2. In our opinion and to the best of the information and according to the explanation given to us, *except* to the matters expressed in the **Basis of Qualified Opinion**, and **Emphasis of Matter Paragraph**, the statement
 - i) Presents financial results in accordance with the requirements of Regulation 33 of the Listing Regulations, and,

Basis for Qualified Opinion

We conducted our audit in accordance with the standards of auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under these standards are further described in the Auditor's Responsibilities for the audit of the statement section of our report. We are independent of the company in accordance with the code of ethics issued by the institute of Chartered Accountants of India (The ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion

1. The attached Balance Sheet as at **31st March, 2021** is drawn on the basis of the Principle of 'Going Concern'. We opine as follows in this connection:
 - i. Attention of the members is invited to note 6 of the Financial Statements regarding recognition of deferred tax credit on account of unabsorbed losses and allowances aggregating to INR 24,585.77 lakhs (year ended March 31, 2020 INR 22,032.78 lakhs). This does not satisfy the virtual certainty test for recognition of deferred tax credit as laid down in IND AS-12.
 - ii. The appropriateness of the 'Going Concern' concept based on which the accounts have been prepared is interalia dependent on the Company's ability to infuse requisite funds for meeting its obligations, rescheduling of debt and resuming normal operations.
2. We further report that, except for the effect, if any, of the matters stated in paragraph 1(ii) above, whose effect are not ascertainable, had the observation made in paragraph 1(i) above been considered, the loss after tax for the year ended March 31, 2021 would have been higher by INR. 24,585.77 lakhs.
3. We draw attention to Note No. 34 of the standalone Ind AS Financial Statements regarding the Redemption of Foreign currency convertible bonds.
 - i. However, future events or conditions may cause the Company to cease to continue as a going concern.

The management is of the view that the liability of INR 38,695 lakhs (including interest amounting to Rs. 9,610 lakhs) reflected in the financial statements will adequately cover its liability on settlement of dues with the Foreign currency convertible bond holders and therefore no provision for interest is provided for the year ended 31st March 2021. Had such interest been provided in the books in the normal course, the present loss for the year ended 31st March 2021 would have been higher by INR 1,738.04 lakhs	Emphasis of Matter	Repetitive	Yes		
6	The company has also discontinued the restatement of the Exchange fluctuation gain / loss on account of the outstanding due towards Foreign currency convertible bond and the interest due thereon, in line with the IND AS-21 "The Effects of Changes in Foreign Exchange Rates".
