This has reference to your above mentioned letter seeking clarification/explanation in respect of spurt in the volume of equity shares of Shree Renuka Sugars Limited (“SRSL” or “Company”) in recent past.

In this connection, we wish to inform you that the Company has made all the necessary disclosures in accordance with Regulation 30 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 from time to time. The Company has not withheld any material information/event that may have a bearing on the operation/performance of the company, including all price sensitive information. Recent announcement/disclosures submitted with the stock exchanges are as given below:

Sr. No.	Date of submission	Particulars of disclosures

We would like to state that the shares of companies in the sugar sector have witnessed similar spurt in volumes of their equity shares, ranging on weekly average basis from 150% to 1,250%, and is not restricted to volume of equity share of SRSL alone. This is on account of strong earnings outlook and optimism over the Government’s policy on ethanol blending.
