real Estate (Regulation and Development) Act, 2016 (RERA) continued to enhance transparency and consumer protection in the sector. The establishment of state-level RERA authorities and the digitization of property registrations streamlined processes and boosted investor confidence.

Developers focused on clearing unsold inventory, leading to attractive pricing schemes, discounts, and offers. This resulted in increased affordability for homebuyers and a reduction in the overall inventory levels. Infrastructure development, including the development of transport networks, logistics hubs, and smart cities, had a positive impact on the real estate sector. Improved connectivity and urban infrastructure increased the demand for properties in these regions.

Opportunities

As India awaits policy reforms to pick up speed, your Company firmly believes that the demand for real estate in a country like India should remain strong in the medium to long term. Your Company is ideally placed to further strengthen its development potential by acquiring new land parcels. Further relative absence of large number of organised players in the real estate business segment provides an excellent opportunity to become a leading player in the industry. An expected economic recovery along with the belief of housing prices bottoming out amongst consumers and rising income levels are some of the factors which will drive the housing demand going ahead.

Challenges

While the management of your Company is confident of creating and exploiting the opportunities, it finds the following challenges:

- Unanticipated delays in project approvals;
- Regulatory hurdles;
- Availability of accomplished and trained labour force;
- Monetary tightening and funding issues;
- Increased cost of manpower;
- Rising cost of construction lead by increase in commodity prices.

Project Centra Greens-Ludhiana

The Company's promoted residential complex project at Ludhiana which had successfully sold 378 flats out of 538 flats during the financial year ended March 31, 2023. The management of the company is motivated by the positive response of the project and Company is making all efforts to explore various other locations for its real estate business to generate greater returns for the company.

Also, during the financial year 2020-21, the Company had recognised its share of flats in residential project namely "CENTRA GREENS" in Ludhiana, Punjab which was promoted by the Company as per the Joint development Agreement entered into with the developer in financial year 2020-21. During financial year 2022-23, the company has sold 3 flats out of unsold inventory of flats in the project.

Real estate project at Barnala, Punjab

During the financial year 2021-22, the Company has commenced another real estate project at Barnala, Punjab wherein the Company proposes to develop land admeasuring 57 acres (approx.) into a residential/ commercial project which may inter alia include the development of a colony by carving out the plots of different sizes and dimensions on the Land so as to allot, transfer and sell the same as such or by constructing thereon villas/independent floors, commercial shops, SCO's, multistoried buildings etc. The project is expected to complete in the third quarter of financial year 2023-24 and thereafter the sales shall be commenced.

Other Income:

During the year, the Company has also received income from interest on Inter-Corporate deposits (ICDs) and investments in mutual funds.

The financial performance highlights for the year ended March 31, 2023, are as follows –

The net income from operations achieved during the year is Rs. 2,049.88 lakh as compared to Rs. 2,401.48 lakh in previous year. The net profit after tax is Rs. 3,787.83 lakh as compared to Rs. 4,605.34 lakh in the previous year.

Risks & Concerns

The Company is exposed to specific risks that are particular to its businesses and the environment within which it operates, including inter alia, market risk, competition risk, human resource risk, execution risk and significant downturn in the economic cycle. It is endeavour of the management that the profitability of the Company is insulated to the extent possible from all the above risks by taking appropriate steps for mitigating the risks in a proper manner.

Human Resources

Human resource is considered as key to the future growth strategy of the Company and looks upon to focus its efforts to further align human resource policies, processes and initiatives to meet its business needs. The Company has been very proactive to support all its workforce at all the levels in best possible manner. The Company has a continuous process to monitor individual performance. The Company continued to have cordial and harmonious relations with its employees.

Internal Control Systems and their adequacy

The Company has implemented an internal control framework to ensure all assets are safeguarded and protected against loss from unauthorised use or disposition and transactions are authorised, recorded and reported correctly. The framework includes internal controls over financial reporting, which ensures the integrity of financial statements of the Company and reduces the possibility of frauds.

The Audit Committee of the Board reviews the design of key processes from the point of view of adequacy of controls. The internal controls are tested for effectiveness, accross all our projects and functions by the finance department, which is further reviewed by the management of the company from time to time, for corrective action.

Outlook

In 2023, we anticipate that there would be an opportunity for the Indian economy to become a world leader. The real estate sector is likely to continue on its journey of long term growth as we see a continuous rise in GDP per capita, larger disposable incomes, growing urbanization and most of all a larger focus of the world on us as the next big economy.

An increase in earning potential, a need for a better standard of living and the growing base of aspirational consumers and their lifestyle changes have led to substantial growth in the sector. With suited economic growth, the premium housing segment will also witness higher demand in the years to come.

Risk Management

The Board and its risk management committee takes responsibility for the total process of risk management in the organization. The Company follows well- established and detailed risk assessment and minimization procedures, which are periodically reviewed by the Board.

The Company takes a very structured approach to the identification and quantification of each risk and has a comprehensive Board approved risk management policy. The scope of the Audit Committee includes review of the Company's financial and risk management policies. The Audit Committee reviews the Audit reports covering operational, financial and other business risk areas.

Cautionary Statement

The statements in the Management Discussion and Analysis Report, which may be considered 'forward-looking statements', within the meaning of applicable laws and regulations, have been based upon the current expectations and projection about future events. The actual results could differ from those expressed or implied. Important factors that could influence the Company's operations include global geopolitical shifts, economic developments within the country, demand and supply conditions in the industry, input prices, changes in Government regulations, tax laws and other factors such as industrial relations. The management cannot, however, guarantee that these forward-looking statements will be realised or achieved.

INDEPENDENT AUDITOR'S REPORT

To the Members of Oswal Greentech Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Oswal Greentech Limited** ("the Company"), which comprise the balance sheet as at 31st March 2023, and the statement of Profit and Loss (including Other Comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How our audit addressed the Key Audit Matter
Contingent liabilities; There are various pending cases against which demand has been raised by different authority.	<p>For legal and regulatory matters our procedures included the following:</p> <ul style="list-style-type: none"> ➤ Assessing the processes and control over legal matters; ➤ Reviewing the Company's significant legal matters and other contractual claims; ➤ Performing substantive procedures on the underlying calculations of potential liability; ➤ Where relevant, reading external legal opinions obtained by management; ➤ Where relevant, obtaining written confirmation from external legal counsels on the status of the cases ➤ Reviewing the adequacy and completeness of the company's disclosures. <p>Based on the work performed, we found the disclosures made by the management in notes 36 and 43 of the financial statements are sufficient.</p>
The company has deferred tax assets in respect of long-term capital losses on sale of investment. There is inherent uncertainty involved in forecasting future taxable long-term capital gains, which determines the extent to which deferred tax assets are or are not recognized.	<p>Deferred tax assets in respect of deductible capital losses on sale of investments have been recognized to the extent of expected capital gains, being the difference between the fair market value and indexed cost as at the end of the reporting period, on disposal of the Investment property. In this regard we obtained the valuation report from an independent expert for determining the fair market value as on the reporting date and assessed the recoverability of the long-term capital losses against the future taxable profits, taking in to account the company's tax position, and our knowledge and experience of the application of relevant tax legislation.</p> <p>Based on the work performed, we found the disclosures made by the management in note 8 of the financial statements are sufficient.</p>

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the company's annual report, but does not include the standalone financial statements and our auditor's report thereon. The aforesaid report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information comprising the above documents, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions as per applicable laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive income), the statement of changes in equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with respect to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 36 to the standalone financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

(viii) **Undisclosed Income**

According to the information and explanations given to us and the records of the Company examined by us, there were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.

(ix) **Borrowings**

According to the information and explanations given to us and the records examined by us, the company has no loans or borrowings from banks, financial institutions, government and others. Accordingly, clause 3(ix) (a) to (f) of the Order is not applicable.

(x) **Issue of securities**

(a) The company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, clause 3(x)(a) of the Order is not applicable.

(b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause (x)(b) of the Order is not applicable to the Company.

(xi) **Fraud**

(a) To the best of our knowledge, and information and explanations given by the management, we report that, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

(b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 (as prescribed) under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.

(c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year.

(xii) **Nidhi Company**

In our opinion and according to the information and explanation given to us during the course of audit, the company is not a Nidhi company. Therefore, clause 3(xii) of the Order are not applicable.

(xiii) **Related Parties**

In terms of the information and explanations sought by us and given by the company and the books and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that transactions with the related parties are in compliance with sections 177 & 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.

(xiv) **Internal Audit**

- (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports issued to the Company during the year and covering the period up to March 2023.

(xv) **Non- cash transactions**

In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the company.

(xvi) **Section 45-IA of the Reserve Bank of India Act,1934**

- (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities without obtained a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by Reserve Bank of India. Accordingly, Clause 3(xvi)(c) of the order is not applicable to the Company.
- (d) According to the information and explanations provided to us during the course of audit, the Group does not have any CIC which are a part of the Group. We have not, however, separately evaluated whether the information provided by the Management is accurate and complete. Accordingly, the requirements of clause 3(xvi)(d) are not applicable to the Company.

(xvii) **Cash Losses**

The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.

(xviii) **Resignation of Statutory Auditors**

There has been no resignation of the statutory auditors of the company during the year. Accordingly reporting under clause (xviii) of the order is not applicable.

(xix) **Ability to pay liabilities**

On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) **CSR Unspent Amount**

- (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) is not applicable for the year.
- (b) In respect of ongoing projects, there are no unspent amounts that are required to be transferred to a special account in compliance of provision of sub section (6) of section 135 of Companies Act.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Referred to in our report of even date to the members of Oswal Greentech Limited on the standalone financial statements for the year ended 31st March, 2023

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of **Oswal Greentech Limited** ("the Company") as of 31st March, 2023 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls with reference to financial statements

The Company's management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control with respect to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by The Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with respect to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with respect to financial statements and their operating effectiveness. Our audit of internal financial control with respect to financial statements included obtaining an understanding of internal financial control with respect to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with respect to financial statements.

Meaning of Internal Financial Controls with respect to financial statements

A Company's internal financial control with respect to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with respect to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with respect to financial statements

Because of the inherent limitations of internal financial controls with respect to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with respect to financial statements to future periods are subject to the risk that the internal financial controls with respect to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with respect to financial statements and such internal financial controls with respect to financial statements were operating effectively as at 31st March, 2023, based on the internal controls with respect to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2023 (Amount in ₹ Lakhs unless otherwise stated)

1. COMPANY OVERVIEW

Oswal Greentech Limited ('company') is a listed company incorporated and domiciled in India and has its principal place of business at 7th Floor, Antriksh Bhawan, Kasturba Gandhi Marg, Connaught Place, New Delhi- 110001. The company's shares are listed on Bombay Stock Exchange (BSE) and National Stock Exchange (NSE). The principal business of the company is trading and development of real estate projects. Further, the company also lends its surplus funds as interest bearing inter-corporate deposits. The standalone financial statements are approved for issue by the company's board of directors on 25th May, 2023.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation and presentation of standalone financial statements

(a) Basis of preparation of standalone financial statements

These standalone financial statements have been prepared and presented on a going concern basis under the historical cost convention (except for certain financial instruments which are measured at fair values), on the accrual basis of accounting and comply with the Indian Accounting Standards prescribed by Section 133 of the Companies Act, 2013 ('the Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued there after, other pronouncements of the Institute of Chartered Accountants of India, guidelines issued by Securities and exchange board of India (SEBI) and the relevant provisions of the Companies Act, 2013 (to the extent notified)/Companies Act, 1956.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or are vision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(b) Statement of compliance with Ind ASs

The standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued there after.

(c) Basis of Measurement

The standalone financial statements have been prepared on a historical cost convention and on an accrual basis except for the employees' defined benefits and other long-term employee benefits obligations recognised as per certificate from an independent actuary and Investments measured at fair value through profit and loss (FVTPL)/ fair value through other comprehensive income (FVTOCI) that have been measured at fair value as required by relevant Ind AS.

(d) Use of Estimates and Judgements

The preparation of standalone financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the standalone financial statements is included in the following notes:

- i) **Income taxes:** The Company's tax jurisdiction is India. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.
- ii) **Provisions and Contingencies:** The assessments undertaken in recognising the provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Assets'. The evaluation of the likelihood of the contingent events has required best judgement by management regarding the probability of exposure to potential loss. Should circumstances change following unforeseeable developments, this likelihood could alter.
- iii) **Post Employment benefit plan:** Employee benefits obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, the rate of salary increase and the inflation rate. The company considers that the assumptions used to measure its obligations are appropriate and documented. However, any changes in these assumptions may have a material impact on the resulting calculations.
- iv) **Leases:** Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. After considering current and future economic conditions, the Company has concluded that no changes are required to lease period relating to the existing lease contracts.

NOTES (CONTD...)**(Amount in ₹ Lakhs unless otherwise stated)**

- v) **Allowance for credit losses on receivables:** The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Company considered current and anticipated future economic conditions relating to industries the company deals with. In calculating expected credit loss, the Company has also considered various related credit information for its customers to estimate the probability of default in future and has taken into account estimates of possible effect from the pandemic relating to COVID -19.
- vi) **Other estimates:** The preparation of standalone financial statements involves estimates and assumptions that affect the reported amount of assets, liabilities, disclosure of contingent liabilities at the date of standalone financial statements and the reported amount of revenues and expenses for the reporting period. Specifically, the Company estimates the probability of collection of accounts receivable by analysing historical payment patterns etc.

(e) Functional and Presentation Currency

Items included in the standalone financial statements of the company are measured using Indian Rupee (₹) which is the functional currency of the company and the currency of the primary economic environment in which the entity operates. The presentation currency of the company is also Indian Rupee (₹) (rounded off to ₹ Lakhs upto two decimals).

2.2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**A. Financial Instruments****i) Financial Assets**

Financial assets comprise investments in equity instruments, mutual funds, security deposits, inter-corporate deposits, trade receivables, cash & cash equivalents and other eligible assets.

Initial recognition and measurement

All financial assets are recognised initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are included in the fair value of the financial assets. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement:

Financial Assets measured at amortised cost: Financial assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest (SPPI) on principal amount outstanding are measured at amortised cost using effective interest rate (EIR) method.

They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. These financial assets are subsequently carried at amortized cost using the effective interest method, less any impairment loss. The EIR amortisation is recognised as finance income in the Statement of Profit and Loss.

Assets at amortised cost are represented by Inter-corporate deposits, trade receivables, security deposits, cash and cash equivalents and other eligible current and non-current financial assets.

- **Financial assets at fair value through other comprehensive income (FVTOCI):** Financial assets held within a business model whose objective is achieved by both collecting the contractual cash flows and selling the financial assets and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payment towards principal and interest (SPPI) on principal outstanding are subsequently measured at FVTOCI. Fair value movements in financial assets at FVTOCI are recognised in other comprehensive income. However, the Company recognises interest income, impairment losses & reversals and foreign exchange gain/loss in statement of profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from equity to profit and loss. Interest earned is recognised under the expected interest rate (EIR) model.

- **Equity instruments other than investment in associates:** The management determines at the initial recognition of investments in Equity instruments whether to measure it at FVTPL or FVTOCI. However, the equity instruments held for trading are always classified at fair value through Profit or Loss (FVTPL). The classification of investments at FVTOCI is irrevocable. Fair value changes on equity instruments at FVTOCI, excluding dividends, are recognised in other comprehensive income (OCI). On derecognition of the equity instrument measured at FVTOCI, cumulative gain or loss previously recognised in OCI are not subsequently transferred to P&L. However, the company may transfer the cumulative gain or loss within equity.

- **Financial assets at fair value through Profit or Loss (FVTPL):** Financial assets are measured at FVTPL if it does not meet the criteria for classification as measured at amortised cost or at fair value through other comprehensive income. Fair value changes are recognised in Statement of Profit and Loss. Derivative financial instruments are always measured at FVTPL.

Derecognition of financial assets:

Financial assets are derecognised when the contractual rights to the cash flows from the financial assets expire or the financial asset is transferred and the transfer qualifies for derecognition. On derecognition of financial asset in its entirety the difference between the carrying amount (measured at the date of derecognition) and the consideration received (including any new asset obtained less any new liability assumed) is recognised in Statement of Profit and Loss.

NOTES (CONTD...)

(Amount in ₹ Lakhs unless otherwise stated)

Impairment of financial assets:

Trade receivables, contract assets, receivables under Ind AS 109, investments in debt instruments that are carried at amortised cost, investments in debt instruments that are carried at FVTOCI are tested for impairment based on the expected credit losses (ECL) for the respective financial asset. ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/expense in the Statement of Profit and Loss. The approach followed by the company for recognising the impairment loss is given below:

a) Trade receivables

An impairment analysis is performed at each reporting date. The expected credit losses over lifetime of the asset are estimated by adopting the simplified approach using a provision matrix which is based on historical loss rates reflecting current condition and forecasts of future economic conditions. The company estimates the following provision matrix at the reporting date:

Period past due	Default rate
0 to 6 months	0%
6 to 12 months	5%
more than 12 months	10%
doubtful receivables	100%

b) Other financial assets

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If in subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12 month ECL.

ii) Financial liabilities:

Financial liabilities comprise trade payables and other eligible liabilities.

Initial recognition and measurement:

Financial liabilities are initially recognised at fair value. Any transaction costs that are attributable to the acquisition of the financial liabilities (except financial liabilities at fair value through profit or loss) are deducted from the fair value of financial liabilities.

Subsequent measurement

i) **Financial liabilities at amortised cost:** The Company has classified the following under amortised cost:

- a) Trade payables
- b) Other eligible financial liabilities

Amortised cost for financial liabilities represents amount at which financial liability is measured at initial recognition minus the cumulative amortisation using the effective interest rate (EIR) method of any difference between that initial amount and the maturity amount.

Financial liabilities at fair value through profit or loss (FVTPL): Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The company has not designated any financial liability as at fair value through profit and loss.

Derecognition of financial liabilities

A financial liability shall be derecognised when, and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expires.

iii) Off setting of financial assets and financial liabilities:

Financial assets and liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company has a legal enforceable right to offset the recognised amounts and intends either to settle on a net basis or to realize the assets and settle the liability simultaneously.

iv) Reclassification of financial assets

The Company determines the classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are categorised as equity instruments at FVTOCI and financial assets or financial liabilities that are specifically designated at FVTPL. For financial assets, which are debt instruments, a reclassification is made only if there is a change in the

NOTES (CONTD...)

(Amount in ₹ Lakhs unless otherwise stated)

business model for managing those assets. Changes to the business model are expected to be infrequent. The management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

B. Property, Plant and Equipment

Property, Plant and Equipment is carried at cost less accumulated depreciation and accumulated impairment losses. The cost comprises its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use; any trade discounts and rebates are deducted in arriving at the purchase price. Cost of self constructed asset include the cost of material, direct labour and any other costs directly attributable to bringing the asset to its working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located. Purchased software that is integral to the functionality of the related equipment is capitalised as part of the equipment.

Gains and losses on disposal of an item of Property, Plant and Equipment are determined by comparing the proceeds from disposal with the carrying amount of Property, Plant and Equipment and are recognised net within "Other income/ Other expenses" in the Statement of Profit and Loss

The cost of property, plant and equipment not ready for intended use before such date are disclosed under capital work- in-progress.

Subsequent costs

The cost of replacing part of an item of Property, Plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is de-recognised. The costs of the day-to-day servicing of property, plant and equipment are recognised in the Statement of Profit and Loss.

Depreciation

Depreciation on property, plant and equipment is provided on pro-rata basis using written down value method using the rates worked out based on the useful life and in the manner prescribed in the Schedule II to the Companies Act, 2013.

The estimated useful lives of assets for the current and comparative period of significant items of property, plant and equipment are as follows:

Category	Useful life (Years)
Buildings	60
Furniture & Fixture	10
Plant & Machinery	15
Office Equipment	5
Computer	3
Vehicles	8

The company follows component approach as envisaged in Schedule II to the Companies Act, 2013. The approach involves identification of components of the asset whose cost is significant to the total cost of the asset and have useful life different from the useful life of the remaining assets and in respect of such identified components, useful life is determined separately from the useful life of the main asset.

Assets acquired under finance lease and leasehold improvements are amortized over the lower of estimated useful life and lease term.

Depreciation on additions is provided on a pro-rata basis from the month of acquisition/installation. Depreciation on sale/deduction from property, plant and equipment is provided for up to the date of sale/adjustment, as the case may be.

Modification or extension to an existing items of property, plant and equipment, which is of capital nature and which becomes an integral part thereof is depreciated prospectively over the remaining useful life of that asset."

The depreciation method, useful lives and residual value are reviewed at each of the reporting date.

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under other non-current assets and the cost of assets not ready to use before such date are disclosed under 'Capital work-in-progress'. Repairs and maintenance costs are recognized in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

C. Intangible assets

Intangible asset are carried at cost of acquisition less amortisation. The cost of an item of intangible asset comprises its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use; any trade discounts and rebates are deducted in arriving at the purchase price.

NOTES (CONTD...)

(Amount in ₹ Lakhs unless otherwise stated)

Amortisation of Intangible assets

Intangible assets are amortised on straight line method on pro-rata basis over a period of three years.

D. Investment property

"Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The cost includes the cost of replacing parts and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the investment property are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in profit or loss as incurred.

The Company depreciates building component of investment property over 60 years on written down value basis from the date of original purchase as per the requirement of Schedule II of the Companies Act, 2013. The leasehold investment properties are amortised over the term of the lease.

Though the Company measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by an accredited external independent valuer.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition.

E. Investment in associate

Investment in associate is recognised at cost less impairment. Dividend income from associate is recognised when its right to receive the dividend is established.

F. Inventories

Inventories are valued as under:

-Land and plots other than area transferred to construction work-in-progress of constructed properties are valued at lower of cost or net realisable value. Cost includes land acquisition cost and land development cost. Cost of land and plots is determined on specific identification basis.

-Construction work-in-progress of constructed properties include the cost of land, internal development costs, external development charges, construction costs, overheads, borrowing cost, development/construction materials and is valued at lower of cost/estimate cost and net realisable value.

-Trading of real estate- the cost includes purchase and other costs in bringing the inventory in their present location and condition. Cost is determined specific identification basis.

G. Foreign currency transactions and balances

Transactions in foreign currencies are initially recognised in the standalone financial statements using exchange rates prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated to the relevant functional currency at the exchange rates prevailing at the reporting date. Non- monetary assets and liabilities denominated in foreign currencies that are measured at fair value are retranslated to the functional currency at the exchange rate prevailing on the date that the fair value was determined. Non- monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction. Foreign currency differences arising on translation are recognised in the Statement of Profit and Loss for determination of net profit or loss during the period.

H. Borrowing costs

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of the cost of that asset. Other borrowing costs are recognized as expenses in the period in which they are incurred. To the extent the Company borrows funds generally and uses them for the purpose of obtaining a qualifying asset, the Company determines the amount of borrowings costs eligible for capitalization by applying a capitalization rate to the expenditure incurred on such asset. The capitalization rate is determined based on the weighted average of borrowing costs applicable to the borrowings of the Company which are outstanding during the period, other than borrowings made specifically towards purchase of the qualifying asset. The amount of borrowing costs that the Company capitalizes during a period does not exceed the amount of borrowing costs incurred during that period.

I. Leases

The company as a lessee

The Company's lease asset primarily consist of lease for building. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the

NOTES (CONTD...)**(Amount in ₹ Lakhs unless otherwise stated)**

period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates of the company. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows for the purpose of Cash Flow Statement.

The Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

J. Deposits provided to lessor

The company is generally required to pay refundable security deposits in order to obtain property leases from various lessor. Such security deposits are financial assets and are recorded at fair value on initial recognition. The difference between the initial fair value and the refundable amount of the deposit is recognized as a lease prepayment. The initial fair value is estimated as the present value of the refundable amount of security deposit, discounted using the market interest rates for similar instruments.

Subsequent to initial recognition, the security deposit is measured at amortized cost using the effective interest method with the carrying amount increased over the lease period up to the refundable amount. The amount of increase in the carrying amount of deposit is recognized as interest income. The lease prepayment is amortized on a straight line basis over the lease term as lease rental expense.

K. Revenue

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

Revenue from the sale of Flats/Plots is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates.

Interest income is recognized as it accrues in Statement of Profit and Loss using the effective interest method.

L. Impairment of non-financial assets

The carrying amount of the Company's non-financial assets, other than deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

The recoverable amount of an asset or cash generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risk specific to the asset. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from the continuing use that are largely independent of cash inflows of other assets or group of assets (the cash generating unit).

An impairment loss is recognized if the carrying amount of an asset or its cash generating unit exceeds its estimated recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss. Impairment losses are recognised in respect of cash generating

NOTES (CONTD...)

(Amount in ₹ Lakhs unless otherwise stated)

units are allocated first to reduce the carrying amount of any goodwill allocated to the units and then to reduce the carrying amount of the other assets in the unit or group of units on a pro rata basis.

Reversal of impairment loss

Impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists.

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized directly in other comprehensive income and presented within equity.

M. Earnings per share (EPS)

Basic earnings per share is computed using the weighted average number of equity shares outstanding during the period.

Diluted earning per share is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares, as appropriate.

N. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash on hand, cash at banks, demand deposits, short-term deposits with an balance maturity of three months or less as at the balance sheet date, which are subject to an insignificant risk of changes in value.

For the purpose of Statement of Cash Flows, cash and cash equivalents comprise cash on hand, cash at banks, demand deposits, short-term deposits with an balance maturity of three months or less as at the balance sheet date and other short term investments, that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

O. Employee Benefits

i) Short Term Benefits

Employee benefits (other than post employment benefits) which fall due wholly within twelve months after the end of the year in which the employees render the related service are recognized at the amount expected to be paid for it.

ii) Post Employment Benefits

The Company participates in various employee benefit plans. Post-employment benefits are classified as either defined contribution plans or defined benefit plans. Under a defined contribution plan, the Company's only obligation is to pay a fixed amount with no obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits. The related actuarial risks fall on the employee. The expenditure for defined contribution plans is recognized as expense during the period when the employee provides service. Under a defined benefit plan, it is the Company's obligation to provide agreed benefits to the employees. The related actuarial and investment risks fall on the Company. The present value of the defined benefit obligations is calculated using the projected unit credit method.

The Company has the following post employment benefit plans:

Gratuity

In accordance with the Payment of Gratuity Act, 1972, the Company provides for a lump sum payment to eligible employees, at retirement or termination of employment based on the last drawn salary and years of employment with the Company. The Company's obligation in respect of the gratuity plan, which is a defined benefit plan, is provided for based on actuarial valuation using the projected unit credit method. Actuarial gains or losses are recognized in other comprehensive income and are not reclassified to profit or loss in subsequent periods.

iii) Other long term employee benefits

Earned Leave Encashment and Sick Leave

The employees of the Company are entitled to earned leaves and sick leaves. The employees can carry forward a portion of the unutilised earned leaves and utilise it in future periods or receive cash at retirement or termination of employment. The employees can carry forward the unutilised sick leaves and utilise it in future periods and it lapses at retirement or termination of employment. The Company records an obligation for earned leave and sick leaves in the period in which the employee renders the services that increases this entitlement. The Company measures the expected cost of earned leave and sick leave as the additional amount that the Company expects to pay as a result of the unused entitlement that has accumulated at the end of the reporting period. The Company recognizes accumulated earned leave and sick leave based on actuarial valuation. Non-accumulating leave encashment are recognized in the period in which the absences occur. The Company recognizes actuarial gains and losses immediately in the statement of profit and loss.

P. Provisions & Contingencies

A provision arising from claims, litigation, assessment, fines, penalties, etc. is recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be

NOTES (CONTD...)
(Amount in ₹ Lakhs unless otherwise stated)

required to settle the obligation and a reliable estimate can be made of the amount of the obligation. These are reviewed at each balance sheet date and adjusted to reflect current management estimates. Contingent liabilities are disclosed in respect of possible obligations that have arisen from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the enterprise. When there is a possible obligation or present obligation where the likelihood of an outflow is remote, no disclosure or provision is made.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. A contingent asset is disclosed, where an inflow of economic benefits is probable.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset, if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Q. Income Taxes

Income tax comprises current tax and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

Current tax

Current tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the period. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted by the reporting date and applicable for the period. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the asset and liability simultaneously.

Deferred tax

Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in standalone financial statements, except when the deferred tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

Deferred tax liabilities are recognized for all taxable temporary differences.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Estimation of fair value

The company obtains independent valuations for its investment properties at least annually. The best evidence of fair value is current prices in an active market for similar properties. Where such information is not available, the company considers information from a variety of source including:

- Current prices in an active market for properties of different nature or recent prices of similar properties in less active markets, adjusted to reflect those differences
- Capitalised income projections based upon a property's estimated net market income and a capitalisation rate derived from an analysis of market evidence

The fair values of investment properties have been determined by an accredited registered valuer as defined under rule 2 of Companies (Registered Valuers and Valuation) Rules, 2017, holding the recognised and relevant professional qualification and has recent experience in the location and category of the investment property being valued. The main inputs used are the local enquiries and prevailing market trends adjusted for location, size, utility, condition and other factors having influence over the fair value. All resulting fair value estimates for investment properties are included in level 3.

(iv) Title deeds of the immovable properties not held in the name of the company

All the title deeds of the immovable properties are held in the name of the company subject to the following limitations:

2) Defined Benefit plan:

I. Gratuity

The Company operates an unfunded gratuity plan. Every employee is entitled to a benefit equivalent to fifteen days salary last drawn for each completed year of service in line with the Payment of Gratuity Act, 1972 or Company scheme whichever is beneficial. The same is payable at the time of separation from the Company or retirement, whichever is earlier. The benefits vest after five years of continuous service.

- The liability is determined based on actuarial valuation using the Projected Unit Credit Method as at the balance sheet date, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.
- The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, is based on market yields on Government securities as at the balance sheet date.
- Actuarial gains and losses are recognised immediately in Other comprehensive income in Statement of profit and loss. Gains or losses on the curtailment or settlement of any defined benefit plan are recognised when the curtailment or settlement occurs.

The amounts recognized in the statement of Profit & Loss Account for the year and previous year are as follows:-

Description of Risk Exposures:

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such company is exposed to various risks as follow:-

Discount rate	Reduction in discount rate in subsequent valuations can increase the plan's liability.
Mortality & disability	Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
Withdrawals	Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.
Salary increase	Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.

NOTES (CONTD...)

(Amount in ₹ Lakhs unless otherwise stated)

- (ii) The management assessed that fair value of cash and cash equivalents and bank balances other than cash and cash equivalents and other financial assets and financial liabilities measured at amortised cost approximates their carrying amounts due to the short-term maturities of these instruments and the transactions being entered at arm's length. In respect of loans, the fair value equals the carrying value as the risk management mechanism established by the company indicates that no impairment in the value of these loans. The fair value of lease liabilities is also considered to be equal to its book value.

The fair value of investments in mutual fund is determined on the basis of NAV of mutual fund declared on the last day of the financial year. The fair values of the listed equity instruments were determined on the basis of the closing price on the last day of the financial year. The fair value of preference shares has been determined by an accredited registered valuer as defined under rule 2 of Companies (Registered Valuers and Valuation) Rules, 2017, holding the recognised and relevant professional qualification.

The fair value of investments in mutual fund is determined on the basis of NAV of mutual fund declared on the last day of the financial year. The fair values of the listed equity instruments were determined on the basis of the closing price on the last day of the financial year. The fair values of investment properties have been determined by an accredited registered valuer as defined under rule 2 of Companies (Registered Valuers and Valuation) Rules, 2017, holding the recognised and relevant professional qualification and has recent experience in the location and category of the investment property being valued. The main inputs used are the local enquiries and prevailing market trends adjusted for location, size, utility, condition and other factors having influence over the fair value. All resulting fair value estimates for investment properties are included in level 3.

The fair value of preference shares has been determined by an accredited registered valuer as defined under rule 2 of Companies (Registered Valuers and Valuation) Rules, 2017, holding the recognised and relevant professional qualification.

42 FINANCIAL RISK MANAGEMENT

The Company's principal financial assets include investment in equity instruments, preference shares and mutual funds, inter-corporate deposits, other receivables and cash & bank balances.

The Company's principal financial liabilities mainly comprise of creditors for expenses and employee benefits payable.

NOTES (CONTD...)

(Amount in ₹ Lakhs unless otherwise stated)

The Company's activities expose it to credit risk and liquidity risk. The company is not exposed to any market risk, neither in form of interest rate risk as the debt instruments issued by the company (i.e. intercorporate deposits) bear a fixed rate of interest as per the inter-corporate deposit agreements nor any foreign exchange risk. The different types of risk the company is exposed to are as follows:

(i) Credit risk

Credit risk is the risk that customer or counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company's significant credit risk concentration is in its loans given [i.e. intercorporate deposits (ICD)] and interest receivable thereon aggregating to ₹ 75214.42 lakh i.e. 58.23% of total financial assets as at 31st March, 2023 (₹ 88,207.07 lakh i.e. 63.98% of total financial assets as at 31st March, 2022). The objective of managing counter party credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the ICD parties on regular basis by analysing their default pattern, reviewing annual financial performance and creditworthiness as evident from their financial statements. The company regularly assesses the increase in risk of default since initial recognition. The company considers a default of more than 6 months as an indicator for increased risk of default requiring the assessment of expected credit losses and resulting impairment, if any. The company uses a provision matrix to compute the expected credit losses (ECL) for trade receivables. The provision matrix takes into account internal and external credit risk factors and the company's historical experience for customers.

However, as at the date of balance sheet all parties were regular in meeting their contractual obligations and none of the financial assets are credit impaired other than those for which adequate allowance for credit losses have been made. Credit risk on cash & cash equivalents and other bank balances is limited as the company holds these deposits with scheduled banks with high credit ratings.

Investments are primarily in quoted equity instruments of companies. Further, the company invests on short term basis in mutual funds having high credit rating from domestic credit rating agencies.

Exposure to credit risk

The gross carrying amount of financial assets, net of any impairment recognised represents the maximum credit exposure. The maximum credit exposure as at 31.03.2023 and as at 31.03.2022 is as follows:

Particulars	As at 31-03-2023	As at 31-03-2022
Investments (Non current and current)	15,231.86	15,553.64
Loans (Non current and current)	70,405.85	81,896.56
Cash and cash equivalents	56.11	82.90
Bank Balances other than cash and cash equivalents	2,800.50	300.50
Others financial assets (Non current and current)	40,674.21	40,033.56
Total	1,29,168.53	1,37,867.16

(ii) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The company does not have any significant financial liability as at March 31, 2023 or March 31, 2022 and Company has enough liquid funds in the form of cash and cash equivalents to meet its financial obligations as and when they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

As at 31st March, 2023, the company has a working capital of ₹ 1,01,767.48 lakh (Previous year ₹ 52,152.13 lakh). Further, the company has substantial pool of highly liquid financial assets like cash & cash equivalents and short term investments in mutual funds aggregating to ₹ 8129.05 lakh (Previous year ₹ 9736.27 lakh) as against the total current liabilities (excluding provision for legal liabilities, settlement of which is uncertain) of ₹ 1655.81 lakh (Previous year ₹ 655.42 lakh) which clearly establishes the strong liquidity position of the company.

The maturity analysis of the financial liabilities of the company as on 31.03.2023 is given as below:

Particulars	As at 31.03.2023		
	Less than 1 Year	1-2 Years	2 Years and above

IMPORTANT COMMUNICATION TO SHAREHOLDERS

Dear Shareholders,

There is growing awareness and concern on the need to protect our environment around the globe. Oswal Greentech Limited has always been a company that has taken the lead in its efforts to protect the environment, with a strong focus on eco-sustainability in our operations.

Taking this future, we now propose to send documents such as the Annual Report, Notices and other documents to the shareholders through electronic, paperless mode.

This is also in line with the 'Green Initiative in Corporate Governance' introduced by the Ministry of Corporate Affairs (MCA) and Securities and Exchange Board of India (SEBI) permitting listed entities to send soft copies of Annual Report, Notice and other documents to those shareholders who have registered their e-mail addresses for the said purpose.

We request you to join us in this noble initiative and look forward to your consent for receiving communication through the electronic mode.

To do this, you are requested to take the following steps-

For the shares held in physical mode: Please fill the enclosed form and send it to us at the corporate office/registered office address of the Company.

For the shares held in dematerialized mode: Please update/register your e-mail address with your Depository Participant.

The Annual Report of your Company would also be available on the Company's website –www.oswalgreens.com
