MANAGEMENT DISCUSSION AND ANALYSIS

Pursuant to the Regulation 34 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, your Directors have pleasure in presenting the Management and Analysis Report for the year ended on March, 31st 2020.

An Overview Indian Textile Industry

India's textiles sector is one of the oldest industries in Indian economy dating back several centuries. Even today, textiles sector is one of the largest contributors to India's exports with approximately 15% of total exports. The textiles industry is also labour intensive and is one of the largest employers. The textile industry has two broad segments. First, the unorganized sector consists of handloom, handicrafts and sericulture, which are operated on a small scale and through traditional tools and methods. The second is the organized sector consisting of spinning, apparel and garments segment which apply modern machinery and techniques such as economies of scale.

The Indian textiles industry is extremely varied, with the hand-spun and hand-woven textiles sectors at one end of the spectrum, while the capital intensive sophisticated mills sector at the other end of the spectrum. The decentralized power looms/ hosiery and knitting sector form the largest component of the textiles sector. The close linkage of the textile industry to agriculture (for raw materials such as cotton) and the ancient culture and traditions of the country in terms of textiles make the Indian textiles sector unique in comparison to the industries of other countries. The Indian textile industry has the capacity to produce a wide variety of products suitable to different market segments, both within India and across the world.

Investment

The textiles sector has witnessed a spurt in investment during the last five years. The industry (including dyed and printed) attracted Foreign Direct Investment (FDI) worth US\$ 3.44 billion during April 2000 to March 2020.

Some of the major investments in the Indian textiles industry are as follows:

- In May 2018, textiles sector recorded investments worth Rs 27,000 crore (US\$ 4.19 billion) since June 2017.
- The Government of India announced a Special Package to boost exports by US\$ 31 billion, create one crore job opportunities and attract investments worth Rs 800.00 billion (US\$ 11.93 billion) during 2018-2020. As of August 2018, it generated additional investments worth Rs 253.45 billion (US\$ 3.78 billion) and exports worth Rs 57.28 billion (US\$ 854.42 million).
- Under Union Budget 2020-21, a National Technical Textiles Mission is proposed for a period from 2020-21 to 2023-24 at an estimated outlay of Rs 1,480 crore (US\$ 211.76 million).

Government Initiatives

Indian government has come up with a number of export promotion policies for the textiles sector. It has also allowed 100 per cent FDI in the sector under the automatic route.

Initiatives taken by Government of India are:

- In 2020, New Textiles Policy 2020 is expected to be released by the Ministry of Textiles.
- CCEA approved mandatory packaging of food grains and sugar in jute material for the Jute Year 2019-20.
- In September 2019, textiles export witnessed a 6.2 per cent increase post GST as compared to the period pre-GST.
- The Directorate General of Foreign Trade (DGFT) has revised rates for incentives under the Merchandise Exports from India Scheme (MEIS) for two subsectors of Textiles Industry-readymade garments and made-ups - from two per cent to four per cent.
- The Government of India has taken several measures including Amended Technology Up-gradation Fund Scheme (A-TUFS), estimated to create employment for 35 lakh people and enable investment worth Rs 95,000 crore (US\$ 14.17 billion) by 2022.
- The Cabinet Committee on Economic Affairs (CCEA), Government of India approved a new skill development scheme named 'Scheme for Capacity Building in Textile Sector (SCBTS)' with an outlay of Rs 1,300 crore (US\$ 202.9 million) from 2017-18 to 2019-20. As of August 2019, 16 states signed pacts with the Ministry of Textiles to partner with it for skilling about four lakh workers under the scheme.

Achievements

Following are the achievements of the Government in the past four years:

- As of 2019, 348 technical textiles products were developed according to Bureau of Indian Standards (BIS).
- I-ATUFS, a web-based claims monitoring and tracking mechanism was launched on April 21, 2016. 381 new block level clusters were sanctioned.
- Under the Scheme for Integrated Textile Parks (SITP), 59 textile parks were sanctioned, out of which, 22 have been completed.
- Employment increased to 45 million in FY19 from 8.03 in FY15.

Strengths

- India is one of the largest producers of cotton in the world and is also enjoys abundant supplies of polyester, silk, viscose, among others.
- Low labour charges means that the manufacturing cost rarely spins out of control.
- India has availability of abundant raw material which helps to control the costs and reduces the lead time.
- Availability of large varieties of fibre and has a fast growing synthetic fibre industry.
- Industry has large and diversified segments that provide wide variety of products.
- Indian textile industry is a self-reliant industry which has complete value chain from the procurement of raw materials to the production of finished goods.
- The Company's own quality control department equipped with latest computerised machines and personnel also adds to the strength of the Company.
- The Company owns land at Muradnagar, District Ghaziabad, Uttar Pradesh, India, which is also sufficient to meet future expansion plans of the Company.

Weakness

- Lack of technological development affects productivity and other activities across the value chain.
- The Indian industry falls short on the economies-of-scale front therefore unable to compete with nations like China.
- Indian Textile Industry is highly Fragmented Industry.
- Rigid & unfavorable labor Laws.
- Lack of Trade Membership, which restrict to tap other potential market.
- Lacking to generate Economies of Scale.
- Use of outdated technology resulted in low productivity & production capacities as compared to China.
- Comparatively high expenses like indirect taxes, power & interest.

Opportunities

- A number of initiatives have been announced to support the handloom and power loom industries.
- A number of e-marketing platforms have been developed to simplify marketing issue.
- Greater Investment and FDI opportunities are available.
- Large, Potential Domestic and International Market.
- Product development and Diversification to cater global needs.
- Elimination of Quota Restriction leads to greater Market Development.
- Market is gradually shifting towards Branded Readymade Garment.

Threats

- Low-cost players like Pakistan and Bangladesh may hinder India's exports prospects.
- Another disadvantage is India's geographical distance from major global markets of US, Europe and Japan in contrast to its rivals like Mexico, China, among others which are comparatively nearer. This results in high shipping expenses and lengthy lead times.
- Polyester manufacturers struggled to pass on high raw material costs due to sluggish demand and declining cotton prices.
- Continuous Quality Improvement is need of the hour as there are different demand patterns all over the world.
- Threat for Traditional Market for Power loom and Handloom Products and forcing them for product diversification.
- Geographical Disadvantages relating to Export & Import of goods.
- To make balance between price and quality in order to compete with cheaper imports.

SPACE INCUBATRICS TECHNOLOGIES LIMITED

Outlook

- The Company wishes to capture the growth in Textiles & plans to grow by investing mainly in blended Textiles & to intend to be leader in the segment.
- The Indian textile sector considers the Union Budget 2020-2021 to be growth oriented as it will enable the textile manufacturing sectors to grow at a faster rate.
- With a view to support the "Make in India" initiative, the Central Government Launched ATUFS (Amended Technology Upgradation Fund Scheme) in place of the existing RRTUFS (Revised Restructure Technology Upgradation Fund Scheme), for technology upgradation of textile industry with one time capital subsidy for eligible machinery.
- It is the endeavor of the Company to improve its performance by adopting new techniques of production, improve product acceptability and cutting/reducing costs wherever possible.

Financial & Operational Performance

Risks And Concerns: Your Company has established a strong risk management structure. Under this structure, the risks are identified across all business processes of the organization on continual basis. The Company endeavors to mitigate the risks on an ongoing basis by evaluating the progress of the projects being undertaken on a regular basis and close monitoring.

- **Liquidity Risk:** The Company is into a highly capital intensive industry segment. Non availability of funds or increased cost of funding will result in pressurized margins. The Company requires a substantial amount of long term/short term funds to meet its requirement for various Infrastructure/Construction projects. To manage this, the Company proactively manages the debt levels from banks to provide adequate liquidity for its operations.
- **Government Policy Risk:** There could be unfavorable regulatory measures in Government policies towards the textile industry and may impact the long term planning of the Company.
- **The MAT (Minimum Alternate Tax):** Regime if not taken out of the SEZ's might create difficulties in the sector as SEZs and the companies in the zones might not be able to reap the benefits as originally enshrined in the SEZ act. Same risk may get augmented if the SEZs are not allowed to sell in the Domestic Tariff Area in tandem with the Free Trade Agreements with some countries
- **Competition Risk:** The top management of the Company reviews the risk from time to time and as a measure of risk mitigation your Company has decided to focus only on the core competency area so as to ensure that it is constantly moving up the value chain.

Human Resources: Human Resource Management is one of the key functions of the Company. Your Company aims to create a working environment that attracts and retain the best people, enhance their capability and provide enough motivation to ensure highest level of productivity. The employees are encouraged to remain involved and contribute for the growth of the Company. The industrial relations during the year continued to be cordial and peaceful.

As on 31-03-2020 there were 06 permanent employees in the company.

Cautionary Statement: The Management Discussion and Analysis Report contains forward looking statements based upon the data available with the Company, assumptions with regard to global economic conditions, the Government policies, etc. The Company cannot guarantee the accuracy of assumptions and perceived performance of the Company in future.

INDEPENDENT AUDITOR'S REPORT

To the Members of
SPACE INCUBATRICES TECHNOLOGIES LIMITED

REPORT ON THE AUDIT OF STANDALONE FINANCIAL STATEMENTS

Opinion

1. We have audited the accompanying standalone financial statements of **M/s SPACE INCUBATRICES TECHNOLOGIES LIMITED**, which comprise the Balance Sheet as at March 31, 2020, and the Statement of Profit and Loss for the period 1st April 2019 to 31st March 2020 and notes to the financial statements and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act,

- a) In the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2020;
- b) In the case of the Profit and Loss Account, of the PROFIT for the period ended on that date and
- c) In the case of Cash Flow Statement, for the cash flows for the year ended on that date.
- d) And the changes in equity for the year ended on that date.

Basis for Opinion

2. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

3. As disclosed in Note No. 27C. The Statutory Auditors of Sybly International FZE, a wholly owned subsidiary of Space Incubatrices Technologies Limited, have reported that "the Current Liabilities of the company exceeded its total assets, these events or conditions, indicates a material uncertainty exists and that may cast significant doubt on the establishment ability to continue as a going concern". Company has given loan to its subsidiary having an outstanding amount of Rs. 55.87 Crore as on 31.03.2020. Our opinion is not modified in respect of this matter.

Key Audit matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the financial statements and auditors' report thereon

5. The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

SPACE INCUBATRICES TECHNOLOGIES LIMITED

Responsibility of Management and Those Charged with Governance for the Standalone Financial Statements

6. The company's Board of Directors are responsible for the matters in Section 134(5) of the Companies Act 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Principles generally accepted in India, including Accounting Standards specified in under section 133 of the Act. This responsibility includes the maintenance of adequate accounting records in accordance with the provision of the act for safeguarding the assets of the company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgment and estimates are reasonable and prudent and design, implementation and maintenance of internal control, that were operating efficiently for ensuring the accuracy and completeness of accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease the operations or has no realistic alternative but to do so, Those Board of Directors are also responsible for overseeing the financial reporting process.

Auditor's Responsibility for the Audit of Standalone Financial Statements

7. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure

SPACE INCUBATRICES TECHNOLOGIES LIMITED

about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

8. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure "B" a statement on the matters specified in paragraphs 3 & 4 of the Order, to the extent applicable .
9. As required by section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books
 - c) The standalone financial statements dealt with by this Report are in agreement with the books of accounts.
 - d) In our opinion, the aforesaid standalone financial statements comply with Ind AS specified under Section 133 of the Companies Act 2013.

SPACE INCUBATRICS TECHNOLOGIES LIMITED

ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT

To the Members of
SPACE INCUBATRICS TECHNOLOGIES LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Controls over financial reporting of "Space Incubatricts Technologies Limited", as of 31st March, 2020 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

SPACE INCUBATRICES TECHNOLOGIES LIMITED

3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SPACE INCUBATRICS TECHNOLOGIES LIMITED

NOTES FORMING PART OF FINANCIAL STATEMENTS

1. COMPANY OVERVIEW

Space Incubatricts Technologies Limited (referred to as "SITL" or "the Company") has been incorporated with the objects to develop and or get developed data communications services, incubation facilities, training and value added services in the field of app development. Software imports and exports with a special focus on startup units of the software industry. The Company is a public limited Company incorporated in India and has its registered office at Pawan Puri, Muradnagar, Distt. Ghaziabad, India.

2. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

(a) Basis of Preparation and Compliance with Ind AS

- i. These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.
- ii. The accounting policies are applied consistently to all the periods presented in the financial statements.
- iii. The standalone financial statements were approved by the Board of Directors and authorized for issue on July 30, 2020.

(b) Basis of measurement

The Ind AS financial statements have been prepared on historical cost basis except for certain financial instruments measured at fair value at the end of each reporting period as explained in the accounting policies below.

(c) Functional and presentation currency

These Ind AS Financial Statements are prepared in Indian Rupee which is the Company's functional currency.

(d) Use of estimates and judgments

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

3. SIGNIFICANT ACCOUNTING POLICIES

(a) Revenue Recognition

Revenue is measured at fair value of consideration received or receivable.

(i) Sale of Services

The Company recognizes revenues on the sale of services, net of discounts.

(ii) Other Operating Revenue

Other Income is recognised as and when the same is accrued.

(b) Property, Plant and Equipment

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation less accumulated impairment, if any.

Freehold land is measured at cost and is not depreciated.

Cost includes purchase price, taxes and duties, labor cost and direct overheads for self-constructed assets and other direct costs incurred up to the date the asset is ready for its intended use.

Interest cost incurred for constructed assets is capitalized up to the date the asset is ready for its intended use, based on borrowings incurred specifically for financing the asset or the weighted average rate of all other borrowings, if no specific borrowings have been incurred for the asset.

SPACE INCUBATRICES TECHNOLOGIES LIMITED

Depreciation is provided on the Straight Line Method (SLM) over the estimated useful lives of the assets considering the nature, estimated usage, operating conditions, past history of replacement, anticipated technological changes, manufacturer's warranties and maintenance support.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets or, where shorter, the term of the relevant lease.

Depreciation is not recorded on capital work-in-progress until construction and installation are complete and the asset is ready for its intended use.

Capital work in progress Assets in the course of construction are capitalized in capital work in progress account. At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs associated with the commissioning of an asset are capitalised when the asset is available for use but incapable of operating at normal levels until the period of commissioning has been completed.

(c) Intangible Assets

Intangible assets acquired are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. The useful lives of intangible assets are assessed as either finite or indefinite. The Company currently does not have any intangible assets with indefinite useful life. Intangible assets are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

(d) Financial Instruments

i) Classification, Initial Recognition and Measurement

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets other than equity instruments are classified into categories: financial assets at fair value through profit or loss and at amortised cost. Financial assets that are equity instruments are classified as fair value through profit or loss or fair value through other comprehensive income. Financial liabilities are classified into financial liabilities at fair value through profit or loss and other financial liabilities.

Financial instruments are recognized on the balance sheet when the Company becomes a party to the contractual provisions of the instrument.

Initially, a financial instrument is recognized at its fair value. Transaction costs directly attributable to the acquisition or issue of financial instruments are recognized in determining the carrying amount, if it is not classified as at fair value through profit or loss. Subsequently, financial instruments are measured according to the category in which they are classified.

Financial assets at amortised cost: Financial assets having contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding and that are held within a business model whose objective is to hold such assets in order to collect such contractual cash flows are classified in this category. Subsequently, these are measured at amortized cost using the effective interest method less any impairment losses.

SPACE INCUBATRICES TECHNOLOGIES LIMITED

Equity investments at fair value through other comprehensive income: These include financial assets that are equity instruments and are irrevocably designated as such upon initial recognition. Subsequently, these are measured at fair value and changes therein are recognized directly in other comprehensive income, net of applicable income taxes.

Dividends from these equity investments are recognized in the Statement of Profit and Loss when the right to receive payment has been established.

When the equity investment is derecognized, the cumulative gain or loss in equity is transferred to retained earnings.

Financial assets at fair value through profit or loss: Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss are immediately recognised in profit or loss.

Equity instruments: An equity instrument is any contract that evidences residual interests in the assets of the Company after deducting all of its liabilities.

Equity instruments issued by the Company are recorded at the proceeds received, net of direct Financial Liabilities at fair value through profit or loss. Derivatives, including embedded derivatives separated from the host contract, unless they are designated as hedging instruments, for which hedge accounting is applied, are classified into this category. These are measured at fair value with changes in fair value recognized in the Statement of Profit and Loss.

Financial guarantee contracts: These are initially measured at their fair values and, are subsequently measured at the higher of the amount of loss allowance determined or the amount initially recognized less, the cumulative amount of income recognized.

Other financial liabilities: These are measured at amortized cost using the effective interest method.

ii) Determination of Fair Value:

The fair value of a financial instrument on initial recognition is normally the transaction price (fair value of the consideration given or received). Subsequent to initial recognition, the Company determines the fair value of financial instruments that are quoted in active markets using the quoted bid prices (financial assets held) or quoted ask prices (financial liabilities held) and using valuation techniques for other instruments. Valuation techniques include discounted cash flow method and other valuation models.

iii) Derecognition of Financial Assets and Financial Liabilities:

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

Financial liabilities are derecognised when these are extinguished, that is when the obligation is discharged, cancelled or has expired.

iv) Impairment of Financial Assets:

The Company recognizes a loss allowance for expected credit losses on a financial asset that is at amortized cost. Loss allowance in respect of financial assets is measured at an amount equal to life time expected credit losses

SPACE INCUBATRICES TECHNOLOGIES LIMITED

and is calculated as the difference between their carrying amount and the present value of the expected future cash flows discounted at the original effective interest rate.

(e) Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

(f) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

(g) Inventories

Inventories are valued at cost on FIFO basis.

(h) Provisions

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

Product warranty expenses: The estimated liability for product warranties is recorded when products are sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidences based on actions on product failures. The timing of outflows will vary as and when warranty claim will arise, being typically up to four years.

(i) Foreign Currency

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Foreign currency denominated monetary assets and liabilities are re-measured into the functional currency at the exchange rate prevailing on the balance sheet date.

Exchange differences are recognized in the Statement of Profit and Loss except to the extent, exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings, are capitalized as part of borrowing costs.

(j) Income Taxes

Income tax expense comprises current and deferred taxes. Income tax expense is recognized in the Statement of Profit and Loss except when they relate to items that are recognized outside profit or loss (whether in other comprehensive income or directly in equity), in which case tax is also recognized outside profit or loss. Current income taxes are determined based on respective taxable income of taxable entity.

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases, and unutilized business loss and depreciation carry-forwards and tax credits. Such deferred tax assets and liabilities are computed for the taxable entity. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilized.

Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

SPACE INCUBATRICS TECHNOLOGIES LIMITED

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

(k) Earnings Per Share

Basic earnings per share has been computed by dividing profit/loss for the year by the weighted average number of shares outstanding during the year.

Partly paid up shares are included as fully paid equivalents according to the fraction paid up. Diluted earnings per share has been computed using the weighted average number of shares and dilutive potential shares, except where the result would be anti-dilutive.

(l) Employee Benefits

i) Gratuity

Gratuity is a defined benefit retirement plan covering eligible employees. The plan provides for a lump-sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 to 30 days salary payable for each completed year of service. Vesting occurs upon completion of five years of service. SITL have no obligation towards gratuity.

ii) Provident Fund and ESI

In accordance with Indian law, eligible employees of the Company are entitled to receive benefits in respect of provident fund and ESI, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions, as specified under the law, are made to the provident fund and pension fund set up.

(m) Dividends

Any dividend declared or paid by the Company for any financial year is based on the profits available for distribution as reported in the statutory financial statements of Space Incubatricts Technologies Limited (Standalone) prepared in accordance with Generally Accepted Accounting Principles in India, or Indian GAAP or Ind AS. Indian law permits the declaration and payment of dividend out of profits for the year or previous financial year(s) as stated in the statutory financial statements of Space Incubatricts Technologies Limited (Standalone) prepared in accordance with Generally Accepted Accounting Principles in India, or Indian GAAP or Ind AS after providing for depreciation in accordance with the provisions of Schedule II to the Companies Act. However, in the absence of inadequacy of the said profits, it may declare dividend out of free reserves, subject to certain conditions as prescribed under the Companies (Declaration and payment of Dividend) Rules, 2014. Accordingly, in certain years the net income reported in these financial statements may not be fully distributable.

(n) Investments in Subsidiaries, Joint Ventures and Associates

Investments in Subsidiaries, Joint Ventures and Associates are measured at cost as per Ind AS 27 – Separate Financial Statements.

INDEPENDENT AUDITOR'S REPORT

To
The Manager
M/S. Sybly International FZE
Hamriyah Free Zone
Sharjah, United Arab Emirates

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **M/s Sybly International FZE, Hamriyah Free Zone, Sharjah, U.A.E. (the "Establishment")**, which comprise the statement of financial position as at March 31, 2020 and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, subject to Note No. I (a) regarding not renewing company license after December 19, 2012 and emphasis of matter related to going concern and non-availability of bank statements the accompanying financial statements give a true and fair view of the financial position of the Establishment as at March 31, 2020, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Establishment in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in the UAE, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter

We draw attention to Note 7 & 9 in the financial statements, which indicates non-availability of bank statements and the Establishment incurred a net loss of AED 240 during the year ended March 31, 2020 and, as of that date, the Establishment's current liabilities exceeded its total assets by AED 15,120,905. As stated in Note 9, these events or conditions, indicate that a material uncertainty exists that may cast significant doubt on the Establishment's ability to continue as a going concern.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with IFRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Establishment's continue as a going concern disclosing, as applicable, matters related to going concern basis of accounting unless management either intends to liquidate the Establishment or to operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Establishment's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from

SPACE INCUBATRICES TECHNOLOGIES LIMITED

error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Establishment's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Establishment's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Establishment to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Current and non-current financial assets that have fixed or determinable payments and for which there is no active market, which comprise trade and other receivables and related party receivables, are classified as loans and receivables and stated at cost or, if the impact is material, at amortised cost using the effective interest method, less any write down impairment losses plus reversals of impairment losses.

Impairment losses and reversals thereof are recognized in the income statement. Current and non-current financial liabilities, which comprise current and non-current bank borrowings, trade and other payables and shareholders' current accounts, are measured at cost or, if the impact is material, at amortised cost using the effective interest method.

3.8 Significant judgments and key assumptions

The significant judgments made in applying accounting policies that have significant effect on the amounts recognized in the financial statements are as follows:

Impairment

At each balance sheet date, management conducts an assessment of property, plant, equipment and all financial assets to determine whether there are any indications that they may be impaired. In the absence of such indications, no further action is taken. If such indications do exist, an analysis of each asset is undertaken to determine its net recoverable amount and, if this is below its carrying amount, a provision is made. In the case of loans and receivables, if an amount is deemed irrecoverable, it is written off to the income statement or, if previously a provision was made, it is written off against the provision. Reversals of provisions against loans and receivables are made to the extent of the related amounts being recovered.

Key assumptions made concerning the future and other key sources of estimation uncertainty at the balance sheet date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are as follows:

Doubtful Debt Provisions

Management regularly undertakes a review of the amounts of receivables owed to the Company from third parties and assesses the likelihood of non-recovery. Such assessment is based upon the age of the debts, historic recovery rates and assessed creditworthiness of the debtor. Based on the assessment assumptions are made as to the level of Provisions required.

Impairment

Assessments of net recoverable amounts of property, plant, equipment and all financial assets other than loans and receivables (see above) are based on assumptions regarding future cash flows expected to be received from the related assets.

SPACE INCUBATRICES TECHNOLOGIES LIMITED

INDEPENDENT AUDITOR'S REPORT

To the Members of SPACE INCUBATRICES TECHNOLOGIES LIMITED REPORT ON THE AUDIT OF CONSOLIDATED FINANCIAL STATEMENTS

Opinion

1. We have audited the accompanying consolidated financial statements of **M/s SPACE INCUBATRICES TECHNOLOGIES LIMITED**, which comprise the Consolidated Balance Sheet as at March 31, 2020, and the Consolidated Statement of Profit and Loss, Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements / consolidated financial statements and on the other financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act,

- a) In the case of the Consolidated Balance Sheet, of the state of affairs of the Company as at March 31, 2020;
- b) In the case of the Consolidated Profit and Loss Account, of the PROFIT for the period ended on that date and
- c) In the case of Consolidated Cash Flow Statement, for the cash flows for the year ended on that date.
- d) And the changes in equity for the year ended on that date.

Basis for Opinion

2. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit matters

3. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the Consolidated Financial Statements and Auditors' Report thereon

4. The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Consolidated Financial Statements

5. The company's Board of Directors are responsible for the matters in Section 134(5) of the Companies Act 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Principles generally accepted in India, including Accounting Standards specified in under Section 133 of the Act. This responsibility includes the maintenance of adequate accounting records in accordance with the provision of the act for safeguarding the assets of the company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgment and estimates are reasonable and prudent and design, implementation and

SPACE INCUBATRICES TECHNOLOGIES LIMITED

maintenance of internal control, that were operating efficiently for ensuring the accuracy and completeness of accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the directors of the company, as aforesaid.

In preparing the consolidated financial statements, management is responsible for assessing the company's ability to continue as a going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease the operations or has no realistic alternative but to do so,

The Board of Directors are also responsible for overseeing the financial reporting process.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

6. Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of subsidiary "Sybly International FZE", whose financial statements reflects total assets of AED 24,86,36,960 total revenue of AED 1,03,555 as considered in the consolidated financial statements in respect of subsidiary, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the

SPACE INCUBATRICES TECHNOLOGIES LIMITED

Consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and associates, is based solely on the reports of the other auditors.

Further, this subsidiary is located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in United Arab Emirates and which have been audited by other auditor under generally accepted auditing standards applicable in United Arab Emirates. The Holding Company's management has converted the financial statements of such subsidiary, located outside India from accounting principles generally accepted in United Arab Emirates to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management.

Our opinion, and matters identified and disclosed under key audit matters section above, in so far as it relates to the balances and affairs of such subsidiary located outside India is based on the report of other auditor and the conversion adjustments prepared by the management of the Holding Company and audited by us. Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matters with respect to our reliance on the work done by and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

7. As required by Section 143(3) of the Act based on our audit and on the consideration of the reports of the other auditors on separate financial statements and other financial information of the subsidiary, we report, to the extent applicable,
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books and the reports of the other auditor.
 - c) The consolidated financial statements dealt with by this Report are in agreement with the relevant books of accounts maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with Ind AS specified under Section 133 of the Companies Act 2013.
 - e) On the basis of written representations received from the directors of the Holding Company and taken on record by the board of directors of the Holding Company as on March 31, 2020, none of the directors is disqualified as on March 31, 2020, from being appointed as a director in terms of section 164(2) of the Act.
 - f) With respect to the adequacy of internal financial controls over financial reporting of the Holding Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A"; and
 - g) With respect of the other matters to be included in the Auditor's report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of the information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiary:
 - i. the Company does not have any pending litigations which would impact its financial position.
 - ii. the Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii. there were no amounts which required to be transferred to Investor Education and Protection Fund.

SPACE INCUBATRICES TECHNOLOGIES LIMITED

ANNEXURE A - TO THE INDEPENDENT AUDITORS' REPORT

To the Members of
SPACE INCUBATRICES TECHNOLOGIES LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Controls over financial reporting of "Space Incubatrices Technologies Limited", as of 31st March, 2020 in conjunction with our audit of the Consolidated Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

SPACE INCUBATRICS TECHNOLOGIES LIMITED

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

B. NOTES FORMING PART OF FINANCIAL STATEMENTS

1. COMPANY OVERVIEW

Space Incubatricts Technologies Limited (referred to as "SITL" or "the Company") has been incorporated with the objects to develop and or get developed data communications services, incubation facilities, training and value added services in the field of app development. Software imports and exports with a special focus on start-up units of the software industry. The Company is a public limited Company incorporated in India and has its registered office at Pawan Puri, Muradnagar, Distt. Ghaziabad, India.

2. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

(a) Basis of Preparation and Compliance with Ind AS

- i. These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.
- ii. The accounting policies are applied consistently to all the periods presented in the financial statements.
- iii. The consolidated financial statements were approved by the Board of Directors and authorized for issue on July 30, 2020.

(b) Basis of measurement

The Ind AS financial statements have been prepared on historical cost basis except for certain financial instruments measured at fair value at the end of each reporting period as explained in the accounting policies below.

(c) Functional and presentation currency

These Ind AS Financial Statements are prepared in Indian Rupee which is the Company's functional currency.

(d) Use of estimates and judgments

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

SPACE INCUBATRICES TECHNOLOGIES LIMITED

3. SIGNIFICANT ACCOUNTING POLICIES:

(a) Revenue Recognition

Revenue is measured at fair value of consideration received or receivable.

(i) Sale of Services

The Company recognizes revenues on the sale of services, net of discounts.

(ii) Other Operating Revenue

Other Income is recognised as and when the same is accrued.

(b) Property, Plant and Equipment

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation less accumulated impairment, if any.

Freehold land is measured at cost and is not depreciated.

Cost includes purchase price, taxes and duties, labour cost and direct overheads for self-constructed assets and other direct costs incurred up to the date the asset is ready for its intended use.

Interest cost incurred for constructed assets is capitalized up to the date the asset is ready for its intended use, based on borrowings incurred specifically for financing the asset or the weighted average rate of all other borrowings, if no specific borrowings have been incurred for the asset.

Depreciation is provided on the Straight Line Method (SLM) over the estimated useful lives of the assets considering the nature, estimated usage, operating conditions, past history of replacement, anticipated technological changes, manufacturer's warranties and maintenance support.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets or, where shorter, the term of the relevant lease.

Depreciation is not recorded on capital work-in-progress until construction and installation are complete and the asset is ready for its intended use.

Capital work in progress Assets in the course of construction are capitalized in capital work in progress account. At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs associated with the commissioning of an asset are capitalised when the asset is available for use but incapable of operating at normal levels until the period of commissioning has been completed.

(c) Intangible Assets

Intangible assets acquired are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. The useful lives of intangible assets are assessed as either finite or indefinite. The Company currently does not have any intangible assets with indefinite useful life. Intangible assets are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

(d) Financial Instruments

i) Classification, Initial Recognition and Measurement

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets other than equity instruments are classified into categories: financial assets at fair value through profit or loss and at amortised cost. Financial assets that are equity instruments are classified as fair value through profit or loss or fair value through other comprehensive income. Financial liabilities are classified into financial liabilities at fair value through profit or loss and other financial liabilities.

SPACE INCUBATRICES TECHNOLOGIES LIMITED

Financial instruments are recognized on the balance sheet when the Company becomes a party to the contractual provisions of the instrument.

Initially, a financial instrument is recognized at its fair value. Transaction costs directly attributable to the acquisition or issue of financial instruments are recognized in determining the carrying amount, if it is not classified as at fair value through profit or loss. Subsequently, financial instruments are measured according to the category in which they are classified.

Financial assets at amortised cost: Financial assets having contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding and that are held within a business model whose objective is to hold such assets in order to collect such contractual cash flows are classified in this category. Subsequently, these are measured at amortized cost using the effective interest method less any impairment losses.

Equity investments at fair value through other comprehensive income: These include financial assets that are equity instruments and are irrevocably designated as such upon initial recognition. Subsequently, these are measured at fair value and changes therein are recognized directly in other comprehensive income, net of applicable income taxes.

Dividends from these equity investments are recognized in the Statement of Profit and Loss when the right to receive payment has been established.

When the equity investment is derecognized, the cumulative gain or loss in equity is transferred to retained earnings.

Financial assets at fair value through profit or loss: Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss are immediately recognised in profit or loss.

Equity instruments: An equity instrument is any contract that evidences residual interests in the assets of the Company after deducting all of its liabilities.

Equity instruments issued by the Company are recorded at the proceeds received, net of direct Financial Liabilities at fair value through profit or loss. Derivatives, including embedded derivatives separated from the host contract, unless they are designated as hedging instruments, for which hedge accounting is applied, are classified into this category. These are measured at fair value with changes in fair value recognized in the Statement of Profit and Loss.

Financial guarantee contracts: These are initially measured at their fair values and, are subsequently measured at the higher of the amount of loss allowance determined or the amount initially recognized less, the cumulative amount of income recognized.

Other financial liabilities: These are measured at amortized cost using the effective interest method.

ii) **Determination of Fair Value:**

The fair value of a financial instrument on initial recognition is normally the transaction price (fair value of the consideration given or received). Subsequent to initial recognition, the Company determines the fair value of financial instruments that are quoted in active markets using the quoted bid prices (financial assets held) or quoted ask prices (financial liabilities held) and using valuation techniques for other instruments. Valuation techniques include discounted cash flow method and other valuation models.

iii) **Derecognition of Financial Assets and Financial Liabilities:**

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

Financial liabilities are derecognised when these are extinguished, that is when the obligation is discharged, cancelled or has expired.

iv) **Impairment of Financial Assets:**

The Company recognizes a loss allowance for expected credit losses on a financial asset that is at amortized cost. Loss allowance in respect of financial assets is measured at an amount equal to life time expected credit losses and is calculated as the difference between their carrying amount and the present value of the expected future cash flows discounted at the original effective interest rate.

SPACE INCUBATRICES TECHNOLOGIES LIMITED

(e) Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

(f) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

(g) Inventories

Inventories are valued at cost on FIFO basis.

(h) Provisions

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Product warranty expenses: The estimated liability for product warranties is recorded when products are sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidences based on actions on product failures. The timing of outflows will vary as and when warranty claim will arise, being typically up to four years.

(i) Foreign Currency

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Foreign currency denominated monetary assets and liabilities are re-measured into the functional currency at the exchange rate prevailing on the balance sheet date.

Exchange differences are recognized in the Statement of Profit and Loss except to the extent, exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings, are capitalized as part of borrowing costs.

(j) Income Taxes

Income tax expense comprises current and deferred taxes. Income tax expense is recognized in the Statement of Profit and Loss except when they relate to items that are recognized outside profit or loss (whether in other comprehensive income or directly in equity), in which case tax is also recognized outside profit or loss. Current income taxes are determined based on respective taxable income of taxable entity.

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases, and unutilized business loss and depreciation carry-forwards and tax credits. Such deferred tax assets and liabilities are computed for the taxable entity. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilized.

Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

(k) Earnings Per Share

Basic earnings per share has been computed by dividing profit/loss for the year by the weighted average number of shares outstanding during the year.

Partly paid up shares are included as fully paid equivalents according to the fraction paid up. Diluted earnings per share has been computed using the weighted average number of shares and dilutive potential shares, except where the result would be anti-dilutive.

SPACE INCUBATRICS TECHNOLOGIES LIMITED

(l) Employee Benefits

i) Gratuity

Gratuity is a defined benefit retirement plan covering eligible employees. The plan provides for a lump-sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 to 30 days salary payable for each completed year of service. Vesting occurs upon completion of five years of service. SITL have no obligation towards gratuity.

ii) Provident Fund and ESI

In accordance with Indian law, eligible employees of the Company are entitled to receive benefits in respect of provident fund and ESI, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions, as specified under the law, are made to the provident fund and pension fund set up.

(m) Dividends

Any dividend declared or paid by the Company for any financial year is based on the profits available for distribution as reported in the statutory financial statements of Space Incubatricts Technologies Limited (Standalone) prepared in accordance with Generally Accepted Accounting Principles in India, or Indian GAAP or Ind AS. Indian law permits the declaration and payment of dividend out of profits for the year or previous financial year(s) as stated in the statutory financial statements of Space Incubatricts Technologies Limited (Standalone) prepared in accordance with Generally Accepted Accounting Principles in India, or Indian GAAP or Ind AS after providing for depreciation in accordance with the provisions of Schedule II to the Companies Act. However, in the absence of inadequacy of the said profits, it may declare dividend out of free reserves, subject to certain conditions as prescribed under the Companies (Declaration and payment of Dividend) Rules, 2014. Accordingly, in certain years the net income reported in these financial statements may not be fully distributable.

(n) Investments in Subsidiaries, Joint Ventures and Associates

Investments in Subsidiaries, Joint Ventures and Associates are measured at cost as per Ind AS 27 – Separate Financial Statements.
