3. **Launch of New Product (Rapeseed Oil).**

About Rapeseed Oil:

Rapeseed Oil is extracted from the seeds of the Brassica napus plant, commonly known as rapeseed or oilseed rape. It is renowned for its numerous health benefits and culinary versatility. Mayank Cattle Food Limited will produce Rapeseed Oil meticulously processed to ensure optimal purity and nutritional value, making it an ideal choice for consumers seeking a healthier alternative in their cooking routines.

Key Benefits of Rapeseed Oil:

Heart-Healthy Properties: Rapeseed Oil is rich in monounsaturated and polyunsaturated fats, which are known to promote heart health by lowering bad cholesterol levels (LDL) and increasing good cholesterol levels (HDL). Regular consumption of Rapeseed Oil may contribute to reducing the risk of cardiovascular diseases.

High Smoke Point: With a high smoke point of around 400°F (204°C), Rapeseed Oil is suitable for various cooking methods, including frying, baking, sautéing, and grilling. Its stability at high temperatures makes it an excellent choice for achieving crispy and delicious results without compromising nutritional integrity.

Rich in Omega-3 Fatty Acids: Unlike many other cooking oils, Rapeseed Oil is naturally abundant in alpha-linolenic acid (ALA), an essential omega-3 fatty acid that supports brain function, reduces inflammation, and contributes to overall well-being. Incorporating Rapeseed Oil into your diet can help ensure a balanced intake of omega-3 fatty acids.

Neutral Flavor Profile: Rapeseed Oil boasts a light and neutral flavor profile, making it a versatile ingredient for enhancing the taste of various dishes without overpowering other ingredients. Whether used in salad dressings, marinades, or as a finishing oil, Rapeseed Oil complements a wide range of culinary creations.
