Review Report

The Board of Directors
Embassy Office Parks Management Services Private Limited ("the Manager")
(Acting in its capacity as the Manager of Embassy Office Parks REIT)

1st Floor, Embassy Point
150, Infantry Road
Bengaluru -560001

Introduction

- 1. We have reviewed the accompanying unaudited condensed standalone interim Ind AS financial statements of Embassy Office Parks REIT (the "REIT") which comprise the unaudited condensed standalone balance sheet as at September 30, 2021, the unaudited condensed statement of Profit and Loss, including other comprehensive income and unaudited condensed statement of Cash Flows for the quarter and half year ended September 30, 2021, the unaudited condensed statement of changes in Unitholders equity for the half year ended September 30, 2021 and the Statement of Net Assets at fair value as at September 30, 2021 and the Statement of Total Returns at fair value and the Statement of Net Distributable Cash Flows of the REIT for the half year ended September 30, 2021 and a summary of the significant accounting policies and select explanatory information (together hereinafter referred to as the "Condensed Standalone Interim Ind AS Financial Statements") being submitted by the REIT pursuant to the requirements of Regulation 23 of the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014, as amended including any guidelines and circulars issued thereunder ("REIT Regulations").
- 2. The Condensed Standalone Interim Ind AS Financial Statements are the responsibility of the Manager and has been approved by the Board of Directors of the Manager. The Condensed Standalone Interim Ind AS Financial Statements are prepared in accordance with the requirements of Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the REIT Regulations. Our responsibility is to issue a conclusion on the Condensed Standalone Interim Ind AS Financial Statements based on our review.

Scope of Review

3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Condensed Standalone Interim Ind AS Financial Statements are free of material misstatement. A review consists of making inquiries, primarily of Manager personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

S.R. BATLIBOI & ASSOCIATES LLP Chartered Accountants

Conclusion

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Condensed Standalone Interim Ind AS Financial Statements have not been prepared in all material respects in accordance with the requirements of Ind AS 34, as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the REIT Regulations.

Condensed Standalone Financial Statements

Disclosure pursuant to SEBI circular No. CIR/IMD/DF/146/2016

(all amounts in Rs. million unless otherwise stated)

A) Statement of Net Assets at fair value

S.No	Particulars	Unit of measurement	As at 30 Septemb	er 2021	As at 31 March	2021
			Book value	Fair value	Book value	Fair value
A	Assets	Rs in millions	350,313.92	444,282.43	349,391.38	438,653.91
В	Liabilities	Rs in millions	88,995.71	88,995.71	83,812.16	83,812.16
C	Net Assets (A-B)	Rs in millions	261,318.21	355,286.72	265,579.22	354,841.75
D	No. of units	Numbers	947,893,743	947,893,743	947,893,743	947,893,743
E	NAV (C/D)	Rs	275.68	374.82	280.18	374.35

Notes

1) Measurement of fair values

The fair value of investments in SPVs are computed basis the fair value of the underlying investment property, investment property under development, property, plant and equipment and capital work-inprogress as at 30 September 2021 and as at 31 March 2021 along with book values of other assets and liabilities accounted in the respective SPV financial statements as at 30 September 2021 and as at 31 March 2021. The fair value of the properties has been determined by independent external property valuers appointed under Regulation 21 of REIT regulations, having appropriately recognised professional qualifications and recent experience in the location and category of the properties being valued.

The fair value measurement for all the investment property, investment property under development, property plant and equipment and capital work-in-progress has been categorized as a Level 3 fair value based on the inputs to the valuation technique used.

The valuers have followed a Discounted Cash Flow method. The valuation model considers the present value of net cash flows to be generated from the respective properties, taking into account the expected rental growth rate, vacancy period, occupancy rate, average room rent, lease incentive costs and blended tariff rates. The expected net cash flows are discounted using the risk adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location (primary vs secondary), tenant credit quality and lease terms.

Given the COVID-19 related uncertainties, the independent valuers have, as a precautionary measure, referenced material valuation uncertainty in arriving at their valuation as at 30 September 2021 and as at 31 March 2021.

2) Break up of Net asset value

Particulars	As at	As at
	30 September 2021	31 March 2021
Fair value of investments in SPVs	437,909.08	431,475.99
Add: Other assets	6,373.35	7,177.92
Less: Liabilities	(88,995.71)	(83,812.16)
Net Assets	355,286.72	354,841.75

3) The Trust holds investment in SPVs which in turn hold the properties. Hence, the breakup of property wise fair values has been disclosed in the Condensed Consolidated financial Statements.

B) Statement of Total Returns at fair value

S.No	Particulars	For the half year ended 30 September 2021	For the half year ended 31 March 2021	For the half year ended 30 September 2020	For the year ended 31 March 2021

_	Net Distributable Cash Flows	5,368.15	5,349.64	10,717.79

Notes:

1 The Board of Directors of the Manager to the Trust, in their meeting held on 29 October 2021, have declared distribution to Unitholders of Rs.5.66 per unit which aggregates to Rs.5,365.08 million for the quarter ended 30 September 2021. The distributions of Rs.5.66 per unit comprises Rs.1.14 per unit in the form of interest payment, Rs.2.54 per unit in the form of dividend and the balance Rs.1.98 per unit in the form of amortization of SPV debt.

Along with distribution of Rs.5,346.12 million/ Rs.5.64 per unit for the quarter ended 30 June 2021, the cumulative distribution for the half year ended 30 September 2021 aggregates to Rs.10,711.20 million/ Rs. 11.30 per unit.

- 2 Interest accrued but not due on borrowings as at the quarter end are not considered for the purpose of distributions.
- 3 NDCF for the quarter and for the half year ended 30 September 2021 and for the quarter ended 30 June 2021 is computed in accordance with the revised NDCF framework. The Manager has made certain clarificatory amendments to the NDCF framework under the Distribution Policy to ensure that there is no ambiguity in computing the NDCF at Embassy REIT and SPV/Holdco level. The amended framework is approved by a special majority in the Unitholder's Meeting held on 08 July 2021 and is effective from 1 April 2021.

Private Limited ('GLSP')	located at Bengaluru	MPPL: 50% (from 10 March 2021, refer note 35),
		EOPPL: 50% (upto 10 March 2021, refer note 35)

Notes to the Condensed Standalone Financial Statements

(all amounts in Rs. million unless otherwise stated)

2 Significant accounting policies

2.1 Basis of preparation of Condensed Standalone Financial Statements

The Interim Condensed Standalone Financial Statements (hereinafter referred to as the 'Condensed Standalone Financial Statements') of the Trust comprises the Standalone Balance Sheet and the Statement of Net Assets at fair value as at 30 September 2021, the Standalone Statement of Profit and Loss, including other comprehensive income, the Standalone Statement of Cash Flows, the Statement of Net Distributable Cashflows for the quarter and half year ended 30 September 2021, the Standalone Statement of Changes in Unitholder's Equity, the Statement of Total Returns at fair value and the summary of significant accounting policies and select explanatory information for the half year ended 30 September 2021. The Condensed Standalone Financial Statements were approved for issue in accordance with resolution passed by the Board of Directors of the Manager on behalf of the Trust on 29 October 2021.

The Condensed Standalone Financial Statements have been prepared in accordance with the requirements of SEBI (Real Estate Investment Trusts) Regulations, 2014 as amended from time to time including any guidelines and circulars issued there under read with SEBI Circular No. CIR/IMD/DF/146/2016 dated 29 December 2016 (the "REIT regulations"); Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the REIT regulations. Also refer Note 11(a) on classification of Unitholders fund.

Embassy Office Parks REIT has prepared Condensed Standalone Financial Statements which comply with Ind AS applicable for period ended 30 September 2021, together with the comparative period data as at and for the year ended 31 March 2021, as described in the summary of significant accounting policies.

The Condensed Standalone Financial Statements are presented in Indian Rupees in Millions, except when otherwise indicated.

Statement of compliance to Ind-AS

These Condensed Standalone Financial Statements for the period ended 30 September 2021 are the financial statements of the Embassy Office Parks REIT and have been prepared in accordance with Indian Accounting Standards (Ind AS) 34 "Interim Financial Reporting" as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended), to the extent not inconsistent with REIT regulations.

2.2 Summary of significant accounting policies

a) Functional and presentation currency

The Condensed Standalone Financial Statements are presented in Indian Rupees, which is the Embassy Office Parks REIT's functional currency and the currency of the primary economic environment in which the Embassy Office Parks REIT operates. All financial information presented in Indian Rupees has been rounded off to nearest million except unit and per unit data.

b) Basis of measurement

The Condensed Standalone Financial Statements are prepared on the historical cost basis, except for the following:

- Certain financial assets and liabilities (refer accounting policy regarding financial instrument): measured at fair values

c) Use of judgments and estimates

The preparation of Condensed Standalone Financial Statements in conformity with generally accepted accounting principles in India (Ind AS) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Actual results could differ from those estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected

Information about critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the Condensed Standalone Financial Statements is included in the following notes:

- i) Classification of lease arrangements as finance lease or operating lease Note 2.2 (m)
- ii) Classification of Unitholders' funds Note 11(a)

Information about assumptions and estimation uncertainties that have a significant risk resulting in a material adjustment are included in the following notes -

- i) Valuation of financial instruments Refer Note 2.2 (h)
- ii) Recognition of deferred tax asset on carried forward losses and recognition of minimum alternate tax credit: availability of future taxable profit against which tax losses carried forward can be used- Note 2.2(q) (ii)
- iii) Estimation of uncertainties relating to the global health pandemic from COVID-19 $\,$

The Trust has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of its investments in SPVs including loans and other receivables. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Trust, as at the date of approval of these Condensed Standalone Financial Statements has used internal and external sources of information including reports from International Property Consultants and related information, economic forecasts and consensus estimates from market sources on the expected future performance of the Trust. The Trust has performed sensitivity analysis on the assumptions used and based on current estimates expects the carrying amount of these assets as reflected in the balance sheet as at 30 September 2021 will be recovered. The impact of COVID-19 on the Trust's Condensed Standalone Financial Statements.

iv) Impairment of investments and loans in subsidiaries

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The recoverable amounts for the investments in subsidiaries are based on value in use of the underlying properties. The value in use calculation is based on discounted cash flow model. The key assumptions used to determine the recoverable amount are disclosed and further explained in Note 3.

d) Current versus non-current classification

The Embassy Office Parks REIT presents assets and liabilities in the Condensed Standalone Balance Sheet based on current/non-current classification:

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Embassy Office Parks REIT classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Embassy Office Parks REIT has identified twelve months as its operating cycle.

The Trust has net current liabilities of Rs.37,357.32 million as at 30 September 2021 mainly due to the maturity of Embassy REIT Series I, Non-Convertible debentures (NCD) 2019, in November 2021. Subsequent to the period ended 30 September 2021, the Trust has issued Series V Non-Convertible debentures (NCD) 2021 amounting to Rs.31,000 million on 18 October 2021 and through its subsidiary, namely MPPL, has raised a term loan facility of Rs.15,000 million from a bank, to refinance the current maturities of Series I NCD 2019. Based on the Trust's liquidity position including undrawn borrowing facilities as well as a low leverage of 24% net debt to Gross Asset Value, Management is of the opinion that the Trust will be able to refinance its borrowings and meet its current obligations as and when they fall due.

Notes to the Condensed Standalone Financial Statements

(all amounts in Rs. million unless otherwise stated)

2 Significant accounting policies (continued)

e) Measurement of fair values

A number of the Embassy Office Parks REIT accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability; or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Embassy Office Parks REIT. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Embassy Office Parks REIT uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

The Embassy Office Parks REIT has an established control framework with respect to the measurement of fair values. The Embassy Office Parks REIT engages with external valuers for measurement of fair values in the absence of quoted prices in active markets.

While measuring the fair value of an asset or liability, the Embassy Office Parks REIT uses market observable data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on inputs used in the valuation techniques as follows-

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- · Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

When measuring the fair value of an asset or a liability, the Embassy Office Parks REIT uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The REIT recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

f) Impairment of non-financial assets

The Embassy Office Parks REIT assesses, at each reporting date, whether there is an indication that a non-financial asset other than inventories and deferred tax assets may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Embassy Office Parks REIT estimates the asset's recoverable amount.

An impairment loss is recognised in the Standalone Statement of Profit and Loss if the carrying amount of an asset or its cash-generating unit (CGU) exceeds its recoverable unit. Impairment loss recognised in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU on a pro rata basis. A CGU is the smallest identifiable asset REIT that generates cash flows that are largely independent from other assets and REITs. Impairment losses are recognised in the Standalone Statement of Profit and Loss, unless it reverses previous revaluation credited to equity, in which case it is charged to equity.

An asset's recoverable amount is the higher of an asset's or CGU's fair value less costs of disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or CGU.

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss in respect of goodwill is not subsequently reversed. In respect of other assets, such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation, if no impairment loss had been recognised.

g) Foreign currency transactions

Transactions in foreign currencies are translated into the respective functional currencies of Embassy Office Parks REIT's entities at the exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction.

Exchange differences arising on foreign exchange transactions settled and from translations during the period/year are recognised in the Standalone Statement of Profit and Loss of the period/year except exchange differences arising from the translation of the items which are recognised in OCI.

h) Financial instruments

i) Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Embassy Office Parks REIT becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit or loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

ii) Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- Amortised cost;
- Fair value through other comprehensive income (FVOCI)- debt instrument;
- Fair value through other comprehensive income (FVOCI)- equity instrument; or
- Fair value through profit or loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Embassy Office Parks REIT changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of the principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of the principal and interest on the principal amount outstanding.

On initial recognition of an equity instrument that is not held for trading, the Embassy Office Parks REIT may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment by investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Embassy Office Parks REIT may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI or at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Notes to the Condensed Standalone Financial Statements

(all amounts in Rs. million unless otherwise stated)

2 Significant accounting policies (continued)

h) Financial instruments (continued)

Financial assets: Business model assessment

The Embassy Office Parks REIT makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to the Management. The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether Management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realising cash flows through the sale of the assets;
- how the performance of the portfolio is evaluated and reported to the Embassy Office Parks REIT's Management;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- how managers of the business are compensated e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Embassy Office Parks REIT's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest

For the purpose of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Embassy Office Parks REIT considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Embassy Office Parks REIT considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Embassy Office Parks REIT's claim to cash flows from specified assets (e.g. non recourse features)

A prepayment feature is consistent with the solely payment of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.
	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.
	These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in profit or loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to profit or loss.
	These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit and loss. Any gain or loss on derecognition is also recognised in profit and loss.

iii) Derecognition

Financial assets

The Embassy Office Parks REIT derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Embassy Office Parks REIT neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Embassy Office Parks REIT enters into transactions whereby it transfers assets recognised in its Standalone Balance Sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Embassy Office Parks REIT derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired.

The Embassy Office Parks REIT also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit and loss.

iv) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the Standalone Balance Sheet when, and only when, the Embassy Office Parks REIT currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

Notes to the Condensed Standalone Financial Statements

(all amounts in Rs. million unless otherwise stated)

2 Significant accounting policies (continued)

h) Financial instruments (continued)

i) Compound financial instruments

The liability component of a compound financial instrument is initially recognised at the fair value of a similar liability that does not have an equity conversion option. The equity component is initially recognised at the difference between the fair value of the compound financial instrument as a whole and the fair value of the liability component. Any directly attributable transaction costs are allocated to the liability and equity components in proportion to their initial carrying amounts.

Subsequent to initial recognition, the liability component of a compound financial instrument is measured at amortised cost using the effective interest method. The equity component of a compound financial instrument is not measured subsequently.

Interest related to the financial liability is recognised in profit or loss (unless it qualifies for inclusion in cost of asset). In case of conversion at maturity, the financial liability is reclassified to equity and no gain or loss is recognised.

j) Impairment of financial assets

Financial assets

The Embassy Office Parks REIT recognises loss allowances for expected credit losses on:

- financial assets measured at amortised cost: and
- financial assets measured at FVTOCI- debt investments

At each reporting date, the Embassy Office Parks REIT assesses whether financial assets carried at amortised cost and debt securities at FVTOCI are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer
- a breach of contract such as a default or being past due for 180 days or more
- the restructuring of a loan or advance by the Embassy Office Parks REIT on terms that the Embassy Office Parks REIT would not consider otherwise
- it is probable that the borrower will enter bankruptcy or other financial reorganisation or
- the disappearance of an active market for a security because of financial difficulties

The Embassy Office Parks REIT measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- debt securities that are determined to have low credit risk at the reporting date; and
- other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses.

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Embassy Office Parks REIT is exposed to credit risk

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Embassy Office Parks REIT considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Embassy Office Parks REIT's historical experience and informed credit assessment and including forward-looking information.

The Embassy Office Parks REIT assumes that the credit risk on a financial asset has increased significantly if it is more than 30 days past due.

The Embassy Office Parks REIT considers a financial asset to be default when:

- the borrower is unlikely to pay its credit obligations to the Embassy Office Parks REIT in full, without recourse by the Embassy Office Parks REIT to actions such as realising security (if any is held); or
- the financial asset is $180\ \mathrm{days}$ or more past due without any security

Measurement of expected credit losses: Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Embassy Office Parks REIT and the cash flows that the Embassy Office Parks REIT expects to receive).

Presentation of allowance for expected credit losses in the balance sheet: Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets. For debt securities at FVTOCI, the loss allowance is charged to profit and loss account and is recognised in OCI.

Write-off: The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Embassy Office Parks REIT determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Embassy Office Parks REIT's procedures for recovery of amounts due.

Majority of the financial assets of the Embassy Office Parks REIT pertains to loans to subsidiaries and other receivables. Considering the nature of business, the Embassy Office Parks REIT does not foresee any credit risk on its loans and other receivables which may cause an impairment. Also, Embassy Office Parks REIT does not have any past history of significant impairment of loans and other receivables.

k) Embedded derivatives

When the Embassy Office Parks REIT becomes a party to a hybrid contract with a host that is not an asset within the scope of Ind AS 109 Financial Instruments, it identifies whether there is an embedded derivative. Embedded derivatives are separated from the host contract and accounted for separately if the host contract is not a financial asset and certain criteria are met.

l) Financial guarantee contracts

Financial guarantee contracts are recognised as a financial liability at the time the guarantee is issued. The liability is initially measured at fair value and subsequently at the higher of the amount determined in accordance with Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets and the amount initially recognised less cumulative amortisation, where appropriate.

The fair value of financial guarantees is determined as the present value of the difference in net cash flows between the contractual payments under the debt instrument and the payments that would be required without the guarantee, or the estimated amount that would be payable to a third party for assuming the obligations.

When guarantees in relation to loans or other payables of subsidiaries or associates are provided for no compensation, the fair values are accounted as contributions and recognised as part of the cost of investment.

Notes to the Condensed Standalone Financial Statements

(all amounts in Rs. million unless otherwise stated)

2 Significant accounting policies (continued)

m) Leases

Embassy Office Parks REIT as a lessee

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Embassy Office Parks REIT recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability, adjusted for any lease payments made at or before the commencement date, less any lease incentives received, plus any initial direct costs incurred and an estimate of the costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located.

The right-of-use assets is subsequently measured at cost less accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets are depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the incremental borrowing rate applicable to the entity within the Embassy Office Parks REIT. Generally, the Embassy Office Parks REIT uses its incremental borrowing rate as the discount rate. For leases with reasonably similar characteristics, the Embassy Office Parks REIT, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole.

The Embassy Office Parks REIT recognises the amount of the re-measurement of lease liability as an adjustment to the right-of-use asset. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Embassy Office Parks REIT recognises any remaining amount of the re-measurement in statement of profit and loss.

The Embassy Office Parks REIT has elected not to recognise right-of-use assets and lease liabilities for short-term leases of all assets that have a lease term of 12 months or less and lease of low-value assets. The Embassy Office Parks REIT recognizes the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Embassy Office Parks REIT as a lessor

I. Determining whether an arrangement contains a lease

At inception of an arrangement, it is determined whether the arrangement is or contains a lease. At inception or on reassessment of the arrangement that contains a lease, the payments and other consideration required by such an arrangement are separated into those for other elements on the basis of their relative fair values. If it is concluded for a finance lease that it is impracticable to separate the payments reliably, then an asset and a liability are recognised at an amount equal to the fair value of the underlying asset. The liability is reduced as payments are made and an imputed finance cost on the liability is recognised using the incremental borrowing rate.

ii Assets held under leases

Leases in which the Embassy Office Parks REIT does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Embassy Office Parks REIT to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Embassy Office Parks REIT's net investment in the leases.

iii. Initial direct costs

Initial direct costs such as brokerage expenses incurred specifically to earn revenues from an operating lease are capitalised to the carrying amount of leased asset and recognised over the lease term on the same basis as rental income.

n) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. This inter alia involves discounting of the consideration due to the present value if payment extends beyond normal credit terms.

Revenue is recognised when recovery of the consideration is probable and the amount of revenue can be measured reliably.

Recognition of dividend income, interest income

Dividend income is recognised in profit or loss on the date on which the Embassy Office Parks REIT's right to receive payment is established.

Interest income is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset.

In calculating interest income, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired). However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

o) Investments in subsidiaries and joint ventures

The Trust accounts for its investments in subsidiaries and joint ventures at cost less accumulated impairment losses (if any) in its Condensed Standalone Financial Statements. Investments accounted for at cost are accounted for in accordance with Ind AS 105, Non-current Assets Held for Sale and Discontinued Operations, when they are classified as held for sale.

p) Borrowing costs

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

Interest expense is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments through the expected life of the financial instrument to the amortised cost of the financial liability. In calculating interest expense, the effective interest rate is applied to the amortised cost of the liability.

q) Taxation

Income tax comprises current and deferred tax. Income tax expense is recognised in the Standalone Statement of Profit and Loss except to the extent it relates to items directly recognised in equity or in other comprehensive income.

(i) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the period/year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Notes to the Condensed Standalone Financial Statements

(all amounts in Rs. million unless otherwise stated)

2 Significant accounting policies (continued)

q) Taxation (continued)

(ii) Deferred tax:

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

- Temporary differences arising on the initial recognition of assets and liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction;
- Taxable temporary differences arising on initial recognition of goodwill.

Deferred income tax asset are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Embassy Office Parks REIT recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised.

Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/reduced to the extent that it is probable/no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the tax rate (and tax laws) that have been enacted or substantively enacted at the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Embassy Office Parks REIT expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax assets and liabilities, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

Tax impact of timing difference which arise during the tax holiday period are recognised only to the extent of those differences which are reversed after the tax holiday period.

r) Provisions and contingencies

The Embassy Office Parks REIT recognises a provision when there is a present obligation (legal or constructive) as a result of a past obligating event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation transposed policy and the probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

If the effect of the time value of money is material, provisions are discounted.

s) Operating segments

The objectives of Embassy REIT are to undertake activities in accordance with the provisions of the SEBI REIT Regulations and the Trust Deed. The principal activity of Embassy REIT is to own and invest in rent or income generating real estate and related assets in India.

The Board of Directors of the Manager allocate the resources and assess the performance of the Trust, thus are the Chief Operating Decision Maker (CODM). In accordance with the requirements of Ind AS 108 - "Segment Reporting", the CODM monitors the operating results of the business as a single segment, hence no separate segment needs to be disclosed. As the Embassy Office Parks REIT operates only in India, hence no separate geographical segment is disclosed.

t) Errors and estimates

The Embassy Office Parks REIT revises its accounting policies if the change is required due to a change in Ind AS or if the change will provide more relevant and reliable information to the users of the financial statements. Changes in accounting policies are applied retrospectively.

A change in an accounting estimate that results in changes in the carrying amounts of recognised assets or liabilities or to profit or loss is applied prospectively in the period(s) of change. Discovery of errors results in revisions retrospectively by restating the comparative amounts of assets, liabilities and equity of the earliest prior period in which the error is discovered. The opening balances of the earliest period presented are also restated.

u) Cash and cash equivalents

Cash and cash equivalents in the Standalone Balance Sheet comprises of cash at banks and on hand, deposits held at call with bank or financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value

v) Cash distributions to Unitholders

The Embassy Office Parks REIT recognizes a liability to make cash distributions to unitholders when the distribution is authorized, and a legal obligation has been created. As per the REIT Regulations, a distribution is authorized when it is approved by the Board of Directors of the Manager. A corresponding amount is recognized directly in equity.

w) Statement of Cash flows

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Embassy Office Parks REIT are segregated.

For the purpose of the Statement of Cash Flow, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Embassy Office Parks REIT's cash management.

x) Earnings per unit

The basic earnings per unit is computed by dividing the net profit/ (loss) attributable to the unitholders of the REIT by the weighted average number of units outstanding during the reporting period. The number of units used in computing diluted earnings/ (loss) per unit comprises the weighted average units considered for deriving basic earnings/ (loss) per unit and also the weighted average number of units which could have been issued on the conversion of all dilutive potential units.

Dilutive potential units are deemed converted as of the beginning of the reporting date, unless they have been issued at a later date. In computing diluted earnings per unit, only potential equity units that are dilutive and which either reduces earnings per share or increase loss per units are included.

y) Earnings before finance costs, impairment loss and income tax

The Embassy Office Parks REIT has elected to present earnings before finance cost, impairment loss and income tax as a separate line item on the face of the Standalone Statement of Profit and Loss. The Embassy Office Parks REIT measures earnings before finance cost, impairment loss and income tax on the basis of profit/ (loss) from continuing operations. In its measurement, the Embassy Office Parks REIT does not include finance costs, impairment loss and tax expense.

Embassy Office Parks REIT RN: IN/REIT/17-18/0001 Notes to the Condensed Standalone Financial Statements (all amounts in Rs. million unless otherwise stated)

2 Significant accounting policies (continued)

z) Distribution Policy

Under the provisions of the REIT Regulations, Embassy Office Parks REIT is required to distribute to the Unitholders not less than ninety percent of the net distributable cash flows ('NDCF') of Embassy Office Parks REIT and the current policy of the Manager is to comply with such requirement. The NDCF is calculated in accordance with the REIT Regulations and in the manner provided in the NDCF framework defined by the Manager. The Manager has made certain clarificatory amendments to the NDCF framework under the Distribution Policy to ensure that there is no ambiguity in computing the NDCF at Embassy REIT and SPV/Holdco level. The amended framework is approved by a special majority in the Unitholder's Meeting held on 08 July 2021 and is effective from 1 April 2021.

In terms of the REIT Regulations and NDCF framework which prescribes for the minimum amount of NDCF to be distributed to Embassy Office Parks REIT:

- not less than 90% of the NDCF of the SPVs are required to be distributed to the Embassy Office Parks REIT, in proportion to its shareholding in the SPV, subject to applicable provisions of the Companies Act, 2013.
- 100% of the cash flows received by the Holding Company from the underlying SPVs are required to be distributed to the Embassy Office Parks REIT, and not less than 90% of the NDCF generated by the Holding Company on its own shall be distributed to the Embassy Office Parks REIT, subject to applicable provisions of the Companies Act, 2013.
- The aforesaid net distributable cash flows are made available to Embassy Office Parks REIT in the form of (i) interest paid on Shareholder Debt provided by Embassy Office Parks REIT to the SPV's/Holding Company, (ii) Principal repayment of Shareholder Debt, (iii) dividend declared by the SPVs/Holding Company and received by Embassy Office Parks REIT and (iv) Proceeds from sale of any Embassy REIT assets.

Since Embassy Office Parks REIT endeavours to quarterly distributions, any shortfall as regards minimum quarterly distribution by the SPVs and Holding Company to Embassy Office Parks REIT, post interest paid on Shareholder Debt, Interim Dividend payments and Principal repayment of Shareholder Debt, would be done by declaring dividend, to the extent permitted under the Companies Act, 2013. Further, repayment of short-term construction debt given to SPV's and interest on external debt paid and capitalised to development work in progress, to the extent funded by debt, are not considered for NDCF computation.

aa) Recent pronouncements

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 inter alia as follows:

Balance Sheet:

- Lease liabilities should be separately disclosed under the head 'financial liabilities', duly distinguished as current or non-current.
- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters
- Specified format for ageing schedule of trade receivables and trade payables
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title
 deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property
 held etc.

Statement of profit and loss:

- Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of Condensed Standalone Financial Statements

These amendments are extensive and the Trust has given effect to few of these relevant to the preparation of the Condensed Standalone Financial Statements. Further, the Trust will evaluate the same to give effect to them as required by law in the Annual financial statements.

- 107,958 (31 March 2021: 107,958) equity shares of Galaxy Square Private Limited of Rs.100 each, fully paid up	4,662.50	4,662.50
- 2,637,348 (31 March 2021: 2,637,348) Class A equity shares of Vikas Telecom Private Limited of Rs.10 each, fully paid up	23,147.33	23,147.33
- 4,847,584 (31 March 2021: 4,847,584) Ordinary equity shares of Embassy Office Ventures Private Limited of Rs.10 each, fully paid up	10,972.41	10,972.41
- 8,682,000 (31 March 2021: 8,682,000) Class A equity shares of Embassy Office Ventures Private Limited of Rs.10 each, fully paid up	16,575.71	16,575.71
- 3,300 (31 March 2021: 3,300) equity shares of Sarla Infrastructure Private Limited of Rs.1,000 each, fully paid up	6,870.02	6,870.02
<u> </u>	226,202.85	227,751.39
	239,333.52	241,739.54
Aggregate amount of impairment recognised	4,133.05	3,275.57

a) The recoverable amounts of the investments in subsidiaries have been computed based on value in use calculation of the underlying properties, computed semi-annually in March and September of each financial year. The value in use calculation is determined by iVAS Partners, independent external property valuers appointed under Regulation 21 of REIT regulations, having appropriately recognised professional qualifications and recent experience in the location and category of the properties being valued in conjunction with value assessment services undertaken by CBRE South Asia Private Limited based on discounted cash flow method. As at 30 September 2021, an amount of Rs.4,133.05 million (31 March 2021: Rs.3,275.57 million) has been provided as impairment on investment in subsidiaries namely Umbel Properties Private Limited, Quadron Business Park Private Limited and Embassy Energy Private Limited based on independent valuation report as on 30 September 2021. This includes impairment loss of Rs. 857.48 million relating to half year ended 30 September 2021 for Umbel Properties Private Limited and Quadron Business Park Private Limited. The impairment charge arose in these entities mainly due to slower ramp up of hotel room occupancy, slower than anticipated lease up, coupled with the current economic conditions due to Covid-19 pandemic. In determining the value in use, the cash flows were discounted at the rate of 12.38% for investment in Hospitality operations (UPPL and QBPL) and 13.50% for investment in solar power plant (EEPL).

The financial projections basis which the future cash flows have been estimated consider the increase in economic uncertainties due to COVID-19, revisiting the key operating assumptions as well as growth rates factored while arriving at terminal value and subjecting these variables to sensitivity analysis.

(b) The Board of Directors of the Manager in their meeting held on 19 May 2020 approved the composite scheme of arrangement (the "Scheme") involving MPPL, EOPPL and EPTPL. The above scheme has been approved by National Company Law Tribunal (NCLT), Mumbai bench with an effective date of 10 March 2021. Upon completion of the scheme, MPPL has become a 100% HoldCo of the Trust, holding Embassy Manyata, Bengaluru, 80% of the share capital of EEPL, 50% of the share capital of GLSP, while EPTPL has become a 100% directly-held SPV of the Trust, holding Embassy TechZone, an existing asset of the Trust. Due to the above the existing shares of EOPPL held by the Trust have been cancelled. Further, MPPL and EPTPL have issued 734,451 equity shares and 8,703,248 equity shares respectively to the Trust, in accordance with the Scheme.

Since Trust continues to hold the same economic interest through equity shareholding both before and after the composite scheme of arrangement, the carrying amount of Embassy Office Parks Private Limited is split into investment in EPTPL and MPPL based on relative fair values of such business/investments.

Embassy Office Parks REIT

RN: IN/REIT/17-18/0001

Notes to the Condensed Standalone Financial Statements

(all amounts in Rs. million unless otherwise stated)

3 Non-current investments (continued)

(c) Pursuant to the National Company Law Tribunal, Mumbai (NCLT), order dated 24 August 2021, Earnest Towers Private Limited (ETPL) has reduced its equity share capital by 30,970,800 fully paid equity shares and details of consideration receivable by REIT from ETPL on such capital reduction are provided below. The said consideration is converted into long term loan receivable by the Trust from ETPL, carrying interest rate of 12.5% per annum (refer note 26).

As per the petition, the capital reduction is to be implemented in the following manner:

Particulars	Amount
Number of equity shares to be cancelled	30,970,800
Consideration per equity share (in Rs.)	50.00
Total consideration payable to Trust on capital reduction (in Rs. million)	1,548.54

Since the Trust continues to hold the same economic interest through equity shareholding in ETPL, both before and after capital reduction, the aforementioned consideration of Rs. 1548.54 million has been accounted for as a reduction of carrying amount of the Trust's investment in ETPL.

(d) Details of % shareholding in the SPVs/subsidiaries, held by Trust is as under:

Name of Subsidiary	As at 30 September 2021	As at 31 March 2021
Embassy Pune TechZone Private Limited (refer note i below)	100.00%	100.00%
Manyata Promoters Private Limited	100.00%	100.00%
Umbel Properties Private Limited	100.00%	100.00%
Embassy Energy Private Limited (refer note ii below)	19.99%	19.99%
Earnest Towers Private Limited	100.00%	100.00%
Indian Express Newspapers (Mumbai) Private Limited	100.00%	100.00%
Vikhroli Corporate Park Private Limited	100.00%	100.00%
Qubix Business Park Private Limited	100.00%	100.00%
Quadron Business Park Private Limited	100.00%	100.00%
Oxygen Business Park Private Limited	100.00%	100.00%
Galaxy Square Private Limited	100.00%	100.00%
Vikas Telecom Private Limited (refer note iii below)	40.00%	40.00%
Embassy Office Ventures Private Limited	100.00%	100.00%
Sarla Infrastructure Private Limited	100.00%	100.00%

- (i) Embassy Pune Techzone Private Limited was a wholly owned subsidiary of Embassy Office Parks Private Limited upto 10 March 2021 (refer note 35).
- (ii) Remaining 80.01% of ownership interest in Embassy Energy Private Limited is owned by Manyata Promoters Private Limited from 10 March 2021 (Embassy Office Parks Private Limited till 10 March 2021). Therefore, the Trust directly or indirectly owns 100% interest in Embassy Energy Private Limited (refer note 35).
- (iii) Remaining 60% of ownership interest in Vikas Telecom Private Limited is owned by Embassy Office Ventures Private Limited. Therefore, the Trust directly or indirectly owns 100% interest in Vikas Telecom Private Limited .

Changes during the period	-	_
Balance as at 30 September 2021	947.90	288,262.11

Note:

(a) Terms/rights attached to Units

The Trust has only one class of Units. Each Unit represents an undivided beneficial interest in the Trust. Each holder of Units is entitled to one vote per unit. The Unitholders have the right to receive at least 90% of the Net Distributable Cash Flows of the Trust at least once in every six months in each financial year in accordance with the REIT Regulations. The Board of Directors of the Manager approves distributions to Unitholders. The distribution will be in proportion to the number of Units held by the Unitholders. The Trust declares and pays distributions in Indian Rupees.

Under the provisions of the REIT Regulations, Embassy Office Parks REIT is required to distribute to Unitholders not less than ninety percent of the net distributable cash flows of Embassy Office Parks REIT for each financial year. Accordingly, a portion of the Unitholders' funds contains a contractual obligation of the Trust to pay to its Unitholders cash distributions. The Unitholders funds could have been classified as compound financial instrument which contain both equity and liability components in accordance with Ind AS 32 - Financial Instruments: Presentation. However, in accordance with SEBI Circulars (No. CIR/IMD/DF/146/2016 dated 29 December 2016 and No. CIR/IMD/DF/141/2016 dated 26 December 2016) issued under the REIT Regulations, the Unitholders funds have been classified as equity in order to comply with the mandatory requirements of Section H of Annexure A to the SEBI Circular dated 26 December 2016 dealing with the minimum disclosures for key financial statements. Consistent with Unitholders' funds being classified as equity, the distributions to Unitholders is presented in Statement of Changes in Unitholders' Equity and not as finance costs. In line with the above, the dividend payable to unitholders is recognised as liability when the same is approved by the Manager.

(b) Unitholders holding more than 5 percent Units in the Trust

Name of the Unitholder	As at 30 Septe	As at 30 September 2021 As at 31 March 2021		ch 2021
	No of Units	% holding	No of Units	% holding
Embassy Property Developments Private Limited	115,484,802	12.18%	115,484,802	12.18%
SG Indian Holding (NQ) Co I Pte Limited	74,262,742	7.83%	88,333,166	9.32%
BRE Mauritius Investments	77,431,543	8.17%	83,730,208	8.83%

(c) The Trust has not allotted any fully paid-up units by way of bonus units nor has it bought back any class of units from the date of incorporation till the balance sheet date. Further, the Trust has issued an aggregate of 613,332,143 Units at Rs.300 each for consideration other than cash from the date of incorporation till 30 September 2021.

Further, during the year ended 31 March 2021, the Trust has issued 111,335,400 Units at a price of Rs.331.00 per Unit through an Institutional Placement. The Trust also made Preferential allotment of 64,893,000 Units at Rs.356.70 per Unit to acquire 40% equity interest of VTPL held by third party shareholders.

12 Other equity

Notes (Also in line with regulation 54 of SEBI Listing and Disclosure Regulations (LODR), 2015 as amended):

A. 36,500 (31 March 2021: 36,500) Embassy REIT Series I NCD 2019, face value of Rs.1,000,000 each

In May 2019, the Trust issued 30,000 listed, AAA/Stable, secured, redeemable and non-convertible Embassy REIT Series I NCD 2019 (Tranche I), debentures having face value of Rs. 1 million each amounting to Rs. 30,000.00 million with an Internal Rate of Return (IRR) of 9.4% and will mature on 2 June 2022. In November 2019, the Trust further issued 6,500 such debentures (Tranche II) with an Internal Rate of Return (IRR) of 9.05% and with same terms and conditions as Tranche I.

The Tranche I and Tranche II NCD described above were listed on the Bombay Stock Exchange on 15 May 2019 and 28 November 2019 respectively.

Security terms

The debentures are secured against each of the following in favor of the Security Trustee (holding for the benefit of the Debenture Trustee and ranking pari passu inter se the Debenture Holders):

- 1. A sole and exclusive first ranking charge created by MPPL on (a) land measuring 112.475 acres at Bengaluru together with blocks and various commercial buildings; (b) 1.022 acres (Phase 1) and 1.631 (Phase IV) acres of undivided right, title and interest in the commercial complex known as "Mfar Manyata Tech Park". The above charge excludes L1 Office block, consisting of 477,949 sq.ft of super built up area along with the undivided share of the lands and future development / construction on Blocks designated as F1 and L4 that MPPL may undertake in the Project "Embassy Manyata, Bengaluru" along with the remaining undivided share of such land.
- 2. A sole and exclusive first ranking pledge created by the REIT over their total shareholding in the SPV's namely QBPPL, ETPL, VCPPL, GSPL and MPPL together known as "secured SPVs"
- 3. A sole and exclusive first ranking charge by way of hypothecation created by the REIT over identified bank accounts and receivables.
- 4. A sole and exclusive first ranking charge by way of hypothecation created by each secured SPV over identified bank accounts and receivables of each secured SPV.
- 5. A negative pledge on all assets of each secured SPV except MPPL.

Redemption terms:

- 1. These debentures are redeemable by way of bullet payment on 2 June 2022.
- 2. Tranche I debentures have a redemption premium of 9.4% IRR compounded annually and Tranche II debentures have a redemption premium of 9.05% IRR compounded annually.
- 3. In case of downgrading of credit rating , the IRR shall increase by 0.25% 1.25% over and above the applicable IRR calculated from the date of change of rating. In case of any subsequent upgrading of credit rating , the IRR shall restore/decrease by 0.25% 1.00% over and above the applicable IRR calculated from the date of change of rating.
- 4. The issuer shall have the option of redeeming all or part of the debentures on a pro-rata basis at any time on a specified call option date (between May 2021 to May 2022) by delivering a Call Option Notice to the debenture holders prior to the relevant call option date, subject to certain agreed minimum aggregate nominal value of debentures being redeemed. The Trust has issued a call option notice dated 01 October 2021 and accordingly these debentures are due for redemption on 2 November 2021 as per the terms of debenture trust deed.

Since these debentures are due for maturity on 02 November 2021, they have been disclosed as current maturities of long term borrowings under short-term borrowings (refer note 14).

B. 15,000 (31 March 2021 : 15,000) Embassy REIT Series II NCD 2020, face value of Rs.1,000,000 each

In September 2020, the Trust issued 7,500 listed, AAA rated, secured, redeemable and non-convertible Embassy REIT Series II NCD 2020 (Tranche A), debentures having face value of Rs.1 million each amounting to Rs.7,500.00 million with an coupon rate of 7.25% p.a. payable quarterly. In October 2020, the Trust further issued 7,500 such debentures (Tranche B), with an coupon rate of 6.70% p.a. payable quarterly and with same terms and conditions as Tranche A.

The Tranche A and Tranche B NCD described above were listed on the Bombay Stock Exchange on 17 September 2020 and 05 November 2020 respectively.

Notes to the Condensed Standalone Financial Statements

(all amounts in Rs. million unless otherwise stated)

13 Borrowings (continued)

Security terms:

The NCD's are secured against each of the following in favor of the Security Trustee (holding for the benefit of the Debenture Trustee and ranking pari passu inter se the Debenture Holders):

- 1. A sole and exclusive first ranking charge by way of mortgage created by EPTPL on the constructed buildings and related parcels identified as Block 2, Block 3, Food court, Block 6, Block I, Block 11 and Block 5, having an aggregate leasable area of 2,00,674 square meters and forming part of the development known as Embassy TechZone together with portion of land admeasuring 96,630 square meters on which the aforesaid buildings are constructed out of the aggregate area of land measuring 67.45 acres equivalent to 2,72,979 sq. mtrs.
- 2. A sole and exclusive first ranking pledge created by the Embassy REIT over the shareholding in the SPV's namely IENMPL and EPTPL together known as "secured SPVs" along with shareholder loans given to these SPVs
- 3. A sole and exclusive first ranking charge by way of hypothecation created by Embassy REIT over identified bank accounts and receivables.
- 4. A sole and exclusive first ranking charge by way of hypothecation created by EPTPL over identified bank accounts and receivables.
- 5. A corporate guarantee issued by each of EPTPL and IENMPL.

Redemption terms:

- 1. Interest is payable on the last day of each financial quarter in a year until the Scheduled Redemption Date
- 2. These debentures will be redeemed on the expiry of 37 months from the Date of Allotment for the Debentures at par on 9 October 2023.
- 3. In case of downgrading of credit rating, the coupon rate shall increase by 0.25% 1.25% over and above the applicable coupon rate calculated from the date of change of rating. In case of any subsequent upgrading of credit rating, the IRR shall restore/decrease by 0.25% 1.00% over and above the coupon rate calculated from the date of change of rating.
- 4. The issuer shall have the option of redeeming all or part of the debentures on a pro-rata basis at any time on a specified call option date (between March 2023 to September 2023) by delivering a Call Option Notice to the debenture holders prior to the relevant call option date, subject to certain agreed minimum aggregate nominal value of debentures being redeemed.

- 1. Interest is payable on the last day of each financial quarter in a year until the Scheduled Redemption Date
- 2. These debentures will be redeemed on the expiry of 60 months from the Date of Allotment for the Debentures at par on 7 September 2026.
- 3. In case of downgrading of credit rating, the coupon rate shall increase by 0.25% 1.00% over and above the applicable coupon rate calculated from the date of change of rating. In case of any subsequent upgrading of credit rating, the coupon rate shall restore/decrease by 0.25% 1.00% over and above the coupon rate calculated from the date of change of rating.
- 4. The issuer shall have the option of redeeming all or part of the debentures on a pro-rata basis at any time on a specified call option date (between March 2026 to August 2026) by delivering a Call Option Notice to the debenture holders prior to the relevant call option date, subject to certain agreed minimum aggregate nominal value of debentures being redeemed.

E. Disclosure required under SEBI circular SEBI/HO/DDHS/DDHS/CIR/P/2018/71 dated 13 April 2018

1. Details of non-convertible debentures are as follows:-

1. Details of non-conventible descentiles are as follows.					
Particulars	Secured/ Previous due date Next		Previous due date		e date
	Unsecured	Principal	Interest	Principal	Interest
Embassy REIT Series I NCD 2019 (Tranche I and II)	Secured	-	-	02 November 2021	02 November 2021
Embassy REIT Series II NCD 2020 (Tranche A and B)	Secured	-	30 September 2021	09 October 2023	31 December 2021
Embassy REIT Series III NCD 2021	Secured	-	30 September 2021	15 February 2024	31 December 2021
Embassy REIT Series IV NCD 2021	Secured	-	30 September 2021	07 September 2026	31 December 2021

2. Rating agency CRISIL has assigned a rating of "CRISIL AAA/Stable" to Embassy REIT Series I NCD 2019, Embassy REIT Series II NCD 2020, Embassy REIT Series III NCD 2021 and Embassy REIT Series IV NCD 2021.

F. Other requirements as per Guidelines for issuance of debt securities by Real Estate Investment Trusts (REITs)

Particulars	As at	As at
	30 September 2021	31 March 2021
Asset cover ratio (refer a below)**	18.62%	17.88%
Debt-equity ratio (refer b below)	0.34	0.31
Debt-service coverage ratio (refer c below)	3.02	2.53
Interest-service coverage ratio (refer d below)	3.02	2.53
Net worth (refer e below)	261,318.21	265,579.22

Formulae for computation of ratios are as follows basis Condensed Standalone Financial Statements:-

- a) Asset cover ratio *= Total borrowings of the Trust/ Gross asset value of the Subsidiaries and Joint venture of the Trust as computed by independent valuers
- b) Debt equity ratio * = Total borrowings of the Trust/ Unitholders' Equity
- c) Debt Service Coverage Ratio = Earnings before Depreciation, Finance costs, Impairment loss and Tax/ (Finance costs + Principal Repayments made during the year)
- d) Interest Service Coverage Ratio = Earnings before Depreciation, Finance costs, Impairment loss and Tax/ Finance costs (net of capitalisation)
- e) Net worth = Unit capital + Other equity
- * Total borrowings of the Trust = Long-term borrowings + Short-term borrowings Unitholder's Equity = Unit Capital + Other equity

G. Subsequent events:

Subsequent to 30 September 2021, Embassy REIT has raised Rs. 31,000 million Series V rupee-denominated, listed, rated, secured, redeemable, transferable NCDs by way of private placement at 6.5% average fixed coupon and MPPL has raised a term loan facility from a bank for Rs. 15,000 million at 6.35% floating coupon. Both these proceeds, totalling Rs. 46,000 million, will primarily be utilized to redeem the Series I NCDs on 2 November 2021.

24 Earnings Per Unit (EPU)

Basic EPU amounts are calculated by dividing the profit for the period/year attributable to Unitholders by the weighted average number of units outstanding during the period/year. Diluted EPU amounts are calculated by dividing the profit attributable to unitholders by the weighted average number of units outstanding during the period/year plus the weighted average number of units that would be issued on conversion of all the potential dilutive instruments into unit capital.

The following reflects the profit and unit data used in the basic and diluted EPU	it data used in the basic and	diffical EFO computation	T	T. L. L	Laborate Park Land	41 1 18	The Alexander

27 Financial instruments:

a) The carrying value and fair value of financial instruments by categories are as below:

Particulars	Carrying value	Fair Value	Carrying value	Fair Value
	30 September 2021	30 September 2021	31 March 2021	31 March 2021
Financial assets				
Amortised cost				
Loans	104,607.05	-	100,473.92	-
Cash and cash equivalents	6,304.88	-	7,171.26	-
Other financial assets	35.00	-	-	-
Total assets	110,946.93	ı	107,645.18	•
Financial liabilities				
Amortised cost				
Borrowings	88,513.19	88,857.04	83,319.10	84,630.97
Other financial liabilities	474.21	-	460.16	-
Trade payables	0.36	-	2.60	-
Total liabilities	88,987.76	88,857.04	83,781.86	84,630.97

The fair value of cash and cash equivalents, trade payables, loans and other financial assets and liabilities approximate their carrying amounts.

Fair value hierarchy

- Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

b) Transfers between Level 1, Level 2 and Level 3

There were no transfers between Level 1, Level 2 or Level 3 during the half year ended 30 September 2021 and year ended 31 March 2021.

c) Determination of fair value

Fair values of financial assets and liabilities have been determined for measurement and/or disclosure purposes based on the following methods. When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

- i) The fair value of mutual funds are based on price quotations at reporting date.
- ii) The fair values of other current financial assets and financial liabilities are considered to be equivalent to their carrying values.
- iii) The fair values of borrowings at fixed rates are considered to be equivalent to present value of the future contracted cashflows discounted at the current market rate.
- 28 During previous year ended 31 March 2021, the Trust acquired VTPL, EOVPL and SIPL by acquiring all of the equity interest held by the Embassy Sponsor, BREP entities and certain other third party shareholders. The acquisition of equity interest in EOVPL (which in turn holds 60% equity interest in VTPL) and SIPL has been completed with issue proceeds received of Rs.36,852.02 million, by issue of 111,335,400 Units at a price of Rs.331.00 per Unit through the Institutional Placement.

The acquisition of balance 40% equity interest in VTPL is completed through Preferential issue of 64,893,000 Units at a price of Rs.356.70 per unit to the third party shareholders aggregating to Rs. 23,147.33 million.

The investments in VTPL, EOVPL and SIPL are accounted for at cost less accumulated impairment losses. Below is the details of purchase consideration paid to acquire the SPV's.

Entity	Amount
VTPL	23,147.33
EOVPL SIPL *	27,548.12
SIPL *	6,870.02

^{*} The Purchase consideration for acquisition of SIPL includes contingent consideration of Rs.350.00 million which shall be payable to the Embassy Sponsor upon satisfaction of certain conditions and as per timeline agreed between the parties.

31 Investment management fees

Pursuant to the Investment management agreement dated 12 June 2017, as amended, the Manager is entitled to fees @ 1% of REIT Distributions which shall be payable either in cash or in Units or a combination of both, at the discretion of the Manager. The fees has been determined for undertaking management of the Trust and its investments. Investment management fees accrued for the half year ended 30 September 2021 amounts to Rs.137.91 million. There are no changes during the half year ended 30 September 2021 in the methodology for computation of fees paid to the Manager.

32 Secondment fees

Pursuant to the Secondment agreement dated 11 March 2019, the Manager is entitled to fees of Rs. 0.10 million per month in respect certain employees of the Manager being deployed to the Trust in connection with the operation and management of the assets of the Trust. The fees shall be subject to an escalation of 5% (five per cent) every financial year. Secondment fees for the half year ended 30 September 2021 amounts to Rs.0.78 million. There are no changes during the half year ended 30 September 2021 in the methodology for computation of secondment fees paid to the Manager.

Notes to the Condensed Standalone Financial Statements

(all amounts in Rs. million unless otherwise stated)

33 Segment Reporting

The Trust does not have any Operating segments as at 30 September 2021 and 31 March 2021 and hence, disclosure under Ind AS 108, Operating segments has not been provided in the Condensed Standalone Financial Statements.

- 34 The Trust outsources its manpower and technology assistance requirements and does not have any employee on its roles and hence does not incur any employee related benefits/costs.
- 35 The Board of Directors of the Manager in their meeting held on 19 May 2020 approved a composite scheme of arrangement (the "Scheme") involving MPPL, EOPPL and EPTPL. The Scheme provided for:
 - a) The demerger, transfer and vesting of the TechZone business of EOPPL comprising Embassy TechZone Business Park (more specifically defined as the 'TechZone Undertaking' in the Scheme) into EPTPL on a going concern basis, in consideration for which the Trust (as shareholder of EOPPL) has been issued shares of EPTPL; followed by

b) Amalgamation of EOPPL into MPPL, on a going concern basis.

The above scheme was approved by National Company Law Tribunal (NCLT), Mumbai bench with an effective date of 10 March 2021. Further the Scheme was approved by the Board of Approval of Special Economic Zones ("BoA") in its meeting held on 18 March 2021 and the necessary form with ROC was filed on 25 March 2021, for all the three entities. Upon completion of the Scheme, MPPL has become a 100% HoldCo of the Trust, holding Embassy Manyata, Bengaluru, 80% of the share capital of EEPL, 50% of the share capital of GLSP, while EPTPL has become a 100% directly-held SPV of the Trust, holding Embassy TechZone, an existing asset of the Trust.

36 Distributions

The Board of Directors of the Manager to the Trust, in their meeting held on 29 October 2021, have declared distribution to Unitholders of Rs.5.66 per unit which aggregates to Rs.5,365.08 million for the quarter ended 30 September 2021. The distributions of Rs.5.66 per unit comprises Rs.1.14 per unit in the form of interest payment, Rs.2.54 per unit in the form of dividend and the balance Rs.1.98 per unit in the form of amortization of SPV debt.

Along with distribution of Rs.5,346.12 million/ Rs.5.64 per unit for the quarter ended 30 June 2021, the cumulative distribution for the half year ended 30 September 2021 aggregates to Rs.10,711.20 million/ Rs. 11.30 per unit.

37 The figures for the half year ended 31 March 2021 are the derived figures between the audited figures in respect of the year ended 31 March 2021 and the published year-to-date figures up to 30 September 2020, which were subject to limited review.

The accompanying notes referred to above are an integral part of Condensed Standalone Financial Statements.

Review Report

The Board of Directors
Embassy Office Parks Management Services Private Limited ("the Manager")
(Acting in its capacity as the Manager of Embassy Office Parks REIT)

1st Floor, Embassy Point
150, Infantry Road
Bengaluru -560001

Introduction

- 1. We have reviewed the accompanying unaudited condensed consolidated interim Ind AS financial statements of Embassy Office Parks REIT (the "REIT"), its subsidiaries and a Joint venture (together referred as "the Group"), which comprise the unaudited condensed consolidated balance sheet as at September 30, 2021, the unaudited condensed consolidated statement of profit and loss, including other comprehensive income and unaudited condensed consolidated statement of Cash Flows for the quarter and half year ended September 30, 2021, the unaudited condensed consolidated statement of changes in Unitholder's equity for the half year ended September 30, 2021 and the consolidated Statement of Net Assets at fair value as at September 30, 2021 and the consolidated statement of Total Returns at fair value and the statement of Net Distributable Cash Flows of the REIT and each of its subsidiaries for the half year ended September 30, 2021 and a summary of the significant accounting policies and select explanatory information (together hereinafter referred to as the "Condensed Consolidated Interim Ind AS Financial Statements") being submitted by the REIT pursuant to the requirements of Regulation 23 of Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014, as amended including any guidelines and circulars issued thereunder ("REIT Regulations").
- 2. The Condensed Consolidated Interim Ind AS Financial Statements are the responsibility of the Manager and has been approved by the Board of Directors of the Manager. The Condensed Consolidated Interim Ind AS Financial Statements are prepared in accordance with the requirements of Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the REIT Regulations. Our responsibility is to issue a conclusion on the Condensed Consolidated Interim Ind AS Financial Statements based on our review.

Scope of Review

- 3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Condensed Consolidated Interim Ind AS Financial Statements is free of material misstatement. A review consists of making inquiries, primarily of Manager personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. The Condensed Consolidated Interim Ind AS Financial Statements includes the financial information of the following entities:

Sl. No	Name of the entities
A	Parent Entity
1	Embassy Office Parks REIT
В	Subsidiaries
1	Manyata Promoters Private Limited ('MPPL')
2	Umbel Properties Private Limited
3	Embassy-Energy Private Limited
4	Galaxy Square Private Limited
5	Quadron Business Park Private Limited
6	Qubix Business Park Private Limited
7	Oxygen Business Park Private Limited
8	Earnest Towers Private Limited
9	Vikhroli Corporate Park Private Limited
10	Indian Express Newspapers (Mumbai) Private Limited
11	Embassy Pune Techzone Private Limited
12	Embassy Office Ventures Private Limited
13	Vikas Telecom Private Limited
14	Sarla Infrastructure Private Limited
C	Jointly Controlled entity
1	Golflinks Software Park Private Limited

Conclusion

5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Condensed Consolidated Interim Ind AS Financial Statements have not been prepared in all material respects in accordance with the requirements of Ind AS 34, as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with REIT Regulations.

Emphasis of Matter

6. We draw attention to note 44(iv) to the Condensed Consolidated Interim Ind AS Financial Statements which refers to the uncertainty in relation to two pending cases, as regards Property tax dues aggregating to Rs.3,418.89 million as at September 30, 2021 payable by MPPL, before judicial forums, basis previously raised demand notices by the local regulatory authority. Based on legal opinions obtained and pending outcome of such legal matter no provision has been made in these Condensed Consolidated Interim Ind AS Financial Statements. Our conclusion is not modified in respect to the above matter.

E	NAV (C/D)	Rs	278.81	388.26	285.82	387.54

Notes:

1) Measurement of fair values:

The fair value of investment property, investment property under development (including capital advances), property, plant and equipment (relating to the hotel property in UPPL and QBPL, and the solar power plant in EEPL); capital work-in-progress (relating to the proposed hotel to be developed in MPPL and ETV); intangibles and the investment in GLSP as at 30 September 2021 and 31 March 2021 has been determined by iVAS Partners, independent external property valuers appointed under Regulation 21 of REIT regulations, having appropriately recognised professional qualifications and recent experience in the location and category of the properties being valued in conjunction with value assessment services undertaken by CBRE.

Valuation technique

The fair value measurement for all the investment property, investment property under development, property plant and equipment, intangibles and capital work-in-progress has been categorized as a Level 3 fair value based on the inputs to the valuation technique used.

The valuers have followed a Discounted Cash Flow method. The valuation model considers the present value of net cash flows to be generated from the respective properties, taking into account the expected rental growth rate, vacancy period, occupancy rate, average room rent, lease incentive costs and blended tariff rates. The expected net cash flows are discounted using the risk adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location (prime vs secondary), tenant credit quality and lease terms, seasonality in sustaining a stable average room rent and occupancy for the hotels.

Given the COVID-19 related uncertainties, the independent valuers have, as a precautionary measure, referenced material valuation uncertainty in arriving at their valuation as at 30 September 2021 and 31 March 2021.

2) Property wise break up of Fair value of Assets as at 30 September 2021 is as follows:

Particulars	Fair value of investment property, investment property	Other assets at book value (***)	Total assets	Total liabilities to be	Asset wise NAV	Book value of assets
	under development, property,	(Note i)		considered	NAV	assets

Trust	-	71,059.86	71,059.86	135,186.27	(64,126.41)	71,059.86
Total	437,998.66	83,413.61	521,412.27	180,520.80	340,891.47	426,724.99
Investment in GLSP **	26,458.11	-	26,458.11	-	26,458.11	24,118.57
	464,456.77	83,413.61	547,870.38	180,520.80	367,349.58	450,843.56

^{*} Fair values of investment property, investment property under development, property, plant and equipment, intangibles, capital work in progress and investment in GLSP as at 30 September 2021 and 31 March 2021 as disclosed above are solely based on the fair valuation report of iVAS Partners, independent external property valuers appointed under Regulation 21 of REIT regulations, having appropriately recognised professional qualifications and recent experience in the location and category of the properties being valued in conjunction with value assessment services undertaken by CBRE.

For the purpose of fair valuation of assets, the Embassy Office Parks Group has fair valued its investment property, investment property under development (including capital advances), property, plant and equipment (relating to the hotel property in UPPL and QBPL, and the solar power plant in EEPL); capital work-in-progress (relating to the proposed hotel to be developed in MPPL and ETV); intangibles and the investment in GLSP.

- ** Fair value of equity investments in GLSP has been done based on equity valuation method proportionate to stake held in GLSP.
- *** Other assets at book value include Goodwill of Rs.64,045.35 million on book value basis (net off impairment loss, refer note 6). The Goodwill of Rs.64,045.35 million (31 March 2021: Rs.63,946.24 million) mainly arises on account of requirement to value individual assets and liabilities acquired on business combination at fair values using an approach as more fully described in note 49 as well as the requirement to recognise deferred tax liability of Rs.53,207.28 million (31 March 2021: Rs.53,207.28 million), calculated as a difference between the tax effect of the fair value of the acquired assets and liabilities and their tax bases.

Notes:

- (i) Other assets includes cash and cash equivalents and other working capital balances which are not factored in the discounted cashflow method used in determining the fair value of investment property, investment property under development, property, plant and equipment, capital work-in-progress and intangibles.
- (ii) Total liabilities includes all liabilities except lease liability.

Embassy Office Parks REIT Condensed Consolidated Financial Statements Consolidated Statement of Total Returns at Fair value Disclosure pursuant to SEBI circular No. CIR/IMD/DF/146/2016

(all amounts in Rs. million unless otherwise stated)

B) Statement of Total Returns at Fair value

S.No	Particulars	For the half year ended	For the half year ended	For the half year ended	For the year ended
		30 September 2021	31 March 2021	30 September 2020	31 March 2021
A	Total comprehensive income	4,009.89	2,616.30	4,368.04	6,984.34
В	Add: Changes in fair value not recognised in total comprehensive income (refer notes below)	3,384.10	10,965.13	4,003.72	14,968.85
C (A+B)	Total Return	7,393.99	13,581.43	8,371.76	21,953.19

Notes:

- 1. In the above statement, changes in fair value for the half year ended 30 September 2021 and year ended 31 March 2021 has been computed based on the difference in fair values of investment property, investment property under development, property, plant and equipment (relating to the hotel property in UPPL and QBPL, and the solar power plant in EEPL); capital work-in-progress (relating to the proposed hotel to be developed in MPPL and ETV); intangibles and investment in GLSP as at 30 September 2021 as compared with the values as at 31 March 2021, net of cash spent on construction during the period. The fair values of the afore-mentioned assets as at 30 September 2021 and 31 March 2021 are solely based on the valuation report of iVAS Partners, independent external property valuers appointed under Regulation 21 of REIT regulations, having appropriately recognised professional qualifications and recent experience in the location and category of the properties being valued in conjunction with value assessment services undertaken by CBRE.
- 2. ETV assets were acquired on 24 December 2020 and accordingly the statement of total returns at fair value does not include any difference in fair values of Investment Property, Investment property under development, Property, Plant and Equipment and Capital Work-in-progress and intangibles for ETV assets for the year ended 31 March 2021.

	Net Distributable Cash Flows at REIT level	5,368.15	5,349.64	10,717.79

Notes:

1. The Board of Directors of the Manager to the Trust, in their meeting held on 29 October 2021, have declared distribution to Unitholders of Rs. 5.66 per unit which aggregates to Rs.5,365.08 million for the quarter ended 30 September 2021. The distributions of Rs.5.66 per unit comprises Rs.1.14 per unit in the form of interest payment, Rs.2.54 per unit in the form of dividend and the balance Rs.1.98 per unit in the form of amortization of SPV debt.

Along with distribution of Rs.5,346.12 million/ Rs.5.64 per unit for the quarter ended 30 June 2021, the cumulative distribution for the half year ended 30 September 2021 aggregates to Rs.10,711.20 million/ Rs. 11.30 per unit.

- 2. Interest accrued but not due on borrowings as at the quarter end are not considered for the purpose of distributions.
- 3. NDCF for the quarter and period ended 30 September 2021 is computed in accordance with the revised NDCF framework. The Manager has made certain clarificatory amendments to the NDCF framework under the Distribution Policy to ensure that there is no ambiguity in computing the NDCF at Embassy REIT and SPV/Holdco level. The amended framework is approved by a special majority in the Unitholder's Meeting held on 8 July 2021 and is effective from 1 April 2021.

2. Significant accounting policies

2.1 Basis of preparation of Condensed Consolidated Financial Statements

The Interim Condensed Consolidated Financial Information (hereinafter referred to as the "Condensed Consolidated Financial Statements") of the Embassy Office Parks Group comprises the Consolidated Balance Sheet and the Consolidated Statement of Net Assets at fair value as at 30 September 2021, the Consolidated Statement of Profit and Loss, including other comprehensive income, the Consolidated Statement of Cash Flow, the Statement of Net Distributable Cashflows of Embassy REIT and each of the SPVs and a summary of significant accounting policies and other explanatory information for the quarter and half year ended 30 September 2021, the Consolidated Statement of Changes in Unitholders' Equity and the Consolidated Statement of Total Returns at fair value for the half year ended 30 September 2021. The Condensed Consolidated Financial Statements were approved for issue in accordance with resolution passed by the Board of Directors of the Manager on behalf of the Trust on 29 October 2021. The Condensed Consolidated Financial Statements have been prepared in accordance with the requirements of SEBI (Real Estate Investment Trusts) Regulations, 2014, as amended from time to time read including any guidelines and circulars issued thereunder read with SEBI Circular No. CIR/IMD/DF/146/2016 dated 29 December 2016 ("the REIT regulations"); Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with REIT regulations. Also, refer Note 18(a) on classification of Unitholders fund.

The Condensed Consolidated Financial Statements are presented in Indian Rupees in Millions, except when otherwise indicated.

Statement of compliance to Ind-AS

These Condensed Consolidated Financial Statements for the quarter and half year ended 30 September 2021 are the financial statements of the Embassy Office Parks Group and have been prepared in accordance with Indian Accounting Standards (Ind AS) 34 "Interim Financial Reporting" as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended), to the extent not inconsistent with REIT regulations.

ETV assets were acquired on 24 December 2020 by Embassy REIT. The ETV assets have been consolidated from 31 December 2020, a date close to the acquisition date, as there are no significant transactions or events that have occurred between 24 December 2020 and 31 December 2020 and the effect thereof is not considered to be material to the results for the previous quarter and year ended 31 March 2021.

The Condensed Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances. The financial statements of all the SPVs and the Trust used for the purpose of consolidation are drawn up to the same reporting date i.e. 30 September 2021.

Basis of Consolidation

(i) Subsidiaries

The Embassy Office Parks Group consolidates entities which it owns or controls. The Condensed Consolidated Financial Statements comprise the financial statements of the Embassy Office Parks REIT and its subsidiary SPVs as disclosed in Note 1. Control exists when the parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the date control commences until the date control ceases.

The procedure for preparing Condensed Consolidated Financial Statements of the Embassy Office Parks Group are stated below:

- a) The Condensed Consolidated Financial Statements have been prepared using the principles of consolidation as per Ind AS 110 Consolidated Financial Statements, to the extent applicable.
- b) Goodwill is recognised in the Condensed Consolidated Financial Statements at the excess of cost of investment over share of fair value of net assets acquired on the date of acquisition.
- c) The Condensed Consolidated Financial Statements of the Embassy Office Parks Group are consolidated on a line-by-line basis and intragroup balances and transactions for assets and liabilities, equity, income, expenses and cash flows between entities of the Embassy Office Parks Group are eliminated in full upon consolidation.
- d) Non-controlling interests in the net assets (excluding goodwill) of consolidated subsidiaries are identified separately from the equity attributable to shareholders of the Company. The interest of non-controlling shareholders may be initially measured either at fair value or at the non-controlling interests' proportionate share of the fair value of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis.

(all amounts in Rs. million unless otherwise stated)

2. Significant accounting policies

2.1 Basis of preparation of Condensed Consolidated Financial Statements (continued)

Basis of Consolidation (continued)

(ii) Interests in joint arrangements

A joint arrangement is an arrangement of which two or more parties have joint control. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the arrangement. The results of joint ventures are incorporated in these Condensed Consolidated Financial Statements using the equity method of accounting as described below:

Under the equity method of accounting, the investments are initially recognised at cost on the date of acquisition and adjusted thereafter to recognize the Embassy Office Parks Group's share of the post-acquisition profits or losses of the investee in profit and loss, and Embassy Office Parks Group's share of other comprehensive income of the investee in other comprehensive income.

Goodwill is calculated at excess of cost of investment over share of fair value of net assets acquired on the date of acquisition and is disclosed as an additional information in the Notes to the Condensed Consolidated Financial Statements.

Dividends received or receivable from joint ventures are recognised as a reduction in the carrying amount of the investment.

When Embassy Office Parks Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, Embassy Office Parks Group does not recognize further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between Embassy Office Parks Group and joint ventures are eliminated to the extent of Embassy Office Parks Group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees are consistent with the policies adopted by the Embassy Office Parks Group.

The carrying amount of equity accounted investments are tested for impairment in accordance with the Embassy Office Parks Group's policy.

Basis of Business Combination

The Embassy Office Parks Group accounts for its business combinations under acquisition method of accounting. Acquisition related costs are recognised in the condensed consolidated statement of profit and loss as incurred. The acquiree's identifiable assets, liabilities and contingent liabilities that meet the condition for recognision are recognised at their fair values at the acquisition date.

The Embassy Office Parks Group determines that it has acquired a business when the acquired set of activities and assets include an input and a substantive process that together significantly contribute to the ability to create outputs. The acquired process is considered substantive if it is critical to the ability to continue producing outputs, and the inputs acquired include an organised workforce with the necessary skills, knowledge, or experience to perform that process or it significantly contributes to the ability to continue producing outputs and is considered unique or scarce or cannot be replaced without significant cost, effort, or delay in the ability to continue producing outputs. When the Embassy Office Parks Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date.

When the acquisition of subsidiaries does not represent a business combination, it is accounted for as an acquisition of a group of assets and liabilities. The cost of the acquisition is allocated to the assets and liabilities acquired based upon their relative fair values and no goodwill or deferred tax is recognised.

Purchase consideration paid in excess of the fair value of net assets acquired is recognised as goodwill. Where the fair value of identifiable assets and liabilities exceed the cost of acquisition, after reassessing the fair values of the net assets and contingent liabilities, the excess is recognised as capital reserve.

Any contingent consideration to be transferred by the acquirer is recognised at fair value at the acquisition date. Contingent consideration is classified either as equity or a financial liability. Amounts classified as a financial liability are subsequently remeasured to fair value with changes in fair value recognised in profit or loss, except for changes in fair value which are measurement period adjustments, wherein the change is adjusted with the asset/liability recognised at the acquisition date with corresponding adjustment to goodwill. Contingent consideration that is classified as equity is not re-measured at subsequent reporting dates subsequent its settlement is accounted for within equity.

The interest of non-controlling shareholders is initially measured either at fair value or at the non-controlling interests' proportionate share of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity of subsidiaries.

Business combinations arising from transfers of interests in entities that are under common control are accounted at historical cost. The difference between any consideration given and the aggregate historical carrying amounts of assets and liabilities of the acquired entity is recorded in Unitholders' equity.

(all amounts in Rs. million unless otherwise stated)

2.2 Summary of significant accounting policies

a) Functional and presentation currency

The Condensed Consolidated Financial Statements are presented in Indian Rupees, which is the Embassy Office Parks Group's functional currency and the currency of the primary economic environment in which the Embassy Office Parks Group operates. All financial information presented in Indian Rupees has been rounded off to nearest million except unit and per unit data.

b) Basis of measurement

The Condensed Consolidated Financial Statements are prepared on the historical cost basis, except for the following:

- Certain financial assets and liabilities (refer accounting policy regarding financial instrument): measured at fair values;
- Net defined benefit (asset)/ liability less present value of defined obligations: Fair value of plan assets less present value of defined benefit plan;
- The assets and liabilities of the SPVs on the date of acquisition have been accounted using their Fair value and the goodwill / capital reserve amount has been calculated accordingly; and
- Contingent consideration: measured at fair value.

c) Use of judgments and estimates

The preparation of Condensed Consolidated Financial Statements in conformity with generally accepted accounting principles in India (Ind AS) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Actual results could differ from those estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

Information about critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the Condensed Consolidated Financial Statements is included in the following notes:

i) Business combinations

The Embassy Office Parks Group acquires subsidiaries that own real estate. At the time of acquisition, the Group considers whether each acquisition represents the acquisition of a business or the acquisition of an asset. The Group accounts for an acquisition as a business combination where an integrated set of activities and assets, including property, is acquired. More specifically, consideration is given to the extent to which substantive processes are acquired and, in particular, the extent of services provided by the subsidiary.

In accounting for business combinations, judgment is required in identifying whether an identifiable intangible asset is to be recorded separately from goodwill. Estimating the acquisition date fair value of the identifiable assets acquired, useful life thereof and liabilities assumed involves management judgment. These measurements are based on information available at the acquisition date and are based on expectations and assumptions that have been deemed reasonable by the management. Changes in these judgments, estimates and assumptions can materially affect the results of operations.

ii) Impairment of goodwill and intangible assets with infinite useful life

For the purpose of impairment testing, goodwill and intangible assets with infinite useful life acquired in a business combination is, from the acquisition date, allocated to each of the Embassy Office Parks Group's cash-generating units that are expected to benefit from the combination. In performing such impairment assessments, management compared the carrying value of each of the identifiable cash generating units ("CGUs") to which goodwill and such intangible assets had been allocated with their respective 'value in use' computed based on discounted cash flow method, to determine if any impairment loss should be recognized. The discounted cash flow method involves estimating future cash flows, growth rates and discount rates which require significant management judgement - Note 2.2 (j).

- iii) Classification of lease arrangements as finance lease or operating lease Note 2.2 (r).
- iv) Classification of assets as investment property or as property, plant and equipment Notes 2.2 (f) and (g).
- v) Significant judgements involved in the purchase price allocation of the assets acquired and liabilities assumed on account of Business Combination and deferred tax accounting on the resultant fair value accounting—Note on Basis of Business Combination and Note 2.2 (v) (ii).
- vi) Judgements in preparing Condensed Consolidated Financial Statements Note 2.1.

(all amounts in Rs. million unless otherwise stated)

2.2 Summary of significant accounting policies (continued)

c) Use of judgments and estimates (continued)

Information about assumptions and estimation uncertainties that have a significant risk resulting in a material adjustment during quarter and half year ended 30 September 2021 is included in the following notes:

- i) Fair valuation and disclosures and impairment of non-financial assets being investment properties and property plant and equipment The fair value of investment properties and property, plant and equipment are reviewed regularly by management with reference to independent property valuations and market conditions existing at half yearly basis. The independent valuers are independent appraisers with a recognised and relevant professional qualification and with recent experience in the location and category of the investment property being valued. Judgment is also applied in determining the extent and frequency of independent appraisals.
 - SEBI Circulars issued under the REIT Regulations require disclosures relating to net assets at fair value and total returns at fair value (Refer Statement of net assets at fair value and Statement of total returns at fair value for details).
 - Refer note 2.2 (j) as regards estimates and assumptions involved in impairment assessment of non-financial assets being investment properties and property plant and equipment.
- ii) Useful lives of Investment Property and Property, Plant and Equipment-Notes 2.2(f) and (g).
- iii) Valuation of financial instruments -Note 2.2 (1).
- iv) Recognition of deferred tax asset on carried forward losses and recognition of minimum alternate tax credit: availability of future taxable profit against which tax losses carried forward can be used. Note 2.2(v)(ii). Further, significant judgements are involved in determining the provision for income taxes, including recognition of minimum alternate tax credit, in SPVs entitled for tax deduction under Section 80IAB of the Income Tax Act, 1961, wherein the tax deduction is dependent upon necessary details available for exempt and non-exempt income.
- v) Uncertainty relating to the global health pandemic on COVID-19: The Group has considered the possible effects that may result from the pandemic relating to COVID-19 on revenue recognition, the carrying amounts of goodwill, investment property (including under development), property, plant and equipment, capital work in progress, equity accounted investee, intangible assets and receivables. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Group, as at the date of approval of these financial statements has used internal and external sources of information including reports from International Property Consultants and related information, economic forecasts and consensus estimates from market sources on the expected future performance of the Group, and have compared the actual performance with the projections and expects the carrying amount of these assets as reflected in the balance sheet as at 30 September 2021 will be recovered. The management has also estimated the future cash flows with the possible effects that may result from the COVID-19 pandemic and does not foresee any adverse impact on realising its assets and in meeting its liabilities as and when they fall due. The impact of COVID-19 on the Group's financial statements may differ from that estimated as at the date of approval of these Condensed Consolidated Financial Statements.

d) Current versus non-current classification

The Embassy Office Parks Group presents assets and liabilities in the Condensed Consolidated Balance Sheet based on current/ non-current classification:

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Embassy Office Parks Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Embassy Office Parks Group has identified twelve months as its operating cycle.

The Group has net current liabilities of Rs.47,656.01 million as at 30 September 2021 mainly due to the maturity of Embassy REIT Series I, Non-Convertible debentures (NCD) 2019 in June 2022. Subsequent to the period ended 30 September 2021, the Group has issued Series V Non-Convertible debentures (NCD) 2021 amounting to Rs.31,000 million on 18 October 2021 as well as raised a term loan facility of Rs.15,000 million from a bank to refinance the current maturities of Series I NCD 2019.

(all amounts in Rs. million unless otherwise stated)

2.2 Summary of significant accounting policies (continued)

e) Measurement of fair values

A number of the Embassy Office Parks Group accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability; or
- in the absence of a principal market, in the most advantageous market for the Asset or liability.

The principal or the most advantageous market must be accessible by the Embassy Office Parks Group. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Embassy Office Parks Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

The Embassy Office Parks Group has an established control framework with respect to the measurement of fair values. The Embassy Office Parks Group engages with external valuers for measurement of fair values in the absence of quoted prices in active markets.

While measuring the fair value of an asset or liability, the Embassy Office Parks Group uses market observable data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on inputs used in the valuation techniques as follows-

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Embassy Office Parks Group uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Embassy Office Parks Group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

f) Investment property

Property that is held for long-term rental yields or for capital appreciation or both is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Embassy Office Parks Group and the cost of the item can be measured reliably. The cost of the assets not ready for their intended use before such date, are disclosed as investment property under development. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of such replaced position is derecognised.

Investment properties are depreciated on straight-line method over their estimated useful lives. However, where the management's estimate of the remaining useful life of the assets on a review subsequent to the time of acquisition is different, then depreciation is provided over the remaining useful life based on the revised useful life. The residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively.

Pursuant to this policy, Management's estimates of useful life of the following major assets under straight-line method are as follows:

Asset category	Estimated useful life (in years)
Buildings	60 years
Plant and Machinery	15 years
Furniture and Fixtures	12 years
Electrical Equipment	15 years
Leasehold land*	30 - 99 years based on the primary lease period

Pro-rata depreciation is provided on properties purchased or sold during the year.

*Upfront premium paid under lease-cum-sale agreements to acquire land where the Embassy Office Parks Group has an option to purchase the land at the end of/during the lease term are not amortised over the lease period.

Investment property acquired on Business Combination is depreciated over the remaining useful life from the date of acquisition as certified by the technical valuer.

Investment properties are subsequently measured at cost less accumulated depreciation and impairment losses, if any.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition. In determining the amount of consideration from the derecognition of investment property the Group considers the effects of variable consideration, existence of a significant financing component, non-cash consideration, and consideration payable to the buyer (if any).

Note: Plant and machinery, furniture and fixtures and electrical equipment which are physically attached to the building are considered as part of the investment property.

(all amounts in Rs. million unless otherwise stated)

2.2 Summary of significant accounting policies (continued)

g) Property, plant and equipment and intangible assets

Property, plant and equipment are carried at cost of acquisition or construction less accumulated depreciation. The cost of property, plant and equipment includes freight, duties, taxes and other incidental expenses related to the acquisition or construction of the respective assets. The cost of such assets not ready for their intended use are disclosed as capital work-in-progress.

Intangible assets are recorded at their acquisition cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

Depreciation is provided on the straight-line basis over the estimated useful lives of each component of an item of property, plant and equipment and intangibles as follows:

Asset category	Estimated useful life (in years)
Buildings	60 years
Plant and Machinery	15 years
Furniture and Fixtures	12 years
Electrical Equipment	15 years
Office Equipment	5 years
Computers	3 years
Computer Software	3 years
Operating Supplies	2-5 years
Vehicles	8 years

Upfront premium paid under lease-cum-sale agreements to acquire land where the Embassy Office Parks Group has an option to purchase the land at the end of/during the lease term are not amortised over the lease period.

The useful lives of intangible assets are assessed as either finite or indefinite.

Right to use trademark: The earnings potential of trade name/ trademark can at times be substantial. A trademark is recognized on a reporting company's balance sheet as an intangible asset separate from goodwill because it satisfies either of the following two tests:

- It arises from legal rights (a trademark is essentially a bundle of rights)
- It is capable of being sold, transferred, and licensed separately from other assets of the acquiring company

The recognition of an acquired trademark is performed as part of a purchase price allocation, whereby a portion of the price paid by the acquirer for all of the acquired assets is assigned to the trademark using an acceptable valuation methodology.

The life of the Right to use trademark is considered indefinite because there is no foreseeable limit nor any specific covenant that limits the time period over which the asset is expected to generate net cash inflows for the SPVs.

Intangible assets comprising of Right to use trademark with indefinite useful lives are not amortised, but are tested for impairment annually, at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Power purchase agreement is one of the essential contracts required for a small power generating company with limited production capacity and marketability. Since sales with the customer take the form of a contract, the power purchase agreement meets the contractual criteria for recognition. This agreement provides ongoing and repeat business for the company and provides a platform for the company to reach profitability.

The initial useful life of the power purchase agreements is estimated to be 25 years based on the contract period and hence are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period and adjusted prospectively.

CAM service rights are contract-based intangible assets, which represent the value of contractual rights that arise from contractual arrangements. An entity establishes relationships with its customers through certain contracts, these customer relationships arise from contractual rights.

CAM service rights are recognised at their fair value as at the date of acquisition, these are subsequently amortised on a straight-line basis, over their estimated contractual lives.

Property, plant and equipment and Intangibles acquired on Business Combination, except right-to-use trademark, is depreciated over the remaining useful life from the date of acquisition as certified by the technical valuer.

When parts of an item of plant and equipment have different useful lives, they are treated as separate components and depreciated over their respective estimated useful lives.

The residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively.

Pro-rata depreciation is provided on all property, plant and equipment and intangible assets purchased or sold during the year.

Property, plant and equipment are subsequently measured at cost net of accumulated depreciation and accumulated impairment losses, if any,

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

(all amounts in Rs. million unless otherwise stated)

2.2 Summary of significant accounting policies (continued)

h) Non-current assets held for sale

Non-current assets are classified as held for sale if it is highly probable that they will be recovered primarily through sale rather than through continuing use. Such assets are generally measured at the lower of their carrying amount and fair value less costs to sell. Losses on initial classification as held for sale and subsequent gains and losses on re-measurement are recognised in the Consolidated Statement of Profit and Loss.

Once classified as held-for-sale, intangible assets, property, plant and equipment and investment properties are no longer amortised or depreciated, and any equity-accounted investee is no longer equity accounted.

i) Inventory

Stores and operating supplies

Inventories which comprises food and beverages and operating supplies are valued at lower of cost or net realisable value. Cost of inventories comprises purchase price, costs of conversion and other incidental costs incurred in bringing the inventories to their present location and condition. In determining the cost, weighted average cost method is used.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs to sell.

j) Impairment of non-financial assets

The Embassy Office Parks Group assesses, at each reporting date, whether there is an indication that a non-financial asset other than inventories and deferred tax assets may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Embassy Office Parks Group estimates the asset's recoverable amount.

An impairment loss is recognised in the Consolidated Statement of Profit and Loss if the carrying amount of an asset or its cash-generating unit (CGU) exceeds its recoverable unit. Impairment loss recognised in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU on a pro-rata basis. A CGU is the smallest identifiable asset group that generates cash flows that are largely independent from other assets and groups. Impairment losses are recognised in the Consolidated Statement of Profit and Loss, unless it reverses previous revaluation credited to equity, in which case it is charged to equity.

Goodwill arising from a business combination is allocated to CGUs or group of CGUs that are expected to benefit from the synergies of the combination. Goodwill is tested for impairment on an annual basis and more often, if there is an indication that goodwill may be impaired, relying on a number of factors including operating results, business plans and future cash flows. Impairment is determined for goodwill by assessing the recoverable amount of each CGU (or group of CGUs) to which the goodwill relates. When the recoverable amount of the CGU is less than its carrying amount, an impairment loss is recognised.

An asset's recoverable amount is the higher of an asset's or CGU's fair value less costs of disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or CGU.

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss in respect of goodwill is not subsequently reversed. In respect of other assets, such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation, if no impairment loss had been recognised.

k) Foreign currency transactions

Transactions in foreign currencies are translated into the respective functional currencies of Embassy Office Parks Group's entities at the exchange rates at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction.

Exchange differences arising on foreign exchange transactions settled and from translations during the year are recognised in the Consolidated Statement of Profit and Loss of the year except exchange differences arising from the translation of the items which are recognised in OCI.

l) Financial instruments

i) Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Embassy Office Parks Group becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit or loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

(all amounts in Rs. million unless otherwise stated)

2.2 Summary of significant accounting policies (continued)

1) Financial instruments (continued)

ii) Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- Amortised cost:
- Fair value through other comprehensive income (FVOCI) debt instrument;
- Fair value through other comprehensive income (FVOCI) equity instrument; or
- Fair value through profit or loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Embassy Office Parks Group changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of the principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of the principal and interest on the principal amount outstanding.

On initial recognition of an equity instrument that is not held for trading, the Embassy Office Parks Group may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment by investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Embassy Office Parks Group may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI or at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Embassy Office Parks Group makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to the Management. The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realising cash flows through the sale of the assets;
- how the performance of the portfolio is evaluated and reported to the Embassy Office Parks Group's management;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- how managers of the business are compensated e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Embassy Office Parks Group's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest

For the purpose of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Embassy Office Parks Group considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Embassy Office Parks Group considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Embassy Office Parks Group's claim to cash flows from specified assets (e.g. non recourse features)

A prepayment feature is consistent with the solely payment of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

(all amounts in Rs. million unless otherwise stated)

2.2 Summary of significant accounting policies (continued)

l) Financial instruments (continued)

Financial assets: Subsequent measurement and gains and losses

Financial assets: Subsequent measurement and gain	s una tosses
Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit and loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit and loss.
Debt instruments at FVOCI	These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in profit or loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to profit and loss.
Equity instruments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit and loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit and loss. Any gain or loss on derecognition is also recognised in profit and loss.

iii) Derecognition

Financial assets

The Embassy Office Parks Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Embassy Office Parks Group neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Embassy Office Parks Group enters into transactions whereby it transfers assets recognised in its Condensed Consolidated Balance Sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Embassy Office Parks Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired.

The Embassy Office Parks Group also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit and loss.

iv) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the Condensed Consolidated Balance Sheet only when the Embassy Office Parks Group has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

m) Compound financial instruments

The liability component of a compound financial instrument is initially recognised at the fair value of a similar liability that does not have an equity conversion option. The equity component is initially recognised at the difference between the fair value of the compound financial instrument as a whole and the fair value of the liability component. Any directly attributable transaction costs are allocated to the liability and equity components in proportion to their initial carrying amounts.

Subsequent to initial recognition, the liability component of a compound financial instrument is measured at amortised cost using the effective interest method. The equity component of a compound financial instrument is not measured subsequently.

Interest related to the financial liability is recognised in profit and loss (unless it qualifies for inclusion in cost of asset). In case of conversion at maturity, the financial liability is reclassified to equity and no gain or loss is recognised.

n) Rental support

Rental supports that are an integral part of an acquisition transaction is treated as a deduction in the acquisition cost of such investment property. Where, the right to receive the rental support is spread over a period of time, the right to receive the rental support is reduced from the acquisition cost and is recognised as a financial asset at fair value and subsequently measured at amortised cost based on effective interest rate method.

Embassy Office Parks REIT Condensed Consolidated Financial Statements

Notes to Accounts

(all amounts in Rs. million unless otherwise stated)

2.2 Summary of significant accounting policies (continued)

o) Impairment of financial assets

Financial assets

The Embassy Office Parks Group recognises loss allowances for expected credit losses on:

- financial assets measured at amortised cost; and
- financial assets measured at FVOCI- debt investments

At each reporting date, the Embassy Office Parks Group assesses whether financial assets carried at amortised cost and debt securities at FVOCI are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer; or
- a breach of contract such as a default or being past due for 180 days or more; or
- the restructuring of a loan or advance by the Embassy Office Parks Group on terms that in the material assessment of the Embassy Office Parks Group it would not consider otherwise: or
- it is probable that the borrower will enter bankruptcy or other financial reorganization; or
- the disappearance of an active market for a security because of financial difficulties

The Embassy Office Parks Group measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- debt securities that are determined to have low credit risk at the reporting date; and
- other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses.

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Embassy Office Parks Group is exposed to credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Embassy Office Parks Group considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Embassy Office Parks Group's historical experience and informed credit assessment and including forward-looking information.

The Embassy Office Parks Group assumes that the credit risk on a financial asset has increased significantly if it is more than 180 days past due.

The Embassy Office Parks Group considers a financial asset to be default when:

- the borrower is unlikely to pay its credit obligations to the Embassy Office Parks Group in full, without recourse by the Embassy Office Parks Group to actions such as realising security (if any is held); or
- the financial asset is 180 days or more past due without any security

Measurement of expected credit losses: Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Embassy Office Parks Group and the cash flows that the Embassy Office Parks Group expects to receive).

Presentation of allowance for expected credit losses in the balance sheet: Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets. For debt securities at FVOCI, the loss allowance is charged to profit and loss account and is recognised in OCI.

Write-off: The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Embassy Office Parks Group determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Embassy Office Parks Group's procedures for recovery of amounts due.

Majority of the financial assets of the Embassy Office Parks Group pertain to trade and other receivables. Considering the nature of business, the Embassy Office Parks Group does not foresee any credit risk on its trade and other receivables which may cause an impairment. As per the agreement with tenants, the receivables are covered by clause of payment security mechanism which ensures receipt of all trade receivables. Also, the Embassy Office Parks Group does not have any past history of significant impairment of trade and other receivables.

p) Embedded derivatives

When the Embassy Office Parks Group becomes a party to a hybrid contract with a host that is not an asset within the scope of Ind AS 109 Financial Instruments, it identifies whether there is an embedded derivative. Embedded derivatives are separated from the host contract and accounted for separately if the host contract is not a financial asset and certain criteria are met.

(all amounts in Rs. million unless otherwise stated)

2.2 Summary of significant accounting policies (continued)

q) Financial guarantee contracts

Financial guarantee contracts are recognised as a financial liability at the time the guarantee is issued. The liability is initially measured at fair value and subsequently at the higher of the amount determined in accordance with Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets and the amount initially recognised less cumulative amortisation, where appropriate.

The fair value of financial guarantees is determined as the present value of the difference in net cash flows between the contractual payments under the debt instrument and the payments that would be required without the guarantee, or the estimated amount that would be payable to a third party for assuming the obligations.

When guarantees in relation to debt or other payables of subsidiaries or associates are provided for with no compensation, the fair values are accounted as contributions and recognised as part of the cost of investment.

r) Leases

Embassy Office Parks Group as a lessee

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Embassy Office Parks Group recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability, adjusted for any lease payments made at or before the commencement date, less any lease incentives received, plus any initial direct costs incurred and an estimate of the costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located.

The right-of-use assets is subsequently measured at cost less accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the Statement of Profit and Loss.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the incremental borrowing rate applicable to the entity within the Embassy Office Parks Group. Generally, the Embassy Office Parks Group uses its incremental borrowing rate as the discount rate. For leases with reasonably similar characteristics, the Embassy Office Parks Group, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole.

The Embassy Office Parks Group recognises the amount of the re-measurement of lease liability as an adjustment to the right-of-use asset. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Embassy Office Parks Group recognises any remaining amount of the re-measurement in profit and loss.

The Embassy Office Parks Group has elected not to recognise right-of-use assets and lease liabilities for short-term leases of all assets that have a lease term of 12 months or less and leases of low-value assets. The Embassy Office Parks Group recognizes the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Embassy Office Parks Group as a lessor

i. Determining whether an arrangement contains a lease

At inception of an arrangement, it is determined whether the arrangement is or contains a lease. At inception or on reassessment of the arrangement that contains a lease, the payments and other consideration required by such an arrangement are separated into those for other elements on the basis of their relative fair values.

ii. Assets held under leases

Leases in which the Embassy Office Parks Group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease term. The lease term is the non-cancellable period together with any further term for which the tenant has the option to continue the lease, where, at the inception of the lease, the Embassy Office Parks Group is reasonably certain that the tenant will exercise that option. Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Embassy Office Parks Group to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Embassy Office Parks Group's net investment in the leases.

iii. Initial direct costs

Initial direct costs such as brokerage expenses incurred specifically to earn revenues from an operating lease are capitalised to the carrying amount of leased asset and recognised over the lease term on the same basis as rental income.

Embassy Office Parks REIT Condensed Consolidated Financial Statements

Notes to Accounts

(all amounts in Rs. million unless otherwise stated)

Summary of significant accounting policies (continued)

s) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. This inter alia involves discounting of the consideration due to the present value if payment extends beyond normal credit terms.

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services.

Revenue is recognised when recovery of the consideration is probable and the amount of revenue can be measured reliably.

i) Rental income from investment properties

Rental income from property leased under operating lease is recognised in the statement of profit and loss on a straight-line basis over the term of the lease. Lease incentives granted are recognised as an integral part of the total rental income. The lease term is the non-cancellable period together with any further term for which the tenant has the option to continue the lease, where, at the inception of the lease, the Embassy Office Parks Group is reasonably certain that the tenant will exercise that option. Contingent rents are recognised as revenue in the period in which they are earned on a receipt basis.

ii) Income from finance lease

For assets let out under finance lease, the Group recognises a receivable at an amount equal to the net investment in the lease. Rentals received are accounted for as repayment of principal and finance income. Minimum lease payments receivable on finance leases are apportioned between the finance income and the reduction of the outstanding receivable. The finance income allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining net investment in the finance lease. Contingent rents are recorded as income in the periods in which they are earned.

iii) Revenue from Room Rentals

Revenue from room rentals are based on the occupancy charged on the basis of room rates which are contracted (exclusive of applicable taxes).

iv) Revenue from contract with customers

a) Revenue from maintenance services is recognised as and when the services are rendered based on the terms of the contracts with the lessees.

b) Revenue from Food, beverages and banquets

Revenue from food and beverages are recorded as and when food is served. Revenue generated from the banquet services offered are charged on the basis of cover charges per person which is billed (exclusive of applicable taxes) based on guaranteed covers if actual cover is less than contracted.

c) Other operating income

Other operating income, including service charges on rooms and Food & Beverage (F&B) revenues and other hospitality-related operating income is recognised when the services are rendered and the same become chargeable. Revenue from other services is recognised on accrual basis as per the terms of the

v) Recognition of dividend and interest income

Dividend income is recognised in profit and loss on the date on which the Embassy Office Parks Group's right to receive payment is established.

Interest income is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset.

In calculating interest income, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired). However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

t) Employee benefits

Defined contribution plan

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Embassy Office Parks Group makes specified monthly contributions towards government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit and loss in the periods during which the related services are rendered by employees. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

Gratuity

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Embassy Office Parks Group's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Embassy Office Parks Group, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

(all amounts in Rs. million unless otherwise stated)

2.2 Summary of significant accounting policies (continued)

t) Employee benefits (continued)

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI. The Embassy Office Parks Group determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or loss. The Embassy Office Parks Group recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Compensated absences

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid, if the Embassy Office Parks Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

Assets or liabilities related to employee benefit arrangements acquired on Business Combination are recognised and measured in accordance with Ind AS 19 Employee Benefits.

u) Borrowing costs

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

Interest expense is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments through the expected life of the financial instrument to the amortised cost of the financial liability. In calculating interest expense, the effective interest rate is applied to the amortised cost of the liability.

Capitalisation rate used to determine the amount of borrowing costs to be capitalised is the weighted average borrowing costs (WABC). Capitalisation of borrowing costs is suspended during the extended period in which active development is interrupted. Capitalisation of borrowing costs is ceased when substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are complete.

v) Taxation

Income tax comprises current and deferred tax. Income tax expense is recognised in the Consolidated Statement of Profit and Loss except to the extent it relates to items directly recognised in equity or in other comprehensive income.

(i) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the period/year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

(ii) Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

- Temporary differences arising on the initial recognition of assets and liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction;
- -Temporary differences related to investments in subsidiaries, associates, and joint arrangements to the extent that the Embassy Office Parks Group is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and
- Taxable temporary differences arising on initial recognition of goodwill.

Deferred income tax asset are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Embassy Office Parks Group recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised.

Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/reduced to the extent that it is probable/no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted at the reporting date.

(all amounts in Rs. million unless otherwise stated)

2.2 Summary of significant accounting policies (continued)

v) Taxation (continued)

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Embassy Office Parks Group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax assets and liabilities, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

Tax impact of timing difference which arise during the tax holiday period are recognised only to the extent of those differences which are reversed after the tax holiday period.

Minimum Alternative Tax ('MAT') under the provisions of the Income Tax, 1961 is recognised as current tax in the Consolidated Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Embassy Office Parks Group will pay normal income tax during the period for which MAT credit can be carried forward for set-off against normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

Deferred tax assets or liabilities acquired on Business Combination are recognised and measured in accordance with Ind AS 12 Income taxes.

w) Provisions and contingencies

The Embassy Office Parks Group recognises a provision when there is a present obligation (legal or constructive) as a result of a past obligating event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

If the effect of the time value of money is material, provisions are discounted.

x) Operating segments

An operating segment is a component of the Embassy Office Parks Group that engages in business activities from which it may earn revenues and incur expenses. All operating segments' operating results are reviewed regularly by a representative of the Embassy Office Parks Group, the Embassy Office Parks Group's Chief Operating Decision Maker ('CODM'), to make decisions about resources to be allocated to the segment and assess its performance, and for which discrete financial information is available.

Net Operating Income ('NOI') is the key metric reported to the CODM for the purposes of assessment of the segment results. The same is defined as follows:

Commercial Offices segment:

NOI for commercial offices is defined as Revenue from operations (which includes (i) facility rentals, (ii) maintenance services income, (iii) income from finance lease, and (iv) other operating income for Commercial Offices) less Direct operating expenses (which includes (i) Operating and maintenance expenses including common area maintenance expenses (ii) property taxes, (iii) rent, and (iv) insurance).

Hospitality segment:

NOI for hospitality segment is defined as Revenue from operations (which includes (i) room rentals, (ii) sale of food and beverages, (iii) other operating income for hospitality less Direct operating expenses (which includes (i) cost of materials consumed, (ii) employee benefits expenses, (iii) Operating and maintenance expenses excluding property management fees, and (iv) Other expenses).

Other segment:

NOI for other segments is defined as Revenue from operations (which includes income from generation of renewable energy) less Direct operating expenses (which includes (i) Operating and maintenance and (ii) Other expenses).

Certain income (such as interest, dividend and other income) and certain expenses (such as Other expenses excluding Direct operating expenses, depreciation, amortization, impairment and finance cost) are not specifically allocable to segments and accordingly these expenses are adjusted against the total income of the Embassy Office Parks Group.

y) Errors and estimates

The Embassy Office Parks Group revises its accounting policies if the change is required due to a change in Ind AS or if the change will provide more relevant and reliable information to the users of the Condensed Consolidated Financial Statements. Changes in accounting policies are applied retrospectively.

A change in an accounting estimate that results in changes in the carrying amounts of recognised assets or liabilities or to profit or loss is applied prospectively in the period(s) of change. Discovery of errors results in revisions retrospectively by restating the comparative amounts of assets, liabilities and equity of the earliest prior period in which the error is discovered. The opening balances of the earliest period presented are also restated.

(all amounts in Rs. million unless otherwise stated)

2.2 Summary of significant accounting policies (continued)

z) Cash and cash equivalents

Cash and cash equivalents in the Consolidated Balance Sheet comprises of cash at banks and on hand, deposits held at call with bank or financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

aa) Distribution Policy:

Under the provisions of the REIT Regulations, Embassy Office Parks REIT is required to distribute to the Unitholders not less than ninety percent of the net distributable cash flows ('NDCF') of Embassy Office Parks REIT and the current policy of the Manager is to comply with such requirement. The NDCF is calculated in accordance with the REIT Regulations and in the manner provided in the NDCF framework defined by the Manager. The Manager has made certain clarificatory amendments to the NDCF framework under the Distribution Policy to ensure that there is no ambiguity in computing the NDCF at Embassy REIT and SPV/Holdco level. The amended framework is approved by a special majority in the Unitholder's Meeting held on 8 July 2021 and is effective from 1 April 2021.

In terms of the REIT Regulations and NDCF framework which prescribes for the minimum amount of NDCF to be distributed to Embassy Office Parks REIT:

- not less than 90% of the NDCF of the SPVs are required to be distributed to the Embassy Office Parks REIT, in proportion to its shareholding in the SPV, subject to applicable provisions of the Companies Act, 2013.
- 100% of the cash flows received by the Holding Company from the underlying SPVs are required to be distributed to the Embassy Office Parks REIT, and not less than 90% of the NDCF generated by the Holding Company on its own shall be distributed to the Embassy Office Parks REIT, subject to applicable provisions of the Companies Act, 2013.
- The aforesaid net distributable cash flows are made available to Embassy Office Parks REIT in the form of (i) Interest paid on Shareholder Debt provided by Embassy Office Parks REIT to the SPV's/Holding Company, (ii) Principal repayment of Shareholder Debt, (iii) Dividend declared by the SPV's/Holding Company and received by Embassy Office Parks REIT and (iv) Proceeds from sale of any Embassy REIT assets.

Since Embassy Office Parks REIT endeavours to quarterly distributions, any shortfall as regards minimum quarterly distribution by the SPVs and Holding Company to Embassy Office Parks REIT, post interest paid on Shareholder Debt, Interim Dividend payments and Principal repayment of Shareholder Debt, would be done by declaring dividend, to the extent permitted under the Companies Act, 2013. Further, repayment of short-term construction debt given to SPVs and interest on external debt paid and capitalised to development work in progress, to the extent funded by debt, are not considered for NDCF computation.

ab) Cash distribution to Unitholders

The Group recognises a liability to make cash distributions to Unitholders when the distribution is authorised and a legal obligation has been created. As per the REIT Regulations, a distribution is authorised when it is approved by the Board of Directors of the Manager. A corresponding amount is recognised directly in equity.

ac) Consolidated Statement of Cash flows

Consolidated Cash flows are reported using the indirect method, whereby Profit/ (loss) before share of profit of equity accounted investees and tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Embassy Office Parks Group are segregated.

For the purpose of the Consolidated Statement of Cash Flow, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Embassy Office Parks Group's cash management.

ad) Earnings per unit

The basic earnings per unit is computed by dividing the net profit/ (loss) attributable to the Unitholders of the Trust by the weighted average number of units outstanding during the reporting period. The number of units used in computing diluted earnings/ (loss) per unit comprises the weighted average units considered for deriving basic earnings/ (loss) per unit and also the weighted average number of units which could have been issued on the conversion of all dilutive potential units.

Dilutive potential units are deemed converted as of the beginning of the reporting date, unless they have been issued at a later date. In computing diluted earnings per unit, only potential equity units that are dilutive and which either reduces earnings per share or increase loss per units are included.

ae) Earnings before finance costs, depreciation, amortisation, impairment loss and tax

The Embassy Office Parks Group has elected to present earnings before finance cost, depreciation, amortisation, impairment loss and tax as a separate line item on the face of the Consolidated Statement of Profit and Loss. The Embassy Office Parks Group measures earnings before finance cost, depreciation, amortisation, impairment loss and tax excluding share of profit of equity accounted investees on the basis of profit/ (loss) from continuing operations. In its measurement, the Embassy Office Parks Group does not include depreciation and amortisation expense, impairment loss, finance costs, share of profit of equity accounted investees and tax expense.

(all amounts in Rs. million unless otherwise stated)

2.2 Summary of significant accounting policies (continued)

af) Statement of net assets at fair value

The disclosure of Statement of Net Assets at Fair value comprises of the fair values of the properties held by Asset SPVs and the HoldCo as well as book values of the total liabilities and other assets of all SPVs consolidated. The fair value of the property held by Asset SPVs and HoldCo are reviewed semi-annually by the independent property valuer taking into consideration market conditions existing at the reporting date, and other generally accepted market practices. The independent valuer is leading independent appraiser with a recognised and relevant professional qualification and experience.

ag) Recent pronouncements

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 inter alia as follows:

Balance Sheet:

- Lease liabilities should be separately disclosed under the head 'financial liabilities', duly distinguished as current or non-current.
- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters.
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

Statement of profit and loss:

- Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of consolidated financial statements.

These amendments are extensive and the Group has given effect to few of these relevant to the preparation of the Condensed Consolidated Financial Statements. Further, the Group will evaluate the same to give effect to them as required by law in the Annual financial statements.

*Above assets have been acquired as part of business combination. Refer note 2.1 Basis for consolidation and note 48 and 49.

Notes:

i EPTPL: The leasehold land for Embassy Techzone is taken from Maharashtra Industrial Development Corporation ('MIDC') on a lease for a period of 95 years. The lease expires in July 2100. Pursuant to the Composite Scheme of Arrangement (the Scheme) approved by National Company Law Tribunal (NCLT), the transfer for lease deeds of the leasehold land to EPTPL is in process (refer note 54).

ii. OBPPL. The leasehold land for Embassy Oxygen is taken from New Okhla Industrial Development Authority (NOIDA) on lease for a lease period of 90 years. The lease expires in September 2097

iii. ETPL: The leasehold land for First International Financial Centre is taken from Mumbai Mahanagar Regional Development Authority ("MMRDA") on a lease for a period of 80 years. The lease expires in June 2088

iv. GSPL: The leasehold land for Embassy Galaxy is taken from NOIDA on a lease for a period of 90 years. The lease expires in June 2095.

shall sell the land to VTPL at any time during the tenure of the lease or on expiry of the lease period, if VTPL has performed all the conditions contained in the agreement and committed no breach thereof. VTPL had converted the leasehold land measuring 81.385 vi. VTPL: VTPL had earlier entered into lease-cum sale agreement for the land located in Embassy Tech Village with Kamataka Industrial Area Development Board (KIADB) for a period of 20 years commencing from 16 June 2006. As per the lease agreement KIADB v. QBPL: The leasehold land for Embassy Quadron is taken from MIDC for a lease term of 95 years. The lease expires in October 2100. As per the lease agreement the Company can renew the lease for a further period of 95 years.

vii. Investment property comprises of commercial buildings and other assets forming part of the buildings, that is leased to third parties. The license agreement entered into with tenants may or may not contain an initial non-cancellable period. Subsequent renewals of acres into a freehold land as per the sale deed entered with KIADB on 12 February 2018. Further, 1 acre and 37 guntas leasehold land is yet to be registered and is classified as a leasehold land and no depreciation has been charged on the same. these license agreements are negotiated with the tenants and historically the average renewal period ranges between three and five years.

viii. The investment property have been leased out to lessees / held for lease on operating lease basis.

ix. The plant and machinery and furniture and fixtures are physically attached to the buildings and form an integral part thereof, hence they are considered as investment property.

x. Additions to investment property and investment property under development include borrowing cost amounting to Rs.379.69 million (31 March 2021: Rs.184.43 million) at a capitalisation rate which is the SPV specific Weighted Average Borrowing Cost (WABC). xi. In accordance with Ind AS 116-Leases, investment property includes Right-of-Use (ROU) asset of Rs. 332.24 million (31 March 2021: Rs. 304.21 million) which is recorded under Land Leasehold. The corresponding lease liability amounting to Rs. 331.25 million (31 March 2021: Rs. 304.21 million) March 2021: Rs.334.87 million) is recorded under other financial liabilities.

xii. Accumulated Depreciation as at 30 September 2021 includes impairment loss of Rs.31.71 million (31 March 2021: Rs.31.71 million)

As a result of the valuation, during the previous year ended 31 March 2021 an impairment loss of Rs.437.20 million was recognized in the Statement of Profit and Loss against Goodwill, an impairment loss of Rs.520.05 million was recognized in the Statement of Profit and Loss against property, plant and equipment and an impairment loss of Rs.31.71 million was recognized in the Statement of Profit and Loss against investment property totalling to Rs.988.96 million as impairment loss. Impairment loss majorly relates to the hospitality segment and more specifically UPPL (Hilton Hotel), and hospitality segment of QBPL (Four Seasons Hotel) as well as Embassy One (Commercial segment) forming part of QBPL. The impairment loss in these CGUs due to slower ramp up of room occupancy, slower than anticipated lease-up coupled with the current economic conditions due to Covid-19 pandemic. The annual impairment test performed considers the current economic conditions and revised business plans to determine the higher of the "value in use" and the "fair value less cost to sell" in accordance with Ind AS 36.

The financial projections basis which the future cash flows have been estimated considering the increase in economic uncertainties due to COVID-19, revisiting the key operating assumptions as well as growth rates factored while arriving at terminal value and subjecting these variables to sensitivity analysis.

18 Unit Capital

Unit Capital	No in Million	Amount
As at 1 April 2020	771.67	229,120.96
Units issued during the year	176.23	59,999.35
Less: Issue expenses (refer note below)	-	(858.20)
Closing balance as at 31 March 2021	947.90	288,262.11
As at 1 April 2021	947.90	288,262.11
Changes during the period	-	-
Closing balance as at 30 September 2021	947.90	288,262.11

Note:

During the previous year ended 31 March 2021 estimated issue expenses pertaining to further issue of units (Institutional Placement and Preferential Allotment) were reduced from the Unitholders capital in accordance with Ind AS 32 Financial Instruments: Presentation. The issue expenses included payments to auditor of Rs.51.55 million (excluding applicable taxes).

(a) Terms/ rights attached to Units

The Trust has only one class of Units. Each Unit represents an undivided beneficial interest in the Trust. Each holder of Units is entitled to one vote per unit. The Unitholders have the right to receive at least 90% of the Net Distributable Cash Flows of the Trust at least once in every six months in each financial year in accordance with the REIT Regulations. The Board of Directors of the Manager approves distributions to Unitholders. The distribution will be in proportion to the number of Units held by the Unitholders. The Trust declares and pays distributions in Indian Rupees.

Under the provisions of the REIT Regulations, Embassy Office Parks REIT is required to distribute to Unitholders not less than 90% of the net distributable cash flows of Embassy Office Parks REIT for each financial year. Accordingly, a portion of the Unitholders' funds contains a contractual obligation of the Trust to pay to its Unitholders cash distributions. The Unitholders' funds could have been classified as compound financial instrument which contain both equity and liability components in accordance with Ind AS 32 - Financial Instruments: Presentation. However, in accordance with SEBI Circulars (No. CIR/IMD/DF/146/2016 dated 29 December 2016 and No. CIR/IMD/DF/141/2016 dated 26 December 2016) issued under the REIT Regulations, the Unitholders' funds have been classified as equity in order to comply with the mandatory requirements of Section H of Annexure A to the SEBI Circular dated 26 December 2016 dealing with the minimum disclosures for key financial statements. Consistent with Unitholders' funds being classified as equity, the distributions to Unitholders is presented in Statement of Changes in Unitholders' Equity and not as finance cost. In line with the above, the dividend payable to Unitholders is recognised as liability when the same is approved by the Manager.

(b) Unitholders holding more than 5 percent Units in the Trust

Name of the Unitholder	As at 30 September 2021		As at 30 September 2021 As at 3		As at 31 March	2021
	No of Units	% holding	No of Units	% holding		
Embassy Property Developments Private Limited	115,484,802	12.18%	115,484,802	12.18%		
SG Indian Holding (NQ) Co I Pte Limited	74,262,742	7.83%	88,333,166	9.32%		
BRE Mauritius Investments	77,431,543	8.17%	83,730,208	8.83%		

(c) The Trust has not allotted any fully paid-up units by way of bonus units nor has it bought back any class of units from the date of incorporation till the balance sheet date. Further, the Trust has issued an aggregate of 613,332,143 Units at Rs.300.00 each for consideration other than cash from the date of incorporation till 30 September 2021.

Further, during the year ended 31 March 2021, the Trust has issued 111,335,400 Units at a price of Rs.331.00 per Unit through an Institutional Placement. The Trust also made Preferential allotment of 64,893,000 Units at Rs.356.70 per Unit to acquire 40% equity interest of VTPL held by third party shareholders.

Notes (Also in line with regulation 54 of SEBI Listing and Disclosure Regulations (LODR), 2015 as amended):

(i) In May 2019, the Trust issued 30,000 listed, AAA rated, secured, redeemable and non-convertible Embassy REIT Series I NCD 2019 (Tranche I), debentures having face value of Rs.1 million each amounting to Rs.30,000.00 million with an Internal Rate of Return (IRR) of 9.4% and will mature on 2 June 2022. In November 2019, the Trust further issued 6,500 such debentures (Tranche II) with an Internal Rate of Return (IRR) of 9.05% and with same terms and conditions as Tranche I.

The Tranche I and Tranche II NCD described above were listed on the Bombay Stock Exchange on 15 May 2019 and 28 November 2019 respectively.

Security terms

The NCD's are secured against each of the following in favour of the Security Trustee (holding for the benefit of the Debenture Trustee and ranking pari passu inter se the Debenture Holders):

- 1. A sole and exclusive first ranking charge created by MPPL on (a) land measuring 112.475 acres at Bengaluru together with blocks and various commercial buildings; (b) 1.022 acres (Phase 1) and 1.631 (Phase IV) acres of undivided right, title and interest in the commercial complex known as "Mfar Manyata Tech Park". The above charge excludes L1 Office block, consisting of 4,77,949 sq.ft of super built up area along with the undivided share of the lands and future development / construction on Blocks designated as F1 and L4 that MPPL may undertake in the Project "Embassy Manyata Business Park" along with the remaining undivided share of such land.
- 2. A sole and exclusive first ranking pledge created by the Embassy REIT over their total shareholding in the SPVs namely QBPPL, ETPL, VCPPL, GSPL and MPPL together known as "secured SPVs".
- 3. A sole and exclusive first ranking charge by way of hypothecation created by the Embassy REIT over identified bank accounts and receivables of the Trust.
- 4. A sole and exclusive first ranking charge by way of hypothecation created by each secured SPV over identified bank accounts and receivables of each secured SPV.
- 5. A negative pledge on all assets of each secured SPV except MPPL.

Redemption terms:

- 1. These debentures are redeemable by way of bullet payment on 2 June 2022.
- 2. Tranche I debentures have a redemption premium of 9.4% IRR compounded annually and Tranche II debentures have a redemption premium of 9.05% IRR compounded annually.
- 3. In case of downgrading of credit rating, the IRR shall increase by 0.25% 1.25% over and above the applicable IRR calculated from the date of change of rating. In case of any subsequent upgrading of credit rating, the IRR shall restore/decrease by 0.25% 1.00% over and above the applicable IRR calculated from the date of change of rating.
- 4. The issuer shall have the option of redeeming all or part of the debentures on a pro-rata basis at any time on a specified call option date (between May 2021 to May 2022) by delivering a Call Option Notice to the debenture holders prior to the relevant call option date, subject to certain agreed minimum aggregate nominal value of debentures being redeemed.

The Trust has issued a call option notice dated 1 October 2021 and accordingly these debentures are due for redemption on 2 November 2021 as per the terms of debenture trust deed.

Since these debentures are due for maturity in the next twelve months, they have been disclosed as current maturities of long term debt under short-term borrowings [refer note 20(vii) and 25].

EMBASSY

(all amounts in Rs. million unless otherwise stated)

20 Non-current Borrowings (continued)

(ii) In September 2020, the Trust issued 7,500 listed, AAA rated, secured, redeemable and non-convertible Embassy REIT Series II NCD 2020 (Tranche A), debentures having face value of Rs.1 million each amounting to Rs.7,500.00 million with a coupon rate of 7.25% p.a. payable quarterly. In October 2020, the Trust further issued 7,500 such debentures (Tranche B), with a coupon rate of 6.70% p.a. payable quarterly and with same terms and conditions as Tranche A

The Tranche A and Tranche B NCD described above were listed on the Bombay Stock Exchange on 17 September 2020 and 05 November 2020 respectively.

- (i) Since these debentures are due for maturity in the next twelve months, they have been disclosed as current maturities of long term debt under short-term borrowings.
- (ii) In October 2020, pursuant to the Business Transfer Agreement with Embassy Services Private Limited (refer note 48) EPTPL has issued 100,000 unlisted, unrated, unsecured, redeemable and non-convertible debentures to ESPL having face value of Rs.100 each (EPTPL debentures) amounting to Rs.10.00 million with no interest rate attached. Further, MPPL has also issued 500,000 unlisted, unrated, unsecured, redeemable and non-convertible debentures to ESPL having face value of Rs.100 each amounting to Rs.50.00 million with same terms and conditions as EPTPL debentures.

Security terms

The NCD's rank pari passu with all other unsecured and unsubordinated debt of EPTPL and MPPL.

Redemption terms:

These debentures will be redeemed on the expiry of the tenure of 13 months in a single instalment for an aggregate redemption amount equal to the face value of all the NCDs (matures in November 2021).

(all amounts in Rs. million unless otherwise stated)

Notes to Accounts
(all amounts in Rs. million unless otherwise stated)

42 Earnings Per Unit (EPU)

Basic EPU amounts are calculated by dividing the profit for the period attributable to Unitholders by the weighted average number of units outstanding during the period. Diluted EPU amounts are calculated by dividing the profit attributable to Unitholders by the weighted average number of units outstanding during the period plus the weighted average number of units that would be issued on conversion of all the potential dilutive instruments into unit capital.

The following reflects the profit and unit data used in the basic and diluted EPU computation

MPPL: a) The SPV has received Section 153A assessment orders for AY 2009-10 to 2015-16 making additions under section 14A of Income Tax Act read with rule 8D of the Income-tax Rules in computing taxable income under the Income tax Act. The SPV has received demand orders to pay a sum of Rs.8.22 million for the assessment period. Appeals were filed before CIT(A) challenging the assessment orders. The CIT(A) had dismissed the appeals for AY 09-10, 11-12 and 12-13 upholding the assessment additions made. SPV has challenged the CIT(A) orders and filed appeals before Income-tax Appellate Tribunal [TTAT]. Pursuant to the dispute resolution scheme of settling the pending litigations under the Direct Tax Vivad-Se-Vishwas Act, 2020, the SPV has filed the applications for settling these litigations. The final settlement order from the Designated Authority has been received with the disputed tax demand and claims being settled. The SPV has therefore disclosed Nil (31 March 2021: Rs.8.22 million) as contingent liability.

- b) The erstwhile entity EOPPL (refer note 54) was assessed u/s. 143(3) of the Income Tax Act for AY 2016-17 and received assessment order dated 31 December 2018 with additions made u/s.14A of the Income Tax Act with a tax demand of Rs.172.28 million. The SPV has filed an appeal against the assessment order at the CIT (A) and has paid Rs.14.06 million under protest with balance demand stayed. Accordingly, the SPV has disclosed Rs.172.28 million (31 March 2021: Rs.172.28 million) as contingent liability.
- c) The erstwhile entity EOPPL (refer note 54) was assessed u/s. 143(3) of the Income Tax Act for AY 2017-18 and received assessment order dated 24 December 2019 with additions made u/s.14A of the Income Tax Act read with rule 8D of the Income-tax Rules and addition to the income based on reconciliation differences between Form 26AS and the books of accounts. Further, order u/s 154 of the Income Tax Act was received dated 26 July 2021 with a disallowance made u/s 115JB of the Act. Aggrieved by such orders the SPV has filed appeals before the CIT(A). Accordingly the SPV has disclosed Rs.109.50 million (31 March 2021: Rs. 74.17 million) as contingent liability.
- d) The erstwhile entity EOPPL (refer note 54) was assessed u/s. 143(3) of the Income Tax Act for AY 2018-19 and received assessment order dated 13 September 2021 with additions made u/s.14A of the Income Tax Act read with rule 8D of the Income-tax Rules and short grant of TDS credit. The SPV is in the process of filing an appeal with CIT(A). Accordingly, the SPV has disclosed Rs.26.82 million (31 March 2021: Nil) as contingent liability.

EMBASSY

(all amounts in Rs. million unless otherwise stated)

44 Commitments and contingencies (continued)

ii) Claims not acknowledged as debt in respect of Income Tax matters (continued)

QBPL: a) The SPV was assessed under section 143(3) of the Income Tax Act and has received a demand notice of Rs.71.71 million for AY 2010-11, on account of denial of benefit under section 80IAB for certain incomes as claimed by the SPV. The CIT(A) has passed necessary order upholding the stand of the Assessing Officer. The SPV thereafter filed an appeal with ITAT against the said order of CIT(A). The ITAT has disposed the appeal in favour of the SPV. Subsequent to this, Income tax Department has moved to Hon'ble High Court of Mumbai against the ITAT order. Based on the strong merits and favourable ITAT order, the SPV has disclosed Nil (31 March 2021: Rs.71.71 million) as a contingent liability.

b) The SPV was assessed for AY 2014-15 u/s. 143(3) of the Income Tax Act with disallowance of loan processing fees which was accepted by the SPV. No appeal was preferred and as a result a penalty order u/s. 271(1)(c) of the Act with demand of Rs.5.89 million was received. While the said demand has been paid, the SPV has contested this demand and filed an appeal with CIT(A) against the said order. Pursuant to the dispute resolution scheme of settling the pending litigations under the Direct Tax Vivad-Se-Vishwas Act, 2020, the SPV has filed the applications for settling these litigations. The final settlement order from the Designated Authority has been received with the disputed tax demand and claims being settled. The SPV has therefore disclosed Nil (31 March 2021: Rs.5.89 million) as a contingent liability.

QBPPL: The SPV had received an assessment order u/s. 143(3) of the Income Tax Act for AY 2015-16 with 14A disallowance, certain expense disallowances and short grant of TDS credit resulting in demand of Rs.3.76 million. An appeal against the assessment order was filed before CIT(A) and the same is in the process of hearing. Penalty proceedings have been initiated. Accordingly, the SPV has disclosed the above demand of Rs.3.76 million (31 March 2021: Rs.3.76 million) as a contingent liability.

OBPPL: The SPV had received an assessment order u/s. 143(3) of the Income Tax Act for AY 2011-12 and received a tax demand notice of Rs.69.83 million for Assessment Year 2011-12 wherein the Assessing Officer had disallowed the profit earned by the SPV on transfer of the land at a value which was in excess of its fair value and claimed as deduction under Section 80IAB. The SPV contested the said demand and had filed an appeal with the CIT(A) against the said order. The CIT(A) had disposed the appeal in favour of the SPV. Income Tax Department filed an appeal with ITAT against the order of CIT(A) and the same has been disposed in favour of SPV during the quarter ended 30 June 2021 by the ITAT. Accordingly, the SPV has disclosed Nil (31 March 2021: Rs.69.83 million) as a contingent liability.

IENMPL: The SPV received a tax demand notice of Rs.9.25 million for Assessment Year 2014-15 wherein the Assessing Officer had disallowed municipal tax paid claimed against Income from House property and additions made u/s.14A of the Income tax Act read with Rule 8D of the Income Tax Rules. The SPV contested the said demand and has filed an appeal with the CIT(A) against the said order. Accordingly, the SPV has disclosed Rs.9.25 million (31 March 2021: Rs.9.25 million) as contingent liability.

VTPL: (a) The SPV was reassessed u/s. 153C read with 143(3) of the Income Tax Act, 1961 for the AY 2003-04 and 2004-05. Certain additions u/s. 68 were made and tax demand of Rs.25.17 million was raised. The SPV filed an appeal against the demand order before CIT(A) which was upheld in favour of SPV quashing the demand raised. Aggrieved by the CIT(A) order, Income Tax Department filed an appeal before ITAT, Delhi which was dismissed and resultantly the income tax department filed an appeal before Hon'ble High Court of Karnataka which was also dismissed for want of jurisdiction. The Income tax department has now preferred an appeal before the Hon'ble High Court of Delhi. Accordingly, the SPV has disclosed Rs.25.17 million (31 March 2021: Rs.25.17 million) as contingent liability.

(b) The SPV was assessed u/s. 143(3) of the Income Tax Act, 1961 for AY 2018-19 with additions made u/s. 69C and u/s. 14A and a tax demand of Rs.2.67 million was raised and a stay application has been filed with the Assessing Officer. The SPV has preferred an appeal against the assessment order before the CIT(A). The SPV has therefore disclosed Rs.2.67 million (31 March 2021: Nil) as contingent liability.

iii) Claims not acknowledged as debt in respect of Indirect Tax matters

SPV	As at 30 September 2021	As at 31 March 2021
MPPL	553.64	605.50
ETPL	64.73	64.73
GSPL	23.99	23.99
VCPPL	40.66	40.66
UPPL	23.04	30.61
VTPL	4.31	4.31
	710.37	769.80

MPPL: (a) The SPV had received Order-in-original dated 23 December 2015 with a demand to pay a sum of Rs.522.04 million (including interest and penalty) from the Commissioner of Central Excise Bangalore-V Commissionerate towards incorrectly availed Cenvat credit during the period 1 April 2006 to 31 March 2012. Appeal has been filed before CESTAT dated 18 April 2016. The appeal is still pending before CESTAT and the amount of Rs.522.04 million (31 March 2021: Rs.522.04 million) is disclosed as contingent liability.

(b) The SPV had received an order dated 26 May 2011 from Assistant Commissioner of Commercial Taxes for rejecting the refund of Rs.51.86 million towards incorrectly availed VAT input credit during the period 1 April 2009 to 31 March 2010. Appeal was filed before Karnataka Appellate Tribunal (briefly "KAT") which allowed the refund in part. The SPV approached Hon'ble High Court of Karnataka which quashed the order passed by KAT and granted full refund. The State of Karnataka has filed an appeal in the Supreme Court against the High Court order. Based on the strong merits and favourable High Court order, the SPV has disclosed Nil (31 March 2021: Rs.51.86 million) as a contingent liability.

(c) The Customs department issued demand notice to the Oil Suppliers of the SPV with a demand of Rs.31.60 million for the period 1 April 2015 to 15 February 2016 denying duty benefit on the procurement of diesel. The Oil Suppliers have subsequently raised the demand on the SPV. Consequently, SPV preferred an appeal before the SEZ commissioner which was rejected by the Commissioner and aggrieved by the order, SPV filed a Writ Petition before the Hon'ble High Court of Karnataka and obtained an Interim stay order from the Court on 9 February 2017 which is still in force. Accordingly, a sum of Rs.31.60 million (31 March 2021: Rs.31.60 million) has been disclosed as contingent liability.

EMBASSY

(all amounts in Rs. million unless otherwise stated)

44 Commitments and contingencies (continued)

iii) Claims not acknowledged as debt in respect of Indirect Tax matters (continued)

ETPL: (a) The SPV has received an Order from Joint Commissioner, Service Tax - I, Kolkata for the period 2012-13 in respect of non-registration and non-payment of service tax under the category of 'Builder's Special Services' and not 'Construction of Immovable Property' service with regard to installation of parking equipment which is taxable as a service leading to ineligibility of abatement of Rs.10.01 million, irregular availment of credit of Rs.6.87 million and non-payment of service tax of Rs.0.96 million (along with penalty of equal amount). Against the aforesaid Order, the SPV has filed an appeal before the Commissioner of Central Excise (Appeals - I), Kolkata which directed the SPV to make a pre-deposit of Rs.1.33 million to stay the recovery of the balance amount. The same has been paid by the SPV under protest and such appeal is currently pending for disposal. Accordingly, the demand along with penalty amount of Rs.35.68 million (31 March 2021: Rs.35.68 million) has been disclosed as a contingent liability.

(b) SPV has received an Order from Joint Commissioner, Service Tax - I, Kolkata in January 2020, demanding Rs.14.52 million in respect of denial of input tax credit during construction period for the financial years 2014-15 to 2016-17 (along with penalty of equal amount). Against the aforesaid Order, the SPV has filed an appeal before the Commissioner of Central Excise (Appeals - I), Kolkata which directed the SPV to make a pre-deposit of Rs.1.09 million to stay the recovery of the balance amount. The same was paid by the SPV under protest. Accordingly, the SPV has disclosed the demand along with penalty amount of Rs.29.05 million (31 March 2021: Rs.29.05 million) as contingent liability.

GSPL: The SPV had received an Order-in-Original passed by the Commissioner, Customs, Central Excise and Service Tax Commissionerate, Noida for the period FY 2007-08 to 2010-11 demanding Rs.11.99 million (along-with penalty of equal amount) in respect of inclusion of notional interest accrued on security deposit in the taxable value. Against the aforesaid Order, the SPV had filed an appeal before the Hon'ble Customs, Excise and Service Tax Appellate Tribunal which directed the SPV to make a pre-deposit of Rs.0.90 million to stay the recovery of the balance amount. The same was paid by the SPV under protest. During the previous year FY 17-18, the SPV had received a favourable order and the said demand was annulled and the pre-deposit has been refunded; however, the Commissioner Excise has filed an appeal against the Order to Hon'ble High Court of Allahabad. Accordingly, the SPV has disclosed the demand along with penalty amount of Rs.23.99 million (31 March 2021: Rs.23.99 million) as contingent liability.

VCPPL: The SPV has received an order issued by the Commissioner, Customs, Central Excise and Service Tax Commissionerate, Bombay demanding Rs 29.91 million along-with penalty of Rs.10.75 million in respect of inclusion of notional interest accrued on security deposit in the taxable value for the period FY 2012-2013 to 2014-2015. Against the aforesaid Order, the SPV had filed an appeal before the Hon'ble Customs, Excise and Service Tax Appellate Tribunal which directed the SPV to make a pre-deposit of Rs.2.24 million to stay the recovery of the balance amount. The same was paid by the SPV under protest and such appeal is currently pending for disposal. Accordingly, the said demand of Rs.40.66 million (31 March 2021: Rs.40.66 million) has been disclosed as contingent liability.

UPPL: a) The SPV had received show cause notices dated 3 July 2015 for demand due to irregular cenvat credit availed for Rs 23.04 million relating to period from 1 April 2011 to 31 March 2016. Responses have been filed and is pending before the Commissioner of Service Tax. Accordingly, the aforementioned demand of Rs.23.04 million (31 March 2021: Rs.23.04 million) is disclosed as contingent liability.

b) The SPV had received show cause notices dated 9 April 2019 for demand of Rs.3.78 million relating to period from 1 April 2014 to 30 June 2017 with respect to payment of salary and bonus to certain employees of the SPV which has not been considered as Management fees. The Deputy Commissioner of Service Tax has disposed off the submissions made earlier and passed an order demanding the tax dues along with interest and penalty aggregating to Rs.7.57 million. Aggrieved by the order, the SPV has preferred and appeal before the Commissioner of Appeals with pre-deposit of Rs.0.28 million. On 29 September 2021, Commissioner of Appeals decided the case in favour of the SPV. Accordingly, the SPV has disclosed Nil (31 March 2021: Rs.7.57 million) as contingent liability.

VTPL: The Customs department issued demand notice to the Oil Suppliers of the SPV with a demand of Rs.4.31 million for the period 1 April 2015 to 15 February 2016 denying duty benefit on the procurement of diesel. The Oil Suppliers have subsequently raised the demand on the SPV. Consequently, SPV preferred an appeal before the SEZ commissioner which was rejected by the Commissioner and aggrieved by the order, SPV filed a Writ Petition before the Hon'ble High Court of Karnataka and obtained an Interim stay order from the Court on 9 February 2017 which is still in force. Accordingly, a sum of Rs.4.31 million (31 March 2021: Rs.4.31 million) has been disclosed as contingent liability.

(this space is intentionally left blank)

EMBASSY

(all amounts in Rs. million unless otherwise stated)

44 Commitments and contingencies (continued)

iv) Claims not acknowledged as debt in respect of Property Tax matters

SPV	As at	As at
	30 September 2021	31 March 2021
MPPL	3,418.89	3,418.89
	3,418.89	3,418.89

MPPL: (a) The SPV has received a demand order dated 5 October 2015 to pay a sum of Rs.2,739.49 million (including penalty and interest upto June 2016) towards the difference in property tax payable by the SPV, which difference arose on account of classification of the property under different schedules for the purpose of computing property taxes, for the period 2008-09 to 2015-16. The SPV is contesting that the concerned property being an industrial estate that has been developed as special economic zone must be classified as category XIV as per the notification issued under Karnataka Municipal Corporation Act, 1976 ('the Act') and Bruhat Bengaluru Mahanagar Palike Property Tax Rules, 2009 ('Rules'). Whereas, the Assistant Revenue Officer has been considering the concerned property under category VIII as per the notification issued under the Act and Rules. The SPV filed a writ petition against the demand order which has been dismissed by the Honble High Court of Karnataka. The said court upheld the demand made by BBMP. Against the order passed by single judge for the dismissal of writ petition, MPPL has based on external legal opinion filed an appeal before the aforementioned court and the same has been admitted by the court on 27 June 2016. The Hon'ble High Court restrained BBMP from taking any coercive action against the SPV and also directed BBMP to allow the SPV to make payment of property tax for the assessment year 2016-17. The matter is currently pending and as of the date of these financial statements, no further developments have taken place. Accordingly, this has been disclosed as a contingent liability. The SPV paid Rs.646.69 million (31 March 2021: Rs.646.69 million) under protest against the above demand.

(b) The SPV has also received demand notices dated 9 October 2017 to pay a sum of Rs.760.07 million including penalty as of that date towards the differential property tax based on the total survey report for certain blocks for the period 2008-09 to 2017-18. An appeal had been filed before the Joint Commissioner, BBMP, Bytarayanapura, Bangalore ("Joint Commissioner") objecting the total survey report and property tax assessment notice arising therefrom. New demand notices dated 17 January 2019 were issued to pay a sum of Rs.860.39 million (including penalty) towards the differential property tax for the period 2008-09 to 2017-18 and interest upto the date of payment as per the demand notices. The SPV submitted a letter to the Joint Commissioner dated 29 March 2019 referring to the appeals preferred by the SPV and had paid a sum of Rs.286.80 million towards property tax demanded under protest. An order was passed by the Joint Commissioner dismissing the appeal preferred by the SPV. Against the order passed by the Joint Commissioner, MPPL has, based on external legal opinion, filed a writ petition before the Hon'ble High Court of Karnataka on 3 August 2020 on various grounds, inter alia, that the rates BBMP has relied on to calculate property tax in the said demand notices dated 9 October 2017 has been already challenged in a writ appeal filed by the SPV and pending before Hon'ble High Court of Karnataka as mentioned in note iv(a) above. Additionally new notices dated 24 July 2019 and 18 March 2021 were issued to pay a sum of Rs.78.56 million (including penalty) and Rs.27.25 million (including penalty) towards the differential property tax for the year 2018-19 and 2019-20 respectively and the SPV has paid Rs.35.26 million towards property tax demanded under protest. However, BBMP vide notice dated 17 June 2021 have returned the demand draft amount of Rs.9.08 million (differential property tax for the year 2019 -20 paid) requesting payment of interest and penalty along with the differential tax amounting to Rs.27.25 million. Accordingly, a net contingent liability of Rs.679.40 million (31 March 2021: Rs.679.40 million) has been disclosed in these financial statements. Pursuant to the return of the demand draft amounting to Rs.9.08 million, the SPV has filed an writ petition before the Hon'ble High Court of Karnataka for (i) staying the operation and execution of the demand notices dated 18 March 2021 and endorsement dated 17 June 2021 and (ii) directing the BBMP to accept the payment of differential property tax.

v) Others: tax matters pertaining to equity accounted investee company

(a) GLSP (50% equity accounted investee - joint venture) Income Tax matters:

During the year ended 31 March 2020, GLSP has received assessment order for AY 2017-18 for disallowance under section 14A of Income Tax Act read with rule 8D of the Income-tax Rules, disallowance of claim under section 80G of the Income Tax Act and addition to the income based on differences between Form 26AS and the books of accounts. GLSP has filed an appeal against the assessment order with CIT(A). Accordingly, GLSP has disclosed Rs.2.83 million (31 March 2021: Rs.2.83 million) as contingent liability.

During the period ended 30 September 2021, GLSP has received assessment order for AY 2018-19 with disallowance made under section 14A of Income Tax Act read with rule 8D of the Income-tax Rules. GLSP has filed an appeal against the assessment order with CIT(A). Accordingly, GLSP has disclosed Rs.2.14 million (31 March 2021: Nil) as contingent liability.

(b) GLSP (50% equity accounted investee - joint venture) Service Tax matters:

a) GLSP has received show cause notice and order-in-original dated 14 August 2011 and 11 December 2011 to pay a sum of Rs.111.86 million from Office of the Commissioner of Service tax towards wrongly availed Cenvat credit during the period 1 April 2009 to 31 March 2011. Appeal has been filed before CESTAT. As at 30 September 2021 the appeal is pending before CESTAT for hearing and accordingly the same is disclosed as a contingent liability by GLSP.

b) GLSP has received an Order-in-Original dated 31 August 2010 to pay a sum of Rs.90.49 million from Office of the Commissioner of Service tax towards wrongly availed Cenvat credit during the period June 2007 to March 2009. Appeal was filed before CESTAT and a favourable order was received by the entity. Commissioner of Service Tax has filed an appeal before Hon'ble High Court of Karnataka and the matter is taken up for hearing by the Court and accordingly the same is disclosed as contingent liability by GLSP.

EMBASSY

(all amounts in Rs. million unless otherwise stated)

- 44 Commitments and contingencies (continued)
- vi) Other matters
- (a) VCPPL (Forfeiture of security deposit matters): Orange Business Services India Technology Private Limited, earlier known as Equant Technologies Services (India) Private Limited ("Equant") had filed a summary suit bearing No. 388 of 2012 with the Hon'ble Bombay High Court alleging that the SPV incorrectly terminated the letter of intent dated July 18, 2008 executed between the SPV and Equant for renting premises in Embassy 247 Park pursuant to which Equant paid to the SPV a security deposit of Rs.40.32 million, which was withheld by the SPV on account of breach of agreed terms of the said letter of intent. The matter is currently under adjudication.
- (b) EEPL: SPV received a demand notice under the Insolvency and Bankruptcy Code, 2016 (IBC) on 28 February 2019 from a third party subcontractor, engaged by IL&FS Development Company (IEDCL), the parent company of IL&FS Solar Power Limited ('ISPL'), which was itself engaged by ISPL as a contractor for Embassy Energy. The demand notice alleges that unpaid amounts (categorized as operational debts) aggregating up to Rs.1,008.10 million (including interest up to October 2018) are due to the sub-contractor directly from EEPL for the various works claimed to have been undertaken at the site of Embassy Energy, on the basis of certain correspondence with EEPL. The demand notice requires payment within 10 days of the letter, failing which the subcontractor may initiate a corporate insolvency resolution process against EEPL EEPL has by its letter dated 1 March 2019, refuted all such claims inter alia on the basis that the payments are due from ISPL (and/ or its parent entity) to the sub-contractor and not from EEPL, and therefore the sub-contractor has no claim against EEPL. By its letters dated 18 March 2019, the sub-contractor has responded to the letter from EEPL, denying all statements made by EEPL and reiterating that the unpaid amounts are due from EEPL. The sub-contractor has thereafter filed an application under Section 9 of the Code before the Bangalore bench of National Company Law Tribunal claiming debt of Rs.1,082.50 million (including interest up to September 2019) and interest thereon against EEPL. During the previous year ended 31 March 2020, the third party sub-contractor vide a letter dated 2 January 2020 served the notice of hearing in the captioned matter for initiation of insolvency proceedings under section 9 of the IBC before the NCLT, Bengaluru pursuant to its order dated 16 December 2019. The petitioner has filed a claim as an operational creditor of IEDCL for an amount of Rs.1,082.50 million (including interest up to September 2019) due to him. The matter is listed for hearing on 11 November 202

EEPL: The Karnataka Electricity Regulatory Commission, Bengaluru (KERC) has issued orders in 2005, 2008 and 2014 granting exemption to all solar power generators in Karnataka that achieved commercial operation date between 1 April 2013 and 31 March 2018 from paying certain charges such as payment of wheeling and banking charges, cross subsidy surcharges, transmission losses and wheeling losses for a period of ten years from the date of commissioning. KERC has issued an order dated 14 May 2018 withdrawing the aforementioned exemption available to Karnataka's power generators, including EEPL.

The SPV commissioned the solar plant during the FY 2017-2018 and as per the previous Regulation, the charges did not apply to the SPV for a period of 10 years. The SPV filed a writ petition with the Hon'ble High Court of Karnataka challenging the KERC Order and obtained an interim Stay Order dated 24 May 2018. BESCOM filed preliminary statement of objections and also filed application seeking recalling of interim order. The application seeking recalling of interim order was rejected. The Hon'ble High Court passed the judgment on 13 March 2019 allowing the Writ Petition and quashed the order dated 14 May 2018 passed by KERC. The SPV has filed Caveta Petition for receiving notifications in case any suit / appeal is filed by any of the parties to the said petition. KERC has filed a common writ appeal against the order dated 13 March 2019 against EEPL and Others. However, Electricity Supply Companies (ESCOMS) have also filed Writ Appeals against some of the petitioners, but no appeal has been filed against EEPL, In the event an adverse order is passed in the said appeal made by ESCOMS, EEPL may also be affected.

- (c) MPPL: SPV has filed a writ petition in 2015 against the BBMP and others seeking to inter-alia, quash (i) a circular from 2014 re-fixing the improvement charges under the Karnataka Municipal Corporations Act, 1976, and the Karnataka Municipal Corporations (Recovery of Improvement Expenses) Rules, 2009, and (ii) a notice from 2015 demanding payment of betterment charges of Rs.127.90 million. In 2016, the Hon'ble High Court of Karnataka has granted an interim stay on the impugned circular and notice.
- (d) VTPL: SPV has received a demand note dated 14 August 2020 and 29 September 2020 from the Bangalore Water Supply and Sewerage Board for a payment of total charges amounting to Rs.138.64 million in relation to issuance of a no-objection certificate (NOC) for a proposed project commercial building on land parcel. SPV has filed a writ petition before the High Court of Karnataka against the State of Karnataka, Bangalore Water Supply and Sewerage Board and others challenging inter-alia, the government order dated 12 February 2016 and the demand note issued against the SPV and seeking to, inter-alia, (i) quash the demand notice dated 14 August 2020 and 29 September 2020; and (ii) issuance of NOC to SPV. SPV has obtained an ad-interim direction from the High Court of Karnataka on 17 November 2020 wherein the court has granted stay of demand notice on 14 August 2020 and 29 September 2020 limited to advance probable prorata charges and beneficiary charges and has further instructed the SPV to pay the prescribed fee for issuance of NOC. Pursuant to the same, SPV has made payments on 29 December 2020 and 30 December 2020 amounting to Rs.17.91 million towards NOC charges and treated water charges and the balance amount of Rs.120.73 million towards advance probable prorata charges and BCC charges which have been stayed by the Hon'ble High Court of Karnataka have been shown as contingent liability (31 March 2021: Rs.120.73 million). Additionally, SPV has received the NOCs dated 30 December 2020 from BWSSB with respect to the above.

45 Financial instruments - Fair values

A The carrying value and fair value of financial instruments by categories are as below:

Particulars	Carrying value	Fair Value	Carrying value	Fair Value
	30 September 2021	30 September 2021	31 March 2021	31 March 2021
Financial assets				
Amortised cost				
Trade receivables	268.85	-	473.16	-
Cash and cash equivalents	7,106.04	-	9,174.78	-
Other bank balances	192.65	-	253.75	-
Other financial assets	7,297.78	-	8,897.18	-
Total assets	14,865.32	-	18,798.87	-
Financial liabilities				
Amortised cost				
Borrowings (including current maturities of long-term debt) - floating	25,088.85	-	22,843.83	-
Borrowings (including current maturities of long-term debt) - fixed rates	88,573.19	88,917.04	83,379.08	84,630.97
Lease deposits	12,340.11	-	12,561.60	-
Trade payables	229.51	-	440.89	-
Contingent consideration	350.00	350.00	350.00	350.00
Other financial liabilities	4,087.22	-	4,376.22	-
Total liabilities	130,668.88	89,267.04	123,951.62	84,980.97

The fair value of cash and cash equivalents, fixed deposits, trade receivables, borrowings at floating rates, lease deposits, trade payables, loans and other financial assets and liabilities approximate their carrying amounts and hence the same has not been disclosed in the table above.

B. Measurement of fair values

The section explains the judgement and estimates made in determining the fair values of the financial instruments that are:

- a) recognised and measured at fair value
- b) measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the Group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level is mentioned below:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

Transfers between Level 1, Level 2 and Level 3

There were no transfers between Level 1, Level 2 or Level 3 during the half year ended 30 September 2021 and year ended 31 March 2021.

Determination of fair values

Fair values of financial assets and liabilities have been determined for measurement and/or disclosure purposes based on the following methods. When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

- i) The fair value of mutual funds are based on price quotations at reporting date.
- ii) The fair values of other current financial assets and financial liabilities are considered to be equivalent to their carrying values.
- iii) The fair values of borrowings at fixed rates are considered to be equivalent to present value of the future contracted cashflows discounted at the current market rate. The fair value has been categorised as Level 3 Fair value.
- iv) The fair values of contingent consideration is valued based on the present value of expected payments, discounted using a risk-adjusted discount rate.

Notes to Accounts

(all amounts in Rs. million unless otherwise stated)

46 Operating segments

Ind AS 108 establishes standards for the way that business enterprises report information about operating segments and related disclosures. Based on the 'management approach' as defined in Ind AS 108, the Chief Operating Decision Maker ('CODM') evaluates the Embassy Office Parks' performance and allocates resources based on an analysis of various performance indicators by operating segments. The accounting principles used in the preparation of the Condensed Consolidated Financial Statements are consistently applied to record revenue and expenditure in individual segments and are as set out in the significant accounting policies.

Operating segments of Embassy Office Parks Group are (i) Commercial Offices, (ii) Hospitality and (iii) Other segments. Other segments comprise Generation of Renewable Energy. Revenue and identifiable operating expenses in relation to segments are categorized based on items that are individually identifiable to that segment.

Net Operating Income ('NOI') is the key metric reported to the CODM for the purposes of assessment of the segment results. The same is defined as follows:

a) Commercial Offices segment:

NOI for Commercial Offices is defined as revenue from operations (which includes (i) facility rentals, (ii) maintenance services income, (iii) income from finance lease, and (iv) other operating income for Commercial Offices) less direct operating expenses (which includes (i) operating and maintenance expenses including common area maintenance expenses (iii) property taxes, (iii) rent, and (iv) insurance).

b) Hospitality segment:

NOI for hospitality segment is defined as revenue from operations (which includes (i) room rentals, (ii) sale of food and beverages, (iii) other operating income from hospitality) less direct operating expenses (which includes (i) cost of materials consumed, (ii) employee benefits expenses, (iii) operating and maintenance expenses excluding property management fees, and (iv) Other expenses).

c) Other segment:

NOI for other segments is defined as revenue from operations (which includes income from generation of renewable energy) less direct operating expenses (which includes (i) operating and maintenance expenses and (ii) other expenses).

Certain income (such as interest, dividend and other income) and certain expenses (such as Other expenses excluding Direct operating expenses, depreciation, amortisation, impairment loss and finance cost) are not specifically allocable to segments and accordingly these expenses are adjusted against the total income of the Embassy Office Parks Group.

Further, the information relating to segment assets and segment liabilities are not regularly provided to CODM for review and hence the same is not disclosed.

(all amounts in Rs. million unless otherwise stated)

48 Business Transfer Agreement (BTA) between MPPL, EOPPL and ESPL

On 22 October 2020, MPPL and EOPPL had entered into Business Transfer Agreement (BTA) with ESPL for acquisition of the Common Area Maintenance (CAM) services for Embassy Manyata and Embassy TechZone for a total consideration of Rs.4,730.21 million.

The acquisition cost of Rs.4,730.21 million was funded through coupon bearing debt obtained by Embassy Office Parks Group. The consideration for the aforesaid acquisition, is paid in the form of assumption and repayment of identified liabilities of ESPL and issuance of unlisted, unsecured, redeemable non-convertible debentures of MPPL and EOPPL to ESPL. The acquisition was completed on 28 October 2020. Details of assets acquired and liabilities assumed have been provided below:

Particulars	CAM services ope	CAM services operations		
	MPPL	EOPPL		
Assets acquired				
Intangible assets acquired [CAM service rights]	3,808.59	925.72	4,734.31	
Fair value of other assets acquired	94.07	6.35	100.42	
Total			4,834.73	
Liabilities assumed				
Other current liabilities	94.02	10.50	104.52	
Total			104.52	
Fair value of net assets acquired			4,730.21	
Less: Consideration	3,808.64	921.57	4,730.21	
Goodwill/ Capital reserve on acquisition			-	

Embassy office parks group has obtained two independent valuation reports as required by the REIT regulations for the above acquisition and the average of the two valuations amounts to Rs.5,179 million. Acquisition consideration is at 8.5% discount to average of two independent valuation reports. No fees or commission is payable to any associate of the related party in relation to the transaction. All the material conditions and obligations for the transaction have been complied.

49 Business Combination

During the previous year ended 31 March 2021, the Trust acquired Embassy Tech Village by acquiring all of the equity interest in VTPL, EOVPL and SIPL (ETV Assets) held by the Embassy Sponsor, BREP entities and certain other third party shareholders. The acquisition of equity interest in EOVPL (which in turn holds 60% equity interest in VTPL) and SIPL has been completed with issue proceeds received of Rs.36,852.02 million, by issue of 111,335,400 Units at a price of Rs.331.00 per Unit through the Institutional Placement.

The acquisition of balance 40% equity interest in VTPL is completed through Preferential issue of 64,893,000 Units at a price of Rs.356.70 per unit to the third party shareholders aggregating to Rs.23,147.33 million.

The accounting for the business combination has been done in accordance with Ind AS-103 "Business Combination". Refer Note 2.1 "Basis of Business Combination" for more details.

Entity	Fair value of investment property	Fair value of other assets	Fair value of liabilities	Deferred tax liability on fair valuation of	Fair value of net assets taken over	Purchase consideration	Goodwill on consolidation
	under development, property, plant and equipment and capital	acquired	assumed	assets acquired and liabilities assumed			
	work-in-progress acquired						
ETV Assets	93,906.90	11,509.99	47,521.41	14,424.08	43,471.40	57,565.47	14,094.07

Notes:-

- 1. The Purchase consideration for SIPL includes a contingent consideration of Rs.350.00 million which shall be payable to the Embassy Sponsor in cash subject to certain conditions and timeline agreed between the parties.
- 2. Embassy Office Parks Group has obtained two independent valuation reports as required by the REIT regulations for the ETV assets and the average of the two valuations for the enterprise value amounts to Rs.102,555 million. Acquisition consideration is at 4.6% discount to average of two independent valuation reports. No fees or commission is payable to any associate of the related party in relation to the transaction. All the material conditions and obligations for the transaction have been complied.
- 3. The Goodwill of Rs.14,094.07 million mainly arises on account of requirement to value individual assets and liabilities acquired on business combination at fair values as well as the requirement to recognise deferred tax liability of Rs.14,424.08 million, calculated as a difference between the tax effect of the fair value of the acquired assets and liabilities and their tax bases. Goodwill is attributable due to the acquisition price being dependent on the overall property valuation assuming a discounted cash flow method computed using future cashflows and other relevant assumptions as compared with the individual assets recorded at their fair values computed basis comparable approach or depreciated replacement cost basis. Goodwill is allocated entirely to the ETV assets CGU. Goodwill is not deductible for tax purposes.
- 4. During the period ended 30 September 2021, the fair value of other assets acquired has been revised by Rs.99.11 million based on the new information obtained about facts and circumstances that existed as at the acquisition date. Accordingly, the above amount has been adjusted with Goodwill in the period ended 30 September 2021 with a corresponding impact in the fair value of the asset taken over.

5. The valuation techniques used for measuring the fair value of material assets acquired and liabilities assumed are as follows:

Particulars	Valuation methodology
Property, plant and equipment	Fair values have been determined by independent external property valuers, having appropriately recognised professional qualification and recent experience in the
and Investment property	location and category of the properties being valued. The valuers have followed "Direct comparison approach" for land, "Depreciated replacement cost approach"
	for the built up component, plant and machinery, capital work-in-progress and other assets. Direct comparison approach involves comparing to similar properties
	that have actually been sold in an arms length transaction or are offered for sale. Depreciated replacement cost approach considers the current cost of replacing an
	asset with its modern equivalent asset less deductions for physical deterioration and all relevant forms of obsolescence and optimisation. The methodology begins
	with a set of assumptions as to the projected income and expenses of the property. This methodology use market derived assumptions, including discount rates, obtained from analysed transactions.
Right-to -use trademark	The fair value of the acquired right to use trademark was established using "Relief from royalty" method. It is a methodology that assumes that if a corporation owns a trademark, then it is relieved from paying a royalty, so a hypothetical royalty payment can be estimated.
CAM service rights	The fair value of the CAM service rights was established using the "Multi-period excess earnings method (MEEM)". In MEEM method, value is estimated as the
	present value of the benefits anticipated from ownership of the asset in excess of the returns required on the investment in the contributory assets necessary to realize those benefits.
Assets other than those	Book values as on the date of acquisition corresponds to the fair values which have been considered to be fully recoverable.
mentioned above	
Contingent consideration	Contingent consideration payable are estimated based on the terms of the sale contract, the entity's knowledge of the business and how the current economic
	environment is likely to impact it. The fair value of contingent consideration is valued based on the present value of expected payments, discounted using a risk-
	adjusted discount rate. In relation to SIPL it is probable that the consideration of Rs.350 million will be paid in future to the Embassy Sponsor in cash and hence
	the entire payable of Rs.350 million has been considered as contingent consideration.
Liabilities	Liabilities includes loans and borrowings, trade payables and provision for employee benefits. Book values as on the date of acquisition corresponds to the fair
	values.

(all amounts in Rs. million unless otherwise stated)

52 Distributions

The Board of Directors of the Manager to the Trust, in their meeting held on 29 October 2021, have declared distribution to Unitholders of Rs.5.66 per unit which aggregates to Rs.5,365.08 million for the quarter ended 30 September 2021. The distributions of Rs.5.66 per unit comprises Rs.1.14 per unit in the form of interest payment, Rs.2.54 per unit in the form of dividend and the balance Rs.1.98 per unit in the form of amortization of SPV debt.

Along with distribution of Rs.5,346.12 million/ Rs.5.64 per unit for the quarter ended 30 June 2021, the cumulative distribution for the half year ended 30 September 2021 aggregates to Rs.10,711.20 million/ Rs. 11.30 per unit.

53 Advance paid for co-development of property, including development rights of land (M3 Block A & B)

Manyata Promoters Private Limited ('MPPL') and Embassy Property Developments Private Limited ('EPDPL') entered into a co-development agreement on 8 March 2017 whereby EPDPL shall develop 1 msf M3 Block A warm shell building to be handed over to MPPL by agreed delivery date for a total consideration of Rs.8,256 million, of which Rs.6,791.66 million has already been paid as of 30 September 2021 and balance is to be disbursed linked to achievement of construction milestones. EPDPL was originally obligated to obtain Occupancy Certificate (OC) for the buildings by December 2019. In case of any delay in obtaining the OC beyond the agreed delivery date, EPDPL is obligated to pay a rental compensation of Rs.57 million per month of delay to MPPL. As of date, the bare shell building is under development and the estimated date of completion and obtaining occupancy certificate is now December 2022.

The carrying cost in the consolidated financial statements of the above advance is Rs.10,270.20 million as at 30 September 2021 which includes one-time fair valuation gain on purchase price allocation on acquisition by the REIT.

As per terms of this co-development agreement, consideration is contingent on pre-defined Net Operating Income achieved and therefore consideration will be trued up/down accordingly upon project completion. As at 30 September 2021, MPPL has a net receivable of Rs.171.60 million from EPDPL towards receipt of compensation for Block A.

Block B

During the financial year ended 31 March 2020, to consolidate the M3 land parcel within Embassy Manyata campus, MPPL and EPDPL entered into another co-development agreement whereby EPDPL shall develop 0.6 msf M3 Block B warm shell building to be handed over to MPPL by agreed delivery date for a total consideration of Rs.7,367 million, of which Rs.4,377.40 million has already been paid as of 30 September 2021 (31 March 2021: Rs.4,255.85 million) and balance is to be disbursed linked to achievement of development milestones. Furthermore, as per the co-development agreement, during the period of construction, EPDPL is obligated to pay interest to MPPL on the amount of the Development Consideration disbursed by MPPL to EPDPL. As of date, site works have been initiated and development plan and approvals are underway and the estimated date of completion and obtaining occupancy certificate is now March 2024.

As per terms of this co-development agreement, consideration is contingent on pre-defined Net Operating Income achieved and therefore consideration will be trued up/down accordingly upon project completion. As at 30 September 2021, MPPL has a net receivable of Rs.263.12 million from EPDPL towards receipt of interest for Block B.

(all amounts in Rs. million unless otherwise stated)

- 54 During the previous year ended 31 March 2021, the Board of Directors of the Manager in their meeting held on 19 May 2020 approved the composite scheme of arrangement (the "Scheme") involving MPPL, EOPPL and EPTPL. The Scheme provides for:
 - a) The demerger, transfer and vesting of the Techzone business of EOPPL comprising Embassy TechZone Business Park (more specifically defined as the 'TechZone Undertaking' in the Scheme) into EPTPL on a going concern basis, in consideration for which the Embassy Office Parks REIT (as shareholder of EOPPL) will be issued shares in EPTPL; followed by
 - b) Amalgamation of EOPPL into MPPL, on a going concern basis.

The above scheme has been approved by National Company Law Tribunal (NCLT), Mumbai bench with an effective date of 10 March 2021. Further the scheme was approved by the Board of Approval of Special Economic Zones ("BoA") in its meeting held on 18 March 2021 and the company has filed the necessary form with Registrar of Companies ("ROC") on 25 March 2021, for all the three entities. Upon completion of the scheme, MPPL has become a 100% Holdco of the Embassy Office Parks REIT, holding Embassy Manyata Business Park, 80% of the share capital of EEPL, 50% of the share capital of GLSP, while EPTPL has become a 100% directly-held SPV of Embassy Office Parks REIT, holding Embassy TechZone, an existing asset of the Embassy Office Parks REIT.

The consideration paid by EPTPL and MPPL to give effect to the above consideration to Embassy REIT is as follows:-

- EPTPL has issued and allotted 1 fully paid equity share of face value of Rs.10 each for every 1 equity share of face value of Rs.10 each fully paid-up held in EOPPL by Embassy REIT.
- MPPL has issued and allotted 1 fully paid equity share of face value of Rs.100 each for every 11.85 equity share of face value of Rs.10 each fully paid-up held in EOPPL by Embassy REIT.

There is no impact to consolidated financial statements of the Group due to the above scheme of merger.

Further, for the purpose of all disclosures in the condensed consolidated financial statements, all numbers for the quarter and year ended 31 March 2021 are shown under EOPPL instead of EPTPL to facilitate comparison and ease for users of the financial statements.

- 55 The figures for the half year ended 31 March 2021 are the derived figures between the audited figures in respect of the year ended 31 March 2021 and the published year-to-date figures upto period ended 30 September 2020, which were subject to limited review.
- 56 The Board of Directors of the Manager through a resolution by circulation dated 23 January 2021 approved the Scheme of Arrangement ("the Scheme") involving EOVPL and VTPL. The Scheme provides for the merger/amalgamation of EOVPL into VTPL (on a going concern basis). Upon the Scheme becoming effective, with effect from the Appointed Date (as defined in the Scheme), VTPL will be a 100% directly-held SPV of Embassy Office Parks REIT, holding Embassy Tech Village. This would result in a simplified holding and management structure for Embassy REIT assets and create value for Embassy REIT and its Unitholders. The Scheme has been filed with National Company Law Tribunal (NCLT), Bengaluru Bench on 10 February 2021 and is subject to receipt of necessary statutory and regulatory approvals under applicable laws, including the approval of the NCLT.
