# PM: 'Outdated' Cong can't question 'Modi guarantees'

ARCHIS MOHAN  
New Delhi, 7 February

PM Narendra Modi in Rajya Sabha during the Budget session on Wednesday PHOTO: PTI

Prime Minister (PM) Narendra Modi on Wednesday accused the Congress, whose Karnataka Chief Minister (CM) Siddaramaiah and ministers protested the Centre's "injustice" in the devolution of funds to the state, of shaping narratives that could threaten the unity of the country, such as the North versus South debate that the party had triggered.

In his 90-minute speech in the Rajya Sabha, his reply to the debate on the Motion of Thanks to the President's address, the PM detailed his government's vision for the next five years since a "Modi 3.0" was now "imminent". He said it was "Modi's guarantees" that all the welfare schemes, such as Ujjwala, health insurance, free food to 800 million people, and those for farmers, will continue.

In his third term, Modi said his government will strive to provide a "Modi kavach", or shield, to empower the people of India, especially the neo-middle class, the 250 million people lifted out of poverty in the past decade.

Of late, the PM had spoken of his government working for "four castes" or "four pillars", namely the poor, the youth, women, and farmers. But in Wednesday's speech, Modi specified that the "labharthi", or beneficiaries, of these schemes, were primarily the Scheduled Castes (SCs), Scheduled Tribes (STs), and Other Backward Classes (OBCs).

The PM accused the Congress of hav-

ing worked against the interests of SCs, STs, and OBCs, alluding to Jawaharlal Nehru opposing caste-based reservations, the Congress not conferring the Bharat Ratna on B R Ambedkar, and the Congress opting to support the candidature of Yashwant Sinha, a former Bharatiya Janata Party worker, over Droupadi Murmu, a tribal woman, for the 2022 presidential elections.

The PM singled out the Congress, terming it as an "outdated" and "out of warranty" party that had now "outsourced" its work. He said the Congress, once a strong party, had plummeted to embarrassing depths, with its allies predicting it would struggle to win 40 seats in the Lok Sabha polls. He said the Congress could no longer "guarantee" leadership nor continuity of "policy" but dared to question "Modi's guarantees".

To those questioning the need to con-

tinue providing free foodgrain to 800 million people when 250 million have been lifted out of poverty, the PM said this "neo-middle class" needed hand-holding. "Just as a physician would advise a convalescent patient to guard against a relapse of their condition, we know the neo-middle class needs our support lest it lapse into poverty. We have and will continue to provide free foodgrain to them," he said.

On the protest by the Karnataka CM, Modi said he has been a CM and understands regional aspirations. He said his government believes in competitive cooperative federalism. He highlighted the Centre-state's cooperation during the pandemic, hosting of the Group of Twenty meetings across the country and foreign heads of state visiting cities other than New Delhi.

The PM said it had pained him that a state government's leadership is on the roads and that too of a national party, with a dangerous slogan of "hamara tax, hamara money" (our tax, our money).

The PM said the third term of his government, which some have termed "Modi 3.0", will be devoted to strengthening the foundation of building a Viksit Bharat. The PM said the third term will witness an increase in the number of doctors and medical colleges, providing affordable health, homes for the poor, a "zero" electricity bill by using solar power, a countrywide piped gas network, and setting up of hundreds of thousands of startups in Tier-II and Tier-III towns and cities.

# Siddaramaiah protests Centre's 'injustice'; 'false narrative': FM

ARCHIS MOHAN  
New Delhi, 7 February

Karnataka Chief Minister (CM) Siddaramaiah on Wednesday led his Council of Ministers and Congress legislators to protest the Centre's "injustice" to the state in the devolution of taxes at the national capital's Jantar Mantar. Finance Minister Nirmala Sitharaman, her colleagues in the Union Cabinet, and Bharatiya Janata Party (BJP) Members of Parliament from the southern state rejected the CM's charge.

However, the issue of states' share in central funds could snowball into a significant plank for the INDIA bloc of Opposition parties and other regional entities in the forthcoming elections and has the resonance of 1983-85 when the Congress dominated the country's politics, with CMs of Opposition-ruled southern states of Karnataka, Andhra Pradesh, and Tamil Nadu, as well as that of West Bengal, coming together to flag issues of Centre-state relations, federalism, and states' share of funds. Earlier this week, on the floor of the Andhra Pradesh legislative Assembly, Andhra Pradesh CM Y S Jaganmohan Reddy complained about the Union government allocating a lesser share of funds to the state.

On Thursday, Communist Party of India (Marxist) leader and Kerala CM Pinarayi Vijayan, along with his Cabinet colleagues, will protest at Jantar Mantar against the Centre's alleged negligence towards the southern state.

Tamil Nadu's ruling party, the Dravida Munnetra Kazhagam and Tamil Nadu CM M K Stalin have expressed solidarity with Vijayan.

On Wednesday, at Jantar Mantar, Karnataka Deputy CM D K Shivakumar, several Members of Parliament, ministers, and Members of Legislative Assembly from the state participated in the protest. They alleged that "injustice" has been meted out to Karnataka in tax devolution and grants-in-aid over the past few years. They demanded that the Centre compensate losses of ₹1.87 trillion allegedly incurred by Karnataka under the 15th Finance Commission.

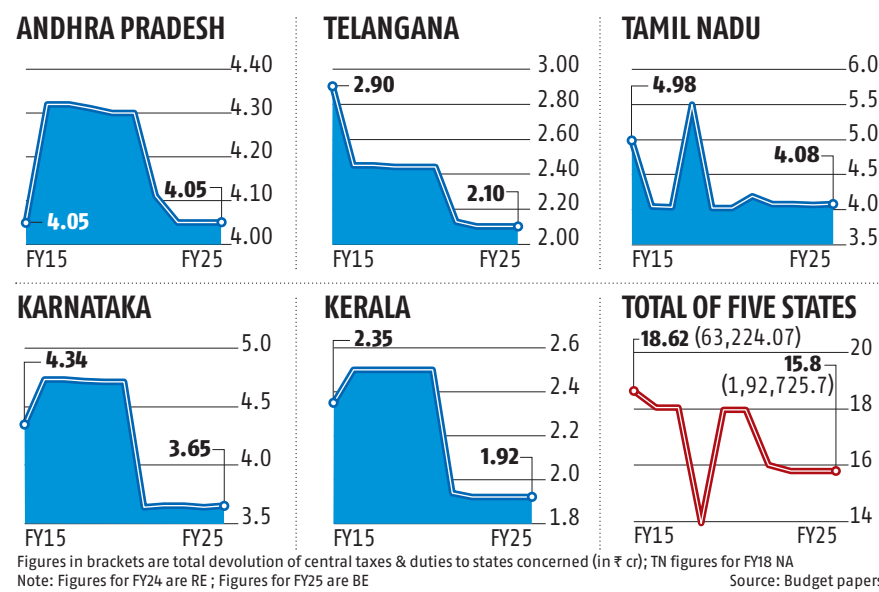

"We are raising the issue of discrimination meted out by the Government of India to the state of Karnataka and other southern states," Siddaramaiah said while addressing the protesters.

Sitharaman accused the Congress Karnataka government of a "separatist" mentality and spreading a "false narrative" about the Centre's alleged discrimination against the state in fund allocation. In her detailed rebuttal to the claims made by the Karnataka

Devolution of central taxes & duties to five southern states (in %)

INDIVJAL DHASMANA  
New Delhi, 7 February

The issue of North-South divide has surfaced again and this time over unfair devolution of tax money to the southern states, prompting Karnataka Congress leaders, including Chief Minister Siddaramaiah, to stage a protest in New Delhi on Wednesday.

While these states claim they were deprived of their legitimate share from central taxes, the tax share is decided based on recommendations from the Finance Commission concerned. The 13th Finance Commission gave recommendations for 2010-11 to 2014-15, the next for 2015-16 to 2019-20. The 15th Finance Commission gave recommendations for 2020-21 in its first report and then for 2021-25-26.

If one looks at the devolution of central taxes to the five southern states - Andhra Pradesh, Karnataka, Tamil Nadu, Kerala and Karnataka - their share did come down to 15.8 per cent during 2021-22-2024-25 each from around 18.62 per cent in 2014-15 which was the concluding year of the implementation of the 14th Finance Commission report and 18.04 per cent in 2015-16 which was the first year of the implementation of the 15th Finance Commission's recommendations.

Fiscally stronger southern states nursed grievances when the terms of reference for the 15th Finance Commission asked it to base the population parameter on the 2011 census against the 1971 used by previous

commissions. They alleged that this would go against them since they controlled their population better than many other states.

To address these woes, the 15th Finance Commission also gave weight to demographic performance, which in layman's language means population control.

Rajeev Gowda, the vice-chairman of the State Institute for Transformation of Karnataka, said he is not sure how much demographic management would have neutralised the population parameter, asserting that if one brings in the population parameter, the share of southern states is bound to shrink.

The 15th Finance Commission gave 15 per cent weight to the population parameter and 12.5 per cent to demographic performance while recommending the share of each state in central taxes. Share of Andhra Pradesh, Tamil Nadu and Kerala in total devolution of central taxes remained more or less the same in the 15th Finance Commission recommendations as compared to previous ones. However, the share of Karnataka came down to 3.64 per cent from 4.71 per cent and Kerala to 1.92 per cent from 2.5 per cent over these periods.

There was also a recommendation of a revenue deficit grant for the states by the commission. This comes to ₹30,497 crore in the case of Andhra Pradesh for 2021-22 to 2023-24, and ₹1,631 crore for Karnataka for 2021-22. For Kerala, it was ₹37,814 crore for 2021-22 to 2023-24 and ₹22,04 crore for Tamil Nadu for 2021-22.

such language.

Addressing a press meet in the national capital, Vijayan said the Centre favoured National Democratic Alliance-ruled state governments. He said the situation should not be seen as a divide between the North and the South but as states getting their due.

In West Bengal, CM Mamata Banerjee complained that the Centre was yet to

release ₹1.16 trillion due to the state government for paying the wages of Mahatma Gandhi National Rural Employment Guarantee Act workers. Mamata, who recently staged a 48-hour dharna demanding the release of dues to the state, announced that her government would transfer the funds to the bank accounts of 2.1 million workers in the state by February 21.
