Gadkari defends heavy fines for traffic violations

Says need to prevent accidents

AGENCIES
New Delhi

Union Minister Nitin Gadkari on Thursday defended heavy fines under new Motor Vehicle Act, saying the government's intention was not to impose heavy penalties on people but to bring road discipline for preventing loss of lives through accidents.

After the Motor Vehicle Act (2019) came into effect from Sunday, reports have said a two-wheeler rider was fined Rs 23,000 in Gurugram for various norms violations, while a truck driver was given challan for Rs 59,000.

"The government does not wish to fine people. The thing is that a time should come that nobody has to pay such fines," Gadkari, who is the highways and road transport minister said here on the sidelines on SIAM annual conclave. He was re-

sponding to query on how such heavy penalties were justified. Referring to an instance of a drunken auto rickshaw driver, Gadkari asked, "If there is an accident then who would be responsible for that?"

On some states such as West Bengal and Madhya Pradesh refusing to implement the new Act, he said the subject is in the concurrent list and when this Act was formed after a committee of state transport ministers, coming from seven political parties, had recommended it.

"It even went to a standing committee in Parliament, which gave its suggestions and then it was approved," the minister added.

Stressing on the need to have strict penalties for traffic norms violations, Gadkari said, "In the country, there are 5 lakh accidents happening each year, around 1.5 lakh people die. Should we not save these lives? If there is no respect for the law of the land and there is no fear as well, then it is not a good thing."

The government has notified 63

provisions of the Motor Vehicles Amendment Act 2019, including the ones dealing with enhanced penalties for various traffic offences, from September 1.

The 63 clauses deal with penalties, licences, registration and National Transport Policy, among others. The new law enhances penalty for unauthorised use of vehicles without licence to Rs 5,000 from up to Rs 1,000.

Besides, the penalty for driving without licence will be increased from up to Rs 500 to Rs 5,000. The new rules also enhance penalty for drunken driving to imprisonment up to 6 months and/or fine up to Rs 10,000 for first offence and imprisonment up to 2 years and/or fine of Rs 15,000 for second offence.

Besides, the new rules enable state governments to designate any person /agency as the enforcement agency to detect and impose penalty on overloaded vehicles. The Motor Vehicles (Amendment) Bill 2019 was passed by Parliament in July.

FIRs lodged against NRC coordinator Prateek Hajela

AGENCIES
Gwahat

Two FIRs have been lodged against Assam Coordinator of National Register of Citizens (NRC), Prateek Hajela, for "discrepancies" in the final updated list, police said on Thursday.

A third complaint was filed by an NGO against three Bangladesh nationals declared as foreigners, who figure in the final NRC, and against the NRC authorities of Morigaon district, who were allegedly responsible for including their names.

A lawyer and indigenous Muslim students organisation — All Assam Goriya-

Moriya Yuva Chitra Parishad (AAGMYCP) — filed separate FIRs against Hajela in Dibrugarh and Guwahati, police said. Chandan Mazumdar, whose name does not figure in the final NRC list, filed the complaint against Hajela at Dibrugarh police station on Wednesday, police said. Mazumdar al-

leged that he had submitted all documents, but his name was not included in the updated NRC due to "inefficiency and criminal conspiracy of employees".

The FIR held Hajela responsible for "discrepancies", as he was tasked with supervising the NRC updation exercise in Assam.

Govt to restore over 100 identified wetlands in next 5 yrs

AGENCIES
New Delhi

More than 100 wetlands, essential for combating land degradation, have been identified in India and will be restored in the next five years, the Ministry of Environment said on Thursday.

Speaking at the 14th session of the Conference of Parties to United Nations

Convention to Combat Desertification (UNCCD) (COP 14), Manju Pandey, Joint Secretary, Environment Ministry, said the role of wetlands is very important in achieving the sustainable development goals (SDG).

"Wetlands are finally being given due importance. Their role has now been realised. Under the government's scheme of 'har

ghar main jal' (water in every house), we need to focus not only on bringing water to households but also get to the source and conserve it.

"We have identified 100 wetlands across the country which are under pollution stress, tourism pressure. We have increased this number to 130 after the last meeting and will keep updating the number.

We are monitoring closely as we plan to restore them in next five years in a timely manner," Pandey said.

A wetland is a land area that is saturated with water, either permanently or seasonally and it takes on the characteristics of a distinct ecosystem.

Shift CPM leader Tarigami to AIIMS: Orders SC

AGENCIES
New Delhi

The Supreme Court on Thursday ordered that ailing CPI(M) leader Mohd Yusuf Tarigami be shifted from Srinagar, where he is under detention at his home, to AIIMS in Delhi without any delay for better treatment.

A bench comprising Chief Justice Ranjan Gogoi and Justices S A Bobde and S A Nazeer said the shifting will be done following consultations between doctors at Srinagar's Sher-i-Kashmir Institute of Medical Sciences (SKIMS) and the All India Institute of Medical Sciences.

The bench also issued notice to the Centre and the Jammu and Kashmir administration on CPI(M) general secretary Sitaram Yechury's plea that there was no order for Tariga-

mi's detention.

"The bench sought a reply within one week and posted the matter for further hearing on September 16. "Having perused the report submitted by the petitioner (Yechury) pursuant to the order of this court, dated August 28, we are of the view that immediate steps should be taken to shift Mohammad Yusuf Tarigami to the AIIMS, New Delhi.

"The time and mode of travel of Tarigami will be decided by the State Government in consultation with the doctors and specialists of SKIMS, Srinagar," the bench said in its order. It added, "We hardly need to emphasise that the movement of Tarigami to the AIIMS, New Delhi shall be done forthwith by the concerned authorities. He will be allowed to be accompanied by one family member of his choice."

India overplays hand...

It was further pointed out that it was more important for India to signal how big it is on the world stage rather than fix the broken economy.

Still others on twitter dwell on the incongruity of it all—the fact that Russia's per capita GDP is \$10,743 US\$ while India's is only \$1,939 US\$. One septic pointed out that the favour to the Russian federation was to square up for buying its silence on the Kashmir issue. There was also a sentiment that had India extended a similar facility to Bangladesh, Nepal or Bhutan, it would not have raised eyebrows.

The sarcasm was more than apparent when a detractor remarked in zest: "Oh! So this is where the collections from traffic challan will be spent. Waah Modiji Waah!"

PM Modi, however, sees the line of credit as a "launch pad" in the region which is blessed with oil, gas and other minerals and where India is "very active".

Modi also said the friendship between India and Russia was not restricted to governmental interactions, but was about people and close business relations.

Only time will tell.

Man held with rare king ...

Following the information, the team along with Tiger Strike Force guard Rohit cordoned off the area and managed to arrest the accused from his residence.

During subsequent questioning, the accused allegedly confessed to leopard's hide. The STF team informed forest department and started collecting information about the hide. The team came to know that the hide belonged to a rare kind of leopard, possibly found in forest between Sindhya and Maharashtra. The big cat was killed by a group of people A year ago, forest department had arrested few persons with nails and other body parts of the leopard. Since then accused Gaffar was on the run with the hide. The team that arrested the accused would be rewarded by senior officials. The accused has been handed over to forest department for further action.
