K G DENIM LIMITED

STATEMENT IN TERMS OF SECTION 102 OF THE COMPANIES ACT, 2013:

ITEM No.4

In compliance with the provisions of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, Mohan & Venkataraman (Firm Registration. No. 007321S) Chartered Accountants, Coimbatore has been appointed as the Statutory Auditors of the Company for a term of five years commencing from the financial year 2017-18 to 2021-22 and to hold office from the conclusion of the Annual General Meeting held on 2017 and until the conclusion of the Annual General Meeting to be held in the year 2022. Therefore, it is proposed to appoint Gopalaiyer and Subramanian, (Firm Registration No. 000960S), Chartered Accountants, Coimbatore as Statutory Auditors for a term of 5 years from the financial year 2022-23 onwards in the place of the retiring auditors.

The Company has also received a certificate from the said Auditors to the effect that their appointment, if made, would be within the limits prescribed under Section 139 of the Companies Act, 2013 and that they are eligible to be appointed as the Statutory Auditors of the Company.

Accordingly, based on the recommendation of the Audit Committee, the Board of Directors of the Company has recommended the appointment of Gopalaiyer and Subramanian, (Firm Registration No. 000960S), Chartered Accountants, Coimbatore as Statutory Auditors of the Company for a period of 5 consecutive years from the conclusion of the ensuing Annual General Meeting till the conclusion of Annual General Meeting which ought to be held in the year 2027.

The Board of Directors proposes to pay a fee of Rs.6 lakhs (Rupees Six Lakhs only) per annum, exclusive of taxes and other out of pocket expenses incurred in connection with the audit, to the Statutory Auditors during the tenure of their appointment. There is no material change in the proposed fee payable to the new auditors as compared to the fee paid to the outgoing auditors. The terms of appointment of the Statutory Auditors will be as specified by the Audit Committee and the Board of Directors of the Company. Gopalaiyer and Subramanian has also confirmed that they hold a valid certificate issued by the peer review board of ICAI.

The Audit Committee and the Board of Directors of the Company have considered the following credentials of Gopalaiyer and Subramanian, (Firm Registration No. 000960S), Chartered Accountants while considering their appointment:

- Client base of the firm and availability of trained and industry experienced professionals in the firm.
- Availability of expertise in Accounting procedures/ processes, Audit, Direct/Indirect Taxation and Corporate Laws.
- Professional integrity, ethics and independence.

By considering the above facts, the Board recommends the Ordinary Resolution as set out under Item No. 4 of the Notice for the approval of the Shareholders.

None of the Directors and/or Key Managerial Personnel of the Company and/or their respective relatives are concerned or interested, financially or otherwise, in the Ordinary Resolution set out as Item No. 4 of the Notice.

ITEM No.5

The Board of Directors of the Company based on the recommendations of the Audit Committee of the Company, appointed Shri M Nagarajan (ICAI Membership No: 102133), Cost Accountant, Coimbatore, to conduct the audit of the cost records of the Company for the financial year 2022-23 and also approved the remuneration of Rs.75,000 (Rupees Seventy Five Thousand only) along with the payment of applicable taxes and reimbursement of travelling and out-of-pocket expenses incurred by them during the course of the audit.

In accordance with the provisions of Section 148 of the Companies Act, 2013 read with Companies (Audit and Auditors) Rules, 2014, appointment and also the remuneration payable to the Cost Auditors of the Company shall be recommended by the Audit Committee and approved by the Board of Directors and has to be ratified subsequently by the Members at the Annual General Meeting of the Company. Accordingly, the consent of the members is being sought for the ratification of the said remuneration payable to the Cost Auditors of the Company for the financial year 2022-23.

The Board recommends the resolution as set out under Item No.5 of the Notice for the approval of the members of the Company.

None of the Directors, Key Managerial Personnel and their relatives are concerned or interested, financially or otherwise, in the resolution as set out under Item No. 5.

ITEM No.6

The existing regulations of the Articles of Association require alterations/ deletions and therefore it is considered expedient to adopt a new set of Articles of Association in place of the existing Articles of Association, instead of amending it by alteration.

Pursuant to Section 14 of the Companies Act, 2013, any alteration(s) to the Articles of Association of the Company requires the consent of the members by way of necessary Special Resolution and such alteration(s) shall be subject to the approval of the Registrar of Companies, Coimbatore.

The Board of Directors of the Company at their meeting held on 13.08.2022 has approved the proposal of replacing the existing Regulations of the Articles of Association with a new set of Regulations.

The Board recommends the Special Resolution as set out in Item No. 6 of the Notice for approval of the Members.

K G DENIM LIMITED

K G DENIM LIMITED

13. Soft copies of the Register of Directors and Key Managerial Personal and their shareholding, maintained under Section 170 of the Companies Act, 2013 and the Register of Contracts or Arrangements in which Directors are interested, maintained under Section 189 of the Companies Act, 2013 will be made available electronically for inspection by the Members on the website of the Company at www.kgdenim.com during the time of the AGM.
14. Non-Resident Indian ("NRI") Members are requested to inform the Company or RTA or to the concerned Depository Participants, as the case may be, immediately:
 - a) the change in the residential status on return to India for permanent settlement or
 - b) the particulars of the NRE/NRO Account with a Bank in India, if not furnished earlier.
15. Those members who have not encashed dividend warrants of earlier years may return the time barred dividend warrants to the Company or its Registrar and Share Transfer Agents for revalidation of such instruments.
16. Members who wish to claim dividends, which remain unclaimed are requested to correspond with the Registrar and Share Transfer Agents of the Company. Members are requested to note that pursuant to Section 124 of the Companies Act, 2013 dividends not claimed within seven years from the date of transfer to the Company's Unpaid Dividend Account, will be transferred to the Investor Education and Protection Fund ("IEPF"). The details of unpaid dividends can be viewed on the Company's weblink <https://www.kgdenim.com/investors-page/unclaimed-dividend/>

As per the provisions of Rule 6 of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, the Company will be transferring unclaimed shares on which the beneficial owner has not encashed any dividend warrant continuously for seven years to the IEPF Account as identified by the IEPF Authority. Details of shares transferred during the year 2021-22 are available at the Company's weblink <https://www.kgdenim.com/investor-education-and-protection-fund-iepf/>

The shareholders, whose unclaimed shares or the unpaid amount has been transferred to the IEPF Authority Account, may claim the same from the IEPF Authority by filing Form IEPF-5 along with requisite documents. Smt P Krishnaveni, Company Secretary, is the Nodal Officer of the Company for the purpose of verification of such claims.

17. Shareholders holding shares in Demat form and who have not yet registered their e-mail address are requested to register their email address with their respective Depository Participant (DP) immediately. Shareholders holding shares in physical form are requested to dematerialize their shares and register their email address with our Registrar and Share Transfer Agents, Cameo Corporate Services Limited, 'Subramanian Building' No.1, Club House Road, Chennai – 600002; email id: investor@cameoindia.com.
18. The Securities and Exchange Board of India ("SEBI") has mandated that the transfer of securities held in physical form, shall not be processed by the listed entities / Registrars and Share Transfer Agents with effect from April 1, 2019. Further, the Securities and Exchange Board of India ("SEBI") vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated 25th January, 2022 has mandated that the Company or its Registrar and Share Transfer Agents shall issue the securities in dematerialized form only while dealing with the requests for issue of duplicate share certificate, transmission or transposition, with effect from 25th January, 2022. As per the said circular, the Company has opened a separate Escrow Demat Account for the purpose of crediting the shares of the Shareholders who fail to submit the letter of confirmation with the respective Depository Participant within the prescribed timeline. The shareholders/claimants shall submit duly filled up Form ISR-4 (hosted on the website of the Company and the RTA) along with the documents / details specified therein in order to process such requests. Therefore, the members, who are holding share(s) in physical form, are requested to immediately dematerialize their shareholding in the company. Necessary prior intimation in this regard has already been provided to the shareholders.
19. The Securities and Exchange Board of India (SEBI) has mandated the submission of a Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participant(s) in the prescribed form with whom they are maintaining their demat account(s). Members holding shares in physical form can submit their PAN details to the Company or Registrar and Share Transfer Agents.

Further, SEBI vide its circular dated 3rd November 2021 has also mandated that the Shareholders holding shares in physical form are required to update their PAN, KYC details, bank details and nomination details with the RTA on or before 1st April 2023, failing which the securities held by such Shareholder will be frozen by the RTA. The securities once frozen will revert to normal status only upon receipt of requisite KYC documents or upon dematerialization of the said securities. Shareholders holding shares in physical form may also note that once the securities are frozen, the dividend payments will be processed only upon receipt of requisite KYC details and credited to the bank account of the Shareholder electronically.

Further, SEBI vide its circular dated 3rd November 2021 has also mandated that the Shareholders holding shares in physical form are required to compulsorily link their PAN and Aadhaar. Accordingly, the physical folios in which PAN and Aadhaar are not linked have been frozen by the RTA as per the said circular. The securities which have been once frozen will revert to normal status only upon receipt of requisite KYC documents or upon dematerialization of the said securities.
20. In the case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
21. Members desirous of receiving any information on the accounts or operations of the Company are requested to forward his/her queries to the Company Secretary at least seven working days prior to the date of the 30th Annual General Meeting, The same will be replied by the company suitably.

K G DENIM LIMITED

22. The Company has entered into agreements with National Securities Depository Limited (“NSDL”) and Central Depository Services (India) Limited (“CDSL”). The Depository System envisages the elimination of several problems involved in the scrip-based system such as bad deliveries, fraudulent transfers, fake certificates, thefts in postal transit, delays in transfers, mutilation of share certificates, etc. Simultaneously, Depository System offers several advantages like exemption from stamp duty, elimination of the concept of market lot, elimination of bad deliveries, reduction in transaction costs, improved liquidity, etc. Members, therefore, now have the option of holdings and dealing in the shares of the Company in electronic form through NSDL or CDSL. Members are encouraged to convert their holding to electronic mode.
23. Members are requested to forward their share related queries and communications directly to the Registrar and Share Transfer Agents of the Company – Cameo Corporate Services Limited, ‘Subramanian Building’ No.1, Club House Road, Chennai - 600002, India, email id: investor@cameoindia.com or the Company Secretary of the Company; email id: cskgdl@kgdenim.in.
24. As per the green initiative taken by the Ministry of Corporate Affairs, members are advised to register their email address with the Company in respect of shares held in physical form and with the concerned depository participant in respect of shares held in demat form to enable the Company to serve documents in electronic form.
25. Members are requested to make all correspondence in connection with shares held by them by addressing letters directly to the Company Secretary of the Company or its Registrar and Share Transfer Agents, Cameo Corporate Services Limited, ‘Subramanian Building’ No.1, Club House Road, Chennai – 600002; email id: investor@cameoindia.com., by quoting the Folio number or the Client ID number with DP ID number.

CDSL e-Voting System – For e-voting and Joining Virtual meetings

Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting’s agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on a first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to a appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER :

- Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
- i) The voting period begins on Sunday, 25th September, 2022 at 9.00 AM (IST) and ends on Tuesday, 27th September, 2022 at 5.00 PM (IST). During this period, shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Wednesday, 21st September, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
 - ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
 - iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facilities to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in the e-voting process.

- Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access the e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

COVID-19 IMPACT

The Covid 19 Pandemic has impacted businesses across the globe including India and has emerged as a global challenge to mankind. During the second wave of the Covid-19 Pandemic, there were disruptions in the operations of the Company for a period of two months from April to May 2021, when the Government imposed total lockdown measures and various restrictions were also put in place to mitigate the Covid 19 impact.

The Company took various measures to mitigate the ill effects of the Pandemic and ensuring the well-being of its employees at all levels.

The Company will continue to take adequate steps to ensure the well-being of the employees and other stakeholders by maintaining protocols suggested by the Central and State Governments.

OPERATIONS

The Operating Revenue of the Company has increased by 42% from Rs.41,334.47 Lakhs in the previous year to Rs.58,618.68 Lakhs in the current year. After charging depreciation, interest and other overheads, the Company recorded a loss of Rs.781.85 Lakhs as compared to the loss of Rs.1042.65 Lakhs in the previous year, showing a decrease in loss of 25% over the last year. There has been no change in the nature of business of the Company.

The Company does not own the spinning facilities. As a result, the Company depends on third parties for yarn purchases. The rise in cotton/other yarn costs from last year had an impact on the Company's profit. The unusual increase in coal price also affected profitability. Prices for cotton and coal are still the same for the year 2022-23. A sudden increase in cotton and yarn prices affected the profitability in 2021-22. The prices of cotton/yarn continue to be challenging in the current year 2022-23 also.

K G DENIM LIMITED

Certificate on Corporate Governance for the year ended 31/03/2022

To

The Members of M/s. K G Denim Limited.

Dear Sir,

I have examined the compliance of the conditions of Corporate Governance by M/s. K G Denim Limited ("the Company") for the financial year ended March 31, 2022 as stipulated under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The compliance of conditions of Corporate Governance is the responsibility of the Management. My examination was limited to a review of the procedures and implementations thereof adopted by the Company for ensuring compliance with the conditions of Corporate Governance as stipulated under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanation given to me and based on the representations made by the Directors and Management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for the financial year ended March 31, 2022.

I further state that such compliance is neither an assurance as to the future viability of the company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Management Discussion and Analysis Report

Regulation 34 read with Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Industry structure and developments:

K G Denim Limited is a leading manufacturer of Denim fabrics. It has only weaving, processing and garmenting facilities, but has no spinning facilities. Hence it is subject to risks of fluctuation in prices of raw materials namely yarn.

Opportunities and Threats:

During the year under review, Denim / Textile industry was affected by the continuous increase in cotton and yarn costs. There was also an unabated increase in coal input costs. Home textiles / apparel industries were also affected by an increase in grey fabric costs. Overall, the textile industry particularly the weavers was affected. The sales price of finished product fabrics could not be increased to the same extent as an increase in raw material prices in the short run.

Now textile industries have been steadily recovering post pandemic period. There were no inventories left with anyone across the supply chain so demand for our product is piling up. Now the prices of our finished products are increased in proportionate to increase in raw material and logistic costs. Our increased finished products are very well absorbed in both domestic and export markets. After the pandemic, all industries in developed countries are doing good performance and contributing more to global growth.

Raw material prices are very volatile, especially cotton prices over the period of the last six months. It is now gradually stabilizing, and we hope that this trend will continue. Also, the steep increase in the cost of Logistics and the non-availability of containers during the pandemic period severely affected the industries. Now the cost of logistics is gradually decreased, and the availability of containers is increased.

Product-wise performance:

The Company is engaged in the business of manufacturing fabrics, apparel readymade garments home textiles products and running a power plant.

Our main division is the fabric division which contributes 60% of total revenue. After the pandemic, the demand for our fabric products increased and subsequently, our production and sales volumes also increased. An increase in sales prices is absorbed in both the export and domestic market. We achieved a better EBITDA compared to the earlier year's EBITDA.

However other divisions of home textiles, readymade garments and power units are unable to achieve expected profit due to abnormal increases in yarn, fabric price and coal price. We expect all divisions will do better performance during the financial year 2022-23.

Outlook

Though the year 2021-22 was a challenging year from a business perspective, the Company expects to be on a profitable growth momentum during the financial year 2022-23.

Prospects for our industry during the financial year 2022-23

Denim Fabric:

In the post pandemic outbreak, denim is the fastest recovering market segment in domestic and export.

There are multiple factors behind a surge in demand, the major being that there were no inventories left with anyone across the supply chain, so demand is piling up. After a lull, the economy is growing because money is back in the market, and revenge buying is also happening, resulting in booked capacities in mills. The versatility of denim is also a reason that's creating demand.

It is heartening to see demand for denim clothes coming in not just from Tier-1 and Tier-2 cities but also from less urbanized regions of India

There are jeans manufacturers in Bangladesh who were sourcing their fabrics from China. With China unable to meet its requirements, these manufacturers are looking toward India as the next preferred sourcing option.

Home textiles:

The Home textiles industry has been a key generator of revenue for Global retail and post pandemic, the demand for home textiles products has seen an increasing trend, our company Kg Denim has created a niche for our products in not just US but also rest of the world market, including Europe, Middle East and Africa, Malaysia, Australia and South America.

There are untapped markets including Russia and emerging markets like Saudi Arabia, which are promising, and we have identified potential agents for Europe and Saudi Arabia to explore opportunities in these markets. We are poised to grow as the high-quality supplier of Bed and Bath products across the globe.

The Trend in coal prices:

After the COVID and Global Logistics issues are streamlined lots of arrivals of coal from Imported origins have been witnessed. Though the price is stabilized we are yet to get the reduction so far. We are expecting a price reduction of 15 % from the existing price and stay there in that range for the whole year.

Risks and concerns:

The broader trends in the economy are expected to have a direct impact on your Company's growth prospects as well. Inflation is expected to remain elevated for the foreseeable future, driven by war-induced commodity price increases and broadening price pressures.

In these circumstances, the ability to successfully navigate cost pressures would have a significant bearing on the overall performance of the Company. Diminishing purchasing power and demand due to the economic circumstances could result in fundamental shifts in consumer behaviour and adversely impact the market for textiles and apparel. Migration to value-for-money options could also lead to reduced growth and profitability for the Company

The Company has a risk management framework that enables it to take certain risks to remain competitive, achieve higher growth, and at the same time mitigate other risks to maintain sustainable results.

Internal control systems and their adequacy:

The Company has a proper and adequate internal control system that is commensurate with its size and nature of business, to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition and those transactions are authorized, recorded, and reported correctly.

The internal control system of the Company is supplemented by an extensive program of internal audits conducted by Internal auditors. The audit observations and corrective actions taken thereon are periodically reviewed by the management to ensure the effectiveness of the internal control system, which provides reasonable assurance of effectiveness and efficiency of operations, adequacy of safeguards for assets, prevention and detection of frauds and errors and accuracy and completeness of the accounting records

Financial performance with respect to operational performance

The financial performance of the company during the financial year 2021-22 has been discussed in the Directors Report and the audited financial statements, which has been prepared in accordance with the requirement of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, discloses a true and fair view of the performance of the company during the said period.

Material development in Human Resources / Industrial Relations front, including number of people employed :

Number of people employed - 1255

Industrial relations in your plant and organization remained harmonious throughout the year. Your company emphasizes the safety of people working on its premises. Structured safety meetings were frequently held, and safety programs were organized from time to time.

The management continues to lay emphasis on identifying and developing talent in organizations with a view to retain them and impart further training to those capable of handling additional responsibilities. This works to increase employee satisfaction within the organization, by providing employees with fresh challenges and opportunities. Developing people and harnessing their ideas are high priorities for the company.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF K G DENIM LIMITED

REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Opinion

1. We have audited the accompanying standalone financial statements of KG Denim Limited ('the Company'), which comprise the standalone Balance sheet as at 31st March 2022, the standalone statement of profit and loss (including Other Comprehensive Income), the standalone Statement of Cash Flow and the Standalone Statement of changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements ("the financial statements") give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS'), specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2022, and its loss (including other comprehensive loss), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr.No	Key Audit Matter	Auditor's Response
1.	<p><i>Litigations - Contingencies</i></p> <p>The Company has ongoing litigations with various authorities and third parties which could have a significant impact on the results, if the potential exposures were to materialise.</p> <p>The amounts involved are significant, and the application of accounting standards to determine the amount, if any, to be provided as a liability or disclosed as a contingent liability, is inherently subjective.</p> <p>Claims against the Company not acknowledged as debts are disclosed in the Financial Statements by the Company after a careful evaluation of the facts and legal aspects of the matters involved. The outcome of such litigation is uncertain and the position taken by management involves significant judgment and estimation to determine the likelihood and/or timing of cash outflows and the interpretation of preliminary and pending court rulings.</p> <p>Refer Note 41 to the Financial Statements</p>	<p><i>Principal Audit Procedures</i></p> <p>Our audit approach was a combination of test of internal controls and substantive procedures including:</p> <p>Assessing the appropriateness of the design and implementation of the Company's controls over the assessment of litigations and completeness of disclosures. Supporting documentation are tested for the positions taken by the management, meetings are conducted with in-house legal counsel and/or legal team and minutes of Board to confirm the operating effectiveness of these controls.</p> <p>Involving our direct and indirect tax specialists to assess relevant historical and recent judgements passed by the appropriate authorities in order to challenge the basis used for the accounting treatment and resulting disclosures.</p>

Information other than the Financial Statements and Auditor's Report thereon

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report, Corporate Governance Report, Management Discussion and Analysis, but does not include the standalone financial statements and our auditor's report thereon. The Board's Report, Corporate Governance Report, Management Discussion and Analysis are expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the Board's report, Corporate Governance Report, Management Discussion and Analysis, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

6. The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

7. In preparing the financial statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

8. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

10. As part of an audit in accordance with Standards on Auditing specified under Section 143(10) of the Act, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

K G DENIM LIMITED

11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

14. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the order, to the extent applicable.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 14 of the Independent Auditors' Report of even date to the members of K G Denim Limited on the standalone financial statements for the year ended March 31, 2022.

i. (a) (A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment and relevant details of right to use assets.

(B) The Company does not have any intangible assets and hence clause (i) (a) (B) of the order is not applicable.

(b) The property, plant and equipment are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the property, plant and equipment has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.

(c) In our opinion and according to the information and explanations given to us and on the basis of our examination of property tax receipts, registered sale deed / transfer deed / conveyance deed and the records of the Company provided to us, we report that, title in respect of self-constructed buildings and the title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.

(d), The Company has not revalued its property, plant and Equipment (including Right of Use assets) or intangible assets or both during the year.

(e) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

ii. (a) The inventories (except for stocks held with third parties) were physically verified during the year by the Management at reasonable intervals. In our opinion and based on information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. For stocks held with third parties at the year-end, written confirmations have been obtained. The discrepancies noticed on verification between the physical stocks and the book records were not exceeding 10% in the aggregate for each class of inventory and have been properly dealt with in the books of account.

(b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of Rs.5 Crore, in aggregate, during the year, from banks on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns or statements (comprising stock statements, statements on ageing analysis of the debtors / other receivables, and other stipulated financial information) filed by the Company with such banks are not in agreement with the unaudited book of account of the company of the respective quarters as given hereunder. (Amount Rs.in Lakhs)

Annexure - B to the Independent Auditors' Report

Independent Auditor's Report on the Internal Financial Controls with reference to the standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. In conjunction with our audit of the standalone financial statements of KG Denim Limited ("the Company") as at and for the year ended 31st March 2022, we have audited the internal financial controls with reference to standalone financial statements of the Company as at that date.

Responsibilities of Management and Those charged with Governance for Internal Financial Controls

2. The Company's Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility for the Audit of the Internal Financial Controls with Reference to Standalone Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the ICAI prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements, and the Guidance Note issued by the ICAI. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with Reference to Standalone Financial Statements

6. A Company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such controls were operating effectively as at 31st March 2022, based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

K G DENIM LIMITED

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

Note :- 33: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

K G Denim Limited incorporated in India and listed on the BSE is a leading manufacturer of denim fabrics, apparel fabrics, home textiles and apparel (garments).

II. Significant Accounting Policies followed by the Company

(a) Basis of preparation

(i) Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The accounting policies are applied consistently to all the periods presented in the financial statements.

(ii) Historical cost conventions

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities that are measured at fair value in terms of Ind AS.

(iii) Going Concern

The accounts are prepared on the basis of going concern concept

(iv) Current non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act.

(v) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

(b) Use of estimates and judgments

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

(c) Property, plant and equipment

The Company has applied for the one time transition exemption of considering the carrying cost on the transition date i.e. April 1, 2016 as the deemed cost under IND AS. Hence regarded thereafter as a historical cost. Freehold land is carried at cost. All other items of property, plant and equipment are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation on Property, Plant and Equipment and other fixed assets is provided on a Straight Line Method, over the estimated useful lives of assets.

The Company depreciates its property, plant and equipment over the useful life in the manner prescribed in Schedule II to the Act, and management believes that useful life of assets is same as those prescribed in Schedule II to the Act, except for power plant machinery which based on an independent technical evaluation, life has been estimated as 20 years, which is different from that prescribed in Schedule II to the Act.

K G DENIM LIMITED

Useful life considered for calculation of depreciation for various assets class are as follows-

Asset Class	Useful Life
Factory Building	30 years
Non- Factory Building	60 years
Plant and Machinery	15 years
Furniture and Fixtures	10 years
Office Equipment	5 years
Vehicles	8 years
Power Plant	20 years

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These are included in the Statement of Profit and Loss.

Capital Work-in-Progress comprises the cost of fixed assets that are not yet installed and ready for their intended use at the balance sheet date.

(d) Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand and bank and current account balances.

(e) Inventories

Inventories of Raw Materials, Work-in-Progress, Stores and spares, Finished Goods and Stock-in-trade are stated 'at cost or net realisable value, whichever is lower. Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formulas used are 'Weighted Average cost', average cost or 'Specific identification', as applicable. Due allowance is estimated and made for defective and obsolete items, wherever necessary.

(f) Lessee

Operating Lease

The Company has adopted the accounting standard Ind AS 116 "Leases". Ind AS 116 is a single lessee accounting model and sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors.

As a lessee: The Company's lease assets primarily consist of office premises which are of the short-term lease with the term of twelve months or less and low value leases. For these short term and low value leases, the Company has recognized the lease payments as an expense in the Statement of Profit and Loss on a straight-line basis over the term of lease. At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. ROU assets and lease liabilities include these options when it is reasonably certain that they will be exercised. The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs. The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option. Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

As a lessor: Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from the operating lease is recognised on a straight-line basis over the term of the relevant lease unless the receipts are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

K G DENIM LIMITED

(g) Investments in subsidiaries,

Investments in subsidiaries are recognised at cost as per Ind AS 27. And subject to impairment losses reviewed at the end of each year.

(h) Investments and other financial assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

(1) those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and

(2) those measured at amortized cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

(iii) Impairment of financial assets

The Company measures the expected credit loss associated with its assets based on historical trends, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

(iv) Income recognition

Dividends

Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established.

(i) Impairment of non-financial assets

Impairment of non-financial assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

(j) Derivative financial instruments

Derivative financial instruments such as forward contracts are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise.

(k) Segment Reporting:

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

(l) Borrowings

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

(m) Borrowing costs

Interest and other borrowing costs attributable to qualifying assets are capitalised. Other interests and borrowing costs are charged to the Statement of Profit and Loss.

(n) Provisions and contingent liabilities

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

(o) Revenue recognition

Revenue is measured at the value of the consideration received or receivable. Amounts disclosed as revenue are exclusive of GST and

K G DENIM LIMITED

net of returns, trade allowances, rebates, discounts and value added taxes.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities. as described below.

Sale of goods

The Company earns revenue primarily from sale of manufactured goods (fabric, home textiles and garments). It has applied the principles laid down in Ind AS 115. In case of sale to domestic customers, sale is made on ex-factory basis and revenue is recognized when the goods are dispatched from the factory gate. In case of export sales, revenue is recognized on shipment date, when performance obligation is met.

Revenue from services

Revenue from services is recognized in the accounting period in which the services are rendered.

Export Incentive

Export incentives under various schemes notified by government are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

Dividend Income

Dividend income from investment is recognized when the company's right to receive is established which generally occurs when the shareholders approve the dividend.

Insurance claims

Insurance claims are accounted for to the extent the company is reasonably certain of their ultimate collection.

(p) Employee benefits

(i) Short-term obligations

Short term employee benefits (other than termination benefits) which are payable within 12 months after the end of the period in which the employees render service are accounted on accrual basis. Company's contributions paid / payable during the year to Provident Fund and ESIC are recognized in the statement of profit and loss account. All leave encashment dues for the year are settled within the same year.

(ii) Employment retirement benefits

- a) Contribution to Provident Fund has been made to the respective authorities.
- b) Gratuity liability as per the Actuarial Valuation has been provided in the accounts as at the year end.

(q) Foreign currency translation

(i) Functional and presentation currency

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

(ii) Transactions and balances

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

(r) Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are excepted to apply when the related deferred income tax assets is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are off set where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

(s) Earnings Per Share

Basic earnings per share

Basic earnings per share is calculated by dividing:

K G DENIM LIMITED

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

-the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
-the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(t) Government Grants

Grants from the government are recognised at their fair value where there is reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Profit and Loss on a straight - line basis over the expected lives of related assets and presented within other income.

(u) Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which by definition will seldom equal the actual results. Management also need to exercise judgement in applying the Group's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgement are:

Estimation of current tax expenses and Payable.

Estimation of defined benefit obligation.

Note : 34: FAIR VALUE MEASUREMENT

Financial Instrument by category and hierarchy

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

The fair values for loans and security deposits were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counter party credit risk.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the used of unobservable inputs, including own credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have significant effect on the recorded fair value that are not based on observable market data.

NOTE 35 - FINANCIAL RISK MANAGEMENT

Credit risk

Credit risk is the risk that a counterparty will not meet its obligation under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, foreign exchange transactions and other financial instruments.

The Company considers the probability of default upon initial recognition of an asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on assets as at the reporting date with the risk of default at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty,
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
- iv) Significant increase in credit risk on other financial instruments of the same counterparty,
- v) Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company.

Trade Receivables

Customer credit risk is managed subject to the Company's established policy, procedures and control relating to customer credit risk management. Trade receivables are non-interest bearing and generally on 7 days to 180 days credit term. Credit limits are established for all customers based on internal rating criteria. Outstanding customer receivables are regularly monitored. The Company has no concentration of credit risk as the customer base is widely distributed both economically and geographically.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on actual incurred historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral security. The Company evaluated the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

During the year adequate provision for Doubtful Debts is provided which includes export and domestic receivables.

K G DENIM LIMITED

Financial risk management objectives and policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial statement may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures like foreign exchange forward contracts, borrowing strategies and ensuring compliance with market risk limits and policies.

Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, Company treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows.

(i) Financing arrangements

The Company had no undrawn borrowing facilities at the end of the reporting period:

NOTE : 36 - CAPITAL RISK MANAGEMENT

(a) Risk Management

The Company aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimize returns to our shareholders. The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to the risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares. The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

INDEPENDENT AUDITORS' REPORT

To the Members of K G Denim Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying Consolidated Financial Statements of K G Denim Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), which comprise the Consolidated Balance Sheet as at 31st March 2022, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flow and the Consolidated Statement of changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditor on separate financial statements and on the other financial information of the subsidiaries, the aforesaid Consolidated Financial Statements ('the financial statements') give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS'), specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India of the consolidated state of affairs of the Group as at 31st March 2022, and their consolidated loss (including other comprehensive loss), consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their report referred to in paragraph 14 of the Other Matters section below is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr.No	Key Audit Matter	Auditor's Response
1.	<p>Litigations - Contingencies</p> <p>The Company has ongoing litigations with various authorities and third parties which could have a significant impact on the results, if the potential exposures were to materialise.</p> <p>The amounts involved are significant, and the application of accounting standards to determine the amount, if any, to be provided as a liability or disclosed as a contingent liability, is inherently subjective.</p> <p>Claims against the Company not acknowledged as debts are disclosed in the Consolidated Financial Statements by the Group after a careful evaluation of the facts and legal aspects of the matters involved. Information other than the Consolidated Financial Statements and Auditor's Report thereon

5. The Holding Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Report on Corporate Governance, Director's Report, etc., but does not include the Consolidated financial statements and our auditor's report thereon. The Board's Report, Corporate Governance Report, Management Discussion and Analysis are expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the Board's Report, Corporate Governance Report, Management Discussion and Analysis, and based on the work we have performed, and based on the audit report of other auditor, if we conclude that there is a material misstatement of this other information, we are required to report that fact.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

6. The accompanying consolidated financial statements have been approved by the holding Company's Board of Directors. The Holding Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these Consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial position, consolidated performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India. The Holding Company's Board of Directors are also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of Consolidated Ind As financial statements. Further, in terms of the provisions of the Act, the respective Board of Directors of the companies included in the Group, covered in the Act are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the Board of directors of the Holding Company, as aforesaid.

7. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the respective companies in the Group, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

8. The respective Board of Directors of the companies included in the Group, are also responsible for overseeing the financial reporting process of the companies included in the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

10. As part of an audit in accordance with Standards on Auditing specified under section 143(10) of the Act we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the holding Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls;

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern;
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation; and
 - Obtain sufficient appropriate audit evidence regarding the financial information / financial statements of the entities within the Group, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the financial statements, of which we are the independent auditors. For the other entities included in the financial statements, which have been audited by the other auditor, such other auditor remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

14. We did not audit the financial statements of subsidiary company, Trigger Apparels Limited and wholly owned subsidiary KG Denim (USA) Inc., whose financial statements (before eliminating intercompany balances / transactions) reflect total assets of Rs.4121.94 lakhs as at March 31, 2022, total revenues of Rs.6120.02 lakhs (before eliminating intercompany transactions) for year ended March 31, 2022, and net cashflow of Rs. 83.39 Lakhs for the year ended on that date, as considered in the consolidated financial statements. In our opinion and according to the information and explanations given to us by the Management, this financial statement / financial information is not material to the Group.

Our opinion above on the consolidated financial statements and our report on Other legal and Regulatory Requirements below, are not modified in respect of the above matters with respect to our reliance on the work done by and the reports of the other auditors and on the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

15. As required by section 143(3) of the Act, based on our audit and on the consideration of audit reports of the other auditors on separate financial statements and other financial information of such subsidiaries, incorporated in India whose financial statements have been audited by other auditors, as noted in the 'Other Matters' paragraph, we report, to the extent applicable, that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The consolidated financial statements dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
- (d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Ind AS specified under Section 133 of the Act.

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March 2022, taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies, covered under the Act, none of the directors of the Group companies, are disqualified as on 31st March 2022 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of internal financial controls with reference to the Financial Statements of the Holding Company, its subsidiary company, covered under the Act and the operating effectiveness of such controls, refer to our separate report in "Annexure A".
- (g) As required by Section 197 (16) of the Act, based on audit and on consideration of the report of the other auditor, referred to in paragraph 14, on separate financial statement of the subsidiaries incorporated in India, we report that the Holding company has paid remuneration to their respective directors during the year in accordance with the provision of and limits laid down under section 197 read with Schedule V to the Act. During the year subsidiary companies has not paid Managerial remuneration.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of audit reports of the other auditors on separate financial statements and other financial information of the subsidiaries incorporated in India whose financial statements have been audited under the Act, as noted in the 'Other Matters' paragraph:
- The Consolidated Financial Statements disclose the impact of pending litigations as at 31st March 2022 on the consolidated financial position of the Group.
 - The Holding company and its subsidiaries did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;
 - There has been no delay in transferring amounts required to be transferred, to the Investor Education and Protection Fund by the Holding Company during the year ended 31st March 2022. With regard to subsidiaries there are no requirement for such transfer.
 - (a) The respective management of the Holding Company and its subsidiary companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries respectively that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or its subsidiary companies to or in any other person(s) or entity(ies), including foreign entities ("the Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company, or any such subsidiary companies ("the Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
(b) The respective managements of the Holding company and the subsidiary companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries respectively that, to the best of their knowledge and belief, no funds have been received by the Holding Company or its subsidiary companies from any person(s) or entity(ies), including foreign entities ("the Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company, or any such subsidiary companies shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
(c) Based on such audit procedures performed by us and that performed by the other auditors of the subsidiaries, as considered reasonable and appropriate in the circumstances, nothing has come to our or other auditors notice that has caused us or the other auditor to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
v. In our opinion and according to the information and explanations given to us, the dividend declared during earlier years and unpaid dividend paid during the year by the Holding company is in compliance with Section 123 of the Act.

16. With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO report issued by us and the auditors of respective companies included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, as provided to us by the Management of the Holding Company, we report that there are no qualifications or adverse remarks in these CARO reports of the said respective companies included in the consolidated financial statement except that on clause ii (b) of the Order as given in our CARO report of the standalone financial statements of the Holding Company.

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

ANNEXURE - A TO THE INDEPENDENT AUDITORS' REPORT

Independent Auditors' Report on the Internal Financial Controls with reference to consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. In conjunction with our audit of the Consolidated financial statements of K G Denim Limited (the 'Holding Company') and its subsidiaries (the Holding company and its subsidiaries together referred to as the 'Group') as at and for the year ended 31st March 2022, we have audited the internal financial controls with reference to financial statements of the holding company and its subsidiaries which are companies covered under the Act, as on that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The respective Board of Directors of the Holding Company and subsidiary companies which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on the internal financial control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility for the Audit of the Internal Financial Controls with Reference to consolidated Financial Statements.

3. Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiary companies as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiary companies as aforesaid.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

6. A company's internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to consolidated financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

Opinion

8. In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditor referred to in the Other Matters paragraph below, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, adequate internal financial controls with reference consolidated financial statements and such controls were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Holding Company and its subsidiary companies, considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

9. Our aforesaid reports under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements in so far as it relates to subsidiary companies which are incorporated in India, is based on the corresponding report of the auditor of such companies incorporated in India. Our opinion is not modified in respect of this matter.

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

Note :- 34: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

34.1 Principles of consolidation:

The Consolidated financial statements relate to K G Denim Limited and its subsidiaries, have been prepared on a line by line basis by adding together the book values like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions resulting in unrealized profits or losses as stated in Ind AS

The subsidiary companies considered in the consolidated financial statements are

Name of the company	Country of Incorporation	Proportion of voting power as on 31.03.2022
Trigger Apparels Limited (*)	India	75%
KG Denim (USA) Inc.	Delaware USA	100%

(*) Consequent to the allotment of 15,00,000 equity shares of M/s Trigger Apparels Limited to its promoters through preferential issue on private placement basis on 30.03.2022, M/s. Trigger Apparels Limited ceased as wholly owned subsidiary and became a subsidiary of M/s. K G Denim Limited

34.2 Other Significant Accounting policies:

(a) Basis of preparation

(i) Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The accounting policies are applied consistently to all the periods presented in the financial statements. The financial statements of the Group have been consolidated using uniform accounting policies.

(ii) Historical cost conventions

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities that are measured at fair value in terms of Ind AS.

(iii) Going Concern

The accounts are prepared on the basis of going concern concept.

(iv) Current non-current classification

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Act.

(v) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

(b) Use of estimates and judgments

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Group and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Group believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

(c) Property, plant and equipment

The Group has applied for the one time transition exemption of considering the carrying cost on the transition date i.e. April 1, 2016 as the deemed cost under IND AS. Hence regarded thereafter as a historical cost. Freehold land is carried at cost. All other items of property, plant and equipment are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value.

Depreciation on Property, Plant and Equipment and other fixed assets is provided on a Straight Line Method, over the estimated useful lives of assets.

The Group depreciates its property, plant and equipment over the useful life in the manner prescribed in Schedule II to the Act, and management believes that useful life of assets is same as those prescribed in Schedule II to the Act, except for power plant machinery which based on an independent technical evaluation, life has been estimated as 20 years, which is different from that prescribed in Schedule II to the Act.

Useful life considered for calculation of depreciation for various assets class are as follows-

Asset Class	Useful Life
Factory Building	30 years
Non- Factory Building	60 years
Plant and Machinery	15 years
Furniture and Fixtures	10 years
Office Equipment	5 years
Vehicles	8 years
Power Plant	20 years

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These are included in the Statement of Profit and Loss.

Capital Work-in-Progress comprises the cost of fixed assets that are not yet installed and ready for their intended use at the balance sheet date.

(d) Cash and Cash Equivalent

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand and bank and current account balances.

(e) Inventories

Inventories of Raw Materials, Work-in-Progress, Stores and spares, Finished Goods and Stock-in-trade are stated 'at cost or net realisable value, whichever is lower'. Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formulas used are 'Weighted Average cost', average cost or 'Specific identification', as applicable. Due allowance is estimated and made for defective and obsolete items, wherever necessary.

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

(f) Lessee

Operating Lease

The Group has adopted the accounting standard Ind AS 116 "Leases". Ind AS 116 is a single lessee accounting model and sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors.

As a lessee: The Group's lease assets primarily consist of office premises which are of the short-term lease with the term of twelve months or less and low value leases. For these short term and low value leases, the Group has recognized the lease payments as an expense in the Statement of Profit and Loss on a straight-line basis over the term of lease. At the date of commencement of the lease, the Group recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. ROU assets and lease liabilities include these options when it is reasonably certain that they will be exercised. The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs. The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option. Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

As a lessor: Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from the operating lease is recognised on a straight-line basis over the term of the relevant lease unless the receipts are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

(g) Investments and other financial assets

(i) Classification

The Group classifies its financial assets in the following measurement categories:

(1) those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and

(2) those measured at amortized cost.

The classification depends on the Group's business model for managing the financial assets and the contractual terms of the cash flows.

(ii) Measurement

At initial recognition, the Group measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

(iii) Impairment of financial assets

The Group measures the expected credit loss associated with its assets based on historical trends, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

(iv) Income recognition

Dividends

Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established.

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

(h) Impairment of non-financial assets

Impairment of non-financial assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

(i) Derivative financial instruments

Derivative financial instruments such as forward contracts are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise.

(j) Segment Reporting:

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

(k) Borrowings

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

(l) Borrowing costs

Interest and other borrowing costs attributable to qualifying assets are capitalised. Other interests and borrowing costs are charged to the Statement of Profit and Loss.

(m) Provisions and contingent liabilities

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Group or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

(n) Revenue recognition

Revenue is measured at the value of the consideration received or receivable. Amounts disclosed as revenue are exclusive of GST and net of returns, trade allowances, rebates, discounts and value added taxes.

The Group recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Group and specific criteria have been met for each of the Group's activities as described below.

Sale of goods

The Group earns revenue primarily from sale of manufactured goods (fabric, home textiles and garments). It has applied the principles laid down in Ind AS 115. In case of sale to domestic customers, sale is made on ex-factory basis and revenue is recognized when the goods are dispatched from the factory gate. In case of export sales, revenue is recognized on shipment date, when performance obligation is met.

Revenue from services

Revenue from services is recognized in the accounting period in which the services are rendered.

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

Export Incentive

Export incentives under various schemes notified by government are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

Dividend Income

Dividend income from investment is recognized when the Group's right to receive is established which generally occurs when the shareholders approve the dividend.

Insurance claims

Insurance claims are accounted for to the extent the Group is reasonably certain of their ultimate collection.

(o) Employee benefits

(i) Short-term obligations

Short term employee benefits (other than termination benefits) which are payable within 12 months after the end of the period in which the employees render service are accounted on accrual basis. Group's contributions paid / payable during the year to Provident Fund and ESIC are recognized in the statement of profit and loss account. All leave encashment dues for the year are settled within the same year.

(ii) Employment retirement benefits

- a) Contribution to Provident Fund has been made to the respective authorities.
- b) Gratuity liability as per the Actuarial Valuation has been provided in the accounts as at the year end.

(p) Foreign currency translation

(i) Functional and presentation currency

The financial statements are presented in Indian rupee (INR), which is Group's functional and presentation currency.

(ii) Transactions and balances

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

(q) Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax assets is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are off set where the Group has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Group will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Group will pay normal income tax during the specified period.

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

(r) Earnings Per Share

Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Group
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(s) Government Grants

Grants from the government are recognised at their fair value where there is reasonable assurance that the grant will be received and the Group will comply with all attached conditions.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Profit and Loss on a straight - line basis over the expected lives of related assets and presented within other income.

(t) Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which by definition will seldom equal the actual results.

Management also need to exercise judgement in applying the Group's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgement are:

Estimation of current tax expenses and Payable.

Estimation of defined benefit obligation.

Note : 35 : FAIR VALUE MEASUREMENT

Financial Instrument by category and hierarchy

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Group based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

The fair values for loans and security deposits were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counter party credit risk.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the used of unobservable inputs, including own credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

The Group uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation cheque :

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have significant effect on the recorded fair value that are not based on observable market data.

Note :- 36 - FINANCIAL RISK MANAGEMENT

Credit risk

Credit risk is the risk that a counterparty will not meet its obligation under a financial instrument or customer contract, leading to a financial loss. The Group is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, foreign exchange transactions and other financial instruments.

The Group considers the probability of default upon initial recognition of an asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on assets as at the reporting date with the risk of default at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty,
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
- iv) Significant increase in credit risk on other financial instruments of the same counterparty,

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company.

Trade Receivables

Customer credit risk is managed subject to the Group's established policy, procedures and control relating to customer credit risk management. Trade receivables are non-interest bearing and generally on 7 days to 180 days credit term. Credit limits are established for all customers based on internal rating criteria. Outstanding customer receivables are regularly monitored. The Group has no concentration of credit risk as the customer base is widely distributed both economically and geographically.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on actual incurred historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Group does not hold collateral security. The Group evaluated the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

During the year adequate provision for Doubtful Debts is provided which includes export and domestic receivables.

Financial risk management objectives and policies

The Group financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial statement may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

The Group manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures like foreign exchange forward contracts, borrowing strategies and ensuring compliance with market risk limits and policies.

Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, Company treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows.

(i) Financing arrangements

The Group had no undrawn borrowing facilities at the end of the reporting period:

NOTE 37 - CAPITAL RISK MANAGEMENT

(a) Risk Management

The Group aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimize returns to our shareholders. The capital structure of the Group is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to the risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Group may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares. The Group's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Group will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

Identification of segments:

The chief operational decision maker monitors the operating results of its business segment separately for the purpose of making decision about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. Operating segments have been identified on the basis of nature of products and other quantitative criteria specified in the Ind As 108.

Segment revenue and results:

The expenses and income which are not directly attributable to any business segment are shown as unallocable expenditure (net of allocable income).

Segment assets and liabilities:

Segment assets include all operating assets used by the operating segment and mainly consist of property, plant and equipment, trade receivables, inventories and other operating assets. Segment liabilities primarily include trade payable and other liabilities. Common assets and liabilities which cannot be allocated to any of the business segment are shown as unallocable assets /liabilities.

Inter segment transfer:

Inter segment revenue are recognized at sales price. The same is based on market price and business risks. Profit or loss on inter segment transfer are eliminated at the group level.
