### Independent Auditor's Review Report on Standalone Unaudited Quarterly Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To The Board of Directors of **Modern Threads (India) Ltd** 

- We have reviewed the accompanying statement of unaudited Standalone Financial Results of Modern Threads (India) Ltd ('the Company') for the quarter ended 30th June, 2021 ("the Statement"), attached herewith, being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended ("Listing Regulations").
- 2. This statement which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to issue a report on the statement based on our review.
- 3. We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### 4. Basis for Qualified Opinion:

- i. The company has not provided for interest (Dividend) on cumulative redeemable preference shares for the quarter ended 30.06.2021 Rs.13.06 Lakhs (cumulative Rs. 1319.45 Lakhs up to 30.06.2021). The company has not provided interest (dividend) in view of accumulated losses and also in process of settlement of remaining redeemable preference share capital. (Refer Note No. 4)
- ii. Balances of trade payables and trade receivables are subject to confirmation and consequential adjustments, if any. (Refer Note No. 5)

#### 5. Qualified Opinion

Based on our review conducted as above, except for the effects/possible effects of the matters stated in Para 4 (including non quantification for the reasons stated therein), nothing has come to our attention that causes us to believe that the accompanying statement prepared in all material respects in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in

terms of Regulation 33 of the SEBI (Listing obligations and Disclosure Requirements) Regulation, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

#### 6. Material Uncertainty related to Going Concern

We draw attention that the company had made a reference to The Board of Industrial and Financial Reconstruction (BIFR) based on audited accounts for the financial ended 31st March, 2004 and BIFR in the hearing held on 12th December, 2005 had declared the company as sick industrial company u/s 3(1)(o) of the SICA Act. Consequent to abatement of Sick Industrial Companies (Special Provision) Act, 1985, w.e.f. 01.12.2016 the company has not filed rehabilitation/ revival scheme to NCLT under Insolvency and Bankruptcy Code. The company has accumulated losses with its net worth continuing to stand fully eroded and the financial statements of the company have been prepared on going concern as the Debentures, term loan and accrued interest thereon has been settled and only balance Rs.75 Lakhs is payable till 31.03.2022. The company is expecting compliance of term of settlement and liability will be written back on discharge of full payment. (Refer Note No.3)

Our opinion is not modified in respect of this matter.
