3 chargesheeted in 24 hrs of arrest in gang rape case

Rajkot: A 15-year-old girl from Bhavnagar was allegedly gang-raped by three persons in a car on the Bhavnagar-Alang highway and police have arrested all the accused. Importantly, the police filed the chargesheet against the three in 'record' 24 hours against three who were handed over to the custody of the court. The incident happened late on Friday night when one of the accused, Mansukh Solanki (35), who was a neighbour and acquainted with the girl, saw her standing alone outside her house at around 10pm. Solanki, accompanied by his friend Sanjay Makwana (25), lured her for a brief drive in the former's car. The girl's father is engaged in labour work and she does not go to any school. The unsuspecting girl went along with them. However, the duo also called their friend Mustafa Sheikh

(35) Solanki is a car driver who ferries people from Bhavnagar to nearby places while Makwana owns a car repair garage. Sheikh has a puncture repair shop. Thus, all three were friends for a long time. The trio then took the girl on the highway near Alang and drove the car beneath an under-construction bridge near Trapaj village. All three then took turns to rape the girl. After the rape, Solanki left the place, while Sheikh and Makwana took the girl in the car and started for Bhavnagar. The hotel owner suddenly noticed that the girl sitting in the car was weeping inconsolably and he immediately alerted the Alang police. Cops were patrolling on the highway and reached the hotel. On talking to the girl, she broke down and narrated the entire incident to the cops, who immediately detained Solanki and Makwana from the spot. They asked the duo to call Sheikh, who was also detained. JR Bhachan, inspector, Neelambaug police station in Bhavnagar, said, "We arrested all the three accused on Saturday and sent the girl for medical examination." The three accused have been booked under relevant IPC sections of rape and PCOCT Act. Bhavnagar Range IG Ashok Kumar Yadav told TOI that medical teams were formed to gather all possible evidence in the crime. "The teams collected corroborative, scientific, electronic and documentary evidence along with statistical evidence, everything within 24 hours and filed the chargesheet against the accused duo." Yadav said this was the first time in Gujarat that the chargesheet in gang rape case has been lodged in such a quick time.
