KKR's \$24-bn Telecom Italia deal approved

UNCONDITIONAL EU NOD

REUTERS Brussels, May 30

US INVESTMENT FIRM KKR secured unconditional EU antitrust approval on Thursday for its 22-billion-euro (\$24 billion) acquisition of Telecom Italia's (TIM) fixed-line network.

The deal is significant as it marks the first time that a big telecoms operator in a major European country is divesting its landline grid, potentially paving the way for others to follow suit.

The European Commission's announcement confirmed a Reuters' story last week. "The Commission investigated the impact of the transaction on the market for wholesale broadband access services in Italy and concluded that it would not significantly reduce the level of competition," the EU executive, which also acts as the EU antitrust watchdog, said.

KKR has sought to address concerns of Telecom Italia's rivals about those rivals' existing contracts put in place after the creation of FiberCop, Telecom Italia's last-mile grid unit, and has offered a pledge to keep them on the same terms and prices, people with direct knowledge of the matter have

Musk to testify in SEC probe over Twitter stock disclosures

ELON MUSK HAS settled his latest legal fight with the U.S. Securities and Exchange Commission by agreeing to testify for the regulator's probe into his 2022 acquisition of social media site Twitter, according to a Thursday court filing.

Musk and the SEC have agreed on an undisclosed date when the Tesla CEO will undergo questioning, they said in court papers. Musk also agreed not to appeal the court decision that ordered him to comply with the agency's subpoena.

The SEC sued Musk in October to compel him to testify after he refused to attend a September interview for the investigation. The billionaire said the SEC was trying to "harass" him through unwarranted investigations.

The probe concerns whether Musk broke federal securities laws in 2022 when he bought stock in Twitter, which he later renamed X. It is also reviewing statements and SEC filings he made in relation to the deal, the agency has previously said. -REUTERS

rose 1.3% annualized in the first three months of the year, below the previous estimate of 1.6%, Bureau of Economic Analysis figures published Thursday showed. The economy's main growth engine personal spending advanced 2.0%, versus the previous estimate of 2.5%.

The numbers underscore a loss of momentum to start 2024 after continual upside surprises in 2023. High interest rates, waning pandemicera savings and slower income growth are some of the key factors weighing on American households and businesses.

WeWork cleared to exit bankruptcy, slash debt

DIETRICH KNAUTH New York, May 30

A US BANKRUPTCY judge on Thursday approved WeWork's Chapter 11 bankruptcy plan, allowing the shared office space provider to eliminate \$4 billion in debt and hand the company's equity over to a group of lenders and real estate technology company Yardi Sys-

Flexible workspace provider WeWork expanded at breakneck speed but racked up steep losses on its over-extended real estate portfolio before filing for bankruptcy protection in November 2023.

US Bankruptcy Judge John Sherwood approved WeWork's restructuring at a court hearing in Newark, New Jersey. With that approval secured, WeWork will be ready to exit from bankruptcy with no debt "in a matter of days," WeWork attorney Steven Serajeddini said at the hearing.

WeWork used its bankruptcy to negotiate a significant reduction in future rent costs from its landlords and cancel leases at about one-third of its locations, ultimately reducing its future rent costs by more than \$12 billion. WeWork expects to operate 337 shared office spaces after its bankruptcy, with more than 170 locations in the US and Canada

covers nearly 89% of households in Italy and its fibre and copper cables stretch over 23 million kms (14.3 million miles). The grid sale is part of a government-backed plan to cut Telecom Italia debt.
