The Company continues to be engaged in manufacturing and sale of Kraft Papers and newsprint papers. During the year 2021-22, the Company recorded a turnover of Rs. 2,11,91,20,902/- and net loss of Rs. 6,16,64,465/- compared to the turnover of Rs. 1,69,73,76,757/- and net loss of Rs. 5,86,98,182/- for the previous year 2020-21.

STATE OF AFFAIRS

The company is in the business of Manufacturing Newsprint, Writing & Printing paper and Kraft Paper. The overall profitability of the Company during the year under review, as compared to the previous year, has been adversely affected due to the unfavorable economic and market conditions prevailing throughout the year in all the business segments on account of disruptions caused by the COVID – 19 pandemic.

The current year witnessed lot of change in the international paper market and these changes impacted the operations of the Indian paper industry. In the FY 2021-22 the

company produced 55,657 Mt of paper as against 60,243 Mt produced in FY 2020-21. In FY 2020-21, the company produced 40,523 Mt (67%) of Kraft paper and 19,720 Mt (33%) of Newsprint & Writing printing paper. In FY 2021-22, the company produced 41,498 Mt (75%) of Kraft paper and 14159 Mt (25%) of Newsprint & Writing printing paper. There was a change in the product mix in FY 2021-22 to take advantage of the market scenario.

Malu Paper Mills Ltd has paper mills strategically located in Central India at Nagpur (Maharashtra). The company is the largest Newsprint manufacturer of Central India with 49,500 TPA capacity and produces quality Newsprint with recycle process. The company has swing facility wherein it can change to Newsprint and Writing paper production at short notice. The company is also in the manufacture of the packaging paper of recycle grade with an annual capacity 49,500 TPA. The positive turn of events in the Indian paper industry in the current year due to changes in the International and Domestic market, Environment and Industrial policy of the government has resulted in favourable changes, which will continue to impact the prospects of the company in years to follow.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENT

GLOBAL

During the last two years, the world has been grappling with the challenges posed by the Covid-19 pandemic. The prolonged Covid-19 crisis has dampened the demand as most of the paper consumption centers i.e. schools, colleges, educational institutions, court, judiciary and transportation modes (airports, bus stands, railway stations) etc. were not fully operational. This impacted the consumption and demand pattern of paper & paper products. Till the 1st half of FY 2021-22, global and Indian Paper Industries were beset with crisis like no other. The 2nd half of FY 2021-22 showed hope amidst uncertainty. The latter half experienced ever highest demand for paper in history of Indian paper industry.

Additionally, during this post pandemic period, the worldwide ocean freight prices were abnormally high; as a result, imported wastepaper prices were almost doubled. Consequently, the wastepaper based industries either slowed down their production or stopped paper production facilities. Apart from wastepaper prices, all other imported inputs like chemicals, imported spares parts, price were also high. Profit margins also shrink for export due to high ocean freight. This has resulted in increased cost of all inputs, raw material and fuel.

Newsprint

In fiscal 2021, demand for newsprint is expected to de-grow sharply by 30-35% on account of severe contraction of newspaper circulation and reduction in no of pages. Demand for newsprint is expected to de-grow at 4-5% CAGR between fiscals 2020 and 2025 on account of decrease in circulation of both vernacular as well as English newspapers due to increased Smartphone and internet penetration and shift in preference towards e-newspaper.

Packaging Grades

Ironically, the role of paper has increased in the digital age, riding the e-commerce revolution and being used as packaging material. The global production of paper and cardboard was more than 400 Million metric tons a year. The most produced paper type was packaging paper and board, growing in demand due to the online shopping boom. Some 409 Million metric tons of paper was consumed globally in 2021, the world's paper consumption being roughly equal to the amount of paper produced annually. The largest paper-consuming country worldwide was China, which consumed more than 100 Million metric tons of paper and paperboard in 2021, followed by the United States and Japan, who in the same year consumed over 70.6 Million metric tons and 25.5 Million metric tons, respectively. The most in-demand type of paper worldwide was container board, which was used to make corrugated boxes (or cardboard) and used in packaging solutions.(Source: statista.com)

DOMESTIC

The Indian Paper industry is expected to see increased demand coming from manufacturing sector, requirement of better quality packaging of FMCG products marketed through organised retail and the demand for the upstream market of paper products, such as copier paper, cup stock paper board, base paper for making straws & paper bags and other single use paper (SUP) products are expected to drive the paper & paper products market in India in coming years.

Paper consumption in India is approximately 22.05 MT and expected to reach 23.5 MT by 2025 (Source: Ministry of Commerce & Industry, Govt. of India), of which carton boards and container boards (corrugated boards) constitute the largest share of 55%, followed by writing and printing paper by 25%, specialty paper 10% and newsprint by 10%. Paper industry in India is expected to derive an annual average growth rate of 8-9% (Source: Money control) over the next 5 years led by a robust growth in packaging grade. Within consumer packaging segment it is expected to clock 9.5% CAGR in the same period driven by increased volumes in end-user segments such as household appliances, FMCG products, ready-made garments, pharmaceuticals and e-commerce. Further, the ban on single-use plastics is expected to fuel the demand for paper based alternatives.

STRENGTH & OPPORTUNITIES

The competitive strengths and the opportunities that are available to the Indian Paper Industry are:

- After the initial shocks of Covid-19 followed by subsequent lockdowns, the Indian paper industry's slow and steady growth has been accompanied by robust demand for paper especially in the packaging.
- While the Newsprint segment is facing challenges in the short term, we believe once normalcy returns; we shall see a V shaped recovery due to emergence of the demand.
- The impending changes in the education policy and curriculum are bound to create a huge demand for Newsprint and Writing & printing papers to meet the needs of new books etc.
- The Indian paper packaging industry is growing due to the rise in demand for better quality of paper packaging products, evolving consumer choices as well as shift towards eco-friendly & recyclable materials. Robust growth in e-commerce, FMCG, Consumer Goods & Pharma to drive paper board demand.
- With a number of countries replacing plastic bags with paper equivalents, paper industry opportunities are growing.

WEAKNESS & THREATS

The following competitive weaknesses and threats confront the Industry:

- The Indian paper industry is currently being crushed by a plenty of problems including the non-availability of waste paper, high prices for pulp, fibres and newsprint, container problems, including rising freight rates, increasing coal, chemicals and other inputs rates.
- Poor collection of used paper resulting in low recovery rate and undue dependence on imports to meet domestic needs.
- The domestic paper manufacturer woes, US and Europe which are the main sources of waste paper have increased the waste paper rates to \$400 from \$300 a tonne. In addition, the Russia-Ukraine crisis has added fuel to the fire, while the Indian government has imposed 2.5% basic customs duty on waste paper imports. The raw material shortage has resulted in domestic waste paper prices rising to Rs. 28 a kg from Rs. 20 (Source: Business line).
- Freight charges to bring waste papers in a 40 feet container has seen a sharp increase from \$2,800 to \$3,600. Prior to Covid-19 pandemic, it was below \$1,600-1,800. Added, the delivery of imported pulp and waste paper is also taking 4-6 months resulting in raw material scarcity (Source: Business line).
- In fiscal 2021, demand for newsprint is expected to de-grow sharply by 30-35% on account of severe contraction of newspaper circulation and reduction in no of pages. Demand for newsprint is expected to de-grow at 4-5% CAGR between fiscals 2020 and 2025 on account of decrease in circulation of both vernacular as well as English newspapers due to increased Smartphone and internet penetration and shift in preference towards e-newspaper.
- Cyclical: Prices of paper are linked to global prevailing raw material prices and price of finished product. This industry is also highly cyclical in nature. Unchecked imports can prevent companies from passing on the increase in raw material prices.
- Increasing imports consequent on numerous Regional Trade Agreements (RTAs) / Free Trade Agreements (FTAs) entered into by the Govt without adequate safeguards.

Paper Industry is capital intensive and yields poor returns on investments. To enhance the competitiveness of the Industry, Govt must address the issues of creation of robust raw material base as well as extending fiscal incentives for assimilation of eco-friendly technologies, etc. International Competitiveness is the key issue that is confronting the Indian Paper Industry, today especially in the context of Government's resolve to bring down import tariff every year and RTAs/ FTAs entered into with ASEAN / SAARC countries. The major players, alive to the emerging international threats, have been aggressively pursuing quality improvement programmes, coupled with cost rationalisation and capacity additions. Increasingly, more up-to-date technologies are sought to be implemented, with added focus on environmental compliance.

SEGMENT WISE PERFORMANCE

The company is a single product company and hence, segment wise or product wise performance is not provided.

RISKS AND CONCERNS

- Unprecedented and rapid spread of Covid-19 and its impact on economic recovery affecting the industry's futures.
- Disruptions in supply-chain affecting availability and prices of key input materials as well as in shipping costs.
- Post COVID-19, a huge downturn in the fortunes of Paper Industry is predicted, given the hit on demand from education, corporate and print media sectors due to the prolonged nation-wide lockdown.
- Newsprint, Writing & Printing paper segment which is the prime grade among Company's products, is expected to be impacted more severely in the near term.
- Frequent Price escalations and interrupted availability of key raw materials, remain major concern for Indian Paper industry.
- Russia – Ukraine war has escalated Power crises in Europe which may result into further price increase in the landed cost of imported Pulp and chemicals.
- Undue fluctuation in the exchange rate between Indian Rupee and US Dollar will impact the margins of the Company.

FUTURE OUTLOOK

Domestic paper Industry which was one of the worst hit in the wake of the COVID-19 pandemic, has been witnessing signs of revival from Q4 of 2020-21 onwards. It witnessed a paradigm shift of reduced demand due to closure of educational institutions, fall in print advertising revenue due to closure of office, government ban on printing & distribution of all kinds of diaries, calendars and festival greeting cards by all ministries, depts. & public sector undertaking from 2021 to cut costs and promote digitalisation. The packaging paper segment is witnessing a rise, with growing demand for packaging from e-commerce, food and food products, FMCG and the pharmaceutical sector. However, demand is expected to pick up and grow by 11-15% year on year in the current fiscal and with schools, colleges and office spaces gradually opening thereby giving a thrust to demand. Enrolment of students is expected to increase at a relatively faster pace Also with new education policy, coming into effect and a gradual rise in education spend by the Govt. and increased thrust on education are likely to support demand for writing & printing paper. (Source: Crisil, The Pulp and Paper Times).

Demand is expected to be positive for pharmacy, food and essential packaging segment. Overall demand growth will be better due to increase in e-commerce, pharmacy, FMCG and other consumer packaging. Demand of single use paper cup and disposables are expected to be high. However, post COVID-19 pandemic, there will be growth opportunities for the Indian Paper, print and packaging industry, disposable cups, bowls and cartons, corrugated boxes and branded packaging for online delivery and sealable paper products as substitute for single use plastics. Demand from the education sector will also get momentum once the situations normalize after COVID-19.

India is one of the fastest growing economies globally and the Government of India is determined to make it a five trillion economy by 2025. The projected growth in the economy is expected to boost the disposable income and that, in turn, would raise consumption, particularly in FMCG and other consumable

products, e-commerce industry, branded products packaging, sealable paper packaging bags. Growth in consumable products would drive the consumption of paper required in packaging. With the growth in the consumption of paper, concern is now focused on sustainable manufacturing practices.

Barring the short-term challenges created by the pandemic, the country's paper industry is in good health; especially the paperboard segment accounts for 52% of paper requirement in our country. The government's thrust on the education sector is likely to boost paper demand from a per capita consumption figure of 13 kg which is considerably lower than the international average.

We have examined the compliance of corporate governance by Malu Paper Mills Limited ("the Company") for the year ended on March 31, 2022, as per the relevant provisions of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') for the period ended on March 31, 2022.

The compliance of conditions of corporate governance is the responsibility of the management. This responsibility includes the design, implementation and maintenance of internal controls and procedures to ensure compliance with the conditions of the Corporate Governance stipulated in the Listing Regulations.

Our examination is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of corporate governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have examined the books of accounts and other relevant records and documents maintained by the company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.

We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by The Institute of Chartered Accountants of India (the ICAI), the standards on Auditing specified under section 143 (10) of the Companies Act 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and para C and D of Schedule V of the Listing Regulations for the year ended March 31, 2022

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

TO
THE MEMBERS OF
MALU PAPER MILLS LIMITED

Report on the Audit of the Standalone financial statements

Opinion

We have audited the accompanying standalone financial statements of **MALU PAPER MILLS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March 2022, the Statement of Profit and Loss (including other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, the loss and total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of standalone financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143 (10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone financial statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How our audit addressed the key audit matter
<p><u>Deferred Tax.</u> As disclosed in note no.7 the company has recognised deferred tax assets in respect of certain deductions on account of provision for Post-Retirement, the extent that it is probable that we get tax benefits in future. This requires management judgement in estimating future taxable income and is accordingly a key audit matter.</p>	<p>Reviewed the assumptions made by management for uncertain current and deferred tax positions to assess whether appropriate current and deferred tax provisions have been recognised and are based on the most probable outcome. We found the disclosures relating to the income tax and deferred tax balances to be appropriate.</p>
<p><u>Related Party Transactions</u> The Company has related party transactions which include Sales / Purchases of Goods / Services / Loans & Advances to its Associates and other related parties.</p> <p>We focused on identification and disclosure of related parties in accordance with relevant Indian Accounting Standards as a key audit matter. This matter assumes significance in view of the indirect acquisition pursuant to the provisions of the SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 for having received open offer from the Acquirer to take over the controlling interest which was completed subsequently.</p>	<p>Our audit procedures amongst others included the following:</p> <p>Evaluated the design and tested the operating effectiveness of controls over identification and disclosure of related party transactions, obtained a list of related parties from the Company's Management consequent to Indirect Acquisition traced the same to declarations given where applicable and tested transactions based on such declarations given by the related parties as detailed in Note 27 of the standalone Ind AS financial statements which were verified for compliance with secretarial and other relevant laws.</p>

Information Other than the Standalone financial statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the preparation of other information. The other information comprises the information included in the Director's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of our audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard on the even date.

Management's Responsibility for the Standalone financial statements

The Company's management and Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial statements process.

Auditor's Responsibilities for the Audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system, in relation to the financial statements, in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with the Management, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that are of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure "A"**, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, based on our audit we report that:
 - (a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of change in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164(2) of the Act.

(f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.

(g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The company has disclosed the impact of pending litigations on its financial position in its standalone financial statements (Refer Note 32 to the Standalone Financial Statements).
- ii. The company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) (Refer Note 37e to the Standalone Financial Statements) by the Company to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

b) The Management has represented that, to the best of its knowledge and belief, no funds have been received by the Company (Refer Note 37f to the Standalone Financial Statements) from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Parties or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

c) Based on the audit procedures performed that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) of Rule 11(e) mentioned above contain any material mis-statement.
- v. The Company has not declared and paid dividend during the current year and previous year and as such compliance with section 123 of the Act is not applicable.

h) In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

2) (a) The stock of Finished Goods, Raw Materials, Stores and consumables were physically verified by the Management at year end.

(b) In our opinion and according to the information and explanations given to us, the procedure of physical verification of stocks followed by the management during the year was reasonable and adequate in relation to the size of the Company and the nature of its business.

(c) The Company has maintained proper records of inventories. The discrepancies noticed on verification between the physical stocks and book records were not material and have been properly dealt with in the books of account.

(d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks or financial institutions are in agreement with the books of account of the Company

3) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year.

4) In our opinion and according to the information and explanations given to us, the Company has not made loans, investments and guarantees as per the provisions of section 185 and 186 of the Act.

5) The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable.

6) We have broadly reviewed the books of account maintained by the Company pursuant to the rules prescribed by the Central Government for maintenance of cost records under section 148 (1) of the Companies Act, 2013 in respect of its manufactured goods and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not carried out detailed examination of the records with a view to determine whether these are accurate or complete.

7) (a) According to information and explanations given to us and based on our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues including Goods and service tax, Income-Tax and any other statutory dues with the appropriate authorities.

(b) According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2022 for a period of more than six months from the date on when they become payable.

(c) According to the information and explanation given to us, there are no dues of income tax, Value added tax, service tax, custom duty, excise duty and any other statutory dues outstanding on account of any dispute as at March 31, 2022.

8) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.

9) (a) The Company has not defaulted in repayment of the loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) The Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.

(c) The Company has not raised money by way of term loans during the year and accordingly clause 3 (ix) (c) of the Order is not applicable.

(d) On an overall examination of the standalone financial statements of the Company, no funds raised on short-term basis have been applied for long term purpose.

(e) We report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(e) of the Order is not applicable.

(f) We report that The Company has not raised loans during the year on the pledge of securities held in its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(f) of the Order is not applicable.

10) (a) Based upon the audit procedures performed and the information and explanations given by the management, the company has not raised moneys by way of initial public offer or further public offer including debt instruments. Accordingly, the provisions of clause 3 (x)(a) of the Order are not applicable to the Company and hence not commented upon.

(b) The Company has not made any preferential allotment or private placement of shares during the year.

11) (a) Based upon the audit procedures performed and the information and explanations given by the management, considering the principles of materiality outlined in the Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit.

(b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government. In view of the above reporting under clause 3 (xi) (b) of the order is not applicable.

(c) To the best of our knowledge and according to the information and explanations given to us, the company has not received whistle-blower complaints, during the year.

12) In our opinion, the Company is not a Nidhi Company. The provisions of clause 3 (xii) of the Order are not applicable to the Company.

13) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Section 177 and 188 of the Companies Act, 2013, where applicable, and the details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.

14) (a) Based on the information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with size and nature of its business.

(b) We have considered the internal audit reports of the Company issued till date for the period under audit.

15) Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of Section 192 of the Act are not applicable to the Company.

16) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clauses 3(xvi)(a) of the Order are not applicable.

(b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clauses 3(xvi)(b) of the Order are not applicable.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.

(d) The Company is not part of any group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016 as amended). Accordingly, the requirements of clause 3(xvi)(d) are not applicable.

17) The Company has incurred cash losses in the current and in the immediately preceding financial year.

18) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.

19) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit-report and we give neither any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

20) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

“0/Annexure -B” to the Auditors’ Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **MALU PAPER MILLS LIMITED** (“the Company”) as of 31st March 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over the standalone Ind AS financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over the standalone Ind AS financial statements reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in

accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to these Standalone Ind AS financial statements and such internal financial controls over financial reporting were operating effectively as at 31st March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note: (A) Trade Receivables have been hypothecated with banks against cash credit facility.
 (B) Credit risk arising from trade receivables is managed in accordance with the Company's established policy with regard to credit limits, control and approval procedures. The Company provides for expected credit losses on trade receivables based on a simplified approach as per Ind AS 109. Under this approach, expected credit losses are computed basis the probability of defaults over the lifetime of the asset. This allowance is measured taking into account credit profile of the customer, geographical spread, trade channels, past experience of defaults, estimates for future uncertainties etc. Further, management believes that the unimpaired amounts that are past due by more than 180 days are still collectible in full, based on historical payment behaviour and extensive analysis of customer credit risk.

34 Financial Instrument-Accounting Classifications and fair value Measurements

The fair value of the assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1 Fair Value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial instruments approximate their carrying amounts largely due to the short term maturities of these instruments.

2 Financial instruments with fixed and variable interest rates are evaluated by the company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to the account for the expected losses of these receivables.

The company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

35 Financial Risk Management Objectives and Policies :-

The Company's financial risk management is an integral part of how to plan and execute its business strategies :-

a) Market Risk :-

Market risk is the risk of loss of future earnings, or future cash flows arising out of changes in Market Conditions of Paper Industry, which include changes in prices of Raw Material (indigenously procured as well as import) .

The company manages market risk through evaluation and identification of risk factors with the object of governing/mitigating them according to Company's objectives and declared policies in specific context of impact thereof on operating performance of the company. The Board provides oversight and reviews the Risk management policy on regular basis.

b) Interest Rate Risk :-

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The company is not exposed to significant interest rate risk as at the respective reporting dates.

c) Foreign currency risk :-

The Company operates internationally with transactions entered into several currencies. Still the Company is not exposed to foreign exchange risk as there are no financial instruments to be settled in foreign currency.

d) Credit Risk :-

Credit risk arising from trade receivables is managed in accordance with the Company's established policy with regard to credit limits, control and approval procedures. The Company provides for expected credit losses on trade receivables based on a simplified approach as per Ind AS 109. Under this approach, expected credit losses are computed basis the probability of defaults over the lifetime of the asset. This allowance is measured taking into account credit profile of the customer, geographical spread, trade channels, past experience of defaults, estimates for future uncertainties etc.
