authorities, allotments, approvals, consents, licenses, insurances, registrations, contracts, engagements, arrangement, rights, intellectual property rights, titles, interests, benefits and advantages of whatsoever nature belonging to or in the ownership, power, possession, control of or vested in or granted in favour of or enjoyed by the Transferor Company, including but without being limited to, all licenses, liberties, easements, advantages, benefits, privileges, leases, tenancy rights, ownership, intellectual property rights including trademarks/ brands/ copy rights/ patents, quota rights, subsidies, capital subsidies, concessions, exemptions, sales tax exemptions, approvals, clearances, environmental clearances, occupancy certificate, authorizations, certification, quality certification, utilities, electricity connections, water connections, telephone connections, electronics and computer link ups, services of all types, reserves, provisions, funds, benefit of all agreements and all other interests arising to the Transferor Company (hereinafter collectively referred to as "the said assets") shall, without any further act, instrument or deed and without payment of any duty or other charges, be transferred to and vested in the Transferee Company as a going concern pursuant to the applicable provisions of the Act, for all the estate, right, title and interest of the Transferor Company therein so as to become the property of the Transferee Company.

- c. Notwithstanding what is provided herein above, it is expressly provided that in respect to assets which are movable in nature or the assets which are otherwise capable of being transferred by physical delivery or by endorsement and delivery, the same shall be so transferred by the Transferor Company to the Transferee Company after the Scheme is duly sanctioned and given effect to without requiring any further order of the Hon'ble NCLT or any deed or instrument of conveyance for the same or without the payment of any duty or other charges and shall become the property of the Transferee Company accordingly. The vesting pursuant to this clause shall be deemed to have occurred by physical delivery or by endorsement and delivery, as appropriate to the property being vested and title to the property shall be deemed to have been transferred accordingly to the Transferee Company.
- d. With effect from the appointed date and upon the scheme becoming effective, all movable assets of the Transferor Company, other than those specified in clause (c) above, including cash and cash equivalents, sundry debtors, outstanding loans and advances, if any, recoverable in cash or in kind or for value to be received, bank balances and deposits, if any with governments, semi-governments, local and other authorities and bodies, customers ~~and other persons~~ shall without any requirement

of any further act, instrument or deed become the property of the Transferee Company.

- e. With effect from the Appointed Date, all liabilities, provisions, duties and obligations including Income Tax and other statutory liabilities, if any, of every kind, nature and description of the Transferor Company whether provided for or not in the books of accounts of the Transferor Company shall devolve and shall stand transferred or be deemed to be transferred without any further act or deed, to the Transferee Company with effect from the Appointed Date and shall be the liabilities, provisions, duties and obligations of the Transferee Company.

- f. All the assets/undertaking of the Transferor Company as on the Appointed Date and all the assets/undertaking of the Transferor Company, if any, acquired by the Transferor Company after the Appointed Date but prior to the Effective Date, shall also without any further act, instrument or deed stand transferred to or be deemed to have been transferred to the Transferee Company upon the Scheme coming into effect.

- g. For avoidance of doubt, upon the Scheme coming into effect, all the rights, title, interest and claims of the Transferor Company in any leasehold properties, if any, including all the leases, of the Transferor Company shall without any further act or deed, be transferred to and vested in or be deemed to have been transferred to and vested in the Transferee Company and it shall be presumed that the same were executed by the Transferee Company.
- h. For avoidance of doubt and without prejudice to the generality of the foregoing, it is clarified that upon the Scheme coming into effect, all consents, permissions, licenses, quotas, liberties, special status, certificates, clearances, authorities, powers of attorney and all other benefits and privileges enjoyed or conferred upon or held or availed of by the Transferor Company or issued to or executed in favor of the Transferor Company shall stand transferred to the Transferee Company as if the same were originally given by, issued to or executed in favor of the Transferee Company and the Transferee Company shall be bound by the terms thereof, the obligations and duties thereunder and the rights and benefits under the same shall be available to the Transferee Company and shall remain valid, effective and enforceable on the same terms and conditions.

- i. To the extent there are inter-corporate loans, liabilities, duties, debts and claims (including receivables), if any, due or which may hereafter become due, between the Transferor Company and the Transferee Company or vice versa, the obligations in respect thereof shall come to an end on the Scheme coming into effect and a corresponding suitable effect shall be given in the books of accounts and records of the Transferee Company and if required, the reduction/cancellation of such loans, debts and claims (including receivables) shall be reflected in the books of accounts and records of the Transferee Company. For removal of doubts, it is hereby clarified that from the Appointed Date, there would be no accrual of interest or other charges in respect of such loans, liabilities, duties, debts and claims (including receivables), due or which may hereafter become due, between the Transferee Company on the one hand and the Transferor Company on the other hand.

- j. With effect from the Appointed Date and upon the scheme becoming effective, all debts, liabilities, guarantees, indemnities, contingent liabilities, disputed liabilities, duties and obligations of every kind, nature, description, whether or not secured, whether provided for or not provided for in the books of accounts and/ or whether disclosed or

undisclosed in the financial statements of the Transferor Company shall stand transferred or deemed to have been transferred without any further act, instrument or deed to the Transferee Company, pursuant to the provisions of Section 230-232 and other applicable provisions of the Act, so as to become as and from the Appointed Date, the debts, liabilities, guarantees, indemnities, contingent liabilities, disputed liabilities, duties and obligations of the Transferee Company and the Transferee Company shall, and undertakes to, meet, discharge and satisfy the same. It is hereby clarified that it shall not be necessary to obtain any consent of third party or other person who is a party to the contract or arrangements by virtue of which such debts, liabilities etc. have arisen, in order to give effect to the provisions of this Clause.

- k. Where any such debts, loans raised, liabilities, duties and obligations of the Undertaking as on the Appointed Date have been discharged or satisfied by the Transferor Company after the Appointed Date and prior to the Effective Date, such discharge or satisfaction shall be deemed to be for and on account of the Transferee Company.
- l. The transfer and vesting of the entire business and undertaking of the Transferor Company as aforesaid shall be subject to the existing

securities, mortgages, charges, hypothecation, encumbrances or liens, if any, subsisting over or in respect of the property and assets or any part thereof of the Transferor Company.

- m. All the existing securities, mortgages, charges, encumbrances or liens (the "Encumbrances"), if any, as on the Appointed Date and created by the Transferor Company after the Appointed Date, over the assets comprised in the Undertaking or any part thereof shall be transferred to the Transferee Company by virtue of this Scheme and in so far as such Encumbrances secure or relate to liabilities of the Transferor Company, the same shall, after the Effective Date, continue to relate and attach to such assets or any part thereof to which they are related or attached prior to the Effective Date and as are transferred to the Transferee Company, and such Encumbrances shall not relate or attach to any of the other assets of the Transferee Company.
- n. Any loans, advances and other facilities sanctioned to the Transferor Company by their bankers, financial institutions etc. from the Appointed Date till the Effective Date, which are partly drawn or utilized shall be deemed to be the loans and advances sanctioned to the Transferee Company and the said loans and advances shall be drawn and utilized

either partly or fully by the Transferor Company and all the loans, advances and other facilities so drawn by the Transferor Company (within the overall limits sanctioned by their bankers and financial institutions) shall on the Effective Date be treated as loans, advances and other facilities made available to the Transferee Company and all the obligations of the Transferor Company under any loan agreement shall be construed and shall become the obligation of the Transferee Company without any further act or deed on the part of the Transferee Company.

- o. All pending tax assessment proceedings/ suits/ appeals and/ or other pending proceedings of whatsoever nature by or against the Transferor Company shall not abate, be discontinued or in any way prejudicially affected by reason of the merger of the Transferor Company or of anything contained in the Scheme but the proceedings shall continue and any prosecution shall be enforced by or against the Transferee Company in the same manner and to the same extent as would or might have been continued, prosecuted and/or enforced by or against the Transferor Company, as if the Scheme had not been made.
- p. Any tax liabilities under the Income Tax Act, 1961 or other applicable laws or regulations dealing with taxes (whether in the form of duties,

cesses, fees, levies or by whatever name called) allocable or related to the business of the Transferor Company to the extent not provided for or covered by tax provision in the accounts made as on the date immediately preceding the Appointed Date shall be transferred to the Transferee Company. Any surplus in the provision for such taxes (including advance tax and tax deducted at source) as on the date immediately preceding the Appointed Date shall also be transferred to the account of the Transferee Company.

- q. All taxes (direct or indirect) including income tax, minimum alternate tax, service tax, sales tax, Goods and Services Tax and all other statutory taxes, if any, paid or payable by the Transferor Company on or before the Appointed Date shall be on account of the Transferor Company, and in so far as it relates to the payment of taxes after the Appointed Date, such taxes shall be deemed to be the corresponding tax paid by the Transferee Company and shall, in all proceedings, be dealt with accordingly.
- r. Any refunds, input credits, benefits, incentives, grants, subsidies, deductions, claims, etc. under the Income Tax Act, 1961, the Goods and Services Tax Act, 2017 or other applicable laws or regulations dealing with taxes allocable or related to the business of the Transferor

Company and due to the Transferor Company consequent to the assessment made on the Transferor Company and for which no credit is taken in the accounts as on the date immediately preceding the Appointed Date, shall also belong to and be received by the Transferee Company.

- s. All taxes, benefits of any nature, duties, cesses or any other like payments or deductions available to Transferor Company under Income Tax, Sales tax, Service tax, Goods and Services tax etc. or any tax deduction/ collection at source, tax credits, benefits of CENVAT credits, benefits of input credits relating to the period after the Appointed Date up to the Effective date shall be deemed to have been on account of or paid by the Transferee Company and the relevant authorities shall be bound to transfer to the account of and give credit for the same to Transferee Company upon the passing of the orders on this Scheme by the Hon'ble NCLT. The benefit of all taxes paid including minimum alternate tax under Income Tax Act, unabsorbed depreciation, carry forward of losses as well as set-off of losses thereof shall be available to the Transferee Company as would have been available to the Transferor Company upon the sanction of the scheme by the Hon'ble NCLT.

- t. Upon the Scheme becoming effective, the Transferee Company is expressly permitted to revise their respective financial statements and returns along with prescribed forms, filings and annexure under the relevant labour laws, Income tax, sales tax including value added tax, service tax, Goods and Services Tax and other applicable tax laws, and to claim refunds and/ or credits for dues and/ or taxes paid and/ or depreciation benefits, if any, as may be required consequent to implementation of this Scheme.

3. CONTRACTS, DEEDS, BONDS AND OTHER INSTRUMENTS

- a. Subject to the other provisions of this Scheme, all contracts, deeds, bonds, agreements, arrangements and other instruments of whatsoever nature (including all tenancies, leases, licenses and other assurances in favour of any of the Transferor Company or powers or authorities granted by or to any of the Transferor Company), to which any of the Transferor Company is the party, subsisting or having effect immediately before or after the Effective date, shall remain in full force and effect against or in favor of the Transferee Company and may be enforced as fully and effectually, as if the Transferee Company had been a party thereto.

- b. The transfer of the assets and liabilities of the Transferor Company to the Transferee Company and the continuance of all the contracts or legal proceedings by or against the Transferee Company shall not affect any contract or proceedings relating to the assets or the liabilities already concluded by any of the Transferor Company on or after the Appointed Date.
- c. Without prejudice to the other provisions of this Scheme and notwithstanding the fact that vesting of the Undertaking occurs by virtue of this Scheme itself, the Transferee Company may, at any time after coming into effect of this Scheme in accordance with the provisions hereof, if so required, under any law or otherwise, execute deeds of confirmation in favor of the secured creditors of the Transferor Company or in favor of any other party to any contract or arrangement to which any of the Transferor Company is the party or any writings as may be necessary to be executed in order to give formal effect to the above provisions. The Transferee Company shall under the provisions of this Scheme be deemed to be authorised to execute any such writings on behalf of the Transferor Company and to implement and carry out all such formalities or compliance referred to above on the part/behalf of the Transferor Company to be carried out or performed.

- d. Any inter-se contracts between the Transferor Company and the Transferee Company shall stand adjusted and vest in the Transferee Company upon the sanction of the Scheme and upon the Scheme becoming effective. Report adopted by the Board of Directors of Rama Steel Tubes Limited (“the Company”) on the Draft Scheme of Amalgamation (Merger by Absorption) (“Scheme”) of Lepakshi Tubes Private Limited (“Transferor Company”) with Rama Steel Tubes Limited (“Transferee Company”) and their respective shareholders pursuant to the provisions of Section 232(2)(c) of the Companies Act, 2013.

1. Background:

i. A Meeting of the Board of Directors (‘Board’) of **Rama Steel Tubes Limited** (“the Transferee Company” or “RSTL”) is proposed to be held on February 14, 2022 to approved the Scheme of Amalgamation (Merger by absorption) of the **Lepakshi Tubes Private Limited** with Company to be implemented as per the terms specified in the scheme.

ii. The provisions of Section 232(2)(c) of Companies Act, 2013 requires the Board of Directors to adopt a report explaining the effect of the Scheme of Merger (By Absorption) on each class of Shareholders, Key Managerial Personnel, Promoters and non-promoter Shareholders and the same is required to be appended with the Notice of the Meeting of Shareholders. This report of the Board is made in order to comply with the requirements of Section 232(2)(c) of Companies Act, 2013.

iii. This report is made by the Board after perusing inter alia the following necessary documents (‘Documents’):

- a) Draft Scheme of Merger (By Absorption) initialled by the Director for the purposes of identification.
- b) Memorandum of Association and Articles of Association of the Transferor and Transferee Company.
- c) Audited accounts of the Transferor and Transferee Company as on 31st March, 2021

2. BOARD REPORT

Based on review of the Draft Scheme of Merger (By Absorption) and the above-mentioned documents, the Board has formed the opinion that:

i. Since the Company is a Holding Company of LTPL and the entire paid up share capital of the LTPL is held by the Company and its nominee, as a result of the proposed Merger (By Absorption), the shares of the LTPL held by Company will stand cancelled and there shall be no issuance of shares or payment of any consideration by Company to the shareholders of the LTPL.

ii. As the entire undertaking of the LTPL shall stand transferred to Company, the rights and interests of the shareholders and / or the creditors of the Company shall not be affected and the Scheme shall also not be prejudicial to the interest of the shareholders and / or creditors of the Company.

iii. The proposed Merger (By Absorption) would inter alia have the following benefits:

Yakta

- (i) It will enable more economic and efficient management, control and running of the businesses of the companies concerned.
- (ii) In general, the business of both, the Company and LTPL, will be carried on more profitably under the Scheme and the Scheme will contribute in furthering and fulfilling the objects of both the Company and LTPL.
- (iii) The proposed amalgamation and vesting of the LTPL into Company, with effect from the Appointed Date, is in the interest of the shareholders, creditors, stakeholders and employees, of both the companies, as it would enable a focused business approach for the maximization of benefits to all stakeholders.
- iv. Since there shall be no payment of consideration or issuance of shares by RSTL, the proposed Scheme of Merger (By Absorption) does not entitle the Promoter/Promoter Group, related parties of the Promoter/Promoter Group, associates of the Promoter/Promoter Group, subsidiaries of the Promoter/Promoter Group to any additional shares or any special benefits.
- v. The effect of the proposed Scheme of Amalgamation on the stakeholders of the Company would be as follows:

Effect of the Scheme on:

a	Shareholders	No impact since wholly owned subsidiary of Transferee Company
b	key managerial personnel (KMP)	No impact
c	Directors	No impact
d	Promoters	No impact
e	non-promoter members	Not applicable since wholly owned subsidiary of Transferee Company
f	Depositors	No impact
g	Creditors	Creditors if any shall become Creditors of Transferee Company
h	debenture holders	No impact since company have no debenture holders
i	deposit trustee and debenture trustee	No impact
j	employees of the Company	No impact

vi. In the opinion of the Board, the said scheme will be of advantage and beneficial to the Company, its Shareholders, Creditors and other Stakeholders and the terms thereof are fair and reasonable. It is for these reasons that the Board of Directors of the Company approved the Scheme at their meeting held on February 14, 2022

STANDALONE FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To the Members of
RAMA STEEL TUBES LIMITED
Report on the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of RAMA STEEL TUBES LIMITED ("the Company"), which comprise the balance sheet as at March 31, 2021, and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and profits, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together

with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Emphasis of Matter

We draw your attention to Note 52 to the standalone financial statements which explains the uncertainties and the management's assessment of the financial impact due to the lock-downs and other restrictions and conditions related to the COVID -19 pandemic situation. As per the management's current assessment, there is no significant impact on carrying amounts of inventories, tangible assets, trade receivables, investments and other financial assets is expected, and management continue to monitor changes in future economic conditions. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
<p>1. Related Party Transactions'</p> <p>The Company has entered into several transactions with related parties during the year 2020-21. We identified related party transactions as a key audit matter because of risks with respect to completeness of disclosures made in the standalone financial statements including recoverability thereof; compliance with statutory regulations governing relate party relationships such as the Companies Act, 2013 and SEBI Regulations and the judgement involved in assessing whether transactions with related parties are undertaken at arms' length. Refer Note 48 to the standalone financial statements.</p>	<p>Our audit procedures on related party transactions included:</p> <ul style="list-style-type: none"> Assessed the key controls to identify and disclose related party relationships and transactions in accordance with the relevant accounting standard. Assessed compliances with the listing regulations and the regulations under Companies Act, 2013 including checking of approvals/scrutiny as specified in Sections 177 and 188 of the Companies Act, 2013 with respect to the related party transactions. Considered the adequacy and appropriateness of the disclosures in the standalone financial statements, including recoverability thereof, relating to the related party transactions.

	<ul style="list-style-type: none"> • Inspected relevant ledgers, agreements and other information that may indicate the existence of related party relationships or transactions. Further, we also tested completeness of related parties with reference to the various registers maintained by the company statutorily. • On a sample basis, tested Company's assessment of related party transactions for arms' length pricing.
<p>2. Provisions and contingent liabilities in relation to tax positions</p> <p>Company has received outstanding demands and show cause notices from various tax authorities.</p> <p>The Management have made judgements relating to the likelihood of an obligation arising and whether there is a need to recognize a provision or disclose a contingent liability. We therefore focused on this area as a result of uncertainty and potential material impact.</p> <p>Refer Note 41 to the standalone financial statements.</p>	<p>We have involved our tax experts to gain an understanding of the current status of the tax cases and monitored changes in the disputes by reading external opinions received by the company if any, where relevant to establish that the tax provisions had been appropriately adjusted to reflect the latest external developments.</p> <p>For Legal, regulatory and tax matters our procedures included the following:</p> <ul style="list-style-type: none"> ▶ Testing key controls surrounding litigation, regulatory and tax procedures. ▶ Performing substantive procedures on the underlying calculations supporting the provisions recorded. ▶ Where relevant, reading external legal opinions obtained by the management ▶ Discussing open matters with the litigation, regulator, general counsel and tax teams ▶ Assessing management's conclusions through understanding precedents set in similar cases. <p>Based on the evidence obtained, while noting the inherent uncertainty with such legal, regulatory and tax matters, we determined the level of provisioning and disclosure of contingent liabilities as at March 31,2021 to be appropriate.</p>

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other

information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information and if we conclude that there is a material misstatement therein, we will communicate the matter to those charged with governance and take necessary action as per applicable laws and regulations.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these

standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors' are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

(a) Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

(b) As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- (c) Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonable knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.
- (d) We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- (e) We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- (f) From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report

because the adverse consequences of doing so would be reasonably expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Rama Steel Tubes Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of RAMA STEEL TUBES LIMITED ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company

based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence obtained by us are sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the

transactions and dispositions of the assets of the company;

- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting

to future periods are subject to the risk that the internal financial control over financial reporting may be come in adequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

1. Corporate Information

Rama Steel Tubes Limited ("the Company") is limited Company domiciled in India and incorporated on February 26, 1974 under the provisions of the Company Act, 1956 having its registered office at B-5, 3rd Floor, Main Road, Ghazipur, New Delhi-110096. The Company is a public company listed on the Bombay Stock Exchange (BSE) and National Stock Exchange (NSE). The Company is engaged in the business of manufacturing of Steel Pipes and related products. The Company's manufacturing facilities are located at Sahibabad, District Ghaziabad in Uttar Pradesh and Khopoli, District Raigarh in Maharashtra.

2. Basis of preparation of financial statements & Use of estimates

2.1 Basis of Preparation of financial Statements

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

2.2 Statement of compliance

The financial statements have been prepared in accordance with Indian Accounting Standard (Ind AS) notified under the Companies (Indian Accounting

Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013.

2.3 Use of estimates

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates, judgements and assumptions. These estimate, judgements and assumptions affect the application of accounting sheet date is classified as capital advances under other noncurrent assets and the cost of Property, Plant and Equipment not available for use before such date are disclosed under 'Capital work-in-progress' policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed in Note 4. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of the changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements,

3. Significant Accounting Policies

3.1 Basis of Measurement

These standalone financial statements have been prepared under the historical cost except for the following assets and liabilities which have been measured at fair value: . The standalone financial statements are presented in Indian Rupees (₹), which is the Company's functional and presentation currency and all amounts are rounded to the nearest Lakh and two decimals thereof, except as stated otherwise.

3.2 Investment in Joint Venture

Interests in joint venture are accounted for using the equity method, after initially being recognised at cost in the standalone balance sheet. When the Group transacts with a joint venture, profits and losses from transactions with the joint venture are recognised in the balance sheet of Group only to the extent of interests in the joint venture that are not related to the Group.

The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the joint venture since the acquisition date. Goodwill relating to the joint venture is included in the carrying amount of the investment.

The Standalone Statement of Profit and Loss reflects the Group's share of the results of operations of the joint venture. Any change in OCI of those investees is presented as part of the Group's OCI. In addition, when there has been a change recognised directly in the equity of the joint venture, the Group recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Group and the joint venture are eliminated to the extent of the interest in the associate/joint venture. The aggregate of the Group's share of profit or loss of joint venture is shown on the face of the Standalone Statement of Profit and Loss.

After application of the equity method, the Group determines whether it is necessary to recognise an impairment loss on its investment in its joint venture. At each reporting date, the Group determines whether there is objective evidence that the investment in the joint venture is impaired. If there is such evidence, the Group calculates the amount of impairment as the difference between the recoverable amount of the joint venture and its carrying value, and then recognises the loss as 'Share of Profit of joint venture' in the Consolidated Statement of Profit & Loss.

Upon loss of significant influence over the joint venture, the Group measures and recognises any

retained investment at its fair value. Any difference between the carrying amount of the joint venture upon loss of significant and the fair value of the retained investment and proceeds from disposal is recognised in the Standalone Statement of Profit & Loss.

3.3 Property, Plant and Equipment (PPE)

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises of the purchase price (net of GST credits / duty credits wherever applicable) and all direct costs attributable to bringing the asset to its working condition for intended use and includes the borrowing costs for qualifying assets and the initial estimate of restoration cost if the recognition criteria is met. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred. Software and licences which are integral part of the PPE are capitalised along with respective PPE. An item of property, plant & equipment is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss on the date of disposal or retirement. Capital work-in-progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date. Advances paid towards the acquisition of property, plant and equipment outstanding at each balance of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognised for the asset in prior years. A reversal of impairment loss is recognised immediately in Statement of Profit and Loss.

3.4 Depreciation and Amortisation

- i Depreciation on the property, plant and equipment is provided over the useful life of assets which is coincide with the life specified in Schedule II to the Companies Act, 2013. The range of useful lives of the Property, Plant and Equipment are as follows:

Property, Plant & Equipment	Useful lives in Years
Plant & equipment	8- 15
Building	5- 60
Office equipment	5
Vehicles	8-10
Furniture & fixtures	10
Computers	3- 6

The depreciation has been provided based on the useful life of assets specified in Schedule II to the Companies Act, 2013 on straight line method. The useful lives of assets as mentioned above is on their single shift basis, if an asset is used for any time during the year for double shift, the depreciation will increase by 50% for that period and in case of triple shift the depreciation shall be calculated on the basis of 100% for that period.

- ii Property, plant and equipment (PPE) which are added/ disposed- of during the year, depreciation is provided on pro-rata basis from (up- to) the date on which the PPE is available for use (disposed-of).
- iii Assets residual values and useful lives are reviewed at each financial year end considering the physical condition of the assets and benchmarking analysis or whenever there are indicators for review of residual value and useful life adjusted prospectively, if appropriate. Freehold land is not depreciated. Lease hold land is amortised over the period of lease.
- iv Free-hold land are not subject to amortisation.

3.5 Impairment of non-financial assets

Property, plant and equipment and other non-financial assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs. If such assets are considered to be impaired, the impairment to be recognised in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognised for the asset in prior years. A reversal of impairment loss is recognised immediately in Statement of Profit and Loss.

3.6 Cash and cash equivalents

Cash and cash equivalents includes cash on hand and at bank, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments. The cash flow statement has been prepared under the indirect method as set out in Indian Accounting Standard (IND AS) 7 statement of cash flows.

3.7 Inventories

Inventories are carried in the balance sheet as follows:

Raw material, Stores & Spares At lower of cost or net realisable value, cost includes cost of purchases and other cost incurred in bringing the inventories to their present location and condition.

Work-in Progress At lower of cost of material plus appropriate production overheads or net realisable value.

Finished Goods At lower of cost of materials plus production overheads and excise duty (wherever applicable) or net realisable value.

Purchased Goods in transit Valued at cost.

The cost of inventories comprises of cost of purchase, cost of conversion and other related costs incurred in bringing the inventories to their respective present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

3.8 Employee benefits

Expenses and liabilities in respect of employee benefits are recorded in accordance with Ind-AS 19 – Employee Benefits.

a) Defined contribution plan

- (i) Provident Fund: Contribution to the provident fund with the government at pre-determined rates is a defined contribution scheme and is charged to the statement of Profit and Loss. There are no other obligations other than contribution to PF Schemes
- (ii) National pension scheme : Contribution to national pension scheme with the at predetermined rates is a defined contribution scheme and is charged to the statement of Profit and Loss when employees have rendered services entitling them to such benefit

b) **Defined benefit plan Gratuity** : The Company provides for gratuity, a defined benefit retirement plan ('the Gratuity Plan') covering eligible employees. The Gratuity Plan provides a lumpsum payment to vested employees at retirement, death, or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the Company. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each balance sheet date using the projected unit credit method. The company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability/ (asset) are recognised in other comprehensive income. The actual return of the portfolio of plan assets, in excess of the yields computed by applying the discount rate used to measure the defined benefit obligations is recognised in Other Comprehensive Income. The effect of any plan amendments are recognised in net profits in the Statement of Profit and Loss.

c) **Long term employee benefits:** Provisions for other long term employee benefits-compensated absences, a defined benefit scheme, is made on the basis of actuarial valuation at the end of each financial year and are charged to the statement of profit and loss. All actuarial gains or losses are recognised immediately in the statement of profit and loss.

d) **Other Short-term employee benefits:** All employee benefits payable wholly within twelve months rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc.and the expected cost of bonus, ex-gratia are recognised during the period in which the employee renders related service.

3.9 Foreign currency reinstatement and translation

Initial Recognition:

On initial recognition, transactions in foreign currencies entered into by the Group are recorded in the Functional currency (i.e. Indian Rupees), by applying to the Foreign currency amount, the spot exchange rate between the Functional currency and the Foreign currency at the date of transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the Standalone Statement of Profit and Loss.

Measurement of Foreign currency Items at reporting date:

Foreign currency monetary items of the Group are translated at the closing exchange rates. Non-monetary items that are measured at historical cost in a Foreign currency, are translated using the exchange rate at the date of the translation. Non-monetary items that are measured at fair value in a foreign currency, are translated using the exchange rates at the date when the fair value is measured.

Exchange differences arising out of these translations are recognised in the Standalone Statement of Profit and Loss.

3.10 Leases

As a lessee The Company's lease asset classes primarily consist of leases for land. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset. At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for

leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised. The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

3.11 Financial instruments

Initial recognition: The Company recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognised at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss, are added to or deducted from the fair value on initial recognition

Subsequent measurement:

- i Financial assets carried at amortised cost:** A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- ii Financial assets carried at fair value through other comprehensive income:** A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- iii Financial assets at fair value through profit or loss:** A financial asset which is not classified in any of (i) & (ii) above categories are subsequently fair valued through profit or loss.
- v Financial Liabilities:** Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

De-recognition

The company de-recognises of financial assets when the contractual rights to receive cash flows from the financial asset expire or transfer the financial asset and transfer qualifies for de-recognition under IND AS 109. A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. The difference between the carrying amount of

a financial liability that has been extinguished is recognised in profit or loss as other income.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

3.12 Derivative financial instruments

The Company uses derivative financial instruments, such as forward contracts to hedge its foreign currency exposure. The recognizing of the resulting gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, on the nature of the item being hedged. Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss.

3.13 Borrowing costs

- a) Borrowing costs that are attributable to the acquisition, construction, or production of a qualifying asset are capitalised as a part of the cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale.
- b) All other borrowing costs are recognised as expense in the period in which they are incurred.

3.14 Taxation

- i Income tax expense represents the sum of current tax and deferred tax. Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised directly in equity or other comprehensive income.
- ii Current tax provision is computed on Income

calculated after considering allowances and exemptions under the provisions of the applicable Income Tax Laws.

- iii Provision for current income taxes and advance taxes paid are presented in the balance sheet after offsetting them on an assessment year basis.
- iv Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit and are accounted for using the Balance Sheet approach for all taxable temporary differences to the extent that it is probable that future taxable profits will be available. Deferred tax assets and liabilities are measured at the applicable tax rates and tax laws those are enacted or substantively enacted. Deferred tax assets and deferred tax liabilities are off set, and presented on net basis. The carrying amount of deferred tax is reviewed at each balance sheet date. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

3.15 Revenue recognition and other income

- a) Revenue from the sale of goods and services are measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts, rebates and incentives etc. Sales exclude Goods and Service Tax.
- b) Revenue from the sale of goods is recognised, when all the significant risks and rewards of ownership of the goods have passed to the buyer, the amount of revenue can be measured reliably and no significant uncertainty exists regarding the amount of Consideration that will be derived from the sales of goods.

- c) Revenue from Services is recognised as per terms of the contract with customers based on stage of completion when the outcome of the transaction involving rendering of services can be estimated reliably.
- d) Export benefits are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same and there is reasonable assurance that the Company will comply with the conditions attached to them.
- e) Other Income Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

3.16 Government grants / Assistance

Government grants/Assistance recognised where there is reasonable assurance that the same will be received and all eligibility criterias are met out If the grants/assistance are related to subvention of a particular expense, it is deducted form that expense in the year of recognition of government grant / Assistance.

3.17 Dividend Distribution

Annual dividend distribution to the shareholders is recognised as a liability in the period in which the dividends are approved by the shareholders. Any interim dividend paid is recognised on approval by Board of Directors. Dividend payable and corresponding tax on dividend distribution is recognised directly in equity.

3.18 Fair Value measurement

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the

asset or transfer the liability takes place either: In the principal market for the asset or liability, or In the absence of a principal market, in the most advantageous market for the asset or liability The principal or the most advantageous market must be accessible by the Company. The fair value of an asset ora liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole: Level 1: Quoted (unadjusted) prices in active markets for identical assets and liabilities Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable either directly or indirectly Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data. For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. For the purpose of fair

value disclosures, the Company has determined classes of assets & liabilities on the basis of the nature, characteristics and the risks of the asset or liability and the level of the fair value hierarchy as explained above.

3.19 Earnings per share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

3.20 Provisions

- a) **Provisions** Provisions (excluding employee benefits) are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.
- b) **Contingencies** Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain

future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognised. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

3.21 Research and development costs

Research costs are expensed as incurred. Development expenditures on an individual project are recognised as an intangible asset when the Company can demonstrate:

- a) The technical feasibility of completing the intangible asset so that the asset will be available for use or sale.
- b) Its intention to complete and its ability and intention to use or sell the asset
- c) How the asset will generate future economic benefits
- d) The availability of resources to complete the asset
- e) The ability to measure reliably the expenditure during development

Following initial recognition of the development expenditure as an asset, the asset is carried at cost less any accumulated amortisation and accumulated impairment losses. Amortisation of the asset begins when development is complete and the asset is available for use. It is amortised over the period of expected future benefit. Amortisation expense is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

4. Critical accounting estimates, assumptions and judgements

In the process of applying the Company's accounting policies, management has made the following estimates, assumptions and judgements, which have significant effect on the amounts recognised in the financial statement:

- a) Property, plant and equipment - Useful lives of assets The Company reviews the useful life of assets at the end of each reporting period. This reassessment may result in change in depreciation expenses in future periods.
- b) Warranties The Company generally offers Warranties for its consumer products and the liability towards warranty related costs are recognized in the year of sales or service provided to the customers. Management ascertain and measure the liability for warranty claims based on historical experience and trend. The assumptions made in relation to current year are consistent of those are in prior years.
- c) Provision and Contingencies A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Contingent liabilities are disclosed in the notes. Contingent assets are not recognised in the financial statements.

33. FINANCIAL RISK MANAGEMENT

Financial Risk Factors

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company has loan and other receivables, trade and other receivables, and cash and short terms deposits that arise directly from its operations. The Company's activities expose it to a variety of financial risks.

i) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risks: currency rate risk, interest rate risk and other price risks such as equity price risk and commodity risk. Financials instruments affected by market risk includes loans and borrowings, deposits, investments. Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchanges rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This is based on the financial assets and financial liabilities held as of March 31, 2021 and March 31, 2020.

ii) Credit Risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

iii) Liquidity Risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Company's financial performance.

Market Risk

The sensitivity analysis excludes the impact of movements in market variables on the carrying value of post employment benefit obligations provisions and on the non-financial assets and liabilities. The sensitivity of the relevant statement of Profit and Loss item is the effect of the assumed changes in the respective market risks. The Company's activities expose it to a variety of financial risks, including the effects of changes in foreign currency exchange rates and interest rates. However, such effect is not material.

(a) Foreign exchange risk and sensitivity

The company transacts business primarily in Indian Rupee. The company is exposed to foreign exchange risk through its sales in international markets. The company has given unsecured loan to its wholly owned subsidiary company and has foreign currency receivables and is therefore, exposed to foreign exchange risk. The company evaluates foreign currency exposure time to time and follow established risk management policies by taking foreign exchange forward contracts to hedge exposure of foreign currency risk and also some of the foreign currency exposure remains naturally hedged. The Following table analyses foreign currency risk from financial instruments as of March 31, 2021 and March 31, 2020 :-

(₹ in Lakhs)

Particulars	Currency	As at March 31, 2021	As at March 31, 2020

(b) Interest rate risk and sensitivity

The Company does not have any borrowings on which the interest risk and Sensitivity arises.

Interest rate

The below table demonstrates the borrowings of fixed and floating rate of interest:-

(₹ in Lakhs)

Particulars	Total Borrowings	Floating rate borrowings	Fixed rate borrowings	Weighted average interest rate

Total as at 31 March, 2020	6,921.05	6,817.55	92.15	9.60%

(c) Commodity price risk and sensitivity

The company is exposed to the movement in price of key raw materials in domestic markets. The Company enters into contracts for procurement of material most of the transactions are short term fixed price contract.

Credit Risk

The Company is exposed to credit risk from its operating activities (primarily trade receivables). Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the

Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly. The Company considers the probability of default upon initial recognition of assets and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk, the company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forward-looking information.

Cash and Cash Equivalents, Deposit in Banks and other Financial instruments

The Company considers factors such as track record, size of the institution, market reputation and service standards to select the banks with which balances and deposits are maintained. Generally, the balances are maintained with the institutions with which the Company has also availed borrowings. The Company does not maintain significant cash and deposit balances other than those required for its day to day operations. For other financial assets the company monitors ratings, credit spreads and financial strengths of its counterparties. Based on its ongoing assessment of the counter party's risk, the company adjust its exposures to various counter parties. Based on the assessment there is no impairment in other financial assets.

Liquidity Risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's finance department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

Capital Risk Management

For the purposes of the Company's capital management, capital includes issued capital and all other equity reserves. The primary objective of the Company's Capital Management is to maximize shareholder value. The company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of the financial covenants. In order to achieve this overall objective, the Company's capital management, amongst

other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches of the financial covenants of any interest bearing loans and borrowing for reported periods.

Further the company monitors capital using gearing ratio, which is total debt divided by total capital plus debt, as under :-

Fair Value Hierarchy

The company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the assets or transfer the liability takes place either:

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:-

1. Level 1: Quoted prices/ NAV for Identical instruments in an active market.
2. Level 2: Directly or indirectly observable market inputs, other than level 1 inputs; and

3. Level 3: Inputs which are not based on observable market data.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Fair Value Technique

- 1) The carrying amounts of trade receivables, trade payables and cash and cash equivalents are considered to be the same as their fair values due to their short term nature.
- 2) The fair value of security deposit given was calculated based on cash flows discounted using the current lending rate. They are classified as a level 2 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.
- 3) For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

The following table provides the fair value measurement hierarchy of Company's asset and liabilities, grouped into level 1 to Level 2 as described below:-

VII. Sensitivity Analysis:-

For the year ended March 31, 2021

(₹ in Lakhs)

Particulars	Change in Assumption	Effect on Gratuity obligation	Effect on compensated absence obligation
Discount rate	0.50%	-2.89	-0.35
	-0.50%	3.15	0.38
Salary Growth rate	0.50%	3.16	0.38
	-0.50%	-2.93	-0.35
Withdrawal rate*	-	-	-

* Sensitivities due to mortality & withdrawals are not material & hence impact of change due to these not calculated.

For the year ended March 31, 2020

(₹ in Lakhs)

Particulars	Change in Assumption	Effect on Gratuity obligation	Effect on compensated absence obligation
Discount rate	0.50%	-2.89	-0.35
	-0.50%	3.15	0.38
Salary Growth rate	0.50%	3.16	0.38
	-0.50%	-2.93	-0.35
Withdrawal rate	-	-	-

The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (projected unit credit method) has been applied as when calculating the defined benefit obligation recognised within the Balance Sheet.

50. Prior period income booked amounting to ₹ 73.63 Lakhs has been reversed and the same has been treated retrospectively by restating the financial statement of FY 2019-2020 for the comparison purpose according to Ind AS 8' Accounting Policies, Changes in Accounting Estimates and Errors'.

51. The company has practice of getting balance confirmations from its Debtor, Creditor and other parties on annual basis. However, the confirmations of balances as on 31.03.2021 with respect to certain parties could not be received

due to current situation of pandemic COVID-19 thereby the Government of various states have imposed lockdown along with several restrictions, which is still going on, hence to that extent the balances have been taken as per book balances in the absence of balance confirmations. As and when the confirmations with respect to the balances are received, the reconciliation would be made and the adjustments, if any, on this account would be recorded in the books of account.

- 52.** The Company has evaluated the impact of COVID pandemic on the operations of the Company, revenue, inventories, investments, property, plant & equipment, current borrowings and trade payables. The management has considered the possible effects, if any, on the carrying amounts of these assets and liabilities up to the date of approval of these results. As per the management's current assessment, no significant impact on carrying amounts of inventories, tangible assets, trade receivables, investments and other financial assets is expected, and management continue to monitor changes in future economic conditions. The company values its inventory of finished goods at lower of cost and Net realisable value. The Net realisable value of all the inventories of the company is higher than their cost based on subsequent sales taken place till date and their present market prices. Hence there is no impairment risk in the inventory.
- 53.** Previous year figures have been regrouped/ rearranged, wherever considered necessary to conform to current year's classification.
- 54.** Notes 1 to 52 are annexed to and form an integral part of financial statements.

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To the Members of
RAMA STEEL TUBES LIMITED
Report on the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of RAMA STEEL TUBES LIMITED ("hereinafter referred to as "the Holding Company"), its subsidiaries and associates (the Holding Company, its subsidiaries and associates together referred to as "the Group") which comprise the balance sheet as at March 31, 2021, and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Group as at March 31, 2021, and profits, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics

issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Emphasis of Matter

We draw your attention to Note 52 to the consolidated financial statements which explains the uncertainties and the management's assessment of the financial impact due to the lock-downs and other restrictions and conditions related to the COVID -19 pandemic situation. As per the management's current assessment, there is no significant impact on carrying amounts of inventories, tangible assets, trade receivables, investments and other financial assets is expected, and management continue to monitor changes in future economic conditions. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
<p>1. Related Party Transactions</p> <p>The Company has entered into several transactions with related parties during the year 2020-21. We identified related party transactions as a key audit matter because of risks with respect to completeness of disclosures made in the consolidated financial statements including recoverability thereof; compliance with statutory regulations governing relate party relationships such as the Companies Act, 2013 and SEBI Regulations and the judgement involved in assessing whether transactions with related parties are undertaken at arms' length.</p> <p>Refer Note 48 to the consolidated financial statements.</p>	<p>Our audit procedures on related party transactions included:</p> <ul style="list-style-type: none"> Assessed the key controls to identify and disclose related party relationships and transactions in accordance with the relevant accounting standard. Assessed compliances with the listing regulations and the regulations under Companies Act, 2013 including checking of approvals/scrutiny as specified in Sections 177 and 188 of the Companies Act, 2013 with respect to the related party transactions. Considered the adequacy and appropriateness of the disclosures in the consolidated financial statements, including recoverability thereof, relating to the related party transactions.

	<ul style="list-style-type: none"> Inspected relevant ledgers, agreements and other information that may indicate the existence of related party relationships or transactions. Further, we also tested completeness of related parties with reference to the various registers maintained by the company statutorily. On a sample basis, tested Company's assessment of related party transactions for arms' length pricing.
<p>2. Provisions and contingent liabilities in relation to tax positions</p> <p>Company has received outstanding demands and show cause notices from various tax authorities.</p> <p>The Management have made judgements relating to the likelihood of an obligation arising and whether there is a need to recognize a provision or disclose a contingent liability. We therefore focused on this area as a result of uncertainty and potential material impact.</p> <p>Refer Note 41 to the consolidated financial statements.</p>	<p>We have involved our tax experts to gain an understanding of the current status of the tax cases and monitored changes in the disputes by reading external opinions received by the company if any, where relevant to establish that the tax provisions had been appropriately adjusted to reflect the latest external developments.</p> <p>For Legal, regulatory and tax matters our procedures included the following:</p> <ul style="list-style-type: none"> ▶ Testing key controls surrounding litigation, regulatory and tax procedures. ▶ Performing substantive procedures on the underlying calculations supporting the provisions recorded. ▶ Where relevant, reading external legal opinions obtained by the management ▶ Discussing open matters with the litigation, regulator, general counsel and tax teams ▶ Assessing management's conclusions through understanding precedents set in similar cases. <p>Based on the evidence obtained, while noting the inherent uncertainty with such legal, regulatory and tax matters, we determined the level of provisioning and disclosure of contingent liabilities as at March 31,2021 to be appropriate.</p>

Information other than the Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated

financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information. We are required to report the fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's management and Board of

Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

The respective management and Board of Directors of the companies included in the group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the companies included in the Group are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an

auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw

attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements, of which we are the independent auditors. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entity included in the consolidated financial statements, which has been audited by other auditor, such other auditor remains responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para of the section titled 'Other Matters' in this audit report.

We believe that the audit evidence obtained by us along with the consideration of audit report of the other auditor referred to in "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including

any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would be reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial results of M/s Pir Panchal Construction Private Limited, Joint Venture, Jammu whose total revenue of ₹1326.56 Lakhs and ₹4276.59 Lakhs for the quarter and year ended March 31, 2021 respectively and total profit after tax including OCI of ₹14.45 Lakhs and ₹561.74 Lakhs for the quarter and year ended March 31, 2021 respectively. Our share in net profits of ₹3.62 Lakhs and ₹140.44 Lakhs for the quarter and year ended March 31, 2021 respectively is included in the standalone audited financial results. These financial results are unaudited and have been furnished to us by the management and our opinion and conclusion on the statement, in so far as it relates to the amounts included in respect to these joint venture is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Board of Directors, these financial statements are not material to the company.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on

our audit and on the consideration of report of the other auditor on separate financial statements of such subsidiary as was audited by other auditor, as noted in the 'Other Matters' paragraph, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books, returns and the reports of the other auditor.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other consolidated comprehensive income), Consolidated Statement of Changes in Equity and the consolidated statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors of the Holding Company as on 31 March 2021 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies, none of the directors of the Group companies are disqualified as on 31 March 2021 from being appointed as a director in terms of section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Group has disclosed the impact of pending litigations on its financial position in its consolidated financial statements.
 - ii. The Group is not required to make any provision, as required under the applicable law or accounting standards, for material foreseeable losses on long-term contracts including derivative contracts.
 - iii. The Group is not required to transfer any amount to the Investor Education and Protection Fund.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Rama Steel Tubes Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

In conjunction with our audit of the consolidated financial statements of Rama Steel Tubes Limited (hereinafter referred to as "the Holding Company") as of and for the year ended 31 March 2021, we have audited the internal financial controls with reference to consolidated financial statements of the Holding Company and such other companies which are its subsidiary companies, as of that date.

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company and such other companies which are its subsidiary companies, have, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The respective company's management and board of directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and

efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the auditor of the subsidiaries (which are incorporated in India) and associates, in terms of their report referred to in other matters paragraph

below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting of the Holding company and its subsidiaries (which are incorporated in India) and associates .

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may be come in adequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

2. Basis of preparation of financial statements & Use of estimates

2.1 Basis of Preparation of financial Statements

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. Accounting policies have

been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

2.2 Statement of compliance

The financial statements have been prepared in accordance with Indian Accounting Standard (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013.

2.3 Use of estimates

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates, judgements and assumptions. These estimate, judgements and assumptions affect the application of accounting sheet date is classified as capital advances under other noncurrent assets and the cost of Property, Plant and Equipment not available for use before such date are disclosed under 'Capital work-in-progress' policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed in Note 4. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of the changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements.

3. Significant Accounting Policies

3.1 Basis of Measurement

These consolidated financial statements have been prepared under the historical cost except for the following assets and liabilities which have been measured at fair value: The consolidated financial statements are presented in Indian Rupees (₹), which is the Company's functional and presentation currency and all amounts are rounded to the nearest Lakh and two decimals thereof, except as stated otherwise.

3.2 Basis of Consolidation

The consolidated financial statements comprise the financial statements of the Company, its subsidiaries and associate. Control is achieved when the Group is exposed , or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group Controls on investee if and only if the Group has :

- Power over the investee (i.e. existing rights that gave it the current ability to direct the relevant activities of the investee);
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns.

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:-

- a) The Contractual arrangement with the other vote holders of the investee;
- b) The rights arising from other contractual arrangements;

- d) The size of the Group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders.

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed off during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that member's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies.

An associate is an entity over which the Group has significant influence i.e. power to participate in the financial and operating policy decisions of the investee but no control or joint control over those policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company i.e. year ended 31 March. When the end of the reporting period of the parent is different from that of a subsidiary / associate, the subsidiary/ associate prepares for consolidation purposes, additional financial information as of the same date as the financial statements of the parent to enable the parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

Subsidiary:

- a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date;
- b) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill and
- c) Eliminate in full intragroup assets and liability, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Ind AS 12 "Income Taxes" applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

Profit or loss and each component of Other Comprehensive Income ("OCI") are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- Derecognises the assets (including goodwill) and liabilities of the subsidiary;
- Derecognises the carrying amount of any non-controlling interests;
- Derecognises the cumulative translation differences recorded in equity;
- Recognises the fair value of the consideration received;

- Recognises the fair value of any investment retained;
- Recognises any surplus or deficit in Consolidated Statement of Profit and Loss;
- Reclassifies the parent's share of components previously recognised in OCI to profit or loss or retained earnings, as appropriate, as would be required if the Group had directly disposed of the related assets or liabilities.

Associates / Joint Venture:

Interests in associates/joint venture are accounted for using the equity method, after initially being recognised at cost in the consolidated balance sheet. When a member of the Group transacts with an associate of the Group, profits and losses from transactions with the associate/joint venture are recognised in the CFS only to the extent of interests in the associate/joint venture that are not related to the Group.

The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the associate since the acquisition date. Goodwill relating to the associate is included in the carrying amount of the investment.

The Consolidated Statement of Profit and Loss reflects the Group's share of the results of operations of the associate/joint venture. Any change in OCI of those investees is presented as part of the Group's OCI. In addition, when there has been a change recognised directly in the equity of the associate/joint venture, the Group recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Group and the associate/joint venture are eliminated to the extent of the interest in the associate/joint venture. The aggregate of the Group's share of profit or loss of an associate/joint venture is shown on the face of the Consolidated Statement of Profit and Loss.

After application of the equity method, the Group determines whether it is necessary to recognise an impairment loss on its investment in its associate / joint venture. At each

reporting date, the Group determines whether there is objective evidence that the investment in the associate is impaired. If there is such evidence, the Group calculates the amount of impairment as the difference between the recoverable amount of the associate / joint venture and its carrying value, and then recognises the loss as 'Share of Profit of an associate /joint venture' in the Consolidated Statement of Profit & Loss.

Upon loss of significant influence over the associate /joint venture, the Group measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate /joint venture upon loss of significant and the fair value of the retained investment and proceeds from disposal is recognised in the Consolidated Statement of Profit & Loss.

3.3 Property, Plant and Equipment (PPE)

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises of the purchase price (net of GST credits / duty credits wherever applicable) and all direct costs attributable to bringing the asset to its working condition for intended use and includes the borrowing costs for qualifying assets and the initial estimate of restoration cost if the recognition criteria is met. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred. Software and licences which are integral part of the PPE are capitalised along with respective PPE. An item of property, plant & equipment is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss on the date of disposal or retirement. Capital work-in-progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date. Advances paid towards the acquisition of property, plant and equipment outstanding at each balance of profit and loss if there has been a change in the

estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognised for the asset in prior years. A reversal of impairment loss is recognised immediately in Statement of Profit and Loss.

3.4 Depreciation and Amortisation

- i Depreciation on the property, plant and equipment is provided over the useful life of assets which is coincide with the life specified in Schedule II to the Companies Act, 2013. The range of useful lives of the Property,Plant and Equipment are as follows:

Property, Plant & Equipment	Useful lives in Years
Plant & equipment	8- 15
Building	5- 60
Office equipment	5
Vehicles	8-10
Furniture & fixtures	10
Computers	3- 6

The depreciation has been provided based on the useful life of assets specified in Schedule II to the Companies Act, 2013 on straight line method. The useful lives of assets as mentioned above is on their single shift basis, if an asset is used for any time during the year for double shift, the depreciation will increase by 50% for that period and in case of triple shift the depreciation shall be calculated on the basis of 100%for that period.

- ii Property, plant and equipment (PPE) which are added/ disposed- of during the year, depreciation is provided on pro-rata basis from (up- to) the date on which the PPE is available for use (disposed-of).
- iii Assets residual values and useful lives are reviewed at each financial year end considering

the physical condition of the assets and benchmarking analysis or whenever there are indicators for review of residual value and useful life adjusted prospectively, if appropriate. Freehold land is not depreciated. Lease hold land is amortised over the period of lease.

- iv Free-hold land are not subject to amortisation.

3.5 Impairment of non-financial assets

Property, plant and equipment and other non-financial assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs. If such assets are considered to be impaired, the impairment to be recognised in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognised for the asset in prior years. A reversal of impairment loss is recognised immediately in Statement of Profit and Loss.

3.6 Cash and cash equivalents

Cash and cash equivalents includes cash on hand and at bank, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to a known amount of cash and are

subject to an insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments. The cash flow statement has been prepared under the indirect method as set out in Indian Accounting Standard (IND AS) 7 statement of cash flows.

3.7 Inventories

Inventories are carried in the balance sheet as follows:

Raw material, Stores & Spares At lower of cost or net realisable value, cost includes cost of purchases and other cost incurred in bringing the inventories to their present location and condition.

Work-in Progress At lower of cost of material plus appropriate production overheads or net realisable value.

Finished Goods At lower of cost of materials plus production overheads and excise duty (wherever applicable) or net realisable value

Purchased Goods in transit Valued at cost.

The cost of inventories comprises of cost of purchase, cost of conversion and other related costs incurred in bringing the inventories to their respective present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

3.8 Employee benefits

Expenses and liabilities in respect of employee benefits are recorded in accordance with Ind-AS 19 – Employee Benefits.

- a) **Defined contribution plan** (I) Provident Fund: Contribution to the provident fund with the government at pre-determined rates is a defined contribution scheme and is charged to the statement of Profit and Loss. There are no other obligations other than contribution to PF Schemes. (II) National pension scheme : Contribution to national pension scheme with the

at predetermined rates is a defined contribution scheme and is charged to the statement of Profit and Loss when employees have rendered services entitling them to such benefit

b) Defined benefit plan Gratuity : The Company provides for gratuity, a defined benefit retirement plan ('the Gratuity Plan') covering eligible employees. The Gratuity Plan provides a lumpsum payment to vested employees at retirement, death, or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the Company. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each balance sheet date using the projected unit credit method. The company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability/ (asset) are recognised in other comprehensive income. The actual return of the portfolio of plan assets, in excess of the yields computed by applying the discount rate used to measure the defined benefit obligations is recognised in Other Comprehensive Income. The effect of any plan amendments are recognised in net profits in the Statement of Profit and Loss.

c) Long term employee benefits: Provisions for other long term employee benefits-compensated absences, a defined benefit scheme, is made on the basis of actuarial valuation at the end of each financial year and are charged to the statement of profit and loss. All actuarial gains or losses are recognised immediately in the statement of profit and loss.

d) Other Short-term employee benefits: All employee benefits payable wholly within twelve months rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated

absences, performance incentives etc.and the expected cost of bonus, ex-gratia are recognised during the period in which the employee renders related service.

3.9 Foreign currency reinstatement and translation

Initial Recognition:

On initial recognition, transactions in foreign currencies entered into by the Group are recorded in the Functional currency (i.e. Indian Rupees), by applying to the Foreign currency amount, the spot exchange rate between the Functional currency and the Foreign currency at the date of transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the Consolidated Statement of Profit and Loss.

Measurement of Foreign currency Items at reporting date:

Foreign currency monetary items of the Group are translated at the closing exchange rates. Non-monetary items that are measured at historical cost in a Foreign currency, are translated using the exchange rate at the date of the translation. Non-monetary items that are measured at fair value in a foreign currency, are translated using the exchange rates at the date when the fair value is measured.

Exchange differences arising out of these translations are recognised in the Standalone Statement of Profit and Loss.

Translation of Financial Statements of Foreign entities:

On consolidation, the assets and liabilities of Foreign operations are translated into (Indian Rupees) at the exchange rate prevailing at the reporting date and their statement of profit and loss are translated at exchange rates prevailing at the dates of the transactions. The exchange differences arising on translation for consolidation are recognised in the Consolidated Statement of OCI. On disposal of a foreign operation, the component of OCI relating to that particular foreign operation is reclassified to

Consolidated Statement of Profit and Loss.

Any goodwill arising in the acquisition / business combination of a foreign operation on or after adoption of Ind AS 103-Business Combination, and any fair value adjustments to the carrying amounts of assets and liabilities arising on the acquisition are treated as assets and liabilities of the foreign operation and translated at the spot rate of exchange at the reporting date.

Any goodwill or fair value adjustments arising in business combinations/ acquisitions, which occurred before the date of adoption of Ind AS 103-Business Combination, are treated as assets and liabilities of the entity rather than as assets and liabilities of the foreign operations. Therefore, those assets and liabilities are non-monetary items already expressed in the functional currency of the parent and no further translation differences occur.

3.10 Leases

As a lessee The Company's lease asset classes primarily consist of leases for land. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset. At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to

extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised. The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

3.11 Financial instruments

Initial recognition: The Company recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognised at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss, are added to or deducted from the fair value on initial recognition.

Subsequent measurement:

i Financial assets carried at amortised cost: A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give

rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- ii Financial assets carried at fair value through other comprehensive income:** A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- iii Financial assets at fair value through profit or loss:** A financial asset which is not classified in any of (i) & (ii) above categories are subsequently fair valued through profit or loss.
- iv Financial Liabilities:** Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

De-recognition

The company de-recognises of financial assets when the contractual rights to receive cash flows from the financial asset expire or transfer the financial asset and transfer qualifies for de-recognition under IND AS 109. A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. The difference between the carrying amount of a financial liability that has been extinguished is recognised in profit or loss as other income.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset

the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

3.12 Derivative financial instruments

The Company uses derivative financial instruments, such as forward contracts to hedge its foreign currency exposure. The recognizing of the resulting gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, on the nature of the item being hedged. Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss.

3.13 Borrowing costs

- a) Borrowing costs that are attributable to the acquisition, construction, or production of a qualifying asset are capitalised as a part of the cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale.
- b) All other borrowing costs are recognised as expense in the period in which they are incurred.

3.14 Taxation

- i Income tax expense represents the sum of current tax and deferred tax. Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised directly in equity or other comprehensive income.
- ii Current tax provision is computed on Income calculated after considering allowances and exemptions under the provisions of the applicable Income Tax Laws.
- iii Provision for current income taxes and advance taxes paid are presented in the balance sheet after offsetting them on an assessment year basis.

- iv) Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit and are accounted for using the Balance Sheet approach for all taxable temporary differences to the extent that it is probable that future taxable profits will be available. Deferred tax assets and liabilities are measured at the applicable tax rates and tax laws those are enacted or substantively enacted. Deferred tax assets and deferred tax liabilities are off set, and presented on net basis. The carrying amount of deferred tax is reviewed at each balance sheet date. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

3.15 Revenue recognition and other income

- a) Revenue from the sale of goods and services are measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts, rebates and incentives etc. Sales exclude Goods and Service Tax.
- b) Revenue from the sale of goods is recognised, when all the significant risks and rewards of ownership of the goods have passed to the buyer, the amount of revenue can be measured reliably and no significant uncertainty exists regarding the amount of Consideration that will be derived from the sales of goods.
- c) Revenue from Services is recognised as per terms of the contract with customers based on stage of completion when the outcome of the transaction involving rendering of services can be estimated reliably.
- d) Export benefits are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same and there

- is reasonable assurance that the Company will comply with the conditions attached to them.
- e) Other Income Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

3.16 Government grants / Assistance

Government grants/Assistance recognised where there is reasonable assurance that the same will be received and all eligibility criterias are met out If the grants/assistance are related to subvention of a particular expense, it is deducted form that expense in the year of recognition of government grant / Assistance.

3.17 Dividend Distribution

Annual dividend distribution to the shareholders is recognised as a liability in the period in which the dividends are approved by the shareholders. Any interim dividend paid is recognised on approval by Board of Directors. Dividend payable and corresponding tax on dividend distribution is recognised directly in equity.

3.18 Fair Value measurement

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either: In the principal market for the asset or liability, or In the absence of a principal market, in the most advantageous market for the asset or liability The principal or the most advantageous market must be accessible by the Company. The fair value of an asset ora liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits

by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1: Quoted (unadjusted) prices in active markets for identical assets and liabilities

Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable either directly or indirectly

Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data. For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. For the purpose of fair value disclosures, the Company has determined classes of assets & liabilities on the basis of the nature, characteristics and the risks of the asset or liability and the level of the fair value hierarchy as explained above.

3.19 Earnings per share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving

basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

3.20 Provisions

a) Provisions Provisions (excluding employee benefits) are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

b) Contingencies Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognised. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

3.21 Research and development costs

Research costs are expensed as incurred. Development expenditures on an individual project are recognised as an intangible asset when the

Company can demonstrate:

- a) The technical feasibility of completing the intangible asset so that the asset will be available for use or sale.
- b) Its intention to complete and its ability and intention to use or sell the asset
- c) How the asset will generate future economic benefits
- d) The availability of resources to complete the asset
- e) The ability to measure reliably the expenditure during development

Following initial recognition of the development expenditure as an asset, the asset is carried at cost less any accumulated amortisation and accumulated impairment losses. Amortisation of the asset begins when development is complete and the asset is available for use. It is amortised over the period of expected future benefit. Amortisation expense is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

4. Critical accounting estimates, assumptions and judgements

In the process of applying the Company's accounting policies, management has made the following estimates, assumptions and judgements, which have significant effect on the amounts recognised in the financial statement:

- a) Property, plant and equipment - Useful lives of assets The Company reviews the useful life of assets at the end of each reporting period. This reassessment may result in change in depreciation expenses in future periods.
- b) Warranties The Company generally offers Warranties for its consumer products and the liability towards warranty related costs are recognized in the year of sales or service provided to the customers. Management ascertain and measure the liability for warranty claims based on historical experience and trend. The assumptions made in relation to current year are consistent of those are in prior years.
- c) Provision and Contingencies A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Contingent liabilities are disclosed in the notes. Contingent assets are not recognised in the financial statements.

33. FINANCIAL RISK MANAGEMENT

Financial Risk Factors

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company has loan and other receivables, trade and other receivables, and cash and short terms deposits that arise directly from its operations. The Company's activities expose it to a variety of financial risks.

i) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risks: currency rate risk, interest rate risk and other price risks such as equity price risk and commodity risk. Financials instruments affected by market risk includes loans and borrowings, deposits, investments. Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchanges rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This is based on the financial assets and financial liabilities held as of March 31, 2021 and March 31, 2020.

ii) Credit Risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

iii) Liquidity Risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

The Company 's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Company's financial performance.

Market Risk

The sensitivity analysis excludes the impact of movements in market variables on the carrying value of post employment benefit obligations provisions and on the non-financial assets and liabilities. The sensitivity of the relevant statement of Profit and Loss item is the effect of the assumed changes in the respective market risks. The Company's activities expose it to a variety of financial risks, including the effects of changes in foreign currency exchange rates and interest rates. However, such effect is not material.

(a) Foreign exchange risk and sensitivity

The company transacts business primarily in Indian Rupee. The company is exposed to foreign exchange risk through its sales in international markets. The company has given unsecured loan to its wholly owned subsidiary company and has foreign currency receivables and is therefore, exposed to foreign exchange risk. The company evaluates foreign currency exposure time to time and follow established risk management policies by taking foreign exchange forward contracts to hedge exposure of foreign currency risk and also some of the foreign currency exposure remains naturally hedged. The Following table analyses foreign currency risk from financial instruments as of March 31, 2021 and March 31, 2020 :-

(₹ in Lakhs)

Particulars	Currency	As at March 31, 2021	As at March 31, 2020

(b) Interest rate risk and sensitivity

The Company does not have any borrowings on which the interest risk and Sensitivity arises.

Interest rate

The below table demonstrates the borrowings of fixed and floating rate of interest:-

(₹ in Lakhs)

Particulars	Total Borrowings	Floating rate borrowings	Fixed rate borrowings	Weighted average interest rate

Total as at 31 March, 2020	8,316.70	8,026.14	92.15	9.75%

(c) Commodity price risk and sensitivity

The company is exposed to the movement in price of key raw materials in domestic markets. The Company enters into contracts for procurement of material most of the transactions are short term fixed price contract.

Credit Risk

The Company is exposed to credit risk from its operating activities (primarily trade receivables). Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly. The Company considers the probability of default upon initial recognition of assets and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk, the company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forward-looking information.

Cash and Cash Equivalents, Deposit in Banks and other Financial instruments

The Company considers factors such as track record, size of the institution, market reputation and service standards to select the banks with which balances and deposits are maintained. Generally, the balances are maintained with the institutions with which the Company has also availed borrowings. The Company does not maintain significant cash and deposit balances other than those required for its day to day operations. For other financial assets the company monitors ratings, credit spreads and financial strengths of its counterparties.

Based on its ongoing assessment of the counter party's risk, the company adjust its exposures to various counter parties. Based on the assessment there is no impairment in other financial assets.

Liquidity Risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's finance department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

Capital Risk Management

For the purposes of the Company's capital management, capital includes issued capital and all other equity reserves. The primary objective of the Company's Capital Management is to maximize shareholder value. The company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of the financial covenants. In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches of the financial covenants of any interest bearing loans and borrowing for reported periods.

Further the company monitors capital using gearing ratio, which is total debt divided by total capital plus debt. as under :-

Fair Value Hierarchy

The company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the assets or transfer the liability takes place either:

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:-

- Level 1:** Quoted prices/ NAV for Identical instruments in an active market.
- Level 2:** Directly or indirectly observable market inputs, other than level 1 inputs; and
- Level 3:** Inputs which are not based on observable market data.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Fair Value Technique

- The carrying amounts of trade receivables, trade payables and cash and cash equivalents are considered to be the same as their fair values due to their short term nature.
- The fair value of security deposit given was calculated based on cash flows discounted using the current lending rate. They are classified as a level 2 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

- 3) For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

The following table provides the fair value measurement hierarchy of Company's asset and liabilities, grouped into level 1 to Level 2 as described below:-

VI. The principal actuarial assumptions used for estimating the Company's defined benefit obligation are set out below:

(₹ in Lakhs)		
Particulars	Year ended March 31, 2021	Year ended March 31, 2020
Attrition rate	3%	3%
Discount rate	6.76	6.76
Expected rate of increase in Compensation levels	6.00	6.00
Expected rate of Return on plan Assets	NA	NA
Mortality rate	100% of IALM (2012-14)	100% of IALM (2012-14)
Expected Average remaining working lives of employees (years)	16.85	19.12

The assumptions of future salary increase takes into account the inflation, seniority, promotion and other relevant factors such as supply and demand in employment market.

VII. Sensitivity Analysis:-

For the year ended March 31, 2021

(₹ in Lakhs)			
Particulars	Change in Assumption	Effect on Gratuity obligation	Effect on compensated absence obligation
Discount rate	0.50%	-2.74	-0.47
	-0.50%	2.98	0.52
Salary Growth rate	0.50%	2.48	0.52
	-0.50%	-2.29	-0.48
Withdrawal rate*	-	-	-

* Sensitivities due to mortality & withdrawals are not material & hence impact of change due to these not calculated.

For the year ended March 31, 2020

(₹ in Lakhs)			
Particulars	Change in Assumption	Effect on Gratuity obligation	Effect on compensated absence obligation
Discount rate	0.50%	-2.98	-0.38
	-0.50%	3.25	0.42
Salary Growth rate	0.50%	3.26	0.42
	-0.50%	-3.01	-0.39
Withdrawal rate	-	-	-

The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (projected unit credit method) has been applied as when calculating the defined benefit obligation recognised within the Balance Sheet.

50. Prior period income booked amounting to ₹ 73.63 Lakhs has been reversed and the same has been treated retrospectively by restating the financial statement of FY 2019-2020 for the comparison purpose according to Ind AS 8' Accounting Policies, Changes in Accounting Estimates and Errors'.
51. The Group has practice of getting balance confirmations from its Debtor, Creditor and other parties on annual basis. However, the confirmations of balances as on 31.03.2021 with respect to certain parties could not be received due to current situation of pandemic COVID-19 thereby the Government of various states have imposed lockdown along with several restrictions, which is still going on, hence to that extent the balances have been taken as per book balances in the absence of balance confirmations.

As and when the confirmations with respect to the balances are received, the reconciliation would be made and the adjustments, if any, on this account would be recorded in the books of account.

52. The Group has evaluated the impact of COVID pandemic on the operations of the Company, revenue, inventories, investments, property, plant & equipment, current borrowings and trade payables. The management has considered the possible effects, if any, on the carrying amounts of these assets and liabilities up to the date of approval of these results. As per the management's current assessment, no significant impact on carrying amounts of inventories, tangible assets, trade receivables, investments and other financial assets is expected, and management continue to monitor changes in future economic conditions. The Group values its inventory of finished goods at lower of cost and Net realisable value. The Net realisable value of all the inventories of the Group is higher than their cost based on subsequent sales taken place till date and their present market prices. Hence there is no impairment risk in the inventory.
53. Previous year figures have been regrouped/ rearranged, wherever considered necessary to conform to current year's classification.
54. Notes 1 to 52 are annexed to and form an integral part of financial statements.
