PRESS RELEASE

TVS Motor Company launches TVS NTORQ 125 Race Edition in Bangladesh

- Boasts of superior performance backed by TVS Racing pedigree
- Bangladesh's first Bluetooth connected scooter with TVS SMARTXONNECT™

Dhaka, August 23, 2021: TVS Motor Company, a reputed manufacturer of two-wheelers and three-wheelers in the world, today announced the launch of TVS NTORQ 125 Race Edition in Dhaka. Designed for the youth, TVS NTORQ 125 has been developed based on the TVS Racing pedigree. It also marks the launch of an exclusive technology platform – TVS SMARTXONNECT™ - making it Bangladesh's first Bluetooth connected scooter.

Commenting on the launch, **Mr. R Dilip, President – International Business, TVS Motor Company** said, *“TVS Motor Company has always placed utmost importance on developing products with best-in-class technology to cater to the aspirations of our customers. With the launch of TVS NTORQ 125 Race Edition, we are bringing an attractive, innovative and advanced product for the youth of Bangladesh. The scooter has become a favourite among Gen Z across the globe and with its performance, style and technology, we are confident that it will carve a niche in the scooter segment of the country.”*

Mr. J. Ekram Hussain, Managing Director, TVS Auto Bangladesh said, *“We are delighted to introduce the TVS NTORQ 125 Race Edition in Bangladesh today. The smart scooter promises to create a best-in-class ownership experience. TVS NTORQ 125 is a one-of-its-kind offering, designed to meet the desires of the youthful customers.”*

Style:
