Tata Communications appoints Sumeet Walia as Chief Sales and Marketing Officer

Mumbai - March 4th, 2019 - [Tata Communications](#), a leading global digital infrastructure provider, announces the appointment of Sumeet Walia as its Chief Sales and Marketing Officer. In this role, Sumeet will lead and align the global sales and marketing functions around the company's go-to-market strategy to drive business growth in all markets worldwide.

Commenting on the appointment, **Vinod Kumar, Managing Director and CEO, Tata Communications**, said: "Sumeet is an accomplished business leader who has the ability to continuously adapt and understand the dynamic business environment in which we operate with a proven track record. With his understanding of our business, industry and culture, I am confident that Sumeet will successfully lead the market efforts as we drive growth and greater momentum for our customers and partners."

Sumeet has over two decades of industry experience including a number of leadership roles within the Tata group. Within this time at Tata Communications, Sumeet was instrumental in shaping the company's data business and growing and maintaining the company's leadership position in India.

Ends...

About Tata Communications

Tata Communications is a leading global digital infrastructure provider that powers today's fast growing digital economy.

The company's customers represent 300 of the Fortune 500 whose digital transformation journeys are enabled by its portfolio of integrated, globally managed services that deliver local customer experiences. Through its network, cloud, mobility, Internet of Things (IoT), collaboration and security services, Tata Communications carries around 30% of the world's internet routes and connects businesses to 60% of the world's cloud giants and 4 out of 5 mobile subscribers.

The company's capabilities are underpinned by its global network. It is the world's largest wholly owned subsea fibre backbone and a Tier-1 IP network with connectivity to more than 240 countries and territories.

Tata Communications Limited is listed on the Bombay Stock Exchange and the National Stock Exchange of India and is present in over 200 countries and territories around the world. www.tatacommunications.com

Forward-looking and cautionary statements

Certain words and statements in this release concerning Tata Communications and its prospects, and other statements, including those relating to Tata Communications' expected financial position, business strategy, the future development of Tata Communications' operations, and the general economy in India, are forward-looking statements. Such statements involve known and unknown risks, uncertainties and other factors, including financial, regulatory and environmental, as well as those relating to industry growth and trend projections, which may cause actual results, performance or achievements of Tata Communications, or industry results, to differ materially from those expressed or implied by such forward-looking statements. The important factors that could cause actual results, performance or achievements to differ materially from such forward-looking statements include, among others, failure to increase the volume of traffic on Tata Communications' network; failure to develop new products and services that meet customer demands and generate acceptable margins; failure
