Notes to the unaudited consolidated financial results for the quarter ended 30 June 2021

- Sunteck Realty Limited ("the Company" or "the Holding Company") and its subsidiaries are together referred to as 'the Group' in the following notes. The unaudited consolidated financial results ('results') have been prepared in accordance with the recognition and measurement principles of applicable Indian Accounting Standards ('Ind AS') notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended), as prescribed under Section 133 of the Companies Act 2013. The above results were reviewed by Audit Committee and approved by Board of Directors at their respective meetings held on 30 July 2021.
- In case of Holding Company, other non-current financial assets as at 30 June 2021 include ₹ 1,402.73 lakhs, representing amount receivable from a partnership firm ('Firm') in which the Holding Company was associated as a partner till 6 October 2020, which is presently under dispute with respect to alleged illegal sale of the firm's assets by the other partner, which was considered as a joint venture of the Holding Company. The Holding Company had received arbitration award dated 4 May 2018 in its favour in respect of this matter, which has been further challenged by the other partner in Bombay High Court, which has neither been admitted as yet nor any stay granted against the award. Basis the status of the case, favourable arbitration award and legal opinion, Management is confident of recovering the aforesaid dues and therefore, no provision has been considered necessary at this stage. Further, considering the dispute, the Holding Company has not accounted for its share of profits or losses for the period from 2015 till 6 October 2020, as the financial statements from the partnership firm are not available. Since there were no operations in the partnership firm since 2015, Management does not expect the impact of such share of profits or losses, not accounted, to be material.
- Non-current investments in joint ventures and non-current loans as at 30 June 2021 include ₹ 13,646.36 lakhs and ₹ 3,916.81 lakhs respectively, representing amount receivable from GGICO Sunteck Limited (GGICO), a joint venture company, acquired through wholly owned subsidiary, Sunteck Lifeslyte Limited (SLL), which is in the business of development of real-estate project in Dubai. Development of the project undertaken by joint venture has been delayed on account of certain disputes with the other joint venture partner. SLL has obtained favourable order from the court of Dubai International Finance Centre against the claim made by other joint venture partner for termination of joint venture. Further, SLL has initiated arbitration before London Court of International Arbitration (LCIA) during previous period against the other partner alleging that the other partner has not obtained necessary regulatory and statutory approvals for commencing the construction activity as specified in the Joint Venture Agreement (JVA). During the year previous year, the other JV partner has also initiated the arbitration before LCIA against SLL and the Holding Company alleging non-compliance of certain conditions of the JVA and seeking termination of the joint venture. Both the arbitrations have been admitted and arbitrator has also been appointed and the arbitration proceedings have also commenced. Basis legal opinion, the management is of the view that such claims are not tenable against the Holding Company and SLL. Further, considering the dispute, the Holding Company has accounted for its share of profits or losses in GGICO based on the unaudited financial statements certified by the management. Further, based on estimated future business results once the project resumes and considering the contractual tenability, present status of negotiation / discussion / arbitration / litigations which includes claims due from the joint venture partner if the joint venture is dissolved, Management believes that the realisable amount of Investment in joint venture is higher than the carrying value of the non-current investments and non-current loans due to which these are considered as good and recoverable as at 30 June 2021.
- The outbreak of COVID-19 pandemic has disrupted regular business operations of the Group due to the lock down restrictions and other emergency measures imposed by the Government from time to time. Although the business operations have recommenced post relaxation of lockdowns, the Group remains watchful of the potential impact pursuant to the second wave of the pandemic on resuming normal business operations on a continuous basis. The Group has also adopted measures to curb the spread of infection in order to protect the health of its employees and ensures business continuity with minimal disruption. Management has taken into account the possible impacts of known events, upto the date of the approval of these unaudited consolidated financial results, arising from COVID-19 pandemic on its operations and the carrying value of the assets and liabilities as at 30 June 2021. However, there exists significant estimation uncertainty in relation to the future impact of COVID-19 pandemic on the Group and, accordingly, the actual impact in the future may be different from those presently estimated. The Group will continue to monitor any material change to the future economic conditions and consequential impact on the unaudited consolidated financial results.
- During the year ended 31 March 2021, the Group and its joint ventures had changed the method of revenue recognition from percentage of completion method to completed contract method in respect of certain real-estate projects pursuant to re-assessment of certain criteria to recognise revenue over the period of time towards satisfaction of performance obligation, reassessing the contracts for accounting under principal versus agent consideration and accounting for joint development arrangements as specified in Ind-AS 115 - 'Revenue from Contract with Customers'. Management believes that considering the contractual terms, in respect of certain projects, an enforceable rights to payment does not arise until the development of the project is completed and therefore it would be more accurate on a comparative basis to recognise the revenue on transferring of control of property promised to the customers on completion of the projects. Further, pursuant to a clarification issued by International Accounting Standards Board ('IASB') in relation to borrowing costs on real-estate projects where revenue is recognised on percentage of completion basis, the Group and its joint ventures has excluded such borrowing costs relating to the post-launch period from its estimates of the balance cost to completion, and the same are now recognised as finance cost in the Statement of Profit and Loss. Further, the Group evaluated various matters under litigations in accordance with Ind-AS 37, Provisions, Contingent Liabilities and Contingent Assets and accounted the liabilities or made disclosure with respect to contingent liability, as the case may be.

Pursuant to the impact of aforesaid changes, the Group and its joint ventures has restated the financial results for the comparative period, in accordance with the requirements of Ind-AS 8 - 'Accounting Policies, Changes in Accounting Estimates and Errors'. The impacts of aforesaid restatements are as follows:

Impact on unaudited consolidated financial results		₹ in lakhs except earnings per share data

- The Group's primary business segment is reflected based on principal business activities carried on by the Group. As per Ind AS 10B, the Group operates in one reportable business segment i.e. construction and development of real estate projects.

Notes to the unaudited standalone financial results for the quarter ended 30 June 2021

- The unaudited standalone financial results of Sunteck Realty Limited ('SRL' or 'the Company') have been prepared in accordance with the recognition and measurement principles of applicable Indian Accounting Standards ('Ind AS') notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended), as prescribed under Section 133 of the Companies Act 2013. The unaudited standalone financial results were reviewed and recommended by the Audit Committee and were thereafter approved by the Board of Directors at their respective meetings held on 30 July 2021.
- Other non-current financial assets as at 30 June 2021 include ₹ 1,402.73 lakhs, representing amount receivable from a partnership firm ('Firm') in which the Company was associated as a partner till 6 October 2020 which is presently under dispute with respect to alleged illegal sale of the firm's assets by the other partner. The Company had received arbitration award dated 4 May 2018 in its favour in respect of this matter which has been further challenged by the other partner in Bombay High Court, which has neither been admitted as yet nor any stay granted against the award. Basis the status of the case, favourable arbitration award and legal opinion, Management is confident of recovering the aforesaid dues and therefore, no provision has been considered necessary at this stage. Further, considering the dispute, the Company has not accounted for its share of profits or losses for the period from 2015 till 6 October 2020 as the financial statements from the partnership firm are not available. Since there are no operations in the partnership firm since 2015, Management does not expect the impact of such share of profits or losses, not accounted, to be material.
- Non-current investments as at 30 June 2021 include ₹ 25,864.38 lakhs representing investment in its wholly owned subsidiary, Sunteck Lifestyle International Private Limited (SLIPL), which had further acquired 50% share in joint venture company, GGICO Sunteck Limited (GGICO), through its wholly owned subsidiary, Sunteck Lifestyle Limited (SLL), for development of real-estate project in Dubai. Further, the Company's other non-current financial assets include receivable from SLL amounting to ₹ 760.89 lakhs. SLL has incurred losses during initial years and net-worth has been partially eroded. Development of the project undertaken by GGICO has been delayed on account of certain disputes with the other joint venture partner. SLL has obtained favourable order from the court of Dubai International Finance Centre against the claim made by other joint venture partner for termination of joint venture. Further, SLL has initiated arbitration before London Court of International Arbitration (LCIA) during previous period against the other partner, alleging that other partner has not obtained necessary regulatory and statutory approvals for commencing the construction activity as specified in the Joint Venture Agreement (JVA). During the previous year, the other JV partner has also initiated arbitration before LCIA against SLL and the Company alleging non-compliance of certain conditions of the JVA and seeking termination of the joint venture. Both the arbitrations have been admitted and arbitrator has also been appointed and the arbitration proceedings have also commenced. Basis legal opinion, the management is of the view that such claims are not tenable against the Company and SLL. Further, based on estimated future business results once the project resumes and considering the contractual tenability, present status of negotiation / discussion / arbitration / litigations which includes claims due from the joint venture partner if the joint venture is dissolved, Management believes that the realisable amount of investment in subsidiaries is higher than the carrying value of the non-current investments and other non-current financial assets due to which these are considered as good and recoverable as at 30 June 2021.
- The outbreak of COVID-19 pandemic has disrupted regular business operations of the Company due to the lock down restrictions and other emergency measures imposed by the Government from time to time. Although the business operations have recommenced post relaxation of lockdowns, the Company remains watchful of the potential impact pursuant to the second wave of the pandemic on resuming normal business operations on a continuous basis. The Company has also adopted measures to curb the spread of infection in order to protect the health of its employees and ensures business continuity with minimal disruption. Management has taken into account the possible impacts of known events, upto the date of the approval of these unaudited standalone financial results, arising from COVID-19 pandemic on its operations and the carrying value of the assets and liabilities as at 30 June 2021. However, there exists significant estimation uncertainty in relation to the future impact of COVID-19 pandemic on the Company and, accordingly, the actual impact in the future may be different from those presently estimated. The Company will continue to monitor any material change to the future economic conditions and consequential impact on the unaudited standalone financial results.
- During the year ended 31 March 2021, the Company had changed the method of revenue recognition from percentage of completion method to completed contract method in respect of certain real-estate projects pursuant to re-assessment of certain criteria to recognise revenue over the period of time towards satisfaction of performance obligation, re-assessing the contract for accounting under principal versus agent consideration and accounting for joint development arrangements as specified in Ind-AS 115 – 'Revenue from Contract with Customers'. Management believes that considering the contractual terms, in respect of certain projects, an enforceable rights to payment does not arise until the development of the project is completed and therefore it would be more accurate on a comparative basis to recognise the revenue on transferring of control of property promised to the customers on completion of the projects. Further, pursuant to a clarification issued by International Accounting Standards Board ('IASB') in relation to borrowing costs on real-estate projects where revenue is recognised on percentage of completion basis, the Company has excluded such borrowing costs relating to the post-launch period from its estimates of the balance cost to completion, and the same are now recognised as finance cost in the Statement of Profit and Loss. Further, the Company re-evaluated various matters under litigation in accordance with Ind-AS- 37, Provisions, Contingent Liabilities and Contingent Assets and accounted the liabilities.

Pursuant to the impact of aforesaid changes, the Company has restated the financial results for the comparative period, in accordance with the requirements of Ind-AS B - 'Accounting Policies, Changes in Accounting Estimates and Errors'. The impacts of aforesaid restatements are as follows:

Impact on unaudited standalone financial results		₹ in lakhs except earnings per share data

Cost of construction and development		(129.65)

Accordingly, we do not express an audit opinion.

Independent Auditor's Review Report on Consolidated Unaudited Quarterly Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

4. Based on our review conducted and procedures performed as stated in paragraph 3 above and upon consideration of the review reports of the other auditors referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw attention to:
- i. Note 2 to the accompanying Statement which describes the uncertainties relating to recoverability of the Holding Company's other non-current financial assets aggregating ₹ 1,402.73 lakhs as at 30 June 2021 from a partnership firm ("firm"), in which the Holding Company was associated as a partner till 6 October 2020. On account of certain disputes with the other partner of the firm, the Holding Company had initiated arbitration proceedings against the other partner which was decided in favour of the Holding Company on 4 May 2018, but has been challenged by the other partner before the Bombay High Court. Further, as described in the said note, the financial statements of the firm are not available with the Holding Company and therefore, the Holding Company's share of profit/(loss) for the period from 2015 till 6 October 2020 has not been accounted by the management for preparation of the Statement, however the management is of the view that the impact of such share of profit/(loss) would not be material to the accompanying Statement since there are no operations in the partnership firm during the aforesaid period. Basis the favourable arbitration award and the legal opinion obtained, the management believes that the aforesaid balances are fully recoverable and hence, no provision for impairment is required to be recognised in respect of such balances as at 30 June 2021.
 - ii. Note 3 to the accompanying Statement, regarding the Group's non-current investments and non-current loans aggregating ₹ 13,646.36 lakhs and ₹ 3,916.81 lakhs respectively, as at 30 June 2021 recoverable from GGICO Sunteck Limited (GGICO), a joint venture (JV) company. The Holding Company has acquired 50% share in GGICO, through its wholly owned step-down subsidiary, Sunteck Lifestyle Limited (SLL), for development of real-estate project in Dubai, the execution of which has been delayed. Development of the project by GGICO has been delayed on account of certain disputes with the other JV partner and SLL has initiated arbitration in previous period against the other partner which is currently pending before London Court of International Arbitration (LCIA). Further, during the previous year, the other JV partner has also initiated the arbitration proceedings before LCIA against the Holding Company and SLL, which has been admitted by LCIA. Further, as described in the said note, the Holding Company has accounted for its share of profits / (losses) in GGICO based on the unaudited financial statements available with the management. The management believes that the profit accounted from such JV is not expected to be material. Based on the legal opinion and other factors as described in the aforesaid note, the management is of the view that the aforesaid non-current investments and other non-current loans as at 30 June 2021 are fully recoverable and the claims raised by the joint venture partner are not tenable.
 - iii. Note 4 to the accompanying Statement, which describes the uncertainties relating to the outbreak COVID-19 pandemic and management evaluation of its impact on the Group's operations and on the accompanying Statement of the Group as at 30 June 2021, the extent of which is significantly dependent on future developments.
 - iv. Note 5 to the accompanying Statement, regarding the restatement of comparative financial information of the Group and its joint ventures, in accordance with the principles of Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors on account of various adjustments, reclassifications and corrections of errors, which are further described in the aforesaid note.

Our conclusion is not modified in respect of the above matters.

We have reviewed the accompanying statement of standalone unaudited financial results ('the Statement') of **Sunteck Realty Limited** ('the Company') for the quarter ended **30 June 2021**, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
2. The Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matters

Further, as described in the said note, the financial statements of the firm are not available with the Company and therefore, the Company's share of profit/(loss) for the period from 2015 till 6 October 2020 has not been accounted by the management for preparation of the Statement, however the management is of the view that the impact of such share of profit/(loss) would not be material to the accompanying Statement since there are no operations in the partnership firm during the aforesaid period. Further, during the previous year, the other JV partner has also initiated the arbitration proceedings before LCIA against the Company and SLL, which has been admitted by LCIA as further explained in the management note.
