Notes: -

The continuous higher financial leverage and lower profitability plagued the financials of the Company. To reduce the leverage, Company approached the lenders for compromise settlement pursuant to RBI's circular on Resolution of Stressed Assets — Revised Framework dated 12th February 2018 and entered into a Memorandum of Understanding (MOU) with the Company dated 27th August 2018 and Compromise and Settlement Agreement dated 25th September 2018.

The summary of the MOU signed by the Company and the lenders are as follows:

- A. The entire dues (Term Loan, Fund based Working Capital, Letter of Credit and interest thereon) outstanding as on 28th February, 2018 amounting to Rs. 2,583.40 crores shall be settled by payment of cash component of Rs. 1,710 crores. (Paid till 30th Sept, 2021 Rs. 550.02 crores)
- B. Pay out of the non-fund based facilities granted to the borrower amounting to Rs. 222.08 crores or actual amount outstanding. (Outstanding as on 30th Sept, 2021 – Rs. Nil).

The Company is not liable to pay the Interest after 28th February, 2018, as per the terms of Compromise and Settlement Agreement dated 25th September, 2018 entered with the Lenders. However, due to Prudent Accounting Policy, we are providing interest in the financial statement.

The last date of payment for compromised amount was 25th November 2018, however Company was unable to make the payment due to the reasons beyond its control. Subsequently, lenders have extended the timeline up to 31st December 2019, which also got elapsed. The discussion with the consortium lenders is going on for working out a Resolution Plan.

Three of the lenders have filed application before The National Company Law Tribunal (NCLT), Kolkata Bench on 13th August 2019, 13th January 2020 and 8th September 2021.
