NEW BIDDING ROUND

BPCL, HPCL walk away with city gas licences

PRESS TRUST OF INDIA New Delhi, April 27

STATE-OWNED BHARAT Petroleum Corporation (BPCL) and Hindustan Petroleum Corporation (HPCL) have bagged two licences each for retailing CNG to automobiles and piped cooking gas to households in the latest bid round, regulator PNGRB said on Wednesday.

Seven companies had put in 21 bids for city gas licences in five areas in states like Uttar Pradesh and West Bengal. The Petroleum and Natural Gas Regulatory Board (PNGRB) had offered 5 Geographical Areas (GAs), spread over 27 districts in five states, in the 11A city gas distribution (CGD) bid round.

BPCL won the licence for a GA comprising districts such as Lakhimpur Kheri, Sitapur and Mahrajganj in Uttar Pradesh and another for Chhattisgarh's Koriya, Surajpur, Balrampur and Surguja districts have been clubbed into one GA, PNGRB said in a statement. HPCLwon the licence for a GA made up of Banka

in Bihar as well as Dumka, Godda, Jamtara and

Pakur districts in Jharkhand. It also won the license for GA made up of Birbhum, Murshidabad, Malda and Dakshin Dinajpur districts of West Bengal. GAIL Gas, a unit of state gas utility GAIL, won

the licence for the Kodagan, Bastar, Sukma, Bijapur and Dantewada districts in Chhattisgarh.

"Letter(s) of Intent to successful bidders for the 5 GAs has been issued on April 27, 2022," the PNGRB noted.

Six years on, Indian Tesla customers still waiting

"I had to chase them multiple times to get a refund because I realised that it was going nowhere. And finally, I got a refund sometime last year. Because they had no plans. So why even take bookings from a country when you don't have a plan to launch?" he asked. He added that the refund was stuck for a long, while as getting remittances from abroad is not easy in India.

Despite all that, Krishnan considers himself one of the lucky ones since a lot of people didn't even get that."I know a lot of people who also booked and haven't received a refund, I was fortunate to get my money back. But a lot of my friends who had placed bookings didn't," he added.

Requests for comments sent to Tesla were not received at the time of going to press.

But can these customers take any legal recourse? According to

Bejon Kumar Misra, an international consumer policy expert and an honorary professor at National Law University Odisha, while Tesla's action constitutes a "gross criminal breach" and an "unfair trade practice", holding the company accountable is easier said than done.

"In our country, regulators are intentionally protecting the culprits.Only in certain cases do citizens seek justice through the legal process like filing a public interest litigation (PIL) or does the judiciary intervene through suo moto proceedings. As consumers or the voluntary consumer organisations lack the resources to sustain the longdrawn and cumbersome legal process, companies get away with robbing innocent and vul nerable consumers," Misra said

In 2021, the company registered its Indian arm, Tesla India Motors and Energy, with the Registrar of Companies (RoC) Bengaluru. But it is still unclear when it will actually begin selling vehicles in India as it is "still working through a lot of challenges with the government," according to Elon Musk.
