Sub: Sale of Fertilizers during Kharif, 2019.

Dear Sir,

We have to inform you that Company had registered 27 lakh MT sale of all fertilizers during Kharif 2019 (April-September) for the first time in its history. This is 25% higher than that of corresponding period of last year (21.62 Lakh MT). This has been achieved despite lower production of own urea at Vijaipur Unit by 1.22 lakh MT during June-July, 2019 as compared to that of the corresponding period of last year due to technical problems.

Thanking you,

Yours faithfully,
For National Fertilizers Limited,

(Raj Kumar)
Company Secretary
