Mumbai, January 31, 2022: - Allied Digital Services Limited (BSE: 532875; NSE: ADSL), a leading IT Infrastructure Management Services Provider announced its Third Quarter Results for the fiscal year 2021-22.

PERFORMANCE HIGHLIGHTS:

- New business wins for multiple years in the previous quarter more than INR 85 Crores from **pure managed service businesses.**

Details of strategic deals wins:

- One of the oldest and famous global apparel brand retailer, to provide end user transformation services including digital workplace solutions for their chain of stores and offices around the world. Allied will also empower them with a state of the art, cutting-edge IT service desk.
- A Global Bio-technology Company, making precision genetic medicine has trusted Allied Digital to provide managed NOC services for their enterprise infrastructure and core enterprise applications and services.
- India's large engineering company chose Allied Digital from many others, to deliver custom tailored managed security solution and services.
- One of the most advanced global commercial media platform company offering digital media marketing solutions. Allied Digital will deliver digital workplace services out of US and Europe.
- Texas based US large oil and gas compression service and equipment provider had awarded a strategic contract to Allied Digital, to deliver full-scale transformation of end user services with state-of-the-art Endpoint security, service desk and digital workplace services.
- A large medical services company, a leader in home care, personal care and hospice care in the US, providing integrated global end user services as well as cloud migration projects.
- Consolidated Revenue for the quarter and nine months increased by 29% and 25% respectively on YoY basis.
- Consolidated PBT for the nine months increased by 55% on YoY basis.
- **EPS (Face Value of INR 5/- each) for the nine months increased to INR 8.64 as compared to INR 3.06 in corresponding last year period.**
- Company granted 30 lakhs stock options under ADSL – Employees Stock Option Plan 2020.
- Acquisition of new large office space in Kolkata at a prime location.
- In pursuit of becoming debt free Company, substantial repayment in debts during previous quarter resulting into considerable reduction in future finance cost.
- Newly incorporated overseas subsidiaries in China & Japan have already started generating revenue.

Mr. Nitin Shah, CMD Allied Digital added, "We are continuing to climb scale heights winning large IT managed service deals in enterprise managed IT services globally, including cybersecurity and cloud. Also, we are engaged in several path breaking initiative projects that include Robotic Process Automation (RPA) and Artificial Intelligence (AI). This is the outcome of our enhanced

service governance, compliance and strategic investments in emerging digital technologies. This has led us to scale larger frontiers across various industry domains. We are embarked on a clear roadmap and are poised to witness another exciting year of growth.”
