Dr. Umang Gosalia
Managing Director's Message

Dear Shareholders,

Please allow me to begin by paying tribute to Late Shri Alkesh Gosalia, our legendary and visionary Managing Director who was the helm of affairs of the Company for almost one and half decade. I strongly believe that the rich legacy left behind by him and the strong work culture embedded with deep familial values that he built during his tenure, will keep inspiring us and give us enough resilience to bounce back from any adversity in future.

Also, I wish to take this opportunity to express my sincere gratitude to Board Members for appointing me to the position left vacant by the untimely demise of Shri Alkesh Gosalia.

For the Company through the year, the top priority was to ensure the wellbeing of our employees. It is our belief that a high performing organisation is defined by empathetic management of people and talent. It is this unwavering commitment to the 'People First' philosophy and this value at the core of all our business strategy, which has helped Company to overcome the two waves of pandemic. The leadership remained committed to this employee centric vision even during pandemic; This fundamental value has also inspired business resilience.

Despite the challenging economic environment your Company delivered Gross Sales of Rs. 26.29 Crore in the fiscal year 2020-21, with increase of ~ 25%. as compared to last year. Overall, the business was impacted by Covid-19 induced lockdowns and restrictions during the year, but we continue to remain fully committed to creating long term value for our shareholders.

Finally, I am very proud of how the Parmax leadership team has stayed focused on the business and together delivered a relatively stable financial and operational performance this year. I would like to again acknowledge the efforts of each and every one of our team members for their adaptability, resilience and contribution during an exceptionally difficult year.

Lastly, I would like to thank all our business partners and shareholders for their continued support. With our clear strategic direction, Parmax is well positioned to drive profitable growth in the coming years.

Warm regards,
Umang Gosalia

MANAGEMENT DISCUSSION AND ANALYSIS:

Economic Scenario:

Anticipating a Global Reboot of the Economy

As per the International Monetary Fund (IMF), the global economy is estimated to grow by 5.5% in 2021 and 4.2% in 2022. The projection comes on the back of vaccine approvals, which is expected to spur the economy later this year. However, the effectiveness of policy support and access to medical interventions will determine the extent of recovery in different countries. This year's estimated growth follows a severe economic collapse in 2020 that has adversely impacted people globally. Based on the World Economic Outlook Update¹, the global growth contraction for 2020, estimated at -3.5%, was 0.9 percentage point higher than the growth estimated in the previous forecast, driven by a stronger than expected reboot in the second half of 2020. Therefore, there is a need for the global community to work collaboratively and ensure adequate access to international liquidity to help these countries.

Trends Impacting the Global Pharmaceutical Sector COVID-19 has impacted health and disease patterns and brought changes to several aspects of the pharmaceutical industry. Some of the emerging trends are highlighted below:

1. Demand for digital transformation
2. Advancements in technology and increasing R&D spends
3. Need for a new understanding of diseases
4. Affordable pricing and improved market access
5. Building a cohesive regulatory framework Demand for Digital Transformation

Since the onset of artificial intelligence (AI) and the data science revolution a few years ago, healthcare has consistently lagged in adoption, compared to other sectors, in leveraging these technologies. Noticeable trends that underscore the need for digital healthcare are evident, with COVID-19 further proving that health consultations can be

Independent Auditor's Report

To the Members of **Parmax Pharma Limited**,

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the IND AS financial statements of **PARMAX PHARMA LIMITED** (“the Company”), which comprise the balance sheet as at **31st March 2021**, and the statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the IND AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid IND AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, its profit/loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the IND AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the IND AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the IND AS financial statements and our auditor's report thereon.

Our opinion on the IND AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the IND AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the IND AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the IND AS financial statements of the current period. These matters were addressed in the context of our audit of the IND AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these IND AS financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards (IND AS) specified under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the IND AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the IND AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the IND AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the IND AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these IND AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the IND AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a

material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the IND AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the IND AS financial statements, including the disclosures, and whether the IND AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the IND AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
