Odisha steel units want iron ore exports curbed

SURYA SARATHI RAY
New Delhi, August 28

FACING IRON ORE shortage, Odisha-based steel firms, which do not have operational captive mines, have asked the government to make mandatory iron ore miners in the state to sell at least half of their produce to Odisha-based sponge iron and steel units unless they consume 5% for their own captive use. Only the balance quantities of ore could be exported to other parts of the country or abroad.

The state produces 110 MT iron ore a year, the last of which was an aberration, when the production grew to around 143 MT.

While this may amount to deviation from the auction rules, in the absence of such stipulation, the local industry will suffer a lull and production will take a huge hit, a prominent stakeholder said on condition of anonymity. Tata Steel, which owns captive mines in the state, however, says it does not have any problem of iron ore shortage.

Odisha produces nearly 15% of the country's total steel. Decreased iron ore production, incentive exports to other states of India and to other countries are the two primary reasons for the shortage, said the source.

Higher steel prices have made the raw material dearer as well.

India's single-day Covid cases cross 77,200-mark

PRESS TRUST OF INDIA
New Delhi, August 28

A RECORD SINGLE-DAY spike of 77,256 Covid-19 cases pushed India's virus tally to 13,87,500, while the recoveries surged to 25,83,948 on Friday, according to the Union Health Ministry.

The death toll climbed to 61,329 with 1,057 people succumbing to the disease in span of 24 hours, the data updated at 8 am showed. The recovery rate was recorded at 76.28% while the Covid-19 case fatality rate has further declined to 1.83%.

There are 7,42,023 active cases of coronavirus in India as of the total 20,417 exports to China in the first six months of the year (exports to China in the complete previous calendar year stood at around 19 MT) which includes low grade iron ore, high grade iron ore and pellets.

The higher exports and higher sale to other states of India have led to shortage of Odisha's sponge iron industry. Consequently, the prices have gone up in the state and adjoining states.

Of the total 1,539 deaths, Maharashtra has reported the maximum at 2,344 followed by 6,948 in Tamil Nadu, 3,332 in Karnataka, 4,369 in Delhi, 3,633 in Andhra Pradesh, 2,127 in Uttar Pradesh, 3,217 in West Bengal, 2,962 in Gujarat, and 1,306 in Madhya Pradesh.

So far, 1,254 people have died of Covid-19 in Punjab, 1,005 in Rajasthan, 799 in Kerala, 572 in Jammu and Kashmir, 646 in Haryana, 538 in Bihar, 448 in Odisha, 773 in Jharkhand, 278 in Assam, 267 in Kerala, 245 in Chhattisgarh and 228 in Uttarakhand.

CIL's fuel supply to power sector drops 20%

STATE-OWNED COAL India's fuel in April-July last year, registered a decline of 19.3% to 12.63 million tonne (MT), according to the latest data of the coal ministry.

The dispatch of coal by CIL in July fell 12.4% to 32.76 MT, from 37.41 MT supply in the corresponding month of the previous fiscal, it said. The coal dispatch by Singareni Collieries Company (SCCL) almost dropped by 47.2% to 9.68 MT in the first four months of the current fiscal, from 18.32 MT of that, supplied in corresponding period a year ago.

Premnarayan to be conferred with AAAI Lifetime Achievement Award 2020

FE BUREAU
New Delhi, August 28

THE ADVERTISING AGENCIES Association of India on Friday announced that this year's AAAI Lifetime Achievement Award would be conferred on Kishan Premnarayan, senior partner, from Associates Advertising and Marketing.

He became the youngest president of AAAI when he took charge in 1988 at 36.

Premnarayan also served as chairman of Audit Bureau of Circulation and chairman of National Readership Survey Council.

Making the announce-

ment, Ashish Rhasin, president, AAAI, said: "He must be given due credit for strengthening AAAI's relationship with the media industry, including while he was at the helm of ABC and NRSC. He is truly deserving of this honour."

Delhi keeps power tariffs unchanged for FY21

FE BUREAU
New Delhi, August 28

THE DELHI ELECTRICITY Regulatory Commission (DERC) on Friday came up with the power tariff schedule for FY21, which kept the cost of electricity for consumers unchanged.

Monthly fixed charge for domestic consumers on a connection lead of below 1 kilo-watt (KW) is ₹20/KW per connection. Connection leads of 2-5 KW would cost ₹51/KW and 5-15 KW connections would be charged at ₹100/KW every month.

The Delhi government in August 2019, had announced 100% subsidy on users consuming up to 200 units of power.

Domestic consumption between 200 and 400 units are subsidised 50% by the state.

No changes to this policy have been announced yet by the government, implying that the subsidy regime would continue for FY21.

The Delhi government will pay the power distribution companies (discoms) directly ₹3/unit for monthly consumption of up to 100 units and every domestic consumer.

Slab rates for 100-400 unit has been kept unchanged at ₹4.5/unit, and the subsidy would be calculated accordingly.

The fixed charge and energy of industrial consumers continues to be ₹250/industrial-unit-month and ₹7.75/unit, respectively. Public utilities would keep paying ₹6.13/unit, and upcoming hearings would be charged ₹8.50/unit, as it was in FY20.

TPUUL and RSES supply power in most parts of the national capital.
