- The financial statements of subsidiaries Leading Edge Infotech Limited (LEIL) and Trigyn Technologies India Private Limited (TTIPL) have been prepared on going concern basis despite negative net worth of the Company as at the quarter end. As at 30th June 2021, both the above companies are not in a position to meet their commitments on their own and are totally dependent on the financial support of the Holding company. The management is in the process of taking steps to revive the business and is also exploring other alternatives such as merger/amalgamation/liquidation. Since both the companies are supported by the holding company, the financial statements have been prepared on going concern basis despite the negative net worth of these Companies at the quarter end.
- During the quarter, the Group's project teams and employees were "Working from Home". Some of the Group's projects particularly Cloud-Based Virtual Classroom System at Andhra Pradesh and toll collection from Parking project at Nashik were badly affected on account of the prolonged lockdown. The management of respective companies of the Group have evaluated the possible impact of this pandemic on the business operations and the financial position of the Group where fixed expenditure such as permanent staff salary, office and godown rent, finance costs, manpower agency charges and others which have been accounted but could not be covered by revenue billing due to the prolonged lockdown.
- The Group has considered the impact of COVID 19 pandemic on its business operations and financial results based on its review of current indicators of future economic conditions. The Group has used the principles of prudence in applying judgments, estimates and assumptions including sensitivity analysis and based on the current estimates, the Group has accrued its liabilities and also expects to fully recover the carrying amount of trade receivables including unbilled receivables, intangible assets, and investments. The eventual outcome of impact of the global health pandemic may be different from those estimated as on the date of approval of these consolidated financial results.
- Figures of the previous quarter have been regrouped and reclassified, wherever considered necessary to correspond with the current period presentation.
