### Operating Highlights for Q2 FY22 – Standalone

- Sales to OE customers grew 34%. Experienced strong demand from passenger vehicle and commercial vehicle segment.
- Sales to International customers increased by 78%. This was due to commencement of supplies of steering products to new program in Q3FY21. However the schedules for Light Metal Castings product was affected due to semiconductor shortage.
- Sales to Aftermarket customers grew 44% supported by new product introductions.
- Significant increase in all raw material and other costs has resulted in a drop in EBITDA margin by 268 bps
- Net profit includes forex reinstatement loss of ₹ 8.10 Crore on the investments in overseas subsidiary

### Operating Highlights for Q2 FY22 – Consolidated

- Sales of the US subsidiary grew with strong demand on the served models and ramp-up in volumes on new programs. However, the chip shortage is beginning to impact sales.
- Improved operational performance sustained on quality, productivity and customer delivery.
- There was an exceptional income of USD 1.2 Mn on account of US Federal stimulus benefits.

### MANAGEMENT COMMENT

*“RML experienced strong growth across market segments. Inflationary pressures on material cost impacted the profitability of India business. The overseas subsidiary experienced favourable demand and ramp up in the new programs. Demand revival continues to be strong however the supply constraints due to semiconductor shortage remains a concern.”*

– **L. Ganesh, Chairman, Rane Group**
