The Board recommends the Special Resolution set forth in Item no. 6 for approval of the Members.

Resolution no.7: Ordinary Resolution

Acceptance of Unsecured Deposits from Members :-

Pursuant to Section 73 of the Companies Act 2013 (the Act) read with the Companies (Acceptance of Deposits) Rules, 2014, approval of Shareholders by way of Ordinary Resolution is a pre-requisite to accept or renew unsecured deposits by your Company and thus approval of the members is sought for accepting / renewing unsecured deposits from members of the Company. The funds raised will be utilised for general corporate purposes of the Company.

None of the Directors of the Company, Key Managerial Personnel or their relatives are in any way concerned or interested in the proposed resolution.

The Board recommends the Ordinary Resolution as set out at Item No. 7 for approval of the Members of the Company.

Resolution No.8: Special Resolution.

Borrowings power of the Board :-

As you are aware, your Company continues to grow in operations and expanding its capacity to cater to ever growing demand to its specialty products. In view of the additional requirements of the funds for business of the Company, your directors feel that the borrowing limit should be enhanced from existing Rs. 200 Crores to Rs. 250 Crores. For borrowing moneys in excess of aggregate of paid-up share capital and free reserves of the Company, the permission of the Shareholders is necessary under Section 180(1) (c) of the Companies Act, 2013 by passing a Special Resolution. Earlier, the Company had sought permission from the members on 23rd March, 2019 through Postal Ballot. This enhancement if approved will enable the Company to borrow money from time to time in various forms including short term finances upto Rs. 250 Crores (Rupees Two hundred and fifty crores Only) excluding the interest thereon.

In compliance of the provisions of Section 180(1) (c) of the Companies Act, 2013 your Board proposes a Special resolution at item No. 8 of the Notice for the consent of its members enabling the Company to borrow monies upto Rs. 250 Crores (Rupees Two hundred and fifty crores Only) excluding the interest thereon.

None of the Directors and/or Key Managerial Personnel of the Company and their relatives are in any way concerned or interested in the said resolution.

The Board of Directors of your Company recommends the Special Resolution as set out at Item No. 8 in the accompanying notice for the approval of the Members of the Company.

Resolution no.9:Special Resolution.
Creation of the charge and/or mortgage :

As per the provisions of Section 180(1)(a) of the Companies Act, 2013 the Company needs to obtain consent of the shareholders by Special Resolution for hypothecation / mortgage/create charge on the moveable and/or immovable properties/assets of the Company. Borrowings and other such credit facilities availed or to be availed by the Company are required to be secured by mortgaging, charging, and / or hypothecating the immovable and movable properties of the Company and/ or the whole or substantially the whole of the undertaking(s) of the Company, present and future, as may be necessary.

The Company through Postal Ballot process on 23rd March, 2019 had sought permission from its members for creating charge and/or mortgage / or hypothecation on any of its moveable or immovable properties for an amount not exceeding Rs. 200 Crores (Rupees Two Hundred Crores Only) excluding interest thereon. In compliance with the provisions of Section 180(1)(a) of the Companies Act, 2013, your Board proposes a Special resolution at item No. 9 of the Notice seeking consent from its members to authorize the Board of Directors / Key Managerial Personals to create charge and/ or mortgage on moveable or immovable properties of the Company upto Rs. 250 Crores (Rupees Two Hundred and Fifty Crores Only) excluding the interest thereon.

None of the Directors and/or Key Managerial Personnel of the Company and their relatives are in any way concerned or interested in the said resolution.

The Board of Directors of your Company recommends the Special Resolution as set out at Item No.9 in the accompanying notice for the approval of the Members of the Company.

Financial Year	Amount (in ₹)
2020-2021	4,905,346.00
2021-2022	5,341,301.00
2022-2023	5,229,559.00

3. Recognition & Awards :

Nil

4. Job Profile and his Suitability:

Mr. Yashvardhan Ruia would be responsible for the day-to-day management of the affairs of the Company under the superintendence and supervision of the Board of the Company and also responsible to guide Divisional Heads and to carry out expansion program of the Company.

5. Remuneration proposed :

As per details given in Resolution above.

6. Comparative Remuneration Profile with respect to Industry, size of the company, profile of the position and person (in case of expatriates the relevant details would be with respect to the country of his origin):

Taking into consideration the size of the Company, the profile assigned to Mr. Yashvardhan Ruia, the responsibilities that has been and would be shouldered by him and the industry benchmarks, the remuneration proposed to be paid is lower as comparable to that drawn by the peers in the similar capacity in the industry and is commensurate with the size of the Company and its group and complicated nature of its business. He is one of the Promoters of the Company. Mr. Yashvardhan Ruia, Executive Director holds 2000 equity shares in the share capital of the Company.

III. OTHER INFORMATION:

1. Reasons for loss or inadequacy of profits:

The Company's profits are inadequate mainly due to high operational cost during the year under review. Unrest on international front rocketed the Crude prices thus affecting CNG/ fuel prices adversely. Even raw material prices have increased considerably which has severely impacted margins. The competition in the Export market continues with a lot of International players in the field. The Company is also facing competition from few domestic Chemical manufacturers. All the above factors impacted the profitability of the Company during the year under review.

2. Steps taken by the company to improve performance :

- i. The Company's multi-product plant is a continuous plant and management is working to achieve optimum production mix and optimal utilization of the resources available with the Company.
- ii. The Company is making constant efforts in enhancing its Research and Development activities with main thrust on developing new speciality products and thereby the existing infrastructure of the Company can be utilized to its optimum level. There are new opportunities being tapped in unexplored segments of Chemical Industry by emphasizing reliance on new product development.
- iii. The multi-product plant has been upgraded with the latest plant technology. The Company has advantage over its competitors with upgradation of plant and integrated manpower resources. The Company has the ability to receive and process multiple orders daily and is also offering customised products to its customers. The plant has been functioning continuously to cater to domestic and export demand.
- iv. Increase in selling prices of the products.
- v. Introduction of new products.

3. Expected increase in productivity and profits in measurable terms :

With the above mentioned measures, the Company will be able to improve its top line and profitability. A well maintained multi-product plant, increased production capacity and reduction in CNG / fuel prices and tie up with a Solar Power company are expected to reduce the operational / energy cost thereby improving the bottom line of the Company.

IV. DISCLOSURES :

Disclosures in the Board of Directors' report as required under the heading 'Corporate Governance' shall be given in the Directors Report.

Financial Year 2022-23 was mixed bag for the Company as in we could achieve a mark of ₹ 600 Crore in Top Line whereas bottom line shrunk by 4% on the consolidated front. Our foreign subsidiary reported a profit of approx. ₹ 2 Crore for the first time and performance during the year continues to be steady and as per expectations.

The Company faced the brunt of Global uncertainty due to Ukraine war resulting in steep rise in utility cost such as gas prices and spiraling raw material prices for a substantial period during the Financial Year under review. This had a major impact on the profitability of the Company. These costs have since come down in the current year and are at reasonable levels. In addition, issues on operational front with respect to increase in cost of power and freight continued. Even Banks have increased lending rates putting pressure on the margins of the Company. Your Company however focused more on market penetration, introduction of new products

and constant upward revision in prices to improve the profitability of the Company. Your Directors are confident that efforts taken during the current year in planning, business development and marketing will fetch good results during the FY 2023-2024.

DIVIDEND AND RESERVES :

Your Directors are pleased to recommended a dividend of 25% (20% Regular and 5% Special dividend being the Golden Jubilee Year) i.e. ₹ 0.50 per Equity Share of Face Value of ₹ 2/- each payable to those Shareholders whose name appear in the Register of Members as on the date of Book Closure. The Equity Dividend outgo for the Financial Year 2022-23 would absorb a sum of approximately ₹ 275.10 Lakhs as compared to ₹ 220.08 Lakhs in the previous year.

During the year under review, your Company transferred a sum of ₹ 33.40 Lakhs to the Debenture Redemption Reserve totalling to ₹ 267.20 Lakhs and no amount was transferred to General Reserve. Pursuant to Section 73 (2)(c) of the Companies Act, 2013 read with Rules made thereunder, the Company is required to maintain an amount equal to 20% of the Deposits maturing in the Financial Year in Deposit Repayment Reserve Account. Accordingly the requirement for the current Financial Year is ₹ 1,18,90,000 /- and the Company has a balance of ₹ 1,27,50,000 in the said Account, which is being maintained for such Deposits.

SHARE CAPITAL :

The Authorised Share Capital of the Company is ₹ 16,01,00,000/- (Rupees Sixteen Crores One Lakh only) comprising Equity Share Capital of ₹ 1350.00 Lakhs and Preference Share Capital of ₹ 251.00 Lakhs. The paid up Equity Share Capital of the Company is ₹ 1100.40 Lakhs divided into 5,50,20,000 Equity Shares of ₹ 2/- each. During the year under review, the Company has neither issued shares with differential voting rights nor granted any stock options or sweat equity. As on 31st March, 2023, none of the Directors of the Company hold instruments convertible into equity shares of the Company.

EXPORT :

During the year under review, the Company had a revenue from Export sales of ₹ 28,162.11 Lakhs as compared to ₹ 22,701.35 Lakhs in the previous year. Export sales contributed about 47.41% to the total Turnover of the Company. The Company is now exporting its products to approx. 65 Countries of the World.

Critical functions are reviewed periodically and the reports are shared with the Management for timely corrective actions. The major focus of internal audit is to review business risks, test and review controls, assess business processes besides bench marking controls with best practices in the industry.

The Company endeavours to continually sharpen its risk management systems and processes in line with a rapidly changing business environment. During the year under review, there were no risks including contingent liabilities which in the opinion of the Board threaten the existence of the Company. However, some of the issues and risks which may pose challenges are set out in the Management Discussion and Analysis Report and Notes to Accounts which forms part of this Annual Report.

The risk management framework is reviewed by the Board and the Audit Committee keeps a check on overall effectiveness of the risk management of the Company. A note on risks, concerns and mitigating factors have been given in the Management Discussion & Analysis Report.

ESTABLISHMENT OF VIGIL MECHANISM :

Your Company believes that ethics in the conduct of business operations are an integral part of success and growth of an Organization. It is our endeavor to conduct our business with the highest standards of professionalism following ethical conduct in line with the best governance practices.

For the Financial Year Ended 31st March, 2023
[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Amines & Plasticizers Limited,
T-11, 3rd Floor, Grand Plaza,
Paltan Bazar, G S Road,
Guwahati, Assam -781008.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Amines & Plasticizers Limited (CIN:L24229AS1973PLC001446) (hereinafter called the Company). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conduct/statutory compliance and I am expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period ended on 31st March, 2023, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter :

I have examined the books, papers, statutory registers, minute books, forms and returns filed and other records maintained by the Company for the Financial Year ended on 31st March, 2023 according to the provisions of :

- I. The Companies Act, 2013 (the Act) and the Rules made thereunder;

Unclaimed Dividends and underlying Shares – Pursuant to Section 124(5) of the Companies Act, 2013 ('the Act') read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) rule, 2016 ('the Rules') the Companies are required to transfer the dividend together with interests accrued, if any that has remained unclaimed for a period of Seven years from the unpaid dividend account to the Investor Education and Protection Fund (IEPF), a fund established under sub section (1) of section 125 of the Act. The unpaid / unclaimed dividend for the financial year 2014-15 was transferred to the Fund in October, 2022. The details of unclaimed / unpaid dividend are available on the website of the Company viz. www.amines.com.

e) Mandatory Transfer of Shares to Demat Account of Investors Education and Protection Fund Authority (IEPFA) in case of unpaid / unclaimed dividend on shares for a consecutive period of seven years.

Pursuant Pursuant to Section 124 (6) of the Act read with the Rules all the shares in respect of which dividend has not been paid or claimed for seven consecutive years or more shall be credited to the Demat Account of the IEPFA within a period of 30 days of such shares becoming due to be so transferred. Upon transfer of such shares, all benefits (like bonuses, etc.), if any, accruing on such shares shall also be credited to Demat Account of IEPFA and voting rights on such shares shall remain frozen till the rightful owner claims the shares.

Accordingly, during the year under review, there were Equity shares required to be transferred to the demat account of IEPF Authority, since the Company had declared dividend in the year 2014-15. The details of the shareholders whose shares are transferred to IEPF during the year 2022-23 are available on the Website of the Company www.amines.com. Further, pursuant to the provisions of Investor Education and Protection Fund, uploading of information regarding unpaid and unclaimed amounts lying with the Company as on September 28, 2022 (date of last Annual General Meeting) has been uploaded on the website of the Company (www.amines.com), as also on the website of the Ministry of Corporate Affairs(www.mca.gov.in).

Shares which are transferred to the Demat Account of IEPFA can be claimed back by the shareholders from IEPFA by following the procedure prescribed under the aforesaid rules.

The Company has sent out individual communication dtd. 08/07/2022 to the concerned Members whose shares are liable to be transferred to IEPFA in October 2022, to take immediate action in the matter. As required under the IEPF Rules, the Company has also published a Notice in Financial Express and Dainindin Bharta on July 12, 2022 informing the Members who have not claimed their dividend for a period of 7 years to claim the same from the Company before they are transferred to IEPFA. During the year under review the Company has transferred 36,190 Shares to IEPF Authority for which dividend is unpaid/unclaimed for a period of 7 consecutive years

Therefore, it is in the interest of the shareholders to regularly claim dividends declared by the Company, if it remains unclaimed.

Pursuant to the aforesaid provision, the dividend for the years mentioned below will be transferred to the IEPF on the respective dates, if the dividend remains unclaimed for seven years, and the corresponding shares will also be transferred to IEPF if dividend is unclaimed for seven consecutive years.

k) Share Transfer System :

The Trading in equity shares of the Company is permitted only in dematerialized form. In terms of requirements of Regulation 40 of the Listing Regulations w.e.f. 1st April, 2019, transfer of securities in physical form, except in case of request received for transmission or transposition of securities, shall not be processed. Accordingly, shareholders holding equity shares in physical form are urged to have their shares dematerialized so as to be able to freely transfer them and participate in various corporate actions. The Company obtains an annual certificate from Practicing Company Secretary as per the requirement of Regulation 40 (9) of Listing Regulations and the same is filed with the Stock Exchanges.

In terms of amended Regulation 40 of the Listing Regulations w.e.f. 1st April, 2019, transfer of securities in physical form shall not be processed unless the securities are held in the demat mode with a Depository Participant. Further, with effect from 24th January, 2022, SEBI has made it mandatory for listed companies to issue securities in demat mode only while processing any investor service requests viz. issue of duplicate share certificates, exchange/sub-division/ splitting/ consolidation of securities, transmission/transposition of securities. Vide its Circular dated 25th January, 2022, SEBI has clarified that listed entities/ RTAs shall now issue a Letter of Confirmation in lieu of the share certificate while processing any of the aforesaid investor service request.

Simplified Norms for processing Investor Service Request :

SEBI, vide its Circular dated 3rd November, 2021, has made it mandatory for holders of physical securities to furnish PAN, KYC and Nomination/Opt-out of Nomination details to avail any investor service. Folios wherein any one of the above mentioned details are not registered by 1st October, 2023 shall be frozen.

The concerned Members are therefore urged to furnish PAN, KYC and Nomination/Opt out of Nomination by submitting the prescribed forms duly filled by email from their registered email id to rnt.helpdesk@linkintime.co.in in or by sending a physical copy of the prescribed forms duly filled and signed by the registered holders to LinkIntime India Pvt Ltd.

Nomination

Individual shareholders holding shares in physical form either singly or jointly can nominate a person in whose name the shares shall be transferable in case of death of the registered shareholder(s). Nomination facility in respect of shares held in electronic form is also available with the Depository Participants as per the by-laws and business rules applicable to NSDL and CDSL. Nomination forms can be obtained from Link Intime India Private Limited.

Deal only with SEBI registered intermediaries

Investors should deal only with the SEBI registered intermediaries so that in case of deficiency of services, investor may take up the matter with SEBI.

Electronic Clearing Service

The Securities and Exchange Board of India (SEBI) has made it mandatory for all companies to use the Bank account details furnished by the Depositories for depositing dividends. Dividend will be credited to the Members' bank account through ECS wherever complete core banking details are available with the Company. Investors should avail the Electronic Payment Services for payment of dividend as the same reduces risk attached to physical dividend warrants. The Investors can update their bank details with the RTA by sending an email on rnt.helpdesk@linkintime.co.in in order to avoid risk attached with physical dividend warrants. In case where the core banking details are not available, dividend warrants will be issued to the Members with bank details printed thereon as available in the Company's records. This ensures that the dividend warrants, even if lost or stolen, cannot be used for any purpose other than for depositing the money in the accounts specified on the dividend warrants and ensures safety for the investors. The Company thus complies with the SEBI requirement in this regard.

Service of documents through electronic mode :

As a part of Green Initiative, the members who wish to receive the notices/documents through e-mail, may kindly update their e-mail addresses with the Company's Registrar and Share Transfer Agent, Link Intime India Pvt. Ltd, by sending a request to rnt.helpdesk@linkintime.co.in

MANAGEMENT DISCUSSION AND ANALYSIS

There is one and only one Social responsibility of business - “to use its resources and engage in activities designed to increase its profits” – Milton Friedman.

It has now been 50 years and your Company and its Management is continuously striving to fulfill the aspiration of its various stakeholders including employees, customers and communities. The view expressed by the Economist Friedman has long influenced Management thinking, Corporate Governance practices and devising and implementation of policies. The result is evident from the fact that from a turnover of ₹ 48 Crores in the year 1998 (25 years of operations) it has now touched to ₹ 595 Crores in 2023 and Profits are at ₹ 20.86 Crores from a loss of ₹ 3.5 Crores/- in the year 1998.

The Management believes every Corporate has a purpose which centered on the idea of improving performance and ultimately healthier Corporates meant a healthy Society. The Management acts as the backbone of Corporate Governance playing a vital role in running Companies smoothly. They make important decisions, ensuring fairness and openness and looking out for everyone involved and are also responsible for making sure that the Company follows the rules, behaves ethically and takes care of all the people involved. Good Management creates a healthy work environment and helps the Company grow sustainably keeping everyone's interests in mind.

ECONOMIC OVERVIEW :

GLOBAL ECONOMY AND OUTLOOK

The previous year remained turbulent for the global economy. Conflict, inflation, food supply crisis and the long trail of Covid-19 Pandemic have caused intermittent shockwaves across the world. The global economy continues to face steep challenges, shaped by the lingering effects of three powerful forces: the Russian invasion of Ukraine, a cost-of-living crisis caused by persistent and broadening inflation pressures, and the slowdown in China. Russia's invasion of Ukraine continues to destabilize the global economy. Persistent and broadening inflation pressures have triggered a rapid and synchronized tightening of monetary conditions, alongside appreciation of the US dollar against most other currencies. Tighter global monetary and financial conditions will work their way through the economy, weighing demand down and helping to gradually subjugate inflation. So far, however, price pressures are proving quite stubborn and a major source of concern for policymakers. In China, the frequent lockdowns under its Zero COVID policy have taken a toll on the economy, especially in the second quarter of 2022. The external environment is already very challenging for many emerging market and developing economies. The sharp appreciation of the US dollar adds significantly to domestic price pressures and to the cost-of-living crisis for these countries. The risk of monetary, fiscal, or financial policy miscalibration has risen sharply at a time when the world economy remains historically fragile and financial markets are showing signs of stress. Increasing price pressures remain the most immediate threat to current and future prosperity by squeezing real incomes and undermining macroeconomic stability. Central banks around the world are now focused on restoring price stability and the pace of tightening has accelerated sharply. There are risks of both under and over-tightening.

Global growth is projected to fall from an estimated 3.4 percent in 2022 to 2.9 percent in 2023, then rise to 3.1 percent in 2024. The forecast for 2023 is 0.2 percentage point higher than predicted in the October 2022 World Economic Outlook (WEO) but below the historical (2000–19) average of 3.8 percent. The rise in central bank rates to fight inflation and Russia's war in Ukraine continue to weigh on economic activity. The rapid spread of COVID-19 in China dampened growth in 2022, but the recent reopening has paved the way for a faster-than-expected recovery. Global inflation is expected to fall from 8.8 percent in 2022 to 6.6 percent in 2023 and 4.3 percent in 2024, still above pre-pandemic (2017–19) levels of about 3.5 percent.

The balance of risks remains tilted to the downside, but adverse risks have moderated since October 2022. On the upside, a stronger boost from pent-up demand in numerous economies or a faster fall in inflation are plausible. On the downside, severe health outcomes in China could hold back the recovery, Russia's war in Ukraine could escalate, and tighter global financing costs could worsen debt distress. Financial markets could

also suddenly reprice in response to adverse inflation news, while further geopolitical fragmentation could hamper economic progress.

INDIAN ECONOMY AND OUTLOOK

India's growth continues to be resilient despite some signs of moderation in growth, as per the World Bank. Although significant challenges remain in the global environment, India is one of the fastest growing economies in the world. The overall growth remains robust and is estimated to be 6.9 percent for the full year with real GDP growing 7.7 percent year-on-year during the first three quarters of fiscal year 2022/23. There were some signs of moderation in the second half of FY 22/23. Growth was underpinned by strong investment activity bolstered by the government's capex push and buoyant private consumption, particularly among higher income earners. Inflation remained high, averaging around 6.7 percent in FY22/23 but the current-account deficit narrowed in last 2 quarters on the back of strong growth in service exports and easing global commodity prices.

The World Bank has revised its FY23/24 GDP forecast to 6.3 percent from 6.6 percent (December 2022). Growth is expected to be constrained by slower consumption growth and challenging external conditions. Rising borrowing costs and slower income growth will weigh on private consumption growth, and government consumption is projected to grow at a slower pace due to the withdrawal of pandemic-related fiscal support measures.

The Indian economy however continues to show strong resilience to external shocks. Notwithstanding external pressures, India's service exports have continued to increase as also the domestic consumption.

Although headline inflation is elevated, it is projected to decline to an average of 5.2 percent in FY23/24, amid easing global commodity prices and some moderation in domestic demand. The Reserve Bank of India has withdrawn accommodative measures to rein in inflation by hiking the policy interest rates. India's financial sector also remains strong, buoyed by improvements in asset quality and robust private-sector credit growth.

The Central Government is likely to meet its fiscal deficit target of 5.9 percent of GDP in FY23/24 and combined with consolidation in state government deficits, the general government deficit is also projected to decline. As a result, the debt-to-GDP ratio is projected to stabilize. On the external front, the current account deficit is projected to narrow to 2.1 percent of GDP from an estimated 3 percent in FY22/23 on the back of robust service exports and a narrowing merchandise trade deficit.

BUSINESS OVERVIEW

The Chemical industry plays a crucial role in sustenance and growth of other industries and thus in economic revival. Your Company provides a variety of products required as base in the production of many pharma, medical supplies, textiles, petro-chemicals and other chemical industries. As reported earlier, manufacturing of MDEA, Speciality Chemicals, Oilfield Chemicals, Demulsifiers, Acid corrosion inhibitors continues to grow during the year under review. In the field of EA and Alkyl Alkonolamines, the Company continues to cater approx 70% of the total demand of the Indian market and has been regularly exporting its products to many Countries. As reported earlier, the Company continues to be associated with many industries which include Oil and gas, electronics chip manufacturing, Textile auxiliary Chemicals and Pharmaceutical Companies. The expansion of its Ethoxylation/Propoxylation capacity has been completed to manufacture certain specialty chemicals.

The Company in order to reduce power cost and to ensure smooth flow of energy requirement had invested in a Company - Radiance MH Sunrise Six Private Limited, which is engaged in the business of development, construction, operation and maintenance of solar power plants in India and developing, constructing ground mounted, grid connected solar (photovoltaic) electric generating facility. The power producer has commissioned its Solar Power Plant which is now fully operational and the Company's power requirement to a certain portion has been met with seamless supply of power through Alternate Source of energy at a concessional rate.

Our Customers :-

The Company's association continues with all Public Sector Oil Companies / Refineries and Petrochemical Industries. The Company's products continue to be used in the Textile and manufacturing of Electronic chips. The Company has ventured into other activities like manufacture of Amine Reclamation Units. These Amine Reclamation Units are used for revamping the amines by removing the heat stable salts formed in the amine during use giving the amine a longer life for reuse on the refinery. During the year under review, the Company has delivered one such large Unit to a major Refinery in India.

SUBSIDIARY COMPANIES PROGRESS :

AMINES AND PLASTICIZERS FZ LLC :

The Company's wholly owned subsidiary 'Amines and Plasticizers FZ LLC' in Ras Al Khaimah, Free Trade Zone in UAE has now started to deal in the products manufactured by the Company and by other manufacturers.

International Organization for Standardization (ISO) Compliance :

The Company has ISO quality management system certification since last two decades. Over a period of time, it has achieved and upgraded to Quality ISO 9001: 2015 which is valid till 11th January 2024, Environment ISO 14001: 2015 is valid up to 08th April, 2025 and Occupational Safety Management System ISO 45001: 2018 which is valid up to 06th June, 2025.

Details of the above mentioned certifications are elaborated in the Directors' Report.

TfS (Together for Sustainability): As reported earlier, APL had joined TfS (Together for Sustainability) forces by successfully going through TfS Assessment and Audit conducted by TfS approved Auditing Agency. This helps to increase transparency with regard to sustainability standards in supply chains. The mission is to support in managing complexity and risks in increasingly global operations and improving the economic, social and ecological conditions in global supply chains by engaging in dialogue with the suppliers.

Further, the Company's registration under REX (Registered Exporter) continues for obtaining concessional duty for imports from India to European Union, Norway, Switzerland and Turkey. EFCI GMP (European Federation of Cosmetic Ingredients - Good Manufacturing Practices): APL has successfully gone through verification of compliance to EFCI GMP, 2017 standard for some of its products which is the essential requirement of few global Cosmetic manufacturing customers.

In addition to above, the Company has HALAL & KOSHER Certifications for few of its products.

GREEN INITIATIVE :

Pursuant to MCA circulars, the Annual Report 2022-23 will only be sent through electronic modes to those shareholders whose email IDs are registered. As a part of Green Initiative and larger reach, the Annual Report of the Company and all major corporate communication would be uploaded on the Company's website: www.amines.com for information and perusal. A physical copy of Annual Report will be given free of cost once to members on specific request.

E-voting :

Pursuant to the provisions of the Companies Act, 2013 read with rules made there under and the Listing Obligations, the Company has been with the assistance of LinkIntime provided the facility of Evoting through InstaVote and AGM through Video Conferencing (VC) / Other Audio Visual Means (OAVM) with the help of InstaMeet. Detailed procedure for the same is mentioned in the Notes to the Notice of the 48th Annual General Meeting of the Company.

INDUSTRY STRUCTURE AND DEVELOPMENT :

After a strong performance in the last two financial years, specialty chemicals manufacturers have seen margin headwinds in the first nine months of FY23, led by high raw material prices, energy and logistics costs. Caution prevails on global demand considering the recessionary environment in the developed world. Specialty chemicals manufacturers reported a mixed performance with the portfolio related to discretionary sectors remained under pressure. Certain product prices declined sequentially, impacting the margin & performance of domestic manufacturers.

India holds a strong position in chemicals globally, ranking 14th in exports and 8th in imports. Covering more than 80,000 commercial products, the industry is expected to grow at 9.3% to reach US \$304 billion by the year 2025. The growth is predicted on the back of rising demands in the end-user segments for specialty chemicals and petrochemicals. The global pandemic and its subsequent disruptive impacts have encouraged many companies to de-risk their supply chains. Increased dependence on a single manufacturing source, rising costs in China, growing US China tensions, stringent environmental, and high compliance costs. have created vulnerabilities that have driven firms to diversify supply chains outside of China. India is uniquely positioned to benefit as MNCs increasingly adopt the 'China+1' strategy owing to its competitive cost advantage, focus on quality and sustainability, conducive business environment led by reforms, and incentivized government policies. In the post pandemic scenario, the Indian chemical industry has got numerous opportunities considering the supply chain disruption in China and trade conflict among the US, Europe, and China. Additional support, in terms of fiscal incentives, such as tax breaks and special incentives through Petroleum, Chemicals and Petrochemicals Investment Regions (PCPIRs) or Special Economic Zones (SEZs) to encourage downstream units will enhance production and development of the industry. To bring about structural changes in the working of the domestic chemical industry, future investments should not only focus on transportation of fuels such as petrol and diesel, but also on crude-to-chemicals complexes or refineries set up to cater to the production of chemicals. In the face of various global challenges, the Indian chemical industry continued to be resilient in 2022-23 and has shifted gears in the right direction of becoming a noteworthy global player. However, numerous challenges still persist including limited domestic feedstock availability, delayed regulatory approvals, and scarcity of skilled R&D talent. These enablers and obstacles have influenced the spectrum of chemical subsegments falling in the consideration pool, in terms of both market attractiveness and cost competitiveness. India has significant presence in production of basic organic chemicals, fertilizers, pesticides, paints, dyestuffs and intermediates and fine and specialty chemicals. The chemical sector in India faces key challenges such as inadequate infrastructure facilities, high costs of basic raw materials, natural gas and crude oil, high cost of capital and need for technological modernization of its facilities. The key success factors for the chemicals industry in India are the use of advanced technology, strong research capabilities, backward and forward linkages and development of domestic capacity to reduce dependence on imported raw materials. It has also become imperative for the Indian chemical industry to address safety, health and environmental protection issues in an organized manner. A consistent value creator, India's chemical sector remains an attractive hub of opportunities. Robust demand across end-user industries led by rising domestic consumption, strong export growth, and rising import substitutions are expected to be primary growth drivers for the chemical sector. Growing strong domestic demand and increased exports will continue to fuel the growth of the Indian specialty chemicals industry. The robust performance of the sector is prompting specialty chemical manufacturers to ramp up their production capacity to meet the growing demand for its products. Furthermore, antipollution measures in China will also create opportunities for the Indian chemical industry in specific segments.

The Company's Profit before Tax stood at ₹ 2827.90 Lakhs as compared to ₹ 3206.02 Lakhs. The Chart depicts the export sale as compared to total sales of the Company over last 3 years.

SALES & EXPORT PERFORMANCE (₹ in Lakhs)

PRODUCTWISE PERFORMANCE :

During the year under review, due to expanded plant capacities, the Company could focus more on executing big ticket size orders. It continued its efforts on expanding sale of Ethanloamine / Alkanolamines & Derivative products which had contributed over 72% of total sales which is more than 10% compared to previous year. Another revenue contributor remained Morpholine Derivatives and Ethylene Oxide / Propylene Oxide Derivative which contributed around 25%. Both these products have different variants based on their utility and composition.

As reported earlier, your Company continued trading of molecular sieves which is used in Industrial Gases, Fuel Ethanol Production, miscellaneous petrochemicals, liquid used in oxygen concentrator, drying agent, packaging industries and polymer processing. Your Company continues to represent one of the biggest Global producers of Molecular Sieves and is a major distributor in India.

As evident from the results, the growth in Quantitative sales of Alkyl Alkolnamines continued and the realization was better as compared to the previous year and quantitative and value increase of NMMO in the exports sales also reported better numbers.

RESEARCH AND DEVELOPMENT :

Your Company has an in-house Research and Development Division consisting of experienced professionals which are engaged in development of new products simulations, processes and variants of chemicals useful in different industrial segments & sectors. Also, R&D Division is continuing its efforts to mitigate the impact on environment and climate change by focusing on carbon capture & utilization and green chemistry.

Global Warming and Pollution are two major environmental challenges. As reported earlier, in both the cases, our main products MDEA and NMMO play a big role. The R&D developed NMMO product revolutionized the textile industry by manufacturing Lyocil fiber replacing viscose fiber. Our new environment friendly solvent made it possible without any harm to the Environment. Many industries have shifted to this Fibre Technology which had reduced pollution. The Company is now focusing on making raw materials for this product by Green Chemistry and research is in its final stages. Your Company is actively involved with this Sector and is developing many Speciality Solvents based on its products for use in this sector.

Our Company is developing products required by many customers in the European Union by the Green Chemistry route. Samples of these products have already been prepared and submitted to the customers for their evaluation and trials. The Company's R&D is actively pursuing decarbonization for the green chemistry and Pharmacy Intermediates. Also, new grade Ethoxylates and Propoxylates products are being developed by R&D industry for use in the Polymer, Resin and foam industry.

The R&D is concentrating on products which are not produced in India and currently being imported so the main focus is to create import substitutes through R&D route in line with the Government policy. The Company's R&D efforts are focusing on certain metal free chemicals which would be required by the Electro chip industry being promoted by the Government of India.

In a nutshell, the Research & Development efforts are focused on :

- a) Development of various acrylates base addition products based on propylene oxide & ethylene oxide.
- b) Development of glycerin base addition products based on propylene oxide & ethylene oxide.
- c) Development of customized propylene oxide & ethylene oxide based export products.
- d) Development of Mould Releasing agent for rubber auxiliary for automobile industries.
- e) Adaptation of renewable resources for energy fuel and water savings.

As a result of sustained efforts on R&D Activities, the Company has been able to derive a number of benefits which are enumerated hereinbelow :

- a) Increase growth in domestic and international market for variety of R & D developed and commercialized products.
- b) Effectively develop new ethoxylate and propoxylate value added new product range.
- c) Variety of products developed gained approval from local and international customers .
- d) Substantial Growth in development of specialty product formulation for gas plants benefiting local and global market in refinery, natural gas fertilizer and ammonia plants.

The demand for high quality, high purity, Cosmetic ingredients, metal working fluids, Drug intermediates, Textile auxiliaries, electronic chemicals (all EO/PO- based), rising continuously in the domestic as well as in global markets and we are able to fulfill the stringent requirements of our clients, with our concentrated R&D efforts. The Company also plans to design and develop range of surfactants based on ethylene oxide and propylene oxide. Few of your Company's Emulsifier field products developed inhouse, based on Ethylene Oxide, contributes to Green Chemistry as they are used in neem based Agrochemicals.

As reported earlier, R&D efforts continue to contribute immensely to various industries including Construction, Automobile, Paints & Coating industries in India as well as across the World.

REACH COMPLIANCE :

During the year, some of your Company's products were registered under EU Reach Regulations and some substances have received pre-registered recognition under K- Reach Regulations (Korea). In addition to this, the Company has also received Inventory notified recognition under Eurasia Reach Regulations for some of its substances and Pre-registered recognition for some of its substances under Turkey KKDİK Regulations. As reported earlier, the Company is in process for China Reach for one of its products.

OPPORTUNITIES, THREATS, RISKS MANAGEMENT :

Your Company has completed 50 years of operations and has created a brand name for itself and commands Goodwill in the Chemical Sector. It has built an image for itself by proper planning, taking calculated risks and materializing opportunities. This was possible due to exploring various business opportunities and taking initiatives to expand

business in various markets. In every business and in every new initiative, there are inherent risks and it is the duty of the Management to manage such risks. The Chemical industry in which your Company operates is one of the most diversified industries in business segment. Diversification provides opportunities and also poses threat.

As reported above, the Company has a state of the art in-house R&D Division to combat the risks associated with ever changing needs of the chemical industry.

During the year under review, the Company has focused on development of new products to meet the dynamic demands from different sectors which has been put to various different uses. In house Research and Development facility and adoption of latest technological changes have helped in introducing new specialty custom made products having better margins. Diversification being a major factor for opportunities it also gives mounting pressure to satisfy the ever changing needs of customers. Also, Chemical sector has its inherent element of risk factors ranging from Raw Material procurement, storage and plant operation safety.

The Chemical sector has now moved from commodity based (sourcing of raw/refined chemicals) to need based manufactured as per the needs and high emphasis is placed on the product development, acquiring new technology and improving production facilities.

For credit risk, the management is careful in its credit policy towards its customers in domestic market and for exports its either advance payment or letter of credit. Your Company has a Brand Name in chemical industry and has the advantage of deeper penetration in market and recognition amongst its peers. Also, due to timely expansion of product facilities and capacities, upgradation of its Multi-product plant resulted in seizing more opportunities which has reflected in overall better performance of the Company even during uncertain economic situation. The Company's adaptability to new product development has resulted in achieving higher sales during the year under review.

As reported earlier, the Company continues to face competition from domestic and international Chemical manufacturers. The Company's another Multi-product Plant helps to produce variety of products to cater to the needs of different customers. Diversified product portfolio and large customer base continue to be the main strengths of the Company. Your Company being in the manufacturing segment requires certain raw material which are susceptible to fluctuations in prices and they are sensitive in nature and therefore the same cannot be imported. Also, in house production of the same is not financially viable since it will have huge capital expenses. The Company is thus vulnerable to Ethylene Oxide price volatility which in turn is affected by the crude oil prices. Another risk factor which the Company is currently facing is the ever increasing energy prices and high finance cost thereby reducing the company's profit margin.

The Company has been taking every possible step in order to mitigate the effects of unstable global conditions through reaching out to new customers, exploring new chemical markets and constant efforts by its R&D Team in developing unique and innovative Specialty products to suit its customer needs. Your Company has, also invested in solar power producing Company to ensure smooth flow of electricity at concessional rates. As regards fluctuations in Forex, the Company has natural hedging between exports and imports.

Types of risks and mitigating factors :

A) Economic Risk – Global uncertainty, unrest due to war and slowdown in economy.

Mitigation measure : The petrochemical industries and refineries all over the world started to expand its operations. The Company has strong relations with many customers and continues to penetrate its presence in domestic and global markets. The Company has active R&D division and has a diversified product base to cater to various customer's needs worldwide.

B) Operational Risk – Procurement of Raw material, increased energy cost & competition risk.

Mitigation measure - The Company has always tried to maintain sufficient stock of raw materials and have good business relations with its Suppliers. It ensures required flow of raw material at any given time. The Company has now invested in a Solar Power Company to meet its energy requirements. The Company chose path of Renewable source of energy and reduction in cost too. Your Company has a professional R&D Team with optimum composition of experience and young talent. The Company continues to develop many products through innovation and research having its utility in many fields. Also, the Company has been providing tailor made solutions to its clients thereby enhancing client satisfaction and retention. The management is constantly trying to tap new markets, for its products. One of the major constraint has been the ever increasing prices of PNG resulting in increase in operational cost.

C) Ecological Risk – With increasing awareness about the Climate change and Global warming; impact on the environment.

Mitigation measure : R&D Division has been focusing on carbon capture & utilization and Green Chemistry. The Company is working on Solvents used in hydrogen industry as detailed in the Research and Development para. Our new environment friendly solvent can make this possible without any harm to the Environment. The Company has now focused on making raw materials for this product by Green Chemistry. All fuel requirements are met by PNG thereby reducing Air Pollution.

D) Finance Risk – Availability of Finance for working capital requirements.

Mitigation Measure - The Company has consortium of Bankers and SBI is the lead Banker which have sanctioned Working Capital facilities that ensures smooth flow of finance whenever needed. The Company has also raised money by inviting and accepting unsecured deposits at lesser rate of interest for meeting general corporate requirements.

INTERNAL CONTROL SYSTEM :

Your Company has an effective internal control and risk-mitigation system, which is constantly assessed and strengthened with new/revised standard operating procedures. The Company's internal control system is commensurate with its size, scale and complexities of operations. M/s N. J. Mahtani & Co., a Firm of Chartered Accountants are the internal auditors of the Company. The main focus of internal audit is to review business risks, test and review controls, assess business processes besides benchmarking controls with best practices in the industry. During the year under review, there were no elements of risk which in the opinion of the Board of Directors threaten the going concern status of the Company. Risks are an inherent part of any business which are mitigated in accordance with the Risk Management framework. With the ever changing conditions on economic and global front, your Company's internal control system is reviewed from time to time keeping in check the internal financial controls, compliances with applicable provisions of laws, policies, statutory compliances.

The Audit Committee of the Board of Directors actively reviews the adequacy and effectiveness of the internal control systems. The Audit Committee suggests improvements and utilizes the reports generated from a Management Information System integral to the control mechanism.

The Management has laid down adequate procedures and policies to guide the operations of our business. Unit/Functional Heads are responsible for ensuring compliance with the policies and procedures laid down by the Management. Our internal control systems are periodically reviewed by the Management, Statutory Auditors and Internal Auditors.

HUMAN RESOURCE MANAGEMENT :

The Human Resources is an essential component of any business. The Industry in which your Company operates not only demands quality but also in-depth technical knowledge. Your Company has by focusing on its core values of Trust, Quality, and Excellence built an agile, enthusiastic and energized work force which defines the organization culture.

Leadership development focuses on identifying potential and grooming critical talent through various programs. Employees are encouraged to upgrade their skills by regularly attending seminars, webinars, courses, programmes. Your company ensures that employees are aligned with the organizational culture and values whilst never losing sight of our business objectives. INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF AMINES & PLASTICIZERS LIMITED

Report on the Audit of Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of **Amines & Plasticizers Limited** ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2023, the Standalone Statement of Profit and Loss (including other comprehensive income), Standalone Statement of Changes in Equity and Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financials statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'Standalone Financial Statements').
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31st March 2023, and its profit (financial performance including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. We have determined the matter described below to be the key audit matters determined to be communicated in our report on standalone financial statements.

Key Audit Matters	Auditor's Response (Audit Procedures followed)
<p>Valuation, Accuracy, Completeness and disclosures pertaining to Inventories with reference to Ind AS 2</p> <p>Inventories constitutes material component of financial statement. Correctness, completeness and Valuation are critical for reflecting true and fair financial results of operations. (c) We have carried out substantive audit procedures to verify the allocation of overhead to Inventory. (d) We have done physical verification on sample basis in respect of few locations. We have relied on physical verification conducted by management and management representation. (e) We have verified consistency in respect of valuation process and methodology followed.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

6. The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to the Board Report, Business Responsibility Report, Corporate Governance report and Shareholder's information, but does not include the standalone financial statements and our auditor's report thereon.
7. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
8. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Standalone Financial Statements

9. The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rule 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
10. In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
11. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

12. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
13. As part of an audit in accordance with SAs, we have exercised professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and have obtained audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

17. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

INDEPENDENT AUDITORS' REPORT

Annexure 'A' referred to in Report on Other Legal and Regulatory Requirements section of our Report to the members of Amines & Plasticizers Limited for the year ended March 31, 2023

1. In respect of the Company's Property, Plant and Equipment (PPE) and Intangible Assets:
 - (a) (A) The Company has maintained proper records, showing full particulars, including quantitative details and situation of Property, Plant and Equipment, Capital Work-in-progress and relevant details of right of use assets.
 - (B) The Company has maintained proper records showing full particulars of intangible assets.
 - (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a phased program of physical verification of Property, Plant and Equipment (PPE) so to cover all the assets, in our opinion, the frequency of verification is reasonable having regard to the size of the Company and the nature of its PPE. Pursuant to the program of physical verification of PPE, physical verification of the assets has been carried out no material discrepancies were noticed on such verification.
 - (c) The title deeds of all the immovable properties (which are included under the Note 3 'Property, plant and equipment') are held in the name of the Company.
 - (d) The Company has not revalued its Property, Plant and Equipment (including Right of-Use assets) or Intangible assets or both during the year and hence reporting under clause 3(i)(d) of the Order is not applicable to the Company.
 - (e) No proceedings have been initiated or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder hence reporting under clause 3(i)(e) of the Order is not applicable to the Company
2. (a) The management has conducted physical verification of inventory at reasonable intervals during the year. In our opinion the coverage and the procedure of such verification by the management is appropriate. No discrepancies of 10% or more in aggregate for each class of inventory were noticed on physical verification of inventories as compared to book records.
 - (b) As disclosed in Note 18.1 to the standalone financial statements, the Company has been sanctioned working capital limits in excess of ₹ five crores in aggregate from banks during the year on the basis of security of current assets. The quarterly returns/statements filed by the Company with such banks are generally in agreement with the books of accounts of the Company.
3. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company during the year, the Company has not made any investments, or provided any security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties or to promoters or related parties, except as stated hereunder.
 - (b) The Company had in the earlier year granted loans of ₹ 48.81 Lakhs to its wholly owned subsidiary. The Balance outstanding of the loan is same.
 - (c) In our opinion, the terms and conditions of the loans are prima facie, not prejudicial to the Company's interest.
 - (d) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are generally been regular as per stipulation.
 - (e) In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date to other entities.

8. According to the information and explanations given to us and on the basis of our examination of the records of the Company, there were no transaction relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) and hence reporting under clause 3(viii) of the Order is not applicable to the Company.
9. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to the lenders and hence reporting under clause 3(ix)(a) of the Order is not applicable to the Company.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) During the year the Company has not availed of or has been disbursed any Term loans.
- (d) On an overall examination of the standalone financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) On an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries and hence reporting under clause 3(ix)(e) of the Order is not applicable to the Company.
- (f) During the year the Company has not raised any funds on the pledge of securities held in its subsidiaries and hence reporting under clause 3(ix)(f) of the Order is not applicable to the Company.
10. (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) During the year, the Company has not made any preferential allotment, private placement of shares or fully or partly convertible debentures and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.
11. (a) During our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of fraud by or on the Company, noticed or reported during the year, nor have we been informed of such case by the management.

- (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) Based on our audit procedures performed and according to the information and explanations given to us, no whistle blower complaints have been received during the year by the Company and hence reporting under clause 3(xi)© of the Order is not applicable to the Company.
12. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable to the Company.
13. All the transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the standalone financial statements, as required by the applicable accounting standards.
- 14.(a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered the internal audit reports for the year under audit issued to the Company during the year and till date, in determining nature, timing and extent of our audit procedure.
15. The Company has not entered into any non-cash transactions prescribed under Section 192 of the Act with its directors or persons connected with them during the year.

- (b) In our opinion, there is no core investment company within the “Companies in the Group” as defined in the Core Investment Companies (Reserve Bank) Directions, 2016 and hence reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.
17. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
18. During the year there is no resignation of Auditors in the company. However, the tenure of the previous Auditor expired in the previous Annual General Meeting. Pursuant to provision of the Companies Act, 2013, Company had appointed our firms and shall continue to hold office specified by the Act. and hence reporting under Clause 3(xviii) of the Order is not applicable to the Company.
19. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- 20.a) According to the information and explanations given to us, the Company does not have any unspent amount in respect of any ongoing or other than ongoing project as at the expiry of the financial year and hence reporting under Clause 3(xx) of the Order is not applicable to the Company.

INDEPENDENT AUDITORS' REPORT

Annexure B to Independent Auditors' Report

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. Report on internal financial controls over financial reporting

We have audited the internal financial controls over financial reporting of **Amines & Plasticizers Limited** ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

2. Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

3. Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

4. Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii)

provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

5. Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

6. Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

a. Basis of Preparation of Financial Statements

Compliance with Ind As

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All financial information presented in Indian rupees have been rounded-off to two decimal places to the nearest lakhs as per the requirement of Schedule III, except share data or as otherwise stated.

The accounting policies are applied consistently to all the periods presented in the financial statements.

Historical Cost Convention

The financial statements have been prepared under the historical cost convention except for the followings assets and liabilities which have been measured at their fair value: -

- Certain financial assets and liabilities that are measured at fair value (refer-Accounting policy regarding financials instruments)
- Defined benefit plans – present value of defined benefit obligation unless otherwise indicated.

b. Use of estimates and judgements

The preparation of financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities and the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities prospectively. Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:

- i. Measurement of defined benefit obligations - Note No. 36
- ii. Measurement and likelihood of occurrence of provisions and contingencies - Note No.16, 21A & 30
- iii. Recognition of deferred tax assets / liabilities – Note No.17B

c. Property, Plant & Equipment & Intangible Assets :

i. Property, Plant & Equipment

The Company had applied for the one-time transition exemption of considering the carrying cost on the transition date i.e., 1st April 2016 as the deemed cost under Ind AS. Hence regarded thereafter as historical cost.

An item of Property, plant and equipment is recognized as an asset if it is probable that future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. property, plant and equipment are initially recognized at cost after deducting refundable purchase taxes and including the cost directly attributable to bring the asset to the location and conditions necessary for it to be capable of operating in the manner intended by the management, borrowing cost in accordance with the established accounting policy, cost of restoring and dismantling, if any, initially estimated by the management.

Freehold Land is carried at historical cost. All Other items of Property, Plant & Equipment are stated at historical cost less depreciation. Historical Cost includes expenditure that is directly attributable to the acquisition of the items. After the initial recognition the property, plant and equipment are carried at cost less accumulated depreciation and impairment losses.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and its cost can be measured reliably.

All other repairs and maintenance costs, including regular servicing are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

In case of self-constructed assets, cost includes the costs of all materials used in construction, direct labour, allocation of overheads, directly attributable borrowing costs. Cost of Self-constructed assets is determined using the same principles as for acquired assets after eliminating the component of internal profits.

Any gain or loss arising on retirement or disposal of property, plant and equipment is recognized in the Statement of Profit and Loss.

Capital work-in-progress assets in the course of construction for production or/and supply of goods or services or administrative purposes, or for purposes not yet determined, are carried at cost, less any recognised impairment loss. At the point when an asset is operating at management's intended use, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs associated with the commissioning of an asset are capitalised where the asset is available for use but incapable of operating at normal levels until a period of commissioning has been completed.

ii. Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization / depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023

iii. Depreciation/Amortization

Depreciation on all property, plant and equipment are provided for, from the date of put to use for commercial production on a pro-rata basis on the straight-line method based on at the useful life prescribed under Schedule II to the Companies Act, 2013. Freehold land is not depreciated.

Depreciation commences when the assets are ready for their intended use. Depreciated assets in property and accumulated depreciation accounts are retained fully until they are removed from service.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

Intangible assets with a finite useful life are amortised in a straight-line basis over their estimated useful life.

d. Disposal of Assets

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

e. Leases

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset if it involves the use of an identified asset and the Company has substantially all of the economic benefit from the use of asset and has right to direct the use of the identified asset.

The cost of right-of-use asset shall comprise of amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred.

Right-of-use assets is subsequently measured at cost, less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of lease liabilities.

Right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of the Right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

For short term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

The Company's lease arrangements do not contain an obligation to dismantle and remove the underlying asset, restore the site on which it is located or restore the underlying asset to a specified condition.

f. Impairment

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023

belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

g. Research and development expenditure

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are charged to the Statement of Profit and Loss unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalised.

h. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily takes substantial period of time to get ready for their intended use or sale, are capitalised as part of the cost of such assets, until such time as the assets are substantially ready for the intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is recognized in the Statement of Profit and Loss.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

i. Inventories

Inventories are stated at the lower of cost and net realizable value. The cost of finished goods and work in progress includes raw materials, direct labour, other direct costs and related production overheads.

Raw Materials and other materials including packaging, stores and fuels are valued at lower of cost, based on first-in-first-out method arrived at after including freight inward and other expenditure directly attributable to acquisition or net realizable value. Cost of Stores, Spares and fuels are computed on Moving Weighted Average.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

j. Financial Instruments

i. Financial assets

a. Initial Recognition and Measurement

The Company recognizes financial assets and financial liabilities when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are recognised at fair value initial recognition except for Trade receivables / payables and where cost of generation or fair value exceeds benefits, which are initially measured at the transaction price. Transaction costs directly related to the acquisition or issue of the financial assets and financial liabilities (other than financial assets and financial liabilities through profit and loss account) are added to or deducted from the cost of financial assets and financial liabilities. Transaction costs directly attributable to the acquisition or issue of the financial assets and financial liabilities at fair value through profit and loss account are recognized

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023

immediately in the statement of profit and loss.

b. Classification and Subsequent Measurement

i. Amortised cost :

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii. Fair value through other comprehensive income (FVOCI) :

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii. Fair value through profit and loss (FVTPL) :

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

iv. Investments in Subsidiaries

Investments in subsidiaries are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries, the difference between net disposal proceeds and the carrying amounts are recognized in the Statement of Profit and Loss.

v. Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

All equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

vi. Cash and Bank Balances

Cash and cash equivalents – which includes cash in hand, deposits at call with banks and other short-term deposits which are readily convertible into cash and which are subject to an insignificant risk of changes in value and have maturities of less than one year from the date of such deposits.

Other Bank Balances – which includes balances and deposits with banks that are restricted for withdrawal and usage.

vii. Trade Receivables and Loans

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business and reflects company's unconditional right to consideration (that is, payment is due only on the passage of time). Trade receivables of the Company, are recognised initially at the transaction price as they do not contain significant financing components. The company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023

viii. Debt Instruments

Debt instruments are initially measured at amortised cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

C. Impairment of Financial Asset

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

For financial assets other than trade receivables, as per Ind AS 109, the Company recognizes 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to lifetime expected losses i.e. expected cash shortfall.

The impairment losses and reversals are recognised in Statement of Profit and Loss.

II. Financial Liabilities

a. Initial Recognition and Measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Trade and other payable are initially recognized at the fair value of the consideration received less directly attributable transaction cost.

Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest method.

b. Classification and Subsequent Measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

III. Derecognition of Financial Instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

k. Provision, Contingent Liabilities & Contingent Assets

Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of past events, for which it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation.

If the effect of the time value of money is material, provisions are measured on a discounted basis to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023

A contingent liability is a possible obligation that arise from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognised because it is probable that an outflow of resources will not be required to settle the obligation. However, if the possibility of outflow of resources, arising out of present obligation, is remote, it is not even disclosed as contingent liability. The company does not recognize a contingent liability but discloses its existence in the financial assets.

Contingent assets are neither recognized nor disclosed in the financial statements.

I. Revenue Recognition

The Company manufactures and sells a range of chemicals and other products.

Revenue from sale of goods is recognized when significant risks and rewards of ownership are transferred to the buyer, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably, which coincides with the date of dispatch/bill of lading. The Company retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods.

The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money.

Revenue is measured at fair value of the consideration received or receivable includes freight, wherever applicable and is net of trade discounts, volume rebates and GST.

Export incentives under various schemes are accounted in the year of export.

Revenue from technical services recognized on the basis of milestones for rendering services as per the agreement.

Interest income is recognized on time apportionment basis. Effective interest rate (EIR) method is used to compute the interest income on long term loans and advances. Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

Dividend income on investments is recognised when the right to receive dividend is established.

m. Employee Benefits

i. Defined Contribution Plans

Contributions to defined contribution schemes such as employees' state insurance, labour welfare fund, superannuation scheme, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Eligible employees receive benefits from a provident fund, which is a defined contribution plan to the Trust/Government administered Trust. Both the employee and the company make contribution to the Amines Plasticizers Limited Employees' provident Fund Trust / Government administered Trust equal to the specified percentage of the covered employee's salary. Company also contributes to a Government administered pension fund on behalf of its employees.

ii. Defined Contribution Plans

The The Company also provides for retirement benefits in the form of gratuity and compensated absences to the employees Company.

For defined benefit plans, the amount recognised as 'Employee benefit expenses' in the Statement of Profit and Loss is the cost of accruing employee benefits promised to employees over the year and the costs of individual events such as past / future service benefit changes and settlements (such events are

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023

recognised immediately in the Statement of Profit and Loss). Any changes in the liabilities over the year due to changes in actuarial assumptions or experience adjustments within the plans, are recognised immediately in 'Other comprehensive income' and subsequently not reclassified to the Statement of Profit and Loss.

The defined benefit plan surplus or deficit on the Balance Sheet comprises the total for each plan of the fair value of plan assets less the present value of the defined benefit liabilities (using a discount rate by reference to market yields on government bonds at the end of the reporting period)

All defined benefit plans obligations are determined based on valuations, as at the Balance Sheet date, made by independent actuary using the projected unit credit method. The classification of the Company's net obligation into current and non-current is as per the actuarial valuation report.

Liability for balance leave encashment / entitlement is provided on the basis of actuarial valuation at the year end.

n. Taxation

Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to a business combination or to an item which is recognized directly in equity or in other comprehensive income.

Current Tax

Current tax is tax expected tax payable on the taxable income for the year, using the tax rate enacted at the reporting date, and any adjustment to the tax payable in respect of the earlier periods. Taxable profit differs from the net profit as reported in the statement of profit and loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

A deferred tax liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

MAT credit entitlement is recognized and carried forward only if there is a reasonable certainty of it being set off against regular tax payable within the stipulated statutory period.

o. Earnings Per Share

Basic earnings per share is computed by dividing the net profit for the year attributable to equity shareholders of the Company by the weighted-average number of equity shares outstanding during the year. The weighted-average number of equity shares outstanding during the year and for all years presented is adjusted for events such as bonus issue; bonus element in a rights issue to existing

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023

shareholders; share split; and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted-average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

p. Foreign Currency Transactions and Translation

The financial statements are presented in Indian Rupees (INR), which is the functional currency of the Company and the presentation currency for the financial statements.

Transactions in foreign currencies are recognized at the prevailing exchange rates on the transaction dates. Realized gains and losses on settlement of foreign currency transactions are recognized in the Statement of Profit and Loss.

Foreign currency monetary items (assets and liabilities) at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognized in the Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or Statement of Profit and Loss are also recognised in OCI or Statement of Profit and Loss, respectively).

q. Recent pronouncements

The Ministry of Corporate Affairs (MCA) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, the MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

Ind AS 1, Presentation of Financial Statements- This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and the impact of the amendment is insignificant in the standalone financial statements.

Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors - This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no significant impact on its Standalone financial statements.

Ind AS 12, Income Taxes - This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no significant impact on its Standalone financial statements.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023

The defined benefit plans expose to the Company to a number of actuarial risk

- a) **Investment Risk :** The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to government/high quality bond yields; if the return on plan asset is below this rate, it will create a plan deficit.
- b) **Interest Risk :** A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.
- c) **Salary Risk :** The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.
- d) **Longevity Risk :** The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Sensitivity analysis of 1% change in assumption used

41 Financial Instruments and Risk Review

Financial Risks Management Framework

The Company's business activities are exposed to a variety of financial risks, namely Liquidity Risk, Currency Exchange Risk, Interest Rate Risk, Credit Risk and Commodity Price Risk. The Company's management and the Board of Directors has the overall responsibility for establishing and governing the Company's risk management framework. The risk management framework works at various levels in the enterprise. The organization structure of the Company helps in identifying, preventing and mitigating risks by the concerned operational Heads under the supervision of the Chairman & Managing Director. The risk management framework is reviewed periodically by the Board and the Audit Committee keeping a check on overall effectiveness of the risk management of the Company.

Credit Risk

Credit Risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations. Financial instruments that are subject to credit risk principally consist of trade receivables, investments, loans, cash and cash equivalents, other balances with banks and other financial assets. None of the financial instruments of the Company result in material credit risk.

Credit risk with respect to trade receivables are limited, due to the Company has a policy of dealing only with credit worthy counter parties, where appropriate as a means of mitigating the risk of financial loss from defaults. All trade receivables are reviewed and assessed for default on a quarterly basis. Our historical experience of collecting receivables is that credit risk is low. Hence, trade receivables are considered to be a single class of financial assets.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. based on the historical data, loss on collection of receivables is not material hence no additional provision considered.

Commodity Price Risk

The main raw materials which the Company procures are to a great extent linked to the movement of crude prices directly or indirectly. The pricing policy of the Company final product is structured in such a way that any change in price of raw materials is passed on to the customers in the final product however, with a time lag which mitigates the raw material price risk.

Liquidity risk

Liquidity Risk arises when the company is unable to meet its short term financial obligations as and when they fall due. The company maintains adequate liquidity in the system so as to meet its all financial liabilities timely. In addition to this, the company's overall financial position is very strong so as to meet any eventuality of liquidity tightness.

Financial Instruments

Fair value measurement hierarchy

The fair value of financial instruments as below have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The categories used are as follows

Level 1 : Quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2 : Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 : Inputs which are not based on observable market data

The following tables presents the carrying value and Fair value measurement hierarchy of each category of financial assets and liabilities

The fair values of the financial assets and liabilities are defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Methods and assumptions used to estimate the fair values are consistent.

Financial assets and liabilities measured at fair value as at Balance Sheet date :

The fair value of investment in quoted Equity Shares is measured at quoted price.

The fair value of the remaining financial instruments is determined using discounted cash flow analysis.

44 Investment in Radiance MH Sunrise Six Pvt Ltd (SPV)

The Management in its constant endeavour to reduce power cost and to explore sources of alternate energy had identified one proposal of investing in Solar power producing companies. Accordingly, The Company had invested in RMHSSPL, one such company which is engaged in the production of alternate energy and supplying the same to MSDCL which in turn supply the power to Investing company at an agreed concessional rates. This arrangement is facilitated by the State Govt and one of the terms of Venture is that the Recipient of power must invest min 26% equity in the power producing company(SPV) to avail this benefit of power at reduced rate. The Company has therefore acquired 26% equity stake in Radiance MH Sunrise Six Pvt Ltd (SPV) pursuant to a Statutory State Government mandate for forming / investing in such a Special Purpose Vehicle. The Company neither has significant influence over this company nor any participative rights in the Management of the said Company. In addition profit/ loss of the said SPV is insignificant and does not in any way impact the financials of the Company. In view thereof, Radiance MH Sunrise Six Pvt Ltd had not been considered as an associate company for consolidation purpose as it is a pure investment activity in the said Company to obtain Power at a concessional rate.

45 Other Statutory Information :

- (i) The company does not have any Benami property, where any proceeding has been initiated or pending against the Company for holding any Benami property.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF AMINES & PLASTICIZERS LIMITED

Report on the Audit of Consolidated Financial Statements

Opinion

1. We have audited the accompanying consolidated financial statements of **Amines & Plasticizers Limited** (herein after referred to as "the Holding Company"), its subsidiary (the Holding Company and its subsidiary together referred to as "the Group") which comprise the Consolidated Balance Sheet as at March 31, 2023, the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Statement of Changes in Equity and Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'Consolidated Financial Statements').
2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the consolidated state of affairs (consolidated financial position) of the Group as at 31 March 2023, their consolidated profit (consolidated financial performance including other comprehensive income), their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters.
5. There were no key audit matters determined to be communicated in our report on consolidated financial statements.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

6. The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's annual report, but does not include the Standalone and Consolidated Financial Statements and our auditor's report thereon.
7. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
8. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the

consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Consolidated Financial Statements

9. The Holding Company's Board of Directors are responsible for the matters stated in Section 134 (5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rule 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.
10. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group management is responsible for assessing the ability of the group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the group or to cease operations, or has no realistic alternative but to do so.
11. The respective Board of Directors of the companies included in the group are also responsible for overseeing the group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

12. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
13. As part of an audit in accordance with SAs, we have exercised professional judgment and maintain professional skepticism throughout the audit. We also
 - ◆ Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and have obtained audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - ◆ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - ◆ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - ◆ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based

on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group to cease to continue as a going concern.

- ◆ Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - ◆ Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors, to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
14. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

17. We did not audit the financial statements of one subsidiary Amines & Plasticizers FZ LLC (Wholly Owned Subsidiary Company), whose financial statements reflect total assets of ₹ 4588.25 lakhs and net assets of ₹ 177.26 lakhs as at 31st March, 2023 and total revenues (before eliminating intercompany transactions) of ₹ 8654.19 lakhs for the year ended 31st March, 2023. The consolidated financial results also include the Group's share of net profit (including other comprehensive income) of ₹ 201.91 lakhs (before eliminating intercompany transactions) for the year ended 31st March 2023, as considered in the consolidated financial results, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial results, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the reports of the other auditor.
18. Further, subsidiary is located outside India whose financial statements and other financial information has been prepared in accordance with accounting principles generally accepted in United Arab Emirates and which have been audited by another auditor under generally accepted auditing standards applicable in United Arab Emirates. The Holding Company's management has converted the financial statements of such subsidiary located outside

India from accounting principles generally accepted in United Arab Emirates to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management. Our opinion, in so far as it relates to the financial information of such subsidiary located outside India, is based on the report of other auditor and the conversion adjustments prepared by the management of the Holding Company and audited by us.

19. Our opinion on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matter with respect to our reliance on the work done by and the reports of the other auditors and financial information certified by the management.

Report on Other Legal and Regulatory Requirements

INDEPENDENT AUDITORS' REPORT

Annexure A to Independent Auditors' Report

Referred to in paragraph 20(vi) of the Independent Auditors' Report of even date to the members of **Amines & Plasticizers Limited** for the year ended March 31, 2023.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. Report on internal financial controls over financial reporting

We have audited the internal financial controls over financial reporting of **Amines & Plasticizers Limited** ("the Holding Company") as of March 31, 2023 in conjunction with our audit of the consolidated financial statements of the group for the year ended on that date.

2. Management's Responsibility for Internal Financial Controls

The Board of Directors of the Holding Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

3. Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company.

4. Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with the generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of

the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the consolidated financial statements.

5. Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

6. Opinion

In our opinion, the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note: 2 SIGNIFICANT ACCOUNTING POLICIES

a. Basis of Preparation of Consolidated Financial Statements

Compliance with Ind As

Consolidated financial statements of the Group have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act 2013 (the Act), read with Companies (Indian Accounting Standards) Rules 2015, the provisions of Companies Act 2013, and guidelines issued by the Securities and Exchange Board of India (SEBI).

Functional and presentation currency

These financial statements are presented in Indian Rupees (INR). All financial information presented in Indian rupees have been rounded-off to two decimal places to the nearest lakhs as per the requirement of Schedule III, except share data or as otherwise stated.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Historical Cost Convention

The consolidated financial statements of the Group are prepared under the historical cost convention on accrual basis except for the followings assets and liabilities which have been measured at their fair value:-

- Certain financial assets and liabilities that are measured at fair value (refer-Accounting policy regarding financials instruments)
- Defined benefit plans – present value of defined benefit obligation unless otherwise indicated.

b. Use of estimates and judgements

The preparation of consolidated financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities and the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Although these estimates are based on the management’s best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities prospectively. Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:

- i. Measurement of defined benefit obligations - Note No.36
- ii. Measurement and likelihood of occurrence of provisions and contingencies - Note No.16,21A & 30
- iii. Recognition of deferred tax assets / liabilities – Note No.17B

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023

c. Principles of Consolidation

- i. The financial statements of the Holding Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.
- ii. Profits or losses resulting from intra-group transactions that are recognized in assets, such as Inventory and Property, Plant and Equipment, are eliminated in full.
- iii. Goodwill / Capital Reserve, if any, represents the difference between the Holding Company's share in the net worth of subsidiaries and the cost of acquisition at each point of time of making the investment in the subsidiaries.
- iv. The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances.
- v. The carrying amount of the parent's investment in subsidiaries are offset (eliminated) against the parent's portion of equity in subsidiaries.
- vi. Non-Controlling Interest's share of profit / loss of consolidated subsidiaries for the year is identified and adjusted against the income of the Group in order to arrive at the net income attributable to shareholders of the Holding Company.
- vii. Non-Controlling Interest's share of net assets of consolidated subsidiaries are identified and presented in the Consolidated Balance Sheet.

d. Property, Plant & Equipment & Intangible Assets :

i. Property, Plant & Equipment

An item of Property, plant and equipment is recognized as an asset if it is probable that future economic benefits associated with the item will flow to the Group and its cost can be measured reliably. property, plant and equipment are initially recognized at cost after deducting refundable purchase taxes and including the cost directly attributable to bring the asset to the location and conditions necessary for it to be capable of operating in the manner intended by the management, borrowing cost in accordance with the established accounting policy, cost of restoring and dismantling, if any, initially estimated by the management. Freehold Land is carried at historical cost. All Other items of Property, Plant & Equipment are stated at historical cost less depreciation. Historical Cost includes expenditure that is directly attributable to the acquisition of the items. After the initial recognition the property, plant and equipment are carried at cost less accumulated depreciation and impairment losses.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when and the cost of the item.

All other repairs and maintenance costs, including regular servicing are recognized in the Statement of Profit and Loss as incurred.

In case of self-constructed assets, cost includes the costs of all materials used in construction, direct labour, allocation of overheads, directly attributable borrowing costs. Cost of Self-constructed assets is determined using the same principles as for acquired assets after eliminating the component of internal profits.

Any gain or loss arising on retirement or disposal of property, plant and equipment is recognized in the Statement of Profit and Loss.

Capital work-in-progress assets in the course of construction for production or/and supply of goods or services or administrative purposes, or for purposes not yet determined, are carried at cost, less any recognised impairment loss. At the point when an asset is operating at management's intended use, the

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023

cost of construction is transferred to the appropriate category of property, plant and equipment. Costs associated with the commissioning of an asset are capitalised where the asset is available for use but incapable of operating at normal levels until a period of commissioning has been completed.

ii. Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization / depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognized.

iii. Depreciation/ Amortization

Depreciation on all property, plant and equipment are provided for, from the date of put to use for commercial production on a pro-rata basis on the straight-line method based on at the useful life prescribed under Schedule II to the Companies Act, 2013. Freehold land is not depreciated.

Depreciation commences when the assets are ready for their intended use. Depreciated assets in property and accumulated depreciation accounts are retained fully until they are removed from service.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

Intangible assets with a finite useful life are amortized in a straight-line basis over their estimated useful life

e. Disposal of Assets

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

f. Leases

The Group, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset if it involves the use of an identified asset and the Group has substantially all of the economic benefit from the use of asset and has right to direct the use of the identified asset.

The cost of right-of-use asset shall comprise of amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred.

Right-of-use assets is subsequently measured at cost, less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of lease liabilities.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023

Right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of the Right-of-use asset.

The Group measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Group uses incremental borrowing rate.

For short term and low value leases, the Group recognises the lease payments as an operating expense on a straight-line basis over the lease term.

The Company's lease arrangements do not contain an obligation to dismantle and remove the underlying asset, restore the site on which it is located or restore the underlying asset to a specified condition.

g. Impairment

The Group assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

h. Research and development expenditure

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are charged to the Statement of Profit and Loss unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalised.

i. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily takes substantial period of time to get ready for their intended use or sale, are capitalised as part of the cost of such assets, until such time as the assets are substantially ready for the intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is recognized in the Statement of Profit and Loss.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred

j. Inventories

Inventories are stated at the lower of cost and net realizable value. The cost of finished goods and work in progress includes raw materials, direct labour, other direct costs and related production overheads.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023

Raw Materials and other materials including packaging, stores and fuels are valued at lower of cost, based on first-in-first-out method arrived at after including freight inward and other expenditure directly attributable to acquisition or net realizable value. Cost of Stores, Spares and fuels are computed on Moving Weighted Average.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

k. Financial Instruments

l. Financial assets

a. Initial Recognition and Measurement

The Group recognizes financial assets and financial liabilities when the Group becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are recognised at fair value initial recognition except for Trade receivables / payables and where cost of generation or fair value exceeds benefits, which are initially measured at the transaction price. Transaction costs directly related to the acquisition or issue of the financial assets and financial liabilities (other than financial assets and financial liabilities through profit and loss account) are added to or deducted from the cost of financial assets and financial liabilities. Transaction costs directly attributable to the acquisition or issue of the financial assets and financial liabilities at fair value through profit and loss account are recognized immediately in the statement of profit and loss.

b. Classification and Subsequent Measurement

i. Amortised cost:

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii. Fair value through other comprehensive income (FVOCI):

A financial asset is measured at FVOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii. Fair value through profit and loss (FVTPL) :

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Group changes its business model for managing financial assets.

iv. Investments in Subsidiaries

Investments in subsidiaries are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries, the difference between net disposal proceeds and the carrying amounts are recognized in the Statement of Profit and Loss.

v. Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Group after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023

All equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Group has elected to present the value changes in 'Other Comprehensive Income'.

vi. Cash and Bank Balances

Cash and cash equivalents – which includes cash in hand, deposits at call with banks and other short-term deposits which are readily convertible into cash and which are subject to an insignificant risk of changes in value and have maturities of less than one year from the date of such deposits.

Other Bank Balances – which includes balances and deposits with banks that are restricted for withdrawal and usage.

vii. Trade Receivables and Loans

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business and reflects company's unconditional right to consideration (that is, payment is due only on the passage of time). Trade receivables of the Company, are recognised initially at the transaction price as they do not contain significant financing components. The company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance.

viii. Debt Instruments

Debt instruments are initially measured at amortised cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

C. Impairment of Financial Asset

In accordance with Ind AS 109, the Group uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

For financial assets other than trade receivables, as per Ind AS 109, the Group recognizes 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Group's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall.

The impairment losses and reversals are recognised in Statement of Profit and Loss.

II. Financial Liabilities

a. Initial Recognition and Measurement

Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Trade and other payable are initially recognized at the fair value of the consideration received less directly attributable transaction cost.

Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest method.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023

b. Classification and Subsequent Measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

III. Derecognition of Financial Instruments

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Group's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

i. Provision, Contingent Liabilities & Contingent Assets

Provisions are recognized when the Group has a present obligation (legal or constructive), as a result of past events, for which it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation.

If the effect of the time value of money is material, provisions are measured on a discounted basis to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A contingent liability is a possible obligation that arise from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognised because it is probable that an outflow of resources will not be required to settle the obligation. However, if the possibility of outflow of resources, arising out of present obligation, is remote, it is not even disclosed as contingent liability. The Group does not recognize a contingent liability but discloses its existence in the financial assets.

Contingent assets are neither recognized nor disclosed in the financial statements.

m. Revenue Recognition

The Group manufactures and sells a range of chemicals and other products.

Revenue from sale of goods is recognized when significant risks and rewards of ownership are transferred to the buyer, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably, which coincides with the date of dispatch/bill of lading. The Group retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods.

Revenue is measured at fair value of the consideration received or receivable includes freight, wherever applicable and is net of trade discounts, volume rebates and GST.

Export incentives under various schemes are accounted in the year of export.

Revenue from technical services recognized on the basis of milestones for rendering services as per the agreement.

Interest income is recognized on time apportionment basis. Effective interest rate (EIR) method is used to compute the interest income on long term loans and advances. Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably.

Dividend income on investments is recognised when the right to receive dividend is established.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023

n. Employee Benefits

i. Defined Contribution Plans

Contributions to defined contribution schemes such as employees' state insurance, labour welfare fund, superannuation scheme, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Eligible employees receive benefits from a provident fund, which is a defined contribution plan to the Trust/Government administered Trust. Both the employee and the Group make contribution to the Amines Plasticizers Limited Employees' provident Fund Trust / Government administered Trust equal to the specified percentage of the covered employee's salary. Group also contributes to a Government administered pension fund on behalf of its employees.

ii. Defined Contribution Plans

The Group also provides for retirement benefits in the form of gratuity and compensated absences to the employees.

For defined benefit plans, the amount recognised as 'Employee benefit expenses' in the Statement of Profit and Loss is the cost of accruing employee benefits promised to employees over the year and the costs of individual events such as past / future service benefit changes and settlements (such events are recognised immediately in the Statement of Profit and Loss). Any changes in the liabilities over the year due to changes in actuarial assumptions or experience adjustments within the plans, are recognised immediately in 'Other comprehensive income' and subsequently not reclassified to the Statement of Profit and Loss.

The defined benefit plan surplus or deficit on the Balance Sheet comprises the total for each plan of the fair value of plan assets less the present value of the defined benefit liabilities (using a discount rate by reference to market yields on government bonds at the end of the reporting period)

All defined benefit plans obligations are determined based on valuations, as at the Balance Sheet date, made by independent actuary using the projected unit credit method. The classification of the Group's net obligation into current and non-current is as per the actuarial valuation report.

Liability for balance leave encashment / entitlement is provided on the basis of actuarial valuation at the year end.

o. Taxation

Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to a business combination or to an item which is recognized directly in equity or in other comprehensive income.

Current Tax

Current tax is tax expected tax payable on the taxable income for the year, using the tax rate enacted at the reporting date, and any adjustment to the tax payable in respect of the earlier periods. Taxable profit differs from the net profit as reported in the statement of profit and loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023

A deferred tax liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

MAT credit entitlement is recognized and carried forward only if there is a reasonable certainty of it being set off against regular tax payable within the stipulated statutory period

p. Earnings Per Share

Basic earnings per share is computed by dividing the consolidated net profit or loss for the year attributable to equity shareholders by the weighted-average number of equity shares outstanding during the year. The weighted-average number of equity shares outstanding during the year and for all years presented is adjusted for events such as bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the profit or loss for the year attributable to equity shareholders and the weighted-average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

q. Foreign Currency Transactions and Translation

In preparing the financial statements of each individual group entity, transactions in currencies other than the entity's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated at the rates prevailing at that date. Realized gains and losses on settlement of foreign currency transactions are recognized in the Statement of Profit and Loss.

For the purpose of presenting these consolidated financial statements, the assets and liabilities of the Group's foreign operations are translated into Indian Rupees using exchange rates prevailing at the end of each reporting period. Income and expense items are translated at the average exchange rates for the period. Exchange differences arising, if any, are recognized in other comprehensive income and accumulated in equity (and attributed to non-controlling interests as appropriate).

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or Statement of Profit and Loss are also recognised in OCI or Statement of Profit and Loss, respectively).

r. Recent pronouncements

The Ministry of Corporate Affairs (MCA) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, the MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

Ind AS 1, Presentation of Financial Statements- This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and the impact of the amendment is insignificant in the Group's financial statements.

Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors - This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no significant impact on its consolidated financial statements.

Ind AS 12, Income Taxes - This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no significant impact on its consolidated financial statements.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2023

The defined benefit plans expose to the Company to a number of actuarial risk

- a) **Investment Risk:** The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to government/high quality bond yields; if the return on plan asset is below this rate, it will create a plan deficit.
- b) **Interest Risk:** A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.
- c) **Salary Risk:** The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.
- d) **Longevity Risk:** The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Sensitivity analysis of 1% change in assumption used

Significant Actuarial Assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and employee turnover. 41 Financial Instruments and Risk Review

Financial Risks Management Framework

The Group's business activities are exposed to a variety of financial risks, namely Liquidity Risk, Currency Exchange Risk, Interest Rate Risk, Credit Risk and Commodity Price Risk. The Group's management and the Board of Directors has the overall responsibility for establishing and governing the Group's risk management framework. The risk management framework works at various levels in the enterprise. The organization structure of the Group helps in identifying, preventing and mitigating risks by the concerned operational Heads under the supervision of the Chairman & Managing Director. The risk management framework is reviewed periodically by the Board and the Audit Committee keeping a check on overall effectiveness of the risk management of the Company.

Credit Risk

Credit Risk is the risk of financial loss to the Group if a customer or counter-party fails to meet its contractual obligations. Financial instruments that are subject to credit risk principally consist of trade receivables, investments, loans, cash and cash equivalents, other balances with banks and other financial assets. None of the financial instruments of the Group result in material credit risk.

Credit risk with respect to trade receivables are limited, due to the Group has a policy of dealing only with credit worthy counter parties, where appropriate as a means of mitigating the risk of financial loss from defaults. All trade receivables are reviewed and assessed for default on a quarterly basis. Our historical experience of collecting receivables is that credit risk is low. Hence, trade receivables are considered to be a single class of financial assets.

The Group measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. based on the historical data, loss on collection of receivables is not material hence no additional provision considered.

Fair value measurement hierarchy

The fair value of financial instruments as below have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The categories used are as follows

Level 1 : Quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2 : Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 : Inputs which are not based on observable market data
