Notes:

1. In view of the COVID-19 pandemic, the Ministry of Corporate (“MCA”) issued General Circular Nos. 14/ 2020, 17/2020, 20/2020, 02/2021, 19/2021, 21/2021 and 02/2022 dated 8th April 2020, 13th April 2020, 5th May 2020, 13th January 2021, 8th December 2021, 14th December 2021 and 5th May, 2022, respectively and Circular no. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated 13th May, 2022 issued by the SEBI (hereinafter collectively referred to as “the Circulars”) allowing, inter-alia, conduct of AGMs through Video Conferencing/ Other Audio-Visual Means (“VC/ OAVM”) facility on or before 31st December, 2022. In compliance with these Circulars, provisions of the Act and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”), the 49th AGM of the Company is being conducted through VC/ OAVM facility, which does not require physical presence of members at a common venue.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013, read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars 13th January, 2021, in continuation and read with its Circulars dated 08th April, 2020, 13th April, 2020 and 05th May, 2020, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (“CDSL”) for facilitating voting through electronic means, as the authorized e-Voting’s agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM through VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. Pursuant to section 105 of Companies Act, 2013, a Member is entitled to attend and vote at the AGM is entitled to appoint proxy to attend and vote on his/ her behalf and the proxy need not be a member of the Company. Since, this AGM is being held through VC/OAVM, the physical attendance has been dispensed with. Accordingly, the facility for appointment of proxies by the members to attend and cast vote is not available for this AGM and therefore Proxy Form and Attendance Slip are not annexed to this

- notice. However, in pursuance of Section 112 and Section 113 of the Act, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
5. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under section 103 of the Companies Act, 2013.
 6. In compliance with the MCA Circular No. 02/2022 dated 5th May 2022 in continuation to its earlier General Circulars Circular No. 02/2021 dated 13th January, 2021, 17/2020 dated 13th April, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.phcapital.in. The Notice can also be accessed from the website of the Stock Exchange i.e. Bombay Stock Exchange (“BSE”) Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of Central Depository Service Limited (“CDSL”) (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
 7. The recorded transcript of the forthcoming AGM shall also be made available on the website of the Company – www.phcapital.in.
 8. The Members joining the meeting through VC/OAVM, who have not casted their vote by means of remote e-voting, shall be able to exercise their right to vote through e-voting at the AGM. The Members who have cast their vote by remote e-voting prior to the AGM shall join the AGM through VC/OAVM, but shall not be entitled to cast their vote again.
 9. The Explanatory Statement pursuant to section 102 of the Companies Act, 2013, which sets out details relating to special business at the Meeting is annexed and forms part of the Notice.
 10. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their Depository Participant in case the shares are held in electronic form and to M/s. Bigshare Services Private Limited, at investor@bigshareonline.com in case the shares are held in physical form.
 11. The Register of Members and Share Transfer Books of the Company will remain close from Friday, September 23, 2022 to Thursday, September 29, 2022 (both days inclusive) for the purpose of AGM.
 12. The Company has appointed Mr. Dharendra Maurya, Practicing Company Secretary, (M. No. FCS 22005 & C.P. No. 9594) and Proprietor of M/s. The Members seeking to inspect such documents can send an email to phcapitaltd@gmail.com.
16. In compliance with Securities and Exchange Board of India, Circular dated 20th April, 2018, shareholders holding shares of the Company in the physical form are required to provide details of the Permanent Account Number issued by Income Tax Department and Bank Account Details to the Share Transfer Agent of the Company, Bigshare Services Private Limited, Office No S6-2, 6th Floor, Pinnacle Business Park, Next to Ahura Centre, Mahakali Caves Road, Andheri (East) Mumbai – 400093 having email Id : investor@bigshareonline.com
17. The instructions for Remote e-voting and e-voting during AGM through VC/OAVM are as under:
 - (i) The e-voting period will commence on Monday, September 26, 2022 at 9 a.m. and will end on Wednesday, September 28, 2022 at 5 p.m. During this period, the Members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Thursday, September 22, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
 - (ii) The Members who have voted prior to the AGM date would not be entitled to change or cast their vote again at the meeting.
 - (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020,

under Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, the e-voting facility provided by Listed Companies, an individual shareholders holding securities in demat form are allowed to vote through their demat account maintained with Depositories and Depository Participants. The shareholders are advised to update their mobile number and email Id with their respective Depository Participants in order to access e-Voting facility.

MANAGEMENT DISCUSSION AND ANALYSIS

Economic Outlook

India's gross domestic product (GDP) for the April-June quarter (Q1) of the ongoing financial year 2022-23 rose 13.5 per cent, as per provisional estimates released by National Statistical Office (NSO). The GDP had expanded by 20.1 per cent in the corresponding quarter of 2021-22.

Economists had estimated India's economy to grow in double digits in Q1 of the ongoing financial year 2022-23 (FY23), with real GDP growth rates seen in the range of 13-16.2 per cent. A base effect of 20.1 per cent growth in the corresponding period year ago along with the moderation in the impact of the Russia-Ukraine war and a pickup in service sector activity is likely to have supported growth.

As per the government data, the gross value added (GVA) at basic price at constant terms during the June quarter rose 12.7 per cent. The GVA at Basic Price at Current Prices rose 26.5 per cent in Q1 2022-23.

Overall, the Economic Survey was optimistic about macro-economic stability indicators suggesting that the Indian Economy is well placed to take on the challenges of FY 2022-23. (Source: Indian Express).

Indian Economy Overview

India's real GDP has grown by 8.7% in FY 22, a sharp rebound from the 6.6% contraction in FY21. This was in the face of the severe second wave in the first quarter, and the subsequent Omicron variant in the last quarter of the year. With businesses and people having adapted to the fast-changing norms, the economy has picked up faster, in tandem with the flattening infection curve. Increased exports, capital expenditure in infrastructure, higher industrial activity, and improved consumer confidence, stemming from a highly successful vaccination drive, demonstrated the resilience of Indian economy.

Inflation will be heavily influenced by the growing geopolitical environment and its impact on global commodity pricing and logistics in the future. In terms of food costs, domestic cereal prices have risen along with international prices. Record food grain production and buffer stock levels should keep domestic prices in check.

With significant concerns surrounding global supplies, international crude oil prices remain unpredictable. With a broad-based increase in the price of essential industrial inputs and global supply chain disruptions, input cost pressures are likely to endure than previously anticipated. Their impact on retail prices was minimal due to the economy's continued slack. The manufacturing sector anticipates increased input and output pricing pressures in the future.

Financial Performance

The Company being mainly engaged in the business of share/commodity broking and proprietary share trading in India all its activities revolve around the main object and as such, in the opinion of the management, there is no separate reportable segment.

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS), notified under section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, under the historical cost convention on accrual basis, except for certain financial instruments comprises of stock in trade of shares and securities, which are measured at fair values, as specified at places of respective categories.

Revenue from operations increased by 72.57 % due to movement/sale of shares by the management on timely basis as per market movements and the net profit of the Company is increased by 12.74 % as on March 31, 2022.

Key Financial Ratios:

The key financial ratios for the financial year 2021-22 are as under:

Ratio	FY 2021-22
Debt Equity Ratio	Nil
Interest Coverage Ratio	28.30
Operating Profit Margin (OPM) %	19.29 %
Net Profit Margin (NPM)%	13.97%
Return on Net worth	38.42 %

Internal Control Systems and their Adequacy

The Company has satisfactory internal control system commensurate with its business, size and operations, the adequacy of which has been mentioned in the Auditors' Report.

Human Resources

There has been no material development on the Human Resource / Industrial relations front during the year. The Company had six employees as on March 31, 2022.

Opportunity

The pandemic accelerated many trends that were emerging before it struck. The overnight adoption of work from home and more digitally-dependent lifestyles were two significant impulses that triggered a virtuous equity investing cycle.

While the economy returned to pre-pandemic levels, as the third wave of COVID-19 subsided, and individuals and enterprises began to revert to pre-pandemic lifestyles, the preference for online investment platforms continued. Virtual customer enrolment and onboarding has become the new normal as it facilitated faster more seamless onboarding, trading and investing processes. This has great implications for the future of direct and indirect equity investing in the country.

Threats

While the economy has seen a significant recovery from the pandemic lows, there are potentially challenging trends which could derail the recovery and extend the pain for the country, including the financial services sector –

- An extreme pandemic wave may derail the benefits accrued in the last year, both globally and domestically
- Geopolitical tensions, especially in Ukraine, have the potential to significantly impact the economic growth across the world and lead to wider global participation
- Inflation has become a huge challenge both in India and globally. Oil prices have been a double whammy for our country. It is expected that the central banks find the right balance between liquidity tightening and controlling inflation

Risk Management

Risk management is a key element of Company's business strategy and is integrated seamlessly across all of its business operations. The objective of the risk management process is to optimise the risk-return equation and ensure prudent financial management; along with meticulous compliance with all extant laws, rules, and regulations applicable to all its business activities.

Risk management is integral to the Company's strategy. A strong risk culture is designed to help reinforce resilience by encouraging a holistic approach to the management of risk throughout the organisation. The Company has invested in people, processes and technology to mitigate both external and internal risks.

Outlook

The year under review was characterised by a recovery from the pandemic. While some aspects of the economy and lifestyles have returned to pre-pandemic practices, others have retained the benefits of the transition.

The economy has greater levels of digitization and automation and individuals and enterprises have come to expect more speed, transparency and efficiency from transactions and various other aspects of life, including consumption and investing.

The capital markets, specifically the stock markets, have seen an influx of new investors as well as new listings, with a spate of IPOs that tapped the markets during the year. The Company continues to focus on delivering steady performance and staying ahead of the trends in the capital market and brokerage segment.

Forward-looking statements

This Management Discussion and Analysis contains statements about expected future events and financial and operating results of P H Capital Limited, which are forward-looking. By their nature, forward-looking statements require the Company to make assumptions and are subject to inherent risks and uncertainties. There is significant risk that the assumptions, predictions and other forward-looking statements will not prove to be accurate. Do not place undue reliance on forward looking statements as a number of factors could cause assumptions and actual future results or events to differ materially from those expressed in these forward-looking statements.

My Secretarial Audit Report for the financial Year ended March 31, 2022 of even date is to be read along with this letter.

1. Maintenance of Secretarial records is the responsibility of the management of the Company. My responsibility is to express an opinion on these Secretarial records based on my audit.
2. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in Secretarial records. I believe that the processes and practices I followed provide a reasonable basis for my opinion.
3. I have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.
4. Wherever required, I have obtained Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations and standards is the responsibility of the management. My examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

Independent Auditor's Report on the Financial Statements

To the Members of

P. H. CAPITAL LIMITED

Opinion

We have audited the accompanying financial statements of **P. H. CAPITAL LIMITED** (“the Company”) which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), Cash Flow Statement and the Statement of changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its Profit /loss, including Other Comprehensive Income, Cash Flow and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon. There are no other key audit matters and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Financial Statements

The Company's Management and Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards prescribed under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Director are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

OTHER MATTERS

We draw attention to Note No.46, which describes the uncertainty caused by Novel Coronavirus (COVID-19) pandemic with respect to the estimates of company's business operations and that such estimates may be affected by the severity and duration of the pandemic. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, based on our audit, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

- b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c. the Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of changes in Equity dealt with by this Report are in agreement with the books of account;
- d. in our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under section 133 of the Act as applicable.
- e. On the basis of written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”.
- g. With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us :
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 30 to the financial statements;
 - ii. Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - ii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company

to or in any other person(s) or entity(ies), including foreign entities (“ Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds (which are material either individually or in the aggregate) have been received by the company from any person(s) or entity(ies), including foreign entities (“ Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our attention that has caused us to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.
- v. The company has not paid any dividend during the year.

- (ix) (a) According to the information and explanations given to us, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any Lender.

- (b) According to the information and explanations given to us , the company is not declared willful defaulter by any bank or financial institution or other lender;
- (c) According to the information and explanations given to us, the Company has not taken any Term Loan during the Year.
- (d) According to the information and explanations given to us and in our opinion, funds raised on short term basis have not been utilised for long term purposes.
- (e) The company does not have any subsidiary, Associate or Joint Venture and hence the reporting whether the company has taken any funds from any entity or person on account of or to meet the obligations of its subsidiary, Associate or Joint Venture is not applicable.
- (f) The company does not have any subsidiary, Associate or Joint Venture and hence the reporting whether the company has raised loans during the year on the pledge of securities held in any subsidiary, Associate or Joint Venture and about default in repayment of such loan is not applicable.
- (x) (a) According to the information and explanation given to us, the company has not raised moneys by way of initial public offer or further public offer including debt instruments during the year.
- (b) According to the information and explanation given to us, the company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year.
- (xi) (a) During the course of our examination of the books and records of the company, carried in accordance with auditing standard generally accepted in India, we have neither come across any instance of fraud by the company or any fraud on the Company noticed or reported during the course of our audit nor have we been informed of any such instance by the management.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year
- (c) According to the information and explanation given to us, there are no whistle-blower complaints received during the year by the company;
- (xii) In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 3 (xii) of the Order are not applicable to the Company.

- (xiii) In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable Indian accounting standards.
- (xiv) (a) According to the information and explanation given to us, the company has an internal audit system commensurate with the size and nature of its business;
- (b) We have considered the reports of the Internal Auditor for the period under audit.
- (xv) Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company.
- (xvi) (a) In our opinion, principal business of the Company is the dealing in shares and securities and hence the company is in the business which is governed by RBI. The company was also registered with SEBI as a sub-broker vide registration No. INS01A605432 dated 19th March, 2018. We were informed that consequently the company was exempted from registration under section 45-IA of RBI Act, 1934 as per the RBI's Master circular RBI/2015-16/15 DNBR (PD) CC. No. 052/03.10.119/2015-16 dated 01-07-2015. However, in view of SEBI circular No. SEBI/HO/MIRSD/DoP/CIR/P/2018/117 dated 03rd August 2018, since the company has not exercised the option to migrate themselves as Trading Member / Authorised Broker upto 31/03/2019, the registration as a sub-broker is deemed to be surrendered. Consequently the exemption from registration under section 45-IA of RBI Act, 1934 was not available and company was required to obtain registration, which the company has now obtained registration as a STOCK BROKER with SEBI vide certificate No. 0002960 dated 25/02/2022 bearing registration number INZ000304433. Hence the company is now exempted from registration under section 45-IA of RBI Act.
- (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities.
- (c) The company is not the Core Investment company.(CIC)
- (d) There are no other CIC which are part of the Group.
- (xvii) The company has not incurred cash losses during the financial year and in the immediately preceding financial year.

- (xviii) There has been no resignation of the statutory auditors during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts upto the date of the Audit Report and we neither give any guarantee nor an assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the company as and when they fall due.
- (xx) The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there is no unspent CSR amount to be transferred to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly reporting under clause (xx) of the order is not applicable for the year.

“Annexure B” to the Independent Auditor’s Report of even date on the Financial Statements of P. H. CAPITAL LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

Opinion

We have audited the internal financial controls over financial reporting of **P. H. CAPITAL LIMITED** (“the Company”) as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal

financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate or for other reasons.

Note: 2 Significant Accounting Policies

I. Basis of Preparation

- a) These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS), notified under section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, under the historical cost convention on accrual basis, except for certain financial instruments comprises of stock in trade of shares and securities, which are measured at fair values, as specified at places of respective categories.
- b) Accounting policies not specifically referred to otherwise are consistent with the generally accepted accounting principles followed by the Company.
- c) All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle, and other criteria set out in the Schedule – III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as up to twelve months for the purpose of current / non-current classification of assets and liabilities.
- d) The preparation of financial statements requires estimates and assumption to be made that effect the reported amount of assets and liabilities on the date of financial statements and the reported amount of revenue and expenses during the reporting period .The Difference between the actual and estimate are recognized in the period in which results are known/materialized.

II. Property, plant and equipment

- a) Tangible Fixed Assets are stated at cost, less accumulated depreciation and impairment loss, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

- b) Intangible Assets are stated at acquisition of cost, net of accumulated amortization and accumulated impairment losses, if any.
- c) Profit/Losses arising from the retirement of and gains & losses arising from disposal of fixed assets, which are carried at cost, are recognized in the statement of profit & loss.
- d) On transition to Ind AS, the Company has opted to continue with the carrying value of all of its property, plant and equipment recognized as at April 01, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment on the transition date.

III. Depreciation & Amortisation

- a) For assets existing on 1st April 2014 the carrying amount will be amortized over the remaining useful lives on straight line method as prescribed in the schedule II of companies act, 2013.
- b) For the assets added after the 1st April 2014 :- On straight line method at the useful standard Lives prescribed in Schedule II to The Companies Act, 2013.
- c) The estimated useful lives are as follows:

Assets	Useful Life
Office premises	60 years
Office Equipments	5 years
Computers	3 years
Vehicles	8 years

- d) Intangible assets include Cost of software capitalized is amortized over a period of 3 years.
- e) Depreciation on assets added/ disposed off during the year has been provided on pro-rata basis with reference to the days of addition/ disposal.
- f) Leasehold Improvements is written off / depreciated over the period of 5 years.

IV. Impairment Of Assets

Assessment is done at each Balance Sheet date as to whether there is any indication that a tangible asset may be impaired. For the purpose of assessing impairment, the smallest identifiable group of asset that generates cash inflows from continuing use that are largely independent of the cash inflow from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made.

Assets whose carrying value exceeds their recoverable amount are written down to the recoverable amount. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from

the continuing use of an assets and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased.

V. Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

Current investments and Long Term Investments are carried at fair value. Long-term investments are carried at Fair Market Value / Net realizable value at the Balance sheet date.

VI. Borrowing Cost

Borrowing Costs attributable to acquisition and construction of qualifying assets are capitalized as a part of the cost of such assets up to the date when such assets are ready for its intended use.

Other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

VII. Inventories

The shares and securities held as stock-in-trade are valued at fair values.

VIII. Revenue Recognition

- a) Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and can be reliably measured.
- b) Revenue from sale of shares & securities is recognized when the significant risks and rewards of ownership of shares & securities have passed. Sale of shares & securities are recorded net of brokerage and Taxes.
- c) Transaction of Purchase and Sales effected in cash market, which are settled otherwise than by actual delivery or transfer of Shares and securities are netted and the resultant Gain or loss is accounted as speculation profit or loss in the statement of profit and loss.
- d) Derivative Instruments: Transaction of Purchase and Sales of derivative contracts effected in F & O market, which are settled otherwise than by actual delivery or transfer of Shares and securities are netted and the resultant Gain or loss is accounted as F & O profit or loss in the statement of profit and loss.

Accounting for derivative contracts, the outstanding derivative contract with respect to F & O as at the year end are marked to market individually to account for the loss, if any and is charged to the statement of profit and loss.

- e) Interest Income is recognized on a time proportion basis.
- f) Dividend income on investments is accounted for when the right to receive the payment is established.

IX. Employee Benefits

- a) The Provident Fund contribution and Gratuity are not required to be provided as the Company does not fulfill the criterion of minimum number of Employees employed during the year and hence is not under the statutory obligation to pay the same.
- b) Leave Encashment: The leave Encashment benefits, being defined benefit plans are charged to the profit & loss account, which are paid annually based on the available leave credit on actual basis.

X. Taxation

a) Current and Deferred Tax

Tax expense for the period, comprising Current tax and Deferred Tax are included in the determination of net profit or loss for the period.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in India.

Deferred Tax is recognized for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognized and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Deferred Tax assets and liabilities are measured using the tax rates and tax laws that have been enacted and substantively enacted by the Balance Sheet date. At each Balance Sheet date, the company re-assesses unrecognized deferred tax assets, if any.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances related to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in the statement of profit and loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity.

XI. Leases (as a lessee)

The Company has adopted Ind AS 116 “Leases” using the modified retrospective approach with effect from initially applying this standard from 1st April 2019. Accordingly, the information presented

for previous year ended 31st March 2019, is not restated and reported as per Ind AS 17.

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116 and this may require significant judgment. The Company also uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend or terminate the lease if the Company is reasonably certain based on relevant facts and circumstances that the option to extend or terminate will be exercised. If there is a change in facts and circumstances, the expected lease term is revised accordingly.

The discount rate is generally based on the interest rate specific to the lease being evaluated or if that cannot be easily determined the incremental borrowing rate for similar term is used.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and restoration cost, less any lease incentives received.

The right-of-use assets are subsequently depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. In addition, the right-of-use asset is reduced by impairment losses, if any.

The lease liability is initially measured at amortised cost at the present value of the future lease payments. When a lease liability is remeasured, the corresponding adjustment of the lease liability is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

XII. Cash And Cash Equivalent

Cash and Cash Equivalents for the purpose of cash flow statement comprise cash on hand and cash at bank including fixed deposit with original maturity period three months or less and short term highly liquid investments with an original maturity of three months or less.

XIII. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit for the year attributable to equity shareholders by the weighted-average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share are the net profit for the

period. The weighted-average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

XIV. Contingent Liabilities And Provisions

a) Provisions

Provisions are recognized when there is a present obligation as a result of past events, and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date.

b) Contingent Liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from the past events, the existence of which will be confirmed only on the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not portable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made

XV. Financial Instruments

A financial instrument is a contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

1. Financial Assets

a) Classification

The Company classifies its financial assets in the following measurement categories:

- i) at fair value either through other comprehensive income (FVOCI) or through profit and loss (FVTPL); and
- ii) at amortised cost: The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Gains and losses will either be recorded in the statement of profit and loss or other comprehensive income for assets measured at fair value.

b) Measurement

At initial recognition, in case of a financial asset not at fair value through the statement of profit and loss account, the Company measures a financial asset at its fair value.

c) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

d) De-recognition of financial assets

A financial asset is de-recognized only when

- i) The Company has transferred the rights to receive cash flows from the financial asset.
Or
- ii) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the company has transferred an asset, it evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognized. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Where the company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognized if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

e) Income Recognition

- i) **Interest income:** Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual

terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

- ii) **Dividend income:** Dividends are recognised in the statement of profit and loss only

when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably

f) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short- term, highly liquid investments with original maturities of three months or less, that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

2. Financial Liabilities

a) Measurement

Financial liabilities are initially recognized at fair value, reduced by transaction costs (in case of financial liabilities not recorded at fair value through profit and loss), that are directly attributable to the issue of financial liability. All financial liabilities are subsequently measured at amortized cost using effective interest method. Under the effective interest method, future cash outflow are exactly discounted to the initial recognition value using the effective interest rate, over the expected life of the financial liability, or, where appropriate, a shorter period. At the time of initial recognition, there is no financial liability irrevocably designated as measured at fair value through profit and loss.

b) De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

c) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid as per payment terms

3. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The

legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

XVI. Critical estimates and judgments

In the application of the company's accounting policies, which are described in note 2, the management is required to make judgment, estimates, and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other process. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future period if the revision affects both current and future period.

The following are the critical estimates and judgments that have the significant effect on the amounts recognised in the financial statements.

a) Estimation of current tax expense and deferred tax

The calculation of the company's tax charge necessarily involves a degree of estimation and judgment in respect of certain items whose tax treatment cannot be finally determined until resolution has been reached with the relevant tax authority or, as appropriate, through a formal legal process. Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions. Where the final tax outcome of these matters is different from the amounts that were initially recorded, such differences will impact the current and deferred income tax in the period in which such determination is made.

Recognition of deferred tax assets / liabilities

The recognition of deferred tax assets is based upon whether it is probable that sufficient and suitable taxable profits will be available in the future against which the reversal of temporary differences can be deducted. To determine the future taxable profits, reference is made to the approved budgets of the company. Where the temporary differences are related to losses, local tax law is considered to determine the availability of the losses to offset against the future taxable profits as well as whether there is convincing evidence that sufficient taxable profit will be available against which the unused tax losses or unused tax credits can be utilised by the company. Significant items on which the Company has exercised accounting judgment include recognition of deferred tax assets in respect of losses. The amounts recognised in the financial statements

in respect of each matter are derived from the Company's best estimation and judgment as described above.

b) Estimation of Provisions and Contingent Liabilities

The company exercises judgment in measuring and recognising provisions and the exposures to contingent liabilities, which is related to pending litigation or other outstanding claims. Judgment is necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement.

Because of the inherent uncertainty in this evaluation process, actual liability may be different from the originally estimated as provision. Although there can be no assurance of the final outcome of the legal proceedings in which the company is involved, it is not expected that such contingencies will have a material effect on its financial position or profitability.

c) Estimation of useful life of Property, Plant and Equipment, Intangible assets, Investment properties

Property, Plant and Equipment & Intangible assets, a significant proportion of the asset base of the company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of company's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The useful lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

d) Estimated fair value of Financial Instruments

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Management uses its judgment to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period.

e) Impairment of Trade Receivable

The impairment provisions for trade receivable are based on assumptions about risk of default and expected loss rates. The company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

**Notes on Financial Statements for the year ended 31st March, 2022**

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities and unlisted preference shares are included in level 3.

**There are no transfers between levels 1, 2 and 3 during the year

(ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include: Investments in quoted equity instruments are valued using the closing price at Bombay Stock Exchange (BSE) at the reporting period.

(iii) Fair value of Financial assets and liabilities measured at amortised cost

NOTE - 39: Financial risk management

The Company's activities expose it to market risk, liquidity risk and credit risk.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

The company has a robust risk management framework comprising risk governance structure and defends risk management processes. The risk governance structure of the company is a formal organization structure with defined roles and responsibilities for risk management.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, loans & other financial assets measured at amortized cost.	Ageing analysis	Diversification of bank deposits, credit limits in select cases.
Liquidity risk	Other financial liabilities	Sensitivity analysis	Availability of committed credit lines and borrowing facilities
Market risk	Trading in equity shares and security prices derivative trading in equity shares,	Sensitivity analysis	Portfolio diversification & extensive research

The Company risk management is carried out under the guidance from the board of directors. Company's board identifies, evaluates and hedges financial risks in close coordination with the company's operating units. The board provides written principles for overall risk management, as well as policies covering specific areas, such as, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity. There is no change in objectives and process for managing the risk and methods used to measure the risk as compared to previous year.

1) Credit Risk :

Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The Credit risk mainly arises receivables from share broker, cash and cash equivalents, loans and deposits with banks, financial institutions & others.

a) Cash and cash equivalents:

The cash and cash equivalents are held with public bank.

b) Other Bank Balances:

Other bank balances are held with public bank.

Notes on Financial Statements for the year ended 31st March, 2022

c) Other financial assets:

Other financial assets include security deposits and refund receivable from Tax authorities neither past due nor impaired.

2) Liquidity Risk :

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses.

Company treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows:

(i) Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

Particular	As at March 31, 2022	As at March 31, 2021

Notes on Financial Statements for the year ended 31st March, 2022

3) Market Risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks namely interest rate risk, currency risk and other price risk, such as commodity risk. Currently The Company is not exposed to interest rate risk and currency risk whereas the exposure to other price risk is given below:

A) Market Risk- Price risk.

(a) Exposure

The company is mainly exposed to the price risk due to its dealings made in equity instruments held by the company and classified in the balance sheet at fair value through profit or loss. The price risk arises due to uncertainties about the future market values of these Equity instruments. To manage its price risk arising from holding in equity securities, the company diversifies its portfolio and does extensive market research analysis.

(b) Sensitivity

The table below summarizes the impact of increases/decreases of the BSE index on the Company's equity and Gain/ Loss for the period. The analysis is based on the assumption that the index has increased by 5% or decreased by 5% with all other variables held constant, and that all the company's equity instruments held as stock in trade moved in line with the index.
