Unisys Finance Shared Services Boost Operational Excellence with Emagia

Digital Transformation Drives Enhanced Visibility and Control on Global Accounts Receivables

Feb. 2, 2021 – Santa Clara, Calif. – [Emagia](#), a leading provider of AI-powered Software-as-a-service (SaaS) platform for receivables and treasury, today announced that Unisys, a global Information Technology solutions leader has deployed Emagia Digital Order-to-Cash Platform to manage its global receivables efficiently in more than 90 countries.

Unisys is a global IT services company that delivers successful outcomes for the most demanding businesses and governments. Unisys offerings include digital workplace services, cloud and infrastructure services, and software operating environments for high-intensity enterprise computing. Unisys integrates security into all of its solutions.

“We now have a single global view of all our receivables and we are now able to drive significantly improved efficiency in credit, collections and cash application processes with Emagia”, said Ernst Hanouwer, Director of Global Credit and Collections.

PRESS RELEASE
